JOINT PROXY STATEMENT/PROSPECTUS

PROPOSED MERGER YOUR VOTE IS VERY IMPORTANT

Dear Stockholders:

The boards of directors of Kforce Inc. and Hall, Kinion & Associates, Inc. have approved the acquisition of Hall Kinion by Kforce in a merger. In order to complete the merger, we must each obtain the approval of our stockholders. If the merger is completed, a wholly-owned subsidiary of Kforce will merge with and into Hall Kinion and Hall Kinion will become a wholly-owned subsidiary of Kforce. In the merger, Hall Kinion stockholders will receive, in exchange for shares of Hall Kinion common stock, an aggregate amount of fully paid and nonassessable shares of Kforce common stock based upon the exchange ratio. The exchange ratio is dependent on the Kforce stock market value. The Kforce stock market value is the average of the per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to the date of the merger. If the Kforce stock market value is equal to or greater than \$7.09, but less than \$9.60, then the exchange ratio will equal .60, which will result in Hall Kinion stockholders receiving between \$54.6 million and \$74.4 million in Kforce common stock. If the Kforce stock market value is equal to or greater than \$9.60, then the exchange ratio will be $\$5.75$ divided by the Kforce stock market value, which will result in Hall Kinion stockholders receiving no less than approximately \$74.4 million. If the Kforce stock market value is less than \$7.09, then the exchange ratio will be $\$4.25$ divided by the Kforce stock market value, which will result in Hall Kinion stockholders receiving no more than approximately \$54.6 million. Assuming the Kforce stock market value were equal to \$10.32, which was the average of the per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to February 3, 2004, the exchange ratio would equal 0.557, which would result in Hall Kinion stockholders receiving approximately \$74.4 million. We hope to complete the merger as soon as reasonably possible following the Hall Kinion and Kforce stockholder meetings. However, there may be some delay between the vote to approve the merger and when the merger is actually completed, during which time the price of Kforce common stock could decline. As a result, Hall Kinion stockholders will not know with certainty at the time they vote the value of the shares of Kforce common stock they will receive in the merger. Based on a Kforce stock market value of \$10.32 and based on those assets and liabilities of Hall Kinion at September 28, 2003 and the pro forma adjustments on page F-3, the value of the identifiable assets, goodwill and liabilities of Hall Kinion to be acquired or assumed in the merger by Kforce would be \$38.5 million, \$76.8 million and \$40.9 million, respectively. Kforce common stock is traded on the Nasdaq National Market under the symbol **KFRC**.

Subject to the limitations and qualifications summarized in **The Merger Material United States Federal Income Tax Consequences** section of this document beginning on page 62, the merger will be tax-free to Kforce shareholders and Hall Kinion stockholders, except to the extent of any cash received by Hall Kinion stockholders in the merger.

Kforce has scheduled a special meeting of its shareholders on March 11, 2004, at 10:00 a.m. local time to vote on the merger proposal at its corporate headquarters located at 1001 East Palm Avenue, Tampa, Florida 33605, and Hall Kinion has scheduled a special meeting of its

Edgar Filing: KFORCE INC - Form S-4/A

stockholders on March 11, 2004, at 11:00 a.m. local time to vote on the merger proposal at the law offices of Gibson, Dunn & Crutcher LLP located at One Montgomery Street, Suite 3100, San Francisco, California 94104. Regardless of the number of shares that you own or whether you plan to attend a meeting, it is important that your shares be represented and voted. Voting instructions are inside.

The Kforce board of directors has unanimously approved the merger agreement and determined that the merger agreement and the merger are advisable and in the best interests of Kforce and its shareholders. Accordingly, the Kforce board of directors recommends that Kforce shareholders vote to approve the issuance of shares of Kforce common stock pursuant to the merger agreement.

Similarly, the Hall Kinion board of directors has unanimously approved the merger agreement and determined that the merger agreement and the merger are advisable and in the best interests of Hall Kinion and its stockholders. Accordingly, the Hall Kinion board of directors recommends that Hall Kinion stockholders vote to adopt the merger agreement.

This document provides you with detailed information about the proposed merger. We encourage you to read this entire document carefully.

See **Risk Factors** beginning on page 23 of this document for a discussion of various risks you should consider in evaluating the merger.

We believe that this merger will benefit each of our stockholders and we ask for your support in voting for the merger proposal at each company's special meeting.

QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: Why are Kforce and Hall Kinion proposing the merger?

A: Kforce and Hall Kinion believe that the merger of Hall Kinion with Kforce will allow the combined company to leverage complementary strengths in technology and finance and accounting staffing services. Bringing together two strong brands will benefit current and prospective candidates and client customers and employees. We believe this combination should improve Kforce's liquidity and trading fundamentals and create a stronger public company with better capital market access. During the past three years, Hall Kinion has experienced a substantial reduction in revenues, primarily as a result of the downturn in the high technology business sector, which had been the historical focus of Hall Kinion's business. As a result, Hall Kinion has taken actions to reduce costs in order to match revenues and expenses. During recent years, the costs of being a public company have significantly increased. We believe the potential elimination of significant duplicate public company and executive, general and administrative costs will provide greater earnings and cash flow potential for the combined company, and ultimately greater value to each company's stockholders. As a result of these and other factors, the Hall Kinion board of directors concluded that it was in the best interests of Hall Kinion stockholders for Hall Kinion to seek a merger with a larger company that could finance growth from the combination of the companies and achieve synergies from the integration of the companies' executive, general and other administrative functions.

Q: What do I need to do now?

A: After you carefully read this document, mail your signed proxy card in the enclosed return envelope, or submit your proxy by telephone or on the Internet, as soon as possible, so that your shares may be represented at your meeting. In order to ensure that your vote is recorded, please vote your proxy as instructed on your proxy card even if you currently plan to attend your company's special meeting in person.

Q: Why is my vote important?

A: If you do not return your proxy card or submit your proxy by telephone or through the Internet or vote in person at your company's special meeting, it will be more difficult for Kforce and Hall Kinion to obtain the necessary quorum to hold their special meetings. In addition, if you are a Kforce shareholder, a failure to vote will reduce the number of affirmative votes required to approve the issuance of shares of Kforce common stock in the merger. If you are a Kforce shareholder and you abstain from voting, your abstention will reduce the number of affirmative votes required to approve the issuance of shares of Kforce common stock in the merger. If you are a Hall Kinion stockholder, a failure to vote, or an abstention from voting, will have the same effect as a vote against the adoption of the merger agreement.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: No. If you do not provide your broker with instructions on how to vote your street name shares, your broker will not be permitted to vote them on the adoption of the merger agreement by Hall Kinion stockholders or the approval of the issuance of shares of Kforce common stock in the merger. You should therefore be sure to provide your broker with instructions on how to vote your shares. Please check the voting form used by your broker to see if it offers telephone or Internet submission of proxies.

Q: What if I fail to instruct my broker?

A: If you fail to instruct your broker to vote your shares and the broker submits an unvoted proxy, the resulting broker non-vote will be counted toward a quorum at the respective special meeting but will not count as a

Table of Contents

vote cast at the special meeting. With respect to the Kforce special meeting, broker non-votes will reduce the number of affirmative votes required to approve the issuance of shares of Kforce common stock in the merger. With respect to the Hall Kinion special meeting, broker non-votes will have the same effect as negative votes.

Q: Can I change my vote after I have mailed my proxy card?

A: Yes. You can change your vote at any time before your proxy is voted at your company's special meeting. You can do this in any of the following ways:

timely delivery of a valid, later-dated proxy by mail, or a later-dated proxy by telephone or Internet;

if you are a Kforce shareholder, by timely delivery of a valid, later dated proxy by telephone by calling 1-877-PRX-VOTE (1-877-779-8683);

if you are a Kforce shareholder, by timely delivery of a valid, later dated proxy via the Internet at <http://www.eproxyvote.com/kfrc>;

if you are a Hall Kinion stockholder, by timely delivery of a valid, later dated proxy by telephone by calling 1-888-426-7035;

if you are a Hall Kinion stockholder, by timely delivery of a valid, later dated proxy via the Internet at <http://www.proxyvoting.com/haki>;

written notice to your company's secretary before the special meeting that you have revoked your proxy; or

voting by ballot at either the Kforce special meeting or the Hall Kinion special meeting.

If you have instructed a broker to vote your shares, you must follow directions from your broker to change those instructions.

Q: When and where are the special meetings?

A: The Kforce special meeting will take place on March 11, 2004, at its corporate headquarters located at 1001 East Palm Avenue, Tampa, Florida 33605 at 10:00 a.m. local time. The Hall Kinion special meeting will take place on March 11, 2004, at the law offices of Gibson, Dunn & Crutcher LLP located at One Montgomery Street, Suite 3100, San Francisco, California 94104, at 11:00 a.m. local time.

Q: How was the exchange ratio and the relevant collar determined?

A: The exchange ratio of .60 was negotiated between the parties and reflects the parties' views of the approximate relative worth of Kforce and Hall Kinion. The 15% collar was also a negotiated point which recognizes that there is likely to be some fluctuation in the market prices in the common stock of the two companies that would not warrant adjusting the consideration to be paid.

Q: Should I send in my stock certificates now?

Edgar Filing: KFORCE INC - Form S-4/A

A: No. After the merger is completed, Kforce will send Hall Kinion stockholders written instructions for exchanging their stock certificates. Kforce shareholders will keep their existing stock certificates.

Q: When do you expect the merger to be completed?

A: We are working to complete the merger by March 31, 2004. However, it is possible that factors outside of our control could require us to complete the merger at a later time or not complete it at all. We hope to

Table of Contents

complete the merger as soon as reasonably possible following the Hall Kinion and Kforce stockholder meetings. However, there may be some delay between the vote to approve the merger and when the merger is actually completed.

Q: Will Kforce shareholders receive any shares as a result of the merger?

A: No. Kforce shareholders will continue to hold the Kforce shares they currently own.

Q: Who do I call if I have questions about the special meetings or the merger?

A: Kforce shareholders may call Michael Blackman, Vice President Investor Relations, at (813) 552-5000.

Hall Kinion stockholders may call Martin A. Kropelnicki, Vice President, Chief Financial Officer and Secretary, at (415) 895-2200.

Table of Contents**The Merger (Page 38)**

In the merger, a wholly-owned subsidiary of Kforce, Novato Acquisition Corporation, will merge with and into Hall Kinion and Hall Kinion will become a wholly-owned subsidiary of Kforce. *The merger agreement, as amended, is attached as Annex A to this joint proxy statement/prospectus and we encourage you to read it carefully.*

What You Will Receive in the Merger (Page 66)

In the merger, Hall Kinion stockholders will receive, in exchange for shares of Hall Kinion common stock, an aggregate amount of fully paid and nonassessable shares of Kforce common stock based upon the exchange ratio. The exchange ratio is dependent on the Kforce stock market value. The Kforce stock market value is the average of the per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to the date of the merger. If the Kforce stock market value is equal to or greater than \$7.09, but less than \$9.60, then the exchange ratio will equal .60, which will result in Hall Kinion stockholders receiving between \$54.6 million and \$74.4 million in Kforce common stock. If the Kforce stock market value is equal to or greater than \$9.60, then the exchange ratio will be $\$5.75$ divided by the Kforce stock market value, which will result in Hall Kinion stockholders receiving no less than approximately \$74.4 million. If the Kforce stock market value is less than \$7.09, then the exchange ratio will be $\$4.25$ divided by the Kforce stock market value, which will result in Hall Kinion stockholders receiving no more than approximately \$54.6 million. The exchange ratio and collar adjustments were determined by arms-length negotiation between Hall Kinion and Kforce after consultation by each of the parties with their respective financial and legal advisors. Assuming the Kforce stock market value is equal to \$10.32, which was the average of the per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to February 3, 2004, the exchange ratio would equal 0.557, which would result in Hall Kinion stockholders receiving approximately \$74.4 million. We hope to complete the merger as soon as reasonably possible following the Hall Kinion and Kforce stockholder meetings. However, there may be some delay between the Hall Kinion stockholders vote to approve the merger and when the merger is actually completed, during which time the price of Kforce common stock could decline. As a result, Hall Kinion stockholders will not know with certainty at the time they vote the value of the shares of Kforce common stock they will receive in the merger. Based on a Kforce stock market value of \$10.32 and based on those assets and liabilities of Hall Kinion at September 28, 2003 and the pro forma adjustments on page F-3, the value of the identifiable assets, goodwill and liabilities of Hall Kinion to be acquired or assumed in the merger by Kforce would be \$38.5 million, \$76.8 million and \$40.9 million, respectively.

In addition, Hall Kinion stockholders will receive cash instead of any fractional shares of Kforce common stock to which they are otherwise entitled. The holders of shares of Hall Kinion common stock who would otherwise have been entitled to a fraction of a share of Kforce common stock pursuant to the merger agreement will receive cash in an amount equal to the product of the fractional interest of Kforce common stock the Hall Kinion stockholder would have been entitled to receive multiplied by the Kforce stock market value. For example, if a Hall Kinion stockholder would have been entitled to receive 0.5 shares of Kforce common stock and the Kforce stock market value were \$10.32 per share, such Hall Kinion stockholder would receive \$5.16 in cash in lieu of 0.5 shares of Kforce common stock. Hall Kinion and Kforce currently estimate that not more than \$1,000 cash in the aggregate will likely be paid to holders of Hall Kinion common stock in lieu of fractional shares.

Each outstanding, unexercised and fully vested option to purchase Hall Kinion common stock with an exercise price less than (i) the Kforce stock market value multiplied by (ii) the exchange ratio will automatically be converted into the right to receive an aggregate amount of shares of Kforce common stock as if such option had been exercised on a net-exercise basis immediately prior to the closing of the merger. All other outstanding options will be automatically cancelled. The term net-exercise basis means that the number of Hall Kinion shares an option holder will be deemed to own will be decreased by the exercise price of such options and the

Table of Contents

taxes required to be withheld as a result of the exercise. For example, if an individual has options to purchase 100 shares of Hall Kinion stock at \$1.00 per share and at the time of the merger the Kforce stock market value is \$10.32 per share, assuming a withholding tax rate of 29.6%, Kforce would issue the option holder 32 shares of Kforce common stock based on the following calculation: 100 Hall Kinion option shares multiplied by the exchange ratio of 0.557 equals 55.7 shares. The sum of the aggregate exercise price of \$100 plus the withholding tax of \$140.60 $[(\$5.75-\$1.00) \times 100 \text{ shares} \times \text{the assumed tax rate of } 29.6\%]$ equals \$240.60. \$240.60 divided by the Kforce stock market value of \$10.32 equals 23.3 shares. The option holder would be entitled to receive 55.7 shares less 23.3 shares or 32.4 shares. Because Kforce will be paying cash in lieu of fractional shares, the option holder will receive 32 shares of Kforce common stock.

Assuming the Kforce stock market value were equal to \$10.32, which was the average of the per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to February 3, 2004, vested options to purchase 1,065,689 shares of Hall Kinion common stock would be in-the-money and would be converted into 176,023 shares of Kforce common stock.

The following table illustrates the aggregate merger consideration and aggregate number of shares of Kforce common stock that Hall Kinion stockholders will receive in the merger in exchange for all of the outstanding shares of Hall Kinion common stock, at different Kforce stock market values randomly selected by us. While there is no maximum number of shares of Kforce common stock to be issued in the merger, if the merger is consummated, Hall Kinion stockholders will receive no less than approximately \$54.6 million and no more than approximately \$74.4 million. Kforce has the right, under the terms of the merger agreement, to terminate the merger agreement if the Kforce stock market value is below \$6.00. The number of shares in the far right column includes outstanding Hall Kinion options converted into Kforce shares.

Ownership of Kforce After the Merger

Kforce and Hall Kinion expect that the number of shares of Kforce common stock issued to Hall Kinion stockholders in the merger will constitute approximately 19.5% of the outstanding common stock of Kforce after the merger, based on the assumptions set forth in the pro forma condensed combined financial statements and assuming the conversion of all vested in-the-money options to purchase shares of Hall Kinion common stock into shares of Kforce common stock under the merger agreement.

Stockholder Votes Required (Pages 33 and 35)

For Kforce shareholders:

Edgar Filing: KFORCE INC - Form S-4/A

Approval of the proposal to issue shares of Kforce common stock in the merger requires the affirmative vote of holders of a majority of the shares of Kforce common stock present or represented by proxy and entitled to vote at the Kforce special meeting. Approval of the proposal to issue shares of Kforce common stock in the merger is a condition to the completion of the merger. Therefore, if shareholders wish to have the merger completed, they must approve the proposal.

On the record date, directors and executive officers of Kforce and their affiliates had the right to vote _____ shares of Kforce common stock, representing approximately _____ % of the shares of Kforce common stock outstanding on the record date. Each of David L. Dunkel, Richard M. Cocchiario, Joseph J. Liberatore, Ken W. Pierce, William L. Sanders and Howard W. Sutter, each a director and/or executive officer of Kforce, who as of December 19, 2003, beneficially owned shares of Kforce common stock representing approximately 31.59% of the voting power of Kforce, has entered into a voting agreement with Hall Kinion in which he has agreed to vote (i) in favor of the approval of the merger agreement, (ii) against any action that would result in any of the conditions of Hall Kinion's obligations under the merger agreement not being fulfilled, (iii) against any action that would result in a breach by Kforce of any of its covenants, representations or warranties under the merger agreement, and (iv) against the election of a group of individuals to replace a majority or more of the individuals on the Kforce board of directors. A form of Kforce voting agreement is attached to this joint proxy statement/prospectus as part of Annex A. You should read it in its entirety.

For Hall Kinion Stockholders:

Adoption of the merger agreement requires the affirmative vote of at least a majority of the outstanding shares of Hall Kinion common stock. On the record date, directors and executive officers had the right to vote shares of Hall Kinion common stock, representing approximately 30.2% of the shares of Hall Kinion common stock outstanding and entitled to vote at the special meeting. To Hall Kinion's knowledge, directors and executive officers of Hall Kinion and their affiliates intend to vote their common stock in favor of the adoption of the merger agreement.

Each of Brenda C. Rhodes, Jeffrey A. Evans, Herbert I. Finkelman, Rita S. Hazell, Todd J. Kinion, Martin A. Kropelnicki, Jon H. Rowberry, Jack F. Jenkins-Stark and Michael S. Stein, each a director and/or executive officer of Hall Kinion, who together beneficially own shares of Hall Kinion common stock representing approximately 30.2% of the voting power of Hall Kinion, has entered into a voting agreement with Kforce in which he or she has agreed to vote (i) in favor of the approval of the merger agreement, (ii) against any action that would result in any of the conditions of Kforce's obligations under the merger agreement not being fulfilled, (iii) against any action that would result in a breach by Hall Kinion of any its covenants, representations or warranties under the merger agreement, and (iv) against (A) any third party acquisition proposal, or (B) the election of a group of individuals to replace a majority or more of the individuals on the Hall Kinion board of directors. A form of Hall Kinion voting agreement is attached to this joint proxy statement/prospectus as part of Annex A. You should read it in its entirety.

Conditions to the Consummation of the Merger (Page 75)

The completion of the merger depends on the satisfaction or waiver of a number of conditions set forth in the merger agreement, including, but not limited to, the following:

the approval of the merger and the adoption of the merger agreement by the stockholders of Hall Kinion and the approval of the issuance of the shares of Kforce common stock in the merger by the shareholders of Kforce;

the approval of the shares of Kforce common stock to be issued to Hall Kinion stockholders in the merger for trading on the Nasdaq National Market;

the registration statement of which this joint proxy statement/prospectus is a part being declared effective by the SEC and the absence of any stop order suspending the effectiveness of the registration statement;

the accuracy of all representations and warranties as of the date of the merger agreement and the closing date, as qualified in the merger agreement;

Table of Contents

the performance or compliance in all material respects with all agreements and covenants set forth in the merger agreement;

the receipt of all consents and approvals of third parties as set forth in the merger agreement;

the absence of any law, temporary restraining order, injunction or other order issued by a court that has the effect of making the merger illegal or otherwise prohibiting the merger;

the expiration or termination of the waiting period applicable to the merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; and

the receipt by Kforce and Hall Kinion of a legal opinion that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

At any time prior to the effective time of the merger, Kforce and Hall Kinion may, to the extent legally allowed, extend the time for performance of any of the obligations or other acts set forth in the merger agreement, waive any inaccuracies in the representations or warranties set forth in the merger agreement and waive compliance with any of the agreements or conditions set forth in the merger agreement.

Kforce and Hall Kinion cannot be certain when, or if, the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Termination of the Merger Agreement (Page 77)

Kforce and Hall Kinion may terminate the merger agreement by mutual written consent.

Either Kforce or Hall Kinion may terminate the merger agreement if:

the merger is not completed by April 30, 2004 but only if the party seeking termination did not fail to fulfill any obligation under the merger agreement that has been a material cause of the failure of the closing to occur on or before April 30, 2004;

any governmental entity issues a non-appealable final order permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by the merger agreement or fails to issue an order necessary to satisfy a closing condition to the merger and such failure becomes final and non-appealable;

the other party materially breaches any of the representations or warranties set forth in the merger agreement, and such breach or failure cannot be cured before April 30, 2004;

the other party materially breaches any of its covenants or agreements set forth in the merger agreement, and such breach cannot be cured within 20 business days after written notice thereof;

Edgar Filing: KFORCE INC - Form S-4/A

under certain circumstances, Hall Kinion takes action with respect to or pursues an unsolicited third-party acquisition proposal that is or may be superior to the merger with Kforce; or

Hall Kinion stockholders do not approve the merger and adopt the merger agreement or Kforce shareholders do not approve the issuance of shares of Kforce common stock pursuant to the merger agreement.

Kforce may terminate the merger agreement if:

the Hall Kinion board of directors withdraws, modifies, qualifies or fails to make or reconfirm its recommendation to the Hall Kinion stockholders, or Hall Kinion willfully and materially breaches its obligation to call a stockholders meeting;

Table of Contents

Hall Kinion willfully and materially breaches its non-solicitation obligations; or

between December 2, 2003 and the closing of the merger, the average of the closing sales prices of Kforce common stock on the Nasdaq National Market shall have been less than \$6.00 per share for 15 consecutive trading days.

Hall Kinion may terminate the merger agreement if:

the Kforce board of directors withdraws, modifies, qualifies or fails to make its recommendation to the Kforce shareholders, or Kforce willfully and materially breaches its obligation to call a shareholders meeting.

Termination Fees (Page 78)

Termination of the merger by Kforce under specified circumstances, including if (i) Hall Kinion enters into or consummates a similar transaction with a third party, (ii) the Hall Kinion board of directors withdraws, modifies, qualifies or fails to make its recommendation to the Hall Kinion stockholders, or (iii) Hall Kinion materially breaches its obligation to call a stockholders meeting, could result in Hall Kinion being required to pay to Kforce a termination fee in an amount equal to \$2.0 million. In addition to the termination fee, Hall Kinion must pay Kforce an amount equal to the difference, if any, between 3% of the transaction value paid to Hall Kinion's stockholders by a third party and \$2.0 million if: (i) at any time after the date of the merger agreement and before Hall Kinion's stockholders approve the merger, a third party acquisition proposal with respect to Hall Kinion has been publicly announced or otherwise communicated to the stockholders of Hall Kinion; and (ii) prior to December 31, 2004, Hall Kinion or any of its subsidiaries enters into any definitive agreement with respect to, or consummates, any acquisition proposal. Such additional termination fee could discourage other companies from trying or proposing to combine with Hall Kinion.

Termination of the merger by Hall Kinion under specified circumstances, including if Kforce's board of directors withdraws, modifies, qualifies or fails to make its recommendation to the Kforce shareholders, or Kforce materially breaches its obligation to call a shareholders meeting, could result in Kforce being required to pay to Hall Kinion a termination fee in the amount of \$2.0 million.

Recommendation of Kforce's Board of Directors (Page 43)

The Kforce board of directors has unanimously approved the merger agreement and the transactions contemplated thereby and has deemed the merger advisable and determined that the consideration to be paid by Kforce in the merger is fair and in the best interest of Kforce and its shareholders. The Kforce board of directors recommends that Kforce shareholders vote for the approval of the issuance of Kforce common stock in the merger.

In reaching its decision, the Kforce board of directors consulted with its management team and advisors and considered the proposed merger agreement and the transactions contemplated by the merger agreement. During the course of its deliberations, the Kforce board of directors considered a number of factors, including without limitation:

the high quality of the operational personnel and the compatibility of the cultures of the two companies;

the combination of executive, general and administrative functions;

elimination of Hall Kinion's public company costs;

the consideration to be paid by Kforce in the merger;

the strategic and geographic fit of Kforce and Hall Kinion;

the view of Kforce's management as to the financial condition, results of operations and business of Kforce and Hall Kinion before and after giving effect to the merger, based on management's due diligence, internal projections, publicly available earnings estimates and other publicly available information;

the opinion of Lehman Brothers to the effect that, as of the date of that opinion, and based upon and subject to the matters described in its opinion, the exchange ratio to be paid by Kforce pursuant to the merger agreement is fair to Kforce from a financial point of view;

information concerning historical and current market prices with respect to Kforce's common stock and Hall Kinion's common stock;

the likelihood of a successful integration and the successful operation of the combined company;

the shareholders' view of the combined company;

the terms and conditions of the merger agreement, the voting agreements, and the affiliate agreements, including without limitation the termination fees; and

the likelihood that the merger will be completed.

During the course of its deliberations concerning the merger, the Kforce board of directors also identified and considered a variety of potentially negative factors that could materialize as a result of the merger, including, but not limited to:

the risk that the potential benefits of the merger may not be realized, including that the expected operating synergies might not be achieved;

the possibility that the merger might not be consummated and the effect of the public announcement of the merger on Kforce's partners, customers and employees;

the risks associated with obtaining the necessary approvals required to complete the merger;

the transaction costs involved in connection with closing the merger;

the potential inability to realize certain Federal and state tax benefits through future income. No value will be assigned to the Hall Kinion deferred tax asset in the asset allocation;

the management efforts and costs required to complete the integration of the businesses and operations of the two companies following the merger;

Edgar Filing: KFORCE INC - Form S-4/A

the risk that sales of substantial amounts of Kforce common stock in the public market after the proposed merger could materially adversely affect the market price of Kforce common stock;

the risk that customers and other business partners of Hall Kinion might terminate their relationships as a result of the merger; and

the other risks described under the section entitled "Risk Factors" beginning on page 23.

Recommendation of Hall Kinion's Board of Directors (Page 45)

The Hall Kinion board of directors has unanimously approved the merger agreement and the transactions contemplated thereby and believes that the terms of the merger agreement and the merger are fair to, and in the best interests of, Hall Kinion and its stockholders. The Hall Kinion board of directors recommends that the Hall Kinion stockholders approve the merger and adopt the merger agreement.

Table of Contents

In reaching its decision, the Hall Kinion board of directors consulted with its management team and advisors and considered the proposed merger agreement and the transactions contemplated by the merger agreement. During the course of its deliberations, the Hall Kinion board of directors considered a number of factors, including without limitation:

current market prices for Hall Kinion common stock, the fluctuation in historical trading prices of the Hall Kinion common stock, the lack of liquidity in the market for Hall Kinion common stock, the inability to use Hall Kinion common stock at current price levels as consideration for acquisitions, which limits Hall Kinion's growth potential, and the fact that the merger consideration includes a premium over the market price for Hall Kinion common stock on the last trading day before the merger was announced;

the greater liquidity of Kforce's common stock following the merger as compared to Hall Kinion's common stock;

the fact that Hall Kinion's stockholders will have the opportunity to participate in the growth and opportunities of the combined company;

the likelihood that other offers or expressions of interest at prices higher than the merger consideration would have been expected to have surfaced prior to the execution of the merger agreement as a result of the marketing efforts conducted by Baird;

the Hall Kinion board of directors' knowledge of Hall Kinion's business, current financial condition and liquidity, the nature of the markets in which Hall Kinion competes and Hall Kinion's position in those markets, Hall Kinion's prospects for future growth as an independent company as compared with prospects as part of a larger enterprise; and the likelihood of further consolidation occurring in the industry and the effects of such consolidation;

the historical and potentially continuing downturn in technology spending, particularly by companies that historically had been part of Hall Kinion's primary customer base, and the downturn in the demand for services in Hall Kinion's OnStaff division;

the potential reduction in Hall Kinion's liquidity under its line of credit as a result of decreased revenues, which results in a reduced borrowing base;

the potential synergies, cost savings and economies of scale resulting from the combined executive, general and administrative functions of the two companies following the merger;

Hall Kinion's ability, subject to certain conditions, to respond to, and to accept, an unsolicited offer that is superior to the merger, if failing to do so would breach the fiduciary responsibilities of the Hall Kinion board of directors;

the fact that the merger is a tax-free reorganization, which will permit Hall Kinion stockholders to defer payment of capital gains taxes until they sell shares of Kforce common stock received in the merger;

the other terms of the merger agreement; and

the analyses and financial presentations to the Hall Kinion board of directors in connection with the Hall Kinion board of directors consideration of the merger, including the opinion of Baird that the exchange ratio to be received by the Hall Kinion stockholders was fair, from a financial point of view.

Edgar Filing: KFORCE INC - Form S-4/A

In addition to the positive factors summarized above, the Hall Kinion board of directors also considered the following negative factors in reaching its determination:

the possibility that the merger might not be consummated, the impact of the transaction costs incurred if the merger is not completed, the risks associated with potential fluctuations in the price of Kforce common stock prior to the closing of the merger, including Kforce's right to terminate the merger if its

Table of Contents

stock price decreases to less than \$6.00 per share over a period of time prior to the closing of the merger and the effect of the public announcement of the merger on Hall Kinion's sales, operating results, stock price and relations with employees and customers;

the risk that the potential benefits and synergies in the merger might not be fully realized;

the risk of a stock price decline in Kforce stock following the completion of the merger;

the costs and potential operational problems that may be incurred in the integration of the two companies' operations;

the risks associated with diversion of management resources from operational matters for an extended period of time; and

the risks described under the section entitled "Risk Factors" beginning on page 23 of this joint proxy statement/prospectus.

Kforce's Termination Rights (Page 77)

Kforce may terminate the merger agreement if the average of the closing share price of Kforce common stock on the Nasdaq National Market shall have been less than \$6.00 per share for 15 consecutive trading days. Although a resolicitation of proxies from our shareholders is not required, Kforce has not concluded whether it would resolicit proxies if it has the opportunity to exercise its walk-away rights. Kforce's determination of whether to proceed with the transaction in such a case will be based upon its board's careful consideration, exercising its reasonable business judgment consistent with its fiduciary duties to Kforce's shareholders, of the impact of the event triggering any walk-away rights on the valuation of Hall Kinion's business in the merger and other strategic alternatives to the merger which may then be available to Kforce, as well as general market and industry conditions. Kforce's board of directors reserves the right not to proceed with a resolicitation of proxies and to consummate the transaction if, taking into account its responsibilities, it determines that proceeding with the transaction is in its shareholders' best interest.

Opinion of Kforce's Financial Advisor (Page 46)

In connection with the merger, the Kforce board of directors received a written opinion from Lehman Brothers as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid in the merger by Kforce. The full text of the Lehman Brothers written opinion, dated December 2, 2003, is attached to this joint proxy statement/prospectus as Annex B. Kforce and Hall Kinion encourage you to read this opinion carefully in its entirety for a description of the assumptions made, procedures followed, matters considered and limitations on the review undertaken. **The Lehman Brothers opinion is addressed to the Kforce board of directors and does not constitute a recommendation to any shareholder with respect to any matters relating to the proposed merger.**

Opinion of Hall Kinion's Financial Advisor (Page 53)

In connection with the merger, the Hall Kinion board of directors received a written opinion from Robert W. Baird & Co. Incorporated as to the fairness, from a financial point of view, of the exchange ratio to be received in the merger by the holders of Hall Kinion common stock. The full text of the Robert W. Baird & Co. Incorporated written opinion, dated December 2, 2003, is attached to this joint proxy statement/prospectus as Annex C. Kforce and Hall Kinion encourage you to read this opinion carefully in its entirety for a description of the assumptions made,

Incorporated opinion is addressed to the Hall Kinion board of directors, and does not constitute a recommendation to any stockholder with respect to any matters relating to the proposed merger.**

Material United States Federal Income Tax Consequences (Page 62)

The exchange of Hall Kinion common stock for Kforce common stock, other than cash paid for fractional shares, is intended to be tax-free to you for United States federal income tax purposes. Hall Kinion and Kforce will not be obligated to consummate the merger unless they receive legal opinions to the effect that the merger qualifies as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. However, neither Kforce nor Hall Kinion has requested nor will either request a ruling from the Internal Revenue Service with regard to any of the tax consequences of the merger. If the Internal Revenue Service were to assert successfully that the merger is not a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, then the exchange of Hall Kinion common stock for Kforce common stock would not be tax-free to you. Tax matters are very complicated and the tax consequences of the merger to you will depend on your own personal circumstances. **You should consult your tax advisor for a full understanding of all of the federal, state, local and foreign income and other tax consequences of the merger to you.**

Accounting Treatment (Page 64)

The merger will be accounted for as a purchase under accounting principles generally accepted in the United States of America.

Interests of Hall Kinion Directors and Officers in the Merger (Page 83)

Certain Hall Kinion directors and executive officers have interests in the merger that are different from, or are in addition to, those of other stockholders. These interests include: (i) the continued indemnification of current directors and officers of Hall Kinion; (ii) in the case of Brenda C. Rhodes and Rita S. Hazell, change of control payments in the amount of \$1.1 million and \$980,000 owed to them, respectively, as a result of the merger; (iii) in the case of Ms. Rhodes, Ms. Hazell, Martin A. Kropelnicki and David Healey, the acceleration of the vesting of certain stock options held by them; (iv) in the case of Ms. Rhodes, the acceleration of \$1.05 million in compensation otherwise owed to her; and (v) in the case of Ms. Rhodes and Ms. Hazell, the acceleration of the forgiveness of approximately \$302,000 and \$58,000 of indebtedness owed to Hall Kinion by Ms. Rhodes and Ms. Hazell, respectively. The members of Hall Kinion's board of directors were aware of, and considered the interests of, themselves and Hall Kinion's executive officers in approving the merger and adopting the merger agreement.

Regulatory Clearances and Approvals (Page 65)

Kforce and Hall Kinion have notified and furnished information to the Federal Trade Commission and the Antitrust Division of the U.S. Department of Justice under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the applicable waiting period has terminated. Although the waiting period has terminated, the Federal Trade Commission, the Antitrust Division, any state or any private party may challenge the merger at any time before or after its completion.

No Appraisal Rights (Page 65)

Stockholders are not entitled to appraisal rights in connection with the merger.

Quotation on the Nasdaq National Market (Page 65)

Kforce's common stock is currently traded on the Nasdaq National Market under the symbol KFRC. It is a condition to the merger that the shares of Kforce common stock to be issued in the merger be approved for trading on the Nasdaq National Market subject to official notice of issuance.

Selected Unaudited Pro Forma Condensed Combined Financial Data

The following selected unaudited pro forma condensed combined financial statements have been prepared to give effect to the proposed business combination of Kforce and Hall Kinion using the purchase method of accounting and the assumptions and adjustments described in the accompanying notes to the selected unaudited pro forma condensed combined financial statements contained elsewhere in this joint proxy statement. These pro forma statements were prepared as if the business combination of Kforce and Hall Kinion and Hall Kinion's acquisition of OnStaff had been completed as of September 30, 2003 for balance sheet purposes and as of January 1, 2002 for statements of operations purposes.

The selected unaudited pro forma condensed combined financial statements are presented for illustrative purposes only and are not necessarily indicative of the financial position or results of operations that would have actually been reported had the business combination occurred as of September 30, 2003 for balance sheet purposes and as of January 1, 2002 for statement of operations purposes, nor is it necessarily indicative of future financial position or results of operations. The selected unaudited pro forma condensed combined financial statements include adjustments, which are based upon preliminary estimates, to reflect the allocation of purchase price to the fair value of the acquired assets and assumed liabilities of Hall Kinion, before any integration adjustments. The final allocation of the purchase price will be determined after the completion of the business combination and will be based upon an independent valuation of the fair values of certain of the net tangible and intangible assets acquired as well as liabilities assumed. The selected unaudited pro forma condensed combined financial statements do not reflect any combination costs or operational synergies resulting from the merger. The selected unaudited pro forma condensed combined financial statements assume the conversion of all vested in-the-money options to purchase shares of Hall Kinion common stock into shares of Kforce common stock under the merger agreement.

Kforce and Hall Kinion expect to incur merger and integration charges as a result of combining the companies. Kforce and Hall Kinion also anticipate that the merger will provide the combined company with financial benefits that include reduced operating expenses and the opportunity to earn more revenue. The selected unaudited pro forma condensed combined financial data, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect these expenses or benefits and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the combined company would have been had Kforce and Hall Kinion actually been combined during the periods presented.

Table of Contents**Comparative Per Share Data**

The following tables present (a) the basic and diluted loss per common share and book value per share data for each of Kforce and Hall Kinion on a historical basis, (b) the historical basic and diluted loss per common share and book value per share for the combined company on a pro forma basis and (c) the historical basic and diluted loss per common share and book value per share for Kforce and Hall Kinion on an equivalent pro forma combined basis. Neither Kforce nor Hall Kinion declared any cash dividends for the periods presented below.

We calculate historical book value per share by dividing stockholders' equity by the number of shares of common stock outstanding at September 30, 2003.

We calculate pro forma book value per share by dividing pro forma stockholders' equity by the pro forma number of shares of Kforce common stock which would have been outstanding had the merger been consummated as of September 30, 2003. Pro forma combined net loss, pro forma stockholders' equity and the pro forma number of shares of Kforce common stock outstanding have been derived from the unaudited pro forma condensed combined financial statements appearing elsewhere in this joint proxy statement/prospectus and assumes the conversion of all vested in-the-money options to purchase shares of Hall Kinion common stock into shares of Kforce common stock under the merger agreement.

Kforce and Hall Kinion expect to incur merger and integration charges as a result of combining the companies. Kforce and Hall Kinion also anticipate that the merger will provide the combined company with financial benefits that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect these expenses or benefits and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the combined company would have been had Kforce and Hall Kinion actually been combined during the periods presented.

- (2) These calculations are based on an exchange ratio of 0.60 of a share of Kforce stock to be issued for each Hall Kinion share (or exchangeable stock option). This exchange ratio assumes an average share price for Kforce common stock of between \$7.09 per share and \$9.60 per share, which represents the floor and ceiling price within which the exchange ratio is fixed. If the average per share closing price of Kforce common stock for the 15 consecutive trading days ending on and including the third trading day preceding the closing date is less than \$7.09 per share, the exchange ratio will be adjusted upward to an exchange ratio calculated by dividing \$4.25 by the Kforce market value per share. If the average per share closing price of Kforce common stock exceeds \$9.60 per share, the exchange ratio will be adjusted downward to an exchange ratio calculated by dividing \$5.75 by the Kforce market value per share.
- (3) These calculations are based on an assumed Kforce average share price of \$6.00 per share, which would result in an exchange ratio of .708 shares of Kforce stock for each Hall Kinion share (or exchangeable stock option). Kforce may terminate the merger agreement if the average of the closing sales prices of Kforce common stock on the Nasdaq National Market is less than \$6.00 per share for 15 consecutive trading days. The pro forma per share data would not be materially impacted for Kforce stock market values between \$6.00 and \$7.09.
- (4) These calculations are based on an assumed Kforce average share price of \$10.32 per share, which would result in an exchange ratio of .557 of a share of Kforce stock for each Hall Kinion share (or exchangeable stock option). The Kforce average share price of \$10.32 per share is based on the average per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to February 3, 2004.
- (5) Pro forma combined income from continuing operations per share is computed by dividing pro forma combined income from continuing operations by the sum of Kforce's basic or diluted weighted average shares during the period plus the number of Kforce's shares assumed to be issued in the merger.
- (6) Pro forma combined book value per share is computed by dividing pro forma shareholders' equity by the number of shares of Kforce common stock outstanding as of September 30, 2003 plus the number of shares of Kforce common stock assumed to be issued in the merger.
- (7) Pro forma combined per equivalent Hall Kinion share amounts are computed by multiplying the exchange ratio by the corresponding pro forma per share amounts.
- (8) The total number of pro forma shares that would be outstanding under each of the exchange ratios is presented below. The amount of new Kforce shares issued is calculated by multiplying the exchange ratio by the estimated outstanding shares of Hall Kinion at closing.

The following table sets forth trading information for Kforce common stock and Hall Kinion common stock on December 1, 2003 and February 5, 2004. December 1, 2003 was the day preceding the date Kforce and Hall Kinion announced the signing of the merger agreement. February 5, 2004 was the last practicable trading day for which information was available before the date of this joint proxy statement/prospectus. We cannot assure you what the market price of the Kforce common stock will be at the merger date. The prices of each company's common stock will fluctuate prior to the special meetings and the merger, and you should obtain current market quotations. The market price of Kforce common stock has fluctuated substantially in the past and could fluctuate substantially in the future. Those fluctuations may adversely affect the price of Kforce common stock and the value of the shares of Kforce common stock that Hall Kinion stockholders receive in the merger. Among other things, volatility in the price of Kforce common stock could mean that investors will not be able to sell their shares at or above the current market price of Kforce common stock. The volatility also could impair Kforce's ability in the future to offer common stock as a source of additional capital or as consideration in the acquisition of other businesses.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Any statements in this document about expectations, beliefs, plans, objectives, assumptions or future events or performance are not historical facts and are forward-looking statements. These statements are often, but not always, made through the use of words or phrases such as may, should, could, predict, potential, believe, will likely result, expect, will continue, anticipate, estimate, intend, plan, prospect, outlook. Accordingly, these statements involve estimates, assumptions and uncertainties which could cause actual results to differ materially from those expressed in them. Any forward-looking statements are qualified in their entirety by reference to the factors discussed throughout this document. The following cautionary statements identify important factors that could cause Kforce's, Hall Kinion's or the combined company's actual results to differ materially from those projected in the forward-looking statements made in this document. Among the key factors that have a direct bearing on Kforce's, Hall Kinion's or the combined company's results of operations are:

general economic and business conditions; the existence or absence of adverse publicity; changes in marketing and technology; changes in political, social and economic conditions;

competition in the staffing industry; general risks of the staffing industry;

success of acquisitions and operating initiatives; changes in business strategy or development plans; management of growth;

dependence on senior management; business abilities and judgment of personnel; availability of qualified personnel; labor and employee benefit costs;

ability to integrate effectively the two companies' technology, operations and personnel in a timely and efficient manner;

ability of Kforce to retain and hire key executives, technical personnel and other employees;

ability of Kforce to manage its growth and the difficulty of successfully managing a larger, more geographically dispersed organization; and

the timing of, and regulatory and other conditions associated with, the completion of the merger and the ability of Kforce to combine operations and obtain operating synergies following the merger.

These factors and the risk factors referred to below could cause actual results or outcomes to differ materially from those expressed in any forward-looking statements made by Kforce or Hall Kinion, and you should not place undue reliance on any such forward-looking statements. Further, any forward-looking statement speaks only as of the date on which it is made and neither Kforce nor Hall Kinion undertakes any obligation to update any forward-looking statement or statements to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time to time, and it is not possible for Kforce or Hall Kinion to predict which will arise. In addition, neither Kforce nor Hall Kinion can assess the impact of each factor on Kforce's, Hall Kinion's or the combined company's business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements.

Table of Contents

RISK FACTORS

You should carefully consider the following factors, in addition to the other information included elsewhere in this joint proxy statement/prospectus and the documents that Kforce has filed with the SEC and the Hall Kinion documents accompanying this joint proxy statement/prospectus, in considering what action to take in connection with the merger. Unless the context requires otherwise, the use of the combined company or Kforce refers to the combined company of Kforce and Hall Kinion after giving effect to the merger.

Risks Relating to the Proposed Merger

Kforce and Hall Kinion may not achieve the benefits they expect from the merger which may have a material adverse effect on the combined company's business, financial and operating results.

Kforce and Hall Kinion entered into the merger agreement with the expectation that the merger will result in benefits to the combined company arising out of the combination of executive management, general and administration functions and facilities plus the elimination of costs relating to Hall Kinion's status as a public reporting company. To realize any benefits from the merger, the combined company will face the following post-merger challenges:

expected cost savings and synergies from the merger may not be realized;

the management and employees of each company, particularly the sales force, may not be retained and assimilated as expected;

existing customers, strategic partners and suppliers of each company may not be retained; and

uniform standards, controls, procedures, policies and information systems between the two companies may not be successfully developed or maintained.

If the combined company is not successful in addressing these and other challenges, then the benefits of the merger may not be realized and, as a result, the combined company's operating results and the market price of Kforce's common stock may be adversely affected. These challenges, if not successfully met by the combined company, could result in possible unanticipated costs, diversion of management attention and loss of personnel. Neither Kforce nor Hall Kinion can assure you that the combined company will successfully integrate Hall Kinion's business with Kforce's, or profitably manage the combined company. Further, neither Kforce nor Hall Kinion can assure you that the growth rate of the combined company after the merger will equal the historical growth rates experienced by Kforce or Hall Kinion.

If the costs associated with the merger exceed the benefits, the combined company may experience adverse financial results.

Kforce and Hall Kinion will incur significant transaction costs as a result of the merger, including investment banking, legal and accounting fees, that may exceed their current estimates. In addition, Kforce and Hall Kinion expect that the combined company will incur consolidation and integration expenses which they cannot accurately estimate at this time. Actual transaction costs may substantially exceed Kforce's and Hall

Kinion's current estimates and may affect the combined company's financial condition and operating results negatively. If the benefits of the merger do not exceed the costs associated with the merger, including any dilution to Kforce's shareholders resulting from the issuance of shares in connection with the merger, the combined company's financial results could be adversely affected.

The market price of Kforce's common stock may decline as a result of the merger.

The market price of Kforce's common stock may decline as a result of the merger for a number of reasons, including if:

the integration of Kforce and Hall Kinion is not completed in a timely and efficient manner;

the combined company does not achieve the perceived benefits of the merger as rapidly or to the extent anticipated by financial or industry analysts;

Table of Contents

the effect of the merger on the combined company's financial results is not consistent with the expectations of financial or industry analysts; or

significant stockholders of Kforce or Hall Kinion decide to dispose of their stock following completion of the merger.

Sales of substantial amounts of Kforce common stock in the public market after the proposed merger could materially adversely affect the market price of Kforce common stock.

Kforce expects to issue a significant number of shares of Kforce common stock to Hall Kinion stockholders in the merger dependent on the Kforce stock market value at the time of closing of the merger. The sale of substantial amounts of Kforce common stock may result in significant fluctuations in the price of Kforce common stock and could cause Kforce's common stock price to fall. The sale of these shares could also impair the combined company's ability to raise capital through sales of additional common stock.

Failure to complete the merger could negatively impact the market price of Hall Kinion common stock and Kforce common stock.

The obligations of Hall Kinion and Kforce to complete the merger are subject to the satisfaction or waiver of certain conditions. See "The Merger Agreement - Conditions to the Consummation of the Merger" beginning on page 75 of this joint proxy statement/prospectus for a discussion of these conditions. If these conditions are not satisfied or waived, the merger may not be completed. If the merger is not completed for any reason, both Hall Kinion and Kforce may be subject to other material risks, including:

a negative effect on the stock trading price of Hall Kinion common stock and Kforce common stock to the extent that the current market price reflects a market assumption that the merger will be completed;

either party may be required to pay a termination fee - see "The Merger Agreement - Termination Fees" beginning on page 78 of this joint proxy statement/prospectus for a discussion of the termination fees; and

costs related to the merger, such as legal and accounting fees, must be paid even if the merger is not completed.

Certain of Hall Kinion's officers and directors have interests different from yours that may influence them to support or approve the merger.

Certain directors and officers of Hall Kinion have pre-existing arrangements that may result in the realization of interests in the merger that are different from, or in addition to, yours, including the following:

because the merger will result in a sale and change of control of Hall Kinion, certain stock options held by Hall Kinion's directors and officers will accelerate and immediately vest upon a change of control;

under existing Hall Kinion employment and similar agreements, and/or as confirmed in termination letter agreements, certain severance payments will be triggered as a result of the merger;

Edgar Filing: KFORCE INC - Form S-4/A

in the case of Brenda C. Rhodes, certain payments of compensation otherwise owed to her will be accelerated as a result of the merger; and

in the case of Ms. Rhodes and Rita S. Hazell, the forgiveness of certain outstanding indebtedness will be accelerated.

In addition, the following arrangements have been entered into in connection with the merger:

Kforce has agreed to cause the surviving corporation in the merger to indemnify each present and former Hall Kinion officer and director against liabilities arising out of such person's services as an officer or director of Hall Kinion prior to the merger to the same extent as is currently available under Hall Kinion's certificate of incorporation and bylaws; and

Table of Contents

Kforce has agreed to cause the surviving corporation to maintain officers and directors liability insurance to cover any such liabilities for five years following the merger at a cost not to exceed \$1.0 million.

For the above reasons, the directors and officers of Hall Kinion may have been more likely to support and recommend the approval of the merger agreement than if they did not hold these interests. As of December 2, 2003, Hall Kinion directors and executive officers beneficially held approximately 30.2% of the outstanding shares of Hall Kinion common stock. Hall Kinion stockholders should consider whether these interests may have influenced these directors and officers to support or recommend the merger. You should read more about these interests under *Interests of Certain Persons in Merger* *Interests of Hall Kinion Directors and Officers* beginning on page 83.

Uncertainty regarding the merger and the effects of the merger could cause each company's customers or strategic partners to delay or defer decisions.

Kforce's and/or Hall Kinion's customers and strategic partners, in response to the announcement of the merger, may delay or defer decisions regarding the use of the combined company's services, which could have a material adverse effect on the business of the combined company or the relevant company if the merger is not completed.

Hall Kinion could lose an opportunity to enter into a merger or business combination with another party on more favorable terms as the merger agreement restricts Hall Kinion from soliciting such proposals.

While the merger agreement is in effect, subject to certain limited exceptions, Hall Kinion is restricted from entering into or soliciting, initiating or encouraging any inquiries or proposals that may lead to a proposal or offer for a merger with any persons other than Kforce. As a result of the restriction, Hall Kinion may lose an opportunity to enter into a transaction with another potential partner on more favorable terms. If Hall Kinion terminates the merger agreement to enter into another transaction, Hall Kinion likely would be required to pay a termination fee to Kforce that may make an otherwise more favorable transaction less favorable. See *The Merger Agreement - Termination Fees* of this joint proxy statement/prospectus beginning on page 78. In addition, if the merger agreement is terminated and the Hall Kinion board of directors determines that it is in the best interests of the Hall Kinion stockholders to seek a merger or business combination with another strategic partner, Hall Kinion cannot assure you that it will be able to find a partner offering terms equivalent or more attractive than the price and terms offered by Kforce.

Kforce and Hall Kinion may not be able to obtain the required regulatory approvals for completion of the merger.

Kforce and Hall Kinion cannot complete the merger until they give notification and furnish information to the Federal Trade Commission and the Antitrust Division of the Department of Justice and observe a statutory waiting period requirement. Kforce and Hall Kinion filed the required notification and report forms with the Federal Trade Commission and the Antitrust Division on December 17, 2003. At any time before or after the effective time of the merger, the Federal Trade Commission, the Antitrust Division or any state or competition authority of another country could take any action under the applicable antitrust or competition laws as it deems necessary or desirable. This action could include seeking to enjoin the completion of the merger. Private parties may also institute legal actions under the antitrust laws under some circumstances.

In considering the opinion by Baird to the Hall Kinion board of directors regarding the fairness of the exchange ratio, stockholders should be aware of potential conflicts of interest affecting Baird.

Edgar Filing: KFORCE INC - Form S-4/A

Baird was retained by Hall Kinion to act as its financial advisor for the proposed merger between Kforce and Hall Kinion. Hall Kinion stockholders should consider the potential conflict of interest in Baird representing

Hall Kinion when reviewing Baird's opinion to the Hall Kinion board regarding the fairness of the exchange ratio. A significant portion of the fees related to the financial advisory services of Baird to Hall Kinion in connection with the proposed combination is contingent upon the consummation of the proposed merger and upon the total enterprise value. Baird has also performed investment banking services for Hall Kinion and for Kforce in the past.

Risks Relating to the Business and Operations of Kforce Following the Merger

The recent economic downturn has adversely affected the demand for our services.

Historically, the general level of economic activity has significantly affected the demand for employment services. As economic activity slows, the use of temporary and contract personnel tends to be curtailed before permanent employees are laid off. The recent economic downturn adversely affected the demand for temporary and contract personnel, which in turn had an adverse effect on our results of operations and our financial condition. Additionally, the use of search firms for permanent hires declined significantly. We expect that future economic downturns will continue to have similar effects. The recent economic downturn resulted in lessened demand for our services. There can be no assurance that demand will return to prior levels, and demand may continue to deteriorate.

In 2002 and a substantial portion of 2003 we experienced a continuation of the economic slowdown in the IT industry that reflected a slowdown in the rate of innovation in this industry and a general reduction in demand for personnel with expertise in leading hardware, software or networking technologies. It reduced the demand for our services. Reduction in demand for our services had a material negative impact on our business, operating results and financial condition.

In the real estate services industry we serve, the demand for professional personnel is strongly influenced by the volume of mortgage financing, both for new units and re-financings. The volume is very sensitive to interest rates and other general economic conditions. Increases in interest rates could have a significant negative impact on our business in this field.

Our liquidity may be adversely impacted by covenants in our credit facility.

In 2002, we amended the terms of our credit facility and increased our borrowing capacity to \$100 million with a syndicate of four banks lead by Bank of America. We had approximately \$22.0 million outstanding under this credit facility as of September 30, 2003. If the amount borrowed under this credit facility exceeds certain amounts, then a number of financial covenants become applicable. As of September 30, 2003, we had an additional \$17.4 million of borrowing available without triggering these financial covenants. At no time during the existence of the credit facility have we ever triggered such covenants. If we were to trigger such financial covenants in the future and if we do not comply with them, such a breach of the credit facility covenants could materially adversely affect our liquidity and financial condition. Such lack of compliance could result, among other things, in the acceleration of all amounts borrowed under the credit facility.

We may not be able to recruit and retain qualified personnel.

Edgar Filing: KFORCE INC - Form S-4/A

We depend upon our ability to attract and retain personnel, particularly technical and professional personnel, who possess the skills and experience necessary to meet the staffing requirements of our clients. We must continually evaluate and upgrade our base of available qualified personnel to keep pace with changing client needs and emerging technologies. We expect competition for individuals with proven technical or professional skills for the foreseeable future. If qualified personnel are not available to us in sufficient numbers and upon economic terms acceptable to us, it could have a material detrimental effect on our business.

Table of Contents

Our business, operating results and financial condition could be negatively impacted if demand for our services in any new geographic markets we enter is less than we anticipate, if our new offices are not profitable in a timely manner or if we fail to hire qualified employees.

Our growth depends in part on our ability to enter new vertical or geographic markets successfully. This expansion is dependent on a number of factors, including our ability to:

develop, recruit and maintain a base of qualified professionals within a new geographic market;

initiate, develop and sustain corporate client relationships in each new vertical or geographic market;

attract, hire, integrate and retain qualified sales and sales support employees; and

accurately assess the demand of a new market.

The addition of offices and entry into new geographic markets may not occur on a timely basis or achieve anticipated financial results. The addition of new offices and entry into new vertical or geographic markets typically result in increases in operating expenses, primarily due to increased employee headcount. Expenses are incurred in advance of forecasted revenue, and there is typically a delay before our new employees reach full productivity. Additionally, demand for our services in new markets that we enter might also be less than we anticipate. If we are unable to enter new vertical or geographic markets in a cost-effective manner or if demand for our services in new markets does not meet or exceed our forecasts, our business, operating results and financial condition could be negatively impacted. In 2001, 2002 and March 2003, we closed and consolidated offices to improve efficiency, and further closures or consolidation may occur depending on market and competitive conditions.

Our current market share may decrease as a result of limited barriers to entry by new competitors and our clients' discontinuation of outsourcing their staffing needs.

We face significant competition in the markets we serve, and there are limited barriers to entry by new competitors. The competition among staffing services firms is intense. We compete for potential clients with providers of outsourcing services, systems integrators, computer systems consultants, other providers of staffing services, temporary personnel agencies, and search firms. A number of our competitors possess substantially greater resources than we do. From time to time we have experienced significant pressure from our clients to reduce price levels. During these periods, we may face increased competitive pricing pressures and may not be able to recruit the personnel necessary to fill our clients' needs. We also face the risk that certain of our current and prospective clients will decide to provide similar services internally. There can be no assurance that we will continue to successfully compete.

We do not provide an offshore outsourcing solution.

Many staffing customers are now seeking an offshore solution to support their technology and business process function and as a result, a significant amount of technology and financial staffing may be replaced by offshore resources. We do not currently provide an offshore program and there can be no assurance that we will be able to compete successfully against the offshore solution providers or that we will not lose significant market share and revenue.

We rely on short-term contracts with most of our clients.

Because long-term contracts are not a significant part of our business, future results cannot be reliably predicted by considering past trends or extrapolating past results.

Table of Contents

Decreases in patient occupancy at our healthcare clients' facilities may adversely affect the profitability of our business.

Demand for our temporary healthcare staffing services is significantly affected by the general level of patient occupancy at our healthcare clients' facilities. When a hospital's occupancy increases, temporary employees are often added before full-time employees are hired. As occupancy decreases, clients may reduce their use of temporary employees before undertaking layoffs of their regular employees. We also may experience more competitive pricing pressure during periods of occupancy downturn. This reduction in occupancy could adversely affect the demand for our services and our profitability. There has been a significantly lessened demand for our healthcare staffing services in recent years. There can be no assurance that such demand will return to prior levels.

Competition for acquisition opportunities may restrict our future growth by limiting our ability to make acquisitions at reasonable valuations.

Our business strategy includes increasing our market share and presence in the staffing industry through strategic acquisitions of companies that complement or enhance our business. We have historically faced competition for acquisitions. In the future, this could limit our ability to grow by acquisitions or could raise the prices of acquisitions and make them less accretive or non-accretive to us. In addition, if we are unable to secure necessary financing to consummate an acquisition, we may be unable to complete desirable acquisitions.

We may face difficulties integrating future acquisitions into our operations and future acquisitions may be unsuccessful, involve significant cash expenditures or expose us to unforeseen liabilities.

We continually evaluate opportunities to acquire staffing companies that complement or enhance our business and frequently have preliminary acquisition discussions with some of these companies.

These acquisitions involve numerous risks, including:

potential loss of key employees or clients of acquired companies;

difficulties integrating acquired personnel and distinct cultures into our business;

diversion of management attention from existing operations; and

assumption of liabilities and exposure to unforeseen liabilities of acquired companies.

These acquisitions may also involve significant cash expenditures, debt incurrence and integration expenses that could have a material adverse effect on our financial condition and results of operations. Any acquisition may ultimately have a negative impact on our business and financial condition.

We depend on the proper functioning of our information systems.

We are dependent on the proper functioning of our information systems in operating our business. Our critical information systems used in our daily operations identify and match staffing resources and client assignments and perform billing and accounts receivable functions. Our information systems are protected through physical and software safeguards and we have backup remote processing capabilities. They are still vulnerable, however, to hurricanes, other storms, flood, fire, terrorist acts, earthquakes, power loss, telecommunications failures, physical or software break-ins, computer viruses and similar events. If our critical information systems fail or are otherwise unavailable, we would have to accomplish these functions manually, which could temporarily impact our ability to identify business opportunities quickly, to maintain billing and clinical records reliably, and to bill for services efficiently. In addition, we depend on third party vendors for certain functions whose future performance and reliability we can not warranty.

Table of Contents

Our success depends upon retaining the services of our management team.

We are highly dependent on our management team. We expect that our continued success will largely depend upon the efforts and abilities of members of our management team. The loss of services of any key executive for any reason could have a material adverse effect upon us. Our success also depends upon our ability to identify, develop, and retain qualified operating employees, particularly management, client servicing, and candidate recruiting employees. We expend significant resources in recruiting and training our employees, and the pool of available applicants for these positions is limited. The loss of some of our operating management and client servicing and candidate recruiting employees could have an adverse effect on our operations, including our ability to establish and maintain client, candidate and professional and technical personnel relationships.

We face significant employment liability risk.

We employ and place people in the workplaces of other businesses. An inherent risk of such activity includes possible claims of errors and omissions, misuse of client proprietary information, misappropriation of funds, discrimination and harassment, employment of illegal aliens, theft of client property, other criminal activity, or torts and other claims. We have policies and guidelines in place to reduce our exposure to such risks. However, failure of any employee or personnel to follow these policies and guidelines may result in negative publicity, injunctive relief, and the payment by us of monetary damages or fines, or have other material adverse effects upon our business. Moreover, we could be held responsible for the actions at a workplace of persons not under our immediate control. To reduce our exposure, we maintain insurance covering general liability, workers' compensation claims, errors and omissions, and employee theft. Due to the nature of our assignments, in particular, access to client information systems and confidential information, and the potential liability with respect thereto, we might not be able to obtain insurance coverage in amounts adequate to cover any such liability on acceptable terms. In addition, we face various employment-related risks not covered by insurance, such as wage laws and employment tax responsibility.

Significant legal actions, particularly relating to our healthcare staffing services, could subject us to substantial uninsured liabilities.

In recent years, healthcare providers have become subject to an increasing number of legal actions alleging malpractice, product liability or related legal theories. Many of these actions involve large claims and significant defense costs. In addition, we may be subject to claims related to torts or crimes committed by our employees or temporary staffing personnel. In some instances, we are required to indemnify clients against some or all of these risks. A failure of any of our employees or personnel to observe our policies and guidelines intended to reduce these risks, relevant client policies and guidelines or applicable federal, state or local laws, rules and regulations could result in negative publicity, payment of fines or other damages. To protect ourselves from the cost of these claims, we maintain professional malpractice liability insurance and general liability insurance coverage in amounts and with deductibles that we believe are appropriate for our operations. Our insurance coverage, however, may not cover all claims against us or continue to be available to us at a reasonable cost. If we are unable to maintain adequate insurance coverage, we may be exposed to substantial liabilities.

Currently we are unable to recruit enough nurses to meet our clients' demands for our nurse staffing services, limiting the potential growth of our healthcare staffing business.

We rely on our ability to attract, develop, and retain nurses and other healthcare personnel who possess the skills, experience and, as required, licensure necessary to meet the specified requirements of our healthcare staffing clients. We compete for healthcare staffing personnel with other temporary healthcare staffing companies, as well as actual and potential clients, some of which seek to fill positions with either regular or temporary employees. Currently, there is a shortage of qualified nurses in most areas of the United States and competition for nursing personnel

Edgar Filing: KFORCE INC - Form S-4/A

is increasing. At this time we do not have enough nurses to meet our clients' demands for our nurse staffing services. This shortage of nurses limits our ability to grow our healthcare staffing business. Furthermore, we believe that the aging of the existing nurse population and declining enrollments in

Table of Contents

nursing schools will result in further competition for qualified nursing personnel. Nurse staffing revenues have declined substantially over the past years and there can be no assurance that such revenues will return to prior levels.

If we become subject to material liabilities under our self-insured programs, our financial results may be adversely affected.

We provide workers compensation coverage through a program that is partially self-insured. In addition, we provide medical coverage to our employees through a partially self-insured preferred provider organization. If we become subject to substantial uninsured workers compensation or medical coverage liabilities, our financial results may be adversely affected.

We may be adversely affected by government regulation of the staffing business.

Our business is subject to regulation and licensing in many states. While we have had no material difficulty complying with regulations in the past, there can be no assurance that we will be able to continue to obtain all necessary licenses or approvals or that the cost of compliance will not prove to be material. If we fail to comply such failure could materially adversely affect Kforce.

We may be adversely affected by government regulation of the workplace.

Part of our business entails employing individuals on a temporary basis and placing such individuals in client's workplaces. Increased government regulation of the workplace or of the employer-employee relationship could materially adversely affect us.

Adverse results in tax audits could result in significant cash expenditures or exposure to unforeseen liabilities.

We are subject to periodic federal, state and local income tax audits for various tax years. Although we attempt to comply with all taxing authority regulations, adverse findings or assessments made by the taxing authorities as the result of an audit could materially adversely affect us.

Future changes in reimbursement trends could hamper our clients' ability to pay us.

Many of our healthcare clients are reimbursed under the federal Medicare program and state Medicaid programs for the services they provide. In recent years, federal and state governments have made significant changes in these programs that have reduced government rates. In addition, insurance companies and managed care organizations seek to control costs by requiring that healthcare providers, such as hospitals, discount their services in exchange for exclusive or preferred participation in their benefit plans. Future federal and state legislation or evolving commercial reimbursement trends may further reduce, or change conditions for, our clients' reimbursement. Limitations on reimbursement could reduce our clients' cash flow, hampering their ability to pay us. This situation could have a significant impact on our cash flow.

Our stock price may be volatile.

Our common stock is traded on the Nasdaq National Market under the symbol KFRC. The market price of our stock has fluctuated substantially in the past and could fluctuate substantially in the future, based on a variety of factors, including our operating results, changes in general conditions in the economy, the financial markets, the employment services industry, or other developments affecting us, our clients, or our competitors, some of which may be unrelated to our performance. Those fluctuations and demand for our services may adversely affect the price of our stock. It is possible that the stock price may reach a level where we lose our eligibility to remain listed on the Nasdaq National Market.

Table of Contents

In addition, the stock market in general, especially the Nasdaq National Market tier along with market prices for staffing companies, have experienced volatility that has often been unrelated to the operating performance of these companies. These broad market and industry fluctuations may adversely affect the market price of our common stock, regardless of our operating results.

Among other things, volatility in our stock price could mean that investors will not be able to sell their shares at or above the prices which they pay. The volatility also could impair our ability in the future to offer common stock as a source of additional capital or as consideration in the acquisition of other businesses.

Significant increases in payroll-related costs could adversely affect our business.

We are required to pay a number of federal, state, and local payroll and related costs, including unemployment taxes, workers' compensation and insurance, FICA, and Medicare, among others, for our employees and personnel. Significant increases in the effective rates of any payroll related costs likely would have a material adverse effect upon us. Our costs could also increase as a result of health care reforms or the possible imposition of additional requirements and restrictions related to the placement of personnel. Recent federal and state legislative proposals have included provisions extending health insurance benefits to personnel who currently do not receive such benefits. We may not be able to increase the fees charged to our clients in a timely manner and in a sufficient amount to cover increased costs, if any such proposals are adopted.

Provisions in our articles, bylaws, and under Florida law may have certain anti-takeover effects.

Our articles of incorporation and bylaws and Florida law contain provisions that may have the effect of inhibiting a non-negotiated merger or other business combination. In particular, our articles of incorporation provide for a staggered board of directors and permit the removal of directors only for cause. Additionally, management may issue up to 15 million shares of preferred stock, and fix the rights and preferences thereof, without a further vote of the shareholders. In addition, certain of our officers have employment agreements containing certain provisions that call for substantial payments to be made to such officers upon any change in control. Certain of these provisions may discourage a future acquisition of Kforce, including an acquisition in which shareholders might otherwise receive a premium for their shares. As a result, shareholders who might desire to participate in such a transaction may not have the opportunity to do so. Moreover, the existence of these provisions may have a depressive effect on the market price of our common stock.

THE KFORCE SPECIAL MEETING

This joint proxy statement/prospectus is being furnished to you as part of the solicitation of proxies by the Kforce board of directors for use at the special meeting of Kforce shareholders to be held on March 11, 2004 and at any adjournment or postponement of the meeting. We are first mailing this joint proxy statement/prospectus, this notice of special meeting of shareholders and the enclosed proxy card to you on or about February 10, 2004.

Time and Place of the Special Meeting

The Kforce special meeting will be held at Kforce's corporate headquarters located at 1001 East Palm Avenue, Tampa, Florida 33605, on March 11, 2004 at 10:00 a.m., local time.

Purpose of the Special Meeting

At the special meeting you will be asked to consider and approve a proposal to issue shares of Kforce common stock pursuant to the Agreement and Plan of Merger, dated as of December 2, 2003, as amended, by and among Kforce, Novato Acquisition Corporation, a wholly-owned subsidiary of Kforce, and Hall Kinion, pursuant to which Novato Acquisition Corporation will merge with and into Hall Kinion, with Hall Kinion as the surviving corporation. As a result of the merger, Hall Kinion will become a wholly-owned subsidiary of Kforce. In the merger, Hall Kinion stockholders will receive, in exchange for shares of Hall Kinion common stock, an aggregate amount of fully paid and nonassessable shares of Kforce common stock based upon the exchange ratio. The exchange ratio is dependent on the Kforce stock market value. The Kforce stock market value is the average of the per share closing prices of Kforce's common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to the date of the merger. If the Kforce stock market value is equal to or greater than \$7.09, but less than \$9.60, then the exchange ratio will equal .60, which results in Hall Kinion stockholders receiving between \$55.0 million and \$75.0 million in Kforce common stock. The collar around the .60 exchange ratio represents a 15% increase and a 15% decrease in the \$8.34 closing price of Kforce common stock on December 1, 2003, the day immediately prior to the execution of the merger agreement. If the Kforce stock market value is equal to or greater than \$9.60, then the exchange ratio will be \$5.75 *divided by* the Kforce stock market value. If the Kforce stock market value is less than \$7.09, then the exchange ratio will be \$4.25 *divided by* the Kforce stock market value.

Kforce knows of no other matters to be brought before the special meeting. If any matter incident to the conduct of the special meeting should be brought before the meeting, the persons named in the proxy card will vote in their discretion.

Board of Directors Recommendation

The Kforce board of directors has unanimously approved and adopted the merger agreement and the merger, has deemed them advisable and recommends a vote **FOR** approval of the issuance of shares of Kforce common stock pursuant to the merger agreement.

Record Date; Stock Entitled to Vote; Quorum

The Kforce board of directors has fixed the close of business on February 9, 2004 as the record date for the special meeting. Only holders of Kforce common stock on the record date will be entitled to vote at the special meeting and any adjournments or postponements thereof. At the record date, _____ shares of Kforce common stock were outstanding and entitled to vote and were held by approximately _____ shareholders of record.

The presence, in person or by proxy, of a majority of the outstanding shares of Kforce common stock is necessary to constitute a quorum at the special meeting. Abstentions and broker non-votes will be included in the determination of shares present at the special meeting for purposes of determining a quorum. Properly executed

Table of Contents

proxies marked abstain will be deemed present for purposes of determining whether a quorum has been achieved. Proxies held by brokers in street name that are not voted on all proposals to come before the meeting shall also be deemed present.

Required Vote

Approval of the issuance of shares of Kforce common stock pursuant to the merger agreement requires the affirmative vote of at least a majority of the votes cast by the holders of Kforce common stock (in person or by proxy) at the special meeting. Failure to vote, abstentions and broker non-votes will not be deemed to be cast either FOR or AGAINST the issuance of shares of Kforce common stock pursuant to the merger agreement. However, because approval of the issuance of shares of Kforce common stock pursuant to the merger agreement requires only a majority of the votes cast at the special meeting, the failure to submit a proxy card or to vote in person at the special meeting, abstentions by a stockholder and broker non-votes all will have the effect of reducing the number of affirmative votes required to approve the issuance of shares of Kforce common stock in the merger.

Voting Agreements

Each of David L. Dunkel, Richard M. Cocchiaro, Joseph J. Liberatore, Ken W. Pierce, William L. Sanders and Howard W. Sutter, each a director and/or executive officer of Kforce, who as of December 19, 2003, beneficially owned shares of Kforce common stock representing approximately 31.59% of the voting power of Kforce, has entered into a voting agreement with Hall Kinion in which he has agreed to vote (i) in favor of the approval of the merger agreement, (ii) against any action that would result in any of the conditions of Hall Kinion's obligations under the merger agreement not being fulfilled, (iii) against any action that would result in a breach by Kforce of any its covenants, representations or warranties under the merger agreement, and (iv) against the election of a group of individuals to replace a majority or more of the individuals on the Kforce board of directors. A form of Kforce voting agreement is attached to this joint proxy statement/prospectus as part of Annex A. You should read it in its entirety.

Proxies; Voting and Revocation

All shares of Kforce common stock represented by properly executed proxy cards received in time for the special meeting will be voted at the special meeting in the manner specified in such proxies. Shares of Kforce common stock represented by properly executed proxy cards that do not contain voting instructions with respect to approval of the issuance of shares of Kforce common stock pursuant to the merger agreement will be voted FOR approval of the issuance of shares of Kforce common stock pursuant to the merger agreement.

You may revoke or change your proxy at any time prior to it being voted by filing a written instrument of revocation or change with the corporate secretary of Kforce. You may also revoke your proxy by filing a duly executed proxy bearing a later date or by appearing at the special meeting in person, notifying the corporate secretary and voting by ballot at the special meeting. If you attend the special meeting, you may vote in person whether or not you have previously given a proxy, but your presence at the special meeting, without notifying the corporate secretary of Kforce, will not revoke a previously given proxy. In addition, if you beneficially hold shares of Kforce common stock that are not registered in your own name, you will need additional documentation from the record holder of such shares to attend and vote the shares personally at the special meeting. For further information on how to vote your shares, please contact Michael Blackman, Investor Relations, Kforce Inc., 1001 East Palm Avenue, Tampa, Florida 33605, at (813) 552-5000.

Solicitation of Proxies

Proxies will be solicited through the mail and directly by officers, directors and employees of Kforce not specifically employed for such purpose, without additional compensation. In addition to solicitation by mail,

Kforce's directors, officers and employees may solicit proxies by telephone, fax, telegram, via the internet or in person. Kforce will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding these proxy materials to the principals.

Stockholder Proposals For 2004 Annual Meeting

According to Rule 14a-8 under the Securities Exchange Act of 1934, some shareholder proposals may be eligible for inclusion in Kforce's proxy statement for consideration at the 2004 annual meeting of shareholders. Any such proposal must be submitted in writing to William L. Sanders, Corporate Secretary, Kforce Inc., 1001 East Palm Avenue, Tampa, Florida 33605, by no later than March 18, 2004 to be included in the proxy statement for that meeting and must comply with the requirements of Rule 14a-8 of the Securities Exchange Act. However, if the date of the 2004 annual meeting of shareholders is changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before Kforce begins to print and mail its proxy materials. Shareholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of the applicable securities law.

The submission of a shareholder proposal or nomination that a shareholder seeks to include in Kforce's proxy statement pursuant to Rule 14a-8 may be delivered to the corporate secretary of Kforce not less than 60 days prior to the date of an annual meeting, unless notice or public disclosure of the date of the meeting occurs less than 70 days prior to the date of such meeting, in which event, shareholders may deliver such notice not later than the 10th day following the day on which notice of the date of the meeting was mailed or public disclosure thereof was made. A shareholder's submission must include certain specific information concerning the proposal or nominee, as the case may be, information as to the shareholder's ownership of common stock of Kforce, and information relating to any financial interest the shareholder may have in the proposal, if any. Proposals or nominations not meeting these requirements will not be entertained at the annual meeting.

Rights of Appraisal

No Kforce shareholder will have appraisal rights in connection with the approval of the merger.

THE HALL KINION SPECIAL MEETING

This joint proxy statement/prospectus is being furnished to you as part of the solicitation of proxies by the Hall Kinion board of directors for use at the special meeting of Hall Kinion stockholders to be held on March 11, 2004 and at any adjournment or postponement of the meeting. We are first mailing this joint proxy statement/prospectus, this notice of special meeting of stockholders, the accompanying Form 10-K and Form 10-Q of Hall Kinion and the enclosed proxy card to you on or about February 10, 2004.

Time and Place of the Special Meeting

The Hall Kinion special meeting will be held at the law offices of Gibson, Dunn & Crutcher LLP located at One Montgomery Street, Suite 3100, San Francisco, California 94104 on March 11, 2004 at 11:00 a.m., local time.

Purpose of the Special Meeting

At the special meeting, you will be asked to consider and approve a proposal to adopt the Agreement and Plan of Merger, dated as of December 2, 2003, as amended, by and among Kforce, Novato Acquisition Corporation, a wholly-owned subsidiary of Kforce, and Hall Kinion, pursuant to which Novato Acquisition Corporation will merge with and into Hall Kinion, with Hall Kinion as the surviving corporation. As a result of the merger, Hall Kinion will become a wholly-owned subsidiary of Kforce. In the merger, Hall Kinion stockholders will receive, in exchange for shares of Hall Kinion common stock, an aggregate amount of fully paid and nonassessable shares of Kforce common stock based upon the exchange ratio. The exchange ratio is dependent on the Kforce stock market value. The Kforce stock market value is the average of the per share closing prices of Kforce's common stock on the Nasdaq National Market over the 15 consecutive trading days on and including the third trading day prior to the date of the merger. If the Kforce stock market value is equal to or greater than \$7.09, but less than \$9.60, then the exchange ratio will equal .60, which results in Hall Kinion stockholders receiving between \$55.0 million and \$75.0 million in Kforce common stock. The collar around the .60 exchange ratio represents a 15% increase and a 15% decrease in the \$8.34 closing price of Kforce common stock on December 1, 2003, the day immediately prior to the execution of the merger agreement. If the Kforce stock market value is equal to or greater than \$9.60, then the exchange ratio will be \$5.75 *divided by* the Kforce stock market value. If the Kforce stock market value is less than \$7.09, then the exchange ratio will be \$4.25 *divided by* the Kforce stock market value.

Hall Kinion knows of no other matters to be brought before the special meeting. If any matter incident to the conduct of the special meeting should be brought before the meeting, the persons named in the proxy card will vote in their discretion.

Board of Directors Recommendation

The Hall Kinion board of directors has unanimously approved and adopted the merger agreement and the merger, has deemed them advisable and recommends a vote FOR approval of the merger and adoption of the merger agreement.

Record Date; Stock Entitled to Vote; Quorum

Edgar Filing: KFORCE INC - Form S-4/A

The Hall Kinion board of directors has fixed the close of business on February 2, 2004 as the record date for the special meeting. Only holders of Hall Kinion common stock on the record date will be entitled to vote at the special meeting and any adjournments or postponements thereof. At the record date, 12,589,429 shares of Hall Kinion common stock were outstanding and entitled to vote and were held by approximately 58 stockholders of record.

Table of Contents

The presence, in person or by proxy, of a majority of the outstanding shares of Hall Kinion common stock is necessary to constitute a quorum at the special meeting. Abstentions and broker non-votes will be included in the determination of shares present at the special meeting for purposes of determining a quorum.

Required Vote

Approval of the merger and adoption of the merger agreement requires the affirmative vote of the holders of a majority of the shares of Hall Kinion common stock outstanding on the record date. Failure to vote, abstentions and broker non-votes will not be deemed to be cast either FOR or AGAINST the merger agreement and the merger. However, because approval of the merger and adoption of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of Hall Kinion common stock, the failure to submit a proxy card or to vote in person at the special meeting, abstentions by a stockholder and broker non-votes all will have the same effect as a vote AGAINST the merger agreement and the merger. Approval and adoption of the merger agreement will also constitute approval of the merger and the other transactions contemplated by the merger agreement.

All other matters presented for approval at the special meeting will require the affirmative vote of the holders of a majority of the outstanding shares of Hall Kinion common stock present in person or represented by proxy at the Hall Kinion special meeting and entitled to vote. As a result, with respect to the other matters, if any, presented for approval at the special meeting, the failure to submit a proxy card or to be present in person at the special meeting, and any broker non-vote, all will reduce the number of affirmative votes required to approve such matters. Abstentions by a stockholder will have the same effect as a vote against such other matters.

Statement of Shares held by Directors and Officers; Voting Agreements

As of December 2, 2003, Hall Kinion directors and executive officers and their affiliates owned approximately 30.2% of the outstanding shares of Hall Kinion common stock. Each of Brenda C. Rhodes, Jeffrey A. Evans, Herbert I. Finkelman, Rita S. Hazell, Todd J. Kinion, Martin A. Kropelnicki, Jon H. Rowberry, Jack F. Jenkins-Stark and Michael S. Stein, each a director and/or executive officer of Hall Kinion, who beneficially own shares of Hall Kinion common stock representing approximately 30.2% of the voting power of Hall Kinion, has entered into a voting agreement with Kforce in which he or she has agreed to vote (i) in favor of the approval of the merger agreement, (ii) against any action that would result in any of the conditions of Kforce's obligations under the merger agreement not being fulfilled, (iii) against any action that would result in a breach by Hall Kinion of any its covenants, representations or warranties under the merger agreement, and (iv) against (A) any third party acquisition proposal, or (B) the election of a group of individuals to replace a majority or more of the individuals on the Hall Kinion board of directors. A form of Hall Kinion voting agreement is attached to this joint proxy statement/prospectus as part of Annex A. You should read it in its entirety.

Proxies; Voting and Revocation

All shares of Hall Kinion common stock represented by properly executed proxy cards received in time for the special meeting will be voted at the special meeting in the manner specified in such proxies. Shares of Hall Kinion common stock represented by properly executed proxy cards that do not contain voting instructions with respect to approval of the merger and adoption of the merger agreement will be voted FOR approval of the merger and adoption of the merger agreement.

Edgar Filing: KFORCE INC - Form S-4/A

You may revoke or change your proxy at any time prior to its being voted by filing a written instrument of revocation or change with the corporate secretary of Hall Kinion. You may also revoke your proxy by filing a duly executed proxy bearing a later date or by appearing at the special meeting in person, notifying the corporate secretary and voting by ballot at the special meeting. If you attend the special meeting, you may vote in person whether or not you have previously given a proxy, but your presence at the special meeting, without notifying the corporate secretary of Hall Kinion, will not revoke a previously given proxy. In addition, if you beneficially hold

shares of Hall Kinion common stock that are not registered in your own name, you will need additional documentation from the record holder of such shares to attend and vote the shares personally at the special meeting. For further information on how to vote your shares, please contact Martin A. Kropelnicki, Vice President, Chief Financial Officer and Secretary, Hall, Kinion & Associates, Inc., 75 Rowland Way, Suite 200, Novato, California 94945, at (415) 895-2200.

Solicitation of Proxies

Proxies will be solicited through the mail and directly by officers, directors and employees of Hall Kinion not specifically employed for such purpose, without additional compensation. In addition to solicitation by mail, Hall Kinion's directors, officers and employees may solicit proxies by telephone, fax, telegram, via the internet or in person. Hall Kinion will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding these proxy materials to the principals.

Stockholder Proposals

If the merger is not completed, or if Hall Kinion elects to hold its 2004 annual meeting of stockholders before the merger is completed, Hall Kinion stockholders may present proposals for inclusion in Hall Kinion's proxy statement for consideration at the 2004 annual meeting by submitting them in writing to the offices of Hall Kinion at 75 Rowland Way, Suite 200, Novato, California 94945 by no later than March 2, 2004. Proposals generally must comply with the requirements of Rule 14a-8 of the Securities Exchange Act. If the date of the 2004 annual meeting changes by more than 30 days, the proposal must have been received at Hall Kinion's offices a reasonable time before Hall Kinion begins to print and mail its proxy materials. Stockholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of the applicable securities law.

Rights of Appraisal

No Hall Kinion stockholder will have appraisal rights in connection with the merger.

THE MERGER

*This section of the joint proxy statement/prospectus and the next section entitled *The Merger Agreement* beginning on page 66 describes the proposed merger. Although Kforce and Hall Kinion believe that the description in this section covers the material terms of the merger and the related transactions, this summary may not contain all of the information that is important to you. You should carefully read this entire joint proxy statement/prospectus and the other documents referred to in this joint proxy statement/prospectus for a more complete understanding of the merger.*

General

The merger agreement, as amended, provides that, at the effective time of the merger, Novato Acquisition Corporation, a wholly-owned subsidiary of Kforce, will merge with and into Hall Kinion, with Hall Kinion continuing in existence as the surviving corporation. Hall Kinion stockholders will receive, in exchange for shares of Hall Kinion common stock, an aggregate amount of fully paid and nonassessable shares of Kforce common stock based upon the exchange ratio. The exchange ratio is dependent on the Kforce stock market value. The Kforce stock market value is the average of the per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days on and including the third trading day prior to the date of the merger. If the Kforce stock market value is equal to or greater than \$7.09, but less than \$9.60, then the exchange ratio will equal .60, which will result in Hall Kinion stockholders receiving between \$54.6 and \$74.4 million in Kforce common stock. The collar around the .60 exchange ratio represents a 15% increase and a 15% decrease in the \$8.34 closing price of Kforce common stock on December 1, 2003, the day immediately prior to the execution of the merger agreement. If the Kforce stock market value is equal to or greater than \$9.60, then the exchange ratio will be $\$5.75$ divided by the Kforce stock market value, which will result in Hall Kinion stockholders receiving no less than approximately \$74.4 million. If the Kforce stock market value is less than \$7.09, then the exchange ratio will be $\$4.25$ divided by the Kforce stock market value, which will result in Hall Kinion stockholders receiving no more than approximately \$54.6 million. Upon completion of the merger, Hall Kinion will be a wholly-owned subsidiary of Kforce and market trading of Hall Kinion common stock will cease.

Background of the Merger

During the past three years, Hall Kinion has experienced a substantial reduction in revenues, primarily as a result of the downturn in the high technology business sector, which had been the historical focus of Hall Kinion's business. Revenues for the year ended December 31, 2000 were approximately \$296.0 million compared to revenues for the year ended December 31, 2002 of \$120.0 million, a decrease of about 59%. As a result, Hall Kinion has taken actions to reduce costs in order to match revenues and expenses. Although the acquisition of OnStaff in 2002 resulted in a substantial increase in revenue during the first nine months of 2003, OnStaff revenues have recently declined as a result of the increase in interest rates and concurrent decline in home mortgage refinancings. During recent years, the costs of being a public company have significantly increased. Hall Kinion management as well as the Hall Kinion board of directors believed it would be a significant challenge to finance both short-term and long-term growth and maintain satisfactory levels of profitability at current revenue levels to ensure stockholder value. As a result of these and other factors, the Hall Kinion board of directors concluded that it was in the best interests of Hall Kinion stockholders for Hall Kinion to seek a merger with a larger company that could finance growth from the combination of the companies and achieve synergies from the integration of the companies' executive, general and other administrative functions.

In March 2003, management of Hall Kinion was authorized by the Hall Kinion board of directors to negotiate an agreement with Baird to act as a financial advisor to Hall Kinion. While Baird's engagement included seeking additional equity capital for Hall Kinion or a joint venture, its efforts were focused on locating a potential acquirer for all or a substantial portion of Hall Kinion's business. In March 2003, management held initial meetings with Baird to discuss the marketing process and negotiated the terms of Baird's engagement.

Table of Contents

During early April 2003, Baird began making initial calls to potential acquirors, including Kforce. These calls were designed to determine the level of interest of the potential acquirors in an acquisition in the staffing industry, without identifying Hall Kinion as the target. Baird prepared, distributed and negotiated a confidentiality agreement with the companies that had indicated an interest in the opportunity. Kforce executed a confidentiality agreement on April 24, 2003.

On April 24, 2003, Baird made a presentation to the Hall Kinion board of directors. The report included a summary of its marketing plan for Hall Kinion, including the development of management presentations, the status of completing marketing materials, assembling due diligence information and documentation for a data room and making initial contact with potential acquirors. Baird reported it had made initial inquiries to 37 companies that possessed general business, operating and financial characteristics representative of the companies in the industry in which Hall Kinion operates and that were believed to have the financial capability to complete a transaction. As a result of the initial inquiries, confidentiality agreements were signed with 21 companies. The Hall Kinion board of directors did not address any particular transaction structure in April 2003. The board of directors intended to weigh any offer to acquire Hall Kinion with the risks and benefits of continuing as an independent entity.

On May 14, 2003, Hall Kinion placed the marketing process on hold to allow for completion of the second quarter of fiscal 2003. The delay would allow for the marketing materials to include second quarter results, which were expected to reflect the operational improvements resulting from earlier restructuring efforts.

On July 24, 2003, Hall Kinion and Baird restarted the marketing process by distributing marketing materials to potential acquirors that had executed confidentiality agreements, including Kforce, and initiating discussions with other potential acquirors. From August 18, 2003 through September 9, 2003, Hall Kinion made management presentations to potential acquirors that indicated an interest in acquiring Hall Kinion and provided due diligence information. These efforts led to oral and written indications of interest and due diligence requests from four companies, some of which were interested in Hall Kinion as a whole, and some of which were interested in portions of Hall Kinion's business. On September 18, 2003, Kforce sent a letter to Baird outlining Kforce's interest in acquiring Hall Kinion.

From September 18, 2003 through September 25, 2003, management of Hall Kinion and Baird reviewed the indications of interest, including the indication of interest from Kforce. Two of the parties were interested only in the Technology Professionals business and two of the parties were interested in Hall Kinion as a whole. On September 25, 2003, Baird made a presentation to the Hall Kinion board of directors regarding the indications of interest. The Hall Kinion board of directors concluded that it was in the best interests of stockholders to pursue a sale of the company as a whole. The Hall Kinion board of directors concluded, based on the information from Baird and management, that the terms of the indication of interest from Kforce provided the best potential transaction and authorized management and Baird to commence negotiations with Kforce. The initial indication of interest from Kforce included a merger with Hall Kinion at an exchange ratio of 0.66 shares of Kforce common stock for each share of Hall Kinion common stock and other terms, including termination rights and price collars.

During October and November 2003, David L. Dunkel, the Chairman and Chief Executive Officer of Kforce, and Brenda C. Rhodes, the Chairman and Chief Executive Officer of Hall Kinion, held a number of phone conversations discussing the rationale underlying a potential combination of the two companies, including similar client lists, complementary geographic locations, common cultural attributes, and compatible sales organizations. During the same period, William L. Sanders, the Chief Operating Officer and former Chief Financial Officer of Kforce, and Martin A. Kropelnicki, the Chief Financial Officer of Hall Kinion, discussed potential cost savings and other synergies that could arise from the merger of the two companies, including elimination of public company costs at Hall Kinion, systems integration (both front and back office, because both companies use PeopleSoft applications), savings from consolidating back office operations and duplicative insurance costs, consolidation of offices and elimination of corporate overhead.

On October 3, 2003 Messrs. Dunkel and Sanders met with representatives of Lehman Brothers to discuss the engagement of Lehman Brothers to issue a fairness opinion in connection with the merger. On October 8, 2003, Kforce engaged Lehman Brothers to issue the fairness opinion because of their experience and highly regarded reputation in the area of mergers and acquisitions and familiarity with Kforce and its industry.

Between September 25, 2003 and December 2, 2003, Hall Kinion and Kforce completed due diligence and negotiated the terms of the definitive agreement. During that time, Baird, the financial advisor to Hall Kinion and Lehman Brothers, who provided a fairness opinion to Kforce, completed due diligence.

During the week of October 6, 2003 Kforce continued to analyze Hall Kinion's operations including the operations of Hall Kinion's OnStaff division. Following this phase of due diligence, Kforce revised its initial offer by requesting an adjustment to the exchange ratio if Hall Kinion's revenues in the fourth quarter were less than initially expected.

On October 13, 2003, the Hall Kinion special committee met to discuss the results of the Kforce due diligence review and the proposal to adjust the exchange ratio. Hall Kinion made a counter proposal to Kforce's revised exchange ratio and also proposed that all outstanding options be converted into options to purchase Kforce common stock.

Kforce made a revised proposal to Hall Kinion on October 14, 2003, providing for a reduced initial exchange ratio and a further adjustment to the exchange ratio if Hall Kinion fourth quarter revenues were less than a specified amount. In addition, Kforce requested a termination right if Hall Kinion fourth quarter revenues were below \$34.0 million and proposed that only vested in-the-money options would be converted into Kforce common stock on a net-exercise basis. Kforce proposed all out-of-the-money vested stock options and all unvested stock options would be cancelled.

On October 15, 2003, the Hall Kinion special committee met to discuss the revised Kforce proposal. As a result of the meeting further negotiations with Kforce were authorized;

On October 17, 2003, the Hall Kinion special committee met to discuss the results of the most recent negotiations and approved the revised exchange ratio proposal contained in the merger agreement, subject to review of draft agreements;

On October 23, 2003, the parties concluded that they could not reach an agreement at the time and terminated negotiations;

After the release of each party's financial results for the third quarter, representatives of the parties had contact with each other over a period of several days and based on their re-evaluation of the potential combination between the parties, on November 7, 2003, the parties concluded that they should reopen negotiations;

On November 11, Kforce delivered a new term sheet, including an exchange ratio of .60, subject to a 15% collar. Kforce requested this exchange ratio as more appropriately reflecting the relative values of the two companies after the release of third quarter financial information. This was primarily due to the continued improvement in Kforce's operating results and Kforce's concerns about trends in the mortgage refinance industry

Edgar Filing: KFORCE INC - Form S-4/A

and Hall Kinion's OnStaff business. Thereafter, negotiations commenced regarding the new term sheet and the parties exchanged draft agreements and commenced negotiation of the agreements.

On November 13, 2003, the Hall Kinion special committee met to discuss the current term sheet and concluded that Hall Kinion should proceed with the negotiation of definitive agreements based on the proposed terms, which such draft definitive agreements would then be submitted to the full Hall Kinion board of directors;

On November 18, 2003, the Hall Kinion board of directors met to discuss the terms of the merger and related matters, and the results of Baird's preliminary financial analyses. The Kforce proposal being considered included an exchange ratio of 0.6 shares of Kforce common stock for each share of Hall Kinion common stock,

Table of Contents

with a collar at 15% above and below the closing price of Kforce common stock on the day before announcement of a transaction. Kforce would have the right to terminate the agreement if its stock fell below \$6.00 per share at closing or if Hall Kinion failed to achieve fourth quarter revenues of \$34.0 million. If the Kforce common stock fell outside of the collar range, the exchange ratio would be adjusted pursuant to a formula. The other terms were not substantially changed. Representatives of Baird discussed with the Hall Kinion board of directors the premium implied by the current term sheet. Baird discussed the results of its preliminary financial analyses related to the proposed transaction, and indicated that, based on the current term sheet, it believed that it would be able to provide a fairness opinion. The results of Baird's preliminary financial analyses are not materially different from the results of the financial analyses later presented to the Hall Kinion board of directors on December 2, 2003. At the conclusion of this meeting, the Hall Kinion board of directors authorized management and Hall Kinion's advisers to complete negotiation of definitive agreements for further consideration by the Hall Kinion board of directors. Negotiations continued for the remainder of November.

On December 1, 2003, the Kforce board of directors held a telephonic meeting to discuss the materials regarding the merger that Mr. Dunkel distributed to the members of the board on November 25, 2003. Such materials contained an overview of the business, major shareholder information, organizational profile, client and industry information and financial data. Mr. Dunkel, Mr. Sanders, Howard W. Sutter, Vice President of Kforce, and Derrell E. Hunter, Chief Financial Officer of Kforce, also made presentations to the Kforce board of directors of an analysis of the proposed transaction between Kforce and Hall Kinion. Representatives of Lehman Brothers distributed an analysis of the latest proposed transaction to the Kforce board of directors, including a summary of the terms, the strategic rationale that Lehman Brothers and management of Kforce had previously discussed, a valuation of Hall Kinion and a financial analysis of the proposed transaction, exchange ratios and a pro forma analysis of the potential combination. Representatives of Lehman Brothers delivered a verbal summary of its fairness opinion. Representatives of Holland & Knight LLP, Kforce's counsel, also attended the meeting. The Kforce board discussed the fact that Kforce had previously identified six potential public company targets over a year before but that little progress had been made in discussions with such targets. The members of the Kforce board of directors acknowledged receipt and consideration of the proposed merger agreement and other written materials prepared by management and the Kforce board of directors' legal obligations in connection with its consideration of the merger. The Kforce board of directors discussed, among other things, the belief that there might be significant synergies, an enhanced client base and greater cross-selling opportunities as a result of the merger. The Kforce board of directors approved the acquisition of Hall Kinion, subject to final negotiations by Kforce senior management and receipt of a written fairness opinion from Lehman Brothers. The Kforce board of directors also authorized Kforce's officers to undertake all acts necessary or desirable to effect the merger.

A final written fairness opinion from Lehman Brothers that confirmed its oral opinion was delivered to the members of the Kforce board of directors on December 2, 2003.

On December 2, 2003, the Hall Kinion board of directors held a special meeting to discuss the terms of the draft merger agreement and the potential benefits and risks of the proposed acquisition by Kforce. Representatives of Gibson, Dunn & Crutcher LLP, Hall Kinion's counsel (Gibson Dunn), and representatives of Baird also attended the meeting. The members of the Hall Kinion board of directors acknowledged receipt and consideration of written materials prepared by Gibson Dunn summarizing the terms of the proposed acquisition and the Hall Kinion board of directors' legal obligations in connection with its consideration of the proposed merger. Representatives of Baird presented a summary of the transaction structure and a valuation analysis. Representatives of Gibson Dunn and Baird reviewed the terms of the merger agreement and the merger with the Hall Kinion board of directors. Representatives of Baird discussed Baird's financial analyses of the transaction with the Hall Kinion board of directors and delivered its verbal opinion, which was subsequently confirmed by delivery to the Hall Kinion board of directors of a written opinion dated December 2, 2003, to the effect that, as of that date and based on and subject to the matters described in the opinion, the exchange ratio was fair, from a financial point of view, to Hall Kinion's stockholders. the scope of review conducted by Baird in rendering its opinion is attached as Annex C. Baird's detailed analyses are summarized under "Fairness Opinion of Financial Advisor to Hall Kinion Board of Directors" commencing on page 53. These analyses included a comparison of the historical prices and trading activity of Hall Kinion's common stock, Kforce's common stock and certain other publicly traded companies deemed relevant by Baird; a comparison of the financial position, operating results and market trading multiples of Hall Kinion and Kforce and other publicly traded companies deemed relevant by Baird; a comparison of the proposed financial terms of the merger with the financial terms of other business combinations deemed relevant by Baird; a discounted cash flow analysis, and an analysis of potential pro forma effects of the merger. Following a thorough discussion of the proposed acquisition, the Hall Kinion board of directors voted unanimously to authorize the merger agreement and to recommend that the Hall Kinion stockholders approve and adopt the merger agreement and the merger.

On December 2, 2003, Hall Kinion and Kforce signed the merger agreement, and certain officers, directors and stockholders of Hall Kinion and Kforce signed and delivered the voting agreements, and at approximately 5:00 p.m. EST, Hall Kinion and Kforce issued a joint press release announcing the proposed acquisition.

On December 3, 2003, Kforce and Hall Kinion held a joint conference call to discuss the proposed merger.

Promptly following the announcement of the merger agreement, Kforce indicated that it wanted to commence introduction and orientation of Hall Kinion officers and mid-level management immediately, including holding meetings in Tampa, Florida. Consistent with its experience in the fourth quarter of previous years, which historically has the fewest number of billing days, Hall Kinion believed that it was important to maximize revenue generation in the fourth quarter of 2003. As a result, Hall Kinion was not willing to have its senior management and mid-level managers involved in off-site meetings, when it was critically important to achieve the minimum revenue target. After further negotiations between the parties between December 4, 2003 and December 9, 2003, Kforce concluded that Hall Kinion fourth quarter revenues would likely be reasonably close to \$34 million, which would reflect a level of revenue sufficient for Kforce to proceed with the merger, and that it was of great importance that the combined company promptly commence integration processes. Accordingly, Hall Kinion agreed to cooperate with Kforce's integration plan, and Kforce agreed to delete the \$34 million revenue condition. In addition, the parties discussed arrangements with senior executives of Hall Kinion post-closing and agreed upon how severance compensation and other benefits would be handled in accordance with existing Hall Kinion employment agreements. See "Interests of Certain Persons in the Merger" on page 81 for detailed information regarding severance and other benefits to senior management of Hall Kinion following the merger. Finally, because Brenda Rhodes planned to resign at the closing of the merger, the parties concluded that integration efforts should be handled through Mr. Kropelnicki. On December 9, 2003, the respective boards of directors of Kforce, Hall Kinion, and Novato approved an amendment to the merger agreement covering the matters described above.

On December 31, 2003, the companies further amended the merger agreement to confirm certain agreements relating to the merger agreement, including the payment of completion bonuses by Kforce to certain Hall Kinion employees following consummation of the merger, termination of the Hall Kinion Deferred Compensation Plan by Hall Kinion on or before December 31, 2003 and payments of the amounts due thereunder, and the payment of severance and other benefits to Rita Hazell and Brenda Rhodes. See "Interests of Certain Persons in the Merger" on page 81 for detailed information regarding severance and other benefits to senior management of Hall Kinion following the merger.

Kforce's Reasons for the Merger

The Kforce board of directors has unanimously approved the merger agreement and the transactions contemplated thereby and has determined that the terms of the merger and the merger agreement are fair and in the best interests of Kforce and its shareholders. The Kforce board of directors regularly reviews and discusses Kforce's strategic plan and alternatives available for achieving Kforce's strategic plan. During the course of its deliberations, the Kforce board of directors considered, with the assistance of management and its financial and other advisors, a number of business, financial, legal and other factors, including expected savings from the elimination of significant duplicate costs through:

the combination of executive, general and administrative functions; and

the elimination of Hall Kinion's public company costs.

In the course of its deliberations, the Kforce board of directors reviewed with Kforce management and Kforce's legal and financial advisors a number of additional factors that the Kforce board of directors deemed relevant, the most significant of which are the following:

the high quality of the operational personnel and the compatibility of the cultures of the two companies;

the consideration to be paid by Kforce in the merger;

the strategic and geographic fit of Kforce and Hall Kinion;

information concerning Kforce's and Hall Kinion's respective businesses, prospects, strategic business plans, financial performances and conditions, results of operations, technology positions, management and competitive positions;

the view of Kforce's management as to the financial condition, results of operations and business of Kforce and Hall Kinion before and after giving effect to the merger, based on management's due diligence, internal projections, publicly available earnings estimates and other publicly available information;

the opinion of Lehman Brothers to the effect that, as of the date of that opinion, and based upon and subject to the matters described in its opinion, the exchange ratio to be paid by Kforce pursuant to the merger agreement is fair to Kforce from a financial point of view;

information concerning historical and current market prices with respect to Kforce's common stock and Hall Kinion's common stock;

the likelihood of a successful integration and the successful operation of the combined company;

the shareholders' view of the combined company;

the terms and conditions of the merger agreement, the voting agreements, and the affiliate agreements, including without limitation the termination fees; and

the likelihood that the merger will be completed.

During the course of its deliberations concerning the merger, the Kforce board of directors also identified and considered a variety of potentially negative factors that could materialize as a result of the merger, including, but not limited to:

the risk that the potential benefits of the merger may not be realized, including that the expected operating synergies might not be achieved;

Edgar Filing: KFORCE INC - Form S-4/A

the possibility that the merger might not be consummated and the effect of the public announcement of the merger on Kforce's partners, customers and employees;

the risks associated with obtaining the necessary approvals required to complete the merger;

the transaction costs involved in connection with closing the merger;

the management efforts and costs required to complete the integration of the businesses and operations of the two companies following the merger;

the risk that sales of substantial amounts of Kforce common stock in the public market after the proposed merger could materially adversely affect the market price of Kforce common stock;

the risk that customers and other business partners of Hall Kinion might terminate their relationships as a result of the merger; and

the other risks described under the section entitled "Risk Factors" beginning on page 23.

The Kforce board of directors concluded, however, that these negative factors could likely be managed or mitigated by Kforce or by the combined company or were unlikely to have a material impact on the merger or the combined company, and that, overall, the potentially negative factors associated with the merger were outweighed by the potential benefits of the merger.

Table of Contents

The foregoing factors are not intended to be an exhaustive list of all factors considered. The Kforce board of directors conducted an overall analysis of the factors described above, including thorough discussion with and questioning of Kforce's management and its legal and financial advisors. In view of the wide variety of factors considered in connection with its evaluation of the merger and the complexity of these matters, the Kforce board of directors found it impractical to, and did not, quantify or otherwise assign relative weights to the specific factors discussed above and considered in connection with its determination. In addition, the Kforce board of directors did not reach any specific conclusion with respect to each of the factors considered or any aspect of any particular factor. Moreover, the individual members of the Kforce board of directors may have accorded different values to different factors.

Recommendation of the Kforce Board of Directors

Taking into account all of the material facts, matters and information, including those described above, the Kforce board of directors believes that the merger and the other transactions contemplated by the merger agreement are advisable and fair to and in the best interests of Kforce and its shareholders. **The Kforce board of directors unanimously recommends that Kforce's shareholders vote FOR approval of the issuance of Kforce shares pursuant to the merger agreement.**

Hall Kinion's Reasons for the Merger

The Hall Kinion board of directors has determined that the acquisition of Hall Kinion by Kforce is advisable, fair to and in the best interests of Hall Kinion and its stockholders, has unanimously approved and adopted the merger agreement and the merger, and unanimously recommends that the Hall Kinion stockholders vote FOR approval and adoption of the merger agreement and the merger. In making its recommendation to the stockholders, the Hall Kinion board of directors considered a number of factors, the most significant of which are the following:

current market prices for Hall Kinion common stock, the fluctuation in historical trading prices of the Hall Kinion common stock, the lack of liquidity in the market for Hall Kinion common stock, the inability to use Hall Kinion common stock at current price levels as consideration for acquisitions, which limits Hall Kinion's growth potential, and the fact that the merger consideration included a premium of approximately 15% over the market price for Hall Kinion common stock on the last trading day before the merger was announced;

the greater liquidity of Kforce's common stock following the merger as compared to Hall Kinion's common stock;

the fact that Hall Kinion's stockholders will have the opportunity to participate in the growth and opportunities of the combined company;

the likelihood that other offers or expressions of interest at prices higher than the merger consideration would have been expected to have surfaced prior to the execution of the merger agreement as a result of the marketing efforts conducted by Baird;

the Hall Kinion board of directors' knowledge of Hall Kinion's business, current financial condition and liquidity, the nature of the markets in which Hall Kinion competes and Hall Kinion's position in those markets, Hall Kinion's prospects for future growth as an independent company as compared with prospects as part of a larger enterprise; and the likelihood of further consolidation occurring in the industry and the effects of such consolidation;

Edgar Filing: KFORCE INC - Form S-4/A

the historical and potentially continuing downturn in technology spending, particularly by companies that historically had been part of Hall Kinion's primary customer base, and the downturn in the demand for services in Hall Kinion's OnStaff division;

the potential reduction in Hall Kinion's liquidity under its line of credit as a result of decreased revenues, which results in a reduced borrowing base;

Table of Contents

the potential synergies, cost savings and economies of scale, estimated in the range of \$9.5 million to \$12 million which would be partially offset by amortization of identifiable intangibles, resulting from the combined executive, general and administrative functions of the two companies following the merger;

Hall Kinion's ability, subject to certain conditions, to respond to, and to accept, an unsolicited offer that is superior to the merger, if failing to do so would breach the fiduciary responsibilities of the Hall Kinion board of directors;

the fact that the merger is a tax-free reorganization, which will permit Hall Kinion stockholders to defer payment of capital gains taxes until they sell shares of Kforce common stock received in the merger;

the other terms of the merger agreement, including without limitation the termination fees; and

the analyses and financial presentations to the Hall Kinion board of directors in connection with the Hall Kinion board of directors consideration of the merger, including the opinion of Baird that the exchange ratio to be received by the Hall Kinion stockholders was fair, from a financial point of view.

In addition to the positive factors summarized above, the Hall Kinion board of directors also considered the following negative factors in reaching its determination:

the possibility that the merger might not be consummated, the impact of the transaction costs incurred if the merger is not completed, the risks associated with potential fluctuations in the price of Kforce common stock prior to the closing of the merger, including Kforce's right to terminate the merger if its stock price decreases to less than \$6.00 per share over a period of time prior to the closing of the merger and the effect of the public announcement of the merger on Hall Kinion's sales, operating results, stock price and relations with employees and customers;

the risk that the potential benefits and synergies in the merger might not be fully realized;

the risk of a stock price decline in Kforce stock following the completion of the merger;

the costs and potential operational problems that may be incurred in the integration of the two companies' operations;

the risks associated with diversion of management resources from operational matters for an extended period of time; and

the risks described under the section of this prospectus/proxy statement entitled "Risk Factors" beginning on page 23 of this joint proxy statement/prospectus.

The foregoing discussion of factors considered by the Hall Kinion board of directors is not exhaustive, but includes the material factors considered by the Hall Kinion board of directors in approving the merger and recommending that the Hall Kinion stockholders vote their shares in favor of the merger. The Hall Kinion board of directors did not find it practicable to, and did not quantify or otherwise assign relative weights to the specific factors considered in reaching its determination. Rather, the Hall Kinion board of directors made its determination based on the totality of the information available to it. The judgments of the individual members of the Hall Kinion board of directors may have been influenced to a greater or lesser extent by the different factors. In approving the merger, the Hall Kinion board of directors was aware of the interests of Hall Kinion's management in the merger, as described under "Interests of Certain Persons in the Merger" "Interests of Hall Kinion Directors and Officers" beginning on page 83.

Recommendation of the Hall Kinion Board of Directors

Taking into account all of the material facts, matters and information, including those described above, the Hall Kinion board of directors believes that the merger and the other transactions contemplated by the merger agreement are advisable and fair to and in the best interests of Hall Kinion and its stockholders. **The Hall Kinion board of directors unanimously recommends that Hall Kinion's stockholders vote FOR approval of the merger and adoption of the merger agreement.**

Fairness Opinion of Financial Advisor to the Kforce Board of Directors

On December 2, 2003, Lehman Brothers rendered its opinion to the Kforce board of directors that as of such date and, based upon and subject to certain matters stated therein, the exchange ratio to be paid by Kforce in the merger is fair to Kforce from a financial point of view.

The summary of the Lehman Brothers opinion set forth in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of the opinion attached as Annex B to this joint proxy statement/prospectus. Kforce shareholders should read the opinion for a discussion of the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by Lehman Brothers in rendering its opinion.

The Lehman Brothers opinion was provided for the information and assistance of the Kforce board of directors in connection with its consideration of the merger. The Lehman Brothers opinion is not intended to be and does not constitute a recommendation to any shareholder of Kforce as to how such shareholder should vote in connection with the merger. Lehman Brothers was not requested to opine as to, and the Lehman Brothers opinion does not address, Kforce's underlying business decision to proceed with or effect the merger, and the reasonableness of the change in control payments provided to certain members of Hall Kinion's senior management.

In arriving at its opinion, Lehman Brothers reviewed and analyzed:

the merger agreement and the specific terms of the merger;

publicly available information concerning Kforce and Hall Kinion that Lehman Brothers believed to be relevant to its analysis, including Kforce's Annual Reports on Form 10-K for the fiscal years ended December 31, 2002 and 2001, and Quarterly Reports on Form 10-Q for the quarters ended March 31, June 30, and September 30, 2003 and Hall Kinion's Annual Reports on Form 10-K for the fiscal years ended December 29, 2002 and December 30, 2001, and Quarterly Reports on Form 10-Q for the quarters ended March 30, June 29, and September 28, 2003;

financial and operating information with respect to the business, operations and prospects of Hall Kinion furnished to Lehman Brothers by Hall Kinion and Kforce;

financial and operating information with respect to the business, operations and prospects of Kforce furnished to Lehman Brothers by Kforce, including a 2004 forecast prepared in October 2003 by the management of Kforce;

the trading histories of Hall Kinion's and Kforce's common stock from November 1, 2001 to December 1, 2003, and a comparison of those trading histories with each other and with those of other companies that Lehman Brothers deemed relevant;

a comparison of the respective historical financial results and present financial condition of Hall Kinion and Kforce with each other and with those of other companies that Lehman Brothers deemed relevant;

the relative contributions of Kforce and Hall Kinion to the historical and future financial performance of the combined company on a pro forma basis;

the pro forma impact of the merger on the current and future financial performance of Kforce, including the cost savings and operating synergies expected by the management of Kforce and Hall Kinion to result from a combination of the businesses of Kforce and Hall Kinion (the Expected Synergies), and the potential effect of the merger on Kforce's pro forma earnings per share; and

a comparison of the financial terms of the merger with the financial terms of certain other transactions that Lehman Brothers deemed relevant.

In addition, Lehman Brothers had discussions with the management of Kforce and Hall Kinion concerning their respective businesses, operations, assets, financial condition and prospects and the revenue enhancements

Table of Contents

and strategic benefits expected by management of Kforce to result from a combination of the businesses of Kforce and Hall Kinion. Lehman Brothers also undertook such other studies, analyses and investigations as it deemed appropriate.

In arriving at its opinion, Lehman Brothers assumed and relied upon the accuracy and completeness of the financial and other information used by it without assuming any responsibility for independent verification of such information and further relied upon the assurances of management of Kforce and Hall Kinion that they were not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial projections of Hall Kinion prepared by Hall Kinion's management, upon advice of Hall Kinion, Lehman Brothers assumed that such projections had been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Hall Kinion as to the future financial performance of Hall Kinion and Lehman Brothers relied upon such projections in performing its analysis. However, for the purpose of its analysis, Lehman Brothers also considered certain somewhat more conservative assumptions and estimates which resulted in certain adjustments to the projections provided by Hall Kinion. Lehman Brothers discussed these adjusted projections with the management of Kforce and they agreed with the appropriateness of the use of such adjusted projections, as well as the projections prepared by Hall Kinion, in performing the analysis. In addition, upon the advice of Kforce, Lehman Brothers assumed that the amount and timing of the Expected Synergies are reasonable and that the Expected Synergies will be realized substantially in accordance with such estimates. In arriving at its opinion, Lehman Brothers did not conduct a physical inspection of the properties and facilities of Kforce or Hall Kinion and did not make or obtain any evaluations or appraisals of the assets or liabilities of Kforce or Hall Kinion. The Lehman Brothers opinion necessarily was based upon market, economic and other conditions as they existed on, and were evaluated as of, the date of the Lehman Brothers opinion.

Lehman Brothers expressed no opinion as to the prices at which shares of Kforce common stock would trade following announcement of the merger, and its opinion should not be viewed as providing any assurance that the market value of the shares of Kforce common stock after consummation of the merger will be in excess of the market value of such shares at any time prior to announcement or consummation of the merger. Although Lehman Brothers evaluated the fairness, from a financial point of view, of the exchange ratio to be paid by Kforce in the merger, Lehman Brothers was not requested to, and did not recommend the specific exchange ratio to be paid by Kforce in the merger. The exchange ratio was determined through negotiations between Kforce and Hall Kinion. No limitation was imposed on Lehman Brothers with respect to the investigations made or procedures followed by Lehman Brothers in rendering its opinion.

In arriving at its opinion, Lehman Brothers did not ascribe a specific range of value to Kforce or Hall Kinion, but rather made its determination as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger on the basis of financial and comparative analyses described below. The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial and comparative analysis and the application of those methods to the particular circumstances, and therefore, such an opinion is not readily susceptible to summary description. Furthermore, in arriving at its opinion, Lehman Brothers did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, Lehman Brothers believes that its analyses must be considered as a whole and that considering any portion of such analyses and factors, without considering all analyses and factors as a whole, could create a misleading or incomplete view of the process underlying its opinion. In its analyses, Lehman Brothers made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Kforce and Hall Kinion. None of Kforce, Hall Kinion, Lehman Brothers, or any other person assumes responsibility if future results are materially different from those discussed. Any estimates contained in these analyses were not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth therein. In addition, analyses relating to the value of businesses do not purport to be appraisals or to reflect the prices at which businesses actually may be sold.

Table of Contents

The following is a summary of the material financial and comparative analyses used by Lehman Brothers in connection with providing its opinion to the Kforce board of directors. Certain of the summaries of financial analyses include information presented in tabular format. In order to fully understand the financial analyses used by Lehman Brothers, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Accordingly, the analyses listed in the tables and described below must be considered as a whole. Considering any portion of such analyses and of the factors considered, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying the Lehman Brothers opinion.

Historical Exchange Ratio Analysis

Lehman Brothers considered historical data concerning the relative trading prices and exchange ratios for Kforce and Hall Kinion from November 30, 2001 to December 1, 2003. The following table summarizes the results of this analysis.

<u>Averaging Period</u>	<u>Historical Ratio of Hall Kinion/Kforce</u>
2 Years	1.13
1 Year	0.66
6 Months	0.58
3 Months	0.53
1 Month	0.48
15 Day	0.49
As of 12/1/03	0.51
Merger Exchange Ratio	0.60

This analysis resulted in an implied exchange ratio range of 0.48 to 1.13 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of .60 Kforce shares per Hall Kinion share. Lehman Brothers concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the historical exchange ratio analysis that it performed, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger.

Contribution Analysis

Lehman Brothers utilized historical financial results, a 2004 forecast prepared in October 2003 by Kforce management and projections for Hall Kinion, including their respective revenue and earnings before interest, taxes, depreciation, and amortization (EBITDA) to analyze relative contributions of Kforce and Hall Kinion to the revenue and EBITDA of the pro forma combined company. In performing the contribution analysis, Lehman Brothers made certain adjustments to the EBITDA of Hall Kinion in order to account for certain non-recurring items. Using the relative contributions derived from this analysis, Lehman Brothers then developed the implied equity ownership percentages shown below by adjusting for the net debt of Kforce and Hall Kinion. The results of this analysis are shown below.

<u>Relative Contribution Percentage</u>		<u>Implied Ownership Percentage</u>	
Kforce	Hall	Kforce	Hall

Edgar Filing: KFORCE INC - Form S-4/A

		Kinion		Kinion
Range of Relative Contribution Based on Revenue	75%-78%	25%-22%	78%-82%	22%-18%
Range of Relative Contribution Based on EBITDA	66%-74%	34%-26%	69%-77%	31%-23%
Merger Ownership Percentage			81%	19%

Table of Contents

Based on the implied ownership ranges calculated in the contribution analysis, Lehman Brothers calculated an implied exchange ratio range of 0.57 to 1.15 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of .60 Kforce shares per Hall Kinion share. Lehman Brothers concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger.

Comparable Company Analysis

Using publicly available information, Lehman Brothers compared selected financial data of Hall Kinion with similar data of selected companies engaged in businesses considered by Lehman Brothers to be comparable to that of Hall Kinion. Specifically, Lehman Brothers included in its review of comparable companies the following companies: CDI Corp., Computer Horizons Corp., Kforce Inc., MPS Group, Inc., Resources Connection, Inc., Robert Half International, Inc., Spherion Corporation, and Volt Information Sciences, Inc.

For Hall Kinion, and each of the selected companies, Lehman Brothers calculated the ratios of enterprise value, calculated on the basis described below, to projected revenue and EBITDA for the periods ending December 31, 2003 and 2004. For the selected companies, Lehman Brothers used revenue estimates published by third party research providers. The enterprise value of each company was obtained by adding its short and long-term debt to the sum of the market value of its diluted common equity, the value of any preferred stock and the book value of any minority interest, and subtracting its cash and cash equivalents. Lehman Brothers then compared those ratios for the selected companies to similar ratios calculated for Hall Kinion based on the estimates for the Hall Kinion base case and the adjusted case. The adjusted case assumes lower overall revenue growth in 2004 (9.7% in base case vs. -3.1% in adjusted case) mainly to reflect the possibility of continued billable hour declines at OnStaff as anticipated by Kforce as a result of decreased mortgage refinancing activity.

The following table presents the revenue and EBITDA multiples for calendar year 2003 (CY 2003) and 2004 (CY 2004).

	<u>CY 2003</u>	<u>CY 2004</u>
Revenue Mean of Selected Companies	0.48x	0.46x
Revenue Median of Selected Companies	0.47x	0.46x
Revenue Merger Hall Kinion base case	0.45x	0.41x
Revenue Merger Hall Kinion adjusted case	0.45x	0.47x
EBITDA Mean of Selected Companies	21.3x	11.9x
EBITDA Median of Selected Companies	22.7x	12.8x
EBITDA Merger Hall Kinion base case	23.5x	10.6x
EBITDA Merger Hall Kinion adjusted case	23.5x	14.0x

Based on its judgment and knowledge of the staffing services sector, Lehman Brothers selected a range of multiples that were generally near the mean and median of the trading multiples of the comparable companies. Lehman Brothers applied the selected multiples to the corresponding data of Hall Kinion and derived an implied exchange ratio range of 0.50 to 0.73 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of .60 Kforce shares per Hall Kinion share. Lehman Brothers concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger.

However, because of the inherent differences between the business, operations, financial condition and prospects of Hall Kinion and the business, operations, financial conditions and prospects of the companies included in the comparable companies analysis, Lehman Brothers believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the comparable company analysis and

accordingly also

made qualitative judgments concerning differences between the financial and operating characteristics of Hall Kinion and each of the companies included in the comparable company analysis that would affect the public trading values of each.

Comparable Transactions Analysis

The comparable transactions analysis provided a market benchmark based on the consideration paid in certain precedent transactions selected by Lehman Brothers. Lehman Brothers reviewed certain publicly available information on nine transactions involving target companies that Lehman Brothers deemed comparable to Hall Kinion. The following transactions were included in Lehman Brothers' analysis:

<u>Announcement Date</u>	<u>Acquirer Name</u>	<u>Target Name</u>
Oct-03	CIBER, Inc.	SCB Computer Technology, Inc.
Sep-03	Hire Calling Holding Company	SOS Staffing Services, Inc.
Aug-02	Hall, Kinion & Associates, Inc.	OnStaff
Jun-02	Intellimark Holdings, Inc.	Technisource, Inc.
Aug-00	CORESTAFF Services	General Employment Service, Inc.
Jul-00	Randstad North America	Temps & Co.
Jun-00	COMSYS Information Technology Services, Inc.	Cotelligent, Inc. (Staffing Division)
Apr-00	Vedior NV	Acsys, Inc.
Jan-00	Manpower Inc.	Elan Group Ltd.

Lehman Brothers compared enterprise values in the selected transactions as multiples of last twelve month (LTM) revenue. All multiples were based on financial information publicly available at the time the relevant transactions were announced. The following table demonstrates the revenue multiples for the selected transactions as well as the implied multiple in the proposed merger:

	<u>LTM Enterprise Value/Revenue Multiple</u>
Mean of Selected Comparable Transactions	0.48x
Median of Selected Comparable Transactions	0.55x
Kforce/Hall Kinion Merger	0.50x

Based on its judgment and knowledge of the staffing services sector, Lehman Brothers selected a range of multiples that were generally near the mean and median of the multiples paid in the comparable transactions. Lehman Brothers applied the selected multiples to the corresponding data of Hall Kinion and derived an implied exchange ratio range of 0.46 to 0.76 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of .60 Kforce shares per Hall Kinion share. Lehman Brothers concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger.

However, because the reasons for and the circumstances surrounding each of the transactions analyzed were so diverse and because of the inherent differences between the business, operations, financial condition and prospects of Hall Kinion, on the one hand, and the business, operations, financial condition and prospects of the companies included in the comparable transactions group, on the other hand, Lehman Brothers believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the comparable transaction analysis

and accordingly also made qualitative judgments concerning differences between the reasons for and the circumstances surrounding the merger and the transactions included in the comparable transaction analysis that would affect the acquisition values of Hall Kinion and the acquired companies.

Table of Contents**Premiums Paid Analysis**

Using publicly available information, Lehman Brothers reviewed the premiums paid, or proposed to be paid, in the case of transactions pending as of the date of the Lehman Brothers opinion, in 13 stock-for-stock acquisitions involving business services companies since February of 1998. The following table lists the transactions included in the analysis.

<u>Acquiror</u>	<u>Target</u>
Valueclick Inc.	Mediaplex Inc.
Aon Corporation	ASI Solutions Inc.
DoubleClick Inc.	Netcreations Inc.
TeleTech Holdings Inc.	Newgen Results Corporation
TMP Worldwide Inc.	HW Group PLC
Cordiant Communications Group	HealthWorld Corporation
AnswerThink Consulting Group	Think New Ideas Inc.
NCO Group Inc.	Compass International Services
Automatic Data Processing Inc.	Vincam Group Inc.
StaffMark Inc.	Robert Walters PLC
TMP Worldwide Inc.	Morgan & Banks Ltd.
TeleSpectrum Worldwide Inc.	CRW Financial Inc.
Platinum Technology Inc.	Mastering Inc.

Lehman Brothers calculated the premium per share paid by the acquirer compared to the share price of the target company for one day and one week prior to announcement of each transaction. The following table shows the one day and one week premiums in the precedent transactions compared to the premiums in the merger:

	<u>One Day Premium</u>	<u>One Week Premium</u>
Selected Transactions		
Lower Quartile	8.6%	15.8%
Median	24.6%	26.4%
Mean	24.4%	28.5%
Upper Quartile	43.5%	45.9%
Merger		
Based on Kforce 12/01/03 Price	18.3%	30.0%

Lehman Brothers applied premiums ranging from the lower quartile average to the upper quartile average of the precedent transactions to the closing share prices of Hall Kinion as of December 1, 2003 and November 24, 2003 and derived an implied exchange ratio range of 0.53 to 0.73 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of .60 Kforce shares per Hall Kinion share. Lehman Brothers concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger.

Discounted Cash Flow Analysis

Edgar Filing: KFORCE INC - Form S-4/A

The discounted cash flow analysis provided a net present value of the projected after-tax cash flows (defined as operating cash flow available after working capital, capital spending, tax and other operating requirements) based on the base case and adjusted case estimates for Hall Kinion for fiscal years 2004 through 2008. Utilizing the assumptions underlying these projections, Lehman Brothers extended the forecast period through 2013. Lehman Brothers calculated the present value of the stand-alone, unlevered, after-tax free cash flows that Hall Kinion could produce over the fiscal years 2004 through 2013. The assumptions that were used to determine 2004 through 2013 revenues implied a compound annual growth rate of 7.3% in the base case and 6.2% in the adjusted case. EBITDA margins in the base case improve from 3.9% in 2004 to 6.2% in 2008 and thereafter. In

Table of Contents

the adjusted case, EBITDA margins are 3.4% in 2004, increasing to 6.3% in 2010, then declining to 6.1% in 2013. Lehman Brothers chose to extend the forecast period to 2013 in order to decrease the sensitivity of the discounted cash flow analysis to the assumptions used to calculate the terminal value, as described below. Lehman Brothers also estimated a range of terminal values as of 2013 calculated based on assumed 2013 terminal EBITDA multiples in the range of 6.0x to 8.0x. Lehman Brothers selected this terminal EBITDA multiple range based on its knowledge and estimates of sustainable trading ranges for public companies in the staffing services sector and acquisition multiples in the staffing services sector. The free cash flows for 2004 through 2013, as well as the estimated terminal values, were then discounted to present values using a discount rate range of 13.5% to 14.5%, which is based on Hall Kinion's estimated weighted average cost of capital as well as the cost of capital of companies Lehman Brothers deemed comparable to Hall Kinion. Using the base case, this analysis indicated an overall stand-alone intrinsic value of Hall Kinion of between \$4.36 and \$5.64 per share. Based on this value range and Kforce's closing stock price on December 1, 2003 of \$8.34 per share, the corresponding implied exchange ratio was between 0.52 to 0.68 Kforce shares per Hall Kinion share. Using the adjusted case, the analysis indicated an overall stand-alone intrinsic value of Hall Kinion of between \$3.61 and \$4.72 per share and a corresponding implied exchange ratio of between 0.43 and 0.57 Kforce shares per Hall Kinion share.

Kforce management estimated the annual amount of Expected Synergies to be approximately \$10 million (which would be partially offset by amortization of identifiable intangibles). Lehman Brothers adjusted this amount for taxes and non-cash items in order to determine the anticipated annual free-cash flow impact of the Expected Synergies, and then capitalized the free cash flow at a discount rate of 13.5%. The value of the Expected Synergies was then adjusted for the cash costs associated with the merger, the change of control severance costs and the amount that will accrue to Kforce stockholders based on Kforce's pro forma ownership in the merger. Based on this analysis, Lehman Brothers calculated a present value of the Expected Synergies to Kforce stockholders of approximately \$16.8 million. When the Expected Synergies value was added to the base case stand-alone value of Hall Kinion of between \$4.36 and \$5.64 per share, the total acquired value of Hall Kinion based on the discounted cash flow analysis was \$5.67 to \$6.95 per share. Based on this value range and Kforce's closing stock price on December 1, 2003 of \$8.34 per share, the corresponding implied exchange ratio was between 0.68 to 0.83 Kforce shares per Hall Kinion share. When the Expected Synergies value was added to the adjusted case stand-alone value of Hall Kinion of between \$3.61 and \$4.72 per share, the total acquired value of Hall Kinion based on the discounted cash flow analysis was \$4.91 to \$6.03 per share and the corresponding implied exchange ratio was between 0.59 to 0.72 Kforce shares per Hall Kinion share. Lehman Brothers concluded that, because the exchange ratio in the merger was below the implied exchange ratio range derived from the analysis using the base case, and within the implied exchange ratio range based on the adjusted case, the discounted cash flow analysis was supportive of its opinion as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger. The financial forecasts that underlie this analysis are subject to substantial uncertainty and, therefore, actual results may be substantially different.

Pro Forma Merger Analysis

Based on the 2004 forecast prepared in October 2003 by Kforce management and projections provided by Hall Kinion, and assuming the Expected Synergies are realized in accordance with management estimates, Lehman Brothers analyzed the expected pro forma impact of the merger on Kforce's earnings per share for the fiscal year ending December 31, 2004. Lehman Brothers concluded that, based on its analysis that indicated 55.6% accretion to 2004 earnings per share under the management case and 37.6% accretion to 2004 earnings per share under the adjusted case, the merger would likely be accretive to Kforce's earnings per share. The financial forecasts that underlie this analysis are subject to substantial uncertainty and, therefore, actual results may be substantially different. Lehman Brothers concluded that the pro forma merger analysis was supportive of its opinion as to the fairness, from a financial point of view, to Kforce of the exchange ratio to be paid by Kforce in the merger.

mergers and acquisitions, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities, private placements, and valuations for corporate and other purposes. The board of directors of Kforce selected Lehman Brothers because of its expertise, reputation, and familiarity with the businesses of Kforce and Hall Kinion, and because its investment banking professionals have substantial experience in transactions comparable to the merger.

As compensation for rendering the Lehman Brothers opinion in connection with the merger, Kforce paid Lehman Brothers a fee of \$1.0 million and reimbursed Lehman Brothers approximately \$13,000 for its out-of-pocket expenses incurred in connection with the merger. In addition, Kforce has agreed to indemnify Lehman Brothers for certain liabilities that may arise out of its engagement by Kforce and the rendering of the Lehman Brothers opinion.

In the ordinary course of its business, Lehman Brothers may trade in the equity securities of Kforce and Hall Kinion for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities.

Fairness Opinion of Financial Advisor to the Hall Kinion Board of Directors

On April 8, 2003, Hall Kinion retained Robert W. Baird & Co. Incorporated to act as its investment banker and financial advisor in connection with the identification of and negotiation with potential merger partners, and to render Baird's opinion as to the fairness, from a financial point of view, of the exchange ratio to the holders of Hall Kinion common stock. On December 2, 2003, Baird rendered its opinion to the board of directors of Hall Kinion to the effect that, as of December 2, 2003 and based upon and subject to the various considerations described in the opinion, the exchange ratio of .60, was fair, from a financial point of view, to the holders of Hall Kinion common stock (other than Kforce and its affiliates).

The full text of Baird's opinion, dated December 2, 2003, which describes the assumptions made, general procedures followed, matters considered and limitations on the scope of review conducted by Baird in rendering its opinion, is attached as Annex C to this proxy statement/prospectus and is incorporated in this document by reference. Baird's opinion is directed only to the fairness, as of the date of the opinion and from a financial point of view, of the exchange ratio to the holders of Hall Kinion common stock (other than Kforce and its affiliates) and does not constitute a recommendation to you as to how you should vote with respect to the merger agreement. The summary of Baird's opinion set forth below is qualified in its entirety by reference to the full text of the opinion attached as Annex C. Hall Kinion shareholders are urged to read the opinion carefully in its entirety.

In conducting its investigation and analysis and in arriving at its opinion, Baird reviewed information and took into account financial and economic factors it deemed relevant under the circumstances. In rendering its opinion, Baird, among other things:

reviewed certain internal information, primarily financial in nature, including projections, concerning the business and operations of Hall Kinion furnished to Baird for purposes of its analysis, as well as publicly available information including Hall Kinion's recent filings with the SEC and equity analyst research reports prepared by various investment banking firms including Baird;

reviewed certain internal information, primarily financial in nature, concerning the business and operations of Kforce furnished to Baird for its analysis, as well as publicly available information including Kforce's recent filings with the SEC and equity research reports prepared by various investment banking firms including Baird;

Edgar Filing: KFORCE INC - Form S-4/A

reviewed the merger agreement in the form presented to Hall Kinion's board of directors;

compared the historical market prices and trading activity of Hall Kinion's and Kforce's common stock with those of certain other publicly traded companies Baird deemed relevant;

Table of Contents

compared the financial position and operating results of Hall Kinion and Kforce with those of other publicly traded companies Baird deemed relevant and considered the market trading multiples of such companies;

compared the proposed financial terms of the merger with the financial terms of certain other business combinations Baird deemed relevant; and

reviewed certain potential pro forma effects of the merger.

Baird held discussions with members of Hall Kinion's and Kforce's respective senior management teams concerning Hall Kinion's and Kforce's historical and current financial condition and operating results, as well as the future prospects of Hall Kinion and Kforce, respectively. Baird also considered other information, financial studies, analyses and investigations and financial, economic and market data which Baird deemed relevant for the preparation of its opinion. As part of the services provided by Baird, Baird was asked to, and did solicit third-party indications of interest in acquiring all or any part of Hall Kinion. Hall Kinion and Kforce determined the exchange ratio in arms-length negotiations as part of a competitive bidding process. Hall Kinion did not place any limitation upon Baird with respect to the procedures followed or factors considered by Baird in rendering its opinion.

In arriving at its opinion, Baird assumed and relied upon the accuracy and completeness of all of the financial and other information that was publicly available or provided to Baird by or on behalf of Hall Kinion and Kforce. Baird was not engaged to independently verify any of this information. Baird assumed, with Hall Kinion's consent, that:

all material assets and liabilities (contingent or otherwise, known or unknown) of Hall Kinion and Kforce were as set forth in their respective financial statements;

the merger will qualify as a tax-free reorganization for federal income tax purposes; and

the merger will be consummated in accordance with the terms set forth in the merger agreement, without any amendment thereto and without waiver by Hall Kinion or Kforce of any of the conditions to their respective obligations under the merger agreement.

Baird also assumed that the financial projections prepared by Hall Kinion's senior management concerning Hall Kinion's financial performance (the Hall Kinion projections) were reasonably prepared on bases reflecting the best available estimates and good faith judgments as to future performance of Hall Kinion. At the direction of Hall Kinion, Baird relied on a published equity research analyst report prepared by Baird for estimates of Kforce's projected financial performance for fiscal years 2003 and 2004 (the Kforce projections). In conducting its review, Baird did not undertake nor obtain an independent evaluation or appraisal of any of the assets or liabilities, contingent or otherwise, of Hall Kinion or Kforce nor did it make a physical inspection of the properties or facilities of Hall Kinion or Kforce. Baird's opinion necessarily was based upon economic, monetary and market conditions as they existed and could be evaluated on the date of its opinion, and did not predict or take into account any changes which may occur, or information which may become available, after the date of the opinion. Furthermore, Baird expressed no opinion as to the price or trading range at which any of Hall Kinion's or Kforce's securities (including Hall Kinion common stock and Kforce common stock) will trade following the date of Baird's opinion.

The following is a summary of the material financial analyses performed by Baird in connection with rendering its opinion. Each of the following tables contained in this Fairness Opinion of Financial Advisor to the Hall Kinion Board of Directors section is qualified in its entirety by reference to the other disclosures contained in this section and to Baird's opinion attached as Annex C to this joint proxy statement/prospectus.

Summary of Hall Kinion Implied Merger Multiples. Baird calculated the implied equity value per share reflected by the terms of the merger to be \$5.04 for each share of Hall Kinion common stock. The implied equity values per share were obtained by multiplying the closing price per share of Kforce common stock of \$8.40 on

Table of Contents

November 25, 2003 by the exchange ratio of .60. Baird calculated the implied total equity value and implied enterprise value of Hall Kinion as a result of the merger to be \$64.1 million and \$77.1 million, respectively. The implied total equity value was obtained by multiplying the implied equity value per share by the total number of common shares outstanding as of November 5, 2003, plus each outstanding, unexercised and fully vested option to purchase Hall Kinion common stock with an exercise prices less than the Kforce stock market value multiplied by the exchange ratio, less gross proceeds from the exercise of those stock options. The implied enterprise value was obtained by adding Hall Kinion's outstanding total debt, OnStaff earnout payment and the present value of the closed office lease expense to, and subtracting Hall Kinion's cash and cash equivalents balances (as of October 31, 2003, as provided by Hall Kinion management) from, the implied total equity value.

In performing its analysis, Baird used, among other items, operating statistics exclusive of non-recurring items for Hall Kinion's latest twelve months (LTM) ended September 30, 2003, with the exception of total debt and cash and cash equivalents balances which were as of October 31, 2003. Baird also used operating statistics for estimated 2003 and projected 2004. Baird calculated multiples of the implied enterprise value to Hall Kinion's LTM revenue, earnings before interest, taxes, depreciation and amortization (EBITDA), and earnings before interest and taxes (EBIT) as well as estimated 2003 revenue, EBITDA, and EBIT and projected 2004 revenue, EBITDA, and EBIT, per the Hall Kinion projections. Baird also calculated multiples of the implied total equity value to Hall Kinion's LTM net income and EPS as well as estimated 2003 net income and EPS and projected 2004 net income and EPS, per the Hall Kinion projections. The table below summarizes the results of this analysis and is qualified in its entirety by reference to other disclosures contained in this section and Baird's opinion attached as Annex C to this proxy statement/prospectus.

Analysis of Selected Publicly Traded Hall Kinion Comparable Companies. Baird reviewed certain publicly available financial information as of the most recently reported period and stock market information as of November 25, 2003 for 14 publicly traded companies that Baird deemed relevant. The group of selected publicly traded staffing services companies is listed below:

Alternative Resources Corporation	MPS Group, Inc.
Analysts International Corporation	On Assignment, Inc.
Butler International, Inc.	RCM Technologies, Inc.
CDI Corporation	Robert Half International, Inc.
Computer Task Group, Inc.	Spherion Corporation
Hudson Highland Group, Inc.	TSR, Inc.
Kforce, Inc.	Volt Information Sciences, Inc.

Baird selected these companies based on its review of publicly traded companies that possessed general business, operating and financial characteristics representative of companies in the industry in which Hall Kinion operates. Baird noted that none of the companies reviewed is identical to Hall Kinion and that, accordingly, the analysis of these companies necessarily involves complex considerations and judgments concerning differences in the business, financial and operating characteristics of each company and other factors that affect the market values of these companies.

Baird also selected a subset of the group of 14 publicly traded companies that included eight companies that have a market capitalization of less than \$175.0 million (Small Cap), as of November 25, 2003. The Small Cap group of selected publicly traded staffing services companies is listed below:

Alternative Resources Corporation	Hudson Highland Group, Inc.
Analysts International Corporation	On Assignment, Inc.
Butler International, Inc.	RCM Technologies, Inc.
Computer Task Group, Inc.	TSR, Inc.

Baird selected these companies based on its review of publicly traded companies that possessed general business, operating and financial characteristics representative of companies in the industry in which Hall Kinion operates and the market dynamics affecting smaller companies in the industry in which Hall Kinion operates. Baird noted that none of the companies reviewed is identical to Hall Kinion and that, accordingly, the analysis of these companies necessarily involves complex considerations and judgments concerning differences in the business, financial and operating characteristics of each company and other factors that affect the market values of these companies.

For each selected company, Baird calculated the implied equity value by multiplying the closing stock price of each company as of November 25, 2003, by the total number of outstanding shares on a diluted basis, utilizing the treasury method. In addition, Baird calculated enterprise value for each selected company by adding the book value of outstanding total debt, preferred stock and minority interests to, and subtracting cash and cash equivalents from, equity value. Baird then calculated multiples of enterprise value to each selected company's latest quarter annualized (LQA) revenue, LTM revenue, EBITDA and EBIT, estimated 2003 revenue, EBITDA and EBIT and projected 2004 revenue, EBITDA and EBIT, exclusive of non-recurring items, as of the most recently reported period. Baird also calculated multiples of each selected company's equity value per share to each selected company's LTM EPS, estimated 2003 EPS and projected 2004 EPS, exclusive of non-recurring items. Estimated 2003 and projected 2004 statistics for the selected companies were based on publicly available equity research analyst reports. Baird then compared the trading multiples for the selected companies to relevant Hall Kinion implied merger multiples, as implied in the proposed merger, based on Hall Kinion's operating results for the LQA and LTM periods ended September 30, 2003, and estimated 2003 and projected 2004. Based on the public company trading multiples, Baird analyzed the resulting implied exchange ratios derived from applying the selected comparable company valuation multiples to Hall Kinion's LTM revenue, EBITDA, EBIT and EPS, estimated 2003 revenue, EBITDA, EBIT and EPS and projected 2004 revenue, EBITDA, EBIT and EPS. Baird derived an implied exchange ratio range of 0.07 to 2.76 Kforce shares per Hall Kinion share for the All Comparable Companies group and an implied exchange ratio range of 0.07 to 1.53 Kforce shares per Hall Kinion share for the Small Cap Comparable Companies group, as compared to the exchange ratio for the merger of 0.60 Kforce shares per Hall Kinion share. Baird concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to the holders of Hall Kinion's common stock of the exchange ratio to be paid by Kforce in the merger. The table below summarizes the results of the analysis and based upon the merger Exchange Ratio of .60. Analysis of Selected Comparable Acquisition Transactions. Baird reviewed certain publicly available financial information for eight selected acquisition transactions, which Baird deemed relevant. The eight transactions reviewed were (acquiror / acquired company):

Management Group / The Judge Group, Inc.
 Research Park Acquisition, Inc. / RWD Technologies, Inc.
 Ohsea Holdings Limited / Professional Staff plc
 Cravey, Green & Wahlen / AHL Services, Inc.
 Intellimark Holdings, Inc. / Technisource, Inc.
 Hall, Kinion & Associates, Inc. / OnStaff
 Ciber, Inc. / Decision Consultants, Inc.
 Aquent, Inc. / Renaissance Worldwide, Inc.

Baird chose these transactions based on its review of acquisition transactions that possessed general business, operating and financial characteristics representative of companies in the industry in which Hall Kinion operates. Baird noted that none of the selected transactions reviewed were identical to the merger. Accordingly, Baird noted that the analysis of comparable transactions necessarily involves complex considerations and judgments concerning differences in financial and operating characteristics of Hall Kinion and other factors that would affect the acquisition value of comparable transactions including, among other factors, the general market conditions prevailing in the equity capital markets at the time of that transaction and the form of consideration used in the selected transactions.

For each selected transaction, Baird calculated multiples of enterprise value to each selected company's LTM revenue and LTM EBITDA, exclusive of non-recurring items, as of the most recently reported period. Baird then compared the implied merger multiples for the selected transactions to relevant Hall Kinion implied merger multiples, as implied in the proposed merger, based on Hall Kinion's operating results for LTM period ended September 30, 2003, and estimated 2003. The table below summarizes the results of these analyses and are qualified in their entirety by reference to the other disclosures contained in this section and Annex C of this proxy statement/prospectus.

	Implied Hall Kinion Merger Multiples		Implied Selected Acquisition LTM Multiples			
	LTM	2003	Low	Mean	Median	High

Enterprise Value / EBITDA	44.1	21.6	8.2	10.0	9.4	13.0

Based on implied selected acquisition multiples, Baird analyzed the resulting implied exchange ratios derived from applying the selected comparable acquisition valuation multiples to Hall Kinion's LTM revenue and EBITDA and estimated 2003 revenue and EBITDA. Baird derived an implied exchange ratio range of 0.03 to 0.74 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of 0.60 Kforce shares per Hall Kinion share. Baird concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to the holders of Hall Kinion's common stock of the exchange ratio to be paid by Kforce in the merger. The table below summarizes the results of the analysis and is qualified in its entirety by reference to the other disclosures contained in this section and Annex C of this proxy statement/prospectus.

Baird also calculated the premiums paid for the equity in these transactions over the public market value of the equity at various times prior to the announcement of these transactions. Baird then compared the premiums of the selected acquisitions to the relevant Hall Kinion premiums implied in the merger based on Hall Kinion's closing price one day, seven days, 30 days, 60 days, 90 days and 180 days prior to November 25, 2003. Additionally, Baird analyzed the 11 public company stock-for-stock mergers with enterprise values between \$50.0 million and \$100.0 million that were completed between January 1, 2002 and November 25, 2003. Baird then compared those premiums to the relevant Hall Kinion premiums implied in the merger based on Hall Kinion's closing price one day, seven days, 30 days, 60 days, 90 days and 180 days prior to November 25, 2003. The table below summarizes the results of these analyses and are qualified in their entirety by reference to the other disclosures contained in this section and Annex C of this proxy statement/prospectus.

Discounted Cash Flow Analysis. Baird performed a discounted cash flow analysis of Hall Kinion on a stand alone basis using the Hall Kinion projections for calendar years 2004 through 2008 as provided by Hall Kinion, without taking into account any potential cost savings and synergies which may be realized following the merger. In that analysis, Baird assumed terminal value multiples of 0.30x to 0.40x revenue in calendar year 2008 and discount rates of 13.5% to 15.5%, which represent the estimated weighted average cost of capital for Hall Kinion. Given that Hall Kinion has a significant balance of net operating loss carryforwards (NOLs) currently on its balance sheet, Baird applied NOLs against any pre-tax earnings before interest, taxes and amortization in the tax expense calculation in the discounted cash flow analysis. That analysis produced a range of implied exchange ratios of 0.36 to 0.52 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of 0.60 Kforce shares per Hall Kinion share. Baird concluded that, because the exchange ratio in the merger was above the high end of the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to the holders of Hall Kinion's common stock of the exchange ratio to be paid by Kforce in the merger.

Pro Forma Merger Analysis. Baird prepared a pro forma analysis of the financial impact of the merger. Baird compared the earnings per share of Kforce common stock, on a stand-alone basis, to the earnings per share of the common stock of the combined company on a pro forma basis for calendar year 2004, per the Hall Kinion projections. The analysis, based on the projections provided by Hall Kinion and assuming cost savings and operating synergies expected by the management of Hall Kinion and Kforce to result from a combination of the businesses of Hall Kinion and Kforce, indicated that the proposed transaction would be 56.1% accretive to Kforce shareholders on an earnings per share basis in calendar 2004. The results of the pro forma merger analysis are not necessarily indicative of future operating results or financial position. The actual results achieved by the combined company may vary from the projected results and the variations may be material. In conducting its analysis, Baird relied upon certain assumptions and projected earnings estimates described above for Hall Kinion and Kforce and the Hall Kinion projections.

Implied Exchange Ratio Analysis. Baird performed an analysis of the historical trading ratio between Hall Kinion common stock and Kforce common stock based on the closing market price per share of Hall Kinion

Table of Contents

common stock relative to the closing market price per share of Kforce common stock for each trading day for the latest twelve-month period ended November 25, 2003. This analysis yielded a trading ratio of 0.46 on November 24, 2003 and an average historical trading ratio of 0.50 over the prior 30-day period, 0.54 over the prior 90-day period, 0.58 over the prior 180-day period and 0.67 over the latest one-year period. This analysis resulted in an implied exchange ratio range of 0.46 to 0.67 Kforce shares per Hall Kinion share, as compared to the exchange ratio in the merger of 0.60 Kforce shares per Hall Kinion share. Baird concluded that, because the exchange ratio in the merger was within the implied exchange ratio range derived from the analysis, such analysis was supportive of its opinion as to the fairness, from a financial point of view, to the holders of Hall Kinion's common stock of the exchange ratio to be paid by Kforce in the merger.

Analysis of Selected Publicly Traded Kforce Comparable Companies. In order to assess the relative public market valuation of the Kforce common stock to be used by Kforce in exchange for Hall Kinion common stock, Baird reviewed certain publicly available financial information as of the most recently reported period and stock market information as of November 25, 2003 for 14 publicly traded companies that Baird deemed relevant. Hall, Kinion & Associates, Inc.	TSR, Inc.
Hudson Highland Group, Inc.	Volt Information Sciences, Inc.

Baird chose these companies based on its review of publicly traded companies that possessed general business, operating and financial characteristics representative of companies in the industry in which Kforce operates. Baird noted that none of the companies reviewed is identical to Kforce and that, accordingly, the analysis of these companies necessarily involves complex considerations and judgments concerning differences in the business, financial and operating characteristics of each company and other factors that affect the market values of these companies.

Baird also selected a subset of the group of 14 publicly traded companies that included five companies that have a market capitalization of more than \$175.0 million (Large Cap), as of November 25, 2003. The Large Cap group of selected publicly traded staffing services companies is listed below:

CDI Corporation	Spherion Corporation
MPS Group, Inc.	Volt Information Sciences, Inc.
Robert Half International, Inc.	

Baird selected these companies based on its review of publicly traded companies that possessed general business, operating and financial characteristics representative of companies in the industry in which Kforce operates and the market dynamics affecting larger companies in the industry in which Kforce operates. Baird noted that none of the companies reviewed is identical to Kforce and that, accordingly, the analysis of these companies necessarily involves complex considerations and judgments concerning differences in the business, financial and operating characteristics of each company and other factors that affect the market values of these companies.

For each selected company, Baird calculated the equity value by multiplying closing stock price of each company as of November 25, 2003, by the total number of outstanding shares on a diluted basis, utilizing the treasury method. In addition, Baird calculated enterprise value for each selected company by adding the book value of outstanding total debt, preferred stock and minority interests to, and subtracting cash and cash equivalents from, equity value. Baird then calculated multiples of enterprise value to each selected company's

Table of Contents

LQA revenue, LTM revenue, EBITDA and EBIT, estimated 2003 revenue, EBITDA and EBIT and projected 2004 revenue, EBITDA and EBIT exclusive of non-recurring items, as of the most recently reported period. Baird also calculated multiples of each selected company's equity value per share to each selected company's LTM EPS, estimated 2003 EPS and projected 2004 EPS, exclusive of non-recurring items. Estimated 2003 and projected 2004 statistics for the selected companies were based on publicly available equity analyst research reports. Baird then compared the trading multiples for the selected companies to relevant Kforce trading multiples based on Kforce's operating results for the LTM period ended September 30, 2003, and estimated 2003 and projected 2004, per the Kforce projections. The table below summarizes the results of the analysis and is qualified in its entirety by reference to the other disclosures contained in this section and Annex C of this proxy statement/prospectus.

The foregoing is only a summary of the analyses performed by Baird and does not purport to be a complete description of its presentation to the Hall Kinion board of directors. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analyses or summary description. Baird believes that its analysis and the summary set forth above must be considered as a whole and that selecting portions of the analysis and of the factors considered by Baird, without considering the entire analysis and all factors, would create an incomplete view of the processes underlying the analysis conducted by Baird and its opinion. Baird did not attempt to assign specific weights to particular portions of the analysis. Any estimates contained in Baird's analysis are not necessarily indicative of actual values, which may be significantly more or less favorable than as set forth in Baird's analysis. Estimates of values of companies do not purport to be appraisals or necessarily to reflect the prices at which companies may actually be sold.

Baird, as part of its investment banking business, is regularly engaged in the evaluation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements, and valuations for estate planning, corporate and other purposes. Hall Kinion retained Baird because of its reputation and substantial experience and expertise in the valuation of businesses and their securities in connection with mergers and acquisitions.

In the ordinary course of business, Baird may from time to time trade in securities, including the securities of Hall Kinion or Kforce, for its own account and for accounts of its customers and, accordingly, may at any time hold a long or short position in these securities.

Table of Contents

Pursuant to an engagement letter agreement dated April 8, 2003 between Hall Kinion and Baird, Hall Kinion agreed to pay Baird a non-refundable retainer fee of \$50,000 fully creditable to the transaction fee; an additional fee of \$300,000 payable upon delivery of its opinion, fully creditable to the transaction fee, regardless of the conclusions reached by Baird in such opinion; and a transaction fee, payable upon consummation of the merger, equal to 3.5% of total enterprise value up to \$55.0 million, plus incentive compensation structure for total enterprise value in excess of \$55.0 million, with a minimum transaction fee of \$850,000. For purposes of calculating Baird's transaction fee, total enterprise value will be determined by adding Hall Kinion's outstanding total debt, OnStaff earnout payment and the present value of the closed office lease expenses to, and subtracting Hall Kinion's cash and cash equivalents balances from, the implied total equity value at the time of consummation of the merger. Implied total equity value will be obtained by multiplying the implied equity value per share by the total number of common shares outstanding, plus each outstanding, unexercised and fully vested option to purchase Hall Kinion common stock with an exercise price less than the Kforce stock market value multiplied by the exchange ratio, less gross proceeds from the exercise of those stock options. As of December 2, 2003, the date of Baird's fairness opinion to the Hall Kinion board of directors, assuming a Kforce price per share of \$8.40, total enterprise value of Hall Kinion was equal to \$77.1 million, implying a transaction fee of approximately \$2.9 million. The implied transaction fee is an estimate of the actual transaction fee to be paid to Baird and depends upon the total equity value and total enterprise value as calculated at the consummation of the merger. In the engagement letter, which was negotiated between Hall Kinion and Baird, Hall Kinion has agreed to reimburse Baird for its reasonable out-of-pocket expenses which are estimated to be approximately \$50,000. Hall Kinion has also agreed to indemnify Baird, its affiliates and their respective directors, officers, employees and agents and controlling persons against certain liabilities relating to or arising out of its engagement, including liabilities under the federal securities laws.

In the past, Baird has performed investment banking services for Hall Kinion, including acting as co-manager on Hall Kinion's initial public offering, lead manager on Hall Kinion's secondary offering in April 2000, and as Hall Kinion's financial advisor in connection with its acquisition of OnStaff in 2002. Baird received its customary compensation in each of these transactions.

Material United States Federal Income Tax Consequences

The following is a summary discussion addressing the material U.S. federal income tax consequences of the merger generally applicable to Hall Kinion stockholders who hold their shares of Hall Kinion common stock as capital assets at the effective time of the merger and who exchange their shares for shares of Kforce common stock and, as applicable, cash in lieu of fractional shares of Kforce common stock in the merger. The discussion set forth below does not address all U.S. federal income tax considerations that may be relevant to Hall Kinion stockholders in light of their particular circumstances, and does not apply to the treatment of stock options or warrants in the merger or the treatment of Hall Kinion stockholders that are subject to special rules under U.S. federal income tax laws, such as:

foreign persons;

financial institutions, insurance companies, mutual funds, dealers in securities or foreign currencies, tax-exempt organizations and stockholders subject to the alternative minimum tax;

stockholders who hold Hall Kinion common stock as part of a hedge, straddle, constructive sale or conversion transaction, or other risk reduction arrangement;

stockholders who acquired their Hall Kinion common stock through stock option or stock purchase programs or otherwise as compensation; and

stockholders whose functional currency is not the U.S. dollar.

Edgar Filing: KFORCE INC - Form S-4/A

In addition, this discussion does not consider the tax treatment of Hall Kinion stockholders that hold their Hall Kinion shares through a partnership or other pass-through entity and it does not address the tax consequences of the merger under foreign, state or local tax laws or U.S. federal estate tax laws.

Table of Contents

Hall Kinion stockholders are urged to consult their own tax advisors regarding the tax consequences of the merger to them based on their own circumstances, including the application and effect of U.S. federal, state, local and foreign tax laws.

The following discussion is based on interpretations of the Internal Revenue Code, applicable Treasury Regulations, judicial decisions and administrative rulings and practice, all as of the date of this proxy statement/prospectus, all of which are subject to change. Any such change could be applied retroactively and could affect the accuracy of the statements and conclusions set forth in this discussion and the tax consequences of the merger to Kforce, Hall Kinion and/or their respective stockholders. The following discussion is not binding on the Internal Revenue Service or a court and each are not precluded from asserting a contrary position.

Neither Kforce nor Hall Kinion has requested nor will either request a ruling from the Internal Revenue Service with regard to any of the tax consequences of the merger. Hall Kinion will receive an opinion from Gibson, Dunn & Crutcher LLP, counsel to Hall Kinion, or Holland & Knight LLP, counsel to Kforce, if Gibson, Dunn does not render such an opinion, that, as of the effective time of the merger, the merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Kforce will receive an opinion from Holland & Knight, or Gibson, Dunn if Holland & Knight does not render such an opinion, that, as of the effective time of the merger, the merger will constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

It is a condition to the consummation of the merger that each of Gibson, Dunn & Crutcher LLP and Holland & Knight LLP render such opinion. The opinion will be based upon the assumption that the merger will take place in the manner described in the merger agreement, and also will assume the truth and accuracy of certain factual representations made by Kforce and Hall Kinion which are customarily given in transactions of this kind.

Qualification as a reorganization means that, subject to the limitations and qualifications set forth in this discussion, the following U.S. federal income tax consequences will result from the merger:

A Hall Kinion stockholder will not recognize gain or loss on the exchange of Hall Kinion common stock for Kforce common stock pursuant to the merger, except with respect to fractional shares, as discussed below;

The total initial tax basis of any Kforce stock received by a Hall Kinion stockholder in the merger, less any cash received for fractional shares, will be equal to the total tax basis of the Hall Kinion common stock exchanged therefor; and

The holding period of the Kforce common stock received by a Hall Kinion stockholder in the merger will include the holding period of the Hall Kinion common stock surrendered therefor.

Even if the merger did qualify as a reorganization, the receipt of Kforce common stock could be a taxable transaction if the Internal Revenue Service were to successfully assert that such stock was being issued in whole or in part in exchange for consideration other than Hall Kinion stock. In addition, opinions of counsel are not binding on the Internal Revenue Service or the courts. As a result, neither Kforce nor Hall Kinion can assure you that the conclusions contained in this discussion will not be challenged by the Internal Revenue Service or sustained by a court if challenged. If the Internal Revenue Service were to assert successfully that the merger is not a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, then each Hall Kinion stockholder would be required to recognize gain or loss equal to the difference between (i) the fair market value of the Kforce common stock received in the exchange and (ii) the stockholder's tax basis in the Hall Kinion stock surrendered therefor. In such event, a Hall Kinion stockholder's total initial tax basis in the Kforce common stock received would be equal to its fair market value at the effective time of the merger, and the stockholder's holding period for the Kforce common stock would begin on the day after the merger. The gain or loss recognized would be long-term capital gain or loss if the Hall Kinion stockholder's holding period for the

Hall Kinion common stock was more than one year.

Table of Contents

Cash Instead of Fractional Shares

Each Hall Kinion stockholder who receives cash in lieu of a fractional share of Kforce common stock in the merger will be treated as having received the fractional share interest in the merger and as having received cash in redemption of such fractional share interest. A Hall Kinion stockholder who receives cash instead of a fractional share of Kforce common stock generally will recognize gain or loss in an amount equal to the difference between (i) the amount of cash received instead of a fractional share and (ii) the portion of the stockholder's basis in its Hall Kinion stock that is allocated to the fractional share. Such gain or loss will generally be capital gain or loss, and will be long-term capital gain or loss if the Hall Kinion stockholder held (or is treated as having held) the Hall Kinion shares for more than one year as of the effective time of the merger.

Backup Withholding of U.S. Federal Income Tax

A noncorporate holder of Hall Kinion shares may be subject to backup withholding with respect to the amount of cash, if any, received instead of fractional share interests unless the stockholder (i) provides a correct taxpayer identification number (which, for an individual stockholder, generally is the stockholder's social security number) and certifies that he, she or it is not subject to backup withholding on the substitute W-9 that is included as part of the transmittal letter or (ii) otherwise is exempt from backup withholding. Backup withholding will not apply to a Hall Kinion stockholder who completes and signs the substitute Form W-9 that is included as part of the transmittal letter, or who otherwise proves to Kforce and its exchange agent that it is exempt from backup withholding. A Hall Kinion stockholder who does not provide a correct taxpayer identification number may be subject to penalties imposed by the Internal Revenue Service. Backup withholding is not an additional tax and may be claimed as a credit against a Hall Kinion stockholder's federal income tax liability, provided that the required information is furnished to the Internal Revenue Service.

Reporting and Record Keeping

A Hall Kinion stockholder is required to retain records of the transaction, and to attach to the stockholder's federal income tax return for the year of the merger a statement setting forth all relevant facts with respect to the non-recognition of gain or loss in the exchange. At a minimum, the statement must include (i) the stockholder's tax basis in the Hall Kinion common stock surrendered and (ii) the fair market value, as of the time of the effective date of the merger, of the Kforce common stock received in the exchange therefor.

The preceding discussion does not purport to be a complete analysis of all potential tax consequences of the merger that may be relevant to a particular Hall Kinion stockholder. Holders of Hall Kinion common stock are urged to consult their own tax advisors regarding the specific tax consequences to them of the merger, including the applicability and effect of foreign, state, local and other tax laws.

Accounting Treatment

In accordance with United States generally accepted accounting principles, Kforce will account for the merger using the purchase method of accounting. Under this method of accounting, Kforce will record the market value of its common stock issued in connection with the merger and the amount of direct acquisition costs associated with the merger as the estimated purchase price of acquiring Hall Kinion. Kforce will allocate the estimated purchase price to certain of the net tangible and intangible assets acquired and liabilities assumed, based on their respective fair values at the date of the completion of the merger. Any excess of the estimated purchase price over those fair values will be accounted for as

goodwill.

Intangible assets, currently estimated at \$10.2 million, will generally be amortized over estimated useful lives of four years, resulting in an estimated accounting charge for amortization attributable to these items of approximately \$2.5 million on an annual basis. Goodwill resulting from the merger will not be amortized but instead will be tested for impairment at least annually (more frequently if certain indicators are present). The

Table of Contents

amount of the estimated purchase price allocated to goodwill, which is based on certain assumptions set forth in the pro forma condensed combined financial statements, is estimated to be between \$60.0 and \$70.0 million depending on the value of Kforce common stock on the date of the closing of the merger agreement. The final fair values of identified intangible assets and goodwill to be recorded from this transaction are dependent on the final management assumptions and conclusions based upon an independent valuation of certain of the acquired assets and may differ materially from our current estimates. If Kforce management should change the assumptions used in the allocation of the purchase price, amounts allocated to intangible assets with definite lives may increase significantly, which could result in a material increase in amortization of intangible assets. The amounts listed in this paragraph are only preliminary estimates. Actual amounts may differ significantly from these estimates.

Regulatory Clearances and Approvals

Kforce and Hall Kinion cannot complete the merger until they give notification and furnish information to the Federal Trade Commission and the Antitrust Division of the Department of Justice and observe a statutory waiting period requirement. Kforce and Hall Kinion filed the required notification and report forms with the Federal Trade Commission and the Antitrust Division on December 17, 2003. At any time before or after the effective time of the merger, and notwithstanding that the waiting period has terminated or the merger may have been consummated, the Federal Trade Commission, the Antitrust Division or any state could take such action under the applicable antitrust or competition laws as it deems necessary or desirable. This action could include seeking to enjoin the completion of the merger. Private parties may also institute legal actions under the antitrust laws under some circumstances.

No Appraisal Rights

Under Delaware law, no holder of Hall Kinion common stock will have any appraisal rights in connection with the merger.

Quotation on the Nasdaq National Market

It is a condition to the merger that the shares of Kforce common stock to be issued in the merger be approved for trading on the Nasdaq National Market subject to official notice of issuance.

Delisting and Deregistration of Hall Kinion Common Stock

If the merger is completed, Hall Kinion common stock will be delisted from the Nasdaq National Market and will be deregistered under the Securities Exchange Act of 1934, as amended.

Federal Securities Laws Consequences

Edgar Filing: KFORCE INC - Form S-4/A

The shares of Kforce common stock to be issued in the merger will be registered under the Securities Act of 1933, as amended. These shares will be freely transferable under the Securities Act, except for Kforce common stock issued to any person who is deemed to be an affiliate of Hall Kinion or Kforce. Persons who may be deemed to be affiliates include individuals or entities that control, are controlled by, or are under common control with Hall Kinion and include Hall Kinion's officers and directors, as well as its principal stockholders. Hall Kinion's affiliates may not sell their Kforce common stock acquired in the merger, except pursuant to:

an effective registration statement under the Securities Act covering the resale of those shares;

an exemption under paragraph (d) of Rule 145 under the Securities Act; or

any other applicable exemption under the Securities Act.

THE MERGER AGREEMENT

This section is a summary of the material terms and provisions of the merger agreement, as amended, a copy of which is attached as Annex A to this joint proxy statement/prospectus. The following description is not intended to be a complete description of all the terms of the merger agreement. You should refer to the full text of the merger agreement for details of the merger and the terms and conditions of the merger agreement. Kforce and Hall Kinion encourage you to carefully read the complete merger agreement for the precise legal terms of the merger agreement and other information that may be important to you. The merger agreement is hereby incorporated by reference into this joint proxy statement/prospectus.

The Merger

The merger agreement, as amended, provides that upon the closing, Novato Acquisition Corporation, referred to herein as Merger Sub, will be merged with and into Hall Kinion, with Hall Kinion as the surviving corporation. As a result of the merger, Hall Kinion will become a wholly-owned subsidiary of Kforce. The merger will become effective on the date of filing of a certificate of merger with the Secretary of State of the State of Delaware. This is referred to as the effective time of the merger. Following the merger, the certificate of incorporation and bylaws of Merger Sub will become the certificate of incorporation and bylaws of Hall Kinion, and the directors and officers of Merger Sub will become the directors and officers of Hall Kinion. In connection with the closing of the merger, certain members of Hall Kinion management will receive severance and other benefits which are described in detail under Interests of Certain Persons in the Merger Severance Arrangements .

The Exchange Ratio and Treatment of Securities

At the effective time of the merger:

Hall Kinion stockholders will receive, in exchange for shares of Hall Kinion common stock, an aggregate amount of fully paid and nonassessable shares of Kforce common stock based upon the exchange ratio;

The exchange ratio is dependent on the Kforce stock market value. The Kforce stock market value is the average of the per share closing prices of Kforce common stock on the Nasdaq National Market over the 15 consecutive trading days ending on and including the third trading day prior to the date of the merger. The exchange ratio shall be determined as follows:

- (1) if the Kforce stock market value is equal to or greater than \$7.09, but less than \$9.60, then the exchange ratio will be .60, which results in Hall Kinion stockholders receiving between \$54.6 million and \$74.4 million in Kforce common stock. The collar around the .60 exchange ratio represents a 15% increase and a 15% decrease in the \$8.34 closing price of Kforce common stock on December 1, 2003, the day immediately prior to the execution of the merger agreement;
- (2) if the Kforce stock market value is equal to or greater than \$9.60, then the exchange ratio shall equal \$5.75 divided by the Kforce stock market value, which results in Hall Kinion stockholders receiving no less than approximately \$74.4 million; or
- (3) if the Kforce stock market value is less than \$7.09, then the exchange ratio shall equal \$4.25 divided by the Kforce stock market value, which will result in Hall Kinion stockholders receiving no more than approximately \$54.6 million.

There may be some delay between the Hall Kinion stockholders vote to approve the merger and when the merger is actually completed, during which time the price of Kforce common stock could decline. As a result, Hall Kinion stockholders will not know with certainty at the time they vote the value of the shares of Kforce common stock they will receive in the merger.

Table of Contents

shares of Hall Kinion common stock held in the treasury of Hall Kinion or that are owned by Hall Kinion or Kforce will be canceled and no Kforce common stock or other consideration will be delivered in exchange for this cancellation;

each outstanding and fully vested option to purchase Hall Kinion common stock issued and outstanding immediately prior to the effective time with an exercise price less than (i) the Kforce stock market value multiplied by (ii) the exchange ratio automatically will be converted into the right to receive an aggregate amount of fully paid and nonassessable shares of Kforce common stock as if such option had been exercised on a net-exercise basis immediately prior to the effective time;

all other outstanding options to purchase Hall Kinion common stock will be automatically terminated as of the effective time;

each share of Merger Sub issued and outstanding immediately prior to the effective time will be converted into one share of the surviving corporation; and

the exchange ratio will be adjusted to provide for any reclassification, recapitalization, stock split, split up, stock dividend, combination, exchange of shares or any similar transaction with respect to, or rights issued in respect of, Hall Kinion common stock or Kforce common stock occurring before the merger.

Exchange of Certificates

Promptly after the effective time of the merger, Kforce's exchange agent will mail to each stockholder of record of Hall Kinion a letter of transmittal containing instructions for the surrender of certificates representing Hall Kinion common stock in exchange for certificates representing Kforce common stock.

Holders of Hall Kinion common stock should not send in their certificates until they receive a letter of transmittal from the exchange agent.

If any Hall Kinion stock certificate is lost, stolen or destroyed, a Hall Kinion stockholder must provide an appropriate affidavit of that fact. Kforce may require a Hall Kinion stockholder to deliver a bond as indemnity against any claim that may be made against Kforce with respect to any lost, stolen or destroyed certificate.

Kforce will not issue any fractional shares in the merger. Instead of issuing fractional shares of Kforce common stock, the holders of shares of Hall Kinion common stock who would otherwise have been entitled to a fraction of a share of Kforce common stock pursuant to the merger agreement will receive cash in an amount equal to the product of the fractional interest of Kforce common stock the Hall Kinion stockholder would have been entitled to receive multiplied by the Kforce stock market value. No interest will be paid or accrued on cash in lieu of fractional shares, if any. Hall Kinion and Kforce currently estimate that not more than \$1,000 in the aggregate will likely be paid to holders of Hall Kinion common stock in lieu of fractional shares.

If, after twelve months from the effective time of the merger, a holder of shares of Hall Kinion common stock has not surrendered the stock certificates representing such shares to the exchange agent, then the holder of stock certificates representing Hall Kinion common stock may look only to Kforce to receive its shares of Kforce common stock, cash in lieu of fractional shares and any unpaid dividends and distributions on shares of Kforce common stock.

None of Kforce, Merger Sub, Hall Kinion or the exchange agent will be liable to any holder of a certificate formerly representing shares of Hall Kinion common stock for Kforce common stock, cash in lieu of fractional shares or any unpaid dividends and distributions properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

Transfer of Shares

The stock transfer books of Hall Kinion will be closed immediately upon the effective time and no transfers of shares of Hall Kinion common stock will be made or recorded on the stock transfer books after the effective time of the merger.

These restrictions are designed to prevent major changes in Hall Kinion until the merger takes place, except to the extent set forth in the merger agreement or consented to by Kforce. In general, Hall Kinion has agreed that it and each of its subsidiaries will:

conduct its operations in the ordinary course consistent with past practices; and

use its reasonable efforts to: (i) keep available the services of its current officers and other employees; and (ii) preserve its relationship with customers, suppliers, employees and others having business dealings with it.

Interests of Hall Kinion Directors and Officers

In considering the recommendation of the Hall Kinion board of directors to vote in favor of approval of the merger and adoption of the merger agreement, you should be aware that certain directors and officers of Hall Kinion have pre-existing arrangements that may result in the realization of interests in the merger that are different from, or in addition to, the interests of Hall Kinion stockholders generally, including the following:

because the merger will result in a sale and change of control of Hall Kinion, certain stock options held by Hall Kinion's directors and officers will accelerate and immediately vest upon a change of control;

under existing Hall Kinion employment and similar agreements, certain severance payments will be triggered as a result of the merger;

in the case of Brenda C. Rhodes, the acceleration of certain payments of compensation otherwise owed to her; and

in the case of Ms. Rhodes and Rita S. Hazell, the acceleration of the forgiveness of certain indebtedness owed to Hall Kinion.

In addition, the following arrangements have been entered into in connection with the merger:

Kforce has agreed to cause the surviving corporation in the merger to indemnify each present and former Hall Kinion officer and director against liabilities arising out of such person's services as an officer or director of Hall Kinion prior to the merger to the same extent as is currently available under Hall Kinion's certificate of incorporation and bylaws; and

Kforce will cause the surviving corporation to maintain officers' and directors' liability insurance to cover any such liabilities for six years following the merger.

These interests are described below, to the extent that they are material. The Hall Kinion board of directors was aware of, and considered, the interests of themselves and Hall Kinion's executive officers in approving the merger and adopting the merger agreement.

Hall Kinion Stock Ownership. As of December 2, 2003, the directors and executive officers of Hall Kinion collectively beneficially owned approximately 3,807,142 shares of Hall Kinion common stock. These officers and directors may be deemed to have beneficial ownership either by themselves or with others.

Severance. Each of Brenda C. Rhodes, Martin A. Kropelnicki, Rita S. Hazell and David Healey have employment agreements with Hall Kinion. Such employment agreements provide for severance benefits in the event that the individual's employment is terminated after a change of control of Hall Kinion. Upon the consummation of the merger, Rita S. Hazell's and Brenda C. Rhodes' employment with Hall Kinion will be terminated, and following the merger, Martin A. Kropelnicki and David Healey will continue to be employed by Hall Kinion for a period not expected to extend beyond June 30, 2004.

Edgar Filing: KFORCE INC - Form S-4/A

Ms. Rhodes will receive a cash payment of \$2.1 million upon the closing of the merger. Of this amount, \$1.05 million would otherwise have been payable to her in March 2006 (subject to her compliance with certain conditions), and was carried as a liability on Hall Kinion's balance sheet. In addition, forgiveness of approximately \$302,000 principal and interest on a note owed by Ms. Rhodes will be accelerated to the closing. The principal and interest would have otherwise been forgiven during 2004 with the last portion being forgiven on January 1, 2005. Vesting of outstanding in-the-money options covering an aggregate of 100,320 shares of Hall Kinion common stock will be accelerated at the closing. So long as Ms. Rhodes complies with certain non-solicitation and non-compete covenants, she will be entitled to lifetime medical and other insurance coverage for her and her family, use of her office and administrative staff for the remainder of the five-year term of the lease, and a payment of \$50,000 for unused vacation, sick leave and outplacement. In addition, Ms. Rhodes will receive title to her leased automobile.

Kforce's articles of incorporation and bylaws provide that the number of directors cannot be less than one or more than 12. Kforce currently has 10 directors. Any vacancies resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors may be filled solely by a majority vote of the remaining directors in office or, if not filled by the directors, by the shareholders of Kforce, for the remainder of the full term of the class in which the vacancy occurred or the new directorship was created. Any vacancies on Hall Kinion's board of directors shall be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of Hall Kinion's board of directors, and not by the stockholders. Hall Kinion's bylaws provide that a director or the entire board of directors may be removed, with or without cause, by the holders of a majority of the shares entitled to vote at an election of directors.

data, in each case prepared or presented by (1) one or more officers or employees of Kforce whom the director, officer, employee, or agent reasonably believes to be reliable and competent in the matters presented, (2) counsel, public accountants, or other persons as to matters that the director, officer, employee, or agent believes to be within that person's professional or expert competence, or (3) in the case of a director, a committee of the board of directors upon which he does not serve, duly designated according to law, as to matters within its designated authority, if the director reasonably believes

Kforce's Bylaws also provide that Kforce may, upon approval by a majority of Kforce's board of directors, purchase insurance on behalf of one or more of its directors. Expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding shall be paid by the Hall Kinion in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by such indemnified party to repay such amount if it is ultimately determined that such indemnified party was not entitled to indemnification.

FINANCIAL STATEMENTS

The following unaudited pro forma condensed combined financial statements of Kforce give effect to the merger of Kforce and Hall Kinion using the purchase method of accounting and to Hall Kinion's acquisition of OnStaff as if the merger of Kforce and Hall Kinion and Hall Kinion's acquisition of OnStaff had been completed as of January 1, 2002 for statement of operations purposes and as of September 30, 2003 for balance sheet purposes.

We present the unaudited pro forma condensed combined financial statements for illustrative purposes only, and they are not necessarily indicative of our financial position or results of operations that would have actually been reported had the merger occurred as of the dates indicated, nor are they necessarily indicative of our financial position or results of operations on a combined basis in the future.

The unaudited pro forma condensed combined financial statements are based upon a preliminary purchase price and include adjustments, which are based upon preliminary estimates, to reflect the allocation of the purchase price to the assets acquired and liabilities assumed of Hall Kinion before any integration adjustments. The adjustments, which include adjustments related to the merger of Kforce and Hall Kinion and Hall Kinion's acquisition of OnStaff, are described in the accompanying Notes to Unaudited Pro Forma Condensed Combined Financial Statements. The final allocation of the purchase price will be determined after the completion of the merger and will be based upon an independent valuation of the fair values of certain assets acquired and liabilities assumed. Actual adjustments may differ materially based upon the final allocation of the purchase price and the results of an independent valuation.

These unaudited pro forma condensed combined financial statements are based upon the historical financial statements of Kforce and Hall Kinion and should be read in conjunction with the historical financial information contained in the reports Kforce and Hall Kinion have on file with the Securities and Exchange Commission.

Table of Contents**NOTES TO UNAUDITED PRO FORMA CONDENSED****COMBINED FINANCIAL STATEMENTS****(IN THOUSANDS, EXCEPT PER SHARE DATA)**

- (1) The unaudited pro forma condensed combined financial statements reflect the issuance of 7,758 shares of Kforce common stock with a value of \$64,702 for all of the outstanding 12,930 shares of Hall Kinion common stock in connection with the merger. The number of Kforce shares issued was determined based upon the exchange ratio of .60 shares of Kforce common stock for each share of Hall Kinion common stock and was based on the per share closing price of \$8.34 for Kforce common stock as of December 1, 2003 and assumes the conversion of all vested in-the-money options to purchase shares of Hall Kinion common stock into shares of Kforce common stock under the merger agreement.

The following table summarizes the estimated purchase price based upon the Hall Kinion September 28, 2003 balance sheet as adjusted for those items discussed in the following footnotes and assuming a range of share prices and the resulting exchange ratios that could result. Kforce will obtain third party valuations for certain assets; accordingly, certain price allocations are subject to refinement:

The following table presents a number of shares issued and pro forma basic net income (loss) combined per share for selected exchange ratios.

Edgar Filing: KFORCE INC - Form S-4/A

- (2) Kforce expects to incur aggregate transaction costs of approximately \$16,200 associated with the merger. The unaudited pro forma condensed combined balance sheet as of September 30, 2003 has been adjusted to reflect these costs, which are driven primarily by personnel severance and related costs, D&O insurance premiums for Hall Kinion directors and officers, investment banking and transaction fees and debt, lease and other contract cancellation costs. These estimated costs are not reflected in the unaudited pro forma

Table of Contents

NOTES TO UNAUDITED PRO FORMA CONDENSED

COMBINED FINANCIAL STATEMENTS (Continued)

condensed combined statements of operations. These costs are preliminary estimates and are subject to change.

- (3) We do not expect to assign any value to the \$14,030 of Hall Kinion deferred tax assets in the allocation of the purchase price. Factors considered in this determination included Hall Kinion's pretax losses in 2001 and 2002, an anticipated pretax loss in 2003, the decline in OnStaff revenues in the quarter ended December 28, 2003, the limits on the time periods in which the losses could be used for some state net operating loss carryforwards (NOLs), the post-merger annual limitation on the use of Hall Kinion's federal NOLs, and the expected post-merger loss of certain state NOLs. Additionally, Kforce's deferred tax assets are fully reserved and while it is Kforce's belief that the proposed merger will be accretive to earnings, we do not believe that, at this time a conclusion that it is more likely than not that the utilization of the combined deferred tax assets of Kforce and Hall Kinion is supportable. Kforce also assumes that identifiable intangibles related to the acquisition of Hall Kinion will include primarily customer lists and trademarks and will total approximately \$10,200. This estimate of identifiable intangibles considers customers that are not common to both Hall Kinion and Kforce and the intended use of the Hall Kinion and OnStaff trademarks and intellectual property. Any difference between the value assigned to identifiable intangibles in this analysis and what is currently reflected on the balance sheet of Hall Kinion is a result of a difference in Kforce's intended use of these identifiable intangibles as compared to Hall Kinion's current use of these identifiable intangibles.
- (4) Represents the elimination of Hall Kinion deficit and accumulated other comprehensive loss.
- (5) Assumes a \$1,823 write-off of leasehold improvements, furniture, fixtures and equipment related to the operating lease terminations for Hall Kinion offices and the write-off of capitalized software of approximately \$1,500.
- (6) Assumes utilization of cash on hand for the closing costs of the combined companies and the reduction of Hall Kinion long-term debt. Closing costs primarily include personnel severance and related costs, investment banking and transaction fees, D&O insurance premiums for Hall Kinion directors and officers, and loan breakage fee on the Hall Kinion debt.
- (7) Represents the amount of the unamortized loan fees on Hall Kinion's existing credit facility that will be written-off at acquisition. It is expected that the credit facility will be terminated at closing.
- (8) Assumes the write-off of Hall Kinion executive loan receivable of \$400 for Brenda Rhodes, CEO, as a result of the acceleration of debt forgiveness under her employment agreement, which otherwise would have been forgiven in January 2005.
- (9) Kforce reports financial information based on a December 31 year end. Hall Kinion reports financial information on a fiscal 52/53 week year end. This difference is considered to be immaterial to the condensed combined financial statements.
- (10) Assumes the accrual of Hall Kinion earn-out liability of \$4,083 for 2003 related to the acquisition of OnStaff. The contingency relating to the payout of the OnStaff earn-out for 2003 was resolved on November 21, 2003; The Company expects to record personnel severance and related costs that Kforce will be contractually obligated to pay subsequent to closing; Hall Kinion's operating lease obligations for office space that is expected to remain vacant for the remainder of the lease terms as a result of office consolidations; and (4) termination costs for certain Hall Kinion contracts.
- (11) Represents the acceleration of the payment of a long-term accrued liability of \$1,050 to Brenda Rhodes.

Edgar Filing: KFORCE INC - Form S-4/A

- (12) Represents the difference between the Kforce and the Hall Kinion amortization of intangibles. Kforce has assumed an estimated life of four years, or \$2,500, amortization expense per year. The actual amount of amortization could be different upon the completion of the allocation of the excess purchase price when the final purchase price is known. The increase in amortization expense for acquired intangible assets is partially offset by reductions in Hall Kinion amortizable intangible assets which will be written off.

F-7

Table of Contents

NOTES TO UNAUDITED PRO FORMA CONDENSED

COMBINED FINANCIAL STATEMENTS (Continued)

Amortization related to those assets was \$658 and \$365 for the nine months ended September 28, 2003 and the year ended December 29, 2002, respectively. Depreciation and amortization is also adjusted for the estimated write-down of leasehold improvements, furniture, fixtures and equipment related to the operating lease terminations for Hall Kinion offices and the write-off of capitalized software of \$938 and \$1,201 for the nine months ended September 28, 2003 and the year ended December 29, 2002, respectively.

- (13) Adjustment reflects the change in interest expense due to the payoff of Hall Kinion debt of \$10,904 and the net increase in Kforce debt of \$5,397. Interest expense for 2002 for Hall Kinion was \$180 representing a 4.55% effective rate on average debt of \$9,419 from August 2002 to December 2002. Based on the Kforce Credit Facility interest rate of 4.61% and an average debt balance of \$6,612, interest expense for the same period would have been \$129. Interest expense for 2003 for Hall Kinion was \$393 representing a 4.56% rate on an average debt balance of \$10,432 from January 2003 to September 2003. Based on the Kforce Credit Facility interest rate of 3.05% and an average debt balance of \$6,862, interest expense for the same period would have been \$177. This adjustment also includes OnStaff interest expense of \$23 offset by other income of \$42 for the period of January to July 2002.
- (14) Hall Kinion acquired OnStaff on August 9, 2002. The Hall Kinion December 29, 2002 results are inclusive of OnStaff from August 1, 2002 through December 29, 2002. The pro forma adjustments reflect the OnStaff results from January 1, 2002 through July 31, 2002.

ARTICLE 1

THE MERGER

Section 1.1. *The Merger.* At the Effective Time and upon the terms and subject to the conditions of this Agreement and in accordance with the Delaware General Corporation Law (the DGCL), Acquisition shall be merged with and into the Company (the Merger). Following the Merger, the Company shall continue as the surviving corporation (the Surviving Corporation), and the separate corporate existence of Acquisition shall cease.

Section 1.2. *Effective Time.* Upon the terms and subject to the conditions set forth in this Agreement, on the Closing Date, a Certificate of Merger substantially in the form of Exhibit C (the Certificate of Merger) shall be duly executed and acknowledged by the Company and thereafter delivered to the Secretary of State of the State of Delaware for filing pursuant to Section 251 of the DGCL. The Merger shall become effective at such time as a properly executed copy of the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware

Edgar Filing: KFORCE INC - Form S-4/A

in accordance with Section 251 of the DGCL or such later time as Parent and the Company may agree upon and as set forth in the Certificate of Merger (the time the Merger becomes effective being referred to herein as the Effective Time).

Section 1.3. *Closing of the Merger.* The closing of the Merger (the Closing) will take place at a time and on a date (the Closing Date) to be specified by the parties, which shall be no later than the second business day after satisfaction (or waiver) of the latest to occur of the conditions set forth in Article 5 except for such conditions which may only be satisfied by delivery of documents or certificates at the Closing, at the offices of Holland & Knight LLP, 100 North Tampa Street, Suite 4100, Tampa, Florida 33602, unless another time, date or place is agreed to in writing by the parties hereto.

Section 1.4. *Effects of the Merger.* The Merger shall have the effects set forth in the DGCL. Without limiting the generality of the foregoing and subject thereto, at the Effective Time, all the properties, rights, privileges, powers and franchises of the Company and Acquisition shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and Acquisition shall become the debts, liabilities and duties of the Surviving Corporation.

Section 1.5. *Certificate of Incorporation and Bylaws.* The Certificate of Incorporation of the Surviving Corporation shall be amended to read the same as the Certificate of Incorporation of Acquisition in effect at the Effective Time, and shall be the Certificate of Incorporation of the Surviving Corporation until amended in accordance with Applicable Law; provided, however, that at the Effective Time, Article I of the Certificate of Incorporation of the Surviving Corporation shall be amended and restated in its entirety to read as follows: The name of this corporation is Hall, Kinion & Associates, Inc. The bylaws of the Surviving Corporation shall be amended as necessary to read the same as the bylaws of Acquisition in effect at the Effective Time until amended in accordance with Applicable Law.

Section 1.6. *Directors.* The directors of Acquisition at the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and bylaws of the Surviving Corporation until such director's successor is duly elected or appointed and qualified.

Section 1.7. *Officers.* The officers of Acquisition at the Effective Time shall be the initial officers of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and bylaws of the Surviving Corporation until such officer's successor is duly elected or appointed and qualified.

Section 1.8. *Conversion of Shares.*

(a) At the Effective Time, each share of common stock, par value \$0.001 per share, of the Company (each a Share and, collectively, the Shares) issued and outstanding immediately prior to the Effective Time (other than (i) Shares held in the Company's treasury and (ii) Shares held by Parent or Acquisition) shall, by virtue of the Merger and without any action on the part of Acquisition, the Company or the holder thereof, be converted into and shall become a number of fully paid and nonassessable shares of common stock, par value \$.01 per share, of Parent (Parent Common Stock) equal to the Exchange Ratio (the Merger Consideration). Notwithstanding the foregoing, if, between the date of this Agreement and the Effective Time, the outstanding shares of Parent Common Stock or the Shares shall have been changed into a different number of shares or a different class by reason of any stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares, then the Exchange Ratio shall be correspondingly adjusted to reflect such stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares.

(b) The Exchange Ratio shall be calculated as follows: (i) if the average of the closing prices per share of Parent Common Stock as reported on the Nasdaq National Market for the 15 consecutive trading days ending on and including the third trading day preceding the Closing Date (the Market Trading Price) is equal to or greater than \$7.09 but less than \$9.60, the Exchange Ratio shall equal .60; (ii) if the Market Trading Price is equal to or greater than \$9.60, the Exchange Ratio shall be calculated by dividing \$5.75 by the Market Trading Price, rounded to the third decimal place; or (iii) if the Market Trading Price is less than \$7.09, the Exchange Ratio shall be calculated by dividing \$4.25 by the Market Trading Price, rounded to the third decimal place.

(c) At the Effective Time, each outstanding share of the common stock, \$0.01 par value per share, of Acquisition shall be converted into one share of common stock, \$0.01 per share, of the Surviving Corporation.

(d) At the Effective Time, each Share held in the treasury of the Company and each Share held by Parent or Acquisition or any subsidiary of Parent, Acquisition or the Company immediately prior to the Effective Time shall, by virtue of the Merger and without any action on the part of Acquisition, the Company or the holder thereof, be canceled, retired and cease to exist, and no shares of Parent Common Stock shall be delivered with respect thereto.

Section 1.9. *Exchange of Certificates.*

(a) Promptly following the Effective Time, as required by subsections (b) and (c) below, Parent shall deliver to its transfer agent, or a depository or trust institution of recognized standing selected by Parent and reasonably satisfactory to the Company (the Exchange Agent) for the benefit of the holders of Shares for exchange in accordance with this Article 1: (i) certificates representing the appropriate number of shares of Parent Common Stock issuable pursuant to Section 1.8 and (ii) cash to be paid in lieu of fractional shares of Parent Common Stock (such shares of Parent Common Stock and such cash are hereinafter referred to as the Exchange Fund), in exchange for outstanding Shares.

(b) Parent shall use commercially reasonable efforts to cause the Exchange Agent, promptly after the Effective Time (and in no event later than ten (10) business days following the Effective Time), to mail to each holder of record of a certificate or certificates that immediately prior to the Effective Time represented outstanding Shares (the Certificates) and whose Shares were converted into the right to receive shares of Parent Common Stock pursuant to Section 1.8: (i) a letter of transmittal (which shall specify that delivery shall be effected and risk of loss and title to the Certificates shall pass only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other customary provisions as Parent and the Company may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for certificates representing shares of Parent Common Stock. Upon surrender of a Certificate for cancellation to the Exchange Agent, together with such letter of transmittal duly executed, the holder of such Certificate shall be entitled to receive in exchange therefor a certificate representing that number of whole shares of Parent Common Stock and, if applicable, a check representing the cash consideration to which such holder may be entitled on account of a fractional share of Parent Common Stock that such holder has the right to receive pursuant to the provisions of this Article 1, and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Shares that is not registered in the transfer records of the Company, a certificate representing the proper number of shares of Parent Common Stock may be issued to a transferee if the Certificate representing such Shares is presented to the Exchange Agent accompanied by all documents required to evidence and effect such transfer and by evidence that any applicable stock transfer taxes have been paid. Until surrendered as contemplated by this Section 1.9, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the certificate representing shares of Parent Common Stock and cash in lieu of any fractional shares of Parent Common Stock as contemplated by this Section 1.9.

(c) No dividends or other distributions declared or made after the Effective Time with respect to Parent Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of Parent Common Stock represented thereby, and no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to Section 1.9(f), until the holder of record of such Certificate shall surrender such Certificate. Subject to the effect of Applicable Law, following surrender of any such Certificate there shall be paid to the record holder of the certificates representing whole shares of Parent Common Stock issued in exchange therefor without interest (i) the amount of any cash payable in lieu of a fractional share of Parent Common Stock to which such holder is entitled pursuant to Section 1.9(f) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such number of whole shares of Parent Common Stock and (ii) at the appropriate payment date the amount of dividends or other distributions with a record date after the Effective Time but prior to surrender and a payment date subsequent to surrender payable with respect to such whole shares of Parent Common Stock.

(d) If any Certificate for Shares shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange therefor upon the making of an affidavit of that fact by the holder thereof such shares of Parent Common Stock and cash in lieu of fractional shares, if any, as may be required pursuant to this Agreement; provided, however, that Parent or the Exchange Agent may, in its discretion, require the delivery of a bond or indemnity reasonably satisfactory to Parent and the Exchange Agent.

Table of Contents

(e) All shares of Parent Common Stock issued upon the surrender for exchange of Shares in accordance with the terms hereof (including any cash paid pursuant to Section 1.9(c) or 1.9(f)) shall be deemed to have been issued in full satisfaction of all rights pertaining to such Shares and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the Shares that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article 1.

(f) No fractions of a share of Parent Common Stock shall be issued in the Merger, but in lieu thereof each holder of Shares otherwise entitled to a fraction of a share of Parent Common Stock shall upon surrender of his or her Certificate or Certificates be entitled to receive an amount of cash (without interest) determined by multiplying the average of the closing sale prices for one share of Parent Common Stock as reported on the Nasdaq National Market for the fifteen (15) consecutive trading days ending on and including the third trading day preceding the Closing Date by the fractional share interest to which such holder would otherwise be entitled (after aggregating all shares owned by such holder). The parties acknowledge that payment of the cash consideration in lieu of issuing fractional shares was not separately bargained for consideration, but merely represents a mechanical rounding off for purposes of simplifying the corporate and accounting complexities that would otherwise be caused by the issuance of fractional shares.

(g) Any portion of the Exchange Fund that remains undistributed to the stockholders of the Company upon the one year anniversary of the Effective Time shall be delivered to Parent upon demand, and any stockholders of the Company who have not theretofore complied with this Article 1 shall thereafter look only to Parent for payment of their claim for Parent Common Stock and cash in lieu of fractional shares, as the case may be, and any applicable dividends or distributions with respect to Parent Common Stock.

(h) Neither Parent nor the Company shall be liable to any holder of Shares for shares of Parent Common Stock (or dividends or distributions with respect thereto) or cash from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Applicable Law.

Section 1.10. *Stock Options.*

(a) Except as described in Section 1.10 of the Company Disclosure Schedule, at the Effective Time, each option, warrant or other right to purchase Shares (a *Company Stock Option* or collectively, *Company Stock Options*) issued pursuant to the Company's 1997 Stock Option Plan, IT Professional Stock Option Plan, 2000 Stock Option Plan or other agreement or arrangement, that is outstanding, unexercised and fully vested immediately prior thereto (taking into account any acceleration in the vesting or exercisability of a *Company Stock Option* by reason of this Agreement or the Merger or the transactions or matters contemplated by this Agreement), and has an exercise price less than (i) the Market Trading Price multiplied by (ii) the Exchange Ratio (the *Company Share Price*), shall cease to represent a right to acquire Shares and automatically shall be converted without any action on the part of any holder of any *Company Stock Option*, at the Effective Time, into the right to receive an aggregate amount of fully paid and nonassessable shares of Parent Common Stock equal to (i) the difference between (A) the *Company Share Price* minus (B) the option exercise price multiplied by (ii) the number of option shares divided by (iii) the Market Trading Price. All plans or agreements described above pursuant to which any *Company Stock Option* has been issued or may be issued other than agreements to issue outstanding warrants or rights are referred to collectively as the *Company Plans*.

(b) At the Effective Time, each *Company Stock Option* that is outstanding and unexercised immediately prior to the Effective Time, whether vested or unvested, and has an exercise price greater than or equal to the *Company Share Price*, shall be automatically terminated as of the Effective Time.

Edgar Filing: KFORCE INC - Form S-4/A

(c) At the Effective Time, each Company Stock Option that is outstanding, unexercised and unvested and has an exercise price less than the Company Share Price shall be automatically terminated as of the Effective Time.

Section 1.11. *Withholding Rights.* Notwithstanding anything herein to the contrary, each of the Company, the Surviving Corporation and Parent shall be entitled to deduct and withhold from the consideration otherwise payable to any person pursuant to this Article 1 such amounts as it is required to deduct and withhold with respect to the making of such payment under any provision of federal, state, local or foreign tax law. To the extent that amounts are so withheld by the Company, the Surviving Corporation or Parent, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of Shares in respect of which such deduction and withholding was made by the Company, the Surviving Corporation or Parent, as the case may be.

ARTICLE 2

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company hereby represents and warrants to each of Parent and Acquisition, subject to such exceptions as are disclosed in the Disclosure Schedule (the Company Disclosure Schedule) delivered by the Company simultaneously with the execution hereof (which Company Disclosure Schedule shall provide an exception to or otherwise qualify the representations and warranties of the Company contained in the section of this Agreement corresponding by number to such disclosure and the other representations and warranties herein to the extent such disclosure is readily apparent on its face to be applicable to such representations and warranties specifically identify the specific Section or subsection, as applicable, to which each such exception relates), as follows:

(c) Section 2.1(c) of the Company Disclosure Schedule sets forth a true and complete list, as of the date hereof, of each equity investment (including obligations that are convertible into equity securities) made by the Company or any Subsidiary in any person (including the percentage ownership as of the most recent practicable date for which the Company or such Subsidiary has capitalization information for such entity and any

Section 2.15. *Intellectual Property.*

(a) Section 2.15(a) of the Company Disclosure Schedule accurately identifies all Company Registered IP and all material unregistered trademarks and other Intellectual Property currently used and owned by the Company or any Subsidiary. No person has an ownership interest in any Intellectual Property owned by the Company that would entitle them to exploit the Intellectual Property without the Company's consent.

(b) Shrinkwrap Software means off-the-shelf computer software applications, other than Company Owned IP, that are generally available to all interested purchasers and licensees on standard terms and conditions. No Company Licensed IP (A) is provided to customers in connection with products or services of the Company; or (B) is sublicensed to customers by the Company. Section 2.15(b) of the Company Disclosure Schedule accurately identifies the license or other agreement or understanding pursuant to which any Company Licensed IP that is material to the Company's business and is not Shrinkwrap Software is being licensed to or used by the Company or any Subsidiary (each, a License-In Agreement); and sets forth a complete and accurate list of the amount of any remaining unused prepaid royalty advanced by the Company or any Subsidiary and identifies those License-In Agreements under which any royalty or license fee (excluding fees for maintenance and support) will become payable by the Company or such Subsidiary, as applicable, thereunder by reason of the passage of time or the use or exploitation of the Intellectual Property licensed thereunder. The rights licensed under each License-In Agreement shall be exercisable by the Surviving Corporation on and after the Closing to the same extent as such rights would have been exercisable by the Company or such Subsidiary, as

incurred if the Closing had not occurred, and no party granting such rights has given formal written notice to the Company or, to the Company's knowledge, threatened that it intends to terminate such License-In Agreement prior to the expiration thereof in accordance with its terms.

(c) The Company or one of its Subsidiaries has good and valid title to all of the Company Owned IP, including without limitation all Company Registered IP identified in Section 2.15(a) of the Company Disclosure Schedule, free and clear of any Liens (subject to any non-exclusive licenses granted by the Company or such Subsidiary in the ordinary course of business), and, to the Company's knowledge, (i) the Company Registered IP is valid and (ii) the Company has the right to enforce the Company Owned IP against third parties. Neither the Company nor any Subsidiary is obligated to make any payment to any person in connection with the manufacture, use, sale, importation, distribution, display, modification or other exploitation of any Company Owned IP or, except as set forth on Section 2.15(c) of the Company Disclosure Schedule, any other Intellectual Property currently used by the Company other than Shrinkwrap Software (excluding any fees for maintenance and support). The Company or any Subsidiary, as applicable, is free to make, use, modify, copy, distribute, sell, license, import, export and otherwise exploit all Company Owned IP on an exclusive basis subject to any nonexclusive (x) end-user licenses granted to customers or (y) nondisclosure or confidentiality agreements pursuant to which any person has been granted access to Company Owned IP but not the right to exploit such Company Owned IP. No current or former employee, officer, director, stockholder, consultant or independent contractor has any valid right, claim or interest in or with respect to any Company IP which would impair or which would give rise to the impairment of the Company's use, distribution, license or other exploitation of the Company IP.

Neither the Company nor any Subsidiary has disclosed or delivered or permitted to be disclosed or delivered to any person, and no person (other than employees or consultants of the Company and its Subsidiaries which need such information in the course of their employment) has access to or has any rights with respect to, trade secrets and other confidential information material to the Company's business, the source code or any portion or aspect of the source code material to the Company's business, or any proprietary information or algorithm contained in any source code of any software material to the Company's business that comprises Company Owned IP, other than (i) instances where such trade secrets, confidential information and source code has been disclosed subject to an agreement with any person pursuant to which such person is required to maintain the confidentiality thereof, or (ii) other circumstances in which disclosure was made and the Company promptly acted to mitigate and prevent any further disclosure. The Company has the right to bring actions for infringement or unauthorized use of the Company Owned IP.

(e) (i) None of the Company Owned IP or any of the Company's products or services or the Intellectual Property used by the Company in its operations, in each case which is not Company Licensed IP or Shrinkwrap Software, infringe, misappropriate, violate, dilute or constitute the unauthorized use of any Intellectual Property of any third party and neither the Company nor any Subsidiary has received any written notice or claim in the past three (3) years asserting or suggesting that any such infringement, misappropriation, violation, dilution or unauthorized use is or may be occurring or has or may have occurred, that would be material to the business and operations of the Company. No Proceeding in which the Company is a named party and has been served or has received notice of, is pending or, to the Company's knowledge, threatened, nor is there any pending claim or demand, which challenges the ownership, legality, validity, enforceability, use, exploitation or modification by the Company or any Subsidiary of such Company Owned IP or other Intellectual Property licensed to the Company under any License-In Agreement, and the Company has received no written notice of any of the foregoing in the past (3) years. No Company Owned IP is subject to any outstanding order, judgment, decree, or stipulation restricting the use thereof by the Company or any Subsidiary or, in the case of any Intellectual Property licensed to others, restricting the sale, transfer, assignment or licensing thereof by the Company or such Subsidiary to any person.

(iii) The Company has the right to grant the licenses it grants in the course of its business.

(iv) To the Company's knowledge, the Company has the right to use the Intellectual Property used by it in the conduct its business as it is currently conducted.

(f) To the Company's knowledge, no person is infringing or misappropriating any Company Owned IP or making any unlawful use of any products of the Company. Neither the Company nor any Subsidiary has initiated and is maintaining before a court or in an arbitration proceeding claims or causes of action against other persons for infringement by such persons of Company Owned IP (including claims for past infringement of Intellectual Property). The transactions contemplated by this Agreement to be consummated at the Closing will have no material adverse effect on the validity or enforceability of the Company IP.

Section 2.16. *Insurance.* Each of the insurance policies maintained by the Company and each Subsidiary (the *Insurance Policies*) is in full force and effect and is valid, outstanding and enforceable, and all premiums due thereon have been paid in full, or if not yet due and payable, reserved by the Company on its unaudited balance sheet as of September 28, 2003 in accordance with United States generally accepted accounting principles and is listed on Schedule 2.16 of the Company Disclosure Schedule. True and complete copies of all Insurance Policies have been delivered or made available to Parent. Each of the Company and each Subsidiary has complied in all material respects with the provisions of each Insurance Policy under which it is the insured party. True, correct and complete copies of all Lease Documents have been delivered or made available to Parent or Parent's counsel. All such current leases and subleases are in full force and effect, are valid and effective in accordance with their respective terms, and there is not, under any of such leases, any existing material default or event of default (or event which, with notice or lapse of time, or both, would constitute a default) by the Company or any Subsidiary or by the other party to such lease or sublease, or person in the chain of title to such leased premises.

(b) Each of the Company and Subsidiaries has good and valid title to, or, in the case of leased properties and assets, valid leasehold or subleasehold interests in, all of its properties and assets, tangible and intangible, real, personal and mixed, used or held for use in its business, free and clear of any Liens, except for such imperfections of title, if any, that do not materially impair the present value or use of the subject property. For purposes of this Section 2.17 only, the terms *property* and *assets* do not include Intellectual Property.

The Intellectual Property owned by Parent (or one of its subsidiaries) and used in any material respect in Parent's businesses as currently conducted, do not infringe upon, violate or constitute the unauthorized use of any valid and enforceable rights owned or controlled by any third party, including any Intellectual Property of any third party. To Parent's knowledge, the Intellectual Property it has licensed from third parties, and used in any material respect in Parent's businesses as currently conducted, does not infringe upon, violate or constitute the unauthorized use of any valid and enforceable rights owned or controlled by any other third party.

Each of Parent and the Company shall use commercially reasonable efforts to have the Joint Proxy Statement/Prospectus declared effective under the Securities Act as promptly as practicable after such filing and to keep the S-4 effective as long as is necessary to consummate the Merger and the transactions contemplated hereby. Each of Parent and the Company shall, as promptly as practicable after receipt thereof, provide the other party with copies of any written comments and advise each other of any oral comments with respect to the Joint Proxy Statement/Prospectus or S-4 received from the SEC. (c) Parent shall duly take all lawful action to call, give notice of, convene and hold the Parent Shareholders Meeting as soon as practicable on a date determined in accordance with the mutual agreement of Parent and the Company for the purpose of obtaining the Parent Shareholder Approval and, except as set forth in this Section 4.2(c), shall use commercially reasonable efforts to solicit the Parent Shareholder Approval. (a) The Company, its Subsidiaries and other affiliates and their respective officers, directors, representatives (including the Company Financial Advisor or any other investment banker and any attorneys and accountants) shall, and the Company shall use all reasonable efforts to cause its and its Subsidiaries and other affiliates' respective non-officer employees with managerial responsibilities and agents to, immediately cease any discussions or negotiations with any parties with respect to any Third Party Acquisition Proposal. Neither the Company nor any Subsidiary or other affiliates shall, nor shall the Company authorize or permit any of its or their respective officers, directors or representatives to, and the Company shall use all reasonable efforts to cause its and its Subsidiaries and other affiliates' respective non-officer employees with managerial responsibilities and agents not to, directly or indirectly, (i) encourage, solicit, initiate or knowingly facilitate the submission of any proposal for a Third Party Acquisition Proposal, (ii) participate in or initiate any discussions or negotiations regarding, or

Notwithstanding the foregoing, if the Company Board by a majority vote determines in its good faith judgment prior to the Company Stockholders Meeting, after consultation with outside legal counsel, that it is required to make a Change in the Company Recommendation in order to comply with its fiduciary duties, the Company Board may recommend a Superior Proposal, but only (i) after providing written notice to Parent (a Notice of Superior Proposal) advising Parent that the Company Board has received a Superior Proposal, specifying the material terms and conditions of such Superior Proposal and identifying the person making such Superior Proposal and (ii) if Parent does not, within five (5) days of Parent's receipt of the Notice of Superior Proposal, make an offer that the Company Board by a majority vote determines in its good faith judgment (after consultation with the Company Financial Advisor or another financial advisor of nationally recognized reputation) to be at least as favorable to the Company's stockholders as such Superior Proposal, provided, however, that the Company shall not be entitled to enter into an agreement with respect to a Superior Proposal unless and until this Agreement is terminated pursuant to Section 6.1 and the Company has paid the fees required by Section 6.3. Any disclosure that the Company Board may be compelled to make with respect to the receipt of a Third Party Acquisition Proposal or otherwise in order to comply with its fiduciary duties or Rule 14d-9 or 14e-2 will not constitute a violation of this Agreement, provided that such disclosure states that no action will be taken by the Company Board in violation of this Section 4.3(b).

For purposes of this Agreement, a Superior Proposal means any bona fide Third Party proposal (1) to acquire, directly or indirectly, for consideration consisting solely of cash and/or publicly-traded securities (including securities that will be publicly-traded immediately upon the consummation of such Superior Proposal), one hundred percent 100% of the Shares then outstanding, or all or substantially all of the assets of the Company; (2) that contains terms and conditions that the Company Board by a majority vote determines in good faith (after consultation with the Company Financial Advisor or another financial advisor of nationally recognized reputation) to be more favorable to the Company's stockholders than the Merger but in any event, the consideration paid must be at least 5% greater than that offered by the Parent; (3) that the Company Board by a majority vote determines in its good faith judgment (after consultation with the Company Financial Advisor or another financial advisor of nationally recognized reputation and its legal counsel) to be reasonably capable of being completed (taking into account all legal, financial, regulatory and other aspects of the proposal and the person making the proposal); (4) that does not contain a right of first refusal or right of first offer with respect to any counter-proposal that Parent might make; and (5) that does not contain any due diligence condition and for which any financing upon which it is conditioned is committed.

Section 4.4. *Nasdaq National Market*. Parent shall use commercially reasonable efforts to cause the shares of Parent Common Stock to be issued in the Merger and the shares of Parent Common Stock to be reserved for issuance upon exercise of Company Stock Options to be approved for listing on the Nasdaq National Market, subject to official notice of issuance, prior to the Effective Time.

Section 4.5. *Access to Information*.

(a) Between the date hereof and the earlier of the Effective Time or the termination of this Agreement in accordance with its terms, the Company will, and will cause each Subsidiary to give Parent and its authorized representatives (including Parent's external auditors) reasonable access to all employees, plants, offices, warehouses and other facilities and to all books and records and personnel files of current employees of the Company and any Subsidiary as Parent may reasonably require, and will cause its officers and each Subsidiary to furnish Parent with such financial and operating data and other information with respect to the business and properties of the Company and any Subsidiary as Parent may from time to time reasonably request. Between the date hereof and the Effective Time, Parent shall make available to the Company, as reasonably requested by the Company, a designated officer of Parent to answer questions and make available such information and documents regarding Parent as is reasonably requested by the Company taking into account the nature of the transactions contemplated by this Agreement. Such access shall be subject to the granting party's reasonable

security measures and insurance requirements and shall not include the right to perform invasive testing, but shall include the right of Parent to do a financial statement (including balance sheet) review prior to the Effective Time.

(b) Between the date hereof and the earlier of the termination of this Agreement in accordance with its terms and the Effective Time, the parties shall furnish to each other (i) within two (2) business days following preparation thereof (and in any event within ten (10) business days after the end of each fiscal month) an unaudited balance sheet as of the end of such month and the related statements of earnings, stockholders equity (deficit) and cash flows for the month then ended, all of such financial statements to be prepared in accordance with United States generally accepted accounting principles in conformity with the practices consistently applied by the Company or Parent, as the case may be, with respect to such financial statements and (ii) such other revenue, expense, asset, liability, cash flow, borrowing base, and other similar information as reasonably requested by Parent, and in whatever frequency (but no more frequently than weekly) as Parent considers appropriate in order to monitor and understand the operations and activities of the Company.

(c) Each of the parties hereto will hold, and will cause its consultants and advisers to hold, in confidence all documents and information furnished to it by or on behalf of another party to this Agreement in connection with the transactions contemplated by this Agreement pursuant to the terms of that certain Confidentiality Agreement entered into between the Company and Parent (the Nondisclosure Agreement).

Section 4.6. *Certain Filings; Reasonable Efforts.*

(a) Subject to the terms and conditions herein provided, each of the parties hereto agrees to use commercially reasonable efforts to take or cause to be taken all action and to do or cause to be done all things reasonably necessary, proper or advisable under Applicable Law to consummate and make effective the transactions contemplated by this Agreement, including using commercially reasonable efforts to do the following: (i) cooperate in the preparation and filing of the S-4 and the Joint Proxy Statement/Prospectus and any amendments thereto, any filings that may be required under the HSR Act and similar competition or merger notification laws or regulations of foreign Governmental Entities; (ii) obtain consents of all third parties and Governmental Entities (other than as provided in clause (i) above) necessary, proper, advisable or reasonably requested by Parent or the Company, for the consummation of the transactions contemplated by this Agreement (but subject to the last sentence of Section 4.7(b) below); (iii) contest any legal proceeding relating to the Merger; and (iv) execute any additional instruments necessary to consummate the transactions contemplated hereby, including, without limitation, such documentation necessary to ensure the continued enforceability of restrictive covenants and confidentiality provisions applicable to the Company's employees and independent contractors. Subject to the terms and conditions of this Agreement, the Company, Parent and Acquisition agree to use all reasonable efforts to cause the Effective Time to occur as soon as practicable after the Company Stockholder Approval and the Parent Shareholder Approval is obtained. The Company agrees to use, and to cause each Subsidiary to use, all reasonable efforts to encourage their respective employees to accept any offers of employment extended by Parent. If, at any time after the Effective Time, any further action is necessary to carry out the purposes of this Agreement the proper officers and directors of each party hereto shall take all such necessary action.

(b) Parent and the Company will use commercially reasonable efforts to consult and cooperate with one another, and consider in good faith the views of one another, in connection with any analyses, appearances, presentations, letters, white papers, memoranda, briefs, arguments, opinions or proposals made or submitted by or on behalf of any party hereto in connection with proceedings under or relating to the HSR Act or any other foreign, federal, or state antitrust, competition, or fair trade law. In this regard, but without limitation, each party hereto shall use commercially reasonable efforts to promptly inform the other of any material communication between such party and the Federal Trade Commission, the Antitrust Division of the United States Department of Justice, or any other federal, foreign or state antitrust or competition Governmental Entity regarding the

transactions contemplated herein. Nothing in the Agreement, however, shall require or be construed to require any party hereto, in order to obtain the consent or successful termination of any review of any such Governmental Entity regarding the transactions contemplated hereby, to (i) sell or hold separate, or agree to sell or hold separate, before or after the Effective Time, any assets, businesses or any interests in any assets of businesses, of Parent, the Company or any of their respective affiliates (or to consent to any sale, or agreement to sell, by Parent or the Company, of any assets or businesses, or any interests in any assets or businesses), or any change in or restriction on the operation by Parent or the Company of any assets or businesses, or (ii) enter into any agreement or be bound by any obligation that, in Parent's good faith judgment, may have an adverse effect on the benefits to Parent of the transactions contemplated by this Agreement.

(c) Prior to the Closing, each party shall use reasonable best efforts to refrain from taking any action or failing to take any action, which action or failure to act would cause, or be reasonably likely to cause, the Merger to fail to qualify as a reorganization within the meaning of section 368(a) of the Code. Following the Closing, Parent shall not cause or permit to occur any action that would be reasonably likely to cause the Merger to fail to qualify as a reorganization within the meaning of section 368(a) of the Code, including but not limited to, any action that would cause a failure to meet the continuity of business enterprise requirement of the Treasury Regulations Section 1.368-1(d). The provisions of this Section 4.6(c) shall survive the Closing.

Section 4.7. *Public Announcements.* Parent, Acquisition and the Company shall consult with each other and shall mutually agree upon any press release or public announcement relating to the transactions contemplated by this Agreement and shall not issue any such press release or make any such public announcement prior to such consultation and agreement, except (a) as may be required by Applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or the Nasdaq National Market, in which case the party proposing to issue such press release or make such public announcement shall use all reasonable efforts to consult in good faith with the other party before issuing any such press release or making any such public announcement, or (b) following a Change in the Company's Recommendation, after which no such consultation or agreement shall be required. Notwithstanding the foregoing, the first public announcement of this Agreement and the Merger shall be a joint press release agreed upon by Parent and the Company.

Section 4.8. *Indemnification and Directors and Officers Insurance.*

(a) After the Effective Time, Parent shall cause the Surviving Corporation to indemnify and hold harmless (and shall also advance expenses as incurred to the fullest extent permitted under Applicable Law to), each person who is now or has been prior to the date hereof or who becomes prior to the Effective Time an officer or director of the Company or any Subsidiary (the Indemnified Persons) against (i) all losses, claims, damages, costs, expenses (including counsel fees and expenses), settlement, payments or liabilities arising out of or in connection with any claim, demand, action, suit, proceeding or investigation based in whole or in part on or arising in whole or in part out of the fact that such person is or was an officer or director of the Company or any Subsidiary, whether or not pertaining to any matter existing or occurring at or prior to the Effective Time and whether or not asserted or claimed prior to or at or after the Effective Time (Indemnified Liabilities); and (ii) all Indemnified Liabilities based in whole or in part on or arising in whole or in part out of or pertaining to this Agreement or the transactions contemplated hereby, in each case to the fullest extent required or permitted under Applicable Law. Nothing contained herein shall make Parent, Acquisition, the Company or the Surviving Corporation, an insurer, a co-insurer or an excess insurer in respect of any insurance policies which may provide coverage for Indemnified Liabilities, nor shall this Section 4.8 relieve the obligations of any insurer in respect thereto. The parties hereto intend, to the extent not prohibited by Applicable Law, that the indemnification provided for in this Section 4.8 shall apply without limitation to negligent acts or omissions by an Indemnified Person. Each Indemnified Person is intended to be a third party beneficiary of this Section 4.8 and may specifically enforce its terms. This Section 4.8 shall not limit or otherwise adversely affect any rights any Indemnified Person may have under any agreement with the Company or under the Company's Certificate of Incorporation or bylaws as presently in effect.

(b) From and after the Effective Time, Parent shall cause the Surviving Corporation to fulfill and honor in all respects the obligations of the Company pursuant to any indemnification agreements between the Company and its directors and officers as of or prior to the date hereof (or indemnification agreements in the Company's customary form for directors joining the Company Board prior to the Effective Time) and any indemnification provisions under the Company's certificate of incorporation or bylaws as in effect immediately prior to the Effective Time.

(c) The Company shall be permitted to obtain a directors' and officers' liability insurance policy covering those individuals who at the time of the execution of this Agreement are covered by the Company's existing directors' and officers' liability insurance policy, for a period of six years following the Effective Time. The premium for such policy shall not exceed One Million Dollars (\$1,000,000).

(d) Parent will not, nor will Parent permit the Surviving Corporation to merge or consolidate with any other Person or sell all or substantially all of Parent's or such subsidiary's assets unless Parent or the Surviving Corporation will ensure that the surviving or resulting entity assumes the obligations imposed by this Section 4.8.

Section 4.9. *Notification of Certain Matters; Additions to and Modification of Disclosure Schedules.* The Company shall give prompt notice to Parent and Acquisition, and Parent and Acquisition shall give prompt notice to the Company (such notice by delivery of supplements to the Company Disclosure Schedule or the Parent Disclosure Schedule, as applicable), of (i) the occurrence or nonoccurrence of any event the occurrence or nonoccurrence of which has caused or would be likely to cause any representation or warranty contained in this Agreement by such first party to be untrue or inaccurate in any material respect at or prior to the Effective Time, and (ii) any material failure by the Company, Parent or Acquisition, as the case may be, to comply with or satisfy in any material respect any covenant condition or agreement to be complied with or satisfied by it hereunder; provided, however, that the delivery of any notice pursuant to this Section 4.9 shall not cure such breach or non-compliance, be deemed to constitute an exception to the representations and warranties under Article 2 or Article 3, or limit or otherwise affect the remedies available hereunder to the party receiving such notice.

Section 4.10. *Affiliates.* The Company shall use commercially reasonable efforts to obtain from all Company Affiliates, and from any person who may be deemed to have become a Company Affiliate after the date of this Agreement and on or prior to the Effective Time, a letter agreement substantially in the form of Exhibit D hereto as soon as practicable. Parent shall not be required to maintain the effectiveness of the S-4 for the purpose of resale of shares of Parent Common Stock by stockholders of the Company who may be affiliates of the Company or Parent pursuant to Rule 145 under the Securities Act.

Section 4.11. *Access to Company Employees.* The Company agrees to provide, and to cause each Subsidiary to provide, Parent with reasonable access to its employees under procedures to be agreed upon by Parent and the Company during normal working hours following the date of this Agreement, to among other things, deliver offers of continued employment and to provide information to such employees about Parent. All communications by Parent with Company employees shall be conducted in a manner that does not disrupt or interfere with the Company's efficient and orderly operation of its business.

Section 4.12. *Company Compensation and Benefit Plans.* The Company agrees to take all actions necessary to terminate any or all Company Employee Plans intended to constitute a Code Section 401(k) arrangement, and any other employee stock purchase plan and deferred compensation plan, effective at or immediately prior to the Closing Date, each as requested in writing by Parent no later than five (5) business days prior to the Closing Date.

Section 4.13 *Employee Benefits.*

(a) As soon as administratively practicable following the Closing Date, Parent shall arrange for each participant in the Company Employee Plans (the Company Participants) who becomes a Parent employee (or

an employee of any Parent subsidiary or affiliate) after the Closing Date to be eligible to participate in the Parent Benefit Plans and to receive thereunder benefits that are generally equivalent in the aggregate to those received by Parent employees with similar positions and responsibilities and qualifications (which shall be determined by the Parent). To the extent Parent determines it necessary to provide continuity of benefits for the Company Participants, Parent shall continue one or more Company Employee Plans in lieu of providing benefits under corresponding Parent Benefit Plans. Each Company Participant shall, to the extent permitted by law, the plan governing the benefits and applicable tax qualification requirements, and subject to any applicable break in service or similar rule, receive credit for purposes of eligibility to participate in Parent Benefit Plans, satisfaction of allocation requirements applicable to matching contributions based upon salary deferral contributions on behalf of the Company Participant to a Parent Benefit Plan that is a Code Section 401(k) arrangement, and vesting under Parent Benefit Plans, for years of service with the Company (and its Subsidiaries and predecessors) prior to the Closing Date. Notwithstanding anything set forth above to the contrary, Parent shall arrange for continuing coverage for Company Participants beginning on the Closing Date.

(b) Parent agrees that, from and after the Closing Date, the Company employees who become employees of Parent or any of its subsidiaries may participate in the employee stock purchase plan sponsored by Parent (the Parent ESPP), subject to the terms and conditions of the Parent ESPP, and that service with the Company shall be treated as service with Parent or its subsidiaries for determining eligibility of the Company's employees under the Parent ESPP.

Section 4.14. *Takeover Statutes.* If any Takeover Statute or any similar statute, law, rule or regulation in any State of the United States (including under the DGCL or any other law of the State of Delaware) is or may become applicable to the Merger or any of the other transactions contemplated by this Agreement, the Company and the Company Board shall promptly grant such approvals and take such lawful actions as are necessary so that such transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement or by the Merger and otherwise take such lawful actions to eliminate or minimize the effects of such statute, law, rule or regulation, on such transactions.

Section 4.15. *Section 16 Matters.* Prior to the Effective Time, the Company Board shall adopt a resolution consistent with the interpretative guidance of the SEC so that the assumption of Company Options held by Company Insiders pursuant to this Agreement and the receipt by Company Insiders of Parent Common Stock in exchange for Shares pursuant to the Merger, shall be exempt transactions for purposes of Section 16 of the Exchange Act. 3. *Voting Agreement.* Stockholder hereby irrevocably agrees with Parent and Acquisition that during the period commencing on the date hereof and continuing until the first to occur of (a) the Effective Time or (b) the termination of the Merger Agreement in accordance with its terms (the Termination Date), at any meeting of the Company's stockholders, however called, or in connection with any written consent of the Company's Stockholders, Stockholder shall appear at each such meeting, in person or by proxy, or otherwise cause all Stockholder Shares then outstanding to be counted as present thereat for purposes of establishing a quorum, and Stockholder shall vote, or cause to be voted (or in connection with any written consent of the Company's stockholders, act, or cause to be acted, by written consent) with respect to all Stockholder Shares that Stockholder is entitled to vote or as to which Stockholder has the right to direct the voting, as of the relevant record date, (i) in favor of approval of the Merger Agreement and the transactions contemplated thereby; (ii) against any proposal that is intended to, or is reasonably likely to result in any of the conditions of the Parent's or Acquisition's obligations under the Merger Agreement not being fulfilled; (iii) against any action or agreement that would result in a breach in any respect of any covenant, representation or warranty, or any other obligation or agreement, of the Company under the Merger Agreement or Stockholder under this Agreement; and (iv) against (A) any Third Party Acquisition Proposal (as defined in the Merger Agreement), or (B) the election of a group of individuals to replace a majority or more of the individuals presently on the Company Board; provided that if one or more individuals presently on the Company Board withdraws his or her nomination for reelection at any meeting of stockholders for the election of directors, Stockholder may vote for a replacement director nominated by the Company Board for such individual(s). The Stockholder agrees that the obligations under this Agreement are unconditional and will remain in full force and effect notwithstanding that the Company Board may have withdrawn or amended its recommendation and approval of the Merger. Further, the Stockholder will not enter into any agreement or understanding with any Person the effect of which would be inconsistent with or violative of any provision contained in this Section 3.

4. *Irrevocable Proxy.*

(a) Stockholder hereby irrevocably constitutes and appoints Parent, which shall act by and through William L. Sanders, Howard W. Sutter, and Derrell E. Hunter (each, a Proxy Holder), or any of them, with full power of substitution, its true and lawful proxy and attorney-in-fact to vote at any meeting (and any adjournment or postponement thereof) of the Company's stockholders called for purposes of considering whether to approve the Merger Agreement and transactions contemplated thereby, any Third Party Acquisition Proposal or any other transaction described in Section 3 hereof, or to execute a written consent of stockholders in lieu of any such meeting (if so permitted), all Stockholder Shares held by Stockholder of record as of the relevant record date in favor of the approval of the Merger Agreement and transactions contemplated thereby and against any Third Party Acquisition Proposal or any other action described in Section 3(iv)(B) hereof.

(b) The proxy and power of attorney granted herein shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient in law to support an irrevocable proxy and shall revoke all prior proxies granted by Stockholder which conflicts with the proxy granted herein. Stockholder shall not grant any proxy to any person which conflicts with the proxy granted herein, and any attempt to do so shall be void. The power of attorney granted herein is a durable power of attorney and shall survive the death or incapacity of Stockholder.

(c) If Stockholder fails for any reason to vote his, her or its Stockholder Shares as required by Section 3 hereof, then the Proxy Holder shall have the right to vote the Stockholder Shares at any meeting of the Company's stockholders and in any action by written consent of the Company's stockholders in accordance with this Section 4. The vote of a Proxy Holder shall control in any conflict between a vote of such Stockholder Shares by a Proxy Holder and a vote of such Stockholder Shares by Stockholder with respect to the matters set forth in Section 4(a) hereof.

5. *Director and Officer Matters Excluded.* Parent and Acquisition acknowledge and agree that no provision of this Agreement shall limit or otherwise restrict Stockholder with respect to any act or omission that Stockholder may undertake or authorize in Stockholder's capacity as a director or officer of the Company, including, without limitation, any vote that Stockholder may make as a director or officer of the Company with respect to any matter presented to the Company Board.

6. *Other Covenants, Representations and Warranties.* Stockholder hereby represents and warrants to, and covenants with, Parent and Acquisition as follows:

(a) *Title to Stockholder Shares.* Stockholder is the beneficial owner (as defined in Rule 13(d)(3) promulgated under the Exchange Act, "beneficial owner") of all the Stockholder Shares. Except as set forth in Annex 1, attached hereto, Stockholder has sole voting power and the sole power of disposition with respect to all of the Stockholder Shares outstanding on the date hereof, and will have sole voting power and sole power of disposition with respect to all of the Stockholder Shares acquired by such Stockholder after the date hereof upon the exercise, conversion or exchange of any option, warrant or convertible security owned or held by Stockholder as of the date hereof, with no limitations, qualifications or restrictions on such rights. Stockholder is the sole record holder (as reflected in the records maintained by the Company's transfer agent) of the Stockholder Shares outstanding on the date hereof.

(b) *Power; Binding Agreement.* Stockholder has and will have the legal capacity, power and authority to enter into and perform all of Stockholder's obligations under this Agreement. The execution, delivery and performance of this Agreement by Stockholder will not violate any agreement or court order to which Stockholder is a party or is subject, including, without limitation, any voting agreement or voting trust. This Agreement has been duly and validly executed and delivered by Stockholder and constitutes a valid and binding agreement of Stockholder, enforceable against Stockholder in accordance with its terms.

(c) *Restriction on Transfer, Proxies and Non-Interference; Stop Transfer.* Except as expressly contemplated by this Agreement, during the term of this Agreement, Stockholder shall not, directly or indirectly: (i) offer for sale, sell, transfer, tender, pledge, encumber, assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to, or consent to the offer for sale, sale, transfer, tender, pledge, encumbrance, assignment or other disposition of, any or all of the Stockholder Shares or any interest therein; (ii) grant any proxies or powers of attorney with respect to any Stockholder Shares which conflicts with Section 4(a) hereof and the proxy granted herein or deposit any Stockholder Shares into a voting trust or enter into a voting agreement with respect to any Stockholder Shares; or (iii) take any action that would make any representation or warranty of Stockholder contained herein untrue or incorrect or have the effect of preventing or disabling Stockholder from performing any of Stockholder's obligations under this Agreement. Stockholder further agrees with and covenants to Parent that Stockholder shall not request that the Company register the transfer of any certificate or uncertificated interest representing any of the Stockholder Shares, unless such transfer is made in compliance with this Agreement. Stockholder agrees that, in order to ensure compliance with the restrictions referred to herein, the Company may issue appropriate "stop transfer" instructions to its transfer agent.

(d) *No Consents.* To his, her or its knowledge, the execution and delivery of this Agreement by Stockholder does not, and the performance by Stockholder of his, her or its obligations hereunder will not, require Stockholder to obtain any consent, approval, authorization or permit of, or to make any filing with or notification to, any Governmental Entity. There is no beneficiary or holder of a voting trust certificate or other interest of any trust of which Stockholder is a trustee whose consent is required for the execution and delivery of this Agreement or the consummation by Stockholder of the transactions contemplated hereby. If Stockholder is married and Stockholder's Shares constitute community property, this Agreement has been duly authorized, executed and delivered by, and constitutes a valid and binding agreement of, Stockholder's spouse, enforceable against such person in accordance with its terms.

(e) *Notification of Parent.* Stockholder hereby agrees, while this Agreement is in effect, to notify Parent and Acquisition promptly of the number of any additional shares of capital stock and the number and type of any other voting securities of the Company acquired by such Stockholder, if any, after the date hereof.

(f) *Reliance by Parent and Acquisition.* Stockholder understands and acknowledges that Parent and Acquisition are entering into the Merger Agreement in reliance upon Stockholder's execution and delivery of this Agreement.

(g) *Sophistication.* Stockholder acknowledges being an informed and sophisticated investor and, together with Stockholder's advisors, has undertaken such investigation as they have deemed necessary, including the review of the Merger Agreement and this Agreement, to enable the Stockholder to make an informed and intelligent decision with respect to the Merger Agreement and this Agreement and the transactions contemplated thereby and hereby.

(h) *Permitted Transfers.* Notwithstanding Section 6(c), Stockholder shall have the right to (A) transfer Stockholder Shares to (1) any Family Member; (2) the trustee or trustees of a trust for the benefit of Stockholder and/or one or more Family Members; (3) a partnership of which Stockholder and/or Family Members owns a majority of the partnership interests; (4) a limited liability company of which Stockholder and/or any Family Members owns a majority of the membership interests; (5) the executor, administrator or personal representative of the estate of Stockholder; Family Member means Stockholder's spouse, father, mother, issue (if living with Stockholder), brother or sister. Stockholder agrees that this Agreement and the obligations hereunder shall attach to the Stockholder's Shares and shall be binding upon any Person to which legal or beneficial ownership of such Shares shall pass, whether by operation of law or otherwise, including without limitation, Stockholder's heirs, guardians, administrators or successors. Notwithstanding anything to the contrary in this Section 6(h), Stockholder acknowledges and agrees that any transfer permitted by this Section 6(h) will not be effective until the transferee agrees in writing to be bound by the terms of this Agreement. Notwithstanding any such transfer of Shares, the transferor shall remain liable for the performance of all obligations under this Agreement.

(i) *No Encumbrances.* Except as applicable in connection with the transactions contemplated by Section 3 and 4 hereof and except as set forth in Schedule 6(i) attached hereto, the Stockholder's Shares at all times during the term hereof will be beneficially owned by Stockholder, free and clear of all liens, claims, security interests, proxies, voting trusts or agreements, understandings or arrangements or any other encumbrances whatsoever.

(j) *No Conflicts.* None of the execution and delivery of this Agreement by Stockholder, the consummation by Stockholder of the transactions contemplated hereby or compliance by the Stockholder with any of the provisions hereof (A) result in a violation or breach of, or constitute (with or without notice or lapse of time or both) a default (or give rise to any third party right of termination, cancellation, material modification or acceleration) under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, license, contract, commitment, arrangement, understanding, agreement or other instrument or obligation of any kind to which Stockholder is a party or by which Stockholder or any of his or her properties or assets may be bound, or (B) violate any order, writ injunction, decree, judgment, order, statute, rule or regulation applicable to Stockholder or any of his or her properties or assets.

7. *Termination.* The voting agreement and irrevocable proxy granted pursuant to Sections 3 and 4 hereof shall terminate immediately upon the earlier to occur of (a) the Termination Date and (b) the Effective Time.

(f) *No Waiver.* The failure of any party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other party hereto with its obligations hereunder, and any custom or practice of the parties at variance with the terms hereof, shall not constitute a waiver by such party of its right to exercise any such or other right, power or remedy or to demand such compliance.

(g) *Governing Law; Venue; Specific Performance; Waiver of Jury Trial.* This Agreement shall be deemed to be made in and in all respects shall be interpreted, construed and governed by and in accordance with the laws of the State of Delaware without regard to the conflict of law principles thereof. The parties hereby irrevocably submit to the jurisdiction of the courts of the State of Delaware and the Federal courts of the United States of America located in the State of Delaware solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated hereby, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a Delaware state or federal court. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 8(d) hereof or in such other manner as may be permitted by applicable law, shall be valid and sufficient service thereof.

All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any such rights, powers or remedies by any party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any court of the State of Delaware and the Federal courts of the United States of America located in the State of Delaware, this being in addition to any other remedy to which they are entitled at law or in equity.

Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each such party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement or the transactions contemplated by this Agreement. Each party certifies and acknowledges that (i) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver, (ii) each such party understands and has considered the implications of this waiver, (iii) each such party makes this waiver voluntarily, and (iv) each such party has been induced to enter into this Agreement by, among other things, the waivers and certifications in this Section 8(g).

(h) *Counterparts.* This Agreement may be executed by facsimile and in one or more counterparts, each of which shall be deemed to be an original but all of which shall constitute one and the same agreement.

(i) *Further Assurances.* At the request of any party to another party or parties to this Agreement, such other party or parties shall execute and deliver such instruments or documents to evidence or further effectuate (but not

(j) *Company Stop Transfer Agreement.* The Company hereby acknowledges the restrictions on transfer of the Stockholder Shares contained in Section 6(c) hereof. 3. *Voting Agreement.* Shareholder hereby irrevocably agrees with the Company that during the period commencing on the date hereof and continuing until the first to occur of (a) the Effective Time or (b) the termination of the Merger Agreement in accordance with its terms (the Termination Date), at any meeting of Parent's shareholders, however called, or in connection with any written consent of the Parent's shareholders, Shareholder shall appear at each such meeting, in person or by proxy, or otherwise cause all Shareholder Shares then outstanding to be counted as present thereat for purposes of establishing a quorum, and Shareholder shall vote, or cause to be voted (or in connection with any written consent of the Parent's shareholders, act, or cause to be acted, by written consent) with respect to all Shareholder Shares that Shareholder is entitled to vote or as to which Shareholder has the right to direct the voting, as of the relevant record date, (i) in favor of approval of the Merger Agreement and the transactions contemplated thereby; (ii) against any proposal that is intended to, or is reasonably likely to result in any of the conditions of the Company's obligations under the Merger Agreement not being fulfilled; (iii) against any action or agreement that would result in a breach in any respect of any covenant, representation or warranty, or any other obligation or agreement, of the Parent or Acquisition under the Merger Agreement or Shareholder under this Agreement; and (iv) against the election of a group of individuals to replace a majority or more of the individuals presently on the Parent Board; provided that if one or more individuals presently on the Parent Board withdraws his or her nomination for reelection at any meeting of shareholders for the election of directors, Shareholder may vote for a replacement director nominated by the Parent Board for such individual(s). Further, the Shareholder will not enter into any agreement or understanding with any Person the effect of which would be inconsistent with or violative of any provision contained in this Section 3.

4. *Irrevocable Proxy.*

(a) Shareholder hereby irrevocably constitutes and appoints the Company, which shall act by and through Brenda C. Rhodes and Martin A. Kropelnicki (each, a Proxy Holder), or either of them, with full power of substitution, its true and lawful proxy and attorney-in-fact to vote at any meeting (and any adjournment or postponement thereof) of the Parent's shareholders called for purposes of considering whether to approve the Merger Agreement and transactions contemplated thereby or any other transaction described in Section 3 hereof, or to execute a written consent of shareholders in lieu of any such meeting (if so permitted), all Shareholder Shares held by Shareholder of record as of the relevant record date in favor of the approval of the Merger Agreement and transactions contemplated thereby and against the election of a group of individuals to replace the majority or more of the individuals presently on the Parent Board as more fully described in Section 3(iv) hereof.

(b) The proxy and power of attorney granted herein shall be irrevocable during the term of this Agreement, shall be deemed to be coupled with an interest sufficient in law to support an irrevocable proxy and shall revoke all prior proxies granted by Shareholder which conflicts with the proxy granted herein. Shareholder shall not grant any proxy to any person which conflicts with the proxy granted herein, and any attempt to do so shall be void. The power of attorney granted herein is a durable power of attorney and shall survive the death or incapacity of Shareholder.

6. *Other Covenants, Representations and Warranties.* Shareholder hereby represents and warrants to, and covenants with, the Company as follows:

(a) *Title to Shareholder Shares.* Shareholder is the beneficial owner (as defined in Rule 13(d)(3) promulgated under the Exchange Act, beneficial owner) of all the Shareholder Shares. Except as set forth in Annex 1, attached hereto, Shareholder has sole voting power and the sole power of disposition with respect to all of the Shareholder Shares outstanding on the date hereof, and will have sole voting power and sole power of disposition with respect to all of the Shareholder Shares acquired by such Shareholder after the date hereof upon the exercise, conversion or exchange of any option, warrant or convertible security owned or held by Shareholder as of the date hereof, with no limitations, qualifications or restrictions on such rights. Shareholder is the sole record holder (as reflected in the records maintained by Parent's transfer agent) of the Shareholder Shares outstanding on the date hereof.

(b) *Power; Binding Agreement.* Shareholder has and will have the legal capacity, power and authority to enter into and perform all of Shareholder's obligations under this Agreement. Shareholder agrees that, in order to ensure compliance with the restrictions referred to herein, Parent may issue appropriate stop transfer instructions to its transfer agent.

(d) *No Consents.* To his, her or its knowledge, the execution and delivery of this Agreement by Shareholder does not, and the performance by Shareholder of his, her or its obligations hereunder will not, require Shareholder to obtain any consent, approval, authorization or permit of, or to make any filing with or notification to, any Governmental Entity. All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any such rights, powers or remedies by any party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

FORM OF AFFILIATE AGREEMENT

[Name]

[Address]

, 2004

Kforce Inc.

1001 East Palm Avenue

Tampa, Florida 33605

Gentlemen:

I have been advised that, as of the date of this letter, I may be deemed to be an affiliate of Hall, Kinion & Associates, Inc., a Delaware corporation (the Company), as the term affiliate is defined for purposes of paragraphs (c) and (d) of Rule 145 of the rules and regulations (the Rules and Regulations) of the Securities and Exchange Commission (the Commission) under the Securities Act of 1933, as amended (the Act), although nothing contained in this letter should be construed as an admission of such fact or as a waiver of any rights I may have to object to any claim that I am an affiliate. I have been further advised that, pursuant to the terms of the Agreement and Plan of Merger dated as of December 2, 2003 (the Merger Agreement) by and among Kforce Inc., a Florida corporation (the Parent), Novato Acquisition Corporation, a Delaware corporation and wholly-owned subsidiary of the Parent (Merger Sub), and the Company, Merger Sub will be merged with and into the Company (the Merger) and that, as a result of the Merger, I am entitled to receive shares of Parent Common Stock (as defined in the Merger Agreement) in exchange for the shares of common stock of the Company owned by me.

I hereby represent, warrant and covenant to the Parent that in the event I receive any Parent Common Stock as a result of the Merger:

a. I shall not make any sale, transfer or other disposition of Parent Common Stock in violation of the Act or the Rules and Regulations.

b. I have carefully read this letter and discussed its requirements and other applicable limitations upon my ability to sell, transfer or otherwise dispose of Parent Common Stock to the extent I believed necessary with my counsel or counsel for the Company.

Edgar Filing: KFORCE INC - Form S-4/A

c. I have been advised that the issuance of Parent Common Stock to me pursuant to the Merger will be registered with the Commission under the Act on a Registration Statement on Form S-4. However, I have also been advised that, since at the time the Merger will be submitted for a vote of the stockholders of the Company, I may be deemed to have been an affiliate of the Company, I may not sell, transfer or otherwise dispose of Parent Common Stock issued to me in the Merger unless (i) such sale, transfer or other disposition has been registered under the Act, (ii) such sale, transfer or other disposition is made in conformity with the volume and other limitations of Rule 145 promulgated by the Commission under the Act, or (iii) in the opinion of counsel reasonably acceptable to Parent, such sale, transfer or other disposition is otherwise exempt from registration under the Act.

d. I understand that the Parent is under no obligation to register the sale, transfer or other disposition of Parent Common Stock by me or on my behalf under the Act.

e. I also understand that stop transfer instructions will be given to Parent's transfer agent with respect to shares of Parent Common Stock issued to me and that there will be placed on the certificates for such shares of Parent Common Stock issued to me, or any substitutions therefor, a legend stating in substance:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE BEEN ISSUED IN A TRANSACTION TO WHICH RULE 145 PROMULGATED UNDER THE SECURITIES ACT OF 1933

APPLIES. THE SHARES REPRESENTED BY THIS CERTIFICATE MAY ONLY BE SOLD OR OTHERWISE TRANSFERRED IN ACCORDANCE WITH THE TERMS OF AN AGREEMENT DATED DECEMBER , 2003 BETWEEN THE REGISTERED HOLDER HEREOF AND KFORCE INC., A COPY OF WHICH AGREEMENT IS ON FILE AT THE PRINCIPAL OFFICES OF KFORCE INC.

f. I also understand that unless the transfer by me of my Parent Common Stock has been registered under the Act or is a sale made in conformity with the provisions of Rule 145, the Parent reserves the right to put the following legend on the certificates issued to my transferee:

THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND WERE ACQUIRED FROM A PERSON WHO RECEIVED SUCH SHARES IN A TRANSACTION TO WHICH RULE 145 PROMULGATED UNDER THE SECURITIES ACT OF 1933 APPLIES. THE SHARES MAY NOT BE SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933.

g. I agree that if I breach the representations, warranties or covenants contained in this letter, the Parent shall be entitled to the remedy of specific performance of this Agreement and to temporary and permanent injunctive relief to enforce the provisions of this Agreement, without the posting of any bond. This provision with respect to injunctive relief shall not, however, diminish the right of the Parent to any other remedy to which it may be entitled, at law or in equity, in addition to injunctive relief.

It is understood and agreed that the legends set forth in paragraphs (e) and (f) above shall be removed by delivery of substitute certificates without such legend if the undersigned shall have delivered to the Parent a copy of a letter from the staff of the Commission, or, if reasonably requested, an opinion of counsel in form and substance reasonably satisfactory to Parent, to the effect that such legend is not required for purposes of the Act.

Re: Termination of Employment Agreement

Dear Bill:

The purpose of this letter is to confirm certain matters set forth in my Employment Agreement, dated January 1, 2001 (the "Employment Agreement"), and document our arrangements following the merger of Kforce and Hall Kinion (the "Merger") pursuant to an Agreement and Plan of Merger, dated as of December 2, 2003 (the "Merger Agreement"). At the closing of the Merger, I will resign as an officer, director and chairman, including Chairman Emeritus of Hall Kinion and its subsidiaries. Under my agreement, I am entitled to the following benefits: (i) salary through the closing date; (ii) within three days of the closing, a lump sum payment in the amount of \$2,100,000; (iii) forgiveness of the remaining principal and interest on my note, including the release of the pledge of 433,030 shares of HK stock currently pledged as security for the loan; and (iv) title to my Mercedes S500V automobile, without any further payments by me. My options accelerate on the closing and the in-the-money options will be converted into Kforce stock in accordance with the Merger Agreement, and all out-of-the-money options will be automatically cancelled. At the closing of the Merger, I will execute a mutual release in the form attached to this letter as Annex A, and my Employment Agreement shall terminate and be of no further force and effect and all other arrangements with Hall Kinion (other than those contained in this letter and my vested benefits under Hall Kinion's 401(k) Plan and the Deferred Compensation Plan) will also terminate.

Following the closing, I will be entitled to a gross-up payment in the event that my compensation in connection with the Merger exceeds the IRC Section 280G limits in accordance with Section 12.8 of the Employment Agreement, which will be calculated by Deloitte & Touche. I also agree to cooperate with Kforce and Hall Kinion to minimize the negative tax effect of IRC Section 280G, including, without limitation, if necessary, by accelerating income into 2003, provided that such acceleration does not result in phantom income.

For a period of three years I will not directly or indirectly (i) solicit for employment, or advise or recommend to any other person that they solicit for employment, any employee of Hall Kinion, and (ii) engage in any business or activity competitive with the business activities of Hall Kinion (excluding passive investments of up to 5% of the outstanding stock of any publicly traded company, regardless of whether such company competes with Hall Kinion). I acknowledge and agree that my failure to comply with the foregoing sentence will cause irreparable injury to Kforce, for which damages, even if available, will not be an adequate

Table of Contents

remedy. Accordingly, I consent to the issuance of injunctive relief by any court of competent jurisdiction to compel my compliance with such covenant and to the granting by any court of the remedy of specific performance.

For so long as I am in compliance with the noncompetition and nonsolicitation covenants set forth in the preceding paragraph, (i) my spouse, my children (so long as they are minors and thereafter, to the extent such children are eligible) and I will be entitled to participate in liability insurance, life insurance, disability insurance, dental insurance, hospitalization insurance, medical, accident, and health-related employee plans applicable to the employees of Kforce or Hall Kinion, (ii) I will also be entitled to continue my office at 823 Grant Avenue in Novato California for the duration of the lease as well as administrative support, and (iii) I will also be entitled to an all inclusive payment of \$50,000 for unused vacation, sick leave, and outplacement service. Kforce shall have the right to change insurance carriers and benefit plans as may be appropriate in light of future market conditions and shall have the right to purchase individual policies covering me if necessary, provided such policies provide comparable benefits.

I agree to comply with the lock-up restrictions set forth in Section 5.2(h) of the Merger Agreement.

Please sign a copy of this letter to confirm these agreements.

Very truly yours,

/s/ Brenda C. Rhodes

Rhodes (the Executive). HAKI, Kforce and the Executive are collectively referred to in this Release as the Parties.

BACKGROUND

HAKI and Kforce are parties to an Agreement and Plan of Merger, dated as of December 2, 2003, pursuant to which a wholly-owned subsidiary of Kforce will be merged with and into HAKI with HAKI surviving the merger and becoming a wholly-owned subsidiary of Kforce (the Merger). TERMS

1. *Mutual Release.*

(a) HAKI and Kforce unconditionally and irrevocably release and forever discharge the Executive from any claims, demands, suits, debts, contracts, agreements, promises, damages, and causes of action and judgments of any kind or nature whatsoever, known or unknown, complete or incomplete, absolute or contingent, and whether arising out of the Employment Agreement, common law, equity, statute, or otherwise, arising **under, relating to and in connection with the employer/employee relationship of HAKI and the Executive prior to the date of this Release** (Released Claims).

The Parties acknowledge and agree that by reason of the release contained in Section 1 of this Release, each of the Parties is assuming the risk of such unknown and unanticipated Released Claims and agrees that its respective release contained in this Release applies to such unknown and unanticipated Released Claims. The Parties therefore waive the effect of California Civil Code section 1542 and any other analogous provision of applicable law of any jurisdiction. Section 1542 states:

Re: Termination of Offer Letter

Dear Bill:

The purpose of this letter is confirm certain matters set forth in my Offer Letter, dated July 31, 2003 (the Offer Letter) and document our arrangements following the merger of Kforce and Hall Kinion (the Merger) pursuant to the Agreement and Plan of Merger, dated December 2, 2003 (the Merger Agreement). At the closing of the Merger, I will resign as an officer of Hall Kinion and its subsidiaries. Under the Offer Letter, I am entitled to certain benefits, as described below, at the closing of the Merger and upon termination of employment or resignation for good reason.

Upon completion of the Merger, I would be entitled to resign for good reason. However, we have agreed that I will remain as an employee of the merged company for the longer of (a) 90 days after the closing of the Merger and (b) June 30, 2004 (the Transition Period) to assist in the transition, at a salary at the rate of \$300,000 per annum, plus normal employee benefits. We agree that at the end of the Transition Period, which Kforce may terminate upon 30 days notice, I will receive the benefits under the Offer Letter as if I resigned for good reason. We agree that my rights to the benefits set forth in this letter agreement will become irrevocable as of the closing of the Merger and will not be affected by my activities as an employee during the Transition Period. The benefits are as follows: (i) salary through the termination of this agreement; (ii) within five business days of termination of my employment, a lump sum payment in the amount of \$990,000; and (iii) title to my Mercedes S 500 V automobile and my home computer, without any further payments by me. My options accelerate on the closing of the Merger, and the in-the-money options will be converted into Kforce stock in accordance with the Merger Agreement, and all out-of-the-money options will be automatically cancelled. In addition, I will be entitled to an all inclusive payment of \$50,000 for, among other items, unused vacation, sick leave, and outplacement services. At the closing of the Merger, I will execute a mutual release in the form attached to this letter as Annex A, and my Offer Letter shall terminate and be of no further force and effect and all other arrangements with Hall Kinion (other than those contained in this letter and my vested benefits under Hall Kinion s 401(k) Plan and the Deferred Compensation Plan) will also terminate.

Following the closing, I will be entitled to a gross-up payment in the event that my compensation in connection with the Merger exceeds the IRC Section 280G limits, which will be calculated by Deloitte & Touche in accordance with Section 7 of the Offer Letter. I also agree to cooperate with Kforce and Hall Kinion to minimize the negative tax effect of IRC Section 280G, including, without limitation, if necessary, by accelerating income into 2003, provided that such

Table of Contents

acceleration does not result in phantom income. I will also be entitled to continuing coverage or reimbursement of insurance premiums, grossed up for income tax purposes, under benefit plans applicable to employees of Kforce or Hall Kinion for a period of 36 months following termination as provided in Section 2(e) of my Offer Letter, so long as I do not have reasonably comparable coverage from a new employer. Kforce shall have the right to change insurance carriers and benefit plans as may be appropriate in light of future market conditions and shall have the right to purchase individual policies covering me if necessary, provided such policies provide comparable benefits.

I agree to comply with the lock-up restrictions set forth in Section 5.2(h) of the Merger Agreement. I also will comply with the provisions of Section 7.12 of the Merger Agreement regarding the preparation and certification of financial statements after the closing of the Merger.

Please sign a copy of this letter to confirm these agreements.

Very truly yours,

ANNEX B

OPINION OF KFORCE'S FINANCIAL ADVISOR

[Logo]

December 2, 2003

Board of Directors

Kforce Inc.

1001 East Palm Avenue

Tampa, FL 33605

Members of the Board:

We understand that Kforce Inc. (the Company) proposes to enter into a transaction with Hall, Kinion & Associates, Inc. (Hall Kinion) pursuant to which a wholly owned subsidiary of the Company (Merger Sub) will merge with and into Hall Kinion (the Merger or the Proposed Transaction). We further understand that, upon the effectiveness of such Merger, each share of Hall Kinion common stock that is outstanding immediately prior to the effective time of the Merger will be converted into the right to receive a number of shares of common stock of the Company (Company Common Stock) equal to the Exchange Ratio. The Exchange Ratio shall be calculated as follows: (i) if the average of the closing prices per share of Company Common Stock on the Nasdaq National Market for the 15 consecutive trading days ending on and including the third trading day preceding the closing of the Merger (the Market Trading Price) is equal to or greater than \$7.09 but less than \$9.60, the Exchange Ratio shall equal .60, (ii) if the Market Trading Price is equal to or greater than \$9.60, the Exchange Ratio shall be calculated by dividing \$5.75 by the Market Trading Price, or (iii) if the Market Trading Price is less than \$7.09, the Exchange Ratio shall be calculated by dividing \$4.25 by the Market Trading Price. We further understand that, pursuant to the terms of previously negotiated employment agreements, certain members of Hall Kinion's senior management will receive approximately \$8.7 million of cash upon the consummation of the Merger as a result of the change in control of Hall Kinion (the Change in Control Payments). The terms and conditions of the Proposed Transaction are set forth in more detail in the Agreement and Plan of Merger dated as of December 2, 2003 among the Company, Hall Kinion and Merger Sub (the Agreement).

We have been requested by the Board of Directors of the Company to render our opinion with respect to the fairness, from a financial point of view, to the Company of the Exchange Ratio to be paid by the Company in the Proposed Transaction. We have not been requested to opine as to, and our opinion does not in any manner address, (i) the Company's underlying business decision to proceed with or effect the Proposed Transaction or (ii) the reasonableness of the Change in Control Payments.

Edgar Filing: KFORCE INC - Form S-4/A

In arriving at our opinion, we reviewed and analyzed: (1) the Agreement and the specific terms of the Proposed Transaction, (2) publicly available information concerning the Company and Hall Kinion that we believe to be relevant to our analysis, including the Company's Annual Reports on Form 10-K for the fiscal years ended December 31, 2002 and 2001, and Quarterly Reports on Form 10-Q for the quarters ended March 31, June 30, and September 30, 2003 and Hall Kinion's Annual Reports on Form 10-K for the fiscal years ended December 31, 2002 and 2001, and Quarterly Reports on Form 10-Q for the quarters ended March 31, June 30, and September 30, 2003, (3) financial and operating information with respect to the business, operations and prospects of Hall Kinion furnished to us by Hall Kinion and the Company, including financial projections for Hall Kinion prepared by the management of Hall Kinion, (4) financial and operating information with respect to the business, operations and prospects of the Company furnished to us by the Company, including financial projections for the Company prepared by the management of the Company, (5) the trading histories of Hall Kinion's and the Company's common stock from November 1, 2001 to the present and a comparison of those trading histories with each other and with those of other companies that we deemed relevant, (6) a comparison of

B-1

Table of Contents

the respective historical financial results and present financial condition of Hall Kinion and the Company with each other and with those of other companies that we deemed relevant, (7) the relative contributions of the Company and Hall Kinion to the historical and future financial performance of the combined company on a pro forma basis, (8) the pro forma impact of the Proposed Transaction on the current and future financial performance of the Company, including the cost savings and operating synergies expected by managements of the Company and Hall Kinion to result from a combination of the businesses of the Company and Hall Kinion (the Expected Synergies), and the potential effect of the Proposed Transaction on the Company's pro forma earnings per share, and (9) a comparison of the financial terms of the Proposed Transaction with the financial terms of certain other transactions that we deemed relevant. In addition, we have (i) had discussions with the managements of the Company and Hall Kinion concerning their respective businesses, operations, assets, financial condition and prospects and the revenue enhancements and strategic benefits expected by managements of the Company to result from a combination of the businesses of the Company and Hall Kinion and (ii) undertaken such other studies, analyses and investigations as we deemed appropriate.

In arriving at our opinion, we have assumed and relied upon the accuracy and completeness of the financial and other information used by us without assuming any responsibility for independent verification of such information and have further relied upon the assurances of managements of the Company and Hall Kinion that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial projections of Hall Kinion prepared by Hall Kinion's management, upon advice of Hall Kinion and the Company, we have assumed that such projections have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Hall Kinion as to the future financial performance of Hall Kinion and we have relied upon such projections in performing our analysis. However, for purposes of our analysis, we also have considered certain somewhat more conservative assumptions and estimates which resulted in certain adjustments to the projections provided by Hall Kinion. We have discussed these adjusted projections with the management of the Company and they have agreed with the appropriateness of the use of such adjusted projections, as well as the projections prepared by Hall Kinion, in performing our analysis. With respect to the financial projections of the Company prepared by the Company's management, upon advice of the Company, we have assumed that such projections have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company as to the future financial performance of the Company and that the Company will perform substantially in accordance with such projections. In addition, upon the advice of the Company, we have assumed that the amount and timing of the Expected Synergies are reasonable and that the Expected Synergies will be realized substantially in accordance with such estimates. In arriving at our opinion, we have not conducted a physical inspection of the properties and facilities of the Company or Hall Kinion and have not made or obtained any evaluations or appraisals of the assets or liabilities of the Company or Hall Kinion. Our opinion necessarily is based upon market, economic and other conditions as they exist on, and can be evaluated as of, the date of this letter.

In addition, we express no opinion as to the prices at which shares of Company Common Stock will trade following announcement of the Proposed Transaction, and this opinion should not be viewed as providing any assurance that the market value of the shares of the Company's Common Stock after consummation of the Proposed Transaction will be in excess of the market value of such shares at any time prior to announcement or consummation of the Proposed Transaction.

Based upon and subject to the foregoing, we are of the opinion as of the date hereof that, from a financial point of view, the Exchange Ratio to be paid by the Company in the Proposed Transaction is fair to the Company.

We will receive a fee for delivering our opinion. The Company has agreed to indemnify us for certain liabilities that may arise out of the rendering of this opinion. In the ordinary course of our business, we may trade in the securities of the Company and Hall Kinion for our own account and for the accounts of our customers and, accordingly, may at any time hold a long or short position in such securities.

Table of Contents

This opinion is for the use and benefit of the Board of Directors of the Company and is rendered to the Board of Directors in connection with its consideration of the Proposed Transaction. This opinion is not intended to be and does not constitute a recommendation to any stockholder of the Company as to how such stockholder should vote with respect to the Proposed Transaction.

Very truly yours,

/s/ LEHMAN BROTHERS

Incorporated (**Baird**), as part of its investment banking business, is engaged in the evaluation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements, and valuations for estate, corporate and other purposes.

In conducting our investigation and analysis and in arriving at our opinion herein, we have reviewed such information and taken into account such financial and economic factors as we have deemed relevant under the circumstances. In that connection, we have, among other things: (i) reviewed certain internal information, primarily financial in nature, including projections, concerning the business and operations of the Company furnished to us for purposes of our analysis, as well as publicly available information including but not limited to the Company's recent filings with the Securities and Exchange Commission (the **SEC**) and equity analyst research reports prepared by various investment banking firms including Baird; (ii) reviewed certain internal information, primarily financial in nature, concerning the business and operations of Parent furnished to us for our analysis, as well as publicly available information including but not limited to Parent's recent filings with the SEC and equity research reports prepared by various investment banking firms including Baird; (iii) reviewed the Agreement in the form presented to the Company's Board of Directors; (iv) compared the historical market prices and trading activity of Company Common Stock and Parent Common Stock with those of certain other publicly traded companies we deemed relevant; (v) compared the financial position and operating results of the Company and Parent with those of other publicly traded companies we deemed relevant; (vi) compared the proposed financial terms of the Merger with the financial terms of certain other business combinations we deemed relevant; and (vii) reviewed certain potential pro forma

effects of the Merger. We have held discussions with members of the senior management of the Company and of Parent concerning the Company's and Parent's historical and current financial condition and operating results, as well as the future prospects of the Company and Parent, respectively. We have been requested to, and did, solicit third party indications of interest in acquiring all or any part of the Company. We have also considered such other information, financial studies, analysis and investigations and financial, economic and market criteria which we deemed relevant for the preparation of this opinion.

In arriving at our opinion, we have assumed and relied upon the accuracy and completeness of all of the financial and other information that was publicly available or provided to us by or on behalf of the Company and Parent, and have not been engaged to independently verify any such information. We have assumed, with your consent, (i) that all material assets and liabilities (contingent or otherwise, known or unknown) of the Company and Parent are as set forth in their respective financial statements, (ii) the Merger will be accounted for under the purchase method according to generally accepted accounting principles; and (iii) the Merger will be consummated in accordance with the terms of the Agreement without any amendment thereto and without waiver by any party of any of the conditions to their respective obligations thereunder. We have also assumed that the Company's financial projections examined by us were reasonably prepared on bases reflecting the best available estimates and good faith judgments of the Company's senior management as to future performance of the Company. At the direction of the Company, we have relied on a certain published research analyst report prepared by a major investment banking firm for estimates of Parent's projected financial performance and have excluded transaction expenses from our financial analyses. In conducting our review, we have not undertaken nor obtained an independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of the Company or Parent nor have we made a physical inspection of the properties or facilities of the Company or Parent. Our opinion necessarily is based upon economic, monetary and market conditions as they exist and can be evaluated on the date hereof, and does not predict or take into account any changes which may occur, or information which may become available, after the date hereof. Furthermore, we express no opinion as to the prices or trading ranges at which the Company's or Parent's securities will trade following the date hereof or the Company's ability to generate fourth quarter 2003 revenue of \$34.0 million or greater.

Our opinion has been prepared at the request and solely for the information of the Board of Directors of the Company, and shall not be used for any other purpose or disclosed to any other party without the prior written consent of Baird; provided, however, that this letter may be reproduced in full in the Proxy Statement/Prospectus to be provided to the Company's shareholders in connection with the Merger. This opinion does not address the relative merits of the Merger or any other potential transactions or business strategies considered by the Company's Board of Directors, and does not constitute a recommendation to any shareholder of the Company as to how any such shareholder should vote with respect to the Merger. Baird will receive a fee for rendering this opinion. In the past, Baird has performed investment banking services for the Company, including acting as lead manager for the Company's 1997 initial public offering of Company Common Stock, acting as lead manager for the Company's secondary common stock offering in 2000 and acting as financial adviser in the Company's acquisition of OnStaff, Inc. in 2002, for which we received our customary compensation.

In the ordinary course of our business, we may from time to time trade the securities of the Company or Parent for our own account or the accounts of our customers and, accordingly, may at any time hold long or short positions in such securities.

Based upon and subject to the foregoing, we are of the opinion that, as of the date hereof, the Exchange Ratio is fair, from a financial point of view, to the holders of Company Common Stock (other than Parent and its affiliates).

Very truly yours,

/s/ ROBERT W. BAIRD & CO. INCORPORATED

PART II:

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. *Indemnification of Directors and Officers*

Kforce is a Florida corporation. The Florida Business Corporation Act, as amended (the Florida Act), provides that, in general, a business corporation may indemnify any person who is or was a party to any proceeding (other than an action by, or in the right of, the corporation) by reason of the fact that he is or was a director or officer of the corporation, against liability incurred in connection with such proceeding, including any appeal thereof, provided certain standards are met, including that such officer or director acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and provided further that, with respect to any criminal action or proceeding, the officer or director had no reasonable cause to believe his conduct was unlawful. In the case of proceedings by or in the right of the corporation, the Florida Act provides that, in general, a corporation may indemnify any person who was or is a party to any such proceeding by reason of the fact that he is or was a director or officer of the corporation against expenses and amounts paid in settlement actually and reasonably incurred in connection with the defense or settlement of such proceedings, including any appeal thereof, provided that such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made in respect of any claim as to which such person is adjudged liable unless a court of competent jurisdiction determines upon application that such person is fairly and reasonably entitled to indemnity. To the extent that any officers or directors are successful on the merits or otherwise in the defense of any of the proceedings described above, the Florida Act provides that the corporation is required to indemnify such officers or directors against expenses actually and reasonably incurred in connection therewith. However, the Florida Act further provides that, in general, indemnification or advancement of expenses shall not be made to or on behalf of any officer or director if a judgment or other final adjudication establishes that his actions, or omissions to act, were material to the cause of the action so adjudicated and constitute: (i) a violation of the criminal law, unless the director or officer had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe it was unlawful; (ii) a transaction from which the director or officer derived an improper personal benefit; (iii) in the case of a director, a circumstance under which the director has voted for or assented to a distribution made in violation of the Florida Act or the corporation's articles of incorporation; or (iv) willful misconduct or a conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder. Article V of our bylaws provides that we shall indemnify any director, officer, employee or agent or any former director, officer, employee or agent to the fullest extent permitted by Florida law. Kforce has purchased insurance with respect to, among other things, any liabilities that may arise under the statutory provisions referred to above.

The merger agreement provides that Kforce will indemnify and hold harmless, and advance expenses to all directors and officers of Hall Kinion any and all losses, claims, damages or liabilities arising out of or in connection with such person being an officer or director of Hall Kinion or any of its subsidiaries or in connection with the merger agreement or the transactions contemplated thereby. The surviving corporation will fulfill and honor all outstanding indemnification agreements between Hall Kinion and its officers and directors and any indemnification provisions under Hall Kinion's certificate of incorporation or bylaws.

In addition, Hall Kinion will purchase at or prior to the effective time, a directors' and officers' insurance policy covering those Hall Kinion directors and officers covered by Hall Kinion's existing insurance coverage, provided that the total cost of such insurance policy may not exceed \$1.0 million.

Item 22. *Undertakings*

The undersigned Registrant hereby undertakes:

That for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

That every prospectus: (i) that is filed pursuant to the paragraph immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as part of an amendment to this registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of this Registration Statement through the date of responding to the request.

To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in this registration statement when it became effective.
