**Q: When is the Annual Meeting and where will it be held?**

A: The Annual Meeting will be held on Tuesday, June 21, 2005 at 9:00 a.m., Eastern time, at Kforce's corporate headquarters located at 1001 East Palm Avenue, Tampa, Florida 33605.

**Q: What may I vote on?**

A: The election of three Class II directors to hold office for a three-year term expiring in 2008, the approval of the Kforce Inc. 2005 Annual Performance Bonus Plan, and the approval of the Kforce Inc. 2005 Stock Incentive Plan.

A: The Board recommends a vote FOR each of the proposals.

**Q: Who is entitled to vote?**

A: Only those who owned Kforce common stock at the close of business on April 14, 2005 (the Record Date) are entitled to vote at the Annual Meeting.

**Q: How do I vote?**

A: You may vote your shares either in person or by proxy. Whether you plan to attend the meeting and vote in person or not, we urge you to submit your proxy by either: (1) using the toll-free telephone number shown on the enclosed proxy card; (2) using the Internet website shown on the enclosed proxy card; or (3) completing the enclosed proxy card and returning it promptly in the enclosed postage-paid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR each of the proposals.

Shareholders voting via the Internet should understand that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that the shareholder must bear.

**Q: Can I change my vote?**

## Edgar Filing: KFORCE INC - Form DEF 14A

You have the right to change your vote at any time before the meeting by either:

- (1) notifying Kforce's corporate secretary that you have revoked your proxy;
- (2) voting in person;
- (3) returning a later-dated proxy card;
- (4) voting through the Internet at <http://www.eproxyvote.com/kfrc> at a later date; or
- (5) voting through the toll-free telephone number by calling 1-877-PRX-VOTE (1-877-779-8683) at a later date.

**Table of Contents**

**Q: How many shares can vote?**

A: As of the Record Date, 38,976,092 shares of Kforce common stock were issued and outstanding. Every holder of Kforce common stock is entitled to one vote for each share held.

**Q: What is a quorum ?**

A: A quorum is a majority of the outstanding shares. They may be present at the meeting or represented by proxy. There must be a quorum for the meeting to be held. If you submit a properly executed proxy card, even if you abstain from voting, then you will be considered part of the quorum. However, abstentions are not counted in the tally of votes FOR or AGAINST a proposal. A WITHHELD vote is the same as an abstention. If a broker, bank, custodian, nominee or other record holder of Kforce common stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular matter, the shares held by that record holder (referred to as broker non-votes ) will also be counted as present and considered part of a quorum but will not be counted in the tally of votes FOR or AGAINST a proposal.

**Q: What is the required vote for a proposal to pass?**

A: With regard to the proposal for the election of directors, the required vote is a plurality of the votes cast at a meeting at which a quorum is present. With regard to the other proposals, such proposals must receive the affirmative vote of a majority of the shares entitled to vote on the matter.

**Q: How will voting on any other business be conducted?**

A: Although we do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement, if any other business is properly presented at the Annual Meeting, your signed proxy card gives authority to William L. Sanders, Kforce's President and Secretary and Michael Blackman, Kforce's Vice President of Investor Relations, or either of them, to vote on such matters at their discretion.

**Q: How are my shares voted if I submit a proxy but do not specify how I want to vote?**

A: If you submit a properly executed proxy card or complete the telephone or Internet voting procedures but do not specify how you want to vote, your shares will be voted FOR the election of each of the nominees for director, FOR the proposal to approve Kforce's 2005 Annual Performance Bonus Plan, FOR the proposal to approve Kforce's 2005 Stock Incentive Plan, and in the discretion of the persons named as proxies on all other matters that may be brought before the meeting.

**Q: How do I vote using the telephone or the Internet?**

A: *For Shares Directly Registered in the Name of the Shareholder.* Shareholders with shares registered directly with EquiServe Trust Company, N.A. ( EquiServe ), Kforce's transfer agent, may vote on the Internet at the following address on the World Wide Web: <http://www.eproxyvote.com/kfrc>. They will be required to provide the Control Numbers contained on their proxy cards. After providing the correct Control Number, the voter will be asked to complete an electronic proxy card. The votes will be generated on the computer screen and the voter will be prompted to submit or revise them as desired. Votes submitted via the Internet by a registered shareholder must be received by 11:59 p.m. (Eastern Time) on June 20, 2005.

## Edgar Filing: KFORCE INC - Form DEF 14A

*For Shares Registered in the Name of a Bank or Brokerage.* A number of brokerage firms and banks are participating in a program for shares held in street name that offers Internet voting options. This program is different from the program provided by EquiServe for shares registered in the name of the shareholder. If your shares are held in an account at a brokerage firm or bank participating in the street name program, you may have already been offered the opportunity to elect to vote using the Internet. Votes submitted via the Internet through the street name program must be received by 11:59 p.m. (Eastern Time) on June 20, 2005.

Shareholders voting via the Internet should understand that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that the shareholder must bear.

Shareholders eligible to vote at the Annual Meeting, using a touch-tone telephone, may also vote by calling **1-877-779-8683** (toll free) and following the recorded instructions.

Please note that the method of voting used will not affect your right to vote in person should you decide to attend the Annual Meeting. Also, please be aware that Kforce is not involved in the operation of either of these Internet voting procedures and cannot take responsibility for any access or Internet Service interruptions that may occur or any inaccuracies, erroneous or incomplete information that may appear.

**Q: When are the shareholder proposals for the next Annual Meeting of Shareholders due?**

A: All shareholder proposals to be considered for inclusion in next year's proxy statement must be submitted in writing to William L. Sanders, Corporate Secretary, Kforce Inc., 1001 East Palm Avenue, Tampa, Florida 33605, by January 6, 2006. In addition, the proxy solicited by the Board for the 2006 Annual Meeting of Shareholders will confer discretionary authority to vote on any shareholder proposal presented at that meeting, unless we are provided with written notice of such proposal by March 22, 2006.

**Q: Who will pay for this proxy solicitation?**

A: We will pay all the costs of soliciting these proxies, except for costs associated with individual shareholder use of the Internet and telephone. In addition to mailing proxy solicitation material, our directors and employees may also solicit proxies in person, by telephone or by other electronic means of communication. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to our shareholders.

**PROPOSALS ON WHICH YOU MAY VOTE**

**PROPOSAL 1. ELECTION OF DIRECTORS**

The Board has ten directors who are divided into three classes serving staggered three-year terms. The current terms of the three classes of directors expire in 2005 (Class II directors), 2006 (Class III directors) and 2007 (Class I directors). At the Annual Meeting, you and the other shareholders will elect three individuals to serve as directors until the 2008 Annual Meeting. The Board has nominated John N. Allred, Patrick D. Moneymaker and A. Gordon Tunstall to stand for election at the Annual Meeting for Class II director seats. Mr. Allred and Mr. Tunstall are current members of the Board. Mr. Moneymaker is being nominated for the first time. Detailed information on each nominee is provided on pages 23-25

The individuals named as proxies will vote the enclosed proxy for the election of John N. Allred, Patrick D. Moneymaker and A. Gordon Tunstall unless you direct them to withhold your votes. If any nominee becomes unable or unwilling to stand for election, the Board may reduce its size or designate a substitute. If a substitute is designated, proxies voting for the original nominee will be cast for the substituted nominee.

**Vote Required**

The three nominees for election as Class II directors will be elected at the meeting by a plurality of all the votes cast at the meeting, meaning that the three nominees for Class II director who receive the most votes will be elected. A properly executed proxy marked to withhold authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

**The Board recommends a vote FOR each of the nominees for election as director.**

**Information About the Board of Directors and Committees**

The full Board considers all major decisions. However, the Board has established the following five standing committees so that certain important areas can be addressed in more depth than may be possible in a full Board meeting:

**Compensation Committee.** The Compensation Committee held two meetings for which its members were compensated in 2004. The Compensation Committee reviews overall compensation and fringe benefit policies and practices; reviews and recommends to the Board the adoption of, or amendments to, stock option, stock-based incentive, or stock purchase plans; approves any grants or awards under any long-term incentive program; and prepares an annual report on our executive compensation policies and practices as may be required by SEC rules. The current members of the Compensation Committee are W. R. Carey, Jr., Mark F. Furlong, Todd W. Mansfield, Elaine D. Rosen (Chairperson) and Ralph E. Struzziero. At the 2005 Annual Meeting, Todd W. Mansfield will not stand for re-election to the board of directors. Accordingly, as of the date of the Annual Meeting, he will no longer serve on the Compensation Committee.

## Edgar Filing: KFORCE INC - Form DEF 14A

**Audit Committee.** The Audit Committee held five meetings for which its members were compensated in 2004. The Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of our accounting and reporting practices and such other duties as directed by the Board. In discharging this oversight role, the Audit Committee is empowered to investigate any matter brought to its attention, with full access to all books, records, facilities and personnel of the Firm, and the power to retain outside counsel or other experts for this purpose. The Audit Committee has the sole responsibility for the appointment, compensation, oversight and termination of the independent auditors who audit our financial statements. In carrying out its responsibilities, the Audit Committee appoints, provides for the compensation of, and oversees the work of the independent auditors; pre-approves the

fees, terms, and services under all audit and non-audit engagements; reviews the performance of the independent auditors; and monitors and periodically reviews the independence of the independent auditors by obtaining and reviewing a report from the independent auditors at least annually regarding all relationships between the independent auditors and Kforce.

Other responsibilities of the Audit Committee include reviewing with the internal auditors and the independent auditors their respective annual audit plans, staffing, reports, and the results of their audits; reviewing with management and the independent auditors Kforce's annual and quarterly financial results, financial statements and results of the independent auditors' reviews of such financial information; reviewing with the independent auditors any matters of significant disagreement between management and the independent auditors and any other problems or difficulties encountered during the course of the audit and management's response to such disagreements, problems, or difficulties; conferring with the independent auditors with regard to the adequacy of internal accounting controls; reviewing with the independent auditors (a) all critical accounting policies and practices used in the audit, (b) all alternative treatments of financial accounting and disclosures within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors, and (c) other material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences as well as meeting with the independent auditors in executive session to discuss any other matters that the independent auditors believe should be discussed privately.

The Audit Committee also oversees Kforce's internal assurance function and compliance with procedures for the receipt, retention and treatment of complaints received by Kforce regarding accounting, internal accounting controls, or auditing matters and the confidential, anonymous submission by employees of Kforce of concerns regarding accounting or auditing matters.

The current members of the Audit Committee are John N. Allred, W. R. Carey, Jr. and Mark F. Furlong (Chairman). Each member of the Audit Committee is independent within the meaning of Rule 4200(a)(15) of Nasdaq's listing standards and the SEC Rules. The Board has determined that Mr. Furlong is an audit committee financial expert as defined by SEC rules. The Audit Committee's responsibilities are more fully set forth in a written charter that was adopted by the Audit Committee as of March 27, 2003 and by the Board on April 8, 2003. A copy of the charter was attached as Appendix A to the Proxy Statement relating to the 2003 Annual Meeting of Shareholders.

**Nomination Committee.** The Nomination Committee held one meeting for which its members were compensated in 2004. The Nomination Committee makes recommendations to the Board regarding the size and composition of the Board. The Nomination Committee establishes procedures for the nomination process, recommends candidates for election to our Board and nominates officers for election by the Board.

The current members of the Nomination Committee are John N. Allred, W.R. Carey, Jr. (Chairman), and Elaine D. Rosen, each of whom is independent within the meaning of Rule 4200(a)(15) of Nasdaq's listing standards. As set forth in the general guidelines established pursuant to its charter, the Nomination Committee strives for directors who will: (a) bring to the Board a variety of experience and backgrounds; (b) bring substantial senior management experience, financial expertise and such other skills that would enhance the Board's effectiveness; and (c) represent the balanced, best interests of our shareholders as a whole and the interests of our stakeholders, as appropriate, rather than special interest groups or constituencies. In selecting nominees, the Nomination Committee assesses independence, character and integrity, potential conflicts of interest, experience, and the willingness to devote sufficient time to carrying out the responsibilities of a director. The Nomination Committee has the authority to retain a search firm to be used to identify director candidates and to approve the search firm's fees and other retention terms.

The Nomination Committee will consider nominees for the Board that are proposed by our shareholders. The same identifying and evaluating procedures apply to all candidates for director nomination,

including candidates submitted by shareholders. Any shareholder who wishes to recommend a prospective nominee for the Board, for the Nomination Committee's consideration, may do so by giving the candidate's name and qualifications in writing to William L. Sanders, Corporate Secretary, Kforce Inc., 1001 East Palm Avenue, Tampa, Florida 33605. The Nomination Committee's responsibilities are more fully set forth in a written charter that was adopted by the Nomination Committee and by the Board. A copy of the charter is available on the Investor Relations page of our website at <http://www.kforce.com>.

**Corporate Governance Committee.** The Corporate Governance Committee held three meetings for which its members were compensated in 2004. The purpose of the Corporate Governance Committee is to encourage and enhance communication among independent directors. The committee consists of all directors of the Board who are independent under Nasdaq and SEC rules. The current members of the Corporate Governance Committee are John N. Allred, W.R. Carey, Jr., Mark F. Furlong, Todd W. Mansfield, Elaine D. Rosen, Ralph E. Struzziero (Chairman) and A. Gordon Tunstall. At the 2005 Annual Meeting, Todd W. Mansfield will not stand for re-election to the board of directors. Accordingly, as of the date of the Annual Meeting, he will no longer serve on the Corporate Governance Committee.

**Executive Committee.** The Executive Committee held no meetings for which they were compensated in 2004. The Executive Committee has the authority to act in place of the Board on all matters which would otherwise come before the Board, except for such matters which are required by law or by our Articles of Incorporation or Bylaws to be acted upon exclusively by the Board. The current members of the Executive Committee are Richard M. Cocchiaro, David L. Dunkel (Chairman), Todd W. Mansfield, Howard W. Sutter and A. Gordon Tunstall. At the 2005 Annual Meeting, Todd W. Mansfield will not stand for re-election to the board of directors. Accordingly, as of the date of the Annual Meeting, he will no longer serve on the Executive Committee.

The Board met seven times during 2004. Each director attended at least 75% of the total number of meetings of (a) the Board (held during the period for which they were a director) and (b) the Committees on which they served (during the periods that they served).

## **Communications with Board of Directors**

Shareholders may communicate with the full Board or individual directors by submitting such communications in writing to William L. Sanders, Corporate Secretary, Kforce Inc., 1001 East Palm Avenue, Tampa, Florida 33605. Such communications will be delivered directly to Kforce's Board of Directors.

Kforce has no formal policy on director attendance at the Annual Meeting of Shareholders. Dave Dunkel attended Kforce's 2004 Annual Meeting of Shareholders.

## **Code of Ethics**

The Board has adopted a Code of Ethics and Business Conduct that is applicable to all employees of Kforce, including the chief executive officer, chief financial officer and chief accounting officer. The Code of Ethics and Business Conduct is available on the Investor Relations page of our website at <http://www.kforce.com>.

## **Compensation of Directors**

## Edgar Filing: KFORCE INC - Form DEF 14A

Directors who are not employees receive an annual retainer of \$15,000 plus \$2,000 for each Board meeting attended with a duration of 30 minutes or longer, and \$2,000 for each committee meeting attended. **PROPOSAL 2. APPROVAL OF THE KFORCE INC. 2005 ANNUAL PERFORMANCE BONUS PLAN**

**General**

A proposal will be presented at the Annual Meeting to approve the Kforce Inc. 2005 Annual Performance Bonus Plan, which was adopted by the Board in December, 2004, subject to approval by our shareholders. The Annual Performance Bonus Plan adopted by the Board of Directors is substantially similar to annual performance bonus plans which have been in effect for several years. The complete text of the Annual Performance Bonus Plan is set forth in Appendix A to this Proxy Statement, and shareholders are urged to review it together with the following information, which is qualified in its entirety by reference to Appendix A.

The Annual Performance Bonus Plan will not be effective absent shareholder approval. The Annual Performance Bonus Plan is designed so that annual performance bonus awards granted pursuant to its terms would generally not be subject to the tax deduction limits of Section 162(m) of the Internal Revenue Code of 1986. Section 162(m) prevents a publicly held corporation from claiming tax deductions for annual compensation in excess of \$1,000,000 to certain of its senior executives. The executives subject to the limitations of Section 162(m) include any individual who, as of the last day of the corporation's taxable year, is the corporation's chief executive officer or among the four highest compensated officers other than the chief executive officer. Compensation is exempt from this limitation if it is qualified performance-based compensation.

The purpose of this proposal is to request shareholder approval of the material terms of the Annual Performance Bonus Plan in order to achieve application of this exemption. Approval of this proposal will ensure that we are able to receive tax deductions, which are beneficial to Kforce, for the full amount of performance-based compensation paid to officers under the Annual Performance Bonus Plan. One of the requirements for performance-based compensation is that Kforce's shareholders must approve the material terms of the performance-based compensation. The material terms that must be approved include (1) the employees eligible to receive the performance-based compensation, (2) the objectives under which the performance-based compensation will be determined, and (3) the maximum amount of performance-based compensation that could be paid to any executive in a fiscal year.

The Annual Performance Bonus Plan does not affect the ability of Kforce to make cash bonus awards to executive officers in such amounts and upon such terms and conditions as the Board and the officers of Kforce determine in their discretion. Such discretionary awards are not qualified performance-based compensation and are not exempt from the limitations of Sections 162(m).

The following is a summary of the material terms of the Annual Performance Bonus Plan, including the material terms of the performance goals that shareholders are being asked to approve.

**Description of the 2005 Annual Performance Bonus Plan**

*Purpose.*

## Edgar Filing: KFORCE INC - Form DEF 14A

The purpose of the Annual Performance Bonus Plan is to motivate and reward short-term performance by providing cash bonus payments based upon the achievement of pre-established and objective performance goals.

### *Administration.*

The Annual Performance Bonus Plan is administered by the Compensation Committee. Among other things, the Compensation Committee has the authority to select participants in the Annual Performance Bonus Plan from among our executive officers, and to determine the performance goals, the bonus amounts to be paid upon achievement of the performance goals, and to determine other terms and conditions of awards under the Annual Performance Bonus Plan. The Compensation Committee also has the authority to establish and amend rules and regulations relating to the Annual Performance Bonus Plan and to make all other determinations necessary and

**Table of Contents**

advisable for the administration of the Annual Performance Bonus Plan. All decisions made by the Compensation Committee pursuant to the Annual Performance Bonus Plan are made in the Compensation Committee's sole discretion and are final and binding.

*Eligibility.*

Executive officers designated by the Compensation Committee are eligible to be granted annual performance bonus awards under the Annual Performance Bonus Plan. Currently, the number of executive officers eligible to receive awards under the Annual Performance Bonus Plan is 14. Although Section 162(m) of the Code limits deductibility only for compensation paid to the five most highly compensated executive officers, the performance goals with respect to annual performance bonus awards are applied to all executive officers in the event that one or more should become subject to the limits of Section 162(m).

*Terms of Annual Performance Bonus Awards.*

Annual performance bonus awards under the Annual Performance Bonus Plan are made for each fiscal year. Performance bonus awards under the Annual Performance Bonus Plan consist of cash amounts payable upon the achievement during a fiscal year of specified objective performance goals. Within the first 90 days of the beginning of the fiscal year, the Compensation Committee will establish the performance goal and the target bonuses, which will be earned if the performance goals are achieved. The target bonus for each participant will be determined as a percentage of the participant's base salary. All performance bonus award amounts payable under the Annual Performance Bonus Plan will be paid as soon as practicable after the Compensation Committee's certification.

*Performance Goals.*

Performance goals applicable to awards under the Annual Performance Bonus Plan will be based on one or more of the following performance objectives:

common stock price

average annual growth in earnings per share

increase in shareholder value

earnings per share

net income

return on assets

return on shareholders' equity

increase in cash flow

operating profit or operating margins

revenue growth of Kforce

operating expenses

gross profit percentage

working capital

revenue levels

selling, general and administrative expense levels

debt or debt-to-equity

**Table of Contents**

accounts receivable write-offs

cash levels

liquidity

*Maximum Annual Performance Bonus Award Payable.*

For purposes of Section 162(m) of the Code, we are required to establish a maximum amount of performance-based compensation that may be paid to any participant pursuant to an award under the Annual Performance Bonus Plan in any one fiscal year. The maximum annual performance bonus award amount payable under the Plan is 300% of the participant's base salary. This limitation may not be increased without shareholder approval.

*Termination of Employment.*

A participant whose employment terminates during the fiscal year may not be entitled to any payment with respect to the annual performance bonus award.

*Amendment and Discontinuance.*

The Annual Performance Bonus Plan may be amended, modified or terminated by the Board at any time, but no such amendment, modification or termination will affect the payment of any award for a fiscal year that has already ended or increase the amount of any award.

**Federal Income Tax Consequences**

Subject to the approval by the shareholders of the proposal described herein, Kforce will be entitled to a deduction equal to the amount of income recognized by the recipient of an annual performance bonus award.

**Vote Required**

Approval of the Kforce Inc. 2005 Annual Performance Bonus Plan, under Kforce's Bylaws, requires the affirmative vote of a majority of the shares entitled to vote on the matter.

**PROPOSAL 3. APPROVAL OF THE KFORCE INC. 2005 STOCK INCENTIVE PLAN**

**General**

A proposal will be presented at the Annual Meeting to approve the Kforce Inc. 2005 Stock Incentive Plan, which was adopted by the Board in April, 2005, subject to approval by our shareholders. This request is being made because Kforce's current Stock Incentive and Non-Employee Director Plans will expire in 2005. The complete text of the Stock Incentive Plan is set forth in Appendix B to this Proxy Statement, and shareholders are urged to review it together with the following information, which is qualified in its entirety by reference to Appendix B.

The Stock Incentive Plan will not be effective absent shareholder approval. The Stock Incentive Plan is designed so that incentive stock option awards granted pursuant to its terms would generally be subject to the favorable tax treatment provided to recipients of incentive stock options under Section 422 of the Internal Revenue Code of 1986. The Stock Incentive Plan also is designed so that stock option and certain restricted and other stock awards granted pursuant to its terms would generally not be subject to the tax deduction limits of Section 162(m) of the Internal Revenue Code of 1986. Section 162(m) prevents a publicly held corporation from claiming tax deductions for annual compensation in excess of \$1,000,000 to certain of its senior executives. The executives subject to the limitations of Section 162(m) include any individual who, as of the last day of the corporation's taxable year, is the corporation's chief executive officer or among the four highest compensated officers other than the chief executive officer. Compensation is exempt from this limitation if it is qualified performance-based compensation.

The purpose of this proposal is to request shareholder approval of the material terms of the Stock Incentive Plan in order to qualify incentive stock awards under the Stock Incentive Plan for favorable tax treatment and to achieve application of the qualified performance-based compensation exception to the Section 162(m) deduction limitation. Approval of this proposal will ensure that we are able to receive tax deductions for the full amount of performance-based compensation paid to officers and other employees in the form of stock options, certain restricted stock awards and other types of stock-based payments under the Stock Incentive Plan. One of the requirements for performance-based compensation is that the corporation's shareholders must approve the material terms of the performance-based compensation. The material terms that must be approved include (1) the employees eligible to receive the performance-based compensation, (2) the objectives under which the performance-based compensation will be determined, and (3) the maximum amount of performance-based compensation that could be paid to any executive in a fiscal year.

The following important considerations should also be taken into account when considering the plan:

Kforce is a personal services business and has a long history of issuing equity incentives as a key element of its compensation programs designed to attract, motivate and retain its employees

Based on the average closing price of Kforce stock for the 30 days prior to December 31, 2003 and 2004, Kforce was the top performer in its proxy peer group in each of these years; and

Kforce stock value has increased over 300% from March 31, 2003 to December 31, 2004

By making a significant portion of compensation contingent upon long-term positive share price performance, the interests of shareholders are furthered. The Board of Directors strongly believes that this philosophy has served, and will continue to serve, Kforce well and that approval of the Stock Incentive Plan is vital to Kforce's continued success.

The following is a summary of the material terms of the Stock Incentive Plan, including the material terms of the performance goals thereunder that shareholders are being asked to approve.

## **Table of Contents**

### **Description of the Stock Incentive Plan**

The following summary of the Stock Incentive Plan is qualified in its entirety by the terms of the Stock Incentive Plan, which is attached to this proxy as Appendix B.

#### *Purpose.*

The purposes of the Stock Incentive Plan are to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to employees and consultants of Kforce and to promote the success of Kforce's business.

#### *Awards.*

The Stock Incentive Plan provides for awards of incentive stock options, nonqualified stock options, restricted stock awards, performance units, performance shares and stock appreciation rights. The Board may adopt sub-plans applicable to particular Subsidiaries. With limited exceptions, the rules of such sub-plans may take precedence over other provisions of the Stock Incentive Plan.

#### *Stock Subject to the Stock Incentive Plan.*

The aggregate number of shares of common stock that may be subject to awards under the Stock Incentive Plan, subject to adjustment upon a change in capitalization, is 4,000,000 shares which is approximately 10% of the total shares outstanding. Such shares of common stock may be authorized, but unissued, or reacquired shares of common stock. Shares of common stock that were subject to Stock Incentive Plan awards that expire or become unexercisable without having been exercised in full and shares of common stock that are delivered to or withheld by Kforce as payment for all or any portion of the exercise price of an award or the withholding of taxes shall become available for future awards under the Stock Incentive Plan.

#### *Administration.*

The Stock Incentive Plan shall be administered by Kforce's Compensation Committee. Subject to the other provisions of the Stock Incentive Plan, the Compensation Committee has the power to determine the terms of each award granted, including the exercise price, the number of shares subject to the award and the exercisability thereof.

#### *Eligibility.*

## Edgar Filing: KFORCE INC - Form DEF 14A

The Stock Incentive Plan provides that the Compensation Committee may grant awards to employees and consultants, including non-employee directors. The Compensation Committee may grant incentive stock options only to employees. A grantee who has received a grant of an award may, if he is otherwise eligible, receive additional award grants. The Compensation Committee selects the grantees and determines the number of shares of common stock to be subject to each award. In making such determination, the Compensation Committee shall take into account the duties and responsibilities of the employee or consultant, the value of his services, his potential contribution to the success of Kforce, the anticipated number of years of future service and other relevant factors. The Compensation Committee shall not grant to any employee, in any fiscal year of Kforce, stock options to purchase more than 400,000 shares of common stock.

### *Maximum Term and General Terms and Conditions of Awards.*

With respect to any grantee who beneficially owns stock possessing 10% or more of the voting power of all classes of stock of Kforce (a 10% Stockholder ), the maximum term of any incentive stock option granted to such optionee must not exceed five years. The term of all other options granted under the Stock Incentive Plan may not exceed ten years.

**Table of Contents**

Each award granted under the Stock Incentive Plan is evidenced by a written agreement between the grantee and Kforce and is subject to the following general terms and conditions:

(a) Termination of Employment. If a grantee's continuous status as an employee or consultant terminates for any reason (other than upon the grantee's death or disability), the grantee may exercise his unexercised option or stock appreciation right, but only within such period of time as is determined by the Compensation Committee (with such determination being made at the time of grant and not exceeding 3 months in the case of an incentive stock option) and only to the extent that the grantee was entitled to exercise it at the date of such termination (but in no event may the option or stock appreciation right be exercised later than the expiration of the term of such award as set forth in the award agreement). A grantee's stock award shall be forfeited, to the extent it is forfeitable immediately before the date of such termination, or settled by delivery of the appropriate number of unrestricted shares, to the extent it is nonforfeitable. A grantee's performance shares or performance units with respect to which the performance period has not ended as of the date of such termination shall terminate.

(b) Disability. If a grantee's continuous status as an employee or consultant terminates as a result of permanent and total disability (as defined in Section 22(e)(3) of the Code), the grantee may exercise his unexercised option or stock appreciation right, but only within 12 months from the date of such termination, and only to the extent that the optionee was entitled to exercise it at the date of such termination (but in no event may the option or stock appreciation right be exercised later than the expiration of the term of such award as set forth in the award agreement). A grantee's stock award shall be forfeited, to the extent it is forfeitable immediately before the date of such termination, or settled by delivery of the appropriate number of unrestricted shares, to the extent it is nonforfeitable. A grantee's performance shares or performance units with respect to which the performance period has not ended as of the date of such termination shall terminate.

(c) Death. In the event of a grantee's death, the grantee's estate or a person who acquired the right to exercise the deceased grantee's option or stock appreciation right by bequest or inheritance may exercise the option or stock appreciation right, but only within 12 months following the date of death, and only to the extent that the grantee was entitled to exercise it at the date of death (but in no event may the option or stock appreciation right be exercised later than the expiration of the term of such award as set forth in the award agreement). A grantee's stock award shall be forfeited, to the extent it is forfeitable immediately before the date of such termination, or settled by delivery of the appropriate number of unrestricted shares, to the extent it is nonforfeitable. A grantee's performance shares or performance units with respect to which the performance period has not ended as of the date of such termination shall terminate.

(d) Nontransferability of Awards. Except as described below, an award granted under the Stock Incentive Plan is not transferable by the grantee, other than by will or the laws of descent and distribution, and is exercisable during the grantee's lifetime only by the grantee. In the event of the grantee's death, an option or stock appreciation right may be exercised by a person who acquires the right to exercise the award by bequest or inheritance. To the extent and in the manner permitted by applicable law and the Compensation Committee, a grantee may transfer an award to certain family members and other individuals and entities.

*Terms and Conditions of Options.*

Each option granted under the Stock Incentive Plan is subject to the following terms and conditions:

(a) Exercise Price. The Compensation Committee determines the exercise price of options to purchase shares of common stock at the time the options are granted. As a general rule, the exercise price of an option must be no less than 100% (110% for an incentive stock option granted to a 10% Stockholder) of the fair market value of the common stock on the date the option is granted. The Stock Incentive Plan provides exceptions for certain options granted in connection with an acquisition by Kforce of another corporation or granted as inducements to an individual's

commencing employment with Kforce.

(b) Exercise of the Option. Each award agreement specifies the term of the option and the date when the option is to become exercisable. The terms of such vesting are determined by the Compensation Committee. An

**Table of Contents**

option is exercised by giving written notice of exercise to Kforce, specifying the number of full shares of common stock to be purchased and by tendering full payment of the purchase price to Kforce.

(c) Form of Consideration. The consideration to be paid for the shares of common stock issued upon exercise of an option is determined by the Compensation Committee and set forth in the award agreement. Such form of consideration may vary for each option, and may consist entirely of cash, check, promissory note, other shares of Kforce's common stock, any combination thereof, or any other legally permissible form of consideration as may be provided in the Stock Incentive Plan and the award agreement.

(d) Value Limitation. If the aggregate fair market value of all shares of common stock subject to a grantee's incentive stock option which are exercisable for the first time during any calendar year exceeds \$100,000, the excess options shall be treated as nonqualified options.

(e) Other Provisions. The award agreement may contain such other terms, provisions and conditions not inconsistent with the Stock Incentive Plan as may be determined by the Compensation Committee. Shares of common stock covered by options which have terminated and which were not exercised prior to termination will be returned to the Stock Incentive Plan.

*Stock Appreciation Rights.*

The Compensation Committee may grant stock appreciation rights in tandem with an option or alone and unrelated to an option. Tandem stock appreciation rights shall expire no later than the expiration of the related option. Stock appreciation rights may be exercised by the delivery to Kforce of a written notice of exercise. The exercise of a stock appreciation right will entitle the grantee to receive the excess of the percentage stated in the award agreement of the fair market value of a share of common stock over the exercise price for each share of common stock with respect to which the stock appreciation right is exercised. Payment upon exercise of a stock appreciation right will be in shares of common stock.

*Restricted Stock Awards.*

The Compensation Committee may grant awards of restricted shares of common stock in such amount and upon such terms and conditions as the Compensation Committee specifies in the award agreement. The Compensation Committee may grant awards of performance-based restricted stock or restricted stock awards other than performance-based restricted stock.

*Restricted Stock Other Than Performance-Based Restricted Stock*

Restricted stock other than performance-based restricted stock may be granted to employees and consultants and may be subject to one or more contractual restrictions applicable generally or to a grantee in particular, as established at the time of grant and as set forth in the related restricted stock agreement. The restricted stock agreement sets forth the conditions, if any, which will need to be satisfied before the grant will be effective and the conditions, if any, under which the grantee's interest in the restricted shares will be forfeited. As soon as practicable after a grant has become effective, the shares are registered to or for the benefit of the grantee, but subject to any forfeiture conditions established by the

## Edgar Filing: KFORCE INC - Form DEF 14A

Compensation Committee. The restricted stock agreement states whether the grantee has the right to receive any cash dividends paid with respect to the restricted shares. If the grantee has no right to receive cash dividends, the agreement may give the grantee the right to receive a cash payment in the future in lieu of the dividend payments, provided certain conditions are met. Common share dividends declared on the restricted shares after grant but before the shares are forfeited or become nonforfeitable are treated as part of the grant of the related restricted shares. A grantee has the right to vote the restricted shares after grant until they are forfeited or become nonforfeitable.

Restricted shares may vest in installments or in lump sum amounts upon satisfaction of the stipulated conditions. If the restrictions are not satisfied, the shares are forfeited and again become available under the plan.

**Table of Contents**

In the case of restricted stock grants which vest only on the satisfaction of performance objectives, the Compensation Committee determines the performance objectives to be used in connection with restricted stock awards and the extent to which such objectives have been met. Performance objectives may vary from participant to participant and between groups of participants and shall be based upon such performance factors and criteria as the Compensation Committee in its sole discretion selects.

*Performance-Based Restricted Stock*

The Compensation Committee may make grants of performance-based restricted stock to employees and consultants. The Compensation Committee has absolute discretion to establish the performance criteria that will be applicable to each grant and to determine the percentage of shares that will be granted upon various levels of attainment of the performance criteria. To comply with Section 162(m) of the Code, the establishment of the performance criteria and the determination of the grant formula must be made at the time of grant, but in no event later than 90 days after the commencement of the performance measurement period. The Compensation Committee can select the performance criteria that will be applicable to a grant of performance-based restricted shares from the following list:

common stock price

average annual growth in earnings per share

increase in shareholder value

earnings per share

net income

return on assets

return on shareholders' equity

increase in cash flow

operating profit or operating margins

revenue growth of Kforce

operating expenses

gross profit percentage

working capital

revenue levels

selling, general & administrative expense levels

debt or debt-to-equity

accounts receivable write-offs

cash levels

liquidity

The related performance-based restricted stock agreement sets forth the applicable performance criteria and the deadline for satisfying the performance criteria. No grant of performance-based restricted shares is effective until the Compensation Committee certifies that the applicable conditions (including performance criteria) have been timely satisfied.

The Compensation Committee may also make grants of performance-based restricted stock subject to one or more objective employment, performance or other forfeiture conditions applicable generally or to a grantee in particular, as established by the Compensation Committee at the time of grant and as set forth in the related performance-based restricted stock agreement. The performance-based restricted stock agreement sets forth the

## **Table of Contents**

conditions, if any, under which the grantee's interest in the performance-based restricted shares will be forfeited. If the grant or forfeiture conditions with respect to performance-based restricted shares are not satisfied, the shares are forfeited and again become available under the plan.

As soon as practicable after a grant has become effective, the shares are registered to or for the benefit of the grantee, but subject to any forfeiture conditions established by the Compensation Committee. The performance-based restricted stock agreement states whether the grantee has the right to receive any cash dividends paid with respect to the performance-based restricted shares. If the grantee has no right to receive cash dividends, the agreement may give the grantee the right to receive a cash payment in the future in lieu of the dividend payments, provided certain conditions are met. Common share dividends declared on the performance-based restricted shares after grant but before the shares are forfeited or become nonforfeitable are treated as part of the grant of the related restricted shares. A grantee has the right to vote the performance-based restricted shares after grant until they are forfeited or become nonforfeitable.

No more than 400,000 performance-based restricted shares may be granted to a grantee in any calendar year.

### *Performance Units and Performance Shares.*

The Compensation Committee may grant awards of performance units and performance shares in such amounts and upon such terms and conditions, including the performance goals and the performance period, as the Compensation Committee specifies in the award agreement. The Compensation Committee will establish an initial value for each performance unit on the date of grant.

The initial value of a performance share will be the fair market value of a share of common stock on the date of grant. Payment of earned performance units or performance shares will occur following the close of the applicable performance period and in the form of cash, shares of common stock or a combination of cash and shares of common stock.

### *Adjustment upon Changes in Capitalization.*

In the event of changes in the outstanding stock of Kforce because of any stock splits, reverse stock splits, stock dividends, mergers, recapitalizations or other change in the capital structure of Kforce, an appropriate adjustment shall be made by the Board of Directors in: (i) the number of shares of common stock subject to the Stock Incentive Plan; (ii) the number and class of shares of common stock subject to any award outstanding under the Stock Incentive Plan; and (iii) the exercise price of any such outstanding award. The determination of the Board of Directors as to which adjustments shall be made shall be conclusive.

### *Change in Control.*

In the event of a change in control of Kforce, the Board of Directors may accelerate the vesting of any outstanding award that is not fully vested on the date of the change in control. In the event of a proposed dissolution or liquidation of Kforce, all outstanding awards will terminate immediately before the consummation of such proposed action. The Board may, in the exercise of its sole discretion in such instances, declare

## Edgar Filing: KFORCE INC - Form DEF 14A

that any option or stock appreciation right shall terminate as of a date fixed by the Board and give each grantee the right to exercise his option or stock appreciation right as to all or any part of the stock covered by such award, including shares as to which the option or stock appreciation right would not otherwise be exercisable.

In the event of a merger of Kforce with or into another corporation, the sale of substantially all of the assets of Kforce or the acquisition by any person, other than Kforce or other named persons excluded in Section 2 of the Stock Incentive Plan of 25% or more of the Kforce's then outstanding securities, each outstanding option, and stock appreciation right shall be assumed or an equivalent option, restricted stock share or stock appreciation

right shall be substituted by the successor corporation; provided, however, if such successor or purchaser refuses to assume the then outstanding options, restricted stock shares or stock appreciation rights, the Stock Incentive Plan provides for the acceleration of the exercisability of all or some outstanding options and stock appreciation rights.

### *Amendment and Termination of the Stock Incentive Plan.*

The Board may at anytime amend, alter, suspend or terminate the Stock Incentive Plan. Kforce must obtain shareholder approval of any amendment to the Stock Incentive Plan in such a manner and to such a degree as is necessary and desirable to comply with Rule 16b-3 of the Exchange Act or Section 422 or Section 162(m) of the Code (or any other applicable law or regulation, including the requirements of any exchange or quotation system on which the common stock is listed or quoted). Furthermore, Kforce must obtain shareholder approval of any modification or amendment to the extent that the Board of Directors, in its sole and absolute discretion, reasonably determines, in accordance with the requirements of any exchange or quotation system on which the common stock is listed or quoted, that such modification or amendment constitutes a material revision or material amendment of the Stock Incentive Plan. No amendment or termination of the Stock Incentive Plan shall impair the rights of any grantee, unless mutually agreed otherwise between the grantee and Kforce, which agreement must be in writing and signed by the grantee and Kforce. In any event, the Stock Incentive Plan shall terminate on April 29, 2015. Any awards outstanding under the Stock Incentive Plan at the time of its termination shall remain outstanding until they expire by their terms.

## **Federal Income Tax Consequences**

Pursuant to the Stock Incentive Plan, Kforce may grant either incentive stock options, as defined in Section 422 of the Code, nonqualified options, restricted stock, stock appreciation rights, stock awards, performance units or performance shares.

An optionee who receives an incentive stock option grant will not recognize any taxable income either at the time of grant or exercise of the option, although the exercise may subject the optionee to the alternative minimum tax.

Upon the sale or other disposition of the shares more than two years after the grant of the option and one year after the exercise of the option, any gain or loss will be treated as a long-term or short-term capital gain or loss, depending upon the holding period. If these holding periods are not satisfied, the optionee will recognize ordinary income at the time of sale or disposition equal to the difference between the exercise price and the lower of (a) the fair market of the shares at the date of the option exercise or (b) the sale price of the shares. Kforce will be entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income will be characterized as long-term or short-term capital gain or loss, depending on the holding period.

All options that do not qualify as incentive stock options are referred to as nonqualified options. An optionee will not recognize any taxable income at the time he or she receives a nonqualified option grant. However, upon exercise of the nonqualified option, the optionee will recognize ordinary taxable income generally measured as the excess of the fair market value of the shares purchased on the date of exercise over the purchase price. Any taxable income recognized in connection with an option exercise by an optionee who is also an employee of Kforce will be subject to tax withholding by Kforce. Upon the sale of such shares by the optionee, any difference between the sale price and the fair market value of the shares on the date of exercise of the option will be treated as long-term or short-term capital gain or loss, depending on the holding period. Kforce will be entitled to a tax deduction in the same amount as the ordinary income recognized by the optionee with respect to shares acquired upon exercise of a nonqualified option.

With respect to stock awards, stock appreciation rights, performance units and performance shares that may be settled either in cash or in shares of common stock that are either transferable or not subject to a substantial

## **Table of Contents**

risk of forfeiture under Section 83 of the Code, the grantee will realize ordinary taxable income, subject to tax withholding, equal to the amount of the cash or the fair market value of the shares of common stock received. Kforce will be entitled to a deduction in the same amount and at the same time as the compensation income is received by the participant.

With respect to shares of common stock that are both nontransferable and subject to a substantial risk of forfeiture the participant will realize ordinary taxable income equal to the fair market value of the shares of common stock at the first time the shares of common stock are either transferable or not subject to a substantial risk of forfeiture. Kforce will be entitled to a deduction in the same amount and at the same time as the ordinary taxable income realized by the grantee.

At the discretion of the Compensation Committee, the Stock Incentive Plan allows a participant to satisfy tax withholding requirements under federal and state tax laws in connection with the exercise or receipt of an award by electing to have Shares withheld, and/or delivering to Kforce already-owned Shares.

Kforce will be entitled to a tax deduction for performance-based compensation in connection with an award only in an amount equal to the ordinary income realized by the participant and at the time the participant recognizes such income, and if applicable withholding requirements are met. In addition, Code Section 162(m) contains special rules regarding the federal income tax deductibility of compensation paid to Kforce's chief executive officer and to each of Kforce's other four most highly compensated executive officers. The general rule is that annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, Kforce can preserve the deductibility of certain compensation in excess of \$1,000,000 if it complies with certain conditions imposed by the Code Section 162(m) rules (including the establishment of a maximum number of shares with respect to which awards may be granted to any one employee during one year) and if the material terms of such compensation are disclosed to and approved by Kforce's shareholders. We have structured the Stock Incentive Plan with the intention that compensation resulting from awards under the Stock Incentive Plan can qualify as performance-based compensation and, if so qualified, would be deductible. Such continued treatment is subject to, among things, approval of the Stock Incentive Plan by Kforce's shareholders and accordingly we are seeking such approval.

The foregoing is only a summary of the effect of federal income taxation upon the grantee and Kforce with respect to the grant and exercise of awards under the Stock Incentive Plan, does not purport to be complete, and does not discuss the tax consequences of the grantee's death or the income tax laws of any municipality, state or foreign country in which a grantee may reside.

## **Vote Required**

## **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Kforce directors, executive officers and persons holding more than ten percent of our common stock to file reports of ownership and changes in ownership of the common stock with the SEC. The directors, officers and ten percent shareholders are required by the SEC regulations to furnish us with copies of all Section 16(a) reports that they file. The SEC has designated specific due dates for these reports and we must identify in this proxy statement those persons who did not file these reports when due.

Based solely on our review of copies of the reports received by us and written representations from certain reporting persons, we believe that all directors, executive officers and persons holding more than ten percent of our common stock were in compliance with their filing requirements, with the exception of the Form 4's filed on May 10, 2004, by each of Messrs. Blackman, Dunkel, Kelly, Liberatore, Pierce, Sanders and Sutter reporting option and restricted stock grants on January 1, 2004.

## **INDEPENDENT AUDITORS**

Our consolidated financial statements for the year ended December 31, 2004 have been audited by Deloitte & Touche LLP, independent auditors. Deloitte & Touche LLP has also been engaged to audit our consolidated financial statements for the years ended December 31, 2005 and 2006, and to provide review services for each of the quarters in the years ending December 31, 2005 and 2006. **Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors**

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors in order to ensure that the provision of such services does not impair the auditor's independence. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific limit above which separate pre-approval is required. Management is required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. During fiscal year 2004, 100% of audit-related services were pre-approved by the Audit Committee in accordance with this policy. The Audit Committee adopted a revised policy in February 2004.

### **Employment and Severance Contracts**

We are a party to employment agreements with Messrs. Dunkel, and Pierce, effective July 1, 2003 and to employment agreements with Messrs. Liberatore, Sanders and Ettore, effective March 16, 2005. These agreements are for a rolling period of two years and 364 days for Messrs. Dunkel, Liberatore, and Sanders, two years for Messrs. Pierce and Ettore, and provide for an annual base salary and certain other benefits. Each employment agreement provides that the executive is entitled to severance if his employment is terminated by us without cause or if the executive resigns for good reason (as defined in the employment agreements). In such case, the executive would receive a lump sum payment equal to his base salary from the date of termination for a period of 2.99 years plus the average of the last three years bonuses with respect to Messrs. Dunkel, Sanders and Liberatore, two years plus the average of the last two years bonuses with respect to Messrs. Pierce and Ettore. The employment agreements also provide that upon a change in control of Kforce, in conjunction with a termination of the executive without cause or the executive's resignation for good reason, each executive would be entitled to receive a lump sum payment equal to 2.99 times the executive's annual salary plus the average of the last three years bonuses with respect to Messrs. Dunkel, Sanders and Liberatore, and two times the executive's annual salary plus the average of the last two years bonuses with respect to Messrs. Pierce and Ettore, subject to certain limitations. In general, a change in control is defined by the employment agreements to be any replacement of 50% or more of the directors, certain extraordinary corporate occurrences, such as a merger or other business combination involving Kforce, a sale of all or substantially all of Kforce's assets, a solicitation of proxies other than by our management or the Board, or an acquisition by a person or group of 25% or more of Kforce stock (excluding certain acquisitions by us, certain of our benefit plans, entities controlled by us and acquisitions by David L. The Compensation Committee makes every effort to maintain independence and objectivity. The Committee meets in executive session (excluding the CEO) from time to time where discussions or decisions regarding executive pay take place. The Compensation Committee is committed to 1) staying informed of current issues and emerging trends, 2) ensuring that Kforce's executive compensation program remains aligned with best practices, and 3) establishing and maintaining an executive compensation program that is consistent with shareholder interests while being responsive to executive needs.

### **Executive Compensation Philosophy and Guiding Principles**

Kforce's executive compensation philosophy is to attract, motivate and retain highly qualified executives who are able to maximize shareholder value. In seeking to carry out this philosophy and employ highly qualified executives, the Compensation Committee has embraced certain principles intended to guide compensation design and administrative decisions made by the Board, the Committee and management.

#### *1 Compensation should be directly aligned with performance.*

Executive compensation levels should be commensurate with Kforce's performance and shareholder return. The annual incentive program incorporates profitable growth measures that the Compensation Committee believes will increase long-term shareholder value. For each measure, incentive awards can be at, above or below target levels based on actual versus planned results, with no payments made if performance does not meet a minimum threshold level. Long-term incentive awards should be tied directly to stock price appreciation and, possibly, other performance measures which the Compensation Committee believes correlate with long-term increases in Kforce's stock price.

#### *2 Pay opportunities and program design should be competitive with market practice.*

Attracting and retaining key management talent are critical to the success of a staffing firm in which people represent the true assets of the company. Understanding competitive market pay levels is essential to hiring and keeping qualified executives. It also is important to be knowledgeable of best practices and how comparable organizations compensate their executives. The Committee works with independent advisors to annually review Kforce's pay levels against those of comparable organizations and to provide the Committee with information as to emerging trends and issues impacting executive compensation.

The Compensation Committee reviews compensation data from several independent sources to determine whether Kforce's total compensation program continues to be competitive. Kforce's competitive market for executive talent is primarily professional organizations. However, the Compensation Committee also reviews pay data for other comparably sized professional service organizations because Kforce generally requires skills from a more varied set of backgrounds. Total pay levels for Named Executive Officers are targeted between the 50th percentile (median) and the 75th percentile of the industry average for named executives when performance goals are achieved.

3 *Short and long-term performance should be effectively balanced through incentive compensation.*

Kforce's compensation program seeks to balance the focus of employees on achieving the challenging short-term results while seeking to ensure Kforce's long-term success. In an effort to balance these perspectives, Kforce's employees are regularly provided with both annual and long-term incentives. The balance is weighted toward the long-term incentive plan for higher levels of responsibility because employees in leadership roles have the greatest influence on Kforce's long-term interests.

## **Table of Contents**

### *4 Share ownership should be promoted.*

Kforce's executives should have a personal financial stake directly aligned with the interests of Kforce's shareholders. Long-term incentives provide an equity stake to executive officers in the form of stock options and full value awards such as restricted stock. Executives can also increase their equity ownership levels by receiving stock in lieu of cash compensation (at the Compensation Committee's discretion). In addition, all employees are eligible to purchase stock through the Employee Stock Purchase Plan. While no formal ownership guidelines are currently in place, the Compensation Committee will continue to monitor executive officers' stock ownership levels to ensure they have a meaningful equity stake. Several of the Named Executive Officers currently have significant equity ownership levels. If deemed necessary, Kforce will consider introducing formal ownership guidelines or mandatory holding periods following option exercise / awards vesting in the future.

### *5 Kforce considers the tax deductibility of executive compensation as appropriate.*

In determining executive compensation, the Compensation Committee considers, among other factors, the possible tax consequences to Kforce. However, tax consequences, including without limitation, tax deductibility, are subject to many factors (such as changes in the tax laws and regulations or interpretations of such laws and regulations, and the timing and nature of various decisions by executives regarding options and other rights) that are beyond the control of the Compensation Committee or Kforce. In addition, the Compensation Committee believes that it is important for it to retain maximum flexibility in designing compensation programs that meet its stated objectives. For all of the foregoing reasons, the Compensation Committee, while considering tax deductibility as one of its factors in determining compensation, will not limit compensation to those levels or types of compensation that will be deductible. The Compensation Committee will consider alternative forms of compensation, consistent with its compensation goals, that preserve deductibility.

We have structured the Stock Incentive Plan so that gains from the exercise of stock options will be fully deductible for federal income tax purposes under Section 162(m) of the Internal Revenue Code of 1986, as amended. However, certain forms of compensation cannot be deducted, such as salary, the value of perquisites, discretionary bonuses, and certain restricted stock awards, to the extent that the value of these compensation components exceed \$1 million. The Committee reserves the right to use such forms of compensation to the extent deemed to be in the interests of our shareholders even if such may result in less than their full tax deductibility.

## **Compensation Components and Market Positioning**

Kforce seeks to provide significant incentives to its officers if Kforce attains substantial performance success. Kforce especially emphasizes stock price increases in its compensation process. In essence, the Committee supports the notion that the pay percentile rank should seek to match, but not exceed, Kforce's performance percentile rank. Each component of pay has its role and is described as follows:

### *Base Salaries*

Consistent with Kforce's compensation strategy, which seeks to minimize fixed costs and maximize the percentage of at-risk performance-based pay for senior executives, base salaries for Named Executive Officers are targeted at the 50th percentile of competitive practices as compared with similar positions at comparable companies. Salary levels also reflect past performance, expected future contributions, and the experience level of each incumbent.

*Annual Performance Bonus Compensation*

Annual performance bonus compensation is targeted at the 67th percentile of competitive practices and will result in total cash compensation at approximately the 60th percentile when challenging performance goals are met. Actual total cash compensation will be at, above, or below targeted levels, based on actual versus planned performance results. Targeting pay above the market median will promote retention while requiring the

## **Table of Contents**

fulfillment of challenging performance goals. All executives participate in the Annual Performance Bonus Plan, which is based on corporate, unit and individual performance. For 2005, the corporate measures for funding annual performance bonuses will be earnings per share, revenue levels and selected business objectives. The goal-setting process takes into consideration internal budgets, past performance, market expectations and competitor performance.

### *Long-Term Incentives*

Long-term incentives are targeted at the 60th percentile of competitive practices and are intended to align executive and shareholder interests. Annual stock option grants represent the primary form of long-term incentives for executive officers. Stock options granted in 2004 have an exercise price equal to the grant date fair market value, vest in June 2005, and expire 10 years from the date of grant. In 2004, executives received 25% of their target award opportunities in the form of restricted stock, which vest two years from date of grant. For purposes of administrative ease, Kforce granted stock options for fiscal year 2005 in December 2004. We believe restricted stock grants require fewer shares than do stock options to deliver a target award value and serve as a useful retention device.

In order to limit potential shareholder dilution from equity plans and better manage share reserves, equity grant run rates were capped at 4% of common shares outstanding in 2004. Going forward, run rates will vary with Kforce's performance, ranging from 2% to 4% of common shares outstanding.

### **Compensation of the Chief Executive Officer**

During 2004, Mr. Dunkel's salary remained at \$575,000. In 2004, Mr. Dunkel's target annual incentive award was equal to 100% of salary, with 40% of the target award tied to actual versus planned earnings per share (EPS), 40% tied to Kforce's total revenues and 20% tied to individual Management Business Objectives (MBOs). During 2004, Mr. Dunkel earned a cash bonus of \$1,150,000, or 200% of his salary. The components of the cash bonus in 2004 included a discretionary award of \$230,000, an award of \$460,000 based on increased revenue growth and an award of \$460,000 based on increased earnings per share. Each of these awards was based on achieving 200% of target objectives. Mr. Dunkel received the maximum payout achievable under the stock price component, as Kforce ranked first among industry peers in total shareholder return for the one year period.

In January 2004, Mr. Dunkel was granted 153,300 stock options, which vested on December 31, 2004. In December 2004, Mr. Dunkel was granted 196,332 stock options as part of his 2005 compensation which are scheduled to vest on June 30, 2005. Mr. Dunkel also received 38,330 shares of restricted stock in January 2004 which vest two years from the date of grant. He also received an additional 98,166 shares of restricted stock in December 2004 as part of his 2005 compensation which vest two years from the date of grant. These grants were consistent with Kforce's award guidelines for the year. Prospectively, these grant levels are likely to change in accordance with performance results, competitive practice and Kforce's compensation strategy.

The Compensation Committee believes that the guiding principles of Kforce's executive compensation program will allow it to attract, motivate and retain quality executives who will deliver shareholder value. While specific program features will likely change, the Compensation Committee will continue to govern its decisions based on the principles as outlined in this report to Kforce's shareholders.

(iv) *Forfeiture Conditions.* The Committee may make each Performance-Based Restricted Stock grant (if, when and to the extent that the grant becomes effective) subject to one, or more than one, objective employment, performance or other forfeiture condition which the Committee acting in its sole and absolute discretion deems appropriate under the circumstances for Employees or Consultants generally or for a Grantee in particular, and the related Restricted Stock Agreement shall set forth each such condition and the deadline for satisfying each such forfeiture condition. A Grantee's nonforfeitable interest in the Shares related to a Performance-Based Restricted Stock grant shall depend on the extent to which each such condition is timely satisfied. A Stock certificate shall be issued (subject to the conditions, if any, described in this Section 8(b)) to, or for the benefit of, the Grantee with respect to the number of shares for which a grant has become effective as soon as practicable after the date the grant becomes effective.

A Grantee's nonforfeitable interest in the Shares related to a grant of Restricted Stock which is not a grant of Performance-Based Restricted Stock shall depend on the extent to which each such condition is timely satisfied. (d) *Dividends and Voting Rights.* Each Restricted Stock Agreement shall state whether the Grantee shall have a right to receive any cash dividends which are paid with respect to his or her Restricted Stock after the date his or her Restricted Stock grant has become effective and before the first day that the Grantee's interest in such stock is forfeited completely or becomes completely nonforfeitable. If a Restricted Stock Agreement provides that a Grantee has no right to receive a cash dividend when paid, such agreement shall set forth the conditions, if any, under which the Grantee will be eligible to receive one, or more than one, payment in the future to compensate the Grantee for the fact that he or she had no right to receive any

If a stock dividend is declared on such a Share after the grant is effective but before the Grantee's interest in such Stock has been forfeited or has become nonforfeitable, such stock dividend shall be treated as part of the grant of the related Restricted Stock, and a Grantee's interest in such stock dividend shall be forfeited or shall become nonforfeitable at the same time as the Share with respect to which the stock dividend was paid is forfeited or becomes nonforfeitable. If a dividend is paid other than in cash or stock, the disposition of such dividend shall be made in accordance with such rules as the Committee shall adopt with respect to each such dividend. A Grantee shall have the right to vote the Shares related to his or her Restricted Stock grant after the grant is effective with respect to such Shares but before his or her interest in such Shares has been forfeited or has become nonforfeitable.

(e) *Satisfaction of Forfeiture Conditions.* A Share shall cease to be Restricted Stock at such time as a Grantee's interest in such Share becomes nonforfeitable under the Plan, and the certificate representing such share shall be reissued as soon as practicable thereafter without any further restrictions related to Section 8(b) or Section 8(c) and shall be transferred to the Grantee.

Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the Date of Grant. The Committee shall set performance goals that, depending upon the extent to which they are met, will determine the number or value of Performance Units or Performance Shares that will be paid to the Grantee.

(c) *Payment of Performance Units and Performance Shares.*

(i) Subject to the terms of the Plan, after the applicable Performance Period has ended, the holder of Performance Units or Performance Shares shall be entitled to receive a payment based on the number and value of Performance Units or Performance Shares earned by the Grantee over the Performance Period, determined as a function of the extent to which the corresponding performance goals have been achieved.

(ii) If a Grantee is promoted, demoted or transferred to a different business unit of the Firm during a Performance Period, then, to the extent the Committee determines appropriate, the Committee may adjust, change or eliminate the performance goals or the applicable Performance Period as it deems appropriate in order to make them appropriate and comparable to the initial performance goals or Performance Period.

(d) *Form and Timing of Payment of Performance Units and Performance Shares.* Payment of earned Performance Units or Performance Shares shall be made in a lump sum following the close of the applicable Performance Period. The Committee may pay earned Performance Units or Performance Shares in cash or in Shares (or in a combination thereof) that have an aggregate Fair Market Value equal to the value of the earned Performance Units or Performance Shares at the close of the applicable Performance Period. Such Shares may be granted subject to any restrictions deemed appropriate by the Committee. The form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

**10. Tax Withholding.** The Firm shall deduct from all cash distributions under the Plan any taxes required to be withheld by federal, state, local or foreign government. Whenever the Firm proposes or is required to issue or transfer Shares under the Plan, the Firm shall have the right to require the recipient to remit to the Firm an amount sufficient to satisfy any federal, state, local and foreign withholding tax requirements prior to the delivery

of any certificate or certificates for such shares. A Grantee may pay the withholding tax in cash, or, if the applicable Award Agreement provides, a Grantee may elect to have the number of Shares he is to receive reduced by the smallest number of whole Shares that, when multiplied by the Fair Market Value of the Shares determined as of the Tax Date (defined below), is sufficient to satisfy federal, state, local and foreign, if any, withholding taxes arising from exercise or payment of a grant under the Plan (a Withholding Election ). A Grantee may make a Withholding Election only if the Withholding Election is made on or prior to the date on which the amount of tax required to be withheld is determined (the Tax Date ) by executing and delivering to the Firm a properly completed notice of Withholding Election as prescribed by the Committee. The Committee may in its sole and absolute discretion disapprove and give no effect to the Withholding Election.

**11. Adjustments Upon Changes in Capitalization or Change of Control.**

(a) *Changes in Capitalization.* Subject to any required action by the shareholders of the Firm, the number of Covered Shares, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Award, as well as the price per share of Covered Stock, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Firm; provided, however, that conversion of any convertible securities of the Firm shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Firm of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Covered Stock.

(b) *Change in Control.* In the event of a Change in Control, then the following provisions shall apply:

(i) *Vesting.* The Board may, in the exercise of its sole and absolute discretion, accelerate the vesting and nonforfeitability of any Award that is outstanding on the date such Change in Control is determined to have occurred and that is not yet fully vested and nonforfeitable on such date.

(ii) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Firm, to the extent that an Award is outstanding, it will terminate immediately prior to the consummation of such proposed action. The Board may, in the exercise of its sole and absolute discretion in such instances, declare that any Option or SAR shall terminate as of a date fixed by the Board and give each Grantee the right to exercise his or her Option or SAR as to all or any part of the Covered Stock, including Shares as to which the Option or SAR would not otherwise be exercisable.

(iii) *Merger or Asset Sale.* Except as otherwise determined by the Board, in its sole and absolute discretion, prior to the occurrence of a merger of the Firm with or into another corporation, or the sale of substantially all of the assets of the Firm, in the event of such a merger or sale each outstanding Option or SAR shall be assumed or an equivalent option or right shall be substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation or a Parent or Subsidiary of the successor corporation does not agree to assume the Option or SAR or to substitute an equivalent option or right, the Board may, in the exercise of its sole and absolute discretion and in lieu of such assumption or substitution, provide for the Grantee to have the right to exercise the Option or SAR as to all or a portion of the Covered Stock, including Shares as to which it would not otherwise be exercisable. If the Board makes an Option or SAR exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Committee shall notify the Grantee that the Option or SAR shall be fully exercisable for a period of 30 days from the date of such notice, and the Option or SAR will terminate upon the expiration of such period. For the purposes of this paragraph, the Option or SAR shall be considered assumed if, following the merger or sale of assets, the option or right confers the right to purchase, for each Share of Covered Stock subject to the Option or SAR immediately prior to the merger or sale of assets, the consideration (whether stock,

cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets was not solely common stock of the successor corporation or its Parent, the Board may, with the consent of the successor corporation and the participant, provide for the consideration to be received upon the exercise of the Option or SAR, for each Share subject to the Option or SAR, to be solely common stock of the successor corporation or its Parent equal in Fair Market Value to the per Share consideration received by holders of Common Stock in the merger or sale of assets.

(iv) Except as otherwise determined by the Board, in its sole and absolute discretion, prior to the occurrence of a Change in Control other than the dissolution or liquidation of the Firm, a merger of the Firm with or into another corporation, or the sale of substantially all of the assets of the Firm, in the event of such a Change in Control, all outstanding Options and SARs, to the extent they are exercisable and vested, shall be terminated in exchange for a cash payment equal to the Change in Control Price (reduced by the exercise price applicable to such Options or SARs). These cash proceeds shall be paid to the Grantee or, in the event of death of a Grantee prior to payment, to the estate of the Grantee or to a person who acquired the right to exercise the Option or SAR by bequest or inheritance.

**12. Term of Plan.** The Plan shall become effective upon its approval by the shareholders of the Firm within 12 months after the earlier of the date of its adoption by the Board or the date of its approval by the shareholders. Such shareholder approval shall be obtained in the manner and to the degree required under applicable federal and state law. The Plan shall continue in effect until the tenth anniversary of adoption of the Plan by the Board, unless terminated earlier under Section 13 of the Plan.

## **13. Amendment and Termination of the Plan.**

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend or terminate the Plan.

(b) *Shareholder Approval.* The Firm shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Rule 16b-3 or with Section 422 or Section 162(m) of the Code (or any successor rule or statute) or other Applicable Law. Such shareholder approval, if required, shall be obtained in such a manner and to such a degree as is required by the Applicable Law.

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Grantee, unless mutually agreed otherwise between the Grantee and the Committee, which agreement must be in writing and signed by the Grantee and the Firm.

## **14. Conditions Upon Issuance of Shares.**

(a) *Legal Compliance.* Shares shall not be issued pursuant to an Award unless the exercise, if applicable, of such Award and the issuance and delivery of such Shares shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, Applicable Law, and the requirements of any stock exchange or quotation system upon which the Shares may then be listed or quoted, and shall be further subject to the approval of counsel for the Firm with respect to such compliance.

(b) *Investment Representations.* As a condition to the exercise of an Award, the Firm may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Firm, such a representation is required.

**15. Liability of Firm.**

(a) *Inability to Obtain Authority.* The inability of the Firm to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Firm's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Firm of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

(b) *Grants Exceeding Allotted Shares.* If the Covered Stock covered by an Award exceeds, as of the date of grant, the number of Shares that may be issued under the Plan without additional shareholder approval, such Award shall be void with respect to such excess Covered Stock, unless shareholder approval of an amendment sufficiently increasing the number of Shares subject to the Plan is timely obtained in accordance with Section 13 of the Plan.

**16. Reservation of Shares.** The Firm, during the term of the Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

**17. Rights of Employees and Consultants.** Neither the Plan nor any Award shall confer upon a Grantee any right with respect to continuing the Grantee's employment or consulting relationship with the Firm, nor shall they interfere in any way with the Grantee's right or the Firm's right to terminate such employment or consulting relationship at any time, with or without cause.

**18. Sub-plans for Foreign Subsidiaries.** The Board may adopt sub-plans applicable to particular foreign Subsidiaries. All Awards granted under such sub-plans shall be treated as grants under the Plan. The rules of such sub-plans may take precedence over other provisions of the Plan, with the exception of Section 3, but unless otherwise superseded by the terms of such sub-plan, the provisions of the Plan shall govern the operation of such sub-plan.

**19. Construction.** The Plan shall be construed under the laws of the State of Florida, to the extent not preempted by federal law, without reference to the principles of conflict of laws.
