PROXY STATEMENT

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

This proxy statement is first being sent to stockholders on or about July 14, 2005, in connection with the solicitation of proxies by the Board of Directors of Q.E.P. Co., Inc. (the Company), to be voted at the Annual Meeting of Stockholders to be held on July 27, 2005, and at any adjournment thereof (the Meeting). The close of business on July 14, 2005 has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting. At the close of business on the record date, the Company had outstanding [3,458,288] shares of \$0.001 par value Common Stock (Common Stock), all of which are entitled to one vote per share at the Meeting.

Shares represented by duly executed proxies in the accompanying form received by the Company prior to the Meeting will be voted at the Meeting. If stockholders specify in the proxy a choice with respect to any matter to be acted upon, the shares represented by such proxies will be voted as specified. If a proxy card is signed and returned without specifying a vote or an abstention on any proposal, it will be voted according to the recommendation of the Board of Directors on that proposal. The Board of Directors recommends a vote FOR the election of directors and FOR the ratification of the appointment of the independent certified public accountants. The Board of Directors knows of no other matters that may be brought before the Meeting. However, if any other matters are properly presented for action, it is the intention of the named proxies to vote on them according to their best judgment.

Stockholders who hold their shares through an intermediary must provide instructions on voting as requested by their bank or broker. A stockholder who signs and returns a proxy may revoke it at any time before it is voted by taking one of the following three actions: (i) voting in person at the Meeting; (ii) giving written notice of the revocation to the Secretary of the Company; or (iii) executing and delivering a proxy with a later date, provided that no revocation will be effective until written notice of the revocation is received by the Company at or prior to the Meeting.

A majority of the outstanding shares of Common Stock, represented in person or by proxy, constitutes a quorum for the transaction of business at the Meeting. The affirmative vote of at least a majority of the votes of the shares of Common Stock present in person or represented by proxy at the Meeting is required to approve all matters to be voted upon at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by one or more inspectors of election, appointed at the Meeting, who will also determine whether a quorum is present for the transaction of business. Abstentions and broker non-votes will be counted as shares present in the determination of whether shares of the Company's Common Stock represented at the Meeting constitute a quorum. With respect to all matters to be voted upon at the meeting, abstentions will be treated as votes AGAINST and broker non-votes will not be counted for the purpose of determining whether a proposal has been approved.

The expense of preparing, printing, and mailing proxy materials to stockholders of the Company will be borne by the Company. In addition to the use of mail, employees of the Company may solicit proxies personally and by telephone. The Company's employees will receive no compensation for soliciting proxies other than their regular salaries. The Company will also reimburse brokerage houses and other nominees for their expenses in forwarding proxy material to beneficial owners of the Company's stock.

The Board of Directors and its Committees

During the fiscal year ended February 28, 2005, the Company's Board of Directors held five meetings. Each of the Company's directors attended at least 75% of the total number of Board meetings and meetings of committees of which he is a member that were held during fiscal year 2005. In addition to attending meetings, directors discharge their responsibilities through review of Company reports to directors, correspondence, and telephone conferences with the Company's executive officers, employees and others regarding matters of interest to the Company. The Board of Directors has determined that the following directors are independent directors as defined by Nasdaq listing requirements: Geary Cotton, Christian Nast, and Emil Vogel. The Board of Directors has standing audit, compensation, and nominating committees.

Audit Committee

The Audit Committee consists of Christian Nast, Emil Vogel and Geary Cotton, each of whom is a non-employee director of the Company and each of whom is independent under Nasdaq listing standards. In accordance with the applicable Nasdaq rules, all Audit Committee members are able to read and understand financial statements. The Board of Directors has determined that Geary Cotton, Chairman of the Audit Committee, is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Exchange Act and he is independent under Nasdaq listing standards. Pursuant to the revised Audit Committee charter adopted in October 2002, as amended in May 2004, the duties of the Audit Committee are, among others, to select, retain, and evaluate the Company's independent registered certified public accountants, to review and approve in advance all related party transactions, to meet with the Company's independent registered certified public accountants to review the scope of audit procedures employed by the Company's independent auditors, to review and approve the audit reports rendered by the Company's independent registered certified accountants, to review and discuss all factors and relationships affecting the independence of the independent registered certified accountants and to approve the audit fee and all permissible non-audit services performed by the accountants. During fiscal 2005, the Audit Committee met five times, and the Chairman of the Audit Committee held several meetings with management and the Company's independent registered certified public accountants.

Management is responsible for the Company's financial reporting process and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and the independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for monitoring and reviewing these processes, not to conduct auditing or accounting reviews and procedures. Members of the Audit Committee are not required to be accountants or auditors by profession. The Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the audit of the Company's financial statements has been carried out in accordance with standards of the United States Public Company Accounting Oversight Board.

Audit Committee Report

In fulfilling its oversight responsibilities during fiscal 2005, the Audit Committee reviewed the financial statements included in the quarterly filings with the Securities and Exchange Commission (SEC) on Form 10-Q and the audited financial statements in the Annual Report on Form 10-K of the Company with management, including a discussion of the quality and acceptability of the accounting principles, the reasonableness of significant judgments and the clarity of the footnote disclosures contained in, or used in the compilation of, the financial statements of the Company.

The Audit Committee has discussed with the Company's registered independent auditors the overall scope and plans for the audit, the results of such audit, Grant Thornton's evaluation of the Company's internal controls and the quality of the financial reporting practices of the Company. The Audit Committee also reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the

Edgar Filing: QEP CO INC - Form DEF 14A

quality and acceptability of the Company's accounting principles and such other matters required to be discussed under general auditing standards, including Statement on Auditing Standards No. 61. Additionally, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures and the letter from the independent auditors as required by the Independence Standards Board, Standard No. 1.

In reliance on the reviews and discussions referred to above and when considering whether the level of non-audit services provided by Grant Thornton LLP is consistent with the maintenance of its independence, the Audit Committee recommended to the

Edgar Filing: QEP CO INC - Form DEF 14A

Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2005 for filing with the SEC. The Board of Directors of the Company has approved such recommendation.

The foregoing has been furnished by the Audit Committee:

Geary Cotton, Chairman
Christian Nast
Emil Vogel

This section is not Soliciting Material, is not deemed filed with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Compensation of Independent Certified Public Accountants

The Company incurred the following fees, including expenses billed to the Company, for the fiscal years ended February 28, 2005 and February 29, 2004 by Grant Thornton LLP, the Company's independent accounting firm:

Audit Fees Fees for the fiscal 2005 and fiscal 2004 audit and the reviews of the Company's annual financial statements and interim financial statements included in Forms 10-Q were approximately \$422,500 and \$361,300, respectively.

Audit Related Fees Fees for the fiscal 2005 and fiscal 2004 audit of the Company's 401(K) Plan were approximately \$15,000 and \$15,000, respectively.

Tax Fees Fees for the fiscal 2005 and fiscal 2004 tax return preparation, and in fiscal 2004 review and Internal Revenue Service examination for the Company's fiscal 1999 tax return were \$39,800 and \$60,300, respectively.

All Other Fees Aggregate fees for all other services, rendered by Grant Thornton LLP for fiscal 2005 and fiscal 2004 were approximately \$6,200 and \$6,900, respectively.

The Audit Committee has not adopted a pre-approval policy and considers and approves services provided by Grant Thornton LLP on a case by case basis. All fees during fiscal 2005 for non-audit services were approved by the Company's Audit Committee.

Compensation Committee

Edgar Filing: QEP CO INC - Form DEF 14A

The Compensation Committee consists of Christian Nast, Emil Vogel, and Geary Cotton, each of whom is a non-employee director of the Company and each of whom is independent under Nasdaq listing standards. The purpose of the Compensation Committee is to recommend to the Board both base salary levels and bonuses for the Chief Executive Officer and the other officers of the Company. The Compensation Committee also reviews and makes recommendations with respect to the Company's existing and proposed compensation plans, and serves as the committee responsible for awarding grants to employees of options under the Company's Omnibus Stock Plan of 1996. During fiscal 2005, the Compensation Committee met once to determine the salary and discuss the bonuses of the Company's executive officers. See Board Compensation Committee Report on Executive Compensation.

Compensation of Directors

During fiscal 2005, all non-employee directors were granted 10,000 shares stock options, paid a retainer fee of \$10,000 each, and \$1,000 for attendance at each meeting of the Board of Directors, \$2,000 for attendance at each Audit Committee meeting, \$1,500 for attendance at each Compensation Committee meeting and \$3,000 for each Governance meeting. Although the directors have the option to receive their fees in cash or an amount of shares of Company common stock based on their fair value of such stock at the date of each meeting, during fiscal 2005, the directors received only cash. Effective for fiscal 2006, the Compensation Committee has approved an increase to the non-employee director compensation. Directors will be paid a retainer fee of \$12,000 each, and \$1,200 for attendance at each meeting of the Board of Directors, \$2,000 for attendance at each Audit Committee meeting, \$1,500 for attendance at each Compensation Committee meeting and \$3,000 for attendance at each Governance Committee meeting. In addition, the stock option grant was increased from 10,000 to 15,000. The directors are also reimbursed for reasonable travel or other out-of-pocket expenses incurred in connection with attending such meetings. No employee of the Company received any additional compensation for his service as a director.

Nominating Committee

The Nominating Committee consists of Christian Nast and Emil Vogel, each of whom is a non-employee director of the Company and each of whom is independent under Nasdaq listing standards. The Nominating Committee does have a written charter and a current copy of such charter is available to stockholders on the Company's website, www.qep.com. The Nominating Committee does not have a formal policy with regard to the consideration of director candidates recommended by stockholders. Because of the historical small turnover of the Company's directors, the Company addresses the need to retain members and fill vacancies after discussion among current members of the Nominating Committee, the Board of Directors and the Company's management. Stockholders may nominate director candidates by complying with certain specific procedural and informational requirements set forth in the Company's Bylaws. The Nominating Committee employs general guidelines rather than adhering to strict requirements in selecting director candidates. In accordance with such guidelines the Nominating Committee gives consideration to prospective nominees who, among other things will bring to the Board of Directors a variety of experiences and backgrounds; will help to form a central core of business executives with substantial senior management experience, financial expertise, and such other skills that would enhance the Board of Director's effectiveness; and will represent the balanced, best interests of the Company's stockholders as a whole and the interests of the Company's other stakeholders, including customers, employees, and vendors. Furthermore, to the extent possible and appropriate, the Nominating Committee aspires to confirm that each prospective nominee is an individual of high character and integrity who has the ability to work well with others; possesses substantial and significant experience which would be of value to the Company in the performance of the duties of a director; and has sufficient time available to devote to the affairs of the Company in order to carry out the responsibilities of a director.

Communication With the Board of Directors and Director Attendance at Annual Meetings

Directors are expected to fulfill their fiduciary duties to the Company's stockholders, including preparing for and attending meetings of the Board of Directors and the committees of which the directors are a member. The Company does not have a formal policy regarding director attendance at annual meetings. Nevertheless, directors are encouraged to attend. All five members of the Company's Board of Directors attended the 2004 Annual Meeting.

Stockholders may communicate with the Board of Directors by writing to them c/o Marc Applebaum, Senior Vice President and Chief Financial Officer, of the Company, care of the Board of Directors (or at the stockholder's option, care of a specific director), at 1081 Holland Drive, Boca Raton, Florida 33487. The Company will ensure that all communications to the Board of Directors or any particular director (properly marked and addressed as set forth above) will be delivered to the Board of Directors or a specified director, as the case may be.

Code of Ethics

The Board of Directors adopted a Code of Ethics for senior financial officers of the Company in fiscal 2004. It applies to the Company's Chief Executive Officer, Chief Financial Officer, Controller, and to each of the Finance Directors of the Company's subsidiaries. The Code of Ethics is designed to deter wrongdoing and to promote honest and ethical conduct, full and accurate disclosure in periodic reports, and compliance with laws and regulations by the Company's senior officers who have financial responsibilities. A copy of the Code of Ethics was filed with the Company's Annual Report on Form 10-K for the fiscal year ending February 29, 2004, filed with the Securities and Exchange Commission on May 27, 2004. The Company will provide a copy of the policy in print without charge to any stockholder who makes a written request to: Marc Applebaum, Q.E.P. Co., Inc., 1081 Holland Drive, Boca Raton, Florida 33487.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: QEP CO INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, executive officers and persons who beneficially own more than ten percent of the outstanding common stock of the Company (Ten Percent Owners) to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. The Company's directors, executive officers and Ten Percent Owners are required to furnish the Company with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such reports received by it, the Company believes that during the fiscal year ended February 28, 2005, its directors, executive officers and Ten Percent Owners complied with all applicable Section 16(e) filing requirements except for the following Form 4s, each of which was inadvertently filed late: Mr. Christian Nast reported the exercise of three separate

stock options and the disposition of stock by gift on May 3, 2004; Mr. Emil Vogel reported the exercise of stock options on May 3, 2004; Messrs. Geary Cotton, Nast, and Vogel each reported the acquisition of stock options on July 22, 2004; and, Mr. Nast reported the purchase of stock on August 3, 2004.

401(k) Plan

Effective March 1, 1995, the Company merged, amended and restated its prior defined contribution profit sharing plan and its prior 401(k) plan into a revised plan (the 401(k) Plan) to provide retirement income to employees of the Company. The prior plans were, and the 401(k) Plan is intended to remain, qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended.

The 401(k) Plan covers all employees who are at least age 21 and have completed three months of service. It is funded each year by the following contributions: (i) voluntary pre-tax (salary reduction) contributions from employees up to a maximum dollar limit set by law, (ii) discretionary matching contributions by the Company equal to a percentage of the amount of the employee s salary reduction contribution, which percentage is to be determined each year by the Company (and may be zero), and (iii) a profit sharing contribution, the amount of which, if any, is determined by the Company in its sole discretion. Upon leaving the Company, each participant is 100% vested with respect to the participant s contributions and is vested based on years of service with respect to the Company s matching contributions. Contributions are invested as directed by the participant in investment funds available under the 401(k) Plan. Full retirement benefits are payable to each participant in a single cash payment upon the participant s retirement, termination of employment, death or disability.

The agreement provides that Mr. Gould shall devote his full business time to the Company, may be terminated by the Company for cause (as defined in the agreement) and will receive an annual base salary of \$456,750 subject to adjustment for cost of living increases and other factors. Board Compensation Committee Report On Executive Compensation

All executive officer compensation for fiscal 2005 was established by the Compensation Committee. In determining executive officer compensation, the Committee took into consideration all factors it deemed relevant, including business conditions in general and in the Company s line of business, the Company s performance, and the performance of the specific executive officer under consideration. In addition to salaries and retirement plan contributions, the compensation program for executive officers also includes awards of stock options/SARs under the Company s Omnibus Stock Plan of 1996.

The compensation for Mr. Gould was governed by the terms of an employment agreement entered into in May 2003, which provided for an adjustment to his annual salary based on the change in the cost of living index. During fiscal 2005, Mr. Gould s annual salary was \$485,029, and he received no annual discretionary bonus. In determining the base salary to be paid to Mr. Gould, the Compensation Committee considered a number of factors, including the Company s increase in net profit for the fiscal year and the overall performance of the Company attributable to

Edgar Filing: QEP CO INC - Form DEF 14A

Mr. Gould's efforts, business conditions in general, and market compensation for executives with similar background and experience. The Compensation Committee determined the no bonus was due for Mr. Gould after reviewing the results for the prior year.

This report is provided by each member of the Compensation Committee who participated in determining 2005 executive officer compensation, and who currently serves as a member of the Company's Board of Directors.

PERFORMANCE GRAPH

The following graph is a comparison of the cumulative total returns for the Company's Common Stock as compared with the cumulative total return for the NASDAQ Stock Market (U.S.) Index and the Russell 2000 Index. The Securities and Exchange Commission rules provide that the Company may compare its returns to those of issuers with similar market capitalization if the Company does not use a published industry or line-of-business index as a comparison and does not believe it can reasonably identify a peer group. After reasonable inquiry, the Company determined that no existing published industry or line-of-business indexes were applicable to the Company's business. In addition, the Company was unable to identify a peer group of publicly traded companies to which it believed a reasonable and meaningful comparison could be made. Therefore, the Company determined to compare its returns to those of the Russell 2000 Index, an index which the Company believes includes companies with market capitalizations similar to its own. The graph assumes that \$100 was invested in the Company's Common Stock on February 29, 2000 and in each of the indexes on such date, and that all dividends were reinvested.
