The Pricing Agreement incorporates by reference the terms and conditions of an Underwriting Agreement, dated August 8, 2005 (the Underwriting Agreement), by and among the Company and, as to the issuance and sale of the Notes, the Underwriters.

The Company and the Underwriters intend to consummate the sale and purchase of the Notes pursuant to the Pricing Agreement on August 15, 2005. The Notes will be sold to the public at an issue price of 99.872% of the aggregate principal amount of the Notes, which is an aggregate issue price of \$798,976,000. The net proceeds to the Company from the sale of the Notes, after the underwriting discount, but before transaction expenses of the sale of the Notes, will be \$796,176,000.

The Notes constitute the Company's newly created series of 4.75% Notes Due 2010 (the Series) and are senior, unsecured debt securities of the Company. The Series was created and established, and its terms and conditions were established, by action of the Company and an authorized officer of the Company pursuant to, and in accordance with, the terms of the Indenture, dated as of July 19, 2005 (the Indenture), between the Company and J.P. Morgan Trust Company, National Association, as trustee (the Trustee). The terms of the Notes are as set forth in the Indenture and in the form of Global Note (referred to below) that will represent the Notes.

The material terms of the Notes are described in (i) the prospectus supplement of the Company dated August 8, 2005, which relates to the offer and sale of the Notes (the Prospectus Supplement) and supplements the Company's prospectus dated July 19, 2005, which prospectus relates to the offer and sale from time to time of up to \$5,000,000,000 of the Company's debt securities (the Prospectus), and (ii) in the Prospectus. The Prospectus Supplement and the Prospectus were filed by the Company with the Securities and Exchange Commission (the Commission) on August 10, 2005 pursuant to Rule 424(b)(2) of the Commission promulgated under the U.S. Securities Act of 1933, as amended (the Securities Act), in connection with the offer and sale of the Notes.

The Notes will be delivered in book-entry form only and will be represented by two global notes, one of which will be in the original principal amount of \$500,000,000 and the other of which will be in the original principal amount of \$300,000,000 (the Global Notes). Each of the Global Notes will be payable to CEDE & Co., as the nominee of The Depository Trust Company. The Global Notes will be executed by the Company and authenticated by the Trustee.

Filed as exhibits to this Current Report on Form 8-K are (i) the Pricing Agreement, (ii) the Underwriting Agreement that was entered into by the Company and Goldman, Sachs & Co. to establish the form of underwriting agreement to be entered into by the Company and the underwriters, and the provisions of which will be incorporated by reference into each pricing agreement entered into by the Company and the underwriters, in connection with underwritten offers and sales of the Company's debt securities pursuant to the Registration Statement, (iii) the Indenture, (iv) the Series Terms Certificate that relates to the Series, that was executed in accordance with the Indenture and that evidences the establishment of the terms and conditions of the Series in accordance with the Indenture, (v) the form of the Global Notes and (vi) the opinion of Andrews Kurth LLP regarding the legality of the Notes.

The Notes are being offered and sold by the Company pursuant to the Company's Registration Statement on Form S-3 (File No. 333-126512), which relates to the offer and sale on a delayed basis from time to time of \$5,000,000,000 of the Company's debt securities and which was declared effective by the Commission on July 19, 2005 (the Registration Statement).
