Item 1.01. Entry into a Material Definitive Agreement.

On June 21, 2006, the Compensation, Organization and Corporate Governance Committee (the Committee) of Material Sciences Corporation (the Company) approved the issuance of restricted shares (Restricted Shares) of the Company's common stock, \$0.02 par value (the Common Stock), and the grant of options to purchase shares of Common Stock (Stock Options), to certain key employees of the Company pursuant to the Company's 1992 Omnibus Stock Awards Plan for Key Employees (the 1992 Plan).

As provided in the 1992 Plan, the awards of Restricted Shares are subject to the vesting and other restrictions provided for in the form of Restricted Stock Award Agreement (the Restricted Shares Agreement) attached as Exhibit 10.1 to this Form 8-K and incorporated herein by reference. Pursuant to the Restricted Shares Agreement, the Restricted Shares will vest if the cumulative after-tax net income per diluted share is at least \$1.62 (the Target) for the fiscal years ended February 28, 2007, February 29, 2008 and February 28, 2009. The Committee may change the Target in the event of unforeseen events, such as changes in law, accounting principles or a merger, acquisition, divestiture or other significant transaction. Upon a change of control of the Company or the employee's death, permanent disability, retirement at or after age 65 or termination of the employee's employment by the Company without cause, the employee will be vested in a pro rata share of his or her Restricted Shares if the Company is projected to meet the Target based on its financial performance through the fiscal quarter preceding (or coincident with) the employee's termination. Upon the employee's resignation or termination of the employee's employment by the Company for cause, the employee will forfeit his or her unvested Restricted Shares.

Unless the transfer of Restricted Shares by an employee is to a family member, the Restricted Shares may generally not be sold, transferred or pledged until they are vested and the employee has satisfied share retention guidelines set by the Committee, the employee's employment terminates or the employee has an unforeseeable emergency.

As provided in the 1992 Plan, the Stock Options are subject to the terms and restrictions provided for in the form of Non-Qualified Stock Option Agreement (the Stock Option Agreement) attached as Exhibit 10.2 to this Form 8-K and incorporated herein by reference. Pursuant to the Stock Option Agreement, the exercise price at which an employee may purchase a share of Common Stock pursuant to a Stock Option will be the greater of \$12.75 or the fair market value of the Common Stock on the Stock Option grant date. A Stock Option will terminate on the fifth anniversary of such grant date. An employee will become vested in his or her Stock Options on the third anniversary of the grant date, if the employee is continuously employed by the Company from the grant date until such third anniversary. Upon a change of control of the Company or the employee's death, permanent disability, retirement at or after age 65 or termination of the employee's employment by the Company without cause, an employee will become vested in a pro rata portion of his or her Stock Options. Upon a voluntary termination of employment or termination of employment by the Company for cause, an employee will lose the right to exercise his or her vested Stock Options 30 days after such termination (or upon termination of the Stock Options due to the occurrence of the fifth anniversary of the Stock Option grant date, if earlier). If an employee's employment is terminated by the Company without cause or due to death, permanent disability or retirement

after age 65, the employee will have up to three years to exercise his or her vested Stock Options, but cannot exercise the Stock Options after they expire (i.e. the fifth anniversary of the grant date).

The description in this Item 1.01 of the 1992 Plan, the Restricted Shares Agreement and the Stock Option Agreement is qualified in its entirety by reference to the full text of the 1992 Plan which is attached as Exhibit 4.1 to Form S-8 (No. 333-47536) that the Company filed with the Securities and Exchange Commission on October 6, 2000 and incorporated herein by reference and the full text of the Restricted Shares Agreement and the Stock Option Agreement.
