Subject Company:

A.G. Edwards, Inc.

Commission File No.: 1-8527

Date: June 18, 2007

This filing may contain certain forward-looking statements with respect to each of Wachovia Corporation (Wachovia) and A.G. Edwards, Inc. (A.G. Edwards) and the combined company following the proposed merger between Wachovia and A.G. Edwards (the Merger), as well as the goals, plans, objectives, intentions, expectations, financial condition, results of operations, future performance and business of Wachovia, including, without limitation, (i) statements relating to the benefits of the Merger, including future financial and operating results, cost savings, enhanced revenues and the accretion/dilution to reported earnings that may be realized from the Merger, (ii) statements relating to the benefits of the merger between Wachovia and Golden West Financial Corporation (Golden West) completed on October 1, 2006 (the Golden West Merger), including future financial and operating results, cost savings, enhanced revenues and the accretion to reported earnings that may be realized from the Golden West Merger, (iii) statements regarding certain of Wachovia s and/or A.G. Edwards goals and expectations with respect to earnings, earnings per share, revenue, expenses and the growth rate in such items, as well as other measures of economic performance, including statements relating to estimates of Wachovia s credit quality trends, and (iv) statements preceded by, followed by or that include the words may , could , should , would , believe , anticipate , estimate , expect , intend , plan , projects , outlook or similar expressions. These statements are based upon the current beliefs and expectations of Wachovia s management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond Wachovia s control).

The following factors, among others, could cause Wachovia s financial performance to differ materially from that expressed in such forward-looking statements: (1) the risk that the businesses of Wachovia and A.G. Edwards in connection with the Merger or the businesses of Wachovia and Golden West in connection with the Golden West Merger will not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (2) the risk that expected revenue

synergies and cost savings from the Merger or the Golden West Merger may not be fully realized or realized within the expected time frame; (3) the risk that revenues following the Merger or the Golden West Merger may be lower than expected; (4) deposit attrition, operating costs, customer loss and business disruption following the Merger or the Golden West Merger, including, without limitation, difficulties in maintaining relationships with employees, may be greater than expected; (5) the inability to obtain governmental approvals of the Merger on the proposed terms and schedule; (6) the failure of A.G. Edwards' shareholders to approve the Merger; (7) risk that the strength of the United States economy in general and the strength of the local economies in which Wachovia and/or A.G. Edwards conducts operations may be different than expected resulting in, among other things, a deterioration in credit quality or a reduced demand for credit, including the resultant effect on Wachovia's loan portfolio and allowance for loan losses; (8) the effects of, and changes in, trade, monetary and fiscal policies and laws, including interest rate policies of the Board of Governors of the Federal Reserve System; (9) potential or actual litigation; (10) inflation, interest rate, market and monetary fluctuations; and (11) adverse conditions in the stock market, the public debt market and other capital markets (including changes in interest rate conditions) and the impact of such conditions on Wachovia's and A.G. Edwards' brokerage and capital markets activities. Additional factors that could cause Wachovia's and A.G. Edwards' results to differ materially from those described in the forward-looking statements can be found in Wachovia's and A.G. Edwards' Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed with the SEC. All subsequent written and oral forward-looking statements concerning Wachovia or the proposed Merger or other matters and attributable to Wachovia or A.G. Edwards or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above. Wachovia and A.G. Edwards do not undertake any obligation to update any forward-looking statement, whether written or oral, relating to the matters discussed in this filing.

The proposed Merger will be submitted to A.G. Edwards' shareholders for their consideration. Wachovia will file a registration statement with the SEC, which will include a proxy statement/prospectus regarding the proposed Merger. A.G. Edwards' shareholders are urged to read the registration statement and the proxy statement/prospectus when they become available, as well as any other relevant documents concerning the proposed Merger filed with the SEC (and any amendments or supplements to those documents), because they will contain important information. You will be able to obtain a free copy of the registration statement and the proxy statement/prospectus, as well as other filings containing information about Wachovia and A.G. Edwards, at the SEC's website (<http://www.sec.gov>) and at the companies' respective websites, www.wachovia.com and www.agedwards.com. Edwards, Inc., Investor Relations, One North Jefferson Avenue, St. Louis, MO 63103, (314) 955-3000.

Wachovia and A.G. Edwards, and their respective directors and executive officers, may be deemed to be participants in the solicitation of proxies from the

shareholders of A.G. Edwards in connection with the proposed Merger. Information about the directors and executive officers of Wachovia is set forth in the proxy statement for Wachovia's 2007 annual meeting of shareholders, as filed with the SEC on a Schedule 14A on March 9, 2007.
