**ITEM 1.01 Entry into a Material Definitive Agreement.**

On August 31, 2007, the Company amended its senior credit facility with Wells Fargo Bank N.A. in Houston (the Senior Credit Facility ). The Senior Credit Facility consists of a revolving line of credit, two equipment term loans and two real estate term loans. The amended credit agreement is comprised of \$36 million in term loans and a \$25 million revolving credit facility, and provides for borrowing through August 8, 2009. This represents a \$1 million increase in the equipment term loan and a \$5 million increase in working capital availability within the revolving credit facility. Additionally, the Company s working capital line borrowing base, which is monitored monthly, increases from 80% of eligible accounts receivable to 85% of eligible accounts receivable. Interest rates for the Senior Credit Facility were unchanged.

Borrowings under the Senior Credit Facility are subject to certain covenants and a material adverse change subjective acceleration clause. Affirmative covenants include compliance with laws, various reporting requirements, visitation rights, maintenance of insurance, maintenance of properties, keeping of records and books of account, preservation of existence of assets, notification of adverse events, ERISA compliance, joinder agreement with new subsidiaries, borrowing base audits, and use of treasury management services. Negative covenants include limitations associated with liens, indebtedness, change in nature of business, transactions with affiliates, investments, distributions, subordinate debt, leverage ratio, fixed charge coverage ratio, consolidated net income, prohibition of fundamental changes, asset sales and capital expenditures. All Senior Credit Facility borrowings are collateralized by substantially all of our assets.
