Item 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

The actions described below, as undertaken at the discretion of the Board of MBIA Inc. (MBIA or the Company) or the Compensation Committee of the Board, and as undertaken by the members of senior management of the Company listed below, satisfy the conditions set forth on Schedule 1.2(a)(3)(B)(ii) to the Investment Agreement, dated as of December 10, 2007, between Warburg Pincus Private Equity X (Warburg Pincus) and the Company, to Warburg Pincus obligation to consummate its investment in the Company under the Investment Agreement. The Investment Agreement is described more fully in the Company s current report on Form 8-K, filed on December 13, 2007, and is attached as Exhibit 10.1 thereto.

As part of the Investment Agreement, the members of senior management of the Company listed below committed to purchase a certain dollar amount of stock from the Company.

Under the rules of the New York Stock Exchange applicable to listed companies, acquisitions of stock by employees from the Company generally must be effected under a shareholder approved equity compensation plan. To facilitate the above described stock purchases, while assuring compliance with the applicable NYSE rules, on December 21, 2007, the Compensation Committee of the Board awarded each of the officers listed below stock options under the 2005 Omnibus Incentive Plan in respect of the number of shares of the Company s Common Stock set forth opposite his or her name with an exercise price of \$31.00 per share. This price was in excess of the fair market value of the Common Stock on that date. These stock options will become exercisable upon, and subject to, the closing of the Investment Agreement, and will be exercisable for only 60 days following the closing of the Investment Agreement. Acceptance by each of these executives of the grant of these options is conditioned upon the executive s agreement to exercise the options within the stated exercise period.

Each of the above named executives also agreed (without providing any material compensation to such individual) that neither (a) the consummation of the transactions contemplated by the Investment Agreement nor (b) any future acquisitions of Company common stock (or of other securities convertible into, or exercisable for, shares of such stock) by Warburg Pincus or its affiliates to the extent not prohibited by the Investment Agreement will constitute a Change of Control with respect to such executive under the terms of any applicable employee or executive benefit plan or agreement maintained by the Company.

On December 21, 2007, the Company also amended each of the employee benefit plans listed below (and authorized management to amend any other plan which contains a Change of Control or similar definition) to provide that neither (a) the consummation of the transactions contemplated by the Investment Agreement nor (b) any future acquisitions of Company common stock (or of other securities convertible into, or exercisable for, shares of such stock) by Warburg Pincus or its affiliates to the extent not prohibited by the Investment Agreement will constitute a Change of Control with respect to such officer under the terms of such plan.

Item 7.01. REGULATION FD DISCLOSURE.

MBIA issued a press release on each of December 19, 2007, December 20, 2007 and December 21, 2007. Copies of the press releases are attached as Exhibits 99.1, 99.2 and 99.3 hereto.

The information in the press releases is being furnished, not filed, pursuant to Item 7.01 of Form 8-K. Accordingly, the information in Item 7.01 of this Current Report, including Exhibits 99.1, 99.2 and 99.3, will not be incorporated by reference into any registration statement filed by MBIA under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated by reference.

Item 8.01. OTHER EVENTS.

The following information is being filed pursuant to Item 8.01 Other Events of Form 8-K.

MBIA announced on December 19, 2007 that Standard & Poor's Ratings Services (Standard & Poor's) has affirmed the Triple-A insurance financial strength ratings for MBIA Insurance Corporation. MBIA also announced that Standard & Poor's changed its Outlook for MBIA Inc. and MBIA Insurance Corporation to Negative from Stable.

Standard & Poor's indicated in its announcement that its research has led [Standard & Poor's] to the conclusion that the potential for further mortgage market deterioration remains uncertain and will challenge the ability of the insurers to accurately gauge their ongoing additional capital needs in the near term. As a result, [Standard & Poor's] [is] effectively adopting a negative outlook for those firms with significant exposure to domestic subprime mortgages and/or meaningful lower credit quality exposures. The assignment of a negative outlook also reflects Standard & Poor's assessment with regard to the strength of a company's capital position when weighed against projected stress case losses as well as the comprehensiveness and degree of completion of projected capitalization strengthening efforts underway.

MBIA announced on December 21, 2007 that on December 20, 2007 Fitch Ratings (Fitch) placed the AA ratings of MBIA Inc. and AAA ratings of MBIA Insurance Corporation and its subsidiaries on Rating Watch Negative pending MBIA's raising additional capital. In its press release, Fitch indicated that MBIA has a shortfall of approximately \$1 billion and stated that "If at any time during the next four-to-six weeks, MBIA is able to obtain capital commitments and/or put in place reinsurance or other risk mitigation measures, on top of the \$1 billion capital commitment the company received from Warburg Pincus, that would help improve MBIA's Matrix result at an AAA rating stress, Fitch would anticipate affirming MBIA's ratings with a Stable Rating Outlook. Fitch also noted that if MBIA is unable to obtain capital commitments or put into place reinsurance or other risk mitigation measures to address its capital shortfall in the noted timeframe, Fitch would expect to downgrade MBIA's insurer financial strength ratings by one notch to AA+." There can be no assurance that MBIA will be able to obtain capital commitments or put into place reinsurance or other risk mitigation measures to address its capital shortfall in the noted timeframe in order to avoid a downgrade from Fitch.
