Partial Amendment to the Articles of Incorporation, Etc.

Mizuho Financial Group, Inc. (the Company) announced today that, in the meeting of the Board of Directors held on May 15, 2008, it was resolved that Partial Amendment to the Articles of Incorporation, Etc. be proposed at the sixth (6th) ordinary general meeting of shareholders scheduled to be held on June 26, 2008.

Description

Partial Amendment to the Articles of Incorporation, Etc.

With the implementation of the electronic share certificate system under the Law for Partial Amendments to the Law Concerning Book-entry Transfer of Corporate Bonds and Other Securities for the Purpose of Streamlining the Settlement of Trades of Stocks and Other Securities (Law No. 88 of 2004, the Settlement Rationalization Law) scheduled to be implemented in January 2009, all listed shares are to become eligible for book-entry transfer. Because fractional shares will no longer be handled under the new book-entry transfer system after the implementation of the electronic share certificate system, in addition to abolishing the fractional share system by conducting the allotment of shares or fractions of a share without consideration pursuant to the provisions of Article 88 of the Law Concerning Adjustment and Coordination of Relevant Laws in Association with the Enforcement of the Company Law (Law No. 87 of 2005, the Adjustment Law), partial amendment to the Articles of Incorporation and partial amendment to the Terms and Conditions of the Eleventh Series of Class XI preferred stock and of the Thirteenth Series of Class XIII preferred stock, which are outstanding, will be made, as set forth below, pursuant to Article 88, Paragraph 5 of the Adjustment Law, in order to adopt the unit share system.

In addition, in conjunction with such amendment, necessary amendments to prepare for the adoption of the electronic public notice system and the implementation of the electronic share certificate system will be made.

In order to lower the minimum investment amount to one-tenth (1/10) in conjunction with the adoption of the unit share system, the Company has resolved, at the meeting of the Board of Directors held today, to make an amendment to the Articles of Incorporation, with which the number of shares constituting one (1) unit of shares will be reduced from 1,000 to 100 pursuant to Article 195 of the Company Law, subject to the approval of the proposal concerning Allotment of shares or fractions of a share without consideration, and to this proposal concerning Partial amendment to the Articles of Incorporation, Etc., and being the effective date the day preceding the date the Settlement Rationalization Law becomes effective. Therefore, the number of shares constituting one (1) unit of shares under Article 9 of the proposed amendments to the Articles of Incorporation, which is 1,000 by the application of Article 88, Paragraph 5, Item 1 of the Adjustment Law, will become 100, with respect to the common stock and each class of preferred stock, on the day preceding the date the Settlement Rationalization Law becomes effective.

The announcement with respect to the abolishment of the fractional share system and lowering of the minimum investment amount was separately made today.

[Proposed Amendments to the Articles of Incorporation]

- (1) Pursuant to Article 88, Paragraph 5, Item 2 of the Adjustment Law, as of the effective date of the allotment of shares or fractions of a share without consideration, the total number of shares of the Company authorized to be issued and the total number of shares in each share class of the Company authorized to be issued will be respectively changed to numbers obtained by multiplying the total number of shares of the Company authorized to be issued, or the total number of shares in each share class of the Company authorized to be issued, as of the preceding day of the effective date of the allotment of shares or fractions of a share without consideration by the number of shares constituting one (1) unit of shares as described in (2) below. Prior to this change, with the acquisition and cancellation of all the shares of common stock of the Company held by its subsidiary as of May 28, 2007, and with the partial acquisition of the shares of common stock of the Company during the period commencing on August 16, 2007 and ending on September 6, 2007, followed by the cancellation thereof as of September 28, 2007, the number of such shares will be reduced from the total number of shares of the Company authorized to be issued and the total number of shares in such share class (common stock) of the Company authorized to be issued set forth in Article 6 of the current Articles of Incorporation (Article 6 of the proposed amendments to the Articles of Incorporation, and Article 1, Paragraphs 2 and 3 of the supplementary provisions of the proposed amendments to the Articles of Incorporation).
- (2) Pursuant to Article 88, Paragraph 5, Item 1 of the Adjustment Law, an amendment with respect to all the respective share classes of the Company stating to the effect that the number of shares constituting one (1) unit of shares will be 1,000, as well as an amendment prescribing the establishment of provisions concerning the rights, etc., of shares constituting less than one (1) unit, and necessary amendments required by such amendments will be made (Articles 9, 10, 11 and a portion concerning the shares constituting less than one (1) unit in Article 14 of the proposed amendments to the Articles of Incorporation).
- (3) With the abolishment of the fractional share system, the provisions concerning fractional shares will be deleted (Article 9, Article 11, Paragraph 4, and a portion concerning the fractional shares in Articles 12 through 15 and Articles 52 and 53 of the current Articles of Incorporation).
- (4) Pursuant to Article 88, Paragraph 5, Item 3 of the Adjustment Law, with respect to the rights and benefits of the preferred stock, of which certain amounts or quantities are stipulated, including dividends from surplus and distribution of residual assets, the stipulated amounts or quantities will be changed to amounts or quantities obtained by dividing such amounts or quantities by the number of shares constituting one (1) unit of shares described in (2) above (portions concerning the cash amount in Articles 15 and 17, and Article 22 of the proposed amendments to the Articles of Incorporation).
- (5) In addition to the foregoing, amendments to the method of public notice brought about by the adoption of the electronic public notice system (Article 5 of the proposed amendments to the Articles of Incorporation) and necessary amendments to prepare for the implementation of the electronic share certificate system (Article 12 and a portion concerning share certificates in Article 14 of the proposed amendments to the Articles of Incorporation) will be made. Also, other necessary amendments, including renumbering of the articles, will be made.
