Proxy Statement for Annual Meeting of Stockholders

DECEMBER 10, 2009

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: Our board of directors is making these materials available to you on the Internet, or, upon your request, is delivering printed proxy materials to you, in connection with the solicitation of proxies for use at Maxim's 2009 annual meeting of stockholders, which will take place on December 10, 2009 at 10 a.m. Pacific Time, at our Event Center located at 433 N. Mathilda Avenue, Sunnyvale, California 94086. As a stockholder holding shares of our common stock on October 15, 2009 (the record date), you are invited to attend the annual meeting and requested to vote on the proposals described in this proxy statement.

As of the record date, 305,443,410 shares of Maxim's common stock were issued and outstanding.

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of our directors and most highly paid executive officers, and certain other information required to be provided by the rules and regulations of the Securities and Exchange Commission (the SEC).

Q: Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of printed proxy materials?

A: In accordance with rules recently adopted by the SEC, we may now furnish proxy materials, including this proxy statement and our 2009 Annual Report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. On or about October 29, 2009, we are mailing the notice of the Internet Availability of Proxy Materials (the Notice) to our stockholders (except those stockholders who previously requested electronic or paper delivery of proxy materials), which includes instructions as to how stockholders may access and review all of the proxy materials on the Internet. The Notice also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials provided in the Notice.

Q: How do I get electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

View our proxy materials for the annual meeting on the Internet and vote online; and

If desired, instruct us to send our future proxy materials to you electronically by email or by mail.

Q: I share an address with another stockholder and we only received one copy of the Notice and/or other proxy materials. How may I obtain a separate copy?

A: Under the procedure approved by the SEC called householding, if you have the same address and last name as another stockholder and do not participate in electronic delivery of proxy materials, you may receive only one copy of the Notice, or, if applicable, one copy of any other proxy materials, until you instruct us otherwise. Please note that you will still be able to access the proxy materials on the Internet and vote your shares separately.

If you received a single copy of the Notice or other proxy materials as a result of householding and you would like to have separate copies of such materials mailed to you, please submit your request either by calling the number provided below or mailing a written request to the address provided below:

Corporate Secretary

Maxim Integrated Products, Inc.

120 San Gabriel Drive

Sunnyvale, CA 94086

(408) 470-5606

We will promptly mail a separate copy of this proxy statement upon our receipt of such request. Please note that if you want to receive a paper copy of this proxy statement or other proxy materials, you should follow the instructions included in the Notice.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

the election of seven directors;

the ratification of the appointment of Deloitte & Touche LLP as Maxim's independent registered public accounting firm for the fiscal year ending June 26, 2010;

the ratification and approval of an amendment to Maxim's 2008 ESP Plan to increase the number of shares available for issuance thereunder by 2,000,000 shares;

the ratification and approval of amendments to Maxim's 1996 Equity Plan to (a) increase the number of shares available for issuance thereunder by 6,000,000 shares and (b) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire; and

the approval of the adoption of Maxim's Executive Bonus Plan, which is a bonus plan for officers of Maxim compliant with Section 162(m) of the Internal Revenue Code.

In addition, we will consider any other items of business that properly come before the annual meeting.

Q: What are the requirements for admission to the meeting?

A: Only stockholders holding shares of Maxim's common stock as of the record date or their proxy holders and Maxim's guests may attend the meeting. Admission to the meeting will be on a first-come, first-served basis. Registration and seating will begin at 9:30 a.m. (Pacific Time). Cameras and other video or audio recording devices will not be permitted at the meeting.

Edgar Filing: MAXIM INTEGRATED PRODUCTS INC - Form DEF 14A

If you attend, please note that you may be asked to present valid picture identification, such as a driver's license or passport. If you hold your shares as a beneficial owner through a brokerage firm, bank, broker-dealer, trustee or nominee, you will need to ask your brokerage firm, bank, broker-dealer, trustee or nominee for an admission card in the form of a legal proxy. You will need to bring the legal proxy with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement (reflecting your share ownership as of October 15, 2009, the record date) with you to the meeting. We can use that to verify your ownership of shares of our common stock and admit you to the meeting. However, as discussed more fully under the heading "What is the difference between holding shares as a stockholder of record and as a beneficial owner?", beneficial owners will not be able to vote their shares at the annual meeting without a legal proxy.

Q: *How does the board of directors recommend that I vote?*

A: Our board of directors recommends that you vote your shares (1) FOR the election of each of the nominees to the board of directors, (2) FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2010 fiscal year, (3) FOR the ratification and approval of an amendment to Maxim's 2008 ESP Plan to increase the number of shares available for issuance thereunder by 2,000,000 shares, (4) FOR the ratification and approval of amendments to Maxim's 1996 Equity Plan to (a) increase the number of shares available for issuance thereunder by 6,000,000 shares and (b) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire, and (5) FOR the approval of the adoption of Maxim's Executive Bonus Plan, which is a bonus plan for officers of Maxim compliant with Section 162(m) of the Internal Revenue Code.

Q: *How many votes do I have?*

A: For each proposal to be voted on, you have one vote for each share of Maxim's common stock you own as of the record date.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: Many Maxim stockholders hold their shares through a broker or other nominees rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record: If your shares are registered directly in your name with our transfer agent, Computershare, as of the record date, you are considered, with respect to those shares, the *stockholder of record*, and the Notice was sent directly to you by Maxim. As the *stockholder of record*, you have the right to grant your voting proxy directly to Maxim or to vote in person at the annual meeting. If you requested to receive printed proxy materials, Maxim has enclosed or sent a proxy card for you to use. You may also vote on the Internet or by telephone, as described in the Notice and below under the heading "How can I vote my shares without attending the annual meeting?", or by completing and mailing the proxy card if you requested a printed copy of the proxy materials.

Beneficial Owner: If your shares are held in an account at a brokerage firm, bank, broker-dealer, trust or other similar organization, like the vast majority of our stockholders, you are considered the *beneficial owner* of shares held in *street name*, and the Notice was forwarded to you by that organization. As the beneficial owner, you have the right to direct your brokerage firm, bank, broker-dealer or trustee how to vote your shares, and you are also invited to attend the annual meeting. Since a *beneficial owner* is not the *stockholder of record*, you may not vote your shares in person at the annual meeting unless you obtain a legal proxy from the brokerage firm, bank, broker-dealer, trust or other similar organization that holds your shares giving you the right to vote the shares at the meeting. If you do not wish to vote in person or you will not be attending the annual meeting, you may vote by proxy. You may vote by proxy over the Internet or by telephone, as described in the Notice and below under the heading "How can I vote my shares without attending the annual meeting?"

Q: *How can I vote my shares in person at the annual meeting?*

A: Shares held in your name as the stockholder of record may be voted by you in person at the annual meeting. Shares held beneficially in street name may be voted by you in person at the annual meeting only if you obtain a legal proxy from the brokerage firm, bank, broker-dealer, trustee or nominee that holds your shares giving you the right to vote the shares.

Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the annual meeting. If you are a stockholder of record, you may vote by proxy. You may vote by proxy over the Internet or by telephone by following the instructions provided in the Notice, or, if you requested to receive printed proxy materials, you may also vote by mail pursuant to instructions provided on the proxy card. If you hold shares beneficially in street name, you may also vote by proxy over the Internet or by telephone by following the instructions provided in the Notice, or, if you requested to receive printed proxy materials, you may also vote by mail by following the voting instruction card provided to you by your brokerage firm, bank, broker-dealer, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the taking of the vote at the annual meeting. If you are a stockholder of record, you may change your vote by (1) delivering to Maxim's Corporate Secretary at 120 San Gabriel Drive, Sunnyvale, California 94086 a written notice of revocation or a duly executed proxy bearing a date subsequent to your original proxy prior to the date of the annual meeting, or (2) attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your brokerage firm, bank, broker-dealer, trustee or nominee following the instructions they provided, or, if you have obtained a legal proxy from your brokerage firm, bank, broker-dealer, trustee or nominee giving you the right to vote your shares, by attending the annual meeting and voting in person.

Q: What happens if I deliver a signed proxy without specifying how my shares should be voted?

A: If you sign and deliver your proxy without instructions and do not later revoke the proxy, the proxy will be voted FOR the slate of nominees to the board of directors described in this proxy statement and FOR Proposals No. 2, No. 3, No. 4 and No. 5. As to any other matter that may properly come before the annual meeting, the proxy will be voted according to the judgment of the proxy holders.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. An independent tabulator, not Maxim, will count the votes, and your vote will not be disclosed either within Maxim or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the results and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to Maxim management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The quorum requirement for holding the annual meeting and transacting business is that holders of a majority of the voting power of the issued and outstanding common stock of Maxim as of the record date must be present in person or represented by proxy. Both abstentions and broker non-votes (described below) are counted for the purpose of determining the presence of a quorum.

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the seven nominees receiving the highest number of affirmative FOR votes at the annual meeting will be elected.

Edgar Filing: MAXIM INTEGRATED PRODUCTS INC - Form DEF 14A

The affirmative FOR vote of a majority of the votes cast on the proposal is required to approve (1) the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending June 26, 2010, (2) the ratification and approval of an amendment to Maxim s

2008 ESP Plan to increase the number of shares available for issuance thereunder by 2,000,000 shares, (3) the ratification and approval of amendments to Maxim's 1996 Equity Plan to (a) increase the number of shares available for issuance thereunder by 6,000,000 shares and (b) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire, and (4) the approval of the adoption of Maxim's Executive Bonus Plan, which is a bonus plan for executive officers of Maxim compliant with Section 162(m) of the Internal Revenue Code.

Q: *What are my voting choices?*

A: In the election of directors, you may vote FOR or WITHHOLD with regards to all or some of the nominees. Votes WITHHOLD with respect to the election of directors will be counted for purposes of determining the presence or absence of a quorum at the annual meeting but will have no other legal effect upon election of directors, as the election of a director only requires a plurality of affirmative FOR votes. For the other items of business, you may vote FOR, AGAINST or ABSTAIN. If you elect to ABSTAIN, the abstention has the same effect as a vote AGAINST.

Q: *What is the effect of broker non-votes and abstentions?*

A: If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered votes cast on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Abstentions are considered votes cast and thus have the same effect as votes against the matter. However, in the election of directors, the vote WITHHOLD will have no effect on the outcome as such election only requires a plurality of affirmative FOR votes.

Q: *Is cumulative voting permitted for the election of directors?*

A: Yes. You may cumulate your votes for the election of directors. You are entitled to as many votes as equals the number of directors to be elected multiplied by the number of shares held by you, and you may cast all such votes for a single director or distribute such votes among as many candidates who have been properly nominated as you see fit. Please note that the proxy holders may exercise discretionary authority to cumulate votes and to allocate such votes among the seven nominees recommended by the board of directors.

Q: *What happens if additional matters are presented at the annual meeting?*

A: Other than the five specific items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxy holders, Mark Casper and Bruce Kiddoo, or either of them, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any reason any of the nominees described in this proxy statement is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the board of directors.

Q: *Who will serve as inspector of elections?*

Edgar Filing: MAXIM INTEGRATED PRODUCTS INC - Form DEF 14A

- A:** The inspector of elections will be a representative from Broadridge Financial Services. Broadridge Financial Services will tabulate the votes in connection with the annual meeting.

Q: *Who will bear the cost of soliciting votes for the annual meeting?*

A: Maxim will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our common stock.

Q: *Where can I find the voting results of the annual meeting?*

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our Quarterly Report on Form 10-Q for the quarter ending December 26, 2009.

Q: *What is the deadline for submission of stockholder proposals for consideration at the 2010 annual meeting?*

A: **For proposals other than nomination of director candidates:** Pursuant to the SEC Rule 14a-8(e) promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act), a stockholder proposal will be considered for inclusion in our proxy materials for the 2010 annual meeting only if the Corporate Secretary of Maxim receives the proposal by no later than July 1, 2010.

Pursuant to the SEC Rule 14a-4 and 14a-5 promulgated under the Exchange Act, a stockholder proposal for consideration before the 2010 annual meeting that is not intended to be included in our proxy materials for the 2010 annual meeting will be considered timely only if the Corporate Secretary of Maxim receives notice of such stockholder proposal by no later than September 14, 2010. If the Corporate Secretary is not notified of such proposal on or before September 14, 2010, then Maxim's proxy holders will be permitted to use their discretionary voting authority to vote on such proposal if such proposal is raised at the 2010 annual meeting.

Proposals should be addressed to:

Corporate Secretary

Maxim Integrated Products, Inc.

120 San Gabriel Drive

Sunnyvale, CA 94086

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement.

Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (1) pursuant to Maxim's proxy materials with respect to such meeting, (2) brought by, or at the direction of, our board of directors, or (3) brought by a stockholder of Maxim who is a stockholder of record entitled to vote at the annual meeting who has timely delivered written notice to our Corporate Secretary, which notice must contain the information specified in our bylaws. To be timely for our 2010 annual meeting of stockholders, our Corporate Secretary must receive the written notice, prepared in accordance with our bylaws, at our principal executive offices:

not later than the close of business on September 14, 2010, and

not earlier than the close of business on August 13, 2010.

In the event that we hold our 2010 annual meeting of stockholders more than 30 days before or 60 days after the one-year anniversary date of the 2009 annual meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received not later than the close of business on the earlier of the following two dates:

the 90th day prior to the 2010 annual meeting, or

the 10th day following the day on which public announcement of the meeting date is made (either in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service or in a document publicly filed by Maxim with the SEC).

If a stockholder who has notified us of his or her intention to present a proposal at an annual meeting takes any action contrary to the representations made in his or her notice to Maxim's Corporate Secretary, or if such representations contain an untrue statement of a material fact or omit a material fact, we are not required to present the proposal for a vote at such meeting.

For nomination of director candidates: Stockholders may propose nominees to be eligible for election as directors at the 2010 annual meeting in accordance with the provisions of our bylaws. To properly nominate such a candidate, a stockholder must deliver written notice, prepared in accordance with our bylaws, to Maxim's Corporate Secretary prior to the deadlines set forth above for stockholder proposals. Prior to submitting a nomination, stockholders should take care to note all deadlines under the SEC Rules and Maxim bylaws described above.

Nominations should be addressed to:

Corporate Secretary

Maxim Integrated Products, Inc.

120 San Gabriel Drive

Sunnyvale, CA 94086

If a stockholder who has notified us of his or her intention to nominate a director candidate at an annual meeting takes any action contrary to the representations made in his or her notice to Maxim Corporate Secretary, or if such representations contain an untrue statement of a material fact or omit a material fact, we are not required to present the nomination at such meeting. For further information on requirements for director nominations by stockholders, please see our bylaws and the section entitled "Nominations of Director Candidates by Stockholders" in this proxy statement.

Copy of Bylaw Provisions: A copy of our bylaws can be found in the Corporate Governance section of Maxim's corporate website at <http://www.maxim-ic.com/company/investor/governance>. Board of Directors Structure and Committee Composition

Currently, there are seven members of the board of directors, consisting of B. Kipling Hagopian, Tunc Doluca, James R. Bergman, Joseph R. Bronson, Robert E. Grady, William D. Watkins and A. R. Frank Wazzan. Mr. Hagopian is the Chairman of the board of directors.

Our board of directors has the following three standing committees: (1) an Audit Committee, (2) a Compensation Committee, and (3) a Nominating and Governance Committee. Each of the committees operates under a written charter adopted by the board of directors. All of the committee charters are available in our Corporate Governance section of our website at <http://www.maxim-ic.com/company/investor/governance>. During fiscal year 2009, the board of directors held eight (8) meetings and acted by written consent 11 times. During fiscal year 2009, each director attended at least 75% of all meetings of the board of directors and applicable committee meetings. While not mandatory, we strongly encourage our directors to attend our annual meeting of stockholders. All of our directors attended the 2008 annual meeting of stockholders.

Independence of the Board of Directors

Our board of directors has determined that, with the exception of Mr. Doluca, Maxim's Chief Executive Officer, all of its members during fiscal year 2009 were, and currently are, independent directors as that term is defined in the Marketplace Rules of The NASDAQ Stock Market (NASDAQ), including for the purposes of the Audit Committee composition requirements. Such independence definition includes a series of objective tests, including that the director not be an employee of Maxim and not be engaged in certain types of business transactions or dealings with Maxim. In addition, as further required by the NASDAQ rules, the board of directors has made a subjective determination that no relationships exist between Maxim and each director which, in the opinion of the board of directors, would interfere with the exercise of independent judgment in carrying out his responsibilities as director. The independent directors meet regularly in executive session, without members of management present.

Audit Committee and Audit Committee Financial Expert

The Audit Committee, which has been established in accordance with Section 3(a)(58)(A) of the Exchange Act, is currently comprised of Messrs. Bergman, Bronson and Watkins, each of whom is independent within the meaning of the NASDAQ director independence standards as currently in effect. Since October 2008, Mr. Bronson has been the Chairman of the Audit Committee. Prior to Mr. Bronson's appointment as Chairman of the Audit Committee, Mr. Bergman served as Chairman of the Audit Committee since March 1, 2007. The board of directors has determined that Mr. Bronson is an audit committee financial expert as defined under the rules of the SEC. The Audit Committee has a written charter adopted on June 8, 2000 and most recently amended on April 6, 2007 and on August 24, 2009. The Audit Committee held eight (8) meetings and acted by written consent one (1) time during fiscal year 2009, and each member of the Audit Committee attended at least 75% of these meetings.

The Audit Committee oversees the accounting, financial reporting and audit processes of Maxim's financial statements. In accordance with the Audit Committee Charter, the Audit Committee appoints Maxim's independent registered public accounting firm and is primarily responsible for approving the services performed by Maxim's independent auditors and for reviewing and evaluating Maxim's accounting principles and its system of internal controls.

Compensation Committee and Equity Grant Subcommittee

The Compensation Committee is currently comprised of Messrs. Bergman, Grady and Wazzan, each of whom is independent within the meaning of the NASDAQ director independence standards as currently in effect. Since March 2007, Mr. Wazzan has been the Chairman of the Compensation Committee. Among other tasks, the Compensation Committee (1) annually reviews and approves corporate goals and objectives relevant to the

compensation of the Chief Executive Officer and annually reviews and evaluates Maxim's Chief Executive Officer against such approved goals and objectives, (2) in consultation with the Chief Executive Officer, reviews and approves the compensation of our officers, (3) administers our 1996 Stock Incentive Plan and 2008 ESP Plan, (4) makes recommendations to the board of directors with respect to compensation of our directors and committee members, (5) prepares the Compensation Discussion and Analysis and issues the Compensation Committee Report in accordance with the regulations of the SEC to be included in Maxim's proxy statement or annual report on Form 10-K, and (6) performs such functions regarding compensation as the board of directors may delegate. The Compensation Committee held seven (7) meetings and acted by written consent five (5) times during fiscal year 2009 and each member of the Compensation Committee attended at least 75% of these meetings.

Pursuant to its charter, on June 30, 2007, the Compensation Committee established a two-person sub-committee that is comprised of two directors on the Compensation Committee, which sub-committee is referred to as the Equity Grant Sub-Committee. The Equity Grant Sub-Committee's purpose is to make equity awards under Maxim's Equity Award Grant Policy. The Equity Grant Sub-Committee held nine (9) meetings during fiscal year 2009 and each member of the Equity Grant Sub-Committee attended at least 75% of such meetings.

Nominating and Governance Committee

The Nominating and Governance Committee (the Governance Committee) is currently comprised of Messrs. Grady and Hagopian, each of whom is independent within the meaning of the NASDAQ director independence standards, as currently in effect. Since October 2008, Mr. Grady has been the Chairman of the Governance Committee. Among other tasks, the Governance Committee assists the board of directors by identifying and recommending prospective director candidates, developing and recommending to the board of directors the governance principles applicable to Maxim and overseeing the evaluation of the board of directors and the board of directors' evaluation of management.

The Governance Committee is responsible for regularly assessing the appropriate size of the board of directors and whether any vacancies on the board of directors are expected, due to retirement or otherwise. In the event of any anticipated vacancy, the Governance Committee has the policy of considering all bona fide candidates from all relevant sources, including the contacts of current directors, professional search firms, stockholders and other persons. The Governance Committee held one (1) meeting during fiscal year 2009 and each member of the Governance Committee attended such meeting.

In reviewing potential candidates for the board of directors, the Governance Committee considers the individual's experience in the semiconductor industry, the general business or other experience of the candidate, the needs of Maxim for an additional or replacement director, the personality of the candidate, and the candidate's interest in the business of Maxim, as well as numerous other subjective criteria. While the board has not established specific minimum qualifications for director candidates, the board of directors believes that such candidates must contribute to the goal of maintaining a board that is (1) independent, (2) of high integrity, (3) composed of directors with qualifications that increase the effectiveness of the board of directors and (4) compliant with the requirements of applicable rules of NASDAQ and the SEC.

Nominations of Director Candidates by Stockholders

Maxim stockholders may nominate a director candidate (1) at any annual meeting of stockholders in accordance with our bylaws, the procedure for which is more fully set forth in the Questions and Answers section of this proxy statement under the heading "What is the deadline for submission of stockholder proposals for consideration at the 2009 annual meeting?", (2) at any special meeting of stockholders in accordance with our bylaws, and (3) by submitting their recommendations to the Governance Committee in accordance with our Corporate Governance Guidelines.

Maxim's Corporate Governance Guidelines, together with Maxim's Certificate of Incorporation, bylaws and charters of committees of the board of directors, form the framework for the corporate governance of Maxim. Maxim's Corporate Governance Guidelines are available in the Corporate Governance section of Maxim's website at <http://www.maxim-ic.com/company/investor/governance>. Pursuant to our Corporate Governance Guidelines, our board of directors will consider all bona fide director candidates nominated by stockholders of Maxim.

More specifically, the board of directors has established the following procedures by which stockholders may submit nominations of director candidates for consideration by the Governance Committee and the board of directors:

To nominate a director candidate for consideration by the Governance Committee, a stockholder must have held at least 100,000 shares of Maxim for at least twelve (12) consecutive months leading up to the date of the recommendation and must notify the Governance Committee by writing to the General Counsel of Maxim.

The nominating stockholder's notice shall set forth the following information:

Stockholder recommendations to the Governance Committee or the board of directors should be sent to:

General Counsel
Maxim Integrated Products, Inc.
120 San Gabriel Drive
Sunnyvale, CA 94086

For purposes of nominating a director candidate to be considered at an annual meeting, it is unnecessary to send recommendations to the board of directors or the Governance Committee. Instead, a stockholder wishing to nominate a director candidate at an annual meeting must follow the procedures set forth in our bylaws, including providing written notice prepared in accordance with our bylaws to Maxim's Corporate Secretary. For more detailed information on nomination requirements at an annual meeting, please see the Questions and Answers section of this proxy statement under the heading "What is the deadline for submission of stockholder proposals for consideration at the 2010 annual meeting?"

Equity Grant Date Policy

The Board of Directors has adopted a specific procedure in the granting of equity awards to our officers, directors and employees, as set for in the Company's Equity Award Grant Policy effective June 4, 2007 (the "Equity Policy"). The Equity Policy can be located on the Company's Website at http://www.maxim-ic.com/company/investor/governance/pdfs/equity_award_grant_policy.pdf. Under the Equity Policy, equity awards may only be granted by our board of directors or the Compensation Committee of the Board of Directors, as well as a 2-person subcommittee of the Compensation Committee (the "Equity Grant Subcommittee"), at a duly noticed meeting. Equity awards may not be granted by action by unanimous written consent in lieu of a meeting. In addition, while not required, it is the Company's practice to invite its Chief Executive Officer and the Company's independent registered public accounting firm (the "Auditors") to each meeting of the board of directors or Compensation Committee (or Equity Grant Subcommittee) at which equity awards are granted. In fiscal year 2009, our Corporate Secretary and the Auditors, in the capacity as an independent observer, attended every meeting of the

Compensation Committee (or Equity Grant Subcommittee) at which equity awards were granted. The grant date for an equity award is the date on which any of the above-listed granting bodies meets and approves the equity award. The exercise price for all stock options will be no less than the closing sales price of Maxim common stock as reported by the Nasdaq Global Select Market on the grant date.

We follow the following specific procedures with respect to the grant of equity awards that are contained in the Equity Policy:

New Hire Grants; Special Recognition/Promotional Equity Grants: Equity awards to newly hired non-officer employees or awards for special recognition to existing non-officer employees are made on the first Tuesday of the month (or the succeeding month) after the date on which the individual commences employment with us or following the special recognition event. Equity awards to newly hired officers or awards for special recognition are made on the first Tuesday of the month (or a succeeding month) after the date on which the individual commences employment with us or following the special recognition event that is during an open trading window under our Insider Trading Policy.

Annual Equity Grants: Annual equity grants to employees and officers are made during an open trading window under our Insider Trading Policy.

Equity Awards to Directors: Equity awards are made to incumbent non-employee directors upon their re-election to the board of directors at the annual meeting of stockholders. Equity awards to newly appointed non-employee directors are made on the first Tuesday of the month (or a succeeding month) after the date on which the individual is appointed to the board of directors that is during an open trading window under our Insider Trading Policy.

Compensation Committee Interlocks and Insider Participation

No member of Maxim's Compensation Committee is, or ever has been, an executive officer or employee of Maxim or any of its subsidiaries. No interlocking relationship exists, or during fiscal year 2009 existed, between Maxim's board of directors or Compensation Committee and the board of directors or compensation committee of any other company.

Outside Advisors

Our board of directors and each of its committees may retain outside advisors and consultants of their choosing at Maxim's expense. The board of directors need not obtain management's consent to retain outside advisors.

Board Effectiveness

Our board of directors performs an annual self-assessment to evaluate its effectiveness in fulfilling its obligations. For fiscal year 2009, this assessment was held in February 2009 and September 2009.

Communication between Stockholders and Directors

Maxim's board of directors currently does not have a formal process for stockholders to send communications to the board of directors. Nevertheless, steps are taken to ensure that the views of stockholders are heard by the board of directors or individual directors, as applicable, and that appropriate responses are provided to stockholders on a timely basis. The board of directors does not recommend that formal communication procedures be adopted at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the board of directors. However, stockholders wishing to formally communicate with the board of directors may send communications directly to B. Kipling Hagopian, Chairman of the board of directors, c/o Maxim Integrated Products, Inc., 120 San Gabriel Drive, Sunnyvale, California 94086.

PROPOSAL NO. 3

RATIFICATION AND APPROVAL OF AMENDMENTS TO MAXIM'S 2008 EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE BY 2,000,000 SHARES AND TO MAKE OTHER ADMINISTRATIVE CHANGES

At the 2009 annual meeting, stockholders will be asked to ratify and approve an amendment to Maxim's 2008 Employee Stock Purchase Plan (the 2008 ESP Plan) to increase the maximum number of shares of Maxim common stock that may be purchased under the ESP Plan by an additional 2,000,000 shares. The 2008 ESP Plan was originally approved by the board of directors in October 2008 and then ratified by stockholders on December 15, 2008. The amendment to the 2008 ESP Plan to increase the maximum number of shares that may be purchased by 2,000,000 shares was approved by Maxim's board of directors in September 2009.

Prior to the effectiveness of the proposed amendment, a total of 4,000,000 shares of Maxim common stock had been reserved for issuance under the 2008 ESP Plan. As of October 1, 2009, approximately 3,533,799 shares were available for purchase under the 2008 ESP Plan. Maxim anticipates that, based on the number of shares currently authorized under the 2008 ESP Plan, approximately 1,100,000 shares will remain available for purchase under the 2008 ESP Plan at the end of its fiscal year 2010 (June 26, 2010) based upon current assumptions regarding employee participation levels.

The board of directors has approved, subject to stockholder ratification and approval, amendments to increase the maximum number of shares of Maxim Common Stock reserved under the 2008 ESP Plan by 2,000,000 shares to a total of 6,000,000 shares and to make other administrative changes. The primary administrative change is to give the administrator the authority to utilize an automatic reset feature to re-enroll participants in new Offer Periods in the event the fair market value of our common stock on a Purchase Date is less than the fair market value on the Offer Date.

The closing price of Maxim's common stock on October 1, 2009 was \$17.28 per share.

Maxim believes that substantial equity participation by employees is important in creating an environment in which employees will be motivated to remain employed and be productive for long periods of time. Maxim further believes that the attraction, retention and motivation of highly qualified personnel are essential to Maxim's continued growth and success and that incentive plans, such as the 2008 ESP Plan, are necessary for Maxim to remain competitive in its compensation practices. In addition, Maxim believes that the 2008 ESP Plan (and other equity incentive programs) are an effective way to assure alignment of employees' and stockholders' interests and believe all such equity incentives are in the best interest of the stockholders.

The benefits to be received by Maxim's employees and officers pursuant to the 2008 ESP Plan are not determinable at this time.

Required Vote

Ratification and approval of the amendments to increase the number of shares reserved under the 2008 ESP Plan and to make other administrative changes requires the approval of a majority of the shares represented in person or by proxy and voting at the annual meeting. A general description of the principal terms of the 2008 ESP Plan approved by the board of directors and the purpose of the 2008 ESP Plan is set forth below. Unless otherwise marked, all properly signed and returned proxies will be voted FOR Proposal No. 3.

Recommendation

Our board of directors recommends a vote FOR the ratification and approval of the amendments to Maxim's 2008 Employee Stock Purchase Plan.

The following summary of certain provisions of the 2008 ESP Plan is qualified in its entirety by reference to the 2008 ESP Plan, a copy of which is attached as Appendix A to this Proxy Statement. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 2008 ESP Plan.

Summary of Material Features of the 2008 ESP Plan

Eligible Employees

All employees of Maxim and its subsidiaries designated by the committee appointed by the board of directors to administer the 2008 ESP Plan (the Committee) will be eligible to participate in the 2008 ESP Plan. However, the Committee may exclude from participation (1) a group of certain highly compensated employees, (2) employees who have been employed by Maxim or any subsidiary for less than two years, (3) employees whose customary employment is for not more than five months in any calendar year, and (4) employees who customarily work 20 hours per week or less.

Notwithstanding the foregoing, no employee shall be eligible for participation under the 2008 ESP Plan if, immediately after such grant, that employee would own stock possessing 5% or more of the total combined voting power or value of all classes of stock of Maxim or of any affiliate of Maxim (including any stock which such employee may purchase under all outstanding rights and options). In addition, no employee will be permitted to purchase stock under all employee stock participation plans, including the 2008 ESP Plan, of Maxim and its affiliates (x) at a rate which in the aggregate exceeds \$25,000 of the fair market value of such stock (determined under Section 423 of the Code at the time the right is granted) for any calendar year in which the right is outstanding at any time or (y) 1,600 shares of stock in an offering period, whichever is less.

Participation

The Committee has the power from time to time to grant or provide for the grant of rights to purchase stock of Maxim under the 2008 ESP Plan to eligible employees (an Offer) on a date or dates (the Offer Date(s)) identified in the 2008 ESP Plan. Each Offer will be in such form and will contain such terms and conditions as the Committee deems appropriate, except that each Offer must include the substance of the required provisions of the 2008 ESP Plan, which are described below. Each Offer will be outstanding for approximately 12 months (the Offer Period) and there will be overlapping Offer Periods.

An eligible employee becomes a participant in an Offer by delivering written enrollment form to Maxim, within the time specified in each Offer, authorizing payroll deductions of up to a maximum percentage of 25% of his or her Eligible Compensation (as defined in the 2008 ESP Plan) during the Offer Period. All payroll deductions made for a participant are credited to his or her account under the 2008 ESP Plan and are deposited with the general funds of Maxim. The purchase price of the shares is accumulated by payroll deductions (or direct payments, if permitted) over the Offer Period. At any time during the Offer Period, a participant may terminate his or her payroll deductions, but a participant may not increase, reduce or begin such payroll deductions after the beginning of any Offer Period.

Purchase of Stock

The purchase dates will occur on the last business day immediately preceding the last Saturday in May and November (each a Purchase Date). On each Purchase Date, the balance in each participant's account will be applied to the purchase of whole shares of stock of Maxim. No fractional shares shall be issued upon the exercise of rights granted under the 2008 ESP Plan. The amount remaining in each participant's account after the purchase of shares that is less than the amount required to purchase one share of stock on the last Purchase Date

of a Offer Period shall be held in each such participant's account for the purchase of shares during the next Offer Period under the 2008 ESP Plan, unless such participant withdraws from the next Offer or is no longer eligible to be granted rights under the 2008 ESP Plan, in which case such amount is distributed to the participant after the Purchase Date, without interest.

Purchase Price

The purchase price per share of stock acquired pursuant to the 2008 ESP Plan will be the lesser of: (1) 85% of the fair market value per share of such stock on the Offer Date and (2) 85% of the fair market value per share of such stock on the Purchase Date.

Withdrawal

A participant may withdraw from an Offer by terminating his or her payroll deductions and by delivering to Maxim a written notice of withdrawal from the Offer. Such withdrawal may be elected within a certain period of time prior to the end of the applicable Offer Period. Upon any withdrawal from an Offer by the employee, Maxim will distribute to the employee his or her accumulated payroll deductions (reduced for prior purchases) without interest, and such employee's interest in the Offer will be automatically terminated. Upon such withdrawal from an Offer, the employee is not entitled to participate again in such Offer and the employee may not be able to participate in the 2008 ESP Plan for such period of time as determined by the Committee. Any such employee participating in a new Offer after his or her withdrawal from an Offer will be required to timely submit a new enrollment form.

Termination of Employment

Rights granted pursuant to any Offer under the 2008 ESP Plan shall terminate immediately upon cessation of an employee's employment for any reason, and Maxim shall promptly distribute to such employee all of his or her accumulated payroll deductions (reduced for prior purchases), without interest.

No transferability

Rights granted under the 2008 ESP Plan are not transferable by a participating employee other than by will or the laws of descent and distribution and are exercisable during such participating employee's lifetime only by him or her.

Adjustments upon Changes in Stock or Change in Control

If (1) Maxim shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of Maxim or its subsidiaries or a transaction similar thereto, (2) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in the capital structure of Maxim, or any distribution to holders of Maxim common stock other than cash dividends, shall occur or (3) any other event shall occur which in the judgment of the Committee necessitates action by way of adjusting the number or kind of shares, or both, which thereafter may be sold under the 2008 ESP Plan, then the Committee may take any necessary actions to preserve to the participating employees' rights substantially proportionate to the rights existing prior to such event. Such actions may include, without limitation, adjustments in the number and kind of shares subject to the 2008 ESP Plan and the purchase price of such shares under the 2008 ESP Plan.

Notwithstanding any other provision of the 2008 ESP Plan, if Maxim's common stock ceases to be listed or traded, as applicable, on a national stock exchange or over-the-counter market (the "Triggering Event"), then, in the discretion of the Committee, (1) the balance in the participating employee's payroll account not yet invested may be refunded to the participating employee, and such participating employee will have no further rights or benefits under the 2008 ESP Plan, (2) an amount equal to the product of the fair market value of a share on the

date of the Triggering Event multiplied by the number of shares such participating employee would have been able to purchase with the balance of his or her payroll account on the date of such Triggering Event may be paid to the Participating Employee, and such Participating Employee shall have no further rights or benefits under the 2008 ESP Plan, or (3) the 2008 ESP Plan may be continued.

Amendment, Suspension and Termination of the 2008 ESP Plan.

The board of directors may at any time and for any reason amend, suspend or terminate the 2008 ESP Plan. However, any amendment of the 2008 ESP Plan shall require stockholder approval if such approval would be required under applicable law or regulation.

Federal Income Tax Consequences.

The following summarizes only the federal income tax consequences of participation under the 2008 ESP Plan based upon federal income tax laws in effect on the date of this proxy statement. This summary does not purport to be complete, and does not discuss any non-U.S., state or local tax consequences. In addition, the discussion does not address tax consequences which may vary with, or are contingent on, a participant's individual circumstances. Each participant in the 2008 ESP Plan is strongly urged to consult with his or her tax advisor regarding participation in the 2008 ESP Plan.

The 2008 ESP Plan, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code (except to comply with applicable foreign or local law). Under these provisions, no income will be taxable to a participant at the time of grant of the option or purchase of shares. Amounts deducted from a participant's pay under the 2008 ESP Plan are part of the employee's regular compensation and remain subject to federal, state and local income and employment withholding taxes.

Upon disposition of the shares, the participant will generally be subject to tax, the amount of which will depend upon the participant's holding period. If the participant disposes of his or her shares more than two years after the date of option grant and more than one year after the purchase of the shares, the lesser of (1) 15% of the fair market value of the shares on the date the option was granted or (2) the excess (or zero if there is no excess) of the fair market value of the shares on the date of the disposition of the shares over the purchase price will be treated as ordinary income, and any further gain will be treated as long-term capital gain. If the participant disposes of the shares before the expiration of these holding periods, the excess of the fair market value of the shares on the exercise date over the purchase price will be treated as ordinary income, and any further gain or loss on such disposition will be long-term or short-term capital gain or loss, depending on the holding period.

There currently is no income tax withholding required upon the purchase or disposition of the shares by a participant. However, in the future, a participant may be subject to employment tax withholding (e.g., Social Security and Medicare) at the time of purchase. The United States Internal Revenue Service issued proposed regulations which, if adopted, would subject a participant to withholding for Social Security and Medicare (not including income tax) at the time of purchase based upon the difference between the fair market value of the shares on the date of purchase and the purchase price of the shares. These proposed regulations, if adopted, would be effective only for purchases made under the 2008 ESP Plan two years after the regulations are issued in final form.

Maxim is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent of ordinary income reported by participants upon disposition of shares within two years from date of grant or within one tax year of the date of purchase. Maxim is required to report to the United States Internal Revenue Service any ordinary income recognized by a participant as a result of a disposition if such information is available to Maxim. In the future, Maxim may be required to withhold (from a participant's salary) the amount due as taxes on such ordinary income.

PROPOSAL NO. 4

RATIFICATION AND APPROVAL OF AN AMENDMENT TO MAXIM S 1996 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR ISSUANCE BY 6,000,000 SHARES AND TO PERMIT THE COMPANY TO EXTEND THE MAXIMUM TERM OF STOCK OPTIONS IN LIMITED SITUATIONS

At the 2009 annual meeting, stockholders will be asked to ratify and approve an amendment to Maxim s 1996 Stock Incentive Plan (the 1996 Equity Plan) to (1) increase the maximum number of shares of Maxim common stock that may be purchased under the 1996 Equity Plan by an additional 6,000,000 shares and (2) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire. The amendment to the 1996 Equity Plan to increase the number of shares that may be purchased by 6,000,000 shares was approved by the board of directors in September 2009.

Prior to the effectiveness of the proposed amendment, a total of 100,100,000 shares of Maxim common stock had been reserved for issuance under the 1996 Equity Plan. As of October 7, 2009, approximately 16,300,375 shares were available for purchase under the 1996 Equity Plan. Maxim anticipates that approximately 5,500,000 shares will remain available for purchase under the 1996 Equity Plan at the end of its fiscal year 2010 (June 26, 2010) based upon current assumptions regarding the Company s planned annual focal equity award, new employee awards, promotion awards, and awards to employees from acquisitions to be granted during fiscal 2010. These awards will be a combination of stock options and restricted stock units. As required by our 1996 Equity Plan, each restricted stock unit (granted with an exercise price less than the fair market value of our common stock) is counted against the share reserve as two (2) shares for every one (1) share subject to such award.

The Company currently performs employee reviews and pays performance bonuses in September of each year but makes its annual focal equity award in November or December of each year. Starting in 2010, Maxim seeks to consolidate these processes and make its annual focal equity award to employees closer to the time of, or as part of the employee performance review process in September of each year, and Maxim is seeking your approval for additional 6,000,000 shares of its common stock to permit to Maxim to make this award starting in September 2010 or shortly thereafter.

Maxim is also seeking the authority to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire. Allowing such extension would help protect employees against losing the benefit of their stock options despite their hard work and protect Maxim from having to compensate such loss with cash. We believe that this additional protective measure will benefit both the option holders and Maxim. The maximum period of time any such option may be extended is up to thirty (30) days following the date on which applicable securities laws no longer prohibit the issuance of common stock upon exercise of stock options.

The board of directors has approved, subject to stockholder ratification and approval, an amendment to (1) increase the maximum number of shares of Maxim common stock reserved under the 1996 Equity Plan by 6,000,000 shares to a total of 106,100,000 shares, and (2) permit Maxim to extend the term of a stock option beyond 10-years from the date of grant if issuance of Maxim common stock upon exercise of such option would be prohibited by applicable securities laws at the time the option would otherwise expire.

The closing price of Maxim s common stock on October 1, 2009 was \$17.28 per share.

Maxim believes that substantial equity participation by employees is important in creating an environment in which employees will be motivated to remain employed and be productive for long periods of time. Maxim further believes that the attraction, retention and motivation of highly qualified personnel are essential to

Maxim's continued growth and success and that incentive plans, such as the 1996 Equity Plan, are necessary for Maxim to remain competitive in its compensation practices. In addition, Maxim believes that the 1996 Equity Plan (and other equity incentive programs) are an effective way to assure alignment of employees' and stockholders' interests and believe all such equity incentives are in the best interest of the stockholders.

The benefits to be received by Maxim's employees and officers pursuant to the 1996 Equity Plan are not determinable at this time.

Required Vote

Ratification and approval of the amendment to (1) increase the number of shares reserved under the 1996 Equity Plan and (2) permit Maxim to extend the term of an option beyond 10-years from the date of grant in the event applicable securities laws prohibit the issuance of common stock upon exercise of stock options at the time the options would otherwise expire requires the approval of a majority of the shares represented in person or by proxy and voting at the annual meeting. A general description of the principal terms of the 1996 Equity Plan approved by the board of directors and the purpose of the 1996 Equity Plan is set forth below. Unless otherwise marked, all properly signed and returned proxies will be voted FOR Proposal No. 4.

Recommendation

Our board of directors recommends a vote FOR the amendment to of Maxim's 1996 Stock Incentive Plan as described herein.

The following summary of certain provisions of the 1996 Equity Plan is qualified in its entirety by reference to the 1996 Equity Plan, a copy of which is attached as Appendix B to this Proxy Statement. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 1996 Equity Plan.

Summary of Material Features of the 1996 Equity Plan

The following paragraphs provide a summary of the principal features of the 1996 Equity Plan and its operation. The following summary is qualified in its entirety by reference to the 1996 Equity Plan as set forth in *Appendix B*. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 1996 Equity Plan.

Purpose. The purpose of the 1996 Equity Plan is to increase stockholder value, which is accomplished largely as a result of the Company's successful, on-going equity compensation program. The Company believes that Maxim's long-term commitment to employee ownership of Maxim stock has significantly contributed both to successful recruiting and retention of employees. The Company also strongly believes that the employee ownership of Maxim is largely responsible for Maxim's success.

Types of Awards. The 1996 Equity Plan provides for the grant of the following types of incentive awards: (1) stock options; (2) restricted stock units, and (3) restricted stock, which are hereinafter referred to individually as an Award. Those who will be eligible for Awards under the 1996 Equity Plan include employees, directors and consultants who provide services to the Company and its parent and subsidiary companies.

Number of Shares of Common Stock Available Under the 1996 Equity Plan. If stockholders approve Proposal 4, a total of 106,100,000 shares of the Company's common stock will be reserved for issuance under the 1996 Equity Plan. Any shares subject to awards of restricted stock units and restricted stock granted with an exercise price less than the fair market value on the date of grant will be counted against the share reserve as two (2) shares for every one (1) share subject to such award. Further, to the extent that a share that was subject to an award that counted as two (2) shares against the 1996 Equity Plan reserve pursuant to the preceding sentence is recycled back into the 1996 Equity Plan, the 1996 Equity Plan will be credited with two (2) shares that will thereafter be available for issuance under the 1996 Equity Plan.

If we experience a stock split, reverse stock split, stock dividend, spin-off, combination or reclassification of our shares, or any other change or increase or decrease in the number of issued shares effected without our receipt of consideration (except for certain conversions of convertible securities) appropriate adjustments will be made, subject to any required action by the Company's stockholders, to the number of shares available for issuance under the 1996 Equity Plan, the number of shares covered by each outstanding Award, the price per share covered by each outstanding Award, and the numerical per-person share limits for each type of Award, as appropriate to reflect the stock dividend or other change.

Maxim common stock covered by the 1996 Equity Plan may be either authorized but unissued shares or treasury shares. If there is a lapse, expiration, termination or cancellation of any Award granted under the 1996 Equity Plan without the issuance of shares or payment of cash thereunder, or if shares are issued under any Award under the 1996 Equity Plan and thereafter are reacquired by the Company pursuant to rights reserved upon the issuance thereof, or if any unissued shares are retained by the Company upon exercise of an Award in order to satisfy the exercise price for such Award or any withholding taxes due with respect to such Award, or pursuant to the payment of the purchase price of shares under Awards by delivery of other common stock of the Company, the shares subject to or reserved for such Award, or so retained or reacquired, may again be used for new Awards under the 1996 Equity Plan.

Administration. The 1996 Equity Plan provides that the grant of Awards and other determinations under the 1996 Equity Plan shall be made by (1) the Board or (2) a Committee designated by the Board (the Administrator) which, in case of grants of Awards to employees who are officers of the Company, is constituted in a manner to permit the grants and related transactions under the 1996 Equity Plan to be exempt from Section 16(b) of the Exchange Act in accordance with Rule 16b-3 of the Exchange Act and which, in the case of grants to covered employees, is intended to constitute performance-based compensation, is made up solely of two or more outside directors as such terms are defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). The Administrator has the authority to select employees, directors and consultants to whom Awards may be granted; to determine the number of shares to be covered by each Award; and to determine the terms and conditions of any Award granted under the 1996 Equity Plan.

Performance Based Compensation. Section 162(m) of the Code limits the annual deduction a public corporation may claim for compensation paid to the Company's Chief Executive Officer and to each of its three most highly compensated executive officers (other than the Chief Financial Officer) to \$1 million, except in limited circumstances. One such exception is for performance-based compensation, which is defined as compensation paid solely on account of the attainment of one or more performance goals, but only (1) if the goals are determined by a compensation committee of the Board comprised of two or more outside directors, (2) the performance goals are disclosed to stockholders and approved by a majority vote before the remuneration is paid, (3) before the remuneration is paid, the compensation committee certifies that the performance goals and any other material terms were in fact satisfied, and (4) setting limits on the number of Awards that any individual may receive. The 1996 Equity Plan has been designed to permit the Administrator to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such Awards.

The 1996 Equity Plan limits the number of shares with respect to which incentive stock options and non-qualified stock options may be granted in any one fiscal year of the Company to any one participant to 4,000,000 shares and limits the number of shares with respect to which restricted stock units and restricted stock may be granted in any fiscal year of the Company to any one participant to 2,000,000 shares.

Eligibility. Selected employees, directors, service providers, advisors and independent contractors of the Company and any parent or subsidiaries will be eligible to receive Awards under the 1996 Equity Plan. Awards may be granted to eligible persons residing in foreign jurisdictions under additional terms and conditions to accommodate local laws and to provide such eligible persons favorable treatment under local laws, provided that no such terms are inconsistent with the 1996 Equity Plan.

Duration. The 1996 Equity Plan will continue in effect until August 11, 2015, unless terminated earlier by the Board.

Corporate Transactions/Changes in Control/Subsidiary Dispositions. The Administrator shall have the authority, exercisable either in advance of any actual or anticipated or at the time of an actual corporate transaction, change in control or subsidiary disposition and exercisable at the time of the grant of an Award under the 1996 Equity Plan or any time while an Award remains outstanding, to provide for the full automatic vesting and exercisability of one or more outstanding unvested Awards under the 1996 Equity Plan and the release from restrictions on transfer and repurchase or forfeiture rights of such Awards in connection with a corporate transaction, change in control or subsidiary disposition, on such terms and conditions as the Administrator may specify. The Administrator also shall have the authority to condition any such Award vesting and exercisability or release from such limitations upon the subsequent termination of the continuous status as an employee or service of the participant within a specified period following the effective date of the change in control or subsidiary disposition. The Administrator may provide that any Awards so vested or released from such limitations in connection with a change in control or subsidiary disposition, shall remain fully exercisable until the expiration or sooner termination of the Award. Effective upon the consummation of a corporate transaction, all outstanding Awards under the 1996 Equity Plan shall terminate unless assumed by the successor company or its parent.

Options. The 1996 Equity Plan provides that the purchase price of any stock option shall be at least 100% of the fair market value of the Company common stock at the time the option is granted. The Administrator may provide for the payment of the purchase price in cash, by delivery of other common stock of the Company having a market value equal to the purchase price of such shares, or by any other method, including by delivery of an exercise notice accompanied by a copy of irrevocable instructions to a broker to deliver promptly to the Company proceeds to pay the purchase price.

The Administrator may permit or require a participant to pay all or a portion of the federal, state and local taxes, including FICA and Medicare withholding tax, arising in connection with the exercise of an option, by having the Company withhold shares or by delivering shares received in connection with the option or previously acquired, having a fair market value approximating the amount to be withheld.

The maximum term of any option will be ten (10) years from the date it is granted, except that with respect to any participant who owns 10% of the voting power of all classes of the Company's outstanding capital stock, the term of an incentive stock option may not exceed five (5) years; provided, however, that the term of an option may be extended beyond its ten-year term if the issuance of shares of common stock upon exercise of such option would be prohibited by applicable securities laws at the time it would otherwise expire. Options are generally exercisable for a period of 90 days after termination or retirement, 365 days after termination due to disability or 547 days after termination due to death.

Restricted Stock Units. The Administrator is able to grant Awards of restricted stock units. Awards of restricted stock units vest in accordance with the terms and conditions established by the Administrator in its sole discretion. For example, the Administrator may set restrictions based on the achievement of specific performance goals or based upon continued service. There are no minimum vesting requirements for restricted stock units. Upon satisfying the applicable vesting criteria, a participant is entitled to the payout specified in the Award agreement. The Administrator may pay earned restricted stock units in cash, shares or a combination of both. Awards of restricted stock units may be issued either alone, in addition to, or in tandem with other Awards granted under the 1996 Equity Plan and/or cash awards made outside of the 1996 Equity Plan. The Administrator will determine the number of units granted pursuant to an Award of restricted stock units, but no participant will be granted more than 2,000,000 units during any fiscal year.

Restricted Stock. The Administrator is able to grant Awards of restricted stock. Awards of restricted stock are rights to acquire or purchase shares of Company common stock. Restricted stock vests in accordance with the terms and conditions established by the Administrator in its sole discretion. For example, the Administrator may set restrictions based on the achievement of specific performance goals or based upon continued service. There

are no minimum vesting requirements for Awards of restricted stock. Awards of restricted stock may be issued either alone, in addition to, or in tandem with other Awards granted under the 1996 Equity Plan and/or cash awards made outside of the 1996 Equity Plan. The Award agreement will generally grant the Company a right to repurchase or reacquire the shares upon the termination of the participant's service with the Company for any reason (including death or disability). The Committee will determine the number of shares granted pursuant to an Award of restricted stock, but no participant will be granted a restricted stock Award to purchase or acquire more than 2,000,000 shares of common stock during any fiscal year.

Performance Goals. As determined by the Administrator, the performance goals applicable to an Award may provide for a targeted level or levels of achievement using one or more of the following measures: cash flow; cash position; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; earnings per Share; economic profit; economic value added; equity or stockholder's equity; free cash flow, free cash flow per Share and market share; net income; net profit; net sales; operating earnings; operating income; profit before tax; ratio of debt to debt plus equity; ratio of operating earnings to capital spending; return on net assets; sales growth; share price; or total return to stockholders. The performance goals may differ from participant to participant and from Award to Award and may be stated in absolute terms or relative to comparison companies or indices to be achieved during a period of time.

Amendments and Discontinuance. The 1996 Equity Plan is subject to amendment or termination by the Administrator without stockholder approval as deemed in the best interests of the Company. However, no such amendment shall, without the consent of the award holder, reduce the amount of any Award or adversely change the terms and conditions thereof.

The terms and conditions applicable to any Awards granted and outstanding may at any time be amended or modified in any lawful way or canceled by mutual agreement between the Administrator and the participant, so long as any amendment or modification does not increase the number of shares of Maxim common stock issuable under the 1996 Equity Plan and subject to the provisions regarding repricing described below.

Repricing Options. The Administrator does not have the authority to reprice any outstanding option. For these purposes, to reprice an outstanding option means to amend any outstanding option to reduce the exercise price.

Number of Awards Granted to Employees, Consultants, and Directors. The number of Awards that an employee, director or consultant may receive under the Plan is in the discretion of the Administrator and therefore cannot be determined in advance. To date, only stock options and restricted stock units have been granted under the 1996 Equity Plan. The following table sets forth (1) the aggregate number of shares subject to options granted under the 1996 Equity Plan during the fiscal year ended June 27, 2009, (2) the average per share exercise price of such options, and (3) the aggregate number of restricted stock units granted under the 1996 Equity Plan during the fiscal year ended June 27, 2009, where each unit represents a right to acquire one share of common stock.

Federal Income Tax Consequences. *Non-qualified Stock Options.* Under existing law and regulations, the grant of non-qualified stock options with an exercise price equal to the fair market value of the underlying stock on the date of grant will not result in income taxable to the participant. However, the exercise of such a non-qualified stock option results in taxable income to the holder and may be subject to withholding for federal income and employment tax purposes. The Company is entitled to an income tax deduction in the amount of the income recognized by the optionee, subject to possible limitations imposed by Section 162(m) of the Code and so long as the Company withholds the appropriate taxes with respect to such income (if required). At the time of the exercise of a non-qualified stock option, the amount so taxable and so deductible will be the difference between the fair market value of the shares purchased and the exercise price. Any gain or loss on the optionee's subsequent disposition of the shares of Maxim common stock will receive long or short-term capital gain or loss treatment, depending on whether the shares are held for more than one year following exercise. The Company does not receive a tax deduction for any such gain.

Incentive Stock Options. An optionee recognizes no income when an incentive stock option is granted or exercised. However, the difference between the fair market value of the shares on the date of exercise and the option price is classified as an item of adjustment in the year of exercise for purposes of the participant's alternative minimum tax.

If the participant does not dispose of the shares received on exercise of an incentive stock option prior to two years from the date of grant and one year from the date of exercise of the stock option, any gain realized by the holder on the disposition of the stock will be accorded long-term capital gain treatment, and no deduction will be allowed to the Company. If either holding period requirements is not satisfied, the participant will recognize ordinary income at the time of such disqualifying disposition equal to the lesser of (1) the gain realized on the disposition, or (2) the difference between the option price and the fair market value of the shares on the date of exercise. Any additional gain or loss on the disqualifying disposition not reflected above would be long-term or short-term capital gain, depending on whether the shares are held for more than one year following exercise. The Company will be entitled to an income tax deduction equal to the amount of ordinary income recognized by the participant, subject to possible limitations imposed by Section 162 of the Code.

Restricted Stock and Restricted Stock Units. A participant generally will not have taxable income at the time an Award of restricted stock and restricted stock units are granted. Instead, he or she will recognize ordinary income in the first taxable year in which his or her interest in the shares underlying the Award becomes either (1) freely transferable or (2) no longer subject to substantial risk of forfeiture. However, the recipient of a restricted stock Award may elect to recognize income at the time he or she receives the Award of restricted stock in an amount equal to the fair market value of the shares underlying the Award (less any cash paid for the shares) on the date the Award is granted. The Company generally will be entitled to a tax deduction in connection with an Award under the 1996 Equity Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income, subject to possible limitations imposed by Section 162 of the Code.

Tax Effect for the Company. The Company generally will be entitled to a tax deduction in connection with an Award under the 1996 Equity Plan in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, upon the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Company's Chief Executive Officer and to each of its three most highly compensated other executive officers other than the Chief Financial Officer. In general under Section 162(m) of the Internal Revenue Code, the annual compensation paid to any of these executives is deductible only to the extent that it does not exceed \$1,000,000. The Company can, however, preserve the deductibility of certain compensation in excess of \$1,000,000 under the 1996 Equity Plan if the conditions of Section 162(m) are met. These conditions include stockholder approval of the 1996 Equity Plan, setting limits on the number of Awards that any individual may receive, and, for Awards other than certain types of stock options, establishing performance criteria that must be met before the Award actually vests or is paid. The 1996 Equity Plan has been designed to permit the Administrator to grant Awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with those Awards.

The foregoing discussion of the federal income tax aspects of Awards under the 1996 Equity Plan is based upon federal income tax laws in effect on the date of this Proxy Statement. The foregoing discussion is not a complete description of the federal income tax aspects of options under the 1996 Equity Plan. In addition, administrative and judicial interpretations of the application of the federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes that may be applicable to any options. Participants in the 1996 Equity Plan who are residents of or are employed in a country other than the United States may be subject to taxation in accordance with the tax laws of that particular country in addition to or in lieu of United States federal income taxes.

PROPOSAL NO. 5

APPROVAL OF MAXIM'S EXECUTIVE BONUS PLAN

In October 2009, the Compensation Committee has approved the adoption of the Maxim Integrated Products, Inc. Executive Bonus Plan, an annual cash-based incentive plan, as an integral part of the compensation program for officers (the 2009 MEBP). The 2009 MEBP is being submitted to Maxim stockholders for their approval. Under the 2009 MEBP, if approved, payments of bonuses should constitute qualified performance-based compensation under the provisions of Section 162(m) of the Internal Revenue Code, as amended (the Code). Section 162(m) of the Code imposes a \$1 million limit on the amount that a public company may deduct for compensation paid to the company's chief executive officer and any of the company's three other most highly compensated officers (excluding the chief financial officer) who are employed as of the end of the year. This limitation does not apply to compensation that meets the requirements under Section 162(m) for qualifying performance-based compensation (i.e., compensation paid only if the individual's performance meets pre-established objective goals based on performance criteria approved by stockholders). The 2009 MEBP is designed to ensure that executive compensation paid in accordance with the plan is fully deductible for federal income tax purposes.

Required Vote

Approval of the 2009 MEBP requires the approval of a majority of the shares represented in person or by proxy and voting at the annual meeting. A general description of the principal terms of the 2009 MEBP approved by the Compensation Committee and the purposes of the 2009 MEBP are set forth below. Unless otherwise marked, all properly signed and returned proxies will be voted FOR Proposal No. 5.

Recommendation

Our board of directors recommends a vote FOR the approval of the 2009 MEBP.

The following summary of certain provisions of the 2009 MEBP is qualified in its entirety by reference to the 2009 MEBP, a copy of which is attached as Appendix C to this Proxy Statement. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the 2009 MEBP.

Summary of Material Features of the 2009 MEBP

The purpose of the 2009 MEBP is to motivate and reward superior short-term officer performance through the payment of cash award amounts based upon performance to pre-established metrics. Under the 2009 MEBP, each officer's incentive opportunity is based upon the level of achievement of Company and individual performance metrics established by the Compensation Committee. Maxim will use the 2009 MEBP to make a portion of each officer's target annual cash compensation at risk and subject to achievement of key short-term financial, stock price and performance metrics. Maxim currently has eighteen (18) officers that are eligible to participate in the plan.

The 2009 MEBP is administered by the Compensation Committee, which will be made up of at least two directors, each of whom is an outside director within the meaning of Section 162(m) of the Code. The officers eligible to participate in the 2009 MEBP will be selected to participate for a one fiscal year cycle or portion of a fiscal year cycle (each, a Performance Period), as determined by the Compensation Committee. In its discretion, the Compensation Committee may add officers to, or remove officers from, the 2009 MEBP at any time during a Performance Period or otherwise (except that no participant may be added after the 90th day following the beginning of a Performance Period or otherwise unless consistent with the requirements of Section 162(m) of the Code). Officers who are selected to participate in the 2009 MEBP will be paid a bonus (as defined below) based upon the achievement of performance objectives set by the Compensation Committee.

Performance metrics may be based on one or more financial, strategic and operational business criteria specified in Section 4 of the 2009 MEBP. The 2009 MEBP provides that such criteria may be determined with respect to the Company, or any subsidiary or any division or business unit thereof, alone or in combination, and may be on the basis of a comparison to results of a peer group or to market performance indicators or indices, and any such criteria will be determined in accordance with generally accepted accounting principles, consistently applied, unless otherwise specified by the Compensation Committee. The Compensation Committee has the option to make awards dependent on achievement of one or more different performance goals provided the goals, when established, are stated as alternatives to one another. Goals may change from year to year, as long as they are based on the performance criteria specified in the 2009 MEBP. This flexibility permits us to maintain alignment with the business strategy of the Company and respond to changing market conditions, while maintaining focus on financial measures.

Following the completion of a Performance Period, the Compensation Committee will review the performance of the participating officers against the established performance goals. Cash bonus awards are then paid after the Compensation Committee has determined the extent to which the performance goals have been achieved. The 2009 MEBP allows the Compensation Committee to reduce but not increase the amount of an award that is otherwise payable to a participant upon achievement of the performance goals. The 2009 MEBP specifies that payments will be in a lump-sum, and will be made no later than the date that is two and one-half months following the close of the calendar year in which such bonus was earned. The Code requires that the 2009 MEBP contain a limit on the amount any one officer may receive in order for bonuses to be tax deductible to the Company. The maximum bonus that can be paid to any officer under the 2009 MEBP is \$5 million.

In the event of a change-of-control of the Company, the payout of any award under the 2009 MEBP following such change-of-control will be consistent with the provisions of the applicable employment agreement or change-of-control employment agreement between the executive officer and the Company, if any, and to the extent that no applicable provision of any such agreement addresses such payment of awards, the Compensation Committee may (1) determine the extent to which the performance goals applicable to awards in effect on the date of the change-of-control have been met based on such audited or unaudited financial information then available as it deems necessary, and (2) cause to be paid to each participant partial or full awards based on the Committee's determination of the degree of attainment of the performance goals and the portion of the fiscal year that has elapsed prior to the change-of-control. Participants whose employment is terminated for any reason during the fiscal year (or prior to the date the Compensation Committee has determined the extent to which the performance goals have been achieved and reviews the performance of the officers) will not be entitled to receive an award under the 2009 MEBP for that fiscal year unless determined otherwise by the Compensation Committee.
