Item 1.01 Entry into a Material Definitive Agreement.

On December 18, 2009, ManTech entered into a Stock Purchase Agreement (**Purchase Agreement**) with Sensor Technologies Incorporated (**STI**), each of the shareholders of STI (collectively, the **Sellers**), and one of the Sellers, acting in his capacity as a representative for the shareholders of STI. The Purchase Agreement provides for ManTech's purchase of all of the outstanding capital stock of STI, following which STI will be our wholly owned subsidiary (**Stock Purchase**).

On December 21, 2009, we issued a press release announcing that we had entered into the Purchase Agreement. The press release is attached hereto as Exhibit 99.1.

On December 18, 2009, prior to the execution of the Purchase Agreement, ManTech and certain of our subsidiaries also entered into a First Amendment and Consent (**First Amendment**) with a syndicate of lenders, including Bank of America, N.A., which acted as administrative agent for the lenders.

Description of Material Terms of the Purchase Agreement

Under the terms of the Purchase Agreement, we will acquire all of the outstanding capital stock of STI (a privately-held company) for a purchase price of \$242 million (**Purchase Price**). A portion of the Purchase Price will be used to pay for certain transaction costs incurred by STI in connection with the Stock Purchase. The Purchase Price is subject to adjustment based on the calculation of STI's working capital as of the closing date.

Under the terms of the Purchase Agreement, a portion of the Purchase Price will be placed into escrow for the purpose of satisfying (i) potential indemnification obligations of the Sellers and (ii) any post-closing adjustments to the Purchase Price in ManTech's favor. The escrow term will be for a period of eighteen months.

STI and the Sellers have made customary representations and warranties in the Purchase Agreement. Additionally, STI has agreed to certain customary covenants and agreements, including (among others) that STI and its representatives will not solicit, encourage, initiate or respond to the submission of proposals relating to alternate business combination transactions, and will not participate in any discussions pertaining thereto.

Each of the Sellers has also agreed, for a period of four years following the closing of the Stock Purchase, not to directly or indirectly compete with the business of STI or solicit any of the employees of ManTech or any of its affiliates.

Consummation of the Stock Purchase is subject to customary closing conditions, including (among others):

Expiration of the applicable Hart-Scott-Rodino waiting period;

The absence of any injunction or order prohibiting the closing;

The accuracy of representations and warranties (subject to an overall materiality qualification);

Compliance with all covenants, agreements and conditions contained in the Purchase Agreement (subject to an overall materiality qualification); and

The absence of a material adverse effect on STI or STI and ManTech taken as a whole.

The Purchase Agreement contains customary termination provisions. In the event the Purchase Agreement is terminated pursuant to the conditions set forth in these provisions, the parties generally will be responsible for their respective costs and expenses. However, notwithstanding any termination, the parties will generally remain liable for any breach of the Purchase Agreement prior to its termination.

The Board of Directors of each of ManTech and STI has approved the Purchase Agreement and the Stock Purchase.

We expect the Stock Purchase to close early in 2010.

Description of Material Terms of the Amendment of the Credit Agreement

The First Amendment amended the terms and conditions of the Credit Agreement entered into on April 30, 2007 (**Credit Agreement**), by (among other things) (i) increasing the applicable rate applied to ManTech's outstanding base rate loans, letters of credit and Eurodollar rate loans under the Credit Agreement (as described in more detail below), (ii) reducing, from \$100 million to \$50 million, the maximum amount that ManTech can request as an increase to the aggregate commitments under the Credit Agreement, (iii) permitting ManTech and its subsidiaries to incur additional unsecured indebtedness in accordance with the covenants of the Credit Agreement, as amended, (iv) imposing a consolidated leverage ratio requirement on ManTech's ability to acquire additional companies, (v) increasing ManTech's capacity to repurchase its capital stock pursuant to a repurchase plan in accordance with the covenants of the Credit Agreement, as amended, and (vi) amending certain other affirmative and restrictive covenants. (A copy of the Credit Agreement was filed as an exhibit to our Current Report on Form 8-K filed May 1, 2007.)

As a result of the First Amendment, the applicable rate applied to ManTech's outstanding base rate loans, letters of credit and Eurodollar rate loans under the Credit Agreement will be determined as follows:

Level	Consolidated Leverage Ratio	Commitment Fee	Applicable Rate for Eurodollar Rate Loans Applicable Rate for Letters of Credit	Applicable Rate for Base Rate Loans
I	Less than 1.50 to 1.00	0.200%	1.625%	0.750%
II	Greater than or equal to 1.50 to 1.00 but less than 2.00 to 1.00	0.225%	1.750%	0.750%
III	Greater than or equal to 2.00 to 1.00 but less than 2.50 to 1.00	0.250%	1.875%	0.750%
IV	Greater than or equal to 2.50 to 1.00 but less than 3.00 to 1.00	0.275%	2.250%	1.250%
V	Greater than or equal to 3.00 to 1.00	0.300%	2.500%	1.500%

A copy of the First Amendment is filed as Exhibit 10.1 to this Current Report on Form 8-K. The foregoing description of the First Amendment is qualified in its entirety by reference to the terms of the First Amendment, as filed.
