The proposed revisions to our Certificate of Incorporation would provide the Company with the flexibility to accelerate the conversion of shares of Class B Common Stock into Class A Common Stock, thereby releasing converted shares into the public market, if the Board of Directors determines that such action is advisable.

Q: How does our Board of Directors recommend that I vote?

A: Our Board of Directors recommends that you vote **FOR** the proposal to amend and restate the Company's Certificate of Incorporation to eliminate the restriction on the number of shares of Class B Common Stock that the Board of Directors can convert into shares of Class A Common Stock.

Q: How may I cast my vote?

A: You have three options for submitting your vote before the special meeting: (1) go to the internet website listed on your proxy card and follow the instructions provided, (2) use the toll-free phone number listed on your proxy card and follow the recorded instructions, or (3) complete and return the enclosed proxy card.

If you hold your shares in your name as a registered holder, you may submit your vote in person.

If your shares are held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name. If you are a beneficial owner of shares held in street name, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Towers Watson. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote over the internet or by telephone as instructed by your broker or bank. To vote in person at the special meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

If you plan to attend the special meeting, please vote your proxy card and bring it with you to the special meeting. The vote you cast in person will supersede any previous votes that you submitted, whether over the internet, by telephone or by mail.

Q: What should I do if I received more than one proxy card?

A: You may have received more than one proxy card if you are the beneficial owner of shares of both Class A Common Stock and Class B Common Stock or if your shares are held in more than one account or more than one name. Please vote your shares on all of the proxy

Edgar Filing: Towers Watson & Co. - Form DEF 14A

cards you received. If you submit your vote by mail, please complete and return all proxy cards.

Table of Contents

A: A majority of the shares of Common Stock outstanding on the record date and a majority of the shares of Class B Common Stock outstanding on the record date must be present in person or by proxy to hold the special meeting.

Q: How many votes are required for the proposal to pass?

A: Under our Certificate of Incorporation and Delaware General Corporation Law, the proposal to amend and restate our Certificate of Incorporation requires the affirmative vote of the holders of a majority of the shares of Common Stock outstanding on the record date, with all shares of Common Stock voting together as a single class, and the affirmative vote of the holders of a majority of the Class B Common Stock outstanding on the record date, with all series of Class B Common Stock voting together as a single class.

Q: Can I change my vote after I have submitted my proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the special meeting, as follows:

Sending a written notice to the Corporate Secretary of Towers Watson before the special meeting stating that you would like to revoke your proxy;

Completing, signing and returning another later-dated proxy card prior to the special meeting;

Using the internet website or the toll-free phone number listed on the proxy card and following the instructions provided prior to 11:59 p.m. Eastern Daylight Time on the day before the special meeting; or

Attending the special meeting and voting in person.

Q: If my shares of Towers Watson Class A Common Stock are held in street name by my broker, will my broker vote my shares for me?

A: No. Your broker is not permitted to vote your shares of Towers Watson Class A Common Stock unless you tell the broker how to vote. To do so, you should follow the directions that your broker provides to you.

Q: How are votes counted?

If you **ABSTAIN**, it will cause your vote to be counted neither **FOR** nor **AGAINST** the proposal. Abstentions will count for the purpose of determining whether a quorum is present for conducting the special meeting. If you complete the voting instructions on the proxy card and submit your proxy, the persons named as proxies will follow your instructions. If you submit a proxy card but do not fill out the voting instructions on the proxy card, the persons named as proxies will vote your shares **FOR** the adoption of the proposal set

Edgar Filing: Towers Watson & Co. - Form DEF 14A

forth in this proxy statement and in accordance with the discretion of the persons appointed as proxies on any other matters properly brought before the special meeting for a vote.

If your shares are held in street name you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give your broker instructions, the shares will be treated as broker non-votes. Broker non-votes will not be counted towards the vote total for the proposal. However, shares represented by such broker non-votes will be counted in determining whether there is a quorum.

Table of Contents

Q: Who will count the votes?

A: Individual proxies will be counted by Broadridge Financial Solutions, Inc. Whether or not you expect to be present at the special meeting, you are urged to vote your proxy over the internet, by telephone or by mail.

Q: What happens if the special meeting is adjourned or postponed?

A: Your proxy will still be effective and may be voted at the rescheduled special meeting. You will still be able to change or revoke your proxy until it is voted.

A: A list of stockholders will be available for inspection at least ten days prior to the special meeting at Towers Watson, 901 North Glebe Road, Arlington, VA 22203.

Q: Who will pay the cost of soliciting proxies for the special meeting?

A: The cost of soliciting proxies will be borne by the Company. Employees of the Company may, but without compensation other than their regular compensation, solicit proxies by additional mailings, personal conversations, telephone, facsimile, or electronically. We have engaged InvestorCom, Inc., a proxy solicitation firm, to assist us in soliciting proxies for a fee of \$8,500, plus reimbursement of reasonable expenses. The Company will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of the Company's Common Stock. Other proxy solicitation expenses that we will pay include those for preparation, mailing and tabulating the proxies.

Q: If another matter comes before the special meeting for action, how will the matter be voted?

A: Management knows of no other matter that may come up for action at the special meeting. However, if any other matter properly comes before the special meeting, the proxies named on the enclosed proxy card will vote in accordance with their judgment upon such matter.

PROPOSAL 1

APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO ELIMINATE THE RESTRICTION ON THE NUMBER OF SHARES OF CLASS B COMMON STOCK THAT THE BOARD OF DIRECTORS CAN CONVERT INTO SHARES OF CLASS A COMMON STOCK

General

The Company's Board of Directors has considered, approved and declared as advisable the amendment and restatement of our Certificate of Incorporation, a copy of which is attached as Annex B to these proxy materials. The amendment and restatement of the Company's Certificate of Incorporation will:

Eliminate the restriction on the number of shares of Class B Common Stock that the Board of Directors can convert into shares of Class A Common Stock.

As described in "Conversion Rights and Effects" below, each Series of the Company's Class B Common Stock will automatically convert into shares of Class A Common Stock over the next four years. Under the existing provisions of Section 4.5(d)(ii)(E) of our Certificate of Incorporation, the Board of Directors may accelerate this conversion of shares of Class B Common Stock, thereby releasing converted shares into the public market, to the extent that the Board of Directors determines, in its discretion, that such conversion is necessary or appropriate. However, the Board of Directors is limited to accelerating the conversion of no more than five percent, in the aggregate, of the total shares of Class B Common Stock issued pursuant to the merger agreement that combined the businesses of Towers, Perrin, Forster & Crosby, Inc. and Watson Wyatt Worldwide, Inc. and made them wholly owned subsidiaries of Towers Watson (the "Merger Agreement").

This restriction limits the Board of Directors to converting no more than 1,474,150 of the 27,037,052.76 outstanding shares of Class B Common Stock. The proposed revision of Section 4.5(d)(ii)(E) of our Certificate of Incorporation would provide the Company with the flexibility to accelerate the conversion of shares of Class B Common Stock into shares of Class A Common Stock, thereby releasing converted shares into the public market.

Conversion Rights and Effects

Only the Company's Class A Common Stock is publicly traded. The Company's Certificate of Incorporation provides for the automatic conversion of the Class B Common Stock into shares of Class A Common Stock as follows:

Shares of Class B-1 Common Stock, of which there are 10,530,852.92 shares outstanding, automatically convert into shares of Class A Common Stock on January 1, 2011;

Shares of Class B-2 Common Stock, of which there are 5,561,630.05 shares outstanding, automatically convert into shares of Class A Common Stock on January 1, 2012;

Shares of Class B-3 Common Stock, of which there are 5,561,630.05 shares outstanding, automatically convert into shares of Class A Common Stock on January 1, 2013; and

Shares of Class B-4 Common Stock, of which there are 5,382,939.74 shares outstanding, automatically convert into shares of Class A Common Stock on January 1, 2014.

To reduce the impact that the conversion of the shares of Class B-1 Common Stock into shares of Class A Common Stock would have if they became freely tradable on January 1, 2011, the Company initiated a tender offer in May 2010 to acquire a significant number of shares of Class B-1 Common Stock. However, the tender offer was limited to the repurchase of up to \$200 million of shares of Class B-1 Common Stock. An aggregate of \$98.5 million of Class B Common Stock (or 2,267,264.854 shares) was exchanged upon completion of the tender offer, and

Edgar Filing: Towers Watson & Co. - Form DEF 14A

10,530,852.92 shares of Class B-1 Common Stock remain outstanding and will automatically convert into the same number of shares of Class A Common Stock on January 1, 2011. This conversion would represent 24.4 percent of the current outstanding, freely tradable Class A Common Stock, assuming 43,152,161.78 shares of current outstanding, freely tradable Class A Common Stock. The Company may determine that additional action is needed to prevent a large number of converted shares of Class B Common Stock from entering the market at once on January 1, 2011, or in future years.

Table of Contents

Subject to stockholder approval of the proposed amendment and restatement of the Company's Certificate of Incorporation to amend Section 4.5(d)(ii)(E) of the Company's Certificate of Incorporation, the Company's Board of Directors may determine to convert a number of the shares of Class B Common Stock into Class A Common Stock and may purchase or sell (or permit certain stockholders to sell) shares of Common Stock at such times, at such prices and in such amounts as determined by the Board of Directors. These purchases or sales may be made in the open market, through underwritten public offerings, privately negotiated transactions or otherwise, and may involve any Series of Class B Common Stock, as the Board of Directors determines. The proposed revisions to the Certificate of Incorporation would allow the Company to permit one or more coordinated public dispositions of shares by the holders of Class B Common Stock in order to mitigate the adverse impact on the trading market for the Class A Common Stock that could otherwise result from the introduction of these holders' shares into the public market on or after January 1, 2011. However, the Company is under no obligation to permit any such transaction and may determine not to do so even if this proposal is approved.

Modification of Class B Common Stock

The amendment and restatement of our Certificate of Incorporation would modify the terms of the 27,037,052.76 shares of Class B Common Stock outstanding to allow the Board of Directors to accelerate the conversion of shares of Class B Common Stock into Class A Common Stock, thereby releasing converted shares into the public market, without limitation. Currently the Board of Directors is limited to accelerating the conversion of five percent of the number of shares of Class B Common Stock issued pursuant to the Merger Agreement, or 1,474,150 shares.

The legal rights of all other stockholders will remain unchanged by the amendment and restatement of the Company's Certificate of Incorporation.

Process for Amendment and Restatement of Certificate of Incorporation

Under the provisions of the Company's Certificate of Incorporation and Delaware General Corporation Law, the adoption of the proposed amendment and restatement of our Certificate of Incorporation requires the affirmative vote of the holders of a majority of the outstanding shares of the Common Stock on the record date and the affirmative vote of the holders of a majority of the outstanding shares of Class B Common Stock on the record date, with all series of Class B Common Stock voting together as a single class.

If our stockholders approve the proposed amendment and restatement of the Company's Certificate of Incorporation, we intend to file the Second Amended and Restated Certificate of Incorporation with the Delaware Secretary of State following the special meeting. The Second Amended and Restated Certificate of Incorporation will become effective on the date the filing is accepted by the Delaware Secretary of State. Please note, however, that the proposed plan to file a Second Amended and Restated Certificate of Incorporation may be abandoned by our Board of Directors without further action by the stockholders, at any time before or after the special meeting, including after stockholder approval of the proposed amendment and restatement of our Certificate of Incorporation, if for any reason our Board of Directors deems it advisable.

The proposed revised version of Section 4.5(d)(ii)(E) of the amended and restated Certificate of Incorporation, marked to show all changes from that section as currently in effect, is included as Annex A to these proxy materials. The full text of the Second Amended and Restated Certificate of Incorporation is included as Annex B to these proxy materials.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE COMPANY'S CERTIFICATE OF INCORPORATION TO ELIMINATE THE RESTRICTION ON THE NUMBER OF SHARES OF CLASS B COMMON STOCK THAT THE BOARD OF DIRECTORS CAN CONVERT INTO SHARES OF CLASS A COMMON STOCK.

The notice must contain the information required by Towers Watson's bylaws. The foregoing bylaw provisions do not affect a stockholder's ability to request inclusion of a proposal in the Towers Watson's proxy statement within the procedures and deadlines set forth in Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and referred to in the paragraph above. A copy of Towers Watson's bylaws has been publicly filed with the SEC and is also available upon request to: Towers Watson, 901 North Glebe Road, Arlington, VA 22203, Attention: Corporate Secretary. The officer presiding at the meeting may exclude matters that are not properly presented in accordance with these requirements.

Stockholders Sharing the Same Address

We have adopted a procedure called "householding," which has been approved by the SEC. Under this procedure, we will deliver only one copy of our reports and proxy statements to multiple stockholders who share the same address (if they appear to be members of the same family) unless we have received contrary instructions from an affected stockholder. Stockholders who participate in householding will continue to receive separate proxy cards if they received a paper copy of proxy materials in the mail. This procedure reduces our printing costs, mailing costs and fees, and also reduces the environmental impact of proxy solicitation.

If you are a stockholder, share an address and last name with one or more other stockholders and would like to revoke your householding consent or you are a stockholder eligible for householding and would like to participate in householding, please contact the Corporate Secretary in writing at the following address: Towers Watson, 901 North Glebe Road, Arlington, VA 22203, Attention: Corporate Secretary, or by telephone at (703) 258-8000. A number of brokerage firms have instituted householding. If you hold your shares in "street name," please contact your bank, broker or other holder of record to request information about householding.

Where You Can Find Additional Information

(g) **Reclassifications, Subdivisions and Combinations.** No class of Common Stock, or series thereof, may be reclassified, subdivided or combined, including without limitation pursuant to any stock split, stock dividend or other distribution, reorganization, reclassification or similar event, unless such reclassification, subdivision or combination occurs simultaneously and in the same proportion for each class of Common Stock, and each series thereof, except that Class A Common Stock and Class B Common Stock may be reclassified as a single class of Common Stock at any time following the fourth anniversary of the Effective Time. All dividends or other distributions payable in Common Stock pursuant to stock splits or divisions of Common Stock shall be paid as follows: (i) only shares of Class A Common Stock are paid or distributed with respect to Class A Common Stock, (ii) only shares of Class B-1 Common Stock are paid or distributed with respect to Class B-1 Common Stock, (iii) only shares of Class B-2 Common Stock are paid or distributed with respect to Class B-2 Common Stock, (iv) only shares of Class B-3 Common Stock are paid or distributed with respect to Class B-3 Common Stock, (v) only shares of Class B-4 Common Stock are paid or distributed with respect to Class B-4 Common Stock, (vi) only shares of Class R Common Stock are paid or distributed with respect to Class R Common Stock and (vii) only shares of Class S Common Stock are paid or distributed with respect to Class S Common Stock; provided, that (i) if a dividend or other distribution is paid with respect to the Class A Common Stock other than pursuant to stock splits or divisions of Common Stock, a proportionate dividend or distribution shall be paid with respect to the Class B Common Stock and (ii) if a dividend or other distribution is paid with respect to one class or series of Common Stock pursuant to stock splits or divisions of Common Stock, a proportionate dividend or distribution shall be paid with respect to each other class or series of Common Stock.

(h) **Dividends and Other Distributions.** Subject to the rights of the holders of Preferred Stock and to clause (g) above with respect to stock splits or divisions of Common Stock, holders of Common Stock are entitled to receive such dividends and other distributions in cash, stock of any corporation or property of the Corporation as may be declared thereon by the Board of Directors from time to time out of assets or funds of the Corporation legally available therefor, and shall share equally on a per share basis in all such dividends and other distributions. Except as set forth in Section 4.5(f)(ii) hereof, shares of Class F Stock shall not be entitled to receive any dividends or other distributions from the Corporation.

(i) **Liquidation, Dissolution and Winding Up.** In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, after payment in full of the amounts required to be paid to the holders of Preferred Stock, the remaining assets and funds of the Corporation shall be distributed pro rata to the holders of shares of Common Stock. For purposes of this Section 4.5(i), the voluntary sale, conveyance, lease, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the assets of the Corporation or a consolidation or merger of the Corporation with one or more other corporations (whether or not the Corporation is the corporation surviving the consolidation or merger) shall not be deemed to be a liquidation, dissolution or winding up, voluntary or involuntary. Shares of Class F Stock shall not be entitled to receive any distribution from the assets or funds of the Corporation, in connection with any liquidation, dissolution or winding up of the affairs of the Corporation.

(j) **Fractional Shares.** Fractional shares of Common Stock and Class F Stock may be issued; however, no certificates or scrip representing fractional shares of Class A Common Stock will be issued upon the automatic conversion of shares of Class B Common Stock into shares of Class A Common Stock or the exchange of shares of Class B Common Stock for shares of Class A Common Stock or the exchange of shares of Class A Common Stock for Shares of Class F Stock, but in lieu thereof each holder of such shares who would otherwise be entitled to a fraction of a share upon such event shall receive from the Corporation (after aggregating all fractional shares of Class B Common Stock or Class A Common Stock to be received by such holder in such event) an amount of cash (rounded down to the nearest whole cent), without interest, equal to the product of such fraction multiplied by the average per-share trading price of Class A Common Stock for the ten (10) consecutive trading days ending on the second trading day immediately prior to the date of such conversion or exchange (as reported in the New York City edition of The Wall Street Journal for each such trading day, or, if not reported therein, any other authoritative source to be selected by the Corporation). Such payment shall occur as soon as reasonably practicable after the determination of the amount of cash, if any, to be paid to each person entitled to receive cash pursuant to the immediately preceding sentence, and upon such payment, all of the fractional shares to which such payment relates shall be cancelled.

5. **Limitation of Liability.** A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (a) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the DGCL or (d) for any transaction from which the director derived an improper personal benefit. If the DGCL is amended to authorize the further elimination or limitation of the liability of directors, then the liability of directors is eliminated or limited to the full extent authorized.

6. **Amendment of Bylaws.** In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware, the Board of Directors is authorized to adopt, amend or repeal the Bylaws of the Corporation (as may be amended and in effect from time to time, the *Bylaws*). No adoption, amendment or repeal of any provision of the Bylaws by action of stockholders shall be effective unless approved by the affirmative vote of the holders of at least 67% of the voting power of the shares entitled to vote generally in the election of directors.

7. Board of Directors.

7.1 The business and affairs of the Corporation are managed by or under the direction of a Board of Directors. The number of directors of the Corporation constituting the whole Board of Directors shall be fixed exclusively by the Board of Directors. The election of directors need not be by ballot. Notwithstanding the foregoing, for any director who is an employee of the Corporation or any of its Affiliates at the time of election to the Board of Directors, it is a qualification for service as a director that such director remain so employed, so that such director shall no longer be qualified to be a director and shall therefore automatically cease to be a director upon termination of such director's employment with the Corporation or such Affiliate for any reason.

7.2 Any director may be removed, with or without cause, but only with the affirmative vote of the holders of not less than 67% of the voting power of all outstanding shares of stock of the Corporation entitled to vote generally in the election of directors, considered for this purpose as a single class.

7.3 Vacancies and newly created directorships resulting from any increase in the authorized number of directors or from any other cause (other than vacancies and newly created directorships which the holders of any class or classes of stock or series thereof are expressly entitled by this Second Amended and Restated Certificate of Incorporation to fill) shall, unless otherwise required by resolution of the Board of Directors, be filled by, and only by, the affirmative vote of a majority of the members of the Board of Directors then in office, although less than a quorum, or by the sole remaining director. Any director appointed to fill a vacancy or a newly created directorship shall hold office until the next election of the directors and until his or her successor is elected and qualified or until his or her earlier resignation or removal.

8. **Stockholder Meetings.** No action of stockholders of the Corporation required or permitted to be taken at any annual or special meeting of stockholders may be taken without such a meeting, without prior notice, or without a vote, and the power of stockholders of the Corporation to consent in writing to the taking of any action without a meeting is specifically denied; provided, however, that the holders of any series of Preferred Stock of the Corporation shall be entitled to take action by written consent to such extent, if any, as may be provided in the terms of such series. Subject to the rights of holders of any series of Preferred Stock, special meetings of stockholders of the Corporation may only be called as follows: (a) by the Chief Executive Officer of the Corporation; (b) by the President of the Corporation or (c) by the Board of Directors pursuant to a resolution adopted by the Board of Directors.

9. Indemnification.

9.1 **Right to Indemnification.** The Corporation shall, as set forth more fully in the Bylaws, indemnify and hold harmless each of its directors and officers, and advance expenses (including attorneys fees) incurred by directors and officers in matters subject to such indemnification, in each case to the fullest extent permitted by Delaware law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than such law permitted the Corporation to provide prior to such amendment), and such right to indemnification and advancement of expenses shall continue as to any person who has ceased to be a director or officer and shall inure to the benefit of his or her heirs, executors and administrators. Notwithstanding the foregoing, except with respect to proceedings to enforce rights to indemnification or advancement of expenses, the Corporation shall not indemnify any current or former director or officer in connection with a proceeding (or part thereof) initiated by such director or officer unless such proceeding (or part thereof) was authorized by the Board of Directors.

9.2 **Non-Exclusivity of Rights.** The rights conferred on any person by this Article 9 shall not be exclusive of any other right which such person may have or hereafter acquire under applicable law, this Second Amended and Restated Certificate of Incorporation, the Bylaws, any agreement, vote of stockholders or disinterested directors, or otherwise.

9.3 **Indemnification of Persons Other Than Directors and Officers.** This Article 9 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted thereby, to indemnify and to advance expenses, pursuant to applicable law, the Bylaws, any agreement, vote of stockholders or disinterested directors, or otherwise, to persons other than directors or officers of the Corporation.

10. **Amendments.** Subject to the provisions of this Second Amended and Restated Certificate of Incorporation, the Corporation reserves the right to amend, alter, change or repeal any provision contained in this Second Amended and Restated Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred upon stockholders in this Second Amended and Restated Certificate of Incorporation are granted subject to this reservation.
