**Item 1.01. Entry into a Definitive Material Agreement**

On August 10, 2010, First Data Corporation (the Company ) entered into an Amendment Agreement (the Amendment Agreement ) relating to its Credit Agreement, dated as of September 24, 2007, as amended and restated as of September 28, 2007, among First Data Corporation, the several lenders from time to time parties thereto and Credit Suisse AG, Cayman Islands Branch, as administrative agent (the Credit Agreement ). The Credit Agreement, as amended pursuant to the Amendment Agreement, is referred to herein as the Amended Credit Agreement.

Among other things, the Amended Credit Agreement:

(i) will allow for the Company to incur additional secured indebtedness ranking pari passu with or junior to the liens securing the obligations under its senior secured credit facilities or additional unsecured indebtedness (including debt securities) so long as, in each case, among other things, (w) 100% of the net cash proceeds of any such secured or unsecured indebtedness is used to repay term loans or (x) such indebtedness is offered on a pro rata basis to all term loan lenders of a particular class or classes in exchange for a like amount of term loans of such class or classes (and the term loans so exchange are cancelled) or (y) if such indebtedness is secured by a lien junior to the liens securing the obligations under the senior secured credit facilities, the aggregate principal amount shall not exceed \$3,500,000,000 at any time and the net cash proceeds of such indebtedness shall be used to redeem or repay senior or senior subordinated notes or (z) the amount available to be borrowed under the uncommitted incremental facilities is reduced by an amount equal to the aggregate principal amount of such indebtedness;

(ii) will exclude from the calculation of consolidated senior secured debt (and hence from the maintenance covenant) certain indebtedness secured by a lien ranking junior to the liens securing the obligations under the senior secured credit facilities; and

(iii) subject to the requirement to make such offers on a pro rata basis to all lenders within a particular class of loans, will allow the Company to agree with individual lenders to extend the maturity of their term loans or revolving commitments, and for the Company to pay increased interest rates or otherwise modify the terms of their loans or revolving commitments in connection with such an extension.

The effectiveness of the Amendment Agreement, including the changes to the Credit Agreement described in the preceding paragraph, is subject to certain conditions, including the Company having issued notes in an aggregate principal amount of not less than \$500.0 million with the net cash proceeds thereof being used to prepay a like amount of term loans within 90 days of the date of executing the Amendment Agreement.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment Agreement, filed as Exhibit 10.1 hereto and incorporated by reference herein.
