Item 2.06 Material Impairment.

The recorded value of the Company's cost method investment in DBSD North America, Inc. of \$23.7 million may be materially impaired as a result of an order issued by the Second Circuit Court of Appeals on December 6, 2010. The court determined that DBSD's Plan of Reorganization, as approved by the U.S. Bankruptcy Court in October of 2009, and affirmed by the U. S. District Court for the Southern District of New York in March of 2010, violated the absolute priority rule. The Second Circuit remanded the case to the District Court with instructions to remand to the Bankruptcy Court for further proceedings. The Second Circuit stated that its opinion will follow in due course. Until the opinion is issued and further proceedings transpire, we cannot estimate the amount of the impairment, if any, or the amount of any future required cash expenditures.
