SOLICITATION OF PROXIES

Edgar Filing: Bitstream Inc. - Form DEF 14A

The persons named as proxies are Amos Kaminski, our Chairman of the Board, and Jonathan H. Kagan, a member of our board of directors. Stock represented by a properly executed and delivered proxy will be voted at the Meeting and, when instructions have been given by the stockholder, will be voted in accordance with those instructions. If a properly executed and delivered proxy does not provide instructions, then the stock represented by that proxy will be voted FOR the election of each of the five persons nominated by the Board to serve as directors, FOR the ratification of the appointment of the Company's Independent Registered Public Accounting Firm, and in the discretion of the proxies on other business which may properly come before the Meeting. The cost of preparing, assembling and mailing the Proxy, this Proxy Statement and the other material enclosed will be borne by the Company. In addition to these mailed proxy materials, our directors, officers and employees (who will receive no compensation in addition to their regular salaries) may solicit proxies in person, by telephone or by other means of communication. We will request brokerage houses, banking institutions, and other custodians, nominees and fiduciaries, with respect to shares held of record in their names or in the names of their nominees,

to forward the proxy material to the beneficial owners of such shares of stock and will reimburse them for their reasonable expenses in forwarding the proxy material.

SHARES OUTSTANDING AND VOTING RIGHTS

Only holders of record of shares of Class A Common Stock, \$0.01 par value (Class A Shares or Class A Common Stock), at the close of business on April 21, 2011 (the Record Date) are entitled to vote at the Meeting, or any adjournment thereof. If your Class A Shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order to vote your shares. If your Class A Shares are not registered in your own name and you plan to vote your shares in person at the Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it with you to the Meeting in order to vote.

On the Record Date, there were 10,359,356 Class A Shares issued and outstanding, including 190,975 unvested restricted shares with voting rights. Each Class A Share is entitled to one vote on all matters to be voted upon. The presence in person or by properly executed Proxy of the holders of a majority of the issued and outstanding shares of Class A Common Stock entitled to vote at the Meeting is necessary to constitute a quorum. Directors are elected by a plurality of the votes present in person or by proxy at the Meeting and voting on such proposal. The affirmative vote of a majority of the votes present in person or by proxy at the Meeting is required for ratification of the appointment of independent registered public accounting firm and the approval of any other business which may properly be brought before the Meeting or any adjournment thereof.

Stockholders of record vote at the Meeting by casting ballots (in person or by proxy), which are tabulated by a person who is appointed by the Board before the Meeting to serve as the inspector of election at the Meeting and who has executed and verified an oath of office. For purposes of determining the number of votes cast with respect to a particular matter, only those cast For or Against are included. Under the NASDAQ Stock Market Rules, the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors, as set forth in Proposal No. 2, is considered a discretionary item. This means that brokerage firms may vote in their discretion on Proposal No. 2 on behalf of beneficial owners who have not furnished a properly executed proxy card or delivered voting instructions to their broker at least ten days before the date of the Meeting. In contrast, the election of directors as set forth in Proposal No. 1 is considered a non-discretionary item. This means that brokerage firms that have not received a properly executed proxy card or voting instructions from their clients may not vote on behalf of their clients with respect to Proposal No. 1. These so called broker non-votes and abstentions will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be included in the total of votes cast for either proposal.

Our stock transfer books will not be closed. Stockholders who do not expect to attend the Meeting, but wish to have their shares of stock voted at the Meeting, are urged to complete, sign, date and return the enclosed Proxy as promptly as possible.

CORPORATE GOVERNANCE

Code of Business Conduct and Ethics

We have a code of ethics that applies to our principal executive officer and principal financial officer, or persons performing similar functions. This code of ethics is incorporated in our Code of Business Conduct and Ethics that applies to all of our officers, directors, and employees. A copy of our Code of Business Conduct and Ethics is available on our website at http://www.bitstream.com/corporate/investor/corp_gov.html. We intend to satisfy the SEC's disclosure requirements regarding amendments to, or waivers of, the code of business conduct and ethics by posting such information on our website in lieu of filing such information in a Current Report on Form 8-K.

Certain Business Relationships and Transactions

All related person transactions are reviewed, and reported to and, if required, approved by, our board of directors or audit committee, as applicable. The term "related person transactions" refers to transactions required to be disclosed in our filings with the SEC pursuant to Item 404 of Regulation S-K. During 2010 the Company did not enter into any related person transactions requiring approval or disclosure.

Board of Directors Board Leadership Structure and Role in Risk Oversight

Structure

Our Board of Directors currently consists of five members whose terms expire at the Annual Meeting. The members of the Board serve until their successors have been elected and qualified, or until the earlier of their death, resignation or removal.

Our board of directors is currently comprised of five directors, including four independent directors. The board of directors determined that Mr. Kaminski is not independent by virtue of his appointment as chief executive officer on an interim basis effective May 1, 2011. Ms. Chagnon, is not independent by virtue of her service as our former chief executive officer prior to Mr. Kaminski's appointment.

Prior to Mr. Kaminski's appointment as chief executive officer on an interim basis on May 1, 2011, the Company had separated the roles of Chief Executive Officer and Chairman of the Board. The Company believed that the separation of these roles permitted the Chairman of the Board to focus on oversight of the Company's long-term corporate development goals and strategic issues, thereby enabling the Chief Executive Officer to focus on executing the Company's business plan and overseeing the day to day performance of the other executive officers. In light of Ms. Chagnon's resignation effective May 1, 2011, the board of directors determined that it was necessary and appropriate, on an interim basis, for Mr. Kaminski to serve as both Chairman of the Board and Chief Executive Officer. This determination was based on Mr. Kaminski's wide-ranging knowledge of our business operations, competitive challenges and opportunities, his service as our chief executive officer, and his knowledge of strategic issues facing the Company and the board of directors. The board of directors will be assessing its leadership structure on an ongoing basis and will make a determination later in 2011 whether it is necessary or appropriate to separate the roles of Chairman of the Board and Chief Executive Officer based on the Company's facts and circumstances.

Our board conducts an annual self-evaluation in order to determine whether it and its committees are functioning effectively. As part of this self-evaluation, the board evaluates whether the current leadership structure continues to be optimal for the Company and its stockholders.

Risk Oversight

Our board of directors has oversight of our risk management program working directly with our senior management, who are responsible for our internal risk management. The Audit Committee has oversight

Table of Contents

responsibility for our risk identification and prioritization process and our Sarbanes-Oxley Act of 2002 compliance program. The Compensation Committee has oversight of risk considerations with respect to our compensation programs, including working directly with senior management to determine whether such programs improperly encourage management to take risks relating to the business and/or whether risks arising from our compensation programs are reasonably likely to have a material adverse effect on the Company. The Company's senior management, subject to board oversight, is responsible for ensuring that our risk management program, comprised of strategic, operational, financial and legal risk identification and prioritization, is reflected in the Company's policies and actions. The Company's senior management, subject to board oversight, is also responsible for day-to-day risk management and implementation of Company policies, with monitoring and testing of Company-wide policies and procedures overseen by our audit committee. Our board of directors believes that this shared oversight is appropriate for the Company.

Board Committees and Meetings of the Board

The Board has a standing Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. During the year ended December 31, 2010, the Nominating and Corporate Governance Committee met four times, the full Board met eleven times, the Compensation Committee met eight times, and the Audit Committee met six times. During 2010 the Company also had a Special Committee which met three times. All incumbent directors attended at least 75% of the aggregate number of the meetings of the Board and each member of the Committees of the Board attended at least 75% of the meetings of the Committees. Each committee's charter is available free of charge through the Corporate Governance link on the Company's website at www.bitstream.com, or by sending your request in writing to the Corporate Secretary, Bitstream Inc., 500 Nickerson Road, Marlborough, MA 01752-4695. Each committee conducts an annual assessment to determine whether it has sufficient information, resources and time to fulfill its obligations and whether it is performing its obligations. Under the Board's Corporate Governance Guidelines, each committee may retain experts to assist it in carrying out its responsibilities. The Board of Directors has determined that each of the members of the Audit Committee, Compensation Committee, and the Nominating and Corporate Governance Committee are independent as required by applicable laws and regulations, and the NASDAQ Stock Market Rules.

The Board and executive management believe that good corporate governance is important to ensure that we are managed for the long-term benefit of our stockholders. The Board and executive management team have been reviewing and will continue to review our corporate governance policies and practices for compliance with applicable regulations and will continue to compare those policies and practices to those suggested by various authorities in corporate governance and the practices of other public companies.

Audit Committee

The Audit Committee reviews our accounting practices, internal accounting controls and financial results and oversees the engagement of our independent registered public accountants. The Audit Committee also oversees management's performance of its duties with respect to maintaining the integrity of our accounting and financial reporting and our systems of internal controls, the performance and qualifications of the independent accountants (including the independent accountant's independence), and our compliance with legal and regulatory requirements. The Audit Committee establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls and the confidential and anonymous submission by employees and others regarding questionable or possibly fraudulent actions or activities. The Board of Directors, based on the recommendation of the Audit Committee, designated Mr. Lubrano, and upon his passing, Mr. Keating, as the audit committee financial expert. During 2010, the members of this committee were Mr. Lubrano, serving as Chairperson, Mr. Beitzel, Mr. Kaminski, and as of his election to the Board in May 2010, Mr. Keating. Mr. Lubrano passed away in February 2011 following which Mr. Keating was appointed Chairperson of the committee. Effective upon Mr. Kaminski's appointment as Chief Executive Officer on May 1, 2011, Mr. Kaminski resigned from the Audit Committee and Mr. Kagan was appointed to the Audit Committee in his place.

Table of Contents

Compensation Committee

The Compensation Committee establishes salaries, incentives and other forms of compensation for our directors, officers and other employees. The Compensation Committee also administers our benefit plans and administers the issuance of stock options and other awards under our Stock Plans to all our employees and directors, including the members of such committee. The committee also reviews, and recommends to the full Board, the compensation and benefits for non-employee Directors. During 2010, the members of this committee were Mr. Beitzel, serving as Chairperson, Mr. Kaminski, Mr. Lubrano, and as of his election to the Board in May 2010, Mr. Martynek. Effective upon Mr. Kaminski's appointment as Chief Executive Officer on May 1, 2011, Mr. Kaminski resigned from the Compensation Committee and Mr. Kagan was appointed to the Compensation Committee in his place.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee provides oversight and guidance to the Board of Directors to ensure that the membership, structure, policies, and practices of the Board and its committees facilitate the effective exercise of the Board's role in the governance of the Company. The committee reviews and evaluates the policies and practices with respect to the size, composition, independence and functioning of the Board and its committees and reflects those policies and practices in corporate governance guidelines, and evaluates the qualifications of, and recommends to the full Board, candidates for election as Directors. During 2010, the members of this committee were Mr. Kaminski, serving as Chairperson, Messrs. Beitzel, Lubrano, Ying, until his resignation in August of 2010, and Kagan, as of his appointment to the Board in February of 2010. In October 2010 the Special Committee made a recommendation to the Board, which the Board approved, appointing Rothschild Inc. as the Company's financial advisor. Be ethical;

Have proven judgment and competence;

Have professional skills and experience that are complementary to the background and experience represented on the Board and that meet our needs;

Have demonstrated the ability to act independently and be willing to represent the interests of all shareholders and not just those of a particular philosophy or constituency; and

Be willing and able to devote sufficient time to fulfill his/her responsibilities to Bitstream and its shareholders.

The Nominating Committee also considers the following factors when evaluating candidates for director:

- 1) How such candidate contributes to the diversity of the board of directors. Although the Company does not have a formal diversity policy, it endeavors to comprise the Board of members with a broad mix of professional and personal backgrounds. Thus, the Nominating Committee accords some weight to the individual professional background and experience of each director. Further, in considering nominations, the Nominating Committee takes into account how a candidate's professional background would fit into the mix of experiences represented by the then-current Board. When evaluating a nominee's overall qualifications, the Nominating Committee does not assign specific weights to particular criteria, and no particular criterion is necessarily required of all prospective nominees.

Edgar Filing: Bitstream Inc. - Form DEF 14A

- 2) The degree to which such candidate's experience strengthens the board of directors' collective qualifications and skills.
- 3) The candidate's understanding of and experience in the software and technology industries.
- 4) The candidate's leadership experience with public companies.

The Committee seeks and receives recommendations on board candidates from third parties, including security holders, and while recommendations from significant security holders might receive greater initial consideration we generally would seek to apply the same criteria that would be applied in evaluating other candidates to these recommended candidates.

After the Nominating Committee has completed its evaluations, it presents its recommendations to the full Board for its consideration and approval. In presenting its recommendations, the Nominating Committee also reports on other candidates who were considered but not selected.

We will report any material change to this procedure in a quarterly or annual filing with the Securities and Exchange Commission and any new procedure will be available through the Corporate Governance link on our website at www.bitstream.com.

Director Compensation

Our current director compensation guidelines stipulate that each director who is not our employee is entitled to receive \$35,000 in cash compensation for service as a director and that each new non-employee director be awarded 25,000 restricted shares. In addition, our non-employee Chairman of the Board is entitled to receive an additional \$15,000 in cash compensation for his service as Chairman. For the year ended December 31, 2010, Mr. Ying, our former chairman received \$50,000; Messrs. Beitzel, Lubrano, Kaminski, and Kagan each received \$35,000; and Messrs. Keating and Martynnek each received \$20,417. Upon their appointment or election to the Board, Messrs. Kagan, Keating, and Martynnek, also each received a restricted stock award of 25,000 shares which vests over five years in one-twentieth increments on each quarterly anniversary date from the date of the grant.

On August 12, 2010, Messrs. Beitzel, Lubrano, and Kaminski, were each granted a restricted stock award for 5,000 shares of the Company's Class A Common Stock, which vests over five years in one-twentieth increments on each quarterly anniversary date from the date of the grant. On November 12, 2010 Messrs. Kagan, Kaminski, and Keating, were granted 4,500, 3,000 and 3,000, respectively, for their service on the Special Committee. From January 1, 2011 to April 20, 2011, the Board did not make any stock option grants to purchase Class A Common Stock to any Board member and made restricted stock awards on February 24, 2011 to Messrs. Kagan, Kaminski, and Keating, granting 4,500, 3,000 and 3,000, respectively, for their service on the Special Committee. Except for this equity compensation for service on the Special Committee, directors do not receive any other compensation for service on committees of the Board.

The following table provides information on the compensation of our directors for the fiscal year ended December 31, 2010. Ms. Chagnon did not receive separate compensation for her services as a director. In addition to Mr. Kaminski's compensation as a director and Chairman of the Board, effective upon Mr. Kaminski's appointment as Chief Executive Officer on an interim basis on May 1, 2011, Mr. Kaminski will be compensated \$1,500 per day for serving as the Chief Executive Officer. For her compensation as our Chief Executive Officer, see Ms. Chagnon's compensation discussed in this Proxy Statement under the Compensation Discussion and Analysis and the data related to her compensation in the Summary Compensation Table and related tables.

- (1) Compensation amounts for restricted stock awards represent the aggregate grant date fair value computed in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 718, Share Based Payments for each of the restricted stock awards made during 2010. Grant date fair value was calculated using the closing price on the grant date multiplied by the number of shares. These amounts do not represent the actual value that may be realized by the Directors.
- (2) No Stock Options or warrants were granted or issued during 2010 to any of the non-employee directors.
- (3) Upon Mr. Ying's resignation from the Board, the Board approved the acceleration his unvested restricted stock awards, which had been unvested due to length of service requirements. This resulted in the modification of 10,000 restricted shares as follows: 2,000 shares awarded on May 24, 2007, 3,000 shares awarded on May 20, 2008, and 5,000 shares awarded on August 19, 2009. The grant date fair value of the 10,000 modified awards is the difference between the value at the date modified and the value at original date awarded.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Bitstream's executive compensation program is intended to attract and retain highly-qualified senior managers by providing compensation opportunities that reflect our business results and the individual executive's performance. During the year ended December 31, 2010, we used salary, stock options and restricted stock awards, to meet these goals. We believe that these compensation opportunities will motivate management's efforts by ensuring that the rewards received by our executives are consistent with the achievement of our business objectives and with the value added by management to the stockholders' interests. Our compensation program provides for base salaries that reflect such factors as level of responsibility, internal fairness and external competitiveness. We also believe that a substantial portion of each of our executive's compensation should be in the form of an incentive bonus. Receipt of this bonus is contingent upon our achievement of target levels of sales and earnings, strategic acquisitions and other initiatives, introduction of innovative products and services, and the achievement of and progress toward other significant annual financial and operational objectives as determined by the Compensation Committee. In general, we believe that the cash compensation of our executive officers approximates the average of compensation paid to executives of appropriate comparable companies who occupy positions of similar responsibilities. Our compensation program also provides long-term incentive opportunities in the form of stock options, restricted stock and other forms of equity compensation that strengthen the mutuality of economic interest between management and our stockholders and encourage management continuity. During the year ended December 31, 2010, we made awards under our 2006 Incentive Compensation Plan to our executive officers. These awards included restricted stock awards that vest over five-year periods and stock options to purchase shares that vest over a four-year period.

The following is a discussion of each element of our executive compensation program, including a description of the decisions and actions taken by the Compensation Committee with respect to the 2010 compensation for the Chief Executive Officer (the "CEO") and all executive officers as a group.

Management Compensation Program

Overview

Compensation of our executive officers in the year ended December 31, 2010 (as reflected in the tables that follow with respect to the Named Executive Officers) consisted of the following elements: base salary, the opportunity for an annual incentive bonus, and stock option grants and restricted stock awards under our 2006 Incentive Compensation Plan. Total annual cash compensation for each executive officer varies each year based on our achievement of our annual objectives and the individual's performance.

Base Salary

Edgar Filing: Bitstream Inc. - Form DEF 14A

With respect to determining the base salary of each of the executive officers, the Compensation Committee takes into consideration a variety of factors, including the executive's level of responsibility and individual performance, the salaries of similar positions in comparable companies and our financial and operational performance in relation to our objectives and our competitive standing. We review the results of various industry salary surveys to ensure our understanding of competitive compensation levels and practices in the marketplace. From time to time, we utilize the services of GK Partners, a recognized, independent external consulting firm to determine marketplace compensation values and practices, and to assess the reasonableness of our overall compensation program. No specific peer group benchmarking activities were performed by the independent consultant during 2010.

Table of Contents

Annual Incentive Compensation

Our compensation philosophy includes granting annual cash bonuses reflecting the Company's performance and individual executive performance. We maintain discretion to vary overall cash compensation for a given year by varying the size of the cash bonus based on corporate performance and individual performance. These cash bonuses reflect a material part of the overall compensation, with target payments ranging from 50%-100% of salary, depending upon executive position and overall company performance, and subject to the Compensation Committee's discretion to award bonuses greater or lower than the target if they deem it appropriate. Because we believe that senior executives can have the greatest impact on the Company's overall success, we typically set bonus targets as a higher percentage of base salaries for our most highly paid executives.

Our annual incentive bonus to our executive officers (including the Named Executive Officers) is based on the achievement of objective, financial and operational performance targets and the discretion of the Compensation Committee. These targets may include sales volume, net operating income, accomplishment of certain strategic business initiatives and other performance objectives as may be determined annually. In determining individual incentive bonus awards, the accountability of executive officers and their individual contributions towards the attainment of these objectives are considered. In determining awards for the most recent performance year, we considered new product development, management of corporate expenses, and cash equivalents on hand, as well as sales volume and earnings level achieved during this challenging economic climate. After considering these factors and others, the Compensation Committee determined that a cash bonus would be awarded to one executive officer, Mr. John Collins, Vice-president. Mr. Collins was awarded a \$25,000 cash bonus based primarily on his involvement and efforts in achieving greater than target sales volume through our e-commerce site (MyFonts.com). This Bonus was paid during 2011 and is included in Mr. Collins' 2010 compensation as disclosed in the summary compensation table. No annual bonus compensation was paid to the other Named Executive Officers for the fiscal year ending December 31, 2010. The calculation of our financial and operational performance with respect to the determination of these incentive bonus awards, if any, is made as soon as is practicable after the completion of our fiscal year.

Long-Term Incentive Awards

In addition to cash compensation, the Compensation Committee and the Board believe that providing executive officers with stock ownership opportunities aligns the interests of the executives with other stockholders and encourages the executives' long-term retention. The long-term incentive element of our management compensation program has historically been in the form of stock option grants. However, in line with prevailing marketplace practices, the Compensation Committee has also made certain Restricted Stock awards in recent years to encourage the stability of the management team. The 2006 Incentive Compensation Plan, which was adopted on April 14, 2006 and approved by the stockholders on June 1, 2006, authorizes a committee of two or more directors designated by the Board, currently the Compensation Committee, to grant Options, Restricted Stock, Stock granted as a bonus or in lieu of another award, Other Stock-Based Awards, Performance Awards or Annual Incentive Awards for up to 2,000,000 shares of Class A Common Stock. Awards are typically granted annually, although supplemental awards are granted occasionally. All options granted in fiscal 2010 were subject to a four-year annual vesting provision and all restricted stock awards in fiscal 2010 were subject to a five-year quarterly vesting provision. We make awards based upon each executive's relative position, responsibilities and performance over the previous year and the executive officer's anticipated future performance, potential and responsibilities. We also review prior awards to each executive, including the number of shares that continue to be subject to vesting under their respective outstanding awards, in setting the size of awards to be granted to the executive officers. On August 12, 2010, the Board awarded Incentive Stock Options (ISOs) to purchase 30,000 shares of Class A Common Stock to Ms. Chagnon and 15,000 shares of Class A Common Stock to each of Messrs. Collins, Dore, Kaasila, and Kitsos. Such options have an exercise price equal to the fair market value of the Class A Common Stock of the Company on the date of grant as reported on NASDAQ, are exercisable for ten years and vest in one-fourth increments on each of the first, second, third and fourth anniversaries of the date of the grant. In addition, on August 12, 2010, the Board made restricted stock

Table of Contents

awards of 5,000 shares of Class A Common Stock of the Company to each of Messrs. Collins, Dore, Kaasila, and Kitsos and 10,000 shares to Ms. Chagnon. Such stock awards vest in one-twentieth quarterly increments on each quarterly anniversary of the date of the grant.

The stock awards granted under the 2006 Incentive Compensation Plan is intended to create opportunities for executive officers and other key employees of the Company to acquire a proprietary interest in the Company and to align their interests with those of the Company's stockholders. In addition, the vesting provisions of such awards (which limit the exercisability of stock options and the receipt of restricted stock for certain periods of time) encourage the continued service and stability of the management team.

Post Employment Benefits

Our executives have severance agreements that provide them with severance payments and benefits in the event we terminate their employment without cause or the executive officer terminates employment for good reason, following a defined Change in Control of the Company. See Potential Payments upon Termination following a Change-in-Control for a discussion of the terms of these agreements, including the definitions of cause and good reason. Severance agreements for our executive officers provide security for executives against sudden or arbitrary termination following a Change in Control and help attract and retain key employees by providing competitive benefits. The provisions of each severance agreement are determined by the Compensation Committee based on current market trends and practices.

Individual Performance

Anna M. Chagnon served as our Chief Executive Officer from October 2003 until May 1, 2011. Effective March 1, 2008, Ms. Chagnon's salary was increased from \$275,000 to \$300,000 and she has remained at that salary through 2010. For 2010, Ms. Chagnon target bonus was 67% of salary. The Compensation Committee, without Ms. Chagnon's participation, evaluates Ms. Chagnon's performance (and determines her bonus) by reviewing the Company's overall revenue growth and operating profit, the performance of Ms. Chagnon's management team, and the Company's success in achieving the goals contained in the Company's budget for the year. For the 2010 fiscal year, the Compensation Committee determined that based on the Company's performance, (with the exception of Mr. Collins performance in achieving MyFonts.com success), no bonuses would be paid to the members of the executive team including Ms. Chagnon. Despite several accomplishments including leading the Company's successful bid to purchase the iWay related assets of Press-Sense Ltd., managing expenses and our cash position, and helping to consummate several key new business relationships, the Compensation Committee determined that the overall results of the Company did not warrant bonus compensation to Ms. Chagnon. Ms. Chagnon is eligible to participate in the same executive compensation programs in which our other executive-level employees participate. Her total annual compensation for 2010 (including compensation derived from salary and annual incentive bonus) was determined by the Compensation Committee in consideration of the same performance criteria used to establish pay levels for all other executive-level employees. Based on prior marketplace analyses, the Compensation Committee has determined that Ms. Chagnon's salary is at or below the median salary of Chief Executive Officers in a selected group of comparable companies. On August 12, 2010, Ms. Chagnon was granted a stock option under our 2006 Incentive Compensation Plan for 30,000 shares of our common stock at a price per share of \$6.95 and awarded restricted stock of 10,000 shares of our common stock as part of the annual grant process described above. The stock options vest over four years at a rate of 25% on the first, second, third and fourth anniversary of the grant, and the restricted stock vests over five years at a rate of 5% over the 20 quarterly anniversaries of the grant over the 5 year vesting period.

Prior to her resignation on May 1, 2011, Ms. Chagnon managed our named executive officers (NEOs), other than herself. Ms. Chagnon reviewed the NEO's performance against operating and strategic goals set for that executive during the previous year; she then further assessed each NEO's individual performance by measuring the NEO's contribution to the Company's consolidated results and the Company's success in achieving the goals contained in the Company's budget for the year. Based on this assessment, Ms. Chagnon then

Table of Contents

recommended to the Compensation Committee what percentage of the target bonus award available to the NEOs each of the NEOs should receive. The Compensation Committee either accepts Ms. Chagnon's recommended bonus for each NEO, or suggests other factors or outcomes. After these deliberations, the Compensation Committee determines and approves a bonus for each such executive. For 2010, Ms. Chagnon set the target bonus for the other NEOs at approximately 50% of their respective annual salary or \$90,000 to each of John Collins, Sampo Kaasila, and Costas Kitsos and \$92,500 to James Dore. Based upon the Company's financial results during a year with very challenging economic conditions, the Compensation Committee decided not to award cash bonuses to the NEOs for the 2010 fiscal year except to Mr. Collins. Mr. Collins' operating and strategic focus was on the growth and margin improvement on sales generated through our MyFonts.com e-commerce site and its contribution to the Company's consolidated results. Sales and margins increased significantly and thus Mr. Collins was awarded a \$25,000 bonus, or 27.8% of his target bonus, for his managing of the MyFonts.com e-commerce site.

Subsequent Event

On May 1, 2011, Ms. Chagnon resigned as President, Chief Executive Officer and an employee of the Company and as a member of the Board of Directors. In connection with Ms. Chagnon's resignation, the Board of Directors elected Mr. Kaminski as Chief Executive Officer of the Company on an interim basis at a salary of \$1,500 per day. In addition, the Compensation Committee authorized the Company to enter into a Resignation Agreement with Ms. Chagnon effective as of May 1, 2011 to provide for certain severance benefits as more fully described in this proxy statement under the heading "Payments to Former Chief Executive Officer."

Summary Compensation Table

The following table sets forth certain summary information concerning compensation paid for the year ended December 31, 2010 by the Company to its Chief Executive Officer (the "CEO"), its Principal Financial Officer (the "PFO") and the three most highly compensated executive officers other than the CEO and PFO who were serving as executive officers on December 31, 2010, whose aggregate salary and bonus exceeded \$100,000 for the year ended December 31, 2010, (together, with the CEO and PFO, the "Named Executive Officers" or "NEOs").

EXECUTIVE AGREEMENTS

All of the Company's Named Executive Officers are employed on an at-will basis but have entered into severance agreements with the Company in the event of a Change in Control as described below. These agreements have an original term expiring on April 15, 2012, and shall thereafter be automatically renewed for successive one-year terms unless the Company has notified the NEO of its election not to renew the term of the agreement not less than 120 days before the expiration of the (then) current term.

Potential Payments upon Termination Following a Change-in-Control

Edgar Filing: Bitstream Inc. - Form DEF 14A

The severance agreements with our NEOs provide certain benefits upon the termination of employment after a change in control (a Change in Control) as defined below. Under these agreements, the NEO shall be entitled to severance benefits if terminated within twenty-four months of a Change in Control, unless such termination is due to the NEO's death or disability, or is by the Company for Cause, or is by the NEO for other than Good Reason.

A Change in Control shall mean the occurrence of any of the following events:

- 1) any Person(s) (as such term is used in Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act)) is or becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of Bitstream Inc. representing thirty percent (30%) or more of the combined voting power of Bitstream Inc.'s (then) outstanding securities; or
- 2) during any period of twelve consecutive months, individuals who at the beginning of such period constitute the Board of Directors of Bitstream Inc. cease for any reason to constitute at least a majority

Table of Contents

thereof; provided, however, that any individual becoming a director subsequent to the date hereof whose election, or nomination for election, was approved by a vote of at least a majority of the directors then comprising the incumbent Board shall be considered as though such individual were a member of the incumbent Board; or

- 3) the Company is a party to (i) any consolidation or merger of Bitstream Inc. in which it is not the continuing or surviving corporation or pursuant to which its shares of common stock would be converted into cash, securities, or other property; or (ii) any sale, lease, exchange, or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company; or
- 4) approval by the stockholders of Bitstream Inc. of any plan or proposal for the liquidation or dissolution of the Company.

Cause is defined as (i) the willful and continued failure by the NEO to substantially perform the NEO's duties (other than any such failure resulting from incapacity due to physical or mental illness) after a demand for substantial performance has been delivered to the NEO by the Company, which demand specifically identifies the manner in which it is believed that the NEO has not substantially performed the NEO's duties; or (ii) conviction of a felony or acts of dishonesty resulting in gain or personal enrichment at the expense of the Company; or (iii) the NEO's willful misconduct or insubordination which is materially injurious to the Company. For purposes of this paragraph, no act or failure to act on the NEO's part shall be considered as willful unless done, or omitted to be done, by the NEO not in good faith and without reasonable belief that the action or omission was in the best interests of the Company.

Disability is defined as the illness, or mental or physical disability, of the NEO as determined by a physician acceptable to the Company and the NEO, resulting in the NEO's failure to perform substantially all of his or her applicable material duties for a period of six consecutive months, and the NEO's failure to return to the performance of such duties within 30 days after receiving written notice of termination of employment due to such Disability.

Good Reason is defined as the (i) reduction in the NEO's (then) current base salary as paid immediately preceding the Change in Control; (ii) diminution, reduction or other adverse change in the annual bonus opportunity or other incentive compensation opportunities available to the NEO immediately preceding the Change in Control; (iii) the Company's failure to pay the NEO any amounts otherwise earned, vested or due under any compensation plan or human resources policy of the Company immediately preceding the Change in Control; (iv) diminution of the Executive's title, position, authority or responsibility; (v) assignment to the NEO of duties incompatible with the position occupied by the NEO immediately preceding the Change in Control; or (vi) relocation of the NEO's position to a location more than 35 miles from the location to which the NEO was assigned immediately preceding the Change in Control.

If, after any Change in Control shall have occurred, the NEO's employment shall be terminated within twenty-four months of the date of such Change in Control either (i) by the Company other than for death, disability or Cause, or (ii) by the NEO for Good Reason, the NEO shall be entitled to the following severance benefits:

The Company shall pay the NEO's full base salary through the date of termination at the rate which is the higher of the (then) current annual rate or the annual rate in effect immediately prior to the date of any Change in Control. The Company shall also pay the NEO the amount, if any, of any unpaid earned annual bonus for the preceding fiscal year. In addition, the Company shall continue in full force and effect through the date of termination the NEO's participation in all stock ownership, stock purchase, stock option and restricted stock plans; all health and welfare benefit plans; and all insurance and disability plans as may be in effect at the date of the Change in Control. Notwithstanding the terms and conditions of any Company stock plans and related

Table of Contents

agreements under which outstanding stock option and restricted stock grants shall have been made, any such outstanding and unvested stock options and restricted stock grants shall become immediately and fully vested upon the occurrence of a Change in Control.

The Company shall pay as severance benefits to the NEO on or before the fifth day following the date of termination of employment, a lump sum payment equal to twice the NEO's base salary in the case of the CEO and 1.75 times the NEO's base salary in the case of any other NEO, at the rate which is the higher of the (then) current annual rate or the annual rate in effect immediately prior to the date of any Change in Control. Such lump sum payment shall be subject to all applicable federal, state and local income and FICA taxes including all required withholding amounts. In no event shall the severance benefits exceed the amount that is deductible by the Company in accordance with Section 280(G) of the Code. The NEO shall not be required to mitigate or offset the amount of any severance benefits or other benefits provided by seeking employment or otherwise, nor shall the amount of any payment provided be reduced by any compensation earned by the NEO as the result of employment by another employer after the date of termination from the Company.
