Item 1.01 Entry into a Material Definitive Agreement.

On May 25, 2011, Toys R Us-Delaware, Inc. (Toys-Delaware), a wholly-owned subsidiary of Toys R Us, Inc. (the Company), and certain of Toys-Delaware s direct and indirect subsidiaries, entered into an incremental joinder agreement (the Joinder Agreement) to the Amended and Restated Credit Agreement (the Amended Credit Agreement) by and between, among others, Toys-Delaware, as the borrower, Bank of America, N.A., as administrative agent (in such capacity, the Administrative Agent), and the other agents and the lenders party thereto (collectively, the Lenders). The Joinder Agreement added a new tranche of term loans in an aggregate principal amount of \$400.0 million (the Term B-2 Loans) under the Amended Credit Agreement resulting in a total facility size of \$1.1 billion, as previously disclosed.

Beginning August 31, 2011, Toys-Delaware is required to repay the Term B-2 Loans in equal quarterly installments in an aggregate amount per annum equal to 1% of the total funded principal amount, with the balance payable on May 25, 2018. The Term B-2 Loans bear interest equal to, at the option of Toys-Delaware, (i) LIBOR plus a margin of 3.75% per annum subject to a LIBOR floor of 1.50% or (ii) the Base Rate (defined as the highest of (x) the Federal Funds Rate plus 0.50%, (y) the rate of interest in effect for such day as publicly announced from time to time by the Administrative Agent as its prime rate, and (z) one-month LIBOR plus 1.00%) plus a margin of 2.75% per annum, subject to a Base Rate Floor of 2.50%, with each of the rates set forth in clauses (i) and (ii) subject, following delivery of financial statements for the third fiscal quarter of 2011, to a 0.25% step-down based on Toys-Delaware s total leverage ratio.

The Term B-2 Loans are secured by the same collateral as the existing borrowings under the Amended Credit Agreement. The Term B-2 Loans are subject to mandatory prepayments on the same terms as other borrowings under the Amended Credit Agreement, as well as the same events of default and covenants.

In the event that the Term B-2 Loans are optionally prepaid, the existing term loans under the Amended Credit Agreement will be repaid ratably except that if there is a repricing transaction with respect to the existing term loans, the existing term loans will be repaid prior to any prepayments under the Term B-2 Loans. In addition, if the Term B-2 Loans are optionally prepaid in connection with a repricing transaction prior to May 25, 2012, Toys-Delaware shall pay a 1.00% prepayment premium to the lenders under the Term B-2 Loans.

The net proceeds from the Term B-2 Loans, together with other available funds, will be used to provide funds to redeem in full Toys R Us, Inc. s \$500 million outstanding 7.625% Senior Notes due 2011 (the 2011 Notes) including accrued interest, premiums and expenses.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information in Item 1.01 above is incorporated into this Item 2.03 by reference.

Item 8.01 Other Events

On May 26, 2011, the Company provided notice to the holders of the 2011 Notes that it would redeem all such notes on or about June 24, 2011. The Company estimates that the redemption price will be approximately \$1,007.47 per \$1,000 principal amount of 2011 Notes redeemed and that the total redemption price, including interest and premiums, will be approximately \$518.9 million. The redemption price will be finalized prior to the redemption date to reflect the applicable treasury rate in accordance with the indenture governing the 2011 Notes.
