Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 2, 2011, the Board of Directors of Saba Software, Inc. (the Company), upon the recommendation of the Compensation Committee of the Board, approved of the allocations, methodologies, and metrics for the payment of bonuses for fiscal 2012, if any, to the Company's named executive officers under the Company's Executive Bonus Plan.

Funding of the Executive Bonus Plan will depend upon the Company meeting or exceeding fiscal 2012 earnings per share targets established by the Board. If the Company meets or exceeds the earnings per share targets, the actual amount of the bonus paid to each named executive officer will be based on achievement of certain Company and individual objectives tailored to the responsibilities of each named executive officer. These objectives include Company performance targets with respect to product bookings, operating expenses, subscription renewal rates and gross margins.

If the Executive Bonus Plan is funded at 100% based on the Company's attainment of fiscal 2012 earnings per share targets, the amount of the cash bonuses payable to the named executive officers at the target level, assuming attainment of their individual objectives, range from 70% to 120% of their respective base salaries. Each named executive officer is eligible to receive a bonus payment in excess of the target bonus amount if the Company's earnings per share targets and named executive officers' objectives are exceeded, up to a maximum of 200% of their respective target bonus amount.

The named executive officers will be eligible to receive a portion of their bonus on a quarterly basis if the Company's earnings per share targets and applicable performance objectives are met. The Compensation Committee determines the actual bonus payment amounts for all of the named executive officers under the Company's Executive Bonus Plan and makes a recommendation of the final payment levels to the Board for approval.
