Complete Production Services, Inc. (the Company, we, our) is filing this Current Report on Form 8-K to revise portions of our Quarterly Report on Form 10-Q for the quarter ended June 30, 2011 to retrospectively reflect, for all periods presented therein: (i) our Southeast Asian business as discontinued operations and (ii) the restructuring of our operating segments by combining our remaining product sales business into our drilling services operating segment.

As disclosed in our Quarterly Report on Form 10-Q for the quarter ended September 30, 2011, we had three reportable operating segments prior to July 1, 2011: completion and production services, drilling services and product sales. During July 2011, as a result of the sale of our Southeast Asian business, we restructured our reportable segments to better reflect our current operations. Commencing with our Quarterly Report on Form 10-Q for the quarter ended September 30, 2011, we began accounting for our Southeast Asian business as discontinued operations and we combined the remaining product sales business into our drilling services operating segment.

The adjustments to prior disclosures included in Exhibit 99.1 to this Current Report on Form 8-K are limited to (i) adjustments to retrospectively reflect our Southeast Asian business as discontinued operations and the aforementioned change in our segment reporting and (ii) updates regarding post-June 30, 2011 acquisitions and dispositions. All other information provided in Exhibit 99.1 to this Current Report, including all forward-looking information, remains unchanged from the Quarterly Report on Form 10-Q for the quarter ended June 30, 2011 and speaks as of the date of such report. Such forward-looking information has not been updated to reflect actual events or occurrences after the date that the information was first presented, and it should not be read as the Company's current forecast or outlook. The information in this Current Report, including the Exhibit, should be read in conjunction with our Annual Report for the year ended December 31, 2010, our Quarterly Reports for the quarters ended March 31, June 30 and September 30, 2011 and all other documents filed by the Company with the Securities and Exchange Commission, including Exhibits 99.1 to the other Current Reports on Form 8-K filed as of November 18, 2011 containing revisions to our Annual Report on Form 10-K for the year ended December 31, 2010 and to our Quarterly Report on Form 10-Q for the quarter ended March 31, 2011.
