- ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

The disclosures in Items 2.01 and 2.03 and the documents attached as Exhibits 10.1, 10.2, 10.3, 10.4, and 10.5 of this report are incorporated herein by reference.

Item 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On December 7, 2011 (the "Closing Date") Streamline Health Solutions, Inc. (the "Company") closed its previously announced acquisition of substantially all of the assets of Interpoint Partners, LLC ("Interpoint"). The Company paid a total purchase price of \$5 million, consisting of cash and issuance of a convertible subordinated note for \$3 million, subject to certain adjustments related principally to the delivered working capital level and/or indemnification provisions. Additionally, the Agreement provides for a contingent earn out payment in cash or an additional convertible subordinated note based on Interpoint's financial performance for the 12 month period beginning 6 months after closing and ending 12 months thereafter. The Company also assumed certain current operating liabilities of Interpoint. The Company granted Interpoint registration rights relating to any common stock of the Company issued upon conversion of the convertible note. The foregoing description of the acquisition transaction does not purport to be complete and is qualified in its entirety by reference to the full text of the Asset Purchase Agreement, the Convertible Subordinated Promissory Note and the Registration Rights Agreement attached hereto as Exhibits 10.1, 10.2 and 10.3, respectively, and incorporated herein by reference.

The audited financial statements prepared in connection with the acquisition will be filed within the statutory time period.

Item 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION

In conjunction with the Interpoint acquisition, the Company has entered into a Subordinated Credit Agreement (the "Subordinated Credit Agreement") with Fifth Third Bank whereby the bank will provide the Company with a \$4.1 million two-year term loan, the proceeds of which were used to finance the cash portion of the acquisition purchase price, as well as pay down the outstanding balance of the Company's revolving line of credit with the bank. The Company also entered into a Senior Credit Agreement (the "Senior Credit Agreement") with Fifth Third Bank, whereby the bank will provide the Company with a \$3 million revolving line of credit that replaces the existing revolving line of credit with Fifth Third Bank. The loans are secured by substantially all of the assets of the Company and its subsidiaries. Borrowing under the term loan bears interest at a rate of 12% and borrowing under the revolving loan bears interest at a rate equal to LIBOR plus 3.25%. The loans are subject to certain customary financial covenants, including, without limitation, covenants that require the Company to maintain a minimum adjusted EBITDA, to maintain a funded debt to adjusted EBITDA ratio and to maintain a fixed charge coverage ratio. There is also a commitment fee of 0.6% to be incurred on the unused revolving line of credit balance.

The foregoing description of the Subordinated Credit Agreement and the Senior Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Subordinated Credit Agreement and the Senior Credit Agreement attached hereto as Exhibits 10.4 and 10.5
