SUMMARY

The Company

We are a Pennsylvania business trust founded in 1960 and one of the first equity real estate investment trusts (REITs) in the United States, and we have a primary investment focus on retail shopping malls located in the eastern half of the United States, primarily in the Mid-Atlantic region. Our portfolio currently consists of a total of 49 properties in 13 states, including 38 enclosed malls, eight strip and power centers and three development properties. The operating retail properties have a total of approximately 33.0 million square feet. The operating retail properties that we consolidate for financial reporting purposes have a total of approximately 28.5 million square feet, of which we own approximately 22.8 million square feet. The operating retail properties that are owned by unconsolidated partnerships with third parties have a total of approximately 4.5 million square feet, of which 2.9 million square feet are owned by such partnerships. The development portion of our portfolio contains three properties in two states, with two classified as mixed use (a combination of retail and other uses) and one classified as other.

We are a fully integrated, self-managed and self-administered REIT that has elected to be treated as a REIT for federal income tax purposes. In general, we are required each year to distribute to our shareholders at least 90% of our net taxable income and to meet certain other requirements in order to maintain the favorable tax treatment associated with qualifying as a REIT.

We hold our interests in our portfolio of properties primarily through our operating partnership, PREIT Associates, L.P. (PREIT Associates). We are the sole general partner of PREIT Associates and, as of September 30, 2011, held a 96.0% controlling interest in PREIT Associates. We consolidate PREIT Associates for financial reporting purposes. We own our interests in our properties through various ownership structures, including partnerships and tenancy in common arrangements. PREIT owns interests in some of these properties directly and has pledged the entire economic benefit of such ownership to PREIT Associates.

We provide management, leasing and real estate development services through PREIT Services, LLC (PREIT Services), which generally develops and manages properties that we consolidate for financial reporting purposes, and PREIT-RUBIN, Inc. (PRI), which generally develops and manages properties that we do not consolidate for financial reporting purposes, including properties we own interests in through partnerships with third parties and properties that are owned by third parties in which we do not have an interest. PRI is a taxable REIT subsidiary, as defined by federal tax laws, which means that it is able to offer additional services to tenants without jeopardizing our continuing qualification as a REIT under federal tax law.

Our primary objective is to maximize the long-term value of the Company for our shareholders. To that end, our business goals are to obtain the highest possible rental income, tenant sales and occupancy at our properties in order to maximize our cash flows, funds from operations, funds available for distribution to shareholders, and other operating measures and results, and ultimately to maximize the values of our properties.

Our principal corporate offices are located at The Bellevue, 200 South Broad Street, Philadelphia, Pennsylvania 19102-3803, and our telephone number is (215) 875-0700. We maintain a web site that contains information about us at www.preit.com. The information included on the web site is not, and should not be considered to be, a part of this prospectus.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES AND****RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED DIVIDENDS**

Our ratio of earnings to fixed charges for the fiscal years ended December 31, 2010, 2009, 2008, 2007 and 2006 and for the nine-month period ended September 30, 2011 was as follows:

Ratio of Earnings to Fixed Charges	0.10	0.53	0.26	0.76	1.02	1.23

The ratio of earnings to fixed charges was computed by dividing our earnings by our fixed charges. For this purpose, earnings have been calculated as (a) income (loss) from continuing operations before allocation to noncontrolling interest and income from investments in unconsolidated joint ventures, plus (b) fixed charges (as defined below), plus (c) amortization of capitalized interest, plus (d) distributed income of investments in unconsolidated joint ventures, less (a) capitalized interest, and less (b) preferred dividends on our previously outstanding 11% Non-Convertible Senior Preferred Shares, which were redeemed on July 31, 2007. Fixed charges are comprised of (a) interest, whether expensed or capitalized, (b) amortization of premiums, discounts and capitalized expenses related to our indebtedness, and (c) the estimated interest component of rental expense.

Our ratio of earnings to combined fixed charges and preferred dividends for the fiscal years ended December 31, 2010, 2009, 2008, 2007 and 2006 and for the nine-month period ended September 30, 2011 was as follows:

Ratio of Earnings to Combined Fixed Charges and Preferred Dividends	0.10	0.53	0.26	0.76	0.95	1.09

The ratio of earnings to combined fixed charges and preferred dividends was computed by dividing our earnings by our combined fixed charges and preferred dividends. For this purpose, earnings have been calculated as (a) income (loss) from continuing operations before allocation to noncontrolling interest and income from investments in unconsolidated joint ventures, plus (b) fixed charges (as defined below), plus (c) amortization of capitalized interest, plus (d) distributed income of investments in unconsolidated joint ventures, less (a) capitalized interest, and less (b) preferred dividends on our previously outstanding 11% Non-Convertible Senior Preferred Shares, which were redeemed on July 31, 2007. Fixed charges are comprised of (a) interest, whether expensed or capitalized, (b) amortization of premiums, discounts and capitalized expenses related to our indebtedness, and (c) the estimated interest component of rental expense. Preferred dividends are the amount of earnings required to pay dividends on outstanding preferred securities.

Table of Contents

GENERAL DESCRIPTION OF SECURITIES

The descriptions of the securities contained in this prospectus, together with the applicable prospectus supplements, summarize the material terms and provisions of the various types of securities that we may offer. We will describe in the applicable prospectus supplement relating to any securities the particular terms of the securities offered by that prospectus supplement. We will also include in the prospectus supplement information, when applicable, about material U.S. federal income tax considerations relating to the securities, and the securities exchange, if any, on which the securities will be listed.

We may sell from time to time, in one or more offerings, any one or more of the following:

common shares of beneficial interest, par value \$1.00 per share;

preferred shares of beneficial interest;

debt securities, including senior debt securities, senior subordinated debt securities and subordinated debt securities;

warrants to purchase shares, preferred shares, debt securities, depositary shares and/or any combination thereof;

shareholder rights;

depositary shares;

units consisting of shares, preferred shares, debt securities, warrants and/or depositary shares in any combination; or

any combination of the foregoing securities.

In this prospectus, we refer to the common shares, preferred shares, debt securities, warrants, depositary shares, shareholder rights and units collectively as securities. The total dollar amount of all securities that we may issue under this prospectus will not exceed \$1,000,000,000. If we issue debt securities at a discount from their original stated principal amount, then, for purposes of calculating the total dollar amount of all securities issued under this prospectus, we will treat the initial offering price of the debt securities as the total original principal amount of the debt securities.

This prospectus may not be used to consummate a sale of securities unless it is accompanied by a prospectus supplement.

DESCRIPTION OF COMMON SHARES

The following summary of the material terms of our common shares of beneficial interest does not include all of the terms of the common shares and should be read together with our Trust Agreement and By-laws and with applicable Pennsylvania law. Our Trust Agreement and By-laws are incorporated by reference as exhibits to the registration statement of which this prospectus is a part. See Where to Find Additional Information.

Authorized Common and Preferred Shares

Under our Trust Agreement, we have the authority to issue up to 100,000,000 shares of beneficial interest, \$1.00 par value per share, and up to 25,000,000 preferred shares.

Common Shares

Voting, Dividend and Other Rights. Subject to the provisions of our Trust Agreement regarding excess shares, (1) the holders of our common shares are entitled to one vote per share on all matters voted on by shareholders, including elections of trustees, and (2) subject to the rights of holders of any preferred shares, the holders of our common shares are entitled to a pro rata portion of any distributions declared from time to time by our board of trustees from funds available for those distributions, and upon liquidation are entitled to receive pro rata all of the assets available for distribution to those holders. The majority of common shares voting on a matter at a meeting at which at least a majority of the outstanding shares are present in person or by proxy constitutes the act of the shareholders, except with respect to the election of trustees (see below). Our Trust Agreement permits the holders of securities of our affiliates to vote with our shareholders on specified matters, and the partnership agreement of our operating partnership grants that right to certain holders of currently outstanding partnership units of our operating partnership, with respect to fundamental changes in us (i.e., mergers, consolidations and sales of substantially all of our assets). Shareholders do not have any pre-emptive rights to purchase our securities.

Table of Contents

Our Trust Agreement provides that our board of trustees may authorize the issuance of multiple classes and series of shares of beneficial interest and classes and series of preferred shares having preferences to the existing shares in any matter, including rights in liquidation or to dividends and conversion rights (including shareholder rights plans), and other securities having conversion rights, and may authorize the creation and issuance by our subsidiaries and affiliates of securities having conversion rights in respect of our shares. Accordingly, the rights of holders of our existing common shares are subject and junior to preferred rights, as to dividends and in liquidation (and other such matters) and to the extent set forth in any subsequently authorized preferred shares or class of preferred shares.

Board of Trustees. Our board of trustees has 12 members. Trustees are elected at our annual meeting of shareholders and serve until the subsequent annual meeting of shareholders and until their respective successors have been duly elected and have qualified. Our Trust Agreement does not provide for cumulative voting in the election of trustees, and the candidates receiving the highest number of votes are elected to the office of trustee, subject to the majority voting provisions contained in our corporate governance guidelines.

Trustee Nomination Process. Our Trust Agreement provides that nominations for election to the office of trustee at any annual or special meeting of shareholders shall be made by the trustees or by shareholders. Shareholder notice of a nomination of a trustee candidate for election at an annual meeting must generally be delivered not less than 90 days nor more than 120 days prior to the anniversary date of the prior year's meeting, and for election at an annual meeting that is not within 30 days of such anniversary date or for a special meeting, not later than 10 days following the date on which notice of the meeting is mailed or disclosed publicly, whichever comes first. Shareholders making nominations of trustee candidates must hold at least two percent (2%) of the outstanding common shares. Nominations not made in accordance with the procedures in the Trust Agreement will not be considered.

Limited Liability of Shareholders

Our Trust Agreement provides that shareholders, to the fullest extent permitted by applicable law, are not liable for any act, omission or liability of a trustee and that the trustees have no power to bind shareholders personally. Nevertheless, there may be liability in some jurisdictions that may decline to recognize a business trust as a valid organization. With respect to all types of claims in any such jurisdiction, and with respect to tort claims, certain contract claims and possible tax claims in jurisdictions where the business trust is treated as a partnership for certain purposes, shareholders may be personally liable for such obligations to the extent that we do not satisfy those claims. In jurisdictions other than the Commonwealth of Pennsylvania, we conduct substantially all of our business through entities recognized in the relevant jurisdiction to limit the liability of equity owners. We carry insurance in amounts that we deem adequate to cover foreseeable tort claims.

Restrictions on Ownership

Among the requirements for qualification as a REIT under the Internal Revenue Code, or the Code, are (1) not more than 50% in value of our outstanding shares, including the common shares (after taking into account options to acquire shares), may be owned, directly or indirectly, by five or fewer individuals (as defined in the Code to include certain entities) during the last half of a taxable year, (2) the shares must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months or during a proportionate part of a shorter taxable year, and (3) certain percentages of our gross income must be from particular activities. In order to continue to qualify as a REIT under the Code, our board of trustees has adopted, and our shareholders have approved, provisions of our Trust Agreement that restrict the ownership and transfer of shares, or the Ownership Limit Provisions.

The Ownership Limit Provisions provide that no person may beneficially own, or be deemed to own by virtue of the attribution provisions of the Code, more than 9.9% of any separate class of our shares. The trustees may exempt a person from the Ownership Limit Provisions with a ruling from the Internal Revenue Service or an opinion of counsel or our tax accountants to the effect that such ownership will not jeopardize our status as a REIT.

Issuance or transfers of shares in violation of the Ownership Limit Provisions or which would cause us to be beneficially owned by fewer than 100 persons are void ab initio and the intended transferee acquires no rights to the shares.

In the event of a purported transfer or other event that would, if effective, result in the ownership of shares in violation of the Ownership Limit Provisions, such transfer or other event with respect to that number of shares that would be owned by the transferee in excess of the Ownership Limit Provisions are automatically exchanged for an equal number of excess shares, or the Excess Shares, authorized by our Trust Agreement, according to the rules set forth therein, to the extent necessary to insure that the purported transfer or other event does not result in the

ownership of shares in violation of the Ownership Limit Provisions. Any purported transferee or other purported holder of Excess Shares is required to give written notice to us of a purported transfer or other event that would result in the issuance of Excess Shares.

Excess Shares are not treasury shares but rather continue as issued and outstanding shares of beneficial interest. While outstanding, Excess Shares will be held in trust. The trustee of such trust shall be our Company. The beneficiary of such trust shall be designated by the purported holder of the Excess Shares. Excess Shares are not entitled to any dividends or distributions. If, after the purported transfer or other event resulting in an exchange of shares of beneficial interest for Excess Shares and prior to our discovery of such exchange, dividends or distributions are paid with respect to the shares that were exchanged for Excess Shares, then such dividends or distributions are to be repaid to us upon demand. Excess Shares participate ratably (based on the total number of shares and Excess Shares) in any liquidation, dissolution or winding up of our Company. Except as required by law, holders of Excess Shares are not entitled to vote such shares on any matter. While Excess Shares are held in trust, any interest in that trust may be transferred by the trustee only to a person whose ownership of shares will not violate the Ownership Limit Provisions, at which time the Excess Shares will be automatically exchanged for the same number of shares of the same type and class as the shares for which the Excess Shares were originally exchanged. Prior to any transfer of any interest in the Excess Shares held in trust, the purported transferee or other purported holder, as the case may be, must give advance notice to us of the intended transfer and we must waive in writing our purchase rights. Our Trust Agreement contains provisions that are designed to insure that the purported transferee or other purported holder of Excess Shares does not receive in return for such a transfer an amount that reflects any appreciation in the shares for which Excess Shares were exchanged during the period that such Excess Shares were outstanding. Any amount received by a purported transferee or other purported holder in excess of the amount permitted to be received must be paid to our Company. If the foregoing restrictions are determined to be invalid by any court of competent jurisdiction, then the intended transferee or holder of any Excess Shares may be deemed, at our option, to have acted as an agent on our behalf in acquiring such Excess Shares and to hold such Excess Shares on our behalf.

Our Trust Agreement further provides that Excess Shares shall be deemed to have been offered for sale to our Company at the lesser of (1) the price paid for the shares by the purported transferee or, in the case of a gift, devise or other transaction, the market price for such shares at the time of such gift, devise or other transaction or (2) the market price for the shares on the date we or our designee exercises its option to purchase the Excess Shares. We may purchase such Excess Shares during a 90-day period, beginning on the date of the violative transfer if the original transferee-shareholder gives notice to us of the transfer or, if no notice is given, the date the board of trustees determines that a violative transfer or other event resulting in an exchange of shares for the Excess Shares has occurred.

Each shareholder upon demand is required to disclose to us in writing such information with respect to the direct, indirect and constructive ownership of shares as the board of trustees deems necessary to comply with the provisions of our Trust Agreement or the Code applicable to a REIT or to comply with the requirements of any taxing authority or governmental agency. Certificates representing shares of any class or series issued after September 29, 1997 will bear a legend or have a notation referring to the restrictions described above.

General

Our board of trustees is empowered by our Trust Agreement to designate and issue from time to time one or more series of preferred shares without shareholder approval. The board of trustees may determine the relative rights, preferences, privileges, qualifications, limitations and restrictions of each series of preferred shares so issued. Because the board of trustees has the power to establish the rights and preferences of each series of preferred shares, it may afford the holders of any series of preferred shares preferences and rights, voting or otherwise, senior to the rights of holders of other shares. The preferred shares will, when issued, be fully paid and nonassessable.

The prospectus supplement relating to any preferred shares offered thereby will contain specific terms, including:

the title and stated value of such preferred shares;

the number of such preferred shares offered, the liquidation preference per share and the offering price of such preferred shares;

the dividend rate(s), period(s) and/or payment date(s) or method(s) of calculation thereof applicable to such preferred shares;

the date from which dividends on such preferred shares will accumulate, if applicable;
