Facility Agreement

On December 29, 2011, Mandora Shipping Ltd (Mandora), a wholly owned indirect subsidiary of Navios Maritime Holdings Inc. (Navios Holdings), entered into a facility agreement with Emporiki Bank of Greece S.A. for an amount of up to \$23.0 million in order to partially finance the purchase and construction of a Kamsarmax bulk carrier scheduled to be delivered on March 30, 2012 by a South Korean shipyard. The loan is scheduled to be made to Mandora in three advances. The facility is repayable in 20 semi-annual installments of \$0.8 million after the drawdown date for the final advance of the loan, with a final balloon payment of \$8.0 million on the last payment date. The interest rate of the facility is based on a margin of 325 bps.

Navios Holdings is a guarantor of the obligations of Mandora under the facility agreement. Mandora and Navios Holdings are subject to certain covenants, including financial covenants, under the facility agreement. Among other events, it will be an event of default under the facility agreement if the financial covenants are not complied with or if Angeliki Frangou and her affiliates, together, own less than 20% of the outstanding share capital of Navios Holdings.

The foregoing description is subject in all respects to the actual terms of the facility agreement. A copy of the facility agreement is furnished as Exhibit 10.1 to this Report and is incorporated herein by reference.

A copy of the Second Supplemental Indenture is furnished as Exhibit 10.2 to this Report and is incorporated herein by reference.
