Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

The validity of the securities we are registering is being passed upon by Foley Hoag LLP, Boston, Massachusetts.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law affords a Delaware corporation the power to indemnify its present and former directors and officers under certain conditions. Article EIGHTH of our Certificate of Incorporation provides that we may, to the full extent permitted by Section 145 of the Delaware General Corporation Law, indemnify all persons that we are permitted to indemnify under Section 145 of the Delaware General Corporation Law, as the same exists or may hereafter be amended. Section 9 of ARTICLE VI of our By-Laws provides that we shall indemnify and hold harmless to the fullest extent permissible under the Delaware General Corporation Law every person who was or is a party or is threatened to be made a party to or is involved in any action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he or a person of whom he is the legal representative is or was one of our directors or corporate officers (as defined, and including executive officers under the federal securities laws and statutory officers under Delaware law) or is or was serving at our request as a director or officer of another corporation, against all

expense, liability, and loss (including attorneys' fees, judgments, fines, and, if approved by our board of directors, amounts paid or to be paid in settlement) reasonably incurred or suffered by him in connection with that action, suit, or proceeding. Section 9 of ARTICLE VI of our By-Laws also provides that we may pay expenses incurred by a director or corporate officer in connection with the defense of any civil or criminal action, suit, or proceeding in advance of the disposition of the action, suit, or proceeding, upon a commitment by or on behalf of the director or corporate officer to repay such amounts if it is ultimately determined that he is not entitled to be indemnified by us. We have entered into separate indemnification agreements with our directors and executive officers that provide these persons indemnification protection in the event our Certificate of Incorporation is subsequently amended.

Section 145 of the Delaware General Corporation Law also affords a Delaware corporation the power to obtain insurance on behalf of its directors and officers against liabilities incurred by them in those capacities. We have procured a directors' and officers' liability and company reimbursement liability insurance policy that (a) insures our directors and officers against losses (above a deductible amount) arising from certain claims made against them by reason of certain acts done or attempted by such directors or officers and (b) insures us against losses (above a deductible amount) arising from any such claims, but only if we are required or permitted to indemnify such directors or officers for such losses under statutory or common law or under provisions of our Certificate of Incorporation or our By-Laws.

Item 9. Undertakings

a. The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

i. To include any prospectus required by section 10(a)(3) of the Securities Act;

ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
 3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- b. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- c. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
