On February 8, 2012, Amarin Corporation plc (the Company) entered into an employment agreement with Steven B. Ketchum, Ph.D (the Ketchum Agreement) appointing Dr. Ketchum as the Company's President of Research and Development, Senior Vice President, effective February 16, 2012.

Dr. Ketchum served as Senior Vice President, Research and Development of Sunesis Pharmaceuticals, Inc. from June 2008 to February 2012 and as Senior Vice President, Research & Development and Medical Affairs of Reliant Pharmaceuticals, Inc. from May 2005 to May 2008. Dr. Ketchum joins Amarin with 20 years of experience in late-stage product development and clinical regulatory strategy, having led the filings of multiple new drug applications (NDAs) and supplemental NDAs with the U.S. Food and Drug Administration.

Pursuant to the Ketchum Agreement, Dr. Ketchum will report to the Company's Chief Executive Officer, and his base annual salary will be \$372,000. Dr. Ketchum's will also receive a one-time signing bonus of \$31,900, and going forward he will be eligible to receive an annual performance bonus targeted at 35% of his base salary, with the actual amount of such bonus, if any, to be determined by the Board of Directors. Dr. Ketchum will also be entitled to continue to participate in the benefits and insurance programs generally available to all Company employees.

In connection with his hiring, Dr. Ketchum will receive nonqualified options to purchase 600,000 shares of the Company's ordinary shares represented by American Depositary Shares with a 10-year term and an exercise price equal to the closing price of the Company's American Depositary Shares on the NASDAQ Global Market on the date of grant. Twenty-five percent of the options vest on the first anniversary of the grant date with the remaining seventy-five percent to vest ratably over the subsequent 36-month period, subject to Dr. Ketchum's continued employment with the Company over such period. This equity award was made in accordance with NASDAQ Listing Rule 5635(c)(4) as an inducement material to Dr. Ketchum's entering into employment with the Company. The grant, which was made outside the Company's 2011 Stock Incentive Plan, was approved by the Remuneration Committee of the Company's Board of Directors.

The Ketchum Agreement provides further that, if Dr. Ketchum is terminated without cause, he will be entitled to severance as follows: continuation of base salary for six (6) months; continuation of group health plan benefits for up to six (6) months to the extent authorized by and consistent with COBRA; and six (6) months of accelerated vesting on all outstanding equity incentive awards to the extent subject to time-based vesting. If Dr. Ketchum is terminated without cause or he quits for good reason, in either case, within twenty-four (24) months following a change in control, then he will be entitled to severance as follows: continuation of base salary for twelve (12) months; continuation of group health plan benefits for up to twelve (12) months to the extent authorized by and consistent with COBRA; a lump sum cash payment equal to the full target annual performance bonus for the year during which the termination occurred; and 100% acceleration of vesting on all outstanding equity incentive awards. All references to cause, good reason and change in control are as defined in the Ketchum Agreement.
