### Item 3. Source and Amount of Funds or Other Consideration.

#### *Securities Purchase Agreement*

On December 21, 2011, the Issuer closed the transactions contemplated by a Securities Purchase Agreement (the **Securities Purchase Agreement**) with Halcon. Pursuant to the Securities Purchase Agreement, Halcon purchased 220,000,000 shares (the **Shares**) of Common Stock at \$1.25 per share, five-year warrants to purchase 110,000,000 shares of Common Stock at an exercise price of \$1.50 per share (the **Warrants**), and a five-year convertible promissory note in the original principal amount of \$275,000,000 at a conversion price of \$1.50 per share (the **Note**), for a total purchase price of \$550,000,000. Halcon paid the aggregate purchase price for the Shares, Warrants, and Note in cash that was contributed to Halcon by its members.

The Note is unsecured and matures on February 8, 2017. The Note will bear interest at an annual rate of 8%, payable quarterly and include a payment-in-kind option for payment of interest by addition to principal through March 31, 2014. Any time after the two-year period following the closing under the Purchase Agreement, the Issuer may prepay the Note without penalty or premium. Also at any time after (i) the two-year period following February 8, 2012 (the closing date under the Securities Purchase Agreement) or (ii) a change in control of the Issuer, the holder of any note may convert the outstanding principal and accrued but unpaid interest on such note into shares of Common Stock at a conversion price of \$1.50 per share, subject to adjustment for stock dividends, stock splits and similar events.

The Warrants may be exercised at any time until February 8, 2017. The exercise price of the Warrants may be paid in cash, by relinquishing or delivering to the Issuer warrants or shares of Common Stock having a fair market value equal to the warrant exercise price, by offsetting the principal balance of the Note, or any combination of the foregoing.

#### *Registration Rights Agreement*

Pursuant to a Registration Rights Agreement between the Issuer and Halcon dated as of February 8, 2012, Halcon and its affiliates have the right to require the Issuer, on up to three occasions, to register for public sale the Shares and any shares of Common Stock acquired upon the exercise of the Warrants or the conversion of the Note. The Registration Rights Agreement also provides Halcon and its affiliates with piggyback registration rights with respect to registrations of the offer and sale of any shares of Common Stock the Issuer may effect for its own account or for the benefit of other selling stockholders.

#### *Reverse Stock Split*

On February 10, 2012, the Issuer effected a reverse stock split of its Common Stock, whereby each holder of Common Stock immediately prior to the reverse stock split received one share of Common Stock for each three shares of Common Stock it owned. The number of shares of Common Stock shown to be beneficially owned by the Reporting Persons in this Schedule 13D reflects such reverse stock split.

As a result of the reverse stock split, the number of Shares was reduced to approximately 73,333,334 shares of Common Stock, the Warrants represent a right to purchase 36,666,666 shares of Common Stock at an exercise price of \$4.50 per share and the Note is convertible into Common Stock at \$4.50 per share.

**Item 4. Purpose of Transaction.**

Halcon acquired a substantial ownership position in the Issuer in order to be able to influence the business and management of the Issuer. The Reporting Persons intend to monitor and evaluate their investment in the Issuer in light of pertinent factors, including oil and gas prices, market conditions, the Issuer's performance and prospects, the trading prices of the Common Stock, conditions in the oil and gas industry and general economic conditions. Halcon may make additional purchases of Common Stock in the future through market transactions, privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, maintain its current investment, or dispose of some or all of the Common Stock.

The following describes plans or proposals that the Reporting Persons may have with respect to the matters set forth in Item 4(a)-(j) of Schedule 13D:

- (a) None.
- (b) None.
- (c) None.
- (d) Pursuant to the Securities Purchase Agreement, upon closing, a new board of directors of the Issuer was appointed. The board consists of ten directors, all of whom were designated by Halcon. Wilson became the new chairman of the board, president and chief executive officer of the Issuer.
- (e) None.
- (f) None.
- (g) None.
- (h) None.
- (i) None.
- (j) Except as described in this Item 4, the Reporting Persons do not have, as of the date of this Schedule 13D, any plans or proposals that relate to or would result in any of the actions or events specified in clauses (a) through (i) of Item 4 of Schedule 13D.

**Item 5. Interest in Securities of the Issuer.**

(a) The following table describes the number of shares of Common Stock, including the shares of Common Stock issuable upon exercise of the Warrants, and the percent of outstanding Common Stock owned by the Reporting Persons. All percentages are calculated based upon 136,256,135 shares of common stock outstanding, which includes (i) 99,589,469 shares outstanding as of February 10, 2012 (the Issuer reported 78,768,405 shares as outstanding on January 18, 2012, the issuance of 220,000,000 shares to Halcon on February 8, 2012, and the effectuation of
