Danna are the Class I Directors; John W. Casey and James Musbach are the Class II Directors; and Thomas R. McGuire and Ben A. Frydman are the Class III Directors. Set forth below is information regarding the Company's Directors:

Name	Age	Position	Director Since	Current Term Expires
Class I Directors:				
Robert S. Throop	74	Director	1995	2013
Leonard P. Danna	59	Director	2003	2013
Class II Directors:				
John W. Casey	70	Director	1998	2014
James Musbach	62	President, Chief Executive Officer and Director	2007	2014
Class III Directors:				
Thomas R. McGuire	68	Executive Chairman and Chairman of the Board	1977	2012
Ben A. Frydman	65	Director	1988	2012

Class I Directors

Robert S. Throop has served as a director of the Company since 1995. Until his retirement in late 1996, and for more than the prior five years, Mr. Throop was the Chairman and Chief Executive Officer of Anthem Electronics, Inc., which is a national distributor of semiconductor and computer products and was, during Mr. Throop's tenure as its Chairman and CEO, a New York Stock Exchange listed company. Mr. Throop served as a director of the Manitowoc Company, a publicly traded company that is a leading manufacturer of industrial cranes, until he retired from its board in 2007. Mr. Throop also is a director of Azerity, which is a privately owned business. Having been the CEO of a publicly owned national distribution company for many years, Mr. Throop brings to the Board a wealth of knowledge regarding the management and operations of and the risks faced by national product distribution companies, like the Company.

Leonard P. Danna has served as a director of the Company and Chairman of the Audit Committee of the Board of Directors since November 2003. Mr. Danna is, and since April 1999 has been, an audit partner with the accounting firm of Vavrinek, Trine Day & Co., LLP. From August 1985 to April 1999, Mr. Danna was an audit partner with Grant Thornton LLP. As a result of his accounting experience, Mr. Danna is familiar with financial reporting requirements applicable to and the financial issues faced by publicly traded companies, making him an effective and valuable member of Audit Committee, of which he is the Chairman.

Class II Directors

John W. Casey has served as a director of the Company since August 1998. Mr. Casey is retired and is a private investor. He also serves as a trustee of the Deschutes Land Trust. From 1980 and until his retirement in 1994, Mr. Casey was President and Chief Executive Officer of Shurflo Pump Mfg. Company (Shurflo), which is engaged in the manufacture and sale of pumps used in pumping and circulating water or other liquids in a variety of products and equipment, including in recreational vehicles (RVs) and soft drink dispensing machines. Having been the CEO of Shurflo, which is a supplier of products to RV manufacturers and distributors, Mr. Casey brings to the Board considerable knowledge regarding the RV market generally and also the perspective of an aftermarket product manufacturer and supplier to the RV industry, which is valuable to the Board and management due to the Company's reliance on such manufacturers and suppliers for the products it sells.

Table of Contents

James Musbach is, and since April 2008 has been, the Chief Executive Officer of the Company. From September 2006 until his promotion to CEO in 2008, Mr. Musbach was the Company's President and Chief Operating Officer and since November 2007 has been a member of the Board of Directors. From 1995 until 2004, Mr. Musbach was Executive Vice President of Raytek Corporation, a manufacturer of infrared non-contact temperature measurement tools, sensors and systems. While at Raytek, Mr. Musbach also served as General Manager of Raytek's Portable Products Division and, in that capacity, directed that Division's global operations. Prior to joining Raytek, Mr. Musbach held various executive positions, including Executive Vice President and General Manager and Vice President of Sales and Marketing, with Import Parts America, a North American distributor of automotive aftermarket parts and accessories with relationships in Asia and Europe. As a result, Mr. Musbach has extensive experience and knowledge about managing and growing businesses, managing foreign business relationships and developing and implementing product marketing and distribution programs. Such knowledge and experience already have been and will continue to be of considerable importance to the Company in implementing and expanding its proprietary products strategy and its initiative to sell products not only into the RV and boating markets, but also into other markets, such as the outdoor power equipment market.

Class III Directors

Thomas R. McGuire is a founder of the Company and has been the Chairman of the Board of the Company since its inception in 1977. Mr. McGuire also served as the Company's Chief Executive Officer from 1977 until April 2008, when he relinquished that position upon Mr. Musbach's promotion to CEO. Mr. McGuire retains the position of Executive Chairman of the Company and continues as Chairman of the Board of Directors. Having been the Company's founder and its CEO for more than 25 years, and having been the principal architect of its growth strategies, Mr. McGuire brings a wealth of knowledge to the Board regarding the Company's operations, markets and growth strategies, and the business risks that the Company faces, including the strategies for dealing with the cyclical nature of the Company's business.

Ben A. Frydman has served as a director of the Company since 1988. Mr. Frydman is, and for more than the past thirty years has been, engaged in the private practice of law, as a member and shareholder of Stradling Yocca Carlson & Rauth, a Professional Corporation, which provided legal services to the Company in 2011 and is providing legal services to the Company in 2012. Mr. Frydman received a Bachelor's Degree, with honors, from UCLA in 1968 and graduated with honors with a J.D. Degree from Harvard Law School in 1973. Mr. Frydman has been the Company's outside counsel since 1983 and, in that capacity, has been an advisor to management and the Board in connection with virtually all of the Company's major corporate transactions and acquisitions and the implementation of its growth strategies. As a result, he has a keen knowledge of the Company's business and the management of business risks that the Company encounters in connection with its operations and growth strategies.

THE BOARD OF DIRECTORS

Role of the Board of Directors. In accordance with Delaware law and our Bylaws, the Board of Directors oversees the management of the business and affairs of the Company. The members of the Board keep informed about our business through discussions with management of the Company, by reviewing analyses and reports sent to them by management and outside consultants, and by participating in Board and Board committee meetings.

Our Board members are encouraged to prepare for and to attend all meetings of the Board and the Board committees of which they are members and all stockholder meetings. During the fiscal year ended December 31, 2011, the Board of Directors of the Company held a total of four meetings and all of the directors attended at least 80% of the total of those meetings and the meetings of the Board committees on which they served during 2011. All of our directors, with the exception of Mr. Danna, also attended the 2011 Annual Meeting of Stockholders.

Role of the Board in Risk Management

The Board's responsibilities in overseeing the Company's management and business include oversight of the Company's key risks and management's processes and controls. Management, in turn, is responsible for the day-to-day management of risk and implementation of appropriate risk management controls and procedures. In meeting these responsibilities, at its meetings the Board members discuss with management the principal risks facing the Company and its financial condition and the performance and actions that have taken, and the processes that have been implemented, by management to address and mitigate those risks to the extent practicable. Management also conducts quarterly evaluations of the effectiveness of the Company's disclosure controls and annual evaluations of the effectiveness of the Company's internal control over its financial reporting under the oversight of the Audit Committee.

Director Independence and Diversity

Coast's corporate governance guidelines require that the Board be comprised of at least a majority of independent directors. For a director to be considered independent, the Board must affirmatively determine that he does not have any direct or indirect material relationships with Coast that, in the opinion of the Board, would interfere with the exercise of that director's independent judgment in carrying out his responsibilities as a director.

A director will not be deemed to be an independent director if, within the preceding three years:

The director was employed by Coast;

An immediate family member of the director was employed as an executive officer of Coast;

The director was employed by or affiliated with, or an immediate family member of the director was employed in a professional capacity by or affiliated with, Coast's independent registered public accounting firm;

A present Coast executive officer was on the compensation committee of the board of directors of another company that concurrently employed a Coast director, or an immediate family member of a Coast director, as an executive officer;

The director, or an immediate family member of the director, received more than \$60,000 in direct compensation from Coast during any 12 month period within the preceding three years, other than director and committee fees and any deferred compensation for prior service (provided such deferred compensation is not contingent in any way on continued service with the Company); or

The director, or an immediate family member of the director, is a partner, executive officer, or controlling stockholder of another company or professional entity (including any law firm or investment banking firm) to which Coast made, or from which Coast

Edgar Filing: COAST DISTRIBUTION SYSTEM INC - Form 10-K/A

received, payments for property or services in the current or any of the past three fiscal years that exceeded the greater of (i) 5% of consolidated gross revenues of that other company or professional entity for that year, or (ii) \$200,000.

Table of Contents

On the basis of the above criteria, the Board has determined that four of the Company's six directors are independent, including Mr. Frydman. Since Messrs. McGuire and Musbach are executive officers of the Company, they are not deemed to be independent directors. In determining that Mr. Frydman is independent, the other independent directors considered the fact that Mr. Frydman is a stockholder in the law firm of Stradling Yocca Carlson & Rauth, which provided legal services to Coast during the past three years and is providing legal services to Coast in 2012. However, on the basis of the criteria set forth above and their evaluation of Mr. Frydman's past performance as a director, the other independent directors determined that his relationship did not interfere with the exercise of his independent judgment in carrying out his responsibilities as a director of the Company.

The respective members of the Board of Directors and its Nominating and Governance Committee believe that differences in experience, knowledge, skills and viewpoints enhance the Board of Directors' performance. Accordingly, the Nominating Committee considers such diversity in selecting, evaluating and recommending, and the Board considers diversity in approving, proposed Board nominees. However, the Board of Directors has not implemented a formal policy with respect to the consideration of diversity for the composition of the Board of Directors.

Board Leadership Structure

The Board does not have a formal policy with respect to whether the roles of Chief Executive Officer and Chairman of the Board should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from among the non-employee directors or management. The Board believes that it should be free to make a choice from time to time in any manner that it concludes is in the best interests of the Company and its stockholders. Although Mr. McGuire is an executive officer, the Board chose to appoint him as the Chairman because, as the Company's largest stockholder, he has a keen understanding and shares the financial interests of the Company's other stockholders.

Committees of the Board of Directors

The Board has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Information regarding the members of each of those Committees and their responsibilities and the number of meetings held by those Committees in 2011 is set forth below.

Audit Committee and Financial Experts. The members of the Audit Committee are Leonard P. Danna, its Chairman, and Robert S. Throop and John W. Casey. The Board of Directors has determined that all of the members of the Audit Committee are independent within the meaning of the AMEX listed company rules and the enhanced independence requirements for audit committee members contained in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act). Our Board also has determined that each of Messrs. Danna and Throop meets the definition of "audit committee financial expert" adopted by the SEC. The Audit Committee has a written charter that specifies its responsibilities, which include oversight of the financial reporting process and system of internal accounting controls of the Company, and appointment and oversight of the independent registered public accounting firm engaged to audit the Company's financial statements. Interested stockholders can view a copy of that charter in the investor relations section of our website at www.coastdistribution.com. To ensure independence, the Audit Committee meets separately with our outside auditors and members of management, respectively. The Audit Committee held a total of four meetings in 2011.

Compensation Committee. The members of the Compensation Committee are John W. Casey, who serves as the Committee's Chairman, Robert S. Throop and Leonard P. Danna, each of whom is independent (as defined in the AMEX listed company rules). The Compensation Committee (i) sets the salaries of the Company's executive officers; (ii) adopts non-equity incentive compensation and other non-equity benefit plans for our executive officers and sets the performance targets and determines the incentive compensation awards that may be earned under those plans; and (iii) oversees the administration of, and makes determinations with respect to the granting and terms of stock options and restricted shares granted under, the Company's equity incentive plans. The Compensation Committee operates under a charter that sets forth the role and responsibilities of the Committee. Interested stockholders can view a copy of that charter in the investor relations section of our website at www.coastdistribution.com. The Compensation Committee held one meeting in 2011.

Mr. McGuire sometimes participates in meetings of the Compensation Committee to provide the Committee with information with respect to the performance of the Company's CEO that is relevant to the Committee's decisions with respect to the CEO's compensation. The Committee also obtains information from Mr. Musbach as to the performance of the Company's other executive officers who report to him.

Table of Contents

Nominating and Governance Committee. The members of the Nominating and Governance Committee are Robert S. Throop, its Chairman, Ben A. Frydman and John W. Casey, each of whom is independent within the meaning of the AMEX Listing Rules. This Committee has a written charter that sets forth its responsibilities, which include identifying and recommending nominees for election to the Board; making recommendations to the Board regarding the directors to be appointed to each of its standing Committees; developing and recommending corporate governance guidelines for adoption by the Board of Directors; and overseeing the annual self-assessments by the Company's Directors of the performance of the Board of Directors and its Committees. A copy of the Committee's charter may be viewed in the investor relations section of our website at www.coastdistribution.com. The Committee held two meetings in 2011.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Directors believe that sound governance policies and practices provide an important framework to assist them in fulfilling their duties to the Company's stockholders. Our Board of Directors has adopted the following governance guidelines, which include a number of policies and practices under which our Board has operated for some time, together with concepts suggested by various authorities in corporate governance and the requirements under the AMEX listed company rules and the Sarbanes-Oxley Act of 2002. Some of the principal subjects covered by those guidelines include:

Director Qualifications. Candidates for election to the Board will be evaluated on the basis of their integrity, independence and freedom from conflicts of interest; their experience and expertise; their ability to make independent analytical inquiries; their understanding of our business and the business environment in which we operate; and their ability and willingness to devote adequate time and effort to Board responsibilities.

Independence and Responsibilities of Directors. A majority of the Directors, but in no event less than three directors, will be independent directors (as defined in the AMEX listed company rules). Additionally, Directors are expected to act in the best interests of all stockholders; develop and maintain a sound understanding of our business and the industry in which we operate; prepare for and attend Board and Board committee meetings; and provide active, objective and constructive participation at those meetings.

Director Access to Management. Directors are to be permitted access to members of management and members of management are to provide Board presentations regarding the functional areas of our business for which they are responsible.

Adequate Funding for the Board and its Committees. The Company will provide the funding necessary to enable the Board and each of its committees to retain independent advisors as the Board, or such committees acting independently of the Board, deem to be necessary or appropriate.

Director Participation in Continuing Education Programs. New directors will participate in programs designed to familiarize them with our business, strategic plans, significant financial, accounting and risk management issues, compliance programs, conflicts policies, code of business conduct and corporate governance guidelines. In addition, each incumbent director is expected to participate in continuing education programs relating to developments in the Company's business and to corporate governance.

Annual Performance Evaluations. The Board and each Board committee will conduct an annual self-assessment of its performance.

Executive Sessions Without Management. The independent directors of the Board will hold separate sessions, outside the presence of management, to consider and evaluate the performance of the Company and its management and such other matters as they deem appropriate. In addition, the Audit Committee shall meet separately with the Company's outside auditors.

Table of Contents

Code of Business Conduct

We have adopted a Code of Business Conduct for our officers and employees that has been approved by the Board of Directors. The Code sets forth specific ethical policies and principles that apply to our Chief Executive Officer, Executive Chairman, Chief Financial Officer and other key accounting and financial personnel. A copy of our Code of Business Conduct is posted in the investor relations section of our website at www.coastdistribution.com. We also intend to disclose, on that website, any amendments to our Code of Business Conduct and any waivers of its requirements that may be granted to our Chief Executive Officer, Executive Chairman or Chief Financial Officer. To date, no such waivers have been granted.

Communications with the Board

Stockholders and other parties interested in communicating with the non-management directors as a group may do so by writing to the Corporate Secretary, The Coast Distribution System, Inc., 350 Woodview Avenue, Suite 100, Morgan Hill, California 95037. The Corporate Secretary will review and forward to the appropriate member or members of the Board copies of all such correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or its committees or that she otherwise determines requires their attention. Questions relating to accounting, internal controls or auditing matters will be brought promptly to the attention of the Chairman of the Audit Committee and will be handled in accordance with procedures established by that Committee.

The Audit Committee also has established a financial integrity hotline (i) for Company employees and others to be able to communicate, anonymously, to the Audit Committee any questions or concerns they may have regarding accounting or auditing matters and (ii) for the receipt, retention and treatment of those communications and any complaints received with respect to such matters.

Nomination of Directors

In identifying candidates for membership on the Board, the Nominating and Governance Committee will seek recommendations from existing Board members and executive officers. In addition, that Committee will consider any candidates that may be recommended by any of the Company's stockholders who make those recommendations in accordance with the procedures described below. The Committee also has the authority to engage an executive search firm and other advisors, as it deems appropriate, to assist it in identifying qualified Board candidates. In assessing and selecting new candidates for Board membership, the members of the Nominating and Governance Committee will consider such factors, among others, as the candidate's integrity and independence and freedom from conflicts of interest and experience and expertise, as demonstrated by past employment and board experience, and will conduct background inquiries of and interviews with those candidates. The Committee members will consider a number of factors in making their selection of a nominee from among those candidates, including, among others: whether the candidate has the ability, willingness and enthusiasm to devote the time and effort required of members of the Board; the candidate's independence, including whether the candidate has any conflicts of interest or commitments that would interfere with the candidate's ability to fulfill the responsibilities of a director; whether the candidate's skills and experience would add to the overall competencies of the Board; and whether the candidate has any special background or experience relevant to the Company's business.

Stockholder Recommendation of Board Candidates. Any stockholder desiring to submit a recommendation for consideration by the Nominating and Governance Committee of a candidate whom the stockholder believes is qualified to be a nominee for election to the Board at any annual stockholders' meeting may do so by submitting that recommendation in writing to the Committee not later than 120 days prior to the first anniversary of the date on which the proxy materials for the prior year's annual meeting were first sent to stockholders. However, if the date of the upcoming annual stockholders' meeting has been changed by more than 30 days from the anniversary date of the prior year's annual meeting, the recommendation must be received within a reasonable time before the Company begins to print and mail its proxy materials for that upcoming annual meeting. In addition, the recommendation should be accompanied by the following information: (i) the name and address of the nominating stockholder and the person that the nominating stockholder is recommending for consideration as a candidate for Board membership; (ii) the number of shares of voting stock of the Company that are owned by the nominating stockholder, his or her recommended candidate and any other stockholders known by the nominating stockholder to be supporting the nomination of that candidate; (iii) a description of any arrangements or understandings that relate to the election of directors of the Company, between the

nominating stockholder, or any person that (directly or indirectly through one or more intermediaries) controls, or is controlled by, or is under common control with, such stockholder, on the one hand, and the person that the nominating stockholder is recommending for election to the Board or any other person or persons (naming each such person), on the other hand; (iv) such other information regarding the recommended candidate as would be required to be included in a proxy statement prepared in accordance with and filed pursuant to the SEC's proxy rules; and (v) the written consent of the recommended candidate to be named as a nominee and, if nominated and elected, to serve as a director.

Stockholder Nominations. Our Bylaws provide that any stockholder also may nominate, at any annual meeting of stockholders, one or more candidates for election to the Board of Directors, by giving the Company written notice (addressed to the Secretary of the Company at the Company's principal offices) of such stockholder's intention to do so not later than 120 days prior to the first anniversary of the date on which the proxy materials for the prior year's annual meeting were first sent to stockholders. Such notice must be accompanied by the same information, described in the immediately preceding paragraph, regarding such candidate or candidates to be nominated for election to the Board and the nominating stockholder and the written consent of each such candidate to be named as a nominee and, if nominated and elected, to serve as a director. Any stockholder nomination at any annual meeting that does not comply with these Bylaw requirements will be ineffective and disregarded.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires each of our directors and executive officers, and the one person who, to our knowledge, owns more than 10% of our common stock (a 10% Stockholder), to file reports with the SEC containing information regarding their ownership and changes in their ownership of our shares of common stock and of options to purchase shares of our common stock and to furnish us with copies of those reports.

Based solely on a review of the copies of those reports that were filed respectively by our executive officers, directors, and the 10% Stockholder pursuant to Section 16(a) of the Exchange Act, to our knowledge all of our executive officers and directors, and that 10% Stockholder, complied with all Section 16(a) filing requirements applicable to their transactions in the Company's securities in 2011.

Narrative to Summary Compensation Table

Annual Base Salaries

Mr. Musbach served as the Company's President and Chief Operating Officer until April 2008, when he was promoted to Chief Executive Officer. Although the Compensation Committee approved an increase in Mr. Musbach's annual base salary from \$250,000 to \$300,000 in conjunction with that promotion, he declined to accept that increase as his contribution to a cost reduction program adopted by the Board in response to the economic recession and credit crisis. As a result, Mr. Musbach's annual base salary in 2008 was \$250,000. Then, effective February 1, 2009, Mr. Musbach reduced his annual base salary by 10%, to \$225,000, as part of a number of cost-cutting measures being implemented by the Company in that year. Effective July 1, 2010, all salaries and wages of the Company's employees, including Mr. Musbach's salary, which had been reduced by 10% in 2009, were increased by 5%. As a result, Mr. Musbach's annual base salary for 2010 included that 5% salary increase for six months of that year and his annual base salary for 2011, of \$237,500, reflects a full year of that increase.

In 2008, Mr. McGuire's annual base salary was \$360,000. However, as his contribution to the Company's cost reduction programs, Mr. McGuire voluntarily reduced his annual base salary on two occasions in 2008: (i) a \$50,000 reduction, effective June 1, 2008, bringing his annual base salary from \$360,000 to \$310,000 and (ii) an additional \$60,000 reduction, effective December 1, 2008, bringing his annual base salary from \$310,000 to \$250,000, which was 30% lower than the amount of his annual base salary at the beginning of 2008. Then, effective February 1, 2009, Mr. McGuire reduced his then annual base salary by an additional 10%, to \$225,000, as part of a number of cost-cutting measures being implemented by the Company in that year. Effective July 1, 2010, all salaries and wages of the Company's employees, including Mr. McGuire's salary, which had been reduced by 10% in 2009, were increased by 5%. As a result, Mr. McGuire's annual base salary for 2010 included that 5% salary increase for six months of that year and his annual base salary for 2011, of \$237,500, reflects a full year of that increase.

Effective September 1, 2008, the Compensation Committee approved a 3% increase in Ms. Knell's annual base salary to \$206,000 in order (i) to make her annual base salary more competitive with salaries paid to chief financial officers of California based companies of similar size and capitalization, and (ii) to recognize and reward Ms. Knell for her past service and individual performance as the Company's Chief Financial Officer. However, Ms. Knell, like the other NEOs, agreed to reduce her annual base salary by 10%, effective February 1, 2009 as part of a number of cost-cutting measures being implemented by the Company in that year. Effective July 1, 2010, all salaries and wages of the Company's employees, including Ms. Knell's salary, which had been reduced by 10% in 2009, were increased by 5%. As a result, Ms. Knell's annual base salary for 2010 included that 5% salary increase for six months of that year and her annual base salary for 2011, of \$195,700, reflects a full year of that increase.

Non-Equity and Equity Incentive Compensation

Equity Incentive Compensation. With the approval of our stockholders, we adopted an equity incentive plan in 2008 (the 2008 Equity Incentive Plan). That Plan set aside shares of our common stock for future grants of equity awards which, to date, have consisted of stock options and restricted stock awards. Those awards are intended to create incentives, in the form of financial rewards, to NEOs and other management employees for performance that leads to increases in our stock price, so as to better align the financial interests of our NEOs and other key management employees with those of our stockholders.

Additionally, such awards ordinarily require that recipients of the awards remain in the Company's employ over vesting periods that, in most cases, range from three-to-five years, in order to earn those awards. Generally, if an executive's employment with the Company is terminated (whether by the executive or the Company) prior to the expiration of the multi-year vesting period, the unvested portion of the equity award is forfeited. As a result, such awards also provide an incentive for executives to focus their efforts on the Company's achievement of longer term financial results and to remain in the Company's employ over a multi-year period.

Table of Contents

The Compensation Committee oversees the administration of the 2008 Equity Incentive Plan and, in that capacity, determines (i) the executive officers and other management employees who will be granted equity incentive awards under that Plan, (ii) the number of shares that Plan participants may receive pursuant to such awards, and (iii) the nature and terms of, and the vesting conditions that will apply to, such awards. Generally, the Compensation Committee grants equity incentive awards to our NEOs and other key management employees on the commencement of their employment with the Company, and annually thereafter, at a pre-scheduled Compensation Committee meeting usually held during the first quarter of each year.

The 2008 Equity Incentive Plan provides that all unvested equity incentive awards, whether held by our NEOs or other employees, will become vested on a change of control of the Company, unless the party acquiring control of the Company agrees to assume or to substitute comparable equity incentives for the outstanding equity incentive awards on terms approved by the Compensation Committee.

Cash Incentive Plan. The Compensation Committee usually adopts a cash incentive or bonus plan each year to provide our executive officers and other key management employees with the opportunity to earn cash incentive awards or bonuses based on the Company's financial performance for the year. The primary purposes of these annual cash bonus plans are (i) to provide meaningful incentives in the form of financial awards to our executive officers and other key management employees for making significant contributions to the Company's achievement of one or more annual financial goals, and (ii) to make all or at least significant portion of the compensation of each NEO and other plan participant, in excess of his or her annual base salary, dependent on the Company's financial performance and, thereby, promote the interests of the Company and its stockholders. The payment of cash bonuses under each year's plan is conditioned on the Company achieving a threshold financial performance goal that is established by the Compensation Committee for the year for which the plan is adopted. If that goal is met or exceeded, the amounts of the bonus awards that would become payable to our NEOs will depend on whether the Company achieved or exceeded the threshold financial performance goal and, if the Company exceeded that goal, the amount by which that goal was exceeded. In 2011, the amounts of the potential bonus awards that NEOs could have earned under the 2011 plan ranged from 10% of their respective annual base salaries if the threshold financial performance goal had been achieved, but not exceeded; and, if that goal was exceeded, up to a maximum of 55% of their respective annual base salaries, depending on the amount by which the threshold financial goal had been exceeded. However, no cash bonus awards were earned or paid to any of the NEOs under the 2011 bonus plan, because the Company did not achieve the 2011 threshold financial performance goal under the plan.

CEO Employment Agreement and Potential Severance and Change of Control Payments

In July 2011, the Company entered into an employment agreement with its President and Chief Executive Officer, James Musbach (the "Employment Agreement"). That Agreement is for a term ending on December 31, 2012 and provides for payment to him of an annual base salary of \$237,500 per year. The Agreement entitles him to participate in employee benefit programs that are generally made available to other full time employees and in cash incentive or bonus and stock incentive plans in which other executive officers are eligible to participate. The Agreement provides that if Mr. Musbach's employment is terminated by the Company without cause he would receive a lump sum severance payment of not more than one year's salary and his unpaid employee benefits through the effective date of such termination. The Agreement also provides that if there is a change of control of the Company and within the succeeding 12 months Mr. Musbach's employment is terminated without cause or he elects to terminate his employment due certain specified events that adversely affect his position as CEO, he would receive severance compensation equal to one year's salary, the Company would pay his 50% share of his COBRA health insurance premiums and his unvested options or restricted shares will become vested. The foregoing description of the Employment Agreement is not intended to be complete and is qualified in its entirety by reference to that Agreement, a copy of which is attached as Exhibit 10.49 to the Company's Current Report on Form 8-K dated July 21, 2011.

We do not have any employment, severance or change of control agreements with any other of our NEOs or other executive officers.

Our stock incentive plans provide that all unvested options or restricted shares, whether held by NEOs or other employees, will become vested on a change of control of the Company unless the party acquiring control of the Company agrees to assume or substitute comparable equity incentives for those outstanding options on terms approved by the Compensation Committee.

Table of Contents**Director Compensation**

Only non-employee directors receive compensation for service on the Board of Directors and Committees of the Board. In 2011, each non-employee director received a retainer of \$6,000 per year for his service as a member of the Board of Directors and a fee of \$1,500 (i) for each Board meeting he attended and (ii) for each Committee meeting he attended on a date other than a date on which a Board meeting was held. Non-employee directors also are reimbursed for their out-of-pocket expenses incurred in attending those meetings.

Pursuant to the Company's stockholder-approved employee stock incentive plans, each year each non-employee director is automatically granted an option to purchase 2,000 shares of common stock at an exercise price that is equal to the per share closing price of the Company's shares on the date of grant, as reported by the American Stock Exchange. These options become fully exercisable six months after the date of grant. Upon joining the Board, any new non-employee director is granted an option to purchase 2,000 shares, which becomes exercisable in full one year after the date of grant.

The following table sets forth, for each non-employee director, information regarding the cash compensation paid and the stock options granted for service on the Board and its Committees during 2011.
