Item 1.01. Entry into a Material Definitive Agreement.

On May 4, 2012, Repligen Corporation (Repligen or the Company) and Ronald L. Chez (the Stockholder) entered into an Agreement (the Agreement) pertaining to the Stockholder s proposal regarding the adoption of an amendment to the Amended and Restated By-Laws of the Company which would lower the currently effective threshold necessary for stockholders to call a special meeting of stockholders (the Proposal). Pursuant to the terms of the Agreement:

The Stockholder submitted an amended and restated proposal to lower the threshold necessary for calling a special meeting of stockholders from a majority to the holders of 30% of the voting shares of the Company (the Amended and Restated Proposal);

The Company agreed to prepare, file with the Securities and Exchange Commission (the SEC) and distribute to its stockholders, definitive additional soliciting materials (the Additional Soliciting Materials) to reflect the Amended and Restated Proposal and the recommendation of the Company s board of directors (the Board) that the Company s stockholders vote **FOR** the Amended and Restated Proposal;

The Stockholder agreed to file an amendment to the Stockholder s Schedule 13D;

Subject to and conditioned upon the Company s filing of the Additional Soliciting Materials with the SEC and the distribution thereof to its stockholders, the Stockholder agreed to vote, or cause to be voted, by no later than May 17, 2012, all of the voting shares of the Company held or controlled by the Stockholder in accordance with the recommendation of the Board with respect to each of the proposals to be acted upon at the 2012 Annual Meeting of the Company s stockholders (and further agreed not to revoke, amend or otherwise alter such vote);

The Company confirmed to the Stockholder that (i) achievement of the Company s previously disclosed cash bonus compensation objective for the fiscal year ending December 31, 2012 related to the performance of the Company s stock against the Russell 2000 Index requires that the Company s stock outperform the Russell 2000 Index in order for such compensation objective to be achieved and (ii) the Compensation Committee will assign meaningful weight to such compensation objective when determining executive officers cash bonus compensation for the fiscal year ending December 31, 2012;

The Company confirmed to the Stockholder that the Board will amend the Company s Stock Ownership and Retention Policy (the Policy) to provide that if the annual cash retainer paid to non-employee members of the Board is reduced to zero or some de minimis amount, such reduction shall not decrease the previously effective minimum share ownership requirements under the Policy; and

The Company confirmed to the Stockholder that the Board will amend the Policy to reduce the period for a director to comply with the Policy from five years to four years, subject to and conditioned upon the performance by the Stockholder of its above-described obligations under the Agreement.

The foregoing description of the Agreement is qualified in its entirety by reference to the full Agreement, which is filed as Exhibit 10.1 hereto.
