PROSPECTUS

DIRECT STOCK PURCHASE

AND

DIVIDEND REINVESTMENT PLAN

1,934,941 Shares

Common Stock

(Without Stated Par Value)

Fidelity Southern Corporation (the Corporation or Fidelity) is offering to its shareholders and interested first-time investors (Participants) participation in its Direct Stock Purchase and Dividend Reinvestment Plan (the Plan), which is designed to provide Participants an affordable alternative for buying, holding, and selling shares of our common stock. The Plan is administered by Computershare Trust Company, N.A. (the Plan Administrator also, Computershare).

Participants in the Plan may:

buy shares of our stock conveniently and economically through reinvestment of dividends, and optional cash investments;

reinvest all or a portion of cash dividends paid on our stock to purchase additional shares of our stock;

directly deposit stock certificates for safekeeping into the Plan for credit in book-entry form;

sell all or a portion of our shares that you hold through the Plan directly without having to issue a certificate; and

save on commissions and fees.

Shares for the Plan either will be acquired directly from the Corporation from authorized but unissued shares or treasury shares or will be shares purchased by the Plan Administrator in the open market. When shares are purchased from the Corporation, the price per share will equal the average of the highest and lowest quoted selling price on the NASDAQ Global Select Market during the five (5) trading days during which shares of common stock were traded preceding the investment date, but in no event will that price be less than 90% of the average of the highest and lowest quoted selling price on the last trading day of that five (5) day period. When shares are purchased on the open market, the price per share will be the average weighted price for all shares purchased for the Plan on the trade date or dates.

Shareholders who do not wish to participate in the Plan will continue to receive cash dividends, as declared, in the usual manner. Participation is entirely voluntary.

We anticipate that most shares of our common stock purchased pursuant to the Plan will be purchased from Fidelity. We intend to apply the proceeds received in those sales for Fidelity's general corporate purposes. We do not know precisely the number of shares that may ultimately be sold pursuant to the Plan or the prices at which those shares will be sold, and therefore we cannot determine the amount of proceeds that will be generated. If shares of common stock are purchased by the Plan in the open market, Fidelity will not receive any proceeds from such purchases.

Edgar Filing: FIDELITY SOUTHERN CORP - Form S-3

Our common stock is listed and traded on the NASDAQ Global Select Market under the symbol LION. On July 18, 2012, the closing price of our common stock was \$8.74 per share.

Shares of our common stock are not deposits, savings accounts, or other obligations of a depository institution and are not insured by the Federal Deposit Insurance Corporation or any other governmental agency. Investing in our common stock involves investment risks. See Risk Factors at page 2.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of the common stock or determined if this prospectus is accurate or adequate. Any representation to the contrary is a criminal offense.

Plan Costs

The costs and fees associated with the Plan (paid by Fidelity or charged to participants) including enrollment costs, administrative service fees or trading fees, are set forth in *Cost of Participation* at page 19.

FREQUENTLY ASKED QUESTIONS AND ANSWERS

What is the purpose of the Plan?

The Plan provides shareholders and interested first-time investors (*Participants*) an affordable alternative for buying, holding, and selling shares of our common stock. If shares purchased through the Plan are acquired directly from us (as we anticipate will usually be the case) and not in the open market, we will receive funds that we can use for general corporate purposes.

How do I enroll in the Plan?

If you are a registered owner of our common stock, you may enroll in the Plan by completing a Plan Enrollment Form. There is no enrollment fee for registered owners.

If you are not a registered owner of our common stock, you may enroll in the Plan by completing a Plan Enrollment Form, making an initial cash investment to purchase shares of common stock, and paying a one-time account set-up fee of \$10. The minimum initial cash investment is \$1,000 and the maximum is \$10,000.

Both existing shareholders (who hold directly registered accounts with Computershare) and first-time investors must complete, sign, and return a Plan Enrollment Form to the Plan Administrator. If shares are registered jointly or if the Plan account is to be registered in multiple names, all stockholders in whose name the shares or Plan account is to be registered must sign the Plan Enrollment Form. Once completed, the Plan Enrollment Form should be mailed to the Plan Administrator. (See *How do I contact Computershare?* at page 10 for mailing instructions.)

Enrollment in the Plan is voluntary and may not be available to investors in certain countries. Persons residing outside the United States should determine whether they are subject to any governmental regulation prohibiting their participation. Participation in the Plan continues until terminated by the participant or the Plan is terminated.

Under Section 326 of the U.S. Patriot Act, we are required to verify the identification of new participants in the Plan, including date of birth, maintain records of the information used to verify a person's identity, and consult a list of known or suspected terrorist organizations provided by any government agency to determine whether a person seeking to open an account appears on any such list.

YOU CAN REQUEST A PLAN ENROLLMENT FORM FROM THE PLAN ADMINISTRATOR AT THE ADDRESS, TELEPHONE NUMBER, OR WEBSITE SHOWN UNDER *HOW DO I CONTACT COMPUTERSHARE?* AT PAGE 10.

How can I reinvest my dividends?

You can choose to reinvest all or a portion of the cash dividends paid on the shares of our stock that are directly registered in your name under the Plan. You will begin to participate in the Plan as of the dividend payment date associated with the first dividend record date which occurs after the date the Plan Administrator receives your signed Plan Enrollment Form or the date of your first optional cash payment, whichever occurs first. The dividend record dates usually precede the dividend payment dates by approximately two weeks.

Following your instructions on the Plan Enrollment Form, the Plan Administrator will apply all or part of the cash dividend to the purchase of additional shares of common stock. Dividends and other cash distributions are

Table of Contents

paid in U.S. dollars and the payable date is the date on which shareholders are paid. Dividend purchases are invested as promptly as practicable following the payable date. When shares are being purchased in the open market, depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be traded on more than one date. All available cash dividends for your account, less any applicable tax withholding, will be invested and fractional shares will be calculated to four decimal places. We will pay all service fees and trading fees associated with the reinvestment of dividends in our common stock.

What options are available for dividend investments?

Full Reinvestment: If you elect this option, 100% of all cash dividends paid on shares held by you in the Plan (certificated and book entry form) will be reinvested in additional shares of our common stock. This includes future shares acquired by you directly or through the Plan.

Partial Dividend Reinvestment: You may choose this option only if you hold some shares in certificate form. If you choose this option, you can direct that dividends on a specified number of shares held by you in certificate form be paid to you in cash. Dividends on the remaining shares held by you in certificate form, as well as all shares held in the Plan, will be reinvested. If you buy more shares in certificate form, it will not change your election. If you sell or transfer shares in certificate form, it will not change your election unless the number of shares you hold in certificate form falls below the number you specified for reinvestment. In that case, cash dividends will be paid to you on the number of shares you hold in certificate form. You may change your instructions for this option at any time by completing a new Plan Enrollment Form.

Cash Dividends No Reinvestment: If you choose this option, you may enroll in the Plan only to make optional cash investments or deposit certificates into the Plan for safekeeping. By choosing this election, you receive all dividends in cash and no dividends will be reinvested.

Can I elect to have my cash dividends directly deposited to my bank or other financial institution?

If you elect to have all or a portion of your dividends paid in cash, the amount will be paid by check or can be credited directly to your bank account via Electronic Funds Transfer (which we refer to as EFT). In order to take advantage of this option, your bank or financial institution must be a member of the Automated Clearing House. If you are interested in this option, please log into your account on line or call the Plan Administrator at 1-866-203-4394 and request an Enrollment Form. If you enroll in direct deposit and later transfer your shares to a new shareholder account, or change your bank account, you will need to request and complete another Enrollment Form. (See Cost of Participation at page 19.)

How can I purchase additional shares?

Existing shareholder accounts (directly registered with the Plan Administrator): You can purchase additional shares by making voluntary optional cash investments, which will be used to purchase shares of our common stock for your Plan account. A shareholder whose shares are directly registered with the Plan Administrator (not in street name) can make an optional cash investment when joining the Plan by enclosing a check or money order with a completed Plan Enrollment Form. Thereafter, all optional cash investments should be accompanied by the tear-off portion of your account statement or transaction advice. If you choose to make optional cash investments, you do not have to send the same amount of money each time. The minimum optional cash investment per account is \$100, the maximum investment per transaction is \$10,000, and the maximum aggregate investment in a calendar year is \$200,000. (See Cost of Participation at page 19.)

EFT Option: You may also elect to make automated monthly optional cash investments by electronic funds transfer (for existing shareholder accounts). If the EFT option is chosen, a minimum of \$100 will

Table of Contents

be deducted from your checking or savings account on the 25th day of each month, or if that date is not a business day, the deduction will be made on the preceding business day. (See *Can I make automated monthly investments?* at page 6.)

First-Time Investors: For first-time purchases by investors who do not have a directly registered shareholder account, an initial purchase of shares may be made by sending a check and a completed Plan Enrollment Form to the Plan Administrator. The minimum amount for the new investor per account is \$1,000 (an initial one-time set-up fee of \$10 will be charged), the maximum investment per transaction is \$10,000, and the maximum annual aggregate investment in a calendar year is \$200,000.

All cash investment checks, optional or first-time investment, must be made by a check drawn on a U.S. bank, in U.S. currency, payable to **Computershare**. Checks and Plan Enrollment Forms should be mailed directly to the Plan Administrator using the address indicated at page 10. Third party checks, money orders, travelers checks and checks not drawn on a U.S. bank or not in U.S. currency will not be accepted and will be returned to the sender. If a cash investment check is returned unpaid, the Plan Administrator will reverse the credit of shares purchased for an account and sell additional shares from such account to satisfy any deficiencies. **No interest will be paid on optional cash investments held by the Plan Administrator pending investment.**

What fees are involved?

There is no enrollment fee, with the exception of an initial enrollment fee for first-time investors who are purchasing their initial shares through the Plan. This fee will be deducted from the initial investment amount. (See *Cost of Participation* at page 19 for service fees and trading fees for dividend, cash option, and first-time investment purchases.)

Can I make automated monthly investments?

Participants enrolled in the Plan may authorize automatic monthly cash investments via Electronic Funds Transfer. This option may be chosen when enrolling in the Plan by checking the appropriate information on the Plan Enrollment Form.

Automated monthly investments are subject to the minimum and maximum amounts set forth in the Plan. EFT payments are deducted monthly from a participant's bank account through any financial institution that participates in the Automated Clearing House. Deductions are made on the 25th day of each month, or if such date is not a business day, then on the preceding business day. Automated monthly optional cash investments will be invested beginning with the next scheduled investment day after the Bank receives the funds. A fee is assessed for each EFT transaction (see *Cost of Participation* at page 19), and the Participant is responsible for any bank fees related to the arrangements made for EFT payments. It is your responsibility to notify the Plan Administrator immediately of any changes in EFT information as it relates to your authorized monthly deductions. You may call 1-866-203-4394 and request a new Enrollment Form.

In the event that your optional/first time cash investment check is returned unpaid for any reason, or your designated bank account for EFT does not have sufficient funds for your authorized monthly deduction, the Plan Administrator will immediately remove from your account shares that were purchased in anticipation of the collection of such funds. These shares will be sold to recover any uncollected funds. If the net proceeds of the sale of such shares are insufficient to recover in full the uncollected amounts, the Plan Administrator reserves the right to sell such additional shares from any of your accounts maintained by the Plan Administrator as may be necessary to recover in full the uncollected balance.

The Plan Administrator will charge you a service fee of \$25 for returned checks or failed EFT payments. The Plan Administrator reserves the right to sell additional shares from any of your accounts maintained by the Plan Administrator as may be necessary to recover the service fee at the time the check or EFT is returned to the Plan Administrator.

Table of Contents

How are shares purchased?

The Plan Administrator aggregates all requests to purchase shares and then purchases the total shares on the open market on the NASDAQ Global Select Market or directly from the Corporation from authorized but unissued shares or treasury shares. When shares are purchased from the Corporation, the price per share will be equal to the average of the highest and lowest quoted selling prices on the NASDAQ Global Select Market during the five (5) trading days during which shares of common stock were traded preceding the investment date. In no event will the price be less than 90% of the average of the highest and lowest quoted selling price on the last trading day of that five (5) day period. If the five (5) day average is less than 90% of the last day average, the price will be 90% of the last trading day average.

When shares are purchased on the open market, all requests to purchase shares are aggregated and the total shares are purchased on the open market. The price per share cannot be determined prior to the purchase. The price per share purchased shall always be the average weighted price for all shares purchased for the Plan on the trade date or dates. Open market purchases are usually made through a broker selected by Computershare that may be an affiliate of Computershare.

Depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be traded on more than one day. The purchase price will not be known until the purchase is complete. Upon completion of an investment, the Plan Administrator will credit each participant's account for all full and fractional shares (to four decimal places) purchased.

The decision whether to issue new shares or to purchase shares in the open market will be made by the Corporation and will take into account the Corporation's equity position, general market conditions, relationships between the purchase price and the book value per share, and other relevant factors.

A transaction advice will normally be mailed to you by first class mail as soon as practicable following the final trade settlement date showing the purchase price, transaction fees and trading fees (if any) and the number of shares credited to your accounts.

Since your dividend and any optional cash payment will rarely purchase an exact number of whole shares, whether shares are purchased from the Corporation or the open market, the Plan Administrator will credit your account for the full and fractional shares (to four decimal places) purchased. A fractional share will earn proportional dividends.

When will the purchases of shares of common stock be made?

Optional and first-time cash investments will be invested weekly, generally on the last business day of each week. Payments must be received by the Plan Administrator by noon on the business day immediately preceding an investment date in order to be invested on that investment date. Any payments received and not invested will be invested on the next investment date.

Dividend funds will be invested on the dividend payment date declared by the Board of Directors.

No interest will be paid on cash dividends, optional cash investments, or first-time investments pending investment.

What information will I receive?

A summary account statement or transaction advice showing a transaction history will be mailed to you as soon as practicable following the completed investment for each dividend payment date or optional/first-time cash investment. The advice will show the purchase price, service fees, and brokerage commissions (if any), and shares credited to your account.

RETAIN THESE STATEMENTS FOR YOUR RECORDS AND FUTURE COST BASIS CALCULATION IF SHARES ARE SOLD. THERE IS A \$20 CHARGE FOR PROVIDING A COPY OF AN ACCOUNT STATEMENT THAT IS MORE THAN 12 MONTHS OLD.

For your convenience, statements and transaction advices have a tear-off portion that can be used to send instructions to the Plan Administrator for the issuance of certificates, the sale or purchase of shares, deposit of certificates, or termination of participation in the Plan.

Does the Plan allow me to deposit certificates?

If you own shares of our stock in certificated form, you may elect to deposit the share certificates into your Plan account with the Plan Administrator. The Plan Administrator will credit these shares to your Plan account in book-entry form. To deposit certificates, send them via registered, insured mail, return receipt requested, to the Plan Administrator along with either, at the time of enrollment, your completed, signed Plan Enrollment Form or the tear-off portion of your account statement with your written instructions regarding the deposit. Please do not sign the stock certificate(s). We recommend that you insure the package for 2% of the value of the shares (see *How do I contact Computershare?* at page 10 for mailing instructions and *Cost of Participation* at page 19 for fees and costs associated with the deposit of certificates.) All dividends on the shares deposited will be automatically reinvested under the Plan.

How can I sell my shares?

You may instruct the Plan Administrator to sell any or all shares held in your Plan account by one of the following methods:

Sale Orders via Mail: You may instruct the Plan Administrator to sell by completing and signing the tear-off portion of your account statement and mailing the instructions to the Plan Administrator. If there is more than one name or owner on the Plan account, all participants must sign the tear-off portion of the account statement.

Sale Orders via IVR System: You may instruct the Plan Administrator to sell by placing a sale order via the Interactive Voice Response system. To place a sale order, call 1-866-203-4394, the Plan Administrator's toll-free number, with your instructions. Simply enter your social security number or taxpayer ID at the prompt and select the menu option for sales and follow the instructions provided. For security purposes, you will be asked to enter your account number.

Sale Orders via Internet: You may instruct the Plan Administrator to sell by placing a sale order via the Internet. However, before you can access your shareholder account to place a sale order, you will first need to request a Personal Identification Number (PIN) by visiting the Plan Administrator's website at www.cpushareownerservices.com (see *How do I contact Computershare?* at page 10).

Sale orders via the Interactive Voice Response system and Internet are generally accepted until 6:00 p.m., Eastern Standard Time. Sale orders will generally be sold within two business days and in most cases be sold the next business day. Sale orders placed after 6:00 p.m. will be considered received the next business day. The IVR System and the Plan Administrator's Internet site are confidential, secure, and provide a unique confirmation number for each transaction executed.

How are shares sold?

As with purchases, the Plan Administrator aggregates all requests to sell shares and then sells the total shares on the open market. Sales are usually made through a broker affiliated with the Plan Administrator. The price per share of the transaction will reflect the trading fee and will always be the average weighted price for all shares sold for the Plan on the trade date or dates. See *Cost of Participation* at page 19 for the transaction fee and trading fee charged for the sale of shares.

Table of Contents

Depending on the number of shares being sold and current trading volume in the shares, sales may be executed in multiple transactions and may be traded on more than one day. The selling price will not be known until the sale is complete. A check for the proceeds of the sale of shares less applicable taxes, transaction fees, and trading fees will normally be mailed to you by first class mail within two (2) business days after the final trade settlement date. The trade settlement date is the third business day after the sale order is executed. The sale check will include a notice detailing the trade, as well as Form 1099-B, which should be retained for tax record purposes.

THE COMMON STOCK PRICE MAY FALL BETWEEN THE TIME YOU REQUEST A SALE AND THE TIME THE SALE IS MADE.

Can I request a certificate?

You may request that the Plan Administrator issue a certificate for some or all of the shares (whole shares only) held in your Plan account. To have a certificate issued, simply complete, sign and return the tear-off portion of the account statement or call the Plan Administrator. There is no fee for this service.

How can I transfer shares?

Transfers can be made in book-entry or certificated form at any time. In order to transfer shares, you will need to complete a Transfer Instruction Package. Simply visit the Plan Administrator's Stock Transfer website at www.cpushareownerservices.com to download the information, or call 1-866-203-4394 to request one. Remember you must obtain a Medallion Guarantee for any transfer of shares.

A Medallion Guarantee insures that the individual signing the request for transfer is the owner or authorized representative. It can be obtained from financial institutions (including many banks and brokerage firms) participating in one or more of the Medallion Guarantee programs. Book-to-book transfers involving transferring shares from an existing Plan account to a new Plan account should follow the steps listed below.

Call the Plan Administrator's toll-free telephone number 1-866-203-4394 to request a Plan prospectus and Plan Enrollment Form or download a copy to print from the Plan Administrator's website, www.cpushareownerservices.com. Complete the form, providing the full registration name, address and social security number of each new participant.

The completed Plan Enrollment Form should be sent along with a written request indicating the number of shares (full and fractional) that should be transferred to the new participant's account. All existing participants in the current Plan account should sign the instructions and their signatures should be Medallion Guaranteed as discussed above.

How can I terminate my participation in the Plan?

You may withdraw from the Plan at any time. To withdraw from the Plan, simply complete the tear-off portion of the account statement or transaction advice and mail it to the Plan Administrator with your instructions (1) to issue a certificate for the full shares held in the Plan account and a check for any fractional share held in the Plan account, (2) to sell all shares, or (3) any combination of an issuance and sale. You will receive a check for the net proceeds (less transaction fees and trading fees) from the sale of any full and fractional shares.

What happens if Fidelity announces a rights offering?

In the event that we make available to our shareholders any rights to subscribe for additional common shares, the right to subscribe will be based on the total number of shares owned, both inside and outside the Plan. Any new shares distributed by us resulting from the exercise of the rights will be issued directly to you as a Plan participant.

Table of Contents

What happens if Fidelity issues a dividend payable in shares or declares a share split?

Any stock dividends or stock-split shares distributed by us will be credited directly into your Plan account in book-entry form. This includes distributions calculated from shares held in the Plan in book-entry form as well as any certificates registered in the participant's name(s). Any rights or shares to be distributed as a result of any rights agreement or similar arrangement will be distributed in a like manner. Transaction processing may be temporarily suspended during the latter type of extraordinary distributions. Processing of purchases, sales and transfers may be temporarily suspended during such distribution.

Who will vote the shares held in the Plan at shareholders' meetings?

You will receive the same voting materials as other shareholders and have the right to vote the shares of our stock represented by whole and fractional shares held on your behalf by the Plan Administrator under the Plan on the record date for a vote.

USE OF PROCEEDS

We anticipate that most shares of our common stock purchased pursuant to the Plan will be purchased from Fidelity. We intend to apply the proceeds received in those sales for Fidelity's general corporate purposes, which may include funding our bank and non-bank subsidiaries, financing business expansion, or refinancing or

Table of Contents

extending the maturity of debt obligations and investments at the holding company level. We do not know precisely the number of shares that may ultimately be sold pursuant to the Plan or the prices at which those shares will be sold, and therefore we cannot determine the amount of proceeds that will be generated.

If shares of common stock are purchased by the Plan in the open market, Fidelity will not receive any proceeds from such purchases.

PLAN OF DISTRIBUTION

Except to the extent the Plan Administrator purchases our common stock in the open market, the common stock acquired under the Plan will be sold directly by us through the Plan. We may sell our common stock to shareholders (including brokers or dealers) who, in connection with any resales of such shares, may be deemed to be underwriters. Such shares may be resold in open market transactions (including coverage of short positions) on any national securities exchange on which shares of our common stock trade or in privately negotiated transactions. Our common stock is currently listed on the NASDAQ Global Select Market.

Subject to the availability of shares of our common stock registered for issuance under the Plan, there is no total maximum number of shares that can be issued pursuant to the reinvestment of dividends or optional cash purchases.

We will pay all commission and service fees on purchases made with reinvested dividends for current, directly registered participants. There is an initial set-up fee charged to you by the Plan Administrator if you are a first-time cash investor. There are also fees associated with utilizing certain Plan features. The fees are set forth in the section entitled "Cost of Participation" at page 19.

Our common stock may not be available under the Plan in all states or jurisdictions. This prospectus does not constitute an offer to sell, or a solicitation of an offer to buy, any of our common stock or other securities in any state or any other jurisdiction to any person to whom it is unlawful to make such offer in such jurisdiction.

LEGAL MATTERS

The validity of the shares of common stock offered pursuant to this prospectus has been passed upon by Baker, Donelson, Bearman, Caldwell & Berkowitz, P.C.

U.S. FEDERAL INCOME TAX INFORMATION

You are advised to consult your own advisor. The following summary of certain U.S. federal income tax consequences is not a comprehensive summary of all tax considerations that may be relevant to a Plan participant and is for general information only.

Your dividends reinvested under the Plan will be taxable for U.S. federal income tax purposes just as if you actually received them in cash. In addition, when Fidelity Southern Corporation pays trading fees or other transaction fees associated with reinvested dividends, you may be treated as receiving an additional dividend equal to the amount of such commissions and fees.

You will not realize a gain or loss for U.S. federal income tax purposes on the transfer of shares to the Plan or the withdrawal of whole shares from the Plan. You will, however, generally realize a gain or loss on the sale of any of your shares (including the receipt of cash for a fractional share) held in the Plan. The amount of gain or loss generally will be the difference between the amount you receive for the shares and the tax basis of those shares. In order to determine the tax basis of your shares acquired through the Plan, you should retain all of your transaction statements.

Table of Contents

Your tax basis in shares acquired through the Plan, whether with reinvested dividends or with cash payments, generally will equal the amount paid for the shares, including any trading fee or fee. Your holding period for shares acquired through the Plan will begin on the day after the date the shares are credited to your account.

Dividends on your shares and proceeds from the sale of shares held in the Plan generally will be subject to backup withholding tax at a current rate of 28%, unless you provide a properly completed IRS Form W-9 to the Plan Administrator in connection with the Plan. Only the amount of dividends net of any withholding tax will be available for reinvestment under the Plan. Any amount withheld as backup withholding tax will be allowable as a refund or credit against your U.S. federal income tax liability.

Dividends paid on shares held in the Plan for participants who are non-resident aliens or non-U.S. corporations, partnerships, or other entities generally are subject to a withholding tax of 30%. The withholding tax may be reduced or eliminated by treaty between the U.S. and the country in which the Plan participant resides, if the participant provides appropriate documentation to claim the benefit of the treaty. Only the amount of dividends net of any withholding tax will be available for reinvestment under the Plan.

FIDELITY SOUTHERN CORPORATION

DIRECT STOCK PURCHASE AND DIVIDEND REINVESTMENT PLAN

Terms and Conditions of the Plan

1. Introduction

The purpose of Fidelity Southern Corporation's Direct Stock Purchase and Dividend Reinvestment Plan (the "Plan") is to provide registered shareholders of Fidelity Southern Corporation common stock and other interested first-time investors with a simple, economical, and convenient method of investing in Fidelity Southern Corporation common shares. The Plan is administered by Computershare Trust Company, N.A. Enrollment in the Plan is voluntary and may not be available to investors in certain countries. Persons residing outside the United States should determine whether they are subject to any governmental regulation prohibiting their participation.

2. Share Purchases – Optional, First-Time Cash Investments, Investing Dividends

All purchases of shares will be made in the open market on the exchange on which the shares are traded or directly from Fidelity Southern Corporation. Except to the extent that Fidelity Southern Corporation has at any time specifically instructed the Plan Administrator to use the funds it holds for investment under the Plan to purchase shares of common stock directly from Fidelity Southern Corporation, the shares of common stock to be purchased under the Plan will be purchased in the open market. Open market purchases are usually made through a broker selected by Computershare that may be an affiliate of Computershare and will receive brokerage commissions.

When shares are purchased from Fidelity Southern Corporation, the price per share will be equal to the average of the highest and lowest quoted selling prices on the NASDAQ Global Select Market during the five (5) trading days during which shares of common stock were traded preceding the investment date. In no event will the price be less than 90% of the average of the highest and lowest quoted selling price on the last trading day of that five (5) day period. If the five (5) day average is less than 90% of the last day average, the price will be 90% of the last trading day average. When shares are purchased on the open market, all requests to purchase shares are aggregated and the total shares are purchased on the open market.

When shares are being purchased in the open market, depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be traded on more than one day. The price per share purchased shall always be the average weighted price for all shares purchased for the Plan on the trade date or dates. The price per share cannot be determined prior to the purchase.

A transaction advice/statement will normally be mailed to participants by first class mail within two (2) business days following the final trade settlement date. Advices/Statements will show the amount of the purchase price for purchases of shares of common stock through cash dividends and optional and first-time cash investments. Transaction fees and trading fees (if any) charged to the participant and the number of shares credited to a participant's account will also be shown. Optional/first-time cash investments must be made either by Electronic Funds Transfer (EFT) or check drawn on a U.S. bank, in U.S. currency, payable to Computershare. **No third party checks, money orders, or travelers checks will be accepted.** EFT deductions are made on the 25th day of each month, of if such date is not a business day, the deduction will be made on the preceding business day. Optional cash investments are subject to the minimum optional cash investment of \$100 per transaction, a maximum investment of \$10,000 per transaction and a maximum annual investment of \$200,000 per calendar year.

Table of Contents

Optional and first-time cash investments will be invested weekly, generally on the last business day of each week. Payments must be received by the Plan Administrator by noon on the business day immediately preceding an investment date in order to be invested on that investment date. Any payments received and not invested will be invested on the next investment date.

Dividend funds will be invested on the dividend payment date declared by the Board of Directors. No interest will be paid on cash dividends, optional cash investments, or first-time investments pending investment.

Cash investments, first-time or optional, may be rejected by the Plan Administrator if a participant imposes any restrictions with respect to the number of shares to be purchased, the price at which the shares are to be purchased or the timing of when the purchase is to be made. When Fidelity Southern Corporation pays a dividend, the Plan Administrator, in accordance with a participant's chosen dividend investment option, will use all or part of the cash dividend to purchase additional common shares. Dividends and other cash distributions are paid in U.S. dollars and the dividend payable date is the date on which shareholders are paid. Dividend purchases are invested as promptly as practicable commencing on the dividend payable date and may be commingled with first-time or optional cash investments on that trade date. Shares purchased will be credited to each participant's account in book-entry form (computed to four decimal places).

Dividend investment options can be changed at any time by sending a new Plan Enrollment Form to the Plan Administrator. Changes must be received by the Plan Administrator on or before the record date for that dividend.

3. Share Sales

All sales of shares will be made in the open market on the exchange on which the shares are traded. Sales are usually made through a broker selected by Computershare that may be an affiliate of Computershare and that will receive brokerage commissions in connection with such sales. The price per share cannot be determined prior to the sale. The price per share sold will reflect the trading fee and shall always be the average weighted price for all shares sold for the Plan on the trade date or dates. Participants will also incur a transaction fee in addition to a trading fee. Depending on the number of shares being sold and current trading volume in the shares, sales may be executed in multiple transactions and may be traded on more than one day. The selling price will not be known until the sale is complete. A check for the proceeds of the sale of shares less applicable taxes, transaction fees and trading fees will normally be mailed to participants by first class mail within two (2) business days after the final trade settlement date. The trade settlement date is the third business day after the sale order is executed.

4. Requests for Certificates or Transfer of Shares

Participants may request that the Plan Administrator issue a certificate for some or all of the shares (whole shares only) held in a participant's Plan account at any time. Item 15. Indemnification of Directors and Officers.

Sections 14-2-851 and 14-2-857 of the Georgia Business Corporation Code provide that a corporation may indemnify its directors and officers against civil and criminal liabilities. Directors and officers may be indemnified if they acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the corporation, if they have not been adjudged liable on the basis of the improper receipt of a personal benefit and, with respect to any criminal action, if they had no reasonable cause to believe their conduct was unlawful. A director or officer may be indemnified against expenses incurred in connection with a derivative suit if he or she acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the corporation, except that no indemnification may be made without court approval if such person was adjudged liable for negligence or misconduct in the performance of his or her duty to the corporation. Statutory indemnification is not exclusive of any rights provided by any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Fidelity's by-laws contain indemnification provisions that provide that directors and officers of Fidelity will be indemnified if they are successful on the merits or otherwise in the defense of any proceeding or any claim, issue or matter involved in the proceeding. The indemnification provisions also provide that Fidelity will indemnify directors and officers when they meet the applicable standard of conduct, regardless if they are successful in the defense of the proceeding or claim, issue or matter. The applicable standard of conduct is met if the director or officer acted in a manner he or she reasonably believed to be in, or not opposed to, the best interests of Fidelity. The standard of conduct with respect to any criminal action or proceeding is met if the director had no reasonable cause to believe his or her conduct was unlawful. Whether the applicable standard of conduct has been met is determined by the board of directors, the stockholders or independent legal counsel in each specific case.

Fidelity may also provide for greater indemnification than that set forth in its by-laws if it chooses to do so, subject to approval by Fidelity's stockholders. Fidelity may not, however, indemnify a director for liability arising out of circumstances that constitute exceptions to limitation of a director's liability for monetary damages, as described below. Fidelity may purchase and maintain insurance on behalf of any director against any liability asserted against such person and incurred by him or her in any such capacity, whether or not Fidelity would have had the power to indemnify against such liability.

Table of Contents

In addition, Article 5 of Fidelity's Articles of Incorporation, subject to certain exceptions, eliminates the potential personal liability of a director for monetary damages to Fidelity and to the stockholders of Fidelity for breach of a duty as a director. There is no elimination of liability for:

any appropriation, in violation of his duties, of any of our business opportunities;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

the types of liability set forth in the Official Code of Georgia Section 14-2-832; or

any transaction from which the director derived an improper personal benefit.

The Articles of Incorporation do not eliminate or limit the right of Fidelity or its stockholders to seek injunctive or other equitable relief not involving monetary damages.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Our directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to limitations.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the Registration Statement is on Form S-3 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement or is contained in a final prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement.

(4) [Intentionally omitted.]

(5) That, for the purpose of determining liability under the Securities Act to any purchaser:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date filed prospectus was deemed part of and included in the Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to the purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the

Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
