Dr. Fallon will be entitled to receive standard non-employee director compensation in the same manner and subject to the same policies as the Company's other non-employee directors. In 2012, the non-employee directors received grants of 4,000 restricted stock units and an option to purchase 4,000 shares of the Company's common stock, subject to similar vesting requirements.

On October 25, 2012, the Company issued a press release regarding the appointment of Dr. Fallon. A copy of the press release is attached as Exhibit 99.1 hereto.
