\* We expect that delivery of the notes will be made against payment therefor on or about the settlement date specified above, which will be the fourth business day following the date of this term sheet. Under Rule 15c6-1 of the Securities and Exchange Commission ( SEC ) under the Securities Exchange Act of 1934, trades in the secondary market generally are required to settle in three business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes on the date of this term sheet will be required, by virtue of the fact that the notes initially will settle in T+4, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the notes who wish to trade the notes on the date of this term sheet should consult their own advisor.
