Item 1.01. Entry into a Material Definitive Agreement.

Acquisition Agreement

On June 3, 2013, salesforce.com, inc. (the Company) entered into an Acquisition Agreement (the Acquisition Agreement) by and among the Company, Excalibur Acquisition Corp., a wholly owned subsidiary of the Company (Merger Sub), and ExactTarget, Inc. (ExactTarget). Pursuant to the Acquisition Agreement, and upon the terms and subject to the conditions thereof, Merger Sub will commence a cash tender offer (the Offer) to purchase all of the outstanding shares of common stock, \$0.0005 par value per share, of ExactTarget (the Shares) at a price per share of \$33.75 (the Offer Price), net to the seller in cash, without interest.

The Offer will be subject to customary conditions, including the valid tender of the number of Shares that would represent more than 50.00% of the outstanding Shares and the expiration or termination of the required waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. The Offer is expected to be completed in the Company s second fiscal quarter of 2014, ending July 31, 2013.

Under the terms of the Acquisition Agreement, following the completion of the Offer, Merger Sub will be merged with and into ExactTarget, pursuant to which ExactTarget will become a wholly owned subsidiary of the Company (the Merger). In the Merger, all then outstanding Shares, other than Shares held by the Company, Merger Sub and ExactTarget, and Shares held by stockholders who have validly exercised their appraisal rights under the Delaware General Corporation Law (the DGCL), will be cancelled and converted into the right to receive the Offer Price.

Under the terms of the Acquisition Agreement, if following the consummation of the Offer, the Company and its subsidiaries hold a number of Shares that enable the Company to consummate the Merger under the short form merger procedures of Section 253 of the DGCL, the Company will take all necessary action to consummate the Merger as soon as reasonably practicable thereafter in accordance with Section 253 of the DGCL. Under the terms of the Acquisition Agreement, ExactTarget has granted Merger Sub an irrevocable option, exercisable only upon the terms and subject to the conditions set forth therein, to purchase a number of Shares equal to the lowest number of Shares that, when added to the number of Shares owned by the Company and its subsidiaries after the completion of the Offer, will constitute one share more than 90% of the Shares then outstanding (the Short Form Merger Threshold) in order to facilitate completion of the Merger under Section 253 of the DGCL.

In the event that following the consummation of the Offer, the Company and its subsidiaries do not hold sufficient Shares to enable the Company to consummate the Merger under the short form merger procedures of Section 253 of the DGCL, and ExactTarget has insufficient authorized Shares to issue the Company a sufficient number of Shares to achieve the Short Form Merger Threshold, then ExactTarget will call and convene a meeting of stockholders to vote on the Merger. In this event, the Company will vote all of the Shares it obtained in the Offer in favor of the Merger, so the Company will control the outcome of the vote on the Merger and guarantee the successful approval of the Merger.

The Acquisition Agreement contains representations, warranties and covenants of the Company, ExactTarget and Merger Sub that are customary for a transaction of this nature, including among others, covenants by ExactTarget concerning the conduct of its business during the pendency of the transactions contemplated by the Acquisition Agreement, restrictions on solicitation of competing acquisition proposals, public disclosures and other matters. The Acquisition Agreement contains certain termination rights of the Company and ExactTarget and provides that, upon the termination of the Acquisition Agreement under specified circumstances, ExactTarget will be required to pay the Company a termination fee of \$78.24 million.

The foregoing descriptions of the Acquisition Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to the Acquisition Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by this reference. Exhibit 2.1 is filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and therefore may be incorporated by reference into filings made under the Securities Act of 1933, as amended (the Securities Act). The Acquisition Agreement, which has been included to provide investors with information regarding its terms and is not intended to

provide any other factual information about the Company or ExactTarget, contains representations and warranties of each of the Company, ExactTarget and Merger Sub. The assertions embodied in those representations and warranties were made for purposes of the Acquisition Agreement and are subject to qualifications and limitations agreed to by the respective parties in connection with negotiating the terms of the Acquisition Agreement, including information contained in confidential disclosure schedules that the parties exchanged in connection with signing the Acquisition Agreement. Accordingly, investors and security holders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of a specific date and are modified in important part by the underlying disclosure schedules. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or may have been used for purposes of allocating risk between the respective parties rather than establishing matters of fact. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Acquisition Agreement, which subsequent information may or may not be fully reflected in the Company's or ExactTarget's public disclosures.

Support Agreements

In order to induce the Company and Merger Sub to enter into the Acquisition Agreement, certain stockholders of ExactTarget entered into support agreements with the Company and Merger Sub (the "Support Agreements") concurrent with the execution and delivery of the Acquisition Agreement. Shares held by these stockholders that are eligible to be tendered into the Offer represent, in the aggregate, approximately 20% of the Shares outstanding on the date of the Acquisition Agreement. Subject to the terms and conditions of the Support Agreements, such stockholders agreed, among other things, to tender their Shares in the Offer and, if required, to vote their Shares in favor of adoption of the Acquisition Agreement. The foregoing descriptions of the Support Agreements do not purport to be complete and are qualified in their entirety by reference to the Support Agreements, a form of which is filed as Exhibit 10.1 hereto and is incorporated herein by this reference.

Commitment Letter

On June 3, 2013, in connection with the Acquisition Agreement, the Company entered into a commitment letter (the "Commitment Letter"), pursuant to which, subject to the terms and conditions set forth therein, Bank of America, N.A. has committed to provide a \$300.0 million term loan, the proceeds of which may be used for the payment of the Offer Price contemplated by, and the payment of fees and expenses incurred in connection with, the Acquisition Agreement and the Offer. The term loan facility would be guaranteed by the Company's material domestic subsidiaries and secured by a pledge of the stock of certain of the Company's subsidiaries. The agreement for the term loan facility would contain affirmative covenants, negative covenants and events of default, as well as financial covenants, in each case to be negotiated by the parties. The commitment is subject to various conditions, including consummation of the Offer.

The foregoing descriptions of the Commitment Letter do not purport to be complete and are qualified in their entirety by reference to the Commitment Letter, which is filed as Exhibit 10.2 hereto and is incorporated herein by this reference.

Item 8.01. Other Events.

On June 4, 2013, the Company and ExactTarget issued a press release announcing the entry into the Acquisition Agreement. A copy of that press release is attached hereto as Exhibit 99.1.
