Forward-Looking Statements

This Current Report on Form 8-K includes forward-looking statements within the meaning of the Safe-Harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are necessarily subject to risk and uncertainty and actual results could differ materially from those anticipated due to various factors, including those set forth from time to time in the Company's filings with the Securities and Exchange Commission. Risks and uncertainties related to the Company and PBOC include, but are not limited to, (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the definitive agreement; (2) the outcome of any legal proceedings that may be instituted against the Company or PBOC; (3) the inability to complete the transactions contemplated by the definitive agreement due to the failure to satisfy conditions to completion; (4) risks that the proposed transaction, or the recently completed Gateway Business Bank and Beach Business Bank acquisitions, may disrupt current plans and operations, and the potential difficulties in employee retention as a result of those transactions; (5) the amount of the costs, fees, expenses and charges related to the proposed transaction; (6) deterioration in the financial condition of borrowers resulting in significant increases in loan losses and provisions for those losses; (7) continuation of the historically low short-term interest rate environment; (8) changes in loan underwriting, credit review or loss reserve policies associated with economic conditions, examination conclusions or regulatory developments; (9) increased levels of non-performing and repossessed assets that may result in future losses; (10) greater than anticipated deterioration or lack of sustained growth in the national or local economies; (11) changes in state and federal legislation, regulations or policies applicable to banks or other financial service providers, including regulatory or legislative developments, like the Dodd-Frank Wall Street Reform and Consumer Protection Act, arising out of current unsettled conditions in the economy; (12) the results of regulatory examinations; and (13) increased competition with other financial institutions. You should not place undue reliance on forward-looking statements, and the Company undertakes no obligation to update any such statements to reflect circumstances or events that occur after the date on which the forward-looking statement is made.
