Item 1.01. Entry into a Material Definitive Agreement.

On June 25, 2014, PennantPark Investment Corporation (the Company) entered into an amended and restated, multi-currency, senior secured revolving credit facility (the Credit Facility) with certain lenders, which increased the size of the Credit Facility from \$445 million to \$545 million and reduced the cost to LIBOR plus 225, from LIBOR plus 275. SunTrust Robinson Humphrey, Inc. and J.P. Morgan Securities LLC acted as joint lead arrangers and joint book runners, SunTrust Bank will serve as administrative agent for each of the lenders and JPMorgan Chase Bank, N.A. acted as syndication agent of the Credit Facility. The Credit Facility contains an accordion feature whereby it can be expanded to \$700 million if certain conditions are satisfied.

Pricing is set at LIBOR, plus 225 basis points with a 37.5 basis point unused commitment fee. The Credit Facility has a five-year maturity, with a one-year term out period following its fourth year. The Credit Facility is secured by substantially all of the assets of the Company excluding assets held by either PennantPark SBIC LP or PennantPark SBIC II LP, which are our small business investment company subsidiaries. Consistent with our prior credit facility, the Credit Facility includes customary covenants, including minimum asset coverage and minimum equity.

The documents governing the Credit Facility contain affirmative and restrictive covenants, including: (a) periodic financial reporting requirements, (b) maintenance of a minimum shareholders' equity of the sum of (1) \$245.2 million plus (2) 25% of the net proceeds from the sale of equity interests in the Company and its subsidiaries after the effective date (other than proceeds from the sale of equity interests by and among the Company and its subsidiaries), (c) maintenance of an asset coverage ratio of not less than 2.0:1.0, (d) maintenance of minimum liquidity standards, (e) limitations on the incurrence of additional indebtedness, (f) limitations on liens, (g) limitations on fundamental corporate changes, (h) limitations on investments, (i) limitations on payments and distributions, (j) limitations on transactions with affiliates, (k) limitations on engaging in business not contemplated by the Company's investment objectives, (l) limitations on the creation or existence of agreements that prohibit liens on properties of the Company and its subsidiaries and (m) limitations on the ability to modify long-term indebtedness. In addition to the asset coverage ratio described in clause (c) of the preceding sentence, borrowings under the Credit Facility (and the incurrence of certain other permitted debt) will be subject to compliance with a borrowing base that will apply different advance rates to different types of assets in the Company's portfolio. The Credit Facility also includes certain customary events of default, including the failure to make timely payments of principal and interest, the occurrence of a change in control and the failure by the Company to materially perform under the operative agreements governing the Credit Facility, which would permit the lenders to accelerate repayment under the Credit Facility.

The description above is only a summary of the material provisions of the Credit Facility and is qualified in its entirety by reference to the Credit Facility agreement which is filed as Exhibit 99.2.

A press release announcing the entry into the Credit Facility is furnished as Exhibit 99.1 to this Form 8-K.
