PROXY STATEMENT

This proxy statement sets forth information relating to the solicitation of proxies by the Board of Directors of General Employment Enterprises, Inc. (the Company) in connection with the Company's 2014 annual meeting of stockholders or any adjournment or postponement of the annual meeting. The annual meeting will take place on September 30, 2014 at Double Tree Suites by Hilton Tampa Bay, 3050 N. Rocky Point Dr. West, Tampa, FL 33607 at 10:00 a.m., Eastern Daylight Time.

This proxy statement and form of proxy were first sent on or about September 17, 2014, to our stockholders of record as of the close of business on September 15, 2014, the record date.

QUESTIONS AND ANSWERS ABOUT OUR ANNUAL MEETING

What is the purpose of the annual meeting?

Our 2014 annual meeting will be held for the following purposes:

To elect five (5) members of our Board of Directors (*Proposal 1*);

To ratify the appointment of Friedman LLP as our independent registered public accounting firm for 2014 (*Proposal 2*); and

To consider such other business as may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

In addition, senior management of the Company will be available to respond to your questions.

Who can vote at the annual meeting?

You can vote at the annual meeting if, as of the close of business on September 15, 2014, the record date, you were a holder of record of the Company's common stock. As of the record date, there were issued and outstanding 25,899,675 shares of common stock, each of which is entitled to one vote on each matter to come before the annual meeting.

How many shares must be present to conduct business at the annual meeting?

A quorum is necessary to hold a valid meeting of stockholders. For each of the proposals to be presented at the annual meeting, the holders of shares of our common stock outstanding on September 15, 2014, the record date, representing 12,949,838 votes must be present at the annual meeting, in person or by proxy. If you vote including by Internet, telephone or proxy card your shares voted will be counted towards the quorum for the annual meeting. Abstentions and broker non-votes are counted as present for the purpose of determining a quorum.

How do I vote?

Registered Stockholders. If you are a registered stockholder (*i.e.*, you hold your shares in your own name through our transfer agent, Continental Stock Transfer & Trust Co., referred to herein as Continental), you may vote by proxy via the Internet, by telephone, or by mail by following the instructions provided on the proxy card. Stockholders of record who attend the annual meeting may vote in person by obtaining a ballot from the inspector of elections.

Beneficial Owners. If you are a beneficial owner of shares (*i.e.*, your shares are held in the name of a brokerage firm, bank or a trustee), you may vote by proxy by following the instructions provided in the vote instruction form or other materials provided to you by the brokerage firm, bank, or other nominee that holds your shares. To vote in person at the annual meeting, you must obtain a legal proxy from the brokerage firm, bank or other nominee that holds your shares.

Will my shares be voted if I do not provide voting instructions?

If you are a stockholder of record and you properly sign, date and return a proxy card, but do not indicate how you wish to vote with respect to a particular nominee or proposal, then your shares will be voted **FOR** the election of the five nominees for director named in Proposal 1 Election of Directors, and **FOR** Proposal 2 Ratification of the Appointment of Friedman LLP as Our Independent Registered Public Accounting Firm for 2014.

Under the rules of NYSE MKT, LLC (NYSE MKT), brokerage firms have the authority to vote shares held for a beneficial owner on routine matters. Accordingly, if your shares are held of record by a brokerage firm and you do not provide the firm specific voting instructions, that firm will have the authority to vote your shares only with respect to the Proposal 2 Ratification of the Appointment of Friedman LLP as Our Independent Registered Public Accounting Firm for 2014, but your shares will not be voted and will be considered broker non-votes with respect to all other proposals described in this proxy statement. We urge you to provide voting instructions so that your shares will be voted.

Can I change my vote after I have voted?

Yes, you may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may change your vote by voting again on a later date on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the annual meeting will be counted), signing and returning a new proxy card with a later date, or attending the annual meeting and voting in person. However, your attendance at the annual meeting will not automatically revoke any prior proxy unless you vote again at the annual meeting or specifically request in writing that your prior proxy be revoked.

What is the deadline to vote?

If you hold shares as the stockholder of record, your vote by proxy must be received before the polls close at the annual meeting. If you are the beneficial owner of shares, please follow the voting instructions provided by your broker, trustee or other nominee.

What vote is required to elect directors or take other action at the annual meeting?

Proposal 1: Election of Five (5) Directors. The election of the five director nominees named in this proxy statement requires the affirmative vote of shares of common stock representing a plurality of the votes cast on the proposal at the annual meeting. This means that the five nominees will be elected if they receive more affirmative votes than any other person. You may not accumulate your votes for the election of directors. Brokers may not use discretionary authority to vote shares on the election of directors if they have not received specific instructions from their clients. For your vote to be counted in the election of directors, you will need to communicate your voting decisions to your bank, broker or other nominee before the date of the annual meeting in accordance with their specific instructions.

Proposal 2: Ratification of the Appointment of Friedman LLP as Our Independent Registered Public Accounting Firm for 2014. Ratification of the appointment of Friedman LLP as our independent registered public accounting firm for the year ending September 30, 2014 requires the affirmative vote of shares of common stock representing a majority of votes cast on the proposal at the annual meeting.

In general, other business properly brought before the annual meeting requires the affirmative vote of shares of common stock representing a majority of votes cast on such matter at the annual meeting.

How does the Board recommend that I vote?

Our Board recommends that you vote your shares **FOR** each director nominee named in this proxy statement, and **FOR** ratification of Friedman LLP as our independent registered public accounting firm.

How will the persons named as proxies vote?

If you complete and submit a proxy, the persons named as proxies will follow your instructions. If you submit a proxy but do not provide instructions, or if your instructions are unclear, the persons named as proxies will vote as recommended by our Board or, if no recommendation is given, in their own discretion.

Where can I find the results of the voting?

We intend to announce preliminary voting results at the annual meeting and will publish final results through a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (SEC) within four business days after the annual meeting. The Current Report on Form 8-K will be available on the Internet at our website, www.generalemployment.com.

Do I need a ticket to attend the annual meeting?

Yes, you will need an admission card to enter the annual meeting. You may request tickets by providing the name under which you hold shares of record or, if your shares are held in the name of a bank, broker or other holder of record, the evidence of your beneficial ownership of the shares, the number of tickets you are requesting and your contact information. You can submit your request in the following ways:

by sending an e-mail to frank.elenio@genp.com; or

by calling us at (813) 803-8276.

Stockholders also must present a form of personal photo identification in order to be admitted to the annual meeting.

Who will pay for the cost of soliciting proxies?

We will pay for the cost of soliciting proxies. Our directors, officers and other employees, without additional compensation, may solicit proxies personally, in writing, by telephone, by email or otherwise. As is customary, we will reimburse brokerage firms, fiduciaries, voting trustees, and other nominees for forwarding our proxy materials to each beneficial owner of common stock held of record by them.

What is householding and how does it affect me?

In accordance with notices to many stockholders who hold their shares through a bank, broker or other holder of record (a street-name stockholder) and share a single address, only one copy of our proxy statement and included periodic reports to stockholders is being delivered to that address unless contrary instructions from any stockholder at that address were received. This practice, known as householding, is intended to reduce our printing and postage costs. However, any such street-name stockholder residing at the same address who wishes to receive a separate copy of this

proxy statement and annual report may request a copy by contacting the bank, broker or other holder of record, or by sending a written request to: General Employment Enterprises, Inc., 184 Shuman Blvd, Suite 420, Naperville, Illinois 60563, Attn.: Chief Financial Officer or by contacting our CFO by telephone at (630) 954-0400. The voting instruction form sent to a street-name stockholder should provide information on how to request (1) householding of future Company materials or (2) separate materials if only one set of documents is being sent to a household. A stockholder who would like to make one of these requests should contact us as indicated above.

Mr. Norstrud earned a BA in Business and Accounting from Western State College and a Master of Accounting with a systems emphasis from the University of Florida. He is a Florida licensed Certified Public Accountant.

Role of the Board and Board Structure

Our business and affairs are managed under the direction of our Board, which is the Company's ultimate decision-making body, except with respect to those matters reserved to our stockholders. Our Board's primary responsibility is to seek to maximize long-term stockholder value. Our Board establishes our overall corporate policies, selects and evaluates our senior management team, which is charged with the conduct of our business, monitors the performance of the Company and management, and provides advice and counsel to management. In fulfilling the Board's responsibilities, directors have full access to our management, internal and external auditors and outside advisors.

Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the company and industry, while the management brings company-specific experience and expertise. The Board of Directors believes that a board of directors combined with independent board members and management is in the best

interest of shareholders because it promotes strategy development and execution, and facilitates information flow between management and the Board of Directors, which are essential to effective governance. The Company's Chief Executive Officer and Chairman, Mr. Schroering, resigned both positions on November 3, 2013, but remains a director. Mr. Baker assumed the position of Chairman upon Mr. Schroering's resignation.

The Board of Directors does not have a lead independent director. The Board of Directors provides overall risk oversight for the Company as part of its normal, ongoing responsibilities. It receives reports from Mr. Norstrud and other members of senior management on a periodic basis on areas of risk facing the Company. In addition, Board of Directors committees oversee specific elements of risk or potential risk.

The Board of Directors meets on a regularly scheduled basis to review significant developments affecting the Company and to act on matters requiring Board of Directors approval. It also holds special meetings when an important matter requires Board of Directors action between scheduled meetings. The Board of Directors held twenty meetings during the last fiscal year. No director of the Company attended less than 75% of the total meetings of the Board of Directors and Committees on which such Board of Directors members served during this period.

Our directors are expected to attend the annual meeting. Any director who is unable to attend the annual meeting is expected to notify the Chairman of the Board in advance of the annual meeting. Each person who was then serving as a director attended the 2013 annual meeting of stockholders.

Board Risk Oversight

Management of the risks that we face in the conduct of our business is primarily the responsibility of our senior management team. However, our Board provides overall risk oversight with a focus on the most significant risks facing the Company. Our senior management team periodically reviews with our Board any significant risks facing the Company. Our Board has delegated responsibility for the oversight of specific risks to the committees of the Board as follows:

Audit Committee. The Audit Committee oversees the policies that govern the process by which our exposure to risk is assessed and managed by management. In that role, the Audit Committee discusses with our management major financial risk exposures and the steps that management has taken to monitor and control these exposures. The Audit Committee also is responsible for reviewing risks arising from related party transactions involving the Company and overseeing our code of ethics.

Compensation Committee. The Compensation Committee monitors the risks associated with our compensation philosophy and programs.

Nominating Committee. The Nominating Committee oversees risks related to our governance structure and processes.

Our board has assessed the risks that could arise from our employee compensation policies and does not believe that such policies are reasonably likely to have a materially adverse effect on the Company.

Committees of the Board and Committee Membership

Our Board has established three separately designated standing committees to assist our Board in discharging its responsibilities: the Audit Committee, the Compensation Committee, and the Nominating Committee. Our Board may

eliminate or create additional committees as it deems appropriate. The charters for our Board committees are in compliance with applicable SEC rules and the NYSE MKT Listed Company Manual. These charters are not available on our website, but were attached to the following documents filed with the SEC: Audit Committee Charter proxy statement filed January 27, 2012; Compensation Committee Charter proxy statement filed January 28, 2010; Nominating Committee Charter proxy statement filed January 21, 2011. You may obtain a printed copy of any of these charters by sending a request to: General Employment Enterprises, Inc., 184 Shuman Blvd., Suite 420, Naperville, Illinois 60563, Attn.: Secretary.

Each committee of our Board is composed entirely of independent directors within all applicable standards (as further discussed below). Our Board's general policy is to review and approve committee assignments annually. The Nominating Committee is responsible, after consultation with our Chairman of the Board and Chief Executive Officer and consideration of appropriate member qualifications, to recommend to our Board for approval all committee assignments, including designations of the chairs. Each committee is also authorized to retain its own outside counsel and other advisors as it desires.

The following table sets forth the current membership of each of our Board's committees.

Name	Audit Committee	Compensation Committee	Nominating Committee
Jack Zwick	Chair	X	X
Thomas C. Williams	X	X	Chair
Dennis W. Baker	X	Chair	X

A brief summary of the committees' responsibilities follows:

Nominating Committee

The functions of the Nominating Committee are to assist the Board in identifying, interviewing and recommending to the Board qualified candidates to fill positions on the board. The Nominating Committee met once during 2013.

The Company does not have a policy regarding the consideration of diversity, however defined, in identifying nominees for director. Instead, in evaluating candidates to serve on the Company's Board, consideration is given to the level of experience, financial literacy and business acumen of the candidate. In addition, qualified candidates for director are those who, in the judgment of the Nominating Committee, have significant decision-making responsibility, with business, legal or academic experience. The Nominating Committee will consider recommendations for board candidates that are received from various sources, including directors and officers of the Company, other business associates and stockholders, and all candidates will be considered on an equal basis, regardless of source.

The Nominating Committee is presently composed of three non-employee directors: Thomas C. Williams (Chairman), Dennis W. Baker, and Jack Zwick.

Audit Committee

The Audit Committee is primarily concerned with the effectiveness of the Company's accounting policies and practices, its financial reporting and its internal accounting controls. In addition, the Audit Committee reviews and approves the scope of the annual audit of the Company's books, reviews the findings and recommendations of the independent registered public accounting firm at the completion of their audit, and approves annual audit fees and the selection of an auditing firm. The Audit Committee met nineteen times during fiscal 2013.

The Audit Committee is presently composed of three non-employee directors: Jack Zwick (Chairman), Dennis W. Baker and Thomas C. Williams. The Board has determined that Mr. Zwick, Mr. Baker and Mr. Williams are all considered an audit committee financial expert as defined by rules of the SEC. The Board has determined that each audit committee financial expert meets the additional independence criteria required under the listing standards of the NYSE MKT and Rule 10A-3 of the Exchange Act.

Compensation Committee

The Compensation Committee has the sole responsibility for approving and evaluating the officer compensation plans, policies and programs. It may not delegate this authority. It meets as often as necessary to

carry out its responsibilities. The Compensation Committee has the authority to retain compensation consultants, but has not done so. The Compensation Committee met seven times during fiscal 2013.

In the past, the Compensation Committee has met each September to consider the compensation of the Company's executive officers, including the establishment of base salaries and performance targets for the succeeding year, and the consideration of stock option awards. Management provides the Compensation Committee with such information as may be requested by the Compensation Committee, which in the past has included historical compensation information of the executive officers, tally sheets, internal pay equity statistics, and market survey data. Under the guidelines of the NYSE MKT, the Chief Executive Officer may not be present during the Compensation Committee's deliberations regarding his compensation. If requested by the committee, the Chief Executive Officer may provide recommendations regarding the compensation of the other officers.

The Compensation Committee also has the responsibility to make recommendations to the Board regarding the compensation of directors.

The Compensation Committee is presently composed of three non-employee directors: Dennis W. Baker (Chairman), Jack Zwick, and Thomas C. Williams.

Director Compensation

Under the Company's standard compensation arrangements each non-employee director receives a monthly retainer of \$2,000 with the exception of Mr. Baker who receives \$2,500 per month. Directors do not receive any additional compensation for attendance at meetings of the Board or its committees. Employees of the Company do not receive any additional compensation for service on the Board.

The following table sets forth information concerning the compensation of all persons who served as a director of the Company at any time during fiscal 2013.

2013 Director Compensation Table(1)

(1) The aggregate number of outstanding option awards at the end of fiscal 2012 were as follows for each of the non-employee directors: Mr. Baker 330,000; Mr. Imhoff, Jr. 315,000; Mr. Wardell 315,000; Mr. Williams 315,000. Due to a change of control, subsequent to year end, all of such options were immediately vested and exercisable.

(2)

December 19, 2012, Michael Schroering and Edward Hunter were awarded 15,000 options at an exercise price of \$0.40 per share and were immediately exercisable.

The compensation of our directors is subject to the approval of our Board, which is based, in part, on the review and recommendation of the Compensation Committee.

Corporate Code of Ethics

We have a Code of Ethics that applies to all directors and employees, including our senior management team. The Code of Ethics is designed to deter wrongdoing, to promote the honest and ethical conduct of all employees and to promote compliance with applicable governmental laws, rules and regulations. We intend to satisfy the disclosure requirements under applicable SEC rules relating to amendments to the Code of Ethics or waivers from any provision thereof applicable to our principal executive officer, our principal financial officer and principal accounting officer by posting such information on our website pursuant to SEC rules.

Our Code of Ethics was attached as an exhibit to our Form 10-K filed with the SEC on March 29, 2013. In addition, you may obtain a printed copy of the Code of Ethics, without charge, by sending a request to: General Employment Enterprises, Inc., 184 Shuman Blvd., Suite 420, Naperville, Illinois 60563, Attn.: Secretary.

Director Independence

Our Board is responsible to make independence determinations annually with the assistance of the Nominating Committee. Such independence determinations are made by reference to the independence standard under the definition of independent director under the NYSE MKT Listed Company Manual. Our Board has affirmatively determined that each person who served as a director during any part of 2013, except Mr. Schroering, satisfies the independence standards under the NYSE MKT Listed Company Manual.

In addition to the independence standards provided in the NYSE MKT Listed Company Manual, our Board has determined that each director who serves on our Audit Committee satisfies standards established by the SEC providing that, in order to qualify as independent for the purposes of membership on that committee, members of audit committees may not (1) accept directly or indirectly any consulting, advisory or other compensatory fee from the Company other than their director compensation or (2) be an affiliated person of the Company or any of its subsidiaries. The Board has also determined that each member of the Compensation Committee satisfies the newly-adopted NYSE MKT standards for independence of Compensation Committee members, which became effective on July 1, 2013.

Director Selection Process

As provided in its charter, the Nominating Committee is responsible to recommend to our Board all nominees for election to the Board, including nominees for re-election to the Board, in each case after consultation with the Chairman of the Board. The Nominating Committee considers, among other things, the level of experience, financial literacy and business acumen of the candidate. In addition, qualified candidates for director are those who, in the judgment of the Nominating Committee, have significant decision-making responsibility, with business, legal or academic experience, and other disciplines relevant to the Company's businesses, the nominee's ownership interest in the Company, and willingness and ability to devote adequate time to Board duties, all in the context of the needs of the Board at that point in time and with the objective of ensuring diversity in the background, experience, and viewpoints of Board members.

The Nominating Committee may identify potential nominees for election to our Board from a variety of sources, including recommendations from current directors and officers, recommendations from our stockholders or any other source the committee deems appropriate.

Our stockholders can nominate candidates for election as director by following the procedures set forth in our Bylaws, which are summarized below. We did not receive any director nominees from our stockholders for the annual meeting.

Our Bylaws provide that any stockholder entitled to vote in the election of directors generally may make nominations for the election of directors to be held at an annual meeting, provided that such stockholder has given actual written notice of his intent to make such nomination or nominations to the Secretary of the Company

not less than ninety days nor more than one hundred twenty days prior to the anniversary date of the immediately preceding annual meeting. Compensation Policies and Procedures

Overview

Our executive officer compensation programs are administered by the Compensation Committee of our Board (referred to as the Committee in this section). The primary purposes of the Committee are, among other things: (i) to assist our Board in fulfilling its responsibilities relating to the compensation of the Chief Executive Officer and the other executive officers of the Company, (ii) to oversee the administration of the Company's compensation plans, in particular its incentive compensation and equity-based plans, and (iii) to review and make recommendations to our Board concerning director compensation.

For the fiscal year ended September 30, 2012, our named executive officers or NEOs were: Mr. Salvatore J. Zizza (Chief Executive Officer and Chairman of the Board until December 26, 2012); Brad Imhoff (Chief Operating Officer and President of Professional Staffing Division until July 15, 2013); Andrew J. Norstrud (Chief Financial Officer until November 2013 and Chief Executive Officer since November 2014) and Michael J. Schroering (Chief Executive Officer until November 2014).

Philosophy and Objectives of Our Executive Compensation Program

Our philosophy on executive compensation is to align the interests of our executive management with the interests of our stockholders and to ensure that the total compensation paid to our executive officers is reasonable and competitive. The three key objectives of our executive compensation program are:

Align executive compensation with stockholder value. Within our overall compensation strategy, we utilize long-term equity-based compensation and annual cash incentives to align financial interests and objectives of our NEOs with those of our stockholders.

Attract, retain and motivate high-performing executive talent. We operate in a competitive employment environment and exceptional executive talent is essential to achieving our growth goals. The compensation offered to our NEOs is designed to attract and motivate the NEOs to maximize our performance and deliver on our long-term strategy.

Link pay to performance. Our compensation program is designed to provide a strong correlation between the performance of the NEOs and the compensation they receive. We accomplish this linkage by including compensation elements that reward our NEOs based on their overall performance.

Process for Determining Executive Compensation

The total compensation package for each of our NEOs reflects assessments of individual responsibilities, contributions to corporate performance and overall company success in reaching strategic goals.

Role of Compensation Committee

Pursuant to its charter, the Committee is responsible for administering the Company's executive compensation program in a manner consistent with our compensation philosophy. The Committee is tasked with setting performance goals for NEOs and reviewing all other compensation and benefits for NEOs on an ongoing basis. The Committee acts independently, but works closely with our Board and the senior leadership team in making many of its decisions.

During 2013, the Committee was comprised entirely of non-employee directors, none of whom has at any time been an officer or employee of the Company. Further, our Board has determined that each member of the Committee is: (i) independent as defined under the newly-adopted NYSE MKT standards for independence of Compensation Committee members under the NYSE MKT Listed Company Manual, which became effective on July 1, 2013, (ii) a non-employee director for purposes of Rule 16b-3 of the Exchange Act, and (iii) an outside director for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

Role of Management

Executive management and the Committee work together to establish, review and evaluate compensation packages and policies. Executive management provides input into the design of our pay program. However, the Committee carefully and independently reviews the recommendations of management, without members of management present, before making its final determination. We believe such a process ensures that our executive compensation program effectively aligns with our compensation philosophy.

Other Compensation-Related Items

Employment Agreements

We generally enter into an employment agreement with each of our NEOs at, or shortly after, the time of engagement. We believe that it is in the best interests of the Company to enter into multi-year employment agreements with our executive officers, because the agreements provide an incentive for long-term retention, while still allowing the Committee to exercise discretion in designing incentive compensation programs. The material compensation-related terms of these agreements are discussed in the tables that follow and the narratives related thereto.

Equity Ownership Requirements

We believe that maintaining equity ownership in the Company will help align our NEOs' interests with the interests of our stockholders. Accordingly, we have structured the equity grants to our NEOs to promote ownership in the Company by adopting a multi-year vesting schedule. The Company does not presently have a stock ownership policy that is applicable to our NEOs, but the Committee may adopt such a policy in the future.

Conclusion

The Committee believes that our compensation programs appropriately reward executive performance and align the interests of our NEOs and key employees with the long-term interests of our stockholders, while also enabling the Company to attract and retain talented executives. The Committee will continue to evolve and administer our compensation program in a manner that the Committee believes will be in the best interests of our stockholders.
