Item 1.01. Entry into a Material Definitive Agreement.

Eagle Ford Acquisition

On September 24, 2014, Atlas Resource Partners, L.P. (the Partnership), directly and through its wholly-owned subsidiary, ARP Eagle Ford, LLC (ARPEF), and together with its affiliate, Atlas Growth Eagle Ford, LLC (AGEF and together with ARPEF, Purchaser), entered into a definitive Purchase and Sale Agreement (the Purchase Agreement) with Cima Resources, LLC and Cinco Resources, Inc. (together, the Seller).

The Purchase Agreement provides for the acquisition (the Acquisition) of certain of Seller's oil and gas interests in Atascosa County in Texas (the Assets) for \$340 million, of which \$200 million will be paid by the Partnership upon closing of the Acquisition, subject to certain purchase price adjustments, and \$140 million will be paid over the four quarters following closing. The Partnership will pay \$25 million of the deferred portion of the purchase price in three quarterly installments beginning March 31, 2015, and AGEF will pay \$115 million of the deferred portion purchase price in four quarterly installments following closing. The Partnership provided a guaranty to the Seller of timely payment of the deferred portion of the purchase price that is to be paid by AGEF. Pursuant to the Shared Acquisition and Operating Agreement dated as of September 24, 2014 (the Operating Agreement) between ARPEF and AGEF, the Partnership will have the right to receive some or all of the Assets acquired by AGEF in the event of AGEF's failure to contribute its portion of any deferred payments. ARPEF and AGEF will each become operator of its respective portion of the Assets after the Acquisition. The transaction is expected to close in the last quarter of 2014, with an effective date of July 1, 2014. The purchase price adjustments include, among others, reductions for, subject to certain exceptions and limitations: the allocated value of certain Assets with respect to which third-party consents are not received within the required period and the value of title defects and environmental defects with respect to the Assets.

The Purchase Agreement contains customary representations and warranties of the parties and covenants of the parties. The closing of the Acquisition is subject to certain closing conditions, including, among others, that certain joint operating agreements of Seller will be terminated and the related interests released. The Purchase Agreement also provides for the parties to indemnify each other with respect to certain matters following the closing. The Purchase Agreement provides for certain termination rights, including, among others, the right of Purchaser or Seller to terminate (i) if closing has not occurred by December 15, 2014, so long as the terminating party's breach of the Agreement is not the principal cause of the closing not occurring by the specified date, (ii) if the reduction in the purchase price for title and environmental defects and casualty losses is greater than 10% of the unadjusted purchase price, or (iii) if either party materially breaches the Purchase Agreement and fails to cure such breach within 10 days. In addition, Purchaser may terminate if the Partnership has not met certain financing requirements, in amounts and on terms satisfactory to the Partnership.

The foregoing description of the Purchase Agreement, the Operating Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of such agreements, filed as Exhibits 2.1 and 2.2, respectively, to this Current Report, which is incorporated herein by this reference.

Credit Agreement Amendment

On September 24, 2014 (the Effective Date), the Partnership entered into a Fourth Amendment to the Second Amended and Restated Credit Agreement (the Fourth Amendment) with Wells Fargo Bank, National Association, as administrative agent, and the lenders party thereto, which amendment amends the Second Amended and Restated Credit Agreement (the Credit Agreement) dated July 31, 2013 among the Partnership, as borrower, the administrative agent and the lenders party thereto.

The Fourth Amendment was entered into in connection with the Acquisition. Among other things, the Fourth Amendment:

amends the investment covenant to permit the guarantee by the Partnership of certain deferred purchase price obligations and contingent indemnity obligations of AGEF, its parent and its subsidiaries, in the Purchase Agreement, provided (i) the aggregate amount of the deferred purchase price obligations shall not exceed \$115,000,000, (ii) the Partnership shall have received, from and after the Effective Date through and including the closing date of the Acquisition, either (A) net cash proceeds from the issuance of its equity interests and the issuance of unsecured senior notes in an aggregate amount not less than \$125,000,000 (of which not less than \$75,000,000 shall be net cash proceeds from the issuance of its equity interests) or (B) net cash proceeds from the issuance of its equity interests in an aggregate amount not less than \$115,000,000, which net cash proceeds shall, in either case, be used to satisfy a portion of the non-deferred purchase price obligations in connection with the Acquisition, (iii) ARP may not make any cash payments in respect of any deferred purchase price or contingent indemnity obligations under the Purchase Agreement unless the Partnership has unused availability under its Credit Agreement borrowing base in an amount not less than \$75,000,000 after giving effect to any such payment, and (iv) certain other conditions are met; and

amends the swap agreement covenant to permit, with certain constraints, swap agreements entered into by the Partnership and the restricted subsidiaries under the Credit Agreement (Restricted Subsidiaries) fixing prices on crude oil expected to be produced by the Partnership and the Restricted Subsidiaries from proved developed producing oil and gas properties to be acquired pursuant to the Purchase Agreement.

This summary of the Fourth Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Fourth Amendment, filed as Exhibit 10.1 to this Current Report, which is incorporated herein by this reference.

Pursuant to the Underwriting Agreement, the Partnership granted the Underwriters a 30-day option to purchase up to an additional 480,000 Class D Units (together with the Firm Units, the Units) on the same terms as the Firm Units. The Partnership will pay cumulative distributions in cash on the Units on a quarterly basis at a rate of \$2.15625 per unit, or 8.625% of the liquidation preference, per year.
