A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

The information in this Item 2.02, including the Company's financial results for the fiscal quarter ended September 28, 2014 included in Exhibit 99.1, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities under that section. Item 2.05 Costs Associated with Exit or Disposal Activities.

On November 6, 2014, the Company announced a plan to reduce its general and administrative expenses. The plan includes a realignment and reinvestment of resources to focus primarily on accelerated restaurant development and consumer-facing restaurant technology to drive long-term growth. The Company expects to achieve the majority of the expense reductions through the realignment of its U.S. field operations and savings at its Restaurant Support Center in Dublin, Ohio. As a result, the Company expects to incur total costs aggregating approximately \$20 million to \$25 million primarily in the fourth quarter of 2014 and first half of 2015, comprised of severance and related employee costs of approximately \$17 million to \$20 million and recruiting and relocation costs of approximately \$3 million to \$5 million. The Company expects that substantially all of these costs will be cash expenditures.

The cost estimates set forth in this Item 2.05, and in the press release attached hereto as Exhibit 99.1, constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. The forward-looking statements are based on the Company's expectations at the time such statements are made, speak only as of the dates they are made and are susceptible to a number of risks, uncertainties and other factors. The Company's actual costs may differ materially from expected costs. The Company is unable at this time in good faith to predict the ultimate costs associated with the general and administrative expense reduction plan, or the future impact on the Company's earnings. These risks are in addition to the other risks cited in the Company's news releases, public statements and/or filings with the Securities and Exchange Commission, including those identified in the Risk Factors sections of the Company's Forms 10-K and 10-Q.
