Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 24, 2015, the Board of Directors (the Board) of Advanced Emissions Solutions, Inc. (the Company) approved the elimination of the position of Chief Accounting Officer (the CAO), and Rachel A. Smith, who held such position, resigned from her employment with the Company effective March 2, 2015. Under the direction of L. Heath Sampson, the Company's Chief Financial Officer (the CFO), the Company continues to build out its Finance and Accounting team including the appointments of a Corporate Controller, Director of SEC Reporting and Technical Accounting and Vice President of Information Technology. The elimination of the CAO position was a natural progression of this process, and the CFO will now assume all duties and responsibilities previously assigned to the CAO and will be the Company's principal accounting officer. Ms. Smith will resume her full-time position as President of Smith Financial Consulting.

On February 24, 2015, the Board approved the addition of those duties and responsibilities previously assigned to the Company's Chief Operating Officer, which position no longer exists, to the current duties and responsibilities of the Company's Executive Vice President, Jonathan R. Lagarenne, who will now be the Company's principal operating officer. Mr. Lagarenne's title and compensation will remain the same at this time. Mr. Lagarenne, 55, was appointed as Executive Vice President of the Company in May 2012 and since June 2014 his responsibilities have also included serving as President of ADA-ES, Inc. and Executive Vice President of BCSI, LLC both wholly-owned operating subsidiaries of the Company. Mr. Lagarenne holds a B.S. degree in chemical engineering, with honors, from the University of Virginia and a J.D. degree from Rutgers School of Law. Prior to his employment with the Company, he was a partner with the law firm Fox Rothschild LLP from 2005 to 2012. Prior to 2005, Mr. Lagarenne held positions in private practice as an attorney, as a member of the Board of Directors of Turbosonic Technologies, as both the Chief Executive Officer and Chief Operating Officer of Hamon Corporation, and as Vice President and General Counsel of Research-Cottrell, Inc. He has no family relationships with any other officer or director of the Company and has not been a party to a related party transaction pursuant to Item 404(a) of Regulation S-K since January 1, 2014.
