Item 7.01 Other Events.

On March 3, 2015, Alere Inc. (the Company) filed a Form 12b-25 with the Securities and Exchange Commission (SEC) disclosing that it requires additional time to complete its Annual Report on Form 10-K for the year ended December 31, 2014 and that it intends to file the report with the SEC within the fifteen-day extension period. The delay in completing the financial statements is attributable to the finalization of the Company's accounting treatment for the tax effects of the Company's recent divestiture of its health management business on January 9, 2015.

The Company previously disclosed its unaudited results for the year ended December 31, 2014 in its press release dated February 10, 2015, Alere Inc. Announces Fourth Quarter 2014 Results. Aside from the effects of the tax accounting for the divestiture, including their related effects on net loss and earnings per share, no other changes to amounts previously disclosed are anticipated. The effects of the tax accounting for the divestiture are not expected to impact the non-GAAP adjusted financial results previously disclosed.
