- .. Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14d-2(b))
- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

**Item 1.01. Entry into a Material Agreement.**

On March 16, 2015, EPR Properties (the Company ) and certain of its subsidiaries, as guarantors (the Guarantors ), completed the public offering of \$300,000,000 aggregate principal amount of the Company's 4.500% Senior Notes due 2025 (the Notes ). The Notes have been registered under the Securities Act of 1933, as amended (the Securities Act ), pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-189023), as supplemented by the prospectus supplement dated March 9, 2015, previously filed with the Securities and Exchange Commission under the Securities Act.

The Notes were issued (and the guarantees delivered) pursuant to an indenture, dated as of March 16, 2015 (the Indenture ), among the Company, the Guarantors and UMB Bank, n.a., as trustee (the Trustee ).

The Notes are senior unsecured obligations of the Company and are guaranteed (the Guarantees ) by each of its subsidiaries that guarantee the Company's unsecured revolving credit facility, unsecured term loan facility, and existing 7.750% Senior Notes due 2020, 5.750% Senior Notes due 2022 and 5.250% Senior Notes due 2023 (collectively, the Existing Notes ). The Notes and the Guarantees rank equally in right of payment with all of the Company's and the Guarantors' existing and future senior indebtedness, including the Company's unsecured revolving credit facility, unsecured term loan facility and the Existing Notes, and rank senior in right of payment to any of the Company's and the Guarantors' existing and future indebtedness that is subordinated to the Notes. The Notes are effectively subordinated to all of the Company's and the Guarantors' existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness. The Notes and the Guarantees are structurally subordinated to all liabilities of any of the Company's subsidiaries that do not guarantee the Notes.

The Notes accrue interest at a rate of 4.500% per year from March 16, 2015, payable semi-annually in arrears, until maturity or earlier redemption. The Company will pay interest on the Notes on April 1 and October 1 of each year, beginning October 1, 2015, to holders of record on the preceding March 15 and September 15, as the case may be. Interest will be calculated on the basis of a 360-day year of twelve 30-day months. The Notes will mature on April 1, 2025 (the Maturity Date ), unless earlier redeemed by the Company at its option.

The Company may redeem some or all of the Notes at a redemption price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest, up to, but excluding, the applicable redemption date, plus a make-whole premium. If the Notes are redeemed on or after 90 days prior to the Maturity Date, the redemption price will be 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest, up to, but excluding, the redemption date.

The Company and its restricted subsidiaries are subject to certain negative covenants under the Indenture. The provisions of the Indenture limit the Company's and its restricted subsidiaries' ability to, among other things, (i) incur additional indebtedness and (ii) consolidate, merge or transfer substantially all of their assets. The Company and its restricted subsidiaries must also maintain total unencumbered assets of at least 150% of their unsecured debt.

The Indenture also contains customary events of default. In the case of an event of default resulting from certain events of bankruptcy, insolvency or reorganization, the principal of and accrued and unpaid interest, if any, on all outstanding Notes will become due and payable immediately without further action or notice. If any other event of default under the Indenture occurs and is continuing, the Trustee or holders of not less than 25% in principal amount of the then outstanding Notes may declare all of the Notes due and payable immediately.

The foregoing descriptions of the Indenture and the Notes do not purport to be complete and are subject to, and qualified in their entirety by, reference to the Indenture and form of Note, which are attached hereto as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The information included under Item 1.01 hereof is incorporated by reference in this Item 2.03.

**Item 9.01 Financial Statements and Exhibits.**
