**Item 1.01 Entry into a Material Definitive Agreement**

On March 26, 2015, Windstream Holdings, Inc. ( Windstream Holdings ) and its wholly-owned subsidiary Windstream Services, LLC ( Windstream Subsidiary ) and, together with Windstream Holdings, Windstream ) entered into a Separation and Distribution Agreement (the Separation Agreement ) with Communications Sales & Leasing, Inc., a wholly owned subsidiary of Windstream Subsidiary ( CS&L ). The Separation Agreement was entered into in connection with Windstream s previously announced spin-off of CS&L, which is more fully described in the preliminary information statement (the Information Statement ) included as Exhibit 99.1 to CS&L s Registration Statement on Form 10 (File No. 001-36708) filed with the U.S. Securities and Exchange Commission. The Separation Agreement contains the key provisions relating to the separation of CS&L s business from Windstream. It also contains other agreements that govern certain aspects of CS&L s relationship with Windstream that will continue after the spin-off. A summary of the material terms of the Separation Agreement is set forth in the Information Statement under Our Relationship with Windstream Following the Spin-Off Separation and Distribution Agreement, and is incorporated by reference herein. The description is qualified in its entirety by the agreement filed with this Current Report on Form 8-K as Exhibit 2.1, which is incorporated by reference herein.

**Item 7.01 Regulation FD Disclosure**

On March 26, 2015, Windstream issued a press release relating to the separation of CS&L s business from Windstream. A copy of the press release is attached hereto as Exhibit 99.1. The information contained in this Item 7.01 to this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed filed with the Securities and Exchange Commission nor incorporated by reference into any registration statement filed by Windstream under the Securities Act of 1933, as amended.

**Item 8.01 Other Events.**

On March 25, 2015, the board of directors of Windstream Holdings set a record date of 5:00 p.m., Eastern time, on April 10, 2015, for the spin-off of CS&L. Windstream Holdings stockholders will receive one share of CS&L common stock for every five shares of Windstream Holdings common stock held as of 5:00 p.m. Eastern time on the record date. No fractional shares will be distributed in connection with the spin-off. A cash payment will be made in lieu of any fractional shares.

The spin-off is expected to occur on April 24, 2015. The spin-off is conditioned on the satisfaction or waiver of each of the conditions set forth in the Separation Agreement as described in the Information Statement. Immediately following the distribution of CS&L shares, Windstream Holdings will effect a 1-for-6 reverse stock split.

In addition, conditioned on the closing of the spin-off, Windstream Holdings will make a cash distribution equivalent to a pro-rated \$.25 quarterly dividend to Windstream Holdings shareholders of record as of 5 p.m. EDT on April 10, 2015. Assuming the spin off closes on April 24, 2015, the cash distribution would be \$.06, and the company would expect to make the payment on April 24, 2015.

**Cautionary Statement Regarding Forward Looking Statements**

Windstream claims the protection of the safe-harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to uncertainties that could cause actual future events and results to differ materially from those expressed in the forward-looking statements. Forward-looking statements include, but are not limited to, statements regarding the completion of the transaction, the effective date of the distribution and other transaction dates, the expected benefits of the transaction, and the pro forma dividend for each company. Such statements are based on estimates, projections, beliefs, and assumptions that Windstream

believes are reasonable but are not guarantees of future events and results. Actual future events and results of Windstream may differ materially from those expressed in these forward-looking statements as a result of a number of important factors.

Factors that could cause actual results to differ materially from those contemplated in Windstream's forward-looking statements include, among others: (i) risks related to the anticipated timing of the proposed separation, the expected tax treatment of the proposed transaction, the ability of each of Windstream (post-spin) and CS&L to conduct and expand their respective businesses following the proposed spinoff, the ability of Windstream to reduce its debt by the currently-anticipated amounts, and the diversion of management's attention from regular

business concerns; (ii) the risk that the conditions to the spinoff, including financing of the transaction, are not satisfied; and (iii) those additional factors under Risk Factors in Item 1A of Part I of Windstream's Annual Report on Form 10-K for the year ended Dec. 31, 2014, and in subsequent filings with the SEC at [www.sec.gov](http://www.sec.gov).
