Item 4 is supplemented as follows:

Securities Purchase Agreement

On June 24, 2016, the Issuer entered into a securities purchase agreement (the Purchase Agreement) with Coliseum Holdings I, LLC (CH1), a special purpose vehicle used by the Reporting Persons to acquire the Series A Preferred Stock. Pursuant to the terms of the Purchase Agreement, the Issuer issued and sold to CH1 in a private placement (the Private Placement) 700,000 shares of Series A Preferred Stock at a purchase price per share of \$100.00 for gross proceeds of \$70 million.

Certificate of Designations

Pursuant to the Certificate of Designations of Series A Preferred Stock (the Certificate of Designations), the Series A Preferred Stock may be converted into Common Shares, subject to certain conditions. Until stockholder approval as required under the listing standards of the NYSE and approval of the applicable educational regulatory agencies (including without limitation the Department of Education) (collectively, Required Approvals) in connection with the Private Placement is obtained, the Series A Preferred Stock beneficially owned by the holders of Series A Preferred Stock and their respective affiliates may only be converted into Common Shares to the extent that, after giving effect to such conversion, the amount of Common Shares the holder thereof together with its affiliates would beneficially own pursuant to such conversion, in the aggregate, is less than or equal to 4.99% of the Common Shares outstanding on the date of issuance of the Series A Preferred Stock (the Conversion Cap). The Conversion Cap will not apply to the Series A Preferred Stock once the Issuer obtains the Required Approvals.

SCHEDULE 13D

CUSIP No. 913915104

Page 12 of 15 Pages

The Series A Preferred Stock will be entitled to vote with the holders of Common Shares (and any other class or series similarly entitled to vote with the holders of Common Shares) and not as a separate class, at any annual or special meeting of stockholders of the Issuer, and may act by written consent in the same manner as the holders of Common Shares, on an as-converted basis, provided that prior to the receipt of the Required Approvals, the voting power of the Series A Preferred Stock beneficially owned by each holder of Series A Preferred Stock together with its respective affiliates, will not to exceed 4.99% of the aggregate voting power of all of the Issuer's voting stock outstanding on the date of issuance of the Series A Preferred Stock (the Voting Cap). The holders of Series A Preferred Stock are also entitled to consent to certain matters, as more fully described in the Certificate of Designations.

Dividends on the Series A Preferred Stock are noncumulative and accrue from the date of the original issuance at a rate of 7.5% per annum on the liquidation preference then in effect (a Cash Dividend). As of the date of issuance of the Series A Preferred Stock, the liquidation preference is equal to \$100.00, which may be adjusted from time to time by the accrual of Accrued Dividends (as defined below). If the Issuer does not declare and pay a Cash Dividend, the liquidation preference on the Series A Preferred Stock will be increased to an amount equal to the liquidation preference in effect at the start of the applicable dividend period, plus an amount equal to such then-applicable liquidation preference multiplied by 9.5% per annum (an Accrued Dividend).

If the Issuer is required or elects to obtain the Required Approvals, and if such approval are not obtained within the time periods set forth in the Certificate of Designations, the dividend rate with respect to Cash Dividends and Accrued Dividends will increased to a rate of 12.5% and 14.5%, respectively, subject to downward adjustment upon obtaining the Required Approvals.

The foregoing summary of the Purchase Agreement and Certificate of Designations is qualified in its entirety by the Purchase Agreement, a copy of which is filed as Exhibit 2 to this Amendment and incorporated herein by reference, and by the Certificate of Designations, a copy of which is filed as Exhibit 3 to this Amendment and incorporated herein by reference.

Registration Rights Agreement

On June 24, 2016, the Issuer and the CH1 entered into a registration rights agreement (the Registration Rights Agreement) that will, among other things and subject to certain exceptions, require the Issuer, upon the request of the holders of the Series A Preferred Stock to register the Common Shares issuable upon conversion of the Series A Preferred Stock. Pursuant to the terms of the Registration Rights Agreement, these registration rights will not become effective until twelve months after the closing date of the Private Placement and the costs incurred in connection with such registrations will be borne by the Issuer.

The foregoing summary of the Registration Rights Agreement is qualified in its entirety by the Registration Rights Agreement, a copy of which is filed as Exhibit 4 to this Schedule 13D and incorporated herein by reference.

Appointment of Christopher Shackelton as Director

In connection with the entry into the Purchase Agreement, the Issuer will appoint Christopher Shackelton to its board of directors. Mr. Shackelton's initial term as director will run until the next annual meeting of the Issuer's stockholders at which members of its board of directors are elected.

The Reporting Persons acquired the Series A Preferred Stock and the Common Shares (collectively, the Securities) for investment purposes, and such purposes were made in the Reporting Persons' ordinary course of business. In pursuing such investment purposes, the Reporting Persons may further purchase, hold, vote, trade, dispose or otherwise deal in the Securities at times, and in such manner (including pursuant to hedging transactions), as they deem advisable to benefit from changes in market prices of the Securities, changes in the Issuer's operations, business strategy or prospects, or from a sale or merger of the Issuer. To evaluate such alternatives, the Reporting Persons routinely will monitor the Issuer's operations, prospects, business development, management, competitive and strategic matters, capital structure and prevailing market conditions, as well as alternative investment opportunities, liquidity requirements of the Reporting Persons and other investment considerations. Consistent with their investment research methods and evaluation criteria, the Reporting Persons may discuss such matters with management or directors of the Issuer, other stockholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals, sources of credit and other investors. Such factors and discussions may materially affect, and result in, the Reporting Persons' modifying their ownership of the Securities, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements, proposing changes in the Issuer's operations, governance or capitalization or in proposing one or more of the other actions described in paragraphs (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons reserve the right to formulate other plans and/or make other proposals and take such actions with respect to their investment in the Issuer, including any or all of the actions set forth in paragraphs (a) through (j) of Item 4 of Schedule 13D or acquire additional Securities or dispose of all or some of the Securities beneficially owned by them, in public market or privately negotiated transactions. The Reporting Persons may at any time reconsider and change their plans or proposals relating to the foregoing.

Item 5 is amended and restated in its entirety as follows:

- (a) (b) The information relating to the beneficial ownership of the Common Shares by each of the Reporting Persons set forth in Rows 7 through 13 of the cover pages hereto is incorporated herein by reference. - (c) See Item 4 above.
- (d) Except as set forth in Item 6 hereof, no person other than the Reporting Persons is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Series A
