Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On September 13, 2016, the Board of Directors (the Board) of Starbucks Corporation (the Company or Starbucks) amended and restated the Company's Amended and Restated Bylaws (the Bylaws) to implement proxy access, effective immediately. Following a majority shareholder vote on a proxy access proposal at the Company's 2016 Annual Meeting of Shareholders, the Company contacted shareholders collectively holding over 30% of the Company's stock to discuss potential proxy access bylaw provisions. Through this engagement, the Company gained valuable feedback from its shareholders regarding specific terms that they view as appropriate for proxy access, allowing the Board to implement terms which it believes will provide meaningful proxy access for shareholders while limiting the potential for abuse and advancing the long-term interests of Starbucks and its shareholders.

The Bylaws include a new Article IA that permits a shareholder, or a group of up to 20 shareholders, owning at least three percent of the Company's outstanding stock continuously for at least three years to nominate and include in the Company's annual meeting proxy materials director nominees constituting up to the greater of two directors or twenty percent of the Board, provided that the shareholders and nominees satisfy the requirements specified in the Bylaws.

The Bylaws also contain conforming, clarifying, and updating changes to Sections 1.3, 1.10, and 1.11 related to the advance notice requirements for nominations and business proposed by shareholders at annual and special meetings of shareholders, as well as non-substantive changes to Section 1.6.

The foregoing description is qualified in its entirety by reference to the full text of the Bylaws, which is attached hereto as Exhibit 3.1.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.

Exhibit No.	Description
3.1	Amended and Restated Bylaws of Starbucks Corporation, effective September 13, 2016

SIGNATURES
