April 26, 2017

Dear Fellow Stockholders:

You are cordially invited to attend the 2017 Annual Meeting of Stockholders (the Annual Meeting) of Abercrombie & Fitch Co. (the Company) to be held at 10:00 a.m., Eastern Daylight Time, on Thursday, June 15, 2017, at our offices located at 6301 Fitch Path, New Albany, Ohio 43054. We hope that you will be able to attend and participate in the Annual Meeting, at which time we will have the opportunity to review the business and operations of our Company.

Details of the business to be conducted at the Annual Meeting are provided in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement, which you are urged to read carefully.

We have elected to take advantage of Securities and Exchange Commission (SEC) rules that allow us to furnish proxy materials to certain stockholders on the Internet. On or about the date of this letter, we began mailing a Notice of Internet Availability of Proxy Materials (the Notice) to stockholders of record at the close of business on April 17, 2017. At the same time, we provided those stockholders with access to our online proxy materials and filed our proxy materials with the SEC. We believe furnishing proxy materials to our stockholders on the Internet will allow us to provide our stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of the Annual Meeting. If you have received the Notice, you will not receive a printed copy of the proxy materials unless you request it by following the instructions for requesting such materials contained in the Notice.

It is important that your shares be represented at the Annual Meeting whether or not you are personally able to attend. Accordingly, after reading the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement, please promptly submit your proxy by telephone, Internet or mail as described in the Proxy Statement. If you submit your proxy over the Internet, you will have the opportunity to agree to receive future stockholder documents electronically via e-mail, and we encourage you to do so.

If you have any questions or require any assistance with voting your shares, please contact Innisfree M&A Incorporated, our proxy solicitor, toll-free at (888) 750-5834 or directly at (412) 232-3651. Banks and brokers may call collect at (212) 750-5833.

Continued, Multi-Year Transition of Abercrombie & Fitch Leadership

From December 2014 to January 2017, the Company did not have a Chief Executive Officer or an Interim Chief Executive Officer. During this time, the Company was under the leadership of the Office of the Chairman, which was formed in December 2014 to allow for effective management of the Company during a transition in leadership. The Office of the Chairman consisted of senior leadership at the Company and was led by Arthur C. Martinez, the Executive Chairman of the Board, in his capacity as a representative of the Board of Directors of the Company (the Board). The Office of the Chairman was responsible for overseeing and providing strategic direction to management.

Table of Contents

On January 30, 2017, the Board approved the following leadership changes, effective February 1, 2017:

appointed Fran Horowitz to serve as the Chief Executive Officer of the Company and to serve on the Board and as a member of the Executive Committee of the Board;

appointed Joanne C. Crevoiserat to serve as the Chief Operating Officer of the Company, in addition to her role as Executive Vice President and Chief Financial Officer of the Company;

dissolved the Office of Chairman; and

provided that all officers of the Company who had reported to Mr. Martinez while he was leading the Office of the Chairman in his capacity as the representative of the Board, would now report directly to Ms. Horowitz.

The Board also determined that it would be in the best interest of the Company for Mr. Martinez to continue to serve as Executive Chairman of the Board, in conjunction with the appointment of Ms. Horowitz as the Chief Executive Officer of the Company, until such date as may be later determined by the Nominating and Board Governance Committee and the Board. In connection with his continued service as the Executive Chairman of the Board, on February 15, 2017, the Board, based on a recommendation from the Nominating and Board Governance Committee, delegated additional duties to Mr. Martinez as permitted under the Company's Corporate Governance Guidelines.

On March 27, 2017, the Board appointed Terry L. Burman to serve as Lead Independent Director. Mr. Burman has specific duties and responsibilities that are intended to provide independent Board leadership complementing that of Mr. Martinez as the Executive Chairman of the Board.

Fiscal 2016 Financial Results

Our financial results for Fiscal 2016 fell short of our expectations during what was, and continues to be, a challenging operating environment for our industry. That said, our efforts to create a more customer-centric and consistent voice, product and experience for the Hollister brand have been well received by consumers and contributed to the brand's comparable store sales growth in the fourth quarter. While our efforts to revitalize the Abercrombie brand have not yet met the same success, the lessons learned at Hollister are now being applied at the Abercrombie brand as well.

Fiscal 2016 also marked significant progress across a number of our strategic priorities for both brands. We continued to make significant investments in our product, stores, people and processes with the aim to better position the Company for improved future performance. Efforts to improve consumer engagement have allowed us to better understand what inspires our customers and have informed efforts to evolve the identities for each of our brands, as well as allowing us to improve product assortment and merchandising. Store closures and remodels, channel optimization initiatives, and ongoing investments in direct-to-consumer and omnichannel capabilities have kept us nimble in, and responsive to, the evolving retail landscape.

For Fiscal 2017, we continue to manage the business with an eye toward disciplined investment across these strategic priorities — balancing top-line growth initiatives with efforts to improve operating efficiency that will drive incremental bottom-line results.

Table of Contents**Election of Directors to One-Year Term**

Director Election: Ten directors are to be elected at the Annual Meeting. Each director nominee is to be elected to our Board for a one-year term and will be eligible for re-election to our Board in 2018.

Majority Voting Standard Applies: The Annual Meeting is expected to be uncontested with respect to the election of directors. As a result, each director nominee must be elected by a majority of the votes cast (*i.e.*, the votes cast for such nominee's election must exceed the votes cast against such nominee's election). Broker non-votes and abstentions will not be treated as votes cast.

Upon the unanimous recommendation of the Nominating and Board Governance Committee, the Board has unanimously nominated the following nominees for election as directors at the Annual Meeting:

Other Company Proposals

Advisory Vote on the Frequency of Future Advisory Votes on Executive Compensation: We are asking stockholders to support our recommendation of the continuation of annual Say on Pay votes. The Board recommends a vote for **EVERY 1 YEAR** because we believe that an advisory vote every year allows stockholders the opportunity to provide the Company with more direct and immediate feedback on our compensation disclosures.

Advisory Vote to Approve Executive Compensation: We are asking stockholders to approve an advisory resolution on the compensation of the Company's named executive officers as disclosed in this Proxy Statement. The Board recommends a vote **FOR** this proposal because we believe the Company's executive compensation policies and practices are effective in aligning the interests of our executive officers with the achievement of our financial goals and the creation of long-term stockholder value.

Table of Contents

Approval of the Amendment and Restatement of the Abercrombie & Fitch Co. Short-Term Cash Incentive Compensation Performance Plan: We are asking stockholders to approve the amendment and restatement of the Abercrombie & Fitch Co. Short-Term Cash Incentive Compensation Performance Plan for purposes of preserving the tax deductibility of annual cash incentive payments as performance-based compensation. If such approval is not obtained, the Company would still expect to have an annual cash incentive component within its compensation program for senior management; however, any such annual cash incentive payments would no longer be deductible for federal income tax purposes. The Board recommends a vote **FOR** this proposal.

Approval of the Abercrombie & Fitch Co. Long-Term Cash Incentive Compensation Performance Plan: We are asking stockholders to approve the Abercrombie & Fitch Co. Long-Term Cash Incentive Compensation Performance Plan for purposes of preserving the tax deductibility of long-term cash incentive payments as performance-based compensation. The Board recommends a vote **FOR** this proposal.

Approval of Amendments to the Abercrombie & Fitch Co. 2016 Long-Term Incentive Plan for Directors to Authorize 400,000 Additional Shares and Explicitly Prohibit the Current Payment of Dividends in Any Form on Unvested Equity Awards: We are asking stockholders to approve amendments to the Abercrombie & Fitch Co. 2016 Long-Term Incentive Plan for Directors (the 2016 Directors LTIP) to authorize 400,000 additional shares of Common Stock and explicitly prohibit the current payment of dividends in any form on unvested equity awards. The Board recommends a vote **FOR** this proposal because we believe that it is important to continue to offer equity as a part of the compensation program for our non-associate directors to reinforce alignment with our stockholders. Due to the unexpected decrease in the fair market value of the Company's Common Stock, additional shares are needed to continue to make grants consistent with historic grant practices. No changes to the 2016 Directors LTIP are proposed for consideration by the stockholders at the Annual Meeting other than the increase in the authorized number of shares of Common Stock and the explicit prohibition on the current payment of dividends in any form on unvested equity awards.

Approval of Amendments to the Abercrombie & Fitch Co. 2016 Long-Term Incentive Plan for Associates to Authorize 1,200,000 Additional Shares and Explicitly Prohibit the Current Payment of Dividends in Any Form on Unvested Equity Awards: We are asking stockholders to approve amendments to the Abercrombie & Fitch Co. 2016 Long-Term Incentive Plan for Associates (the 2016 Associates LTIP) to authorize 1,200,000 additional shares of Common Stock and explicitly prohibit the current payment of dividends in any form on unvested equity awards. The Board recommends a vote **FOR** this proposal to enable the Company to continue to pay competitively and assist in attracting, retaining and motivating highly talented executives and associates. Due to the unexpected decrease in the fair market value of the Company's Common Stock, additional shares are needed to continue to make grants consistent with historic grant practices. No changes to the 2016 Associates LTIP are proposed for consideration by the stockholders at the Annual Meeting other than the increase in the authorized number of shares of Common Stock and the explicit prohibition on the current payment of dividends in any form on unvested equity awards.

Ratification of Appointment of Independent Registered Public Accounting Firm: As a matter of good governance, we are asking stockholders to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2018. The Board recommends a vote **FOR** this proposal.

Stockholder Proposal

Adoption of Proposal Regarding Proxy Access : We expect that the Comptroller of the City of New York, in the capacity as the custodian and a trustee of the New York City Employees Retirement System, the New York City Fire Department Pension Fund, the New York City Teachers Retirement System, and the New York City Police Pension Fund, and as the custodian of the New York City Board of Education Retirement System, will present a proposal at the Annual Meeting regarding proxy access. The Board recommends a vote **FOR** this proposal.

Table of Contents**Ongoing Stockholder Engagement**

The Company continued to have extensive dialogue with our stockholders in the fiscal year ended January 28, 2017 (Fiscal 2016). Over the past twelve months, the Company estimates that it held discussions with stockholders who, in the aggregate, represented at least 50% of the shares of Common Stock eligible to be voted at the Annual Meeting. The Company expects to continue such discussions prior to the Annual Meeting and, as a matter of policy and practice, fosters and encourages engagement with our stockholders on compensation and other matters on an ongoing basis.

Executive Compensation Highlights

We believe that our executive compensation policies and practices appropriately align the interests of our executive officers with the achievement of our financial goals and the creation of long-term stockholder value. They reflect a continued focus on performance and support the Company's transition to a brand-based organization. We offer compensation opportunities that are: (i) competitive with those offered by similar specialty retail organizations and other companies with which the Company competes for high caliber executive talent; and (ii) delivered in a mix of programs and vehicles that emphasize at-risk components of pay, that are only earned upon the achievement of rigorous performance goals.

In evaluating this year's Say on Pay proposal, we recommend that you review our **COMPENSATION DISCUSSION AND ANALYSIS** section that begins on page 58 of the Proxy Statement, which explains how and why the Compensation and Organization Committee arrived at its executive compensation decisions for Fiscal 2016 and beyond.

Following high stockholder support at the 2015 Annual Meeting of Stockholders (the 2015 Annual Meeting) and the 2016 Annual Meeting of Stockholders (the 2016 Annual Meeting) stockholders representing over 98% and 96% of the votes cast voted in favor of the Company's executive compensation program at the 2015 Annual Meeting and the 2016 Annual Meeting, respectively the Compensation and Organization Committee elected to maintain the basic design of the core elements of the executive compensation programs with two modest changes:

Program	Changes for Fiscal 2016	Rationale
Annual Cash Incentive	Adopted a formalized structure for the use of forward-looking strategic drivers in the measurement of Company performance. These drivers are directly linked to the Company's strategic priorities and are considered to be leading indicators of future financial performance. Company performance will continue to be based on a retrospective assessment of EBIT performance (weighted 30% for Spring and 70% for Fall, the same basis as is used for the broad-based population). The resulting Company score will be adjusted up or down by up to 20%, based on the Compensation and Organization Committee's assessment of performance on the set of forward-looking strategic drivers.	To provide added focus on the measures which support future brand health and improved financial performance

Below we provide a summary overview of our pay program in Fiscal 2016:

Base salaries are reviewed annually in March and upon a significant change in an executive officer's role.

For Fiscal 2016, Ms. Horowitz received an increase of 11% following her promotion to President & Chief Merchandising Officer, and Ms. Crevoiserat received an increase of 12% following her appointment to the Office of the Chairman.

The other NEOs did not receive a salary increase in Fiscal 2016.

Company performance is based on a retrospective assessment of EBIT performance (weighted 30% for Spring and 70% for Fall, the same basis as is used for the broad-based population).

The resulting Company score may be adjusted up or down, by up to 20%, based on an assessment of forward-looking, strategic drivers that are directly linked to the Company's strategic priorities, and are considered to be leading indicators of future financial performance.

No annual cash incentive payments were made for Fiscal 2016 as Adjusted EBIT performance was achieved below the threshold performance level.

The final measurement period of the Fiscal 2014-Fiscal 2016 PSA cycle was completed in Fiscal 2016, and it was determined that performance for all tranches of these awards was achieved below threshold. As such, all underlying shares of Common Stock were

forfeited.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

When and where will the Annual Meeting be held?

The Annual Meeting will be held on Thursday, June 15, 2017 at 10:00 a.m., Eastern Daylight Time, at our offices located at 6301 Fitch Path, New Albany, Ohio 43054. The purposes of the Annual Meeting are set forth in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement. All references in this Proxy Statement to the Company, we, us, our or Abercrombie & Fitch refer to Abercrombie & Fitch Co.

Why am I being provided this Proxy Statement?

We are required by the Securities and Exchange Commission (the SEC) to give you, or provide you access to, this Proxy Statement because our Board is soliciting your proxy to vote your shares of Common Stock at the Annual Meeting. The Proxy Statement summarizes the information you need in order to vote at the Annual Meeting.

What is a proxy?

A proxy is your designation of another person to vote shares of Common Stock you own. If you designate someone as your proxy in a written document, that document is also called a proxy, a form of proxy or a proxy card. When you designate a proxy, you also may direct the proxy how to vote your shares. Joanne C. Crevoiserat and Robert E. Bostrom have been designated on behalf of the Board as the proxies to cast the vote of the Company's stockholders at the Annual Meeting.

What are the voting requirements for the proposals to be acted upon at the Annual Meeting and discussed in this Proxy Statement?

At the Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement. Specifically, stockholders will be asked to: (1) elect ten directors to the Board; (2) specify the frequency of the future advisory votes on executive compensation; (3) approve the advisory resolution on executive compensation; (4) approve the amendment and restatement of the Abercrombie & Fitch Co. Short-Term Incentive Compensation Performance Plan; (5) approve the Abercrombie & Fitch Co. Long-Term Cash Incentive Compensation Performance Plan; (6) approve amendments to the Abercrombie & Fitch Co. 2016 Long-Term Incentive Plan for Directors to authorize 400,000 additional shares and explicitly prohibit the current payment of dividends in any form on unvested equity awards; (7) approve amendments to the Abercrombie & Fitch Co. 2016 Long-Term Incentive Plan for Associates to authorize 1,200,000 additional shares and explicitly prohibit the current payment of dividends in any form on unvested equity awards; (8) ratify the appointment of PricewaterhouseCoopers LLP as the independent registered accounting firm of the Company for the fiscal year ending February 3, 2018 (Fiscal 2017); and (9) consider and vote upon one stockholder proposal, if the stockholder proposal is properly presented for consideration at the Annual Meeting.

Proposal 1 Election of Directors

The Company and our stockholders have implemented majority voting for uncontested director elections, which the Board expects to be the case at the Annual Meeting. In an uncontested election of directors, each nominee must be elected by a majority of the votes cast (*i.e.*, the votes cast for such nominee's election must exceed the votes cast against such nominee's election). Broker non-votes and abstentions will not be treated as votes cast.

Proposal 2 Advisory Vote on the Frequency of the Future Advisory Votes on Executive Compensation

Stockholders will be able to specify one of four choices for this proposal on the form of proxy: one year; two years; three years; or abstain. Stockholders are not voting to approve or disapprove the Board's recommendation. This advisory vote is non-binding, but the Board and the Compensation and Organization Committee will give careful consideration to the results of voting on this proposal. The non-binding vote on the

frequency of the future advisory votes on executive compensation requires the affirmative vote of a majority in voting interest of the stockholders present in person or by proxy and voting thereon. Broker non-votes will not be treated as votes cast. Abstentions will not be counted as votes for any of the choices under the proposal.

Proposal 4 Approval of the Amendment and Restatement of the Abercrombie & Fitch Co. Short-Term Cash Incentive Compensation Performance Plan

Short-Term Cash Incentive Compensation Performance Plan requires the affirmative vote of a majority in voting interest of the stockholders present in person or by proxy and voting thereon. Broker non-votes will not be treated as votes cast. Abstentions will be treated as votes cast and will have the effect of a vote **AGAINST** the proposal.

Broker non-votes will not be treated as votes cast. Abstentions will be treated as votes cast and will have the effect of a vote **AGAINST** the proposal.

Proposal 7 Approval of Amendments to the Abercrombie & Fitch Co. 2016 Long-Term Incentive Plan for Associates to Authorize 1,200,000 Additional Shares and Explicitly Prohibit the Current Payment of Dividends in Any Form on Unvested Equity Awards

Only holders of shares of the Company's Common Stock of record at the close of business on April 17, 2017 (the Record Date) or such stockholders' proxies are entitled to receive notice of, and vote at, the Annual Meeting. At the close of business on the Record Date, there were 67,995,752 shares of Common Stock outstanding and entitled to vote. There are no other voting securities of the Company outstanding. Each stockholder is entitled to one vote on each matter voted upon at the Annual Meeting for each share of Common Stock held. To be able to vote your shares at the Annual Meeting, the records of the Company must show that you held your shares at the close of business on the Record Date.

How do I attend the Annual Meeting?

The Annual Meeting will be held on Thursday, June 15, 2017 at 10:00 a.m., Eastern Daylight Time, at our offices located at 6301 Fitch Path, New Albany, Ohio 43054. When you arrive, signs will direct you to the appropriate room. Please note that the doors to the meeting room will not be open until 9:00 a.m., Eastern Daylight Time. You should be prepared to present valid government-issued photo identification, such as a driver's license or passport, for admittance. In addition, if you are a stockholder of record, your name will be verified against the list of stockholders of record prior to admittance to the Annual Meeting. If you are a beneficial owner, you must provide proof of beneficial ownership on the record date, such as your account statement showing that you owned our Common Stock as of April 17, 2017, a copy of the voting instruction form provided by your brokerage firm, bank or other nominee, or other similar evidence of ownership. If you do not provide valid government-issued photo identification and comply with the other procedures outlined above, you will not be admitted to the Annual Meeting. You do not need to attend the Annual Meeting to vote. Even if you plan to attend the Annual Meeting, please submit your vote in advance as instructed in this Proxy Statement.

What is a Notice of Internet Availability of Proxy Materials?

In accordance with rules adopted by the SEC, instead of mailing a printed copy of our proxy materials to each stockholder of record, we are permitted to furnish our proxy materials, including the Notice of Annual Meeting of Stockholders, this Proxy Statement and our Annual Report on Form 10-K for Fiscal 2016 (our Fiscal 2016 Form 10-K), by providing access to such documents on the Internet. Generally, stockholders **will not** receive printed copies of the proxy materials **unless** they request them.

A Notice of Internet Availability of Proxy Materials that provides instructions for accessing our proxy materials on the Internet was mailed directly to registered stockholders. The Notice of Internet Availability of Proxy Materials also provides instructions regarding how registered stockholders may vote their shares on the Internet. Registered stockholders who prefer to receive a paper or e-mail copy of our proxy materials must follow the instructions provided in the Notice of Internet Availability of Proxy Materials for requesting such materials.

The Notice of Internet Availability of Proxy Materials only identifies the items to be voted on at the Annual Meeting. You cannot vote by marking the Notice of Internet Availability of Proxy Materials and returning it. The Notice of Internet Availability of Proxy Materials provides instructions on how to cast your vote.

A notice that directs beneficial owners of our shares to the website where they can access our proxy materials should be forwarded to each beneficial stockholder by the brokerage firm, bank or other holder of record who is considered the registered owner with respect to the shares of the beneficial stockholder. Such brokerage firm, bank or other holder of record should also provide each beneficial owner of our shares with instructions on how the beneficial stockholder may request a paper or e-mail copy of our proxy materials.

To enroll in the electronic delivery service for future stockholder meetings, use your Notice of Internet Availability of Proxy Materials (or proxy card, if you received printed copies of the proxy materials) to register online at www.proxyvote.com and, when prompted, indicate that you agree to receive or access stockholder communications electronically in future years.

What is the difference between holding shares as a holder of record and as a beneficial owner?

If, at the close of business on April 17, 2017, your shares were held in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in street name and a notice directing you to the website where you can access our proxy materials is being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. If that organization is not given specific direction, shares held in the name of that organization may not be voted and will not be considered as present and entitled to vote on any matter to be considered at the Annual Meeting other than the ratification of the appointment of the Company's independent registered public accounting firm. **Please direct your broker how to vote your shares following the instructions provided by your broker.**

How do I vote my shares?

If you are a registered stockholder (*i.e.*, you hold your shares of record), you may vote your shares using one of the following methods (please also see the information provided above and below concerning the difference in how to vote if you hold shares beneficially through a brokerage firm, bank or other nominee instead of as the registered holder - beneficial holders should follow the voting instructions provided by their respective nominees):

Over the Internet. Go to www.proxyvote.com.

You can use the Internet 24 hours a day, seven days a week, to submit your voting instructions and for electronic delivery of information up until 11:59 p.m., Eastern Daylight Time, on June 14, 2017. Have your proxy card or Notice of Internet Availability of Proxy Materials in hand when you access the web site and follow the instructions to obtain your records and create an electronic voting instruction form.

By telephone. Call 1-800-690-6903.

You can use any touch-tone telephone to transmit your voting instructions up until 11:59 p.m., Eastern Daylight Time, on June 14, 2017. Have your proxy card or Notice of Internet Availability of Proxy Materials in hand when you call and follow the instructions.

By mail. If you received a printed copy of the proxy materials, you may submit your vote by completing, signing and mailing your proxy card and returning it in the prepaid envelope to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received no later than June 14, 2017 to be voted at the Annual Meeting.

In person at the Annual Meeting. Registered stockholders are invited to attend the Annual Meeting and vote in person at the Annual Meeting. If you are a beneficial owner of shares, you must obtain a legal proxy from the brokerage firm, bank or other holder of record of your shares to be entitled to vote those shares in person at the meeting.

If you vote via the Internet or by telephone, your electronic vote authorizes the named proxies in the same manner as if you signed, dated and returned a proxy card. **If you vote via the Internet or by telephone, do not return a proxy card.**

If I am a stockholder holding shares in street name, how do I vote?

If you hold your shares in street name with a brokerage firm, bank or other nominee, the holder of record will send you instructions on how to instruct the holder of record to vote your shares. **Your broker is permitted to vote your shares with respect the routine proposal to ratify the appointment of the Company's independent registered public accounting firm without your instruction as to how to vote but will not be permitted to vote your shares with respect to any of the other proposals at the Annual Meeting without your instructions as to how to vote.**

Table of Contents

If you hold your shares in street name, you should have received a Notice of Internet Availability of Proxy Materials or voting instructions from the brokerage firm, bank or other nominee holding your shares. You should follow the instructions in the Notice of Internet Availability of Proxy Materials or voting instructions provided by your broker or other nominee in order to instruct your broker or other nominee on how to vote your shares. The availability of telephone and Internet voting will depend on the voting process of the broker or other nominee.

What is a broker non-vote ?

A broker non-vote occurs when a stockholder holds our shares of Common Stock in street name through a broker or similar organization, and the stockholder does not provide the broker or other organization with instructions within the required timeframe before the Annual Meeting as to how to vote the shares on non-routine matters. The only proposal this year which is considered routine is the ratification of the appointment of the Company's independent registered public accounting firm. Under the rules of the New York Stock Exchange (NYSE) set forth in the NYSE Listed Company Manual (the NYSE Rules), your broker cannot vote your shares on non-routine matters unless your broker receives instructions from you as to how to vote.

How can I revoke my proxy or change my vote?

If you are a registered stockholder, you may revoke your proxy at any time before it is actually voted at the Annual Meeting by:

signing and returning a new proxy card with a later date only your latest proxy card received by June 14, 2017, will be counted;

submitting a late-dated vote by telephone or via the Internet only your latest telephone or Internet proxy received by 11:59 p.m., Eastern Daylight Time, on June 14, 2017, will be counted;

attending the Annual Meeting and voting by ballot in person; or

delivering a written revocation to our Corporate Secretary at 6301 Fitch Path, New Albany, Ohio 43054, to be received no later than June 14, 2017.

If you hold your shares in street name, you must contact the broker or other nominee holding your shares and follow the instructions of the broker or other nominee for revoking or changing your vote.

Who is paying for the cost of this proxy solicitation?

This solicitation of proxies is made by and on behalf of our Board. In addition to mailing the Notice of Internet Availability of Proxy Materials (or, if applicable, paper copies of this Proxy Statement, the Notice of Annual Meeting of Stockholders, the proxy card and our Fiscal 2016 Form 10-K) to registered stockholders as of the close of business on the Record Date, the brokers, banks and other nominees holding our shares for beneficial owners must provide a notice as to where the beneficial owners can access our proxy materials to the beneficial owners for whom they hold our shares in order that such shares may be voted. Solicitation may also be made by our directors, officers and select other Company employees or, as referred to by the Company, associates of the Company telephonically, electronically or by other means of communications. Are there any cumulative voting rights in the election of directors?

No.

What constitutes a quorum to hold and transact business at the Annual Meeting?

A quorum for the Annual Meeting is one-third of the outstanding shares of Common Stock. If you are a registered stockholder and submit a proxy, your shares of Common Stock will be counted to determine whether we have a quorum even if you abstain or fail to provide voting instructions on any of the proposals described in this Proxy Statement and listed on the form of proxy. If your shares of Common Stock are held in the name of your broker or other nominee, and you do not instruct your broker or other nominee how to vote your shares of Common Stock, these shares will still be counted for purposes of determining the presence or absence of a quorum for the transaction of business if your broker or other nominee submits a proxy.

How are votes tabulated?

The results of stockholder voting will be tabulated by the inspectors of election appointed for the Annual Meeting.

What should I do if I have other questions?

If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, Innisfree M&A Incorporated, toll-free at (888) 750-5834 or directly at (412) 232-3651. Banks and brokers may call collect at (212) 750-5833.

PROPOSAL 1 ELECTION OF DIRECTORS

There are currently eleven directors serving on the Board, all of whose terms expire at the Annual Meeting. On February 1, 2017, the Board, upon the unanimous recommendation of our Nominating and Board Governance Committee, unanimously approved the increase in the size of the Board from ten to eleven directors and unanimously elected Fran Horowitz to fill the vacancy created by the increase.

On March 27, 2017, Craig R. Stapleton informed the Company that he has decided not to stand for re-election to the Board at the Annual Meeting but will serve out his remaining term. At its meeting on April 3, 2017, the Board took action to reduce the number of directors from eleven to ten, effective upon the expiration of the current terms of the directors of the Company immediately prior to the Annual Meeting. As a result, ten directors will be elected at the Annual Meeting.

Upon the unanimous recommendation of our Nominating and Board Governance Committee, the Board has unanimously nominated James B. Bachmann, Bonnie R. Brooks, Terry L. Burman, Sarah M. Gallagher, Michael E. Greenlees, Archie M. Griffin, Fran Horowitz, Arthur C. Martinez, Charles R. Perrin and Stephanie M. Shern (altogether, the Nominees) for election as directors at the Annual Meeting. Directors elected at the Annual Meeting will hold office for a one-year term expiring at the 2018 Annual Meeting of Stockholders (the 2018 Annual Meeting) or until their respective successors are elected and qualified.

The individuals named as proxies in the form of proxy solicited by the Board intend to vote the shares of Common Stock represented by the proxies received under this solicitation for the Nominees, unless otherwise instructed on the form of proxy. It is expected that all of the Nominees will be able to serve. However, if before the election, one or more of the Nominees are unable to serve or for good cause will not serve, the proxy holders will vote the proxies for the remaining Nominees and for any substitute nominees chosen by the Board, unless the Board reduces the number of directors to be elected. If any substitute nominees are designated, we will file an amended proxy statement that, as applicable, identifies the substitute nominees, discloses that such nominees have consented to being named in the revised proxy statement and to serve if elected, and includes certain biographical and other information about such nominees required by the rules of the SEC.

The Board recommends that you vote *FOR* each of the Nominees to be elected for a one-year term expiring at the 2018 Annual Meeting or until his or her successor is elected and qualified.

Majority Vote Standard in Uncontested Director Election

In an uncontested election of directors, which we expect to be the case at the Annual Meeting, each nominee must be elected by a majority of the votes cast (*i.e.*, the votes cast for such nominee's election must exceed the votes cast against such nominee's election). Broker non-votes and abstentions will not be treated as votes cast. Proxies may not cast votes for more than ten nominees.

The Board has adopted a resignation policy, included in the Company's Corporate Governance Guidelines, which requires that an incumbent director who receives less than a majority of the votes cast in an uncontested election tender his or her resignation, and outlines the procedures by which the Board will consider whether to accept such resignation. The resignation policy provides:

an incumbent director who fails to receive the required number of votes for re-election must offer to resign;

the Nominating and Board Governance Committee and the Board will evaluate any such resignation in light of the best interests of the Company and our stockholders in determining whether to accept or reject the resignation, or whether other action should be taken, and may consider any factors they deem relevant in making such determination;

if the Board does not accept the resignation, the director who offered to resign will continue to serve on the Board until the next annual meeting of stockholders and until the director's successor is elected and qualified, or until the director's death, resignation or removal;

if the Board accepts the resignation, the Nominating and Board Governance Committee will recommend to the Board whether to fill the resulting vacancy or to reduce the size of the Board; and

Table of Contents

the Board will publicly disclose its decision regarding the resignation within 90 days after the results of the election are certified.

Certain Relationships and Related Person Transactions

Review, Approval or Ratification of Transactions with Related Persons

The Board has adopted the Abercrombie & Fitch Co. Related Person Transaction Policy (the "Policy"), which is administered by the Nominating and Board Governance Committee and the Company's General Counsel. A copy of the Policy is posted on the Corporate Governance page of the Company's website at www.abercrombie.com, accessible through the Investors page. The Policy applies to any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which the Company or one of our subsidiaries participates or will participate, the amount involved exceeds or is expected to exceed \$120,000, and a related person had, has or will have a direct or indirect interest. Pursuant to the Policy, a related person is any person:

who is or was an executive officer, a director or a director nominee of the Company, or another associate of the Company or one of our subsidiaries determined by the Company's General Counsel to significantly influence the management or operating policies of the Company (a "key influencer") or an immediate family member of any of such individuals, at any time since the beginning of the Company's last fiscal year; or

who, at the time of the occurrence or at any time during the existence of the transaction, is the beneficial owner of more than 5% of the Company's outstanding shares of Common Stock, or an immediate family member of a beneficial owner of more than 5% of the Company's outstanding Common Stock.

Each director, director nominee or executive officer of the Company as well as each key influencer is to provide the Company's General Counsel with a written list (updated when necessary) of such individual's immediate family members, associated entities (as defined in the Policy) and, to the extent actually known by such individual, each associated entity of any immediate family member. Each director, director nominee or executive officer of the Company as well as each key influencer must notify the Company's General Counsel in writing of any interest that such individual or, to the extent actually known by such individual, an immediate family member or associated entity of such individual had, has or may have, in a related person transaction. Each director, director nominee and executive officer of the Company and each key influencer also completes a questionnaire on at least an annual basis designed to elicit information about potential related person transactions. In addition, any related person transaction proposed to be entered into by the Company or one of our subsidiaries must be reported by the Company's management to the Company's General Counsel. Any potential related person transaction that is raised will be analyzed by the Company's General Counsel, in consultation with the Company's management and with outside counsel, as appropriate, to determine whether the transaction, arrangement or relationship does, in fact, constitute a related person transaction requiring compliance with the Policy.

Pursuant to the Policy, all related person transactions (other than those deemed to be pre-approved or ratified under the terms of the Policy) will be referred to the Nominating and Board Governance Committee for approval (or disapproval), ratification, revision or termination. Whenever practicable, a related person transaction is to be reviewed and approved or disapproved by the Nominating and Board Governance Committee prior to the effective date or consummation of the transaction. If the Company's General Counsel determines that advance consideration of a related person transaction is not practicable under the circumstances, the Nominating and Board Governance Committee will review and, in its discretion, may ratify the transaction at that Committee's next meeting. If the Company becomes aware of a related person transaction not previously approved under the Policy, the Nominating and Board Governance Committee will promptly review the transaction, including the relevant facts and circumstances, and evaluate all options available to the Company, including ratification, revision, termination or rescission of the transaction, and take the course of action that the Nominating and Board Governance Committee deems appropriate under the circumstances.

No director may participate in any approval or ratification of a related person transaction in which the director or an immediate family member of the director is involved. The Nominating and Board Governance Committee may only approve or ratify those transactions that the Committee determines to be in the Company's

the interest of the related person (or, if applicable, an associated entity of the related person) in the transaction;

the approximate dollar value of the transaction;

the approximate dollar value of the interest of the related person (or, if applicable, an associated entity of the related person) in the transaction without considering the amount of any profit or loss;

whether the transaction was undertaken in the ordinary course of the business of the Company or the applicable subsidiary of the Company;

whether the terms of the transaction are no less favorable to the Company or the applicable subsidiary of the Company than terms that could be reached with an unrelated third party;

the methodology used in the valuation of the transaction;

the purpose of the transaction and its potential benefits to the Company or the applicable subsidiary of the Company;

the impact of the transaction on the related person's independence; and

any other information regarding the transaction or the related person (or, if applicable, an associated entity of the related person) that would be material to investors in light of the circumstances.

Any related person transaction previously approved or ratified by the Nominating and Board Governance Committee or otherwise already existing that is ongoing in nature is to be reviewed by the Nominating and Board Governance Committee annually.

Pursuant to the terms of the Policy, the following related person transactions are deemed to be pre-approved or ratified (as appropriate) by the Nominating and Board Governance Committee even if the aggregate amount involved would exceed \$120,000:

interests arising solely from ownership of the Company's Common Stock if all stockholders receive the same benefit on a pro rata basis;

compensation to an executive officer of the Company, as long as the executive officer is not an immediate family member of another executive officer or director of the Company or a key influencer and the compensation has been approved, or recommended to the Board for approval, by the Compensation and Organization Committee;

compensation to a director of the Company for services as a director if the compensation is required to be reported in the Company's proxy statement;

interests deriving solely from a related person's position as a director of another corporation or organization that is a party to the transaction;

interests deriving solely from the related person's direct or indirect ownership of less than 10% of the equity interest (other than a general partnership interest) in another person that is a party to the transaction; and

transactions involving competitive bids.

The Code of Business Conduct and Ethics adopted by the Board also addresses the potential conflicts of interest which may arise when a director, an officer or an associate has an interest in a transaction to which the Company or one of our subsidiaries is a party. If a potential conflict of interest arises concerning an officer or a director of the Company, all information regarding the issue is to be reported to the Company's Chief Ethics and Compliance Officer and the Company's General Counsel for review and, if appropriate or required under the Company's policies (including the Company's Related Person Transaction Policy), submitted to the Nominating and Board Governance Committee for review and disposition.

In Schedule 13G/A filings made with the SEC, FMR LLC has reported beneficial ownership of more than 5% of the Company's outstanding Common Stock. Fidelity Investments Institutional Operation, Inc., an affiliate of FMR LLC, provides record-keeping and administration services for the Abercrombie & Fitch Co. Associate Stock Purchase Plan, the Abercrombie & Fitch Co. Directors' Deferred Compensation Plan, the Company's long-term incentive plans and the Abercrombie & Fitch Nonqualified Savings and Supplemental Retirement Plan. The agreements with Fidelity Investments Institutional Operation, Inc. were negotiated in arm's-length transactions and the beneficial ownership by FMR LLC of shares of the Company's Common Stock plays no role in the business relationship between the Company and Fidelity Investments Institutional Operation, Inc. In addition, the Company believes the respective agreements represent standard terms and conditions for record-keeping and administration services. For providing these services, Fidelity Investments Institutional Operation, Inc. received fees in Fiscal 2016 totaling approximately \$117,125 and fees in Fiscal 2017 through February 28, 2017 totaling approximately \$37,375. These services were reviewed and approved in accordance with the Policy.

Based on information provided by the directors, the executive officers and the legal department of the Company, the Nominating and Board Governance Committee determined that there are no material related person transactions required to be disclosed in this Proxy Statement under applicable SEC rules and regulations (SEC Rules) with respect to the directors or the executive officers of the Company or their respective immediate family members or associated entities.

The Company indemnifies the directors and the officers of the Company to the fullest extent permitted by the laws of Delaware against personal liability in connection with their service to the Company. This indemnification is required under the Company's Amended and Restated Certificate of Incorporation and the Company's Amended and Restated By-Laws, and we have entered into agreements with these individuals contractually obligating us to provide this indemnification to them. In addition, the Company has entered into an agreement, dated December 8, 2016, with Stacia Andersen obligating the Company to indemnify Ms. Andersen from any loss if her prior employer institutes legal proceedings regarding the non-solicitation provisions of her separation agreement with her prior employer (which, by their terms, are effective through December 31, 2017), given the measures taken by the Company and Ms. Andersen to ensure compliance with those provisions.

The Company currently has a five-year arrangement with SeriousFun Children's Network, Inc. (SFCN) in which the Company committed a total pledge of no less than \$7,500,000 over a five-year period from January 2016 to December 2020, in-kind products donations and a donation of service hours. In Fiscal 2016, the Company donated approximately \$1,830,000 to SFCN representing proceeds from the A&F Challenge and in-store campaigns and approximately \$1,440,000 in goods and services. Of this donation to SFCN, \$582,166 in cash and \$77,131 of in-kind products were distributed to Flying Horse Farms, Inc. (FHF), a member camp of SFCN. Ms. Horowitz joined the Board of Directors of SFCN in March 2017 and her husband joined the Board of Directors of FHF in April 2017. Under the Company's Related Person Transaction Policy, any transaction where the related person's interest derives solely from her or his position as a director of another corporation or organization that is a party to the transaction is considered pre-approved. To address any potential conflict of interest concerns, Ms. Horowitz has been advised not to participate, directly or indirectly, in any future discussions, negotiations or decisions by the Company's Board, the Philanthropy Committee or any other persons associated with the Company with respect to contributions or donations proposed to be made to SFCN or FHF by or on behalf of the Company.

Director Independence

The Board has reviewed, considered and discussed each current director's relationships, both direct and indirect, with the Company in order to determine whether such director meets the independence requirements of the applicable NYSE Rules. The Board has determined that ten of the eleven current directors of the Company qualify as independent under the applicable NYSE Rules. Specifically, the Board has determined that each of James B. Bachmann, Bonnie R. Brooks, Terry L. Burman, Sarah M. Gallagher, Michael E. Greenlees, Archie M.

Table of Contents

Griffin, Arthur C. Martinez, Charles R. Perrin, Stephanie M. Shern and Craig R. Stapleton has no commercial, industrial, banking, consulting, legal, accounting, charitable, familial or other relationship with the Company, either directly or indirectly, that would be inconsistent with a determination of independence under the applicable NYSE Rules. In the course of reaching these determinations, the Board considered among other things:

Mr. Bachmann and Mrs. Shern are former partners with EY, retiring in 2003 and 2001, respectively. The Company and our subsidiaries from time to time engage EY for non-audit services, primarily in the nature of tax compliance services, information technology consulting, and consulting in respect of discrete nominal tax and accounting projects. In Fiscal 2016, the fiscal year ended January 30, 2016 (Fiscal 2015) and the fiscal year ended January 31, 2015 (Fiscal 2014), the Company and our subsidiaries paid EY approximately \$580,400, \$202,000 and \$269,000, respectively, in fees. As retired partners with respect to EY, neither Mr. Bachmann nor Mrs. Shern has any direct or indirect interest in the business relationship or transactions between EY and the Company and our subsidiaries.

Mr. Martinez served as a director of American International Group, Inc. (AIG) from 2009 until his retirement on May 13, 2015. The Company and our subsidiaries have, from time to time, purchased insurance through subsidiaries of AIG, the premiums for which have not exceeded \$1,200,000 in any year since the beginning of Fiscal 2012. Mr. Martinez's only interest in the underlying business relationship arose from his service as a director of AIG while he served in that capacity.

Mr. Griffin is currently serving as Senior Advisor within the Office of Advancement at The Ohio State University, after having served as the Senior Vice President of Alumni Relations at The Ohio State University, President and Chief Executive Officer of The Ohio State University Alumni Association, Inc. and an ex-officio member of the Board of Directors of The Ohio State University Foundation until June 30, 2015. The Company facilitated gifts totaling \$10,000,000 over a ten-year period (2007 to 2016, with approximately \$341,547 paid in Fiscal 2016 and fulfilling the \$10,000,000 commitment) to The Ohio State University Foundation, which gifts were allocated to The Ohio State University Wexner Medical Center. Mr. Griffin was not involved, directly or indirectly, in the solicitation of these gifts to The Ohio State University Foundation. Since the beginning of Fiscal 2014, the Company has paid The Ohio State University fees associated with several on-campus associate recruitment activities and consulting services, the aggregate amount of which has not exceeded \$105,000 over a three-year period. Mr. Griffin was not personally involved, directly or indirectly, in the determination as to whether to participate in these activities.

Since the beginning of Fiscal 2014, the Company has made other charitable contributions to certain charitable organizations with which one or more of the independent directors of the Company or their immediate family members are affiliated. None of these charitable contributions has exceeded \$50,000 in any year within this period.

Ms. Horowitz does not qualify as independent because she is an executive officer of the Company.

There are no family relationships among any of the current directors and executive officers of the Company. Please see the text under the caption EXECUTIVE OFFICERS OF THE REGISTRANT at the end of ITEM 1. BUSINESS in Part I of the Company's Fiscal 2016 Form 10-K for information about the Company's executive officers.

Meetings of and Communications with the Board

The Board held 13 meetings of the full Board and ten meetings of the non-management directors (in the form of executive sessions scheduled as agenda items at regularly scheduled in-person meetings of the Board) during Fiscal 2016. All of the incumbent directors attended at least 75% of the Board and Board committee meetings they were eligible to attend during Fiscal 2016.

Although the Company does not have a formal policy requiring members of the Board to attend annual meetings of the stockholders, the Company encourages all incumbent directors and director nominees to attend

each annual meeting of stockholders. All of the current directors attended the Company's last annual meeting of stockholders held on June 16, 2016.

In accordance with the Company's Corporate Governance Guidelines and applicable NYSE Rules, the non-management directors of the Company meet (without management present) at regularly scheduled executive sessions at least twice per year and at such other times as the directors deem necessary or appropriate. Executive sessions of the non-management directors are scheduled as an agenda item at each regularly scheduled in-person meeting of the Board. All meetings of non-management or independent directors are presided over by the Company Chairman. If the non-management directors include directors who are not independent, then at least once a year, the independent directors of the Company will meet in executive session and the Company Chairman will preside at each executive session.

The Board believes it is important for stockholders and other interested parties to have a process to send communications to the Board and its individual members. Accordingly, stockholders and other interested parties who wish to communicate with the Board, the non-management directors as a group, the independent directors as a group, the Company Chairman, the Lead Independent Director or a particular director may do so by sending a letter to such individual or individuals, in care of the Company's Corporate Secretary, to the Company's offices at 6301 Fitch Path, New Albany, Ohio 43054. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Stockholder/Interested Party Non-Management Director Communication, Stockholder/Interested Party Board Communication, Stockholder/Interested Party Independent Director Communication, Stockholder/Interested Party Company Chairman Communication, Stockholder/Interested Party Lead Independent Director Communication, or Stockholder/Interested Party Director Communication, as appropriate. All such letters must identify the author as a stockholder or other interested party and clearly state whether the intended recipients are all members of the Board, all non-management directors, all independent directors or certain specified individual directors. Copies of all such letters will be circulated to the appropriate director or directors. Correspondence marked personal and confidential will be delivered to the intended recipient without opening. There is no screening process in respect of communications from stockholders or other interested parties.

Board Leadership Structure

The Company's Board is currently comprised of ten non-associate directors, all of whom are independent, and Fran Horowitz, the Company's Chief Executive Officer.

From December 2014 to January 2017, the Company did not have a Chief Executive Officer or an Interim Chief Executive Officer. During this time, the Company was under the leadership of the Office of the Chairman, which was formed in December 2014 to allow for effective management of the Company during a transition in leadership. The Office of the Chairman consisted of senior leadership at the Company and was led by Arthur C. Martinez, the Executive Chairman of the Board, in his capacity as a representative of the Board. The Office of the Chairman was responsible for overseeing and providing strategic direction to management.

The Board has adopted a written description of the duties and responsibilities of a Company Chairman and of a Lead Independent Director.

Mr. Martinez has served as Company Chairman since January 27, 2014. The role of the Company Chairman addresses responsibilities in the areas of Board leadership, management liaison and stockholder outreach. performing such other duties as the Board may from time to time delegate.

On January 30, 2017, the Board approved the following leadership changes, effective February 1, 2017:

appointed Fran Horowitz to serve as the Chief Executive Officer of the Company and to serve on the Board and as a member of the Executive Committee of the Board;

appointed Joanne C. Crevoiserat to serve as the Chief Operating Officer of the Company, in addition to her role as Executive Vice President and Chief Financial Officer of the Company;

dissolved the Office of the Chairman; and

provided that all officers of the Company who had reported to Mr. Martinez while he was leading the Office of the Chairman in his capacity as the representative of the Board, would now report directly to Ms. Horowitz.

The Board also determined that it would be in the best interest of the Company for Mr. Martinez to continue to serve as Executive Chairman of the Board, in conjunction with the appointment of Ms. Horowitz as the Chief Executive Officer of the Company, until such date as may be later determined by the Nominating and Board Governance Committee and the Board. In connection with his continued service as Executive Chairman of the Board, on February 15, 2017, the Board, based on a recommendation from the Nominating and Board Governance Committee, delegated additional duties and responsibilities to Mr. Martinez as permitted under the Company's Corporate Governance Guidelines. In addition to the specific duties and responsibilities of the Company Chairman as enumerated in the Corporate Governance Guidelines, Mr. Martinez has the following additional duties and responsibilities:

advising and mentoring the new Chief Executive Officer and assisting with the Chief Executive Officer's transition to a new and unfamiliar role;

assisting the Chief Executive Officer in building relationships with the directors of the Company;

reviewing periodically the Company's overall vision, business plan, financial performance and other activities with the Chief Executive Officer;

providing counsel to the Chief Executive Officer on budget planning and long-term strategy, succession planning, day-to-day operational decision-making, clarity in the roles and responsibilities of key senior executives, critical levers, decision points, progress on key initiatives, critical talent decisions, investment decisions and issues that could impact the Company's reputation;

assisting the Chief Executive Officer with developing and enhancing key relationships externally, including with stockholders, investment analysts and the community.

On March 27, 2017, the Board appointed Terry L. Burman to serve as Lead Independent Director. Mr. Burman has specific duties and responsibilities that are intended to provide independent Board leadership complementing those of Mr. Martinez as the Executive Chairman of the Board. In his capacity as the Lead Independent Director, Mr. Burman is responsible for:

consulting with the Company Chairman with respect to appropriate agenda items for meetings of the Board and the standing committees of the Board, as necessary;

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

discussing with the chairs of the standing committees of the Board, their activities and endeavoring, consistent with the charters of the various standing committees, to coordinate activities among the standing committees, as necessary;

in consultation with the non-associate directors, advising the Company Chairman as to the appropriate schedule of Board meetings, as necessary;

calling executive sessions or meetings of the independent directors or the non-associate directors, when necessary or appropriate;

presiding at all meetings at which the Company Chairman is not present including executive sessions of the independent directors or the non-associate directors and, if appropriate, apprising the Company Chairman of the issues considered;

serving as a liaison between the Company Chairman and the independent directors (or the non-associate directors, if appropriate), as necessary;

in the absence of full Board approval, approving the retention of outside advisors and consultants who report directly to the Board on critical issues;

being available for consultation and direct communication with the Company's stockholders; and

performing such other duties as the Board may from time to time delegate.

The Company believes that the continued service of Mr. Martinez as Executive Chairman of the Board, the appointment of Mr. Burman as Lead Independent Director, the appointment of Fran Horowitz as Chief Executive Officer and the appointment of Joanne C. Crevoiserat as Chief Operating Officer, allow for effective management of the Company's business. In addition, the Company believes that the independent Company Chairman, together with a Board whose members (other than Ms. Horowitz) all qualify as independent including the chairs for each of our Board committees, represents the most appropriate Board leadership structure for the Company. Regularly scheduled executive sessions of the independent directors, as well as written duties and responsibilities for the Company Chairman and the Lead Independent Director and for each of our standing committees, support this Board leadership structure.

This structure demonstrates to all of our stakeholders, including our associates, customers and stockholders, that our Board is committed to engaged, independent leadership and the performance of the Board's responsibilities. Experienced and independent Board members oversee the Company's operations, risks, performance and business strategy. The Board believes that its strong corporate governance practices provide an appropriate balance among strategy development, operational execution and independent oversight of the Company.

On April 3, 2017, based on a recommendation from the Nominating and Board Governance Committee, the Board unanimously approved the nomination of Arthur C. Martinez for re-election to the Board and believes his continued service is in the best interests of the Company and our stockholders.

As described above, the Company has a standing Nominating and Board Governance Committee that has responsibility for providing oversight on a broad range of issues surrounding the composition and operation of the Board, including identifying candidates qualified to become directors and recommending director nominees to the Board.

When considering candidates for the Board, the Nominating and Board Governance Committee evaluates the entirety of each candidate's credentials and, other than the age guidelines mentioned above, does not have specific eligibility requirements or minimum qualifications that must be met by a candidate. However, the Company's Corporate Governance Guidelines provide that no member of the Board may simultaneously serve on the boards of directors of more than three public companies other than the Company unless the Board has determined, upon recommendation by the Nominating and Board Governance Committee, that the aggregate number of directorships held would not interfere with the individual's ability to carry out his or her responsibilities as a director of the Company.

In considering director candidates, the Nominating and Board Governance Committee considers those factors it deems appropriate, including (i) the nominee's independence, judgment, strength of character, ethics and integrity; (ii) the nominee's business or other relevant experience and skills and knowledge useful to the oversight of the Company's business; (iii) the Company's strong commitment to diversity and inclusion at all levels of the Company; and (iv) such other factors as the members of the Nominating and Board Governance Committee conclude are appropriate in light of the needs of the Board. The Company believes that the Board as a whole should have competency in the following areas: (a) audit, accounting and finance; (b) business judgment; (c) management; (d) industry knowledge; (e) leadership; and (f) strategy/vision. Depending on the current needs of the Board, the Nominating and Board Governance Committee may weigh certain factors more or less heavily. The Nominating and Board Governance Committee does, however, believe that all members of the Board should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters and no conflict of interest that would interfere with performance as a director.

While the Board and the Nominating and Board Governance Committee do not have specific eligibility requirements, other than the age guidelines mentioned above, and do not, as a matter of course, weigh any of the factors they deem appropriate more heavily than others, both the Board and the Nominating and Board Governance Committee believe that, as a group, the directors should have diverse backgrounds and qualifications. The Company believes that the members of the Board, as a group, have such backgrounds and qualifications, although this is an area of constant focus for the Board and the Nominating and Board Governance Committee.

The Nominating and Board Governance Committee considers candidates for the Board from any reasonable source, including stockholder recommendations, and does not evaluate candidates differently based on the source of the recommendation. The process for seeking and vetting additional director candidates is ongoing and is not dependent upon the existence of a vacancy on the Board. Accordingly, the Board believes that this ongoing

Table of Contents

pursuit of qualified candidates functions as an appropriate director succession plan. Pursuant to its charter, the Nominating and Board Governance Committee has the authority to retain consultants and search firms to assist in the process of identifying and evaluating candidates and to approve the fees and other retention terms for any such consultant or search firm. In Fiscal 2016, the Nominating and Board Governance Committee did not use any consultant or search firm.

Information regarding each of our directors is set forth above under the caption **Nominees**. In addition to the specific information presented with respect to such individual, the Company believes that each of our directors has a reputation for the highest character and integrity and that our directors have worked cohesively and constructively with each other and with management of the Company. They have each demonstrated business acumen and an ability to exercise sound judgment.

Director Nominations

The Board, taking into account the recommendations of the Nominating and Board Governance Committee, selects nominees for election as directors at each annual meeting of stockholders. Stockholders may recommend director candidates for consideration by the Nominating and Board Governance Committee by giving written notice of the recommendation to the Chair of the Nominating and Board Governance Committee, in care of the Company, at the Company's principal executive offices at 6301 Fitch Path, New Albany, Ohio 43054. The recommendation must include the candidate's name, age, business address, residence address and principal occupation. The recommendation must also describe the qualifications, attributes, skills or other qualities possessed by the recommended director candidate. A written statement from the candidate consenting to serve as a director, if elected, must accompany any such recommendation.

In addition, stockholders wishing to formally nominate a candidate for election as a director may do so provided they comply with the notice procedures set forth in Section 2.04 of the Company's Amended and Restated Bylaws. A nominating stockholder must be a stockholder of record on both the date of the giving of the required notice of proposed nomination and the record date for determining the stockholders entitled to notice of and to vote at the relevant meeting of the stockholders.

The notice of a nominating stockholder in respect of an annual meeting of stockholders must be in writing and delivered in person or by United States certified mail, postage prepaid, and received by the Corporate Secretary of the Company, at the principal executive offices of the Company, not less than 120 days nor more than 150 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, which, for purposes of the Company's 2018 Annual Meeting, means no earlier than the close of business on January 16, 2018 and no later than the close of business on February 15, 2018. The Corporate Secretary of the Company will deliver any stockholder nominations received in a timely manner for review by the Nominating and Board Governance Committee.

The informational requirements for stockholder notices with respect to the nomination of director candidates are detailed and include the disclosure of all derivative and synthetic instruments and short interests held by the nominating stockholder and such stockholder's affiliates or associates as well as by any proposed nominee.

A stockholder providing notice of any nomination proposed to be made at an annual meeting of stockholders must update and supplement such notice, if necessary, so that the information provided is true and correct as of the record date for determining the stockholders entitled to receive notice for the annual meeting. Such update and supplement must be delivered either in person or by United States certified mail, postage prepaid, and received by the Corporate Secretary of the Company, at the principal executive offices of the Company, not later than five business days after the record date for the annual meeting at issue.

No person may be elected as a director unless he or she has been nominated by a stockholder in the manner just described or by the Board or a committee of the Board.

Directors Who Substantially Change Their Job Responsibility

A director must inform the Company Chairman or the Lead Independent Director, and the Chair of the Nominating and Board Governance Committee as promptly as feasible, in advance, if the director is contemplating a change in employment, membership on another public company board of directors, or any other board membership or other change in status or circumstances that might cause the Board to conclude that the director is no longer independent, is no longer qualified to serve on the Board or might not be able to continue to serve effectively or that such service otherwise is no longer appropriate. Such prior notice is intended to permit management of the Company to conduct a preliminary analysis of the potential impact of the proposed change on the director's independence and/or service, and for the Company Chairman or the Lead Independent Director, and the Chair of the Nominating and Board Governance Committee to consider that analysis and, as appropriate, to consult with the director before the director commits to the proposed change. If the determination is made that the potential change constitutes a conflict of interest or interferes with the director's ability to carry out his or her responsibilities as a director of the Company, the director must immediately submit a letter of resignation or not proceed with the potential change.

If sufficient prior notice cannot be given, the director must immediately submit a letter of resignation to the Company Chairman or the Lead Independent Director, and the Chair of the Nominating and Board Governance Committee. Upon receipt of such a letter of resignation, the Company Chairman or the Lead Independent Director, and the Chair of the Nominating and Board Governance Committee will duly consider the matter and make a timely recommendation to the full Board of the appropriate action, if any, to be taken with respect to the resignation.

It is not the sense of the Board that in every instance a director who is contemplating a change in the director's job responsibility or other status should leave the Board. There should, however, be an opportunity for the Board, through the Company Chairman or the Lead Independent Director, and the Chair of the Nominating and Board Governance Committee, to review the effect, if any, of the proposed change on the interests of the Company.

In April 2016, Ms. Brooks provided notice to our Executive Chairman of the Board and our General Counsel of her interest in joining the board of directors of Chico's FAS, Inc., an international specialty store group with brands targeting women 30 years and older. After review, it was determined that Ms. Brooks' role and responsibilities as a director of Chico's FAS, Inc. did not impact her status as an independent director of the Company or impact her qualifications to serve on our Board.

In June 2016, Ms. Gallagher provided notice to our Executive Chairman of the Board and our General Counsel of her interest in joining the board of directors of La-Z-Boy Incorporated, a leading residential furniture producer, and her interest in serving as Executive Advisor at FitForCommerce, a boutique consultancy focused on helping retailers and brands navigate the provider landscape. After review, it was determined that Ms. Gallagher's role and responsibilities as a director of La-Z-Boy Incorporated and as Executive Advisor at FitForCommerce did not impact her status as an independent director of the Company or impact her qualifications to serve on our Board.

Board Role in Risk Oversight

The Board oversees the management of risks related to the operation of our Company. As part of its oversight, the Board receives periodic reports from members of our Enterprise Risk Management Committee, which is comprised of senior management of the Company, on various aspects of risk, including our enterprise risk management program. The committees of the Board also oversee the management of risks that fall within their respective areas of responsibility. In performing this function, each Board committee has full access to management, as well as the ability to engage advisors. The Chair of each Board committee reports on the applicable committee's activities at each Board meeting and has the opportunity to discuss risk management with the full Board at that time.

Table of Contents

The Audit and Finance Committee oversees our policies with respect to risk assessment and risk management, as required under its charter and by applicable NYSE Rules. As an extension of this role, the Audit and Finance Committee oversees the Company's enterprise risk management framework, the risk tolerance of the Company, the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Audit and Finance Committee also receives quarterly reports from the Enterprise Risk Management Committee and the Company's General Counsel on various issues of risk and risk management programs. In addition, the Audit and Finance Committee meets privately on a regular basis with representatives of the Company's independent registered public accounting firm to discuss the Company's auditing and accounting processes and management.

The Compensation and Organization Committee assesses the incentives and risks arising from or related to the Company's compensation programs and plans. The Compensation and Organization Committee receives a risk assessment from its independent compensation consultant that analyzes the risks represented by each component of our executive compensation program, as well as mitigating factors, as discussed in further detail below.

The Nominating and Board Governance Committee reviews issues related to the Company's governance structure, corporate governance matters and processes and risks arising from related person transactions.

The Corporate Social Responsibility Committee reviews issues related to diversity and inclusion, human rights and environmental and philanthropic matters.

Risk Assessment in Compensation Programs

Consistent with SEC disclosure requirements, management of the Company and the Compensation and Organization Committee have assessed the Company's compensation programs. Based upon all of the facts and circumstances available to the Company at the time of the filing of this Proxy Statement, management of the Company and the Compensation and Organization Committee have concluded that there are no risks arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company. This assessment was overseen by the Compensation and Organization Committee, in consultation with its independent counsel and independent compensation consultant.

We reviewed the compensation policies and practices in effect for our executive officers, our senior management and our associates and assessed the features we have built into the compensation programs to discourage excessive risk-taking. These features include, among other things, a balance between different elements of compensation and use of different time periods and performance metrics for different elements of compensation. The annual cash incentive program under the Abercrombie & Fitch Co. Incentive Compensation Performance Plan (the Incentive Plan) for the Leadership Team reflects performance on Adjusted EBIT goals and a scorecard of strategic and operational performance measures, as well as individual performance. The annual cash incentive program under the Incentive Plan for associates below the Leadership Team reflected corporate and brand-based performance measures for Fiscal 2016. The Company has also imposed stock ownership guidelines on senior management and included clawback provisions in our cash-based incentive plans and our equity-based incentive plans which are applicable to all participating associates.

Base Salary

Each job held by an associate below the Leadership Team level is assessed against the competitive market, and a range of base pay (within an overall salary grade structure) is assigned.

Individual merit pay decisions are constrained by a grid which relates the size of a pay increase to a given level of individual performance and/or competitive market position, subject to aggregate caps (*i.e.*, the merit increase budget).

Table of Contents

At the Leadership Team level and for certain other designated officers, the Company reviews market data for the applicable position, and all pay decisions are reviewed and approved by the Compensation and Organization Committee.

Incentive Compensation

In Fiscal 2016, annual cash incentive payments to Leadership Team members were determined by overall Company performance on Adjusted EBIT goals and a scorecard of strategic and operational performance measures, as well as individual performance.

Adjusted EBIT is also used to determine the annual cash incentive pool below the Leadership Team and is a critical measure of the overall operating results of the business.

The Compensation and Organization Committee approves all goals for the annual cash incentive program and reviews and certifies performance achievement at the conclusion of the year.

The ability for a single individual to affect overall corporate EBIT is limited to a handful of the most senior executives.

Individual awards are capped for every associate, and are subject to Compensation and Organization Committee approval and, if necessary, the Compensation and Organization Committee's negative discretion.

Long-Term Equity-Based Incentive Plans

In Fiscal 2016, the Company granted a mix of performance share awards (PSAs) and restricted stock units (RSUs). For Leadership Team members, including the NEOs, the mix was 50% in PSAs and 50% in time-vested RSUs with a Section 162(m) performance hurdle. Lower management levels received time-vested RSUs.

These awards vest over three or four years subsequent to grant, and provide a significant retention hold on associates, who would forfeit considerable value should they leave the Company prior to vesting.

In Fiscal 2016, the design of the PSAs granted to the NEOs provided for vesting based upon two performance metrics linked to the Company's operating and stockholder return goals: Return on Invested Capital (ROIC) and Total Stockholder Return (TSR) versus the S&P Retail Select Industry Index (Relative TSR).

For PSAs, the time frame for measuring performance extends over three years, and three-year cliff vesting applies.

The Compensation and Organization Committee approves all PSA goals and reviews and certifies performance achievement at the conclusion of the three-year performance cycle.

Use of complementary metrics for annual cash incentives and PSAs, as well as a variety of time frames, serves to further mitigate risk.

Compensation of Directors

Any officer of the Company who is also a director receives no additional compensation for services rendered as a director. For Fiscal 2016, directors who are not associates of the Company or our subsidiaries (non-associate directors) were entitled to receive and, except as described

below with respect to Arthur C. Martinez, they continue to be entitled to receive:

an annual cash retainer of \$65,000 for Board service (paid quarterly in arrears);

an additional annual cash retainer for each standing committee Chair and member of \$25,000 and \$12,500, respectively, other than (i) the Chair and the members of the Audit and Finance Committee who

Table of Contents

are to receive an additional annual cash retainer of \$40,000 and \$25,000, respectively; and (ii) the Chair of the Compensation and Organization Committee who is to receive an additional annual cash retainer of \$30,000, in each case for serving in the stated capacity. In each case, the retainers are paid quarterly in arrears; and

an annual grant of RSUs, to be granted on the date of the annual meeting of stockholders of the Company (if the non-associate directors continue to serve after the annual meeting of stockholders) and which will vest on the earlier of (i) the first anniversary of the grant date or (ii) the date of the next regularly scheduled annual meeting of stockholders of the Company after the grant date; in each case, subject to earlier vesting in the event of a non-associate director's death or total disability or upon a change of control of the Company.

For Fiscal 2016, non-associate directors were eligible to receive, and, except as described below with respect to Mr. Martinez, they continue to be eligible to receive, an annual grant of RSUs on the date of the annual meeting of stockholders of the Company (if they continue to serve after the annual meeting of stockholders), with the market value of the underlying shares of Common Stock on the grant date to be \$150,000. This grant, based on the market value of the shares of Common Stock underlying the RSUs to be granted, aligns with market practice and results in a consistent market value for the RSUs granted each year. The RSUs will vest on the earlier of (i) the first anniversary of the grant date or (ii) the date of the next regularly scheduled annual meeting of stockholders of the Company after the grant date; in each case, subject to earlier vesting in the event of a non-associate director's death or total disability or upon termination of service in connection with a change of control of the Company.

In Mr. Martinez's capacity as Non-Executive Chairman of the Board, for Fiscal 2016, he received:

an additional annual cash retainer of \$200,000 (the Non-Executive Chairman Cash Retainer), paid quarterly in arrears; and

an additional annual grant of RSUs, with the market value of the underlying shares of Common Stock on the grant date being \$100,000 (the Non-Executive Chairman RSU Retainer). The Non-Executive Chairman RSU Retainer was deferred by Mr. Martinez pursuant to the Directors' Deferred Compensation Plan in Fiscal 2016.

The annual Non-Executive Chairman RSU Retainer for Fiscal 2016 is subject to the following provisions:

RSUs were granted on the date of the 2016 Annual Meeting; and

RSUs will vest on the earlier of (i) the first anniversary of the grant date or (ii) the date of the next regularly scheduled annual meeting of stockholders of the Company after the grant date; in each case, subject to earlier vesting in the event of Mr. Martinez's death or total disability or upon a change of control of the Company.

On December 8, 2014, the Board appointed Mr. Martinez to serve as Executive Chairman of the Board and formed an Office of the Chairman. At that time, Mr. Martinez did not receive any additional compensation. As a result of this appointment, Mr. Martinez led the Office of the Chairman in his capacity as the representative of the Board. In addition, certain officers of the Company, including certain members of the former Office of the Chairman, reported to Mr. Martinez as a representative of the Board. On April 20, 2015, in connection with the expanded responsibilities and increased time commitment associated with his appointment as Executive Chairman of the Board, the Board determined to award additional compensation to Mr. Martinez to compensate him appropriately in his new role. Such compensation was to end coincident with the appointment of a new Chief Executive Officer of the Company.

In Mr. Martinez's capacity as Executive Chairman of the Board, for Fiscal 2016, he received (in addition to the compensation received by all non-associate directors, the Non-Executive Chairman Cash Retainer and the Non-Executive Chairman RSU Retainer):

an additional annual cash retainer of \$625,000 (the Original Executive Chairman Cash Retainer), paid quarterly in arrears; and

Table of Contents

an additional annual grant of RSUs, with the market value of the underlying shares of Common Stock on the grant date being \$1,875,000 (the Original Executive Chairman RSU Retainer).

The Original Executive Chairman RSU Retainer for Fiscal 2016 was subject to the following provisions:

RSUs were granted on the date of the 2016 Annual Meeting;

RSUs were to vest on the earliest of: (i) the date on which the Board appoints a Chief Executive Officer of the Company, unless the Board determined otherwise; (ii) the first anniversary of the grant date; or (iii) the date of the next regularly scheduled annual meeting of stockholders of the Company after the grant date; in each case, subject to earlier vesting in the event of Martinez 's death or total disability or upon a change of control of the Company;

RSUs that vest due to the appointment of a Chief Executive Officer of the Company were to be pro-rated for the portion of the year that has elapsed between the grant date and the date of appointment of a Chief Executive Officer, unless the Board determined otherwise; and

if Mr. Martinez 's service as Executive Chairman of the Board were to end for any reason other than his death or total disability or appointment of a Chief Executive Officer of the Company, a pro-rata portion of the unvested RSUs were to vest to reflect the portion of the year that has elapsed between the grant date and the date on which his service as Executive Chairman of the Board ended.

On January 30, 2017, the Board appointed Fran Horowitz to serve as the Chief Executive Officer of the Company, effective February 1, 2017. In conjunction with Ms. Horowitz 's appointment as the Chief Executive Officer of the Company, the Board dissolved the Office of the Chairman, effective February 1, 2017. In addition, all officers of the Company who had reported to Mr. Martinez while he was leading the Office of the Chairman in his capacity as the representative of the Board, would now report directly to Ms. Horowitz.

In connection with the appointment of Ms. Horowitz as Chief Executive Officer of the Company, the Board determined on April 3, 2017 that the compensation to be received by Mr. Martinez in his role as Executive Chairman of the Board will be modified to reflect the reduced responsibilities Mr. Martinez will have in the future. The annual cash retainers received in the capacity as a non-associate director (whether for Board service or Board committee service), the Non-Executive Chairman Cash Retainer and the Original Executive Chairman Cash Retainer will no longer be paid to Mr. Martinez effective as of February 1, 2017. The Original Executive Chairman RSU Retainer which had been granted to Mr. Martinez on the date of the 2016 Annual Meeting was vested on April 3, 2017 with the number of vested RSUs based on the period of time which elapsed from June 16, 2016 to February 1, 2017. Mr. Martinez 's other outstanding RSU awards (*i.e.*, the award received as a non-associate director and the Non-Executive Chairman RSU Retainer) will vest in full in accordance with their terms as described above.

Mr. Martinez will no longer receive the same cash compensation as the other non-associate directors for Board service or Board committee service and he will no longer receive the Non-Executive Chairman Cash Retainer or the Original Executive Chairman Cash Retainer. In addition, beginning with the next annual meeting of stockholders of the Company, he will no longer receive the same annual grant of RSUs as the other non-associate directors and he will not receive the annual grant of the Non-Executive Chairman RSU Retainer or the Original Executive Chairman RSU Retainer.

In his capacity as Executive Chairman of the Board, from and after February 1, 2017, Mr. Martinez is to receive:

an annual cash retainer of \$500,000 (the New Executive Chairman Cash Retainer), to be paid quarterly in arrears.

Table of Contents

The New Executive Chairman Cash Retainer to be received by Mr. Martinez for the period of time between February 1, 2017 and June 15, 2017 will be based on the portion of a full year that such period of time represents; and

an annual grant of RSUs, with the market value of the shares of Common Stock underlying the annual grant to be \$1,000,000 on the grant date (the New Executive Chairman RSU Retainer).

Effective April 3, 2017, Mr. Martinez was granted a pro-rated New Executive Chairman RSU Retainer that:

was based on the portion of a full year that the period of time between February 1, 2017 and June 15, 2017 represents (or 32,318 RSUs with a market value of \$367,132);

based the number of RSUs granted on the closing price of a share of the Company's Common Stock on the April 3, 2017 grant date (if the closing price of a share of the Company's Common Stock had been higher on February 1, 2017, the closing price on February 1, 2017 would have been used in determining the number of RSUs granted the closing price was the same on each of February 1, 2017 and April 3, 2017); and

will vest on the earlier of (i) the first anniversary of the grant date or (ii) the date of the next regularly scheduled annual meeting of stockholders of the Company after the grant date; in each case, subject to earlier vesting in the event of Mr. Martinez's death or total disability or upon a change of control of the Company.

Beginning with the date of the next annual meeting of the stockholders of the Company, unless the Board determines otherwise, the full amount of the annual New Executive Chairman Cash Retainer will be paid (quarterly in arrears) and the annual grant of the New Executive Chairman RSU Retainer will be subject to the following provisions:

RSUs representing the full amount of the New Executive Chairman RSU Retainer are to be granted on the date of the annual meeting of stockholders of the Company (if Mr. Martinez continues to serve after the annual meeting of stockholders); and

RSUs will vest on the earlier of (i) the first anniversary of the grant date or (ii) the date of the next regularly scheduled annual meeting of stockholders of the Company after the grant date; in each case, subject to earlier vesting in the event of Mr. Martinez's death or total disability or upon a change of control of the Company.

All non-associate directors are reimbursed for their expenses for attending meetings of the Board of Directors and Board committees and receive the discount on purchases of the Company's merchandise extended to all Company associates.

The Company has maintained the Directors' Deferred Compensation Plan since October 1, 1998. The Directors' Deferred Compensation Plan was split into two plans (Plan I and Plan II) as of January 1, 2005 to comply with Internal Revenue Code Section 409A. The terms of Plan I govern amounts deferred (within the meaning of Section 409A) in taxable years beginning before January 1, 2005 and any earnings thereon. The terms of Plan II govern amounts deferred in taxable years beginning on or after January 1, 2005 and any earnings thereon. Voluntary participation in the Directors' Deferred Compensation Plan enables a non-associate director of the Company to defer all or a part of his or her retainers, meeting fees (which are no longer paid) and stock-based incentives (including options, restricted shares of Common Stock and RSUs). The deferred compensation is credited to a bookkeeping account where it is converted into a share equivalent. Stock-based incentives deferred pursuant to the Directors' Deferred Compensation Plan are credited as shares of Common Stock. Amounts otherwise payable in cash are converted into a share equivalent based on the fair market value of the Company's Common Stock on the date the amount is credited to a non-associate director's bookkeeping account. Dividend equivalents will be credited on the shares of Common Stock credited to a non-associate director's bookkeeping account (at the same rate as cash dividends are paid in respect of outstanding shares of Common Stock) and converted into a share equivalent. Each non-associate director's only right with respect to

Table of Contents

his or her bookkeeping account (and the amounts allocated thereto) will be to receive distribution of the amount in the account in accordance with the terms of the Directors' Deferred Compensation Plan. Distribution of the deferred amount is made in the form of a single lump-sum transfer of the whole shares of Common Stock represented by the share equivalents in the non-associate director's bookkeeping account (plus cash representing the value of fractional shares) or annual installments in accordance with the election made by the non-associate director. Shares of Common Stock will be distributed under the Company's 2016 Directors LTIP in respect of deferred compensation allocated to non-associate directors' bookkeeping accounts on or after June 16, 2016, under the Company's 2005 Long-Term Incentive Plan (the "2005 LTIP") in respect of deferred compensation allocated to non-associate directors' bookkeeping accounts between August 1, 2005 and June 15, 2016, under the Company's 2003 Stock Plan for Non-Associate Directors in respect of deferred compensation allocated to non-associate directors' bookkeeping accounts between May 22, 2003 and July 31, 2005 and under the 1998 Restatement of the Company's 1996 Stock Plan for Non-Associate Directors in respect of deferred compensation allocated to non-associate directors' bookkeeping accounts prior to May 22, 2003.

The following table summarizes the compensation paid to, awarded to or earned by, each individual who served as a non-associate director during Fiscal 2016 for service on the Board. The Company's Chief Executive Officer Fran Horowitz is not included in this table as she was not appointed as a director until February 1, 2017. Further, as an officer of the Company, she receives no compensation for her services as a director. The compensation received by Ms. Horowitz as an officer of the Company is shown in the **Fiscal 2016 Summary Compensation Table** beginning on page 80 of this Proxy Statement and discussed in the text and tables included under the section captioned **EXECUTIVE OFFICER COMPENSATION** beginning on page 80 of this Proxy Statement.

**PROPOSAL 2 ADVISORY VOTE ON THE FREQUENCY OF
THE FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

In Proposal 3 below, the Company is asking stockholders to vote on executive compensation, and has provided this type of advisory vote every year since 2011. Under Exchange Act Rule 14a-21(b), the Company is required to include a separate resolution subject to a stockholder advisory vote at least once every six years with respect to the frequency of the future advisory votes on executive compensation. The last such advisory vote occurred at the Company's 2011 Annual Meeting of Stockholders. Accordingly, the Company is now asking stockholders to vote on whether future advisory votes on executive compensation should occur every year, every two years or every three years.

After careful consideration, the Board has determined that holding an advisory vote on executive compensation every year continues to be the most appropriate policy for the Company, and unanimously recommends that stockholders vote for future advisory votes on executive compensation to occur every year. While the Company's executive compensation programs are designed to promote a long-term connection between pay and performance, the Board recognizes that executive compensation disclosures are made annually. Holding an annual advisory vote on executive compensation also provides the Company with more direct and immediate feedback on our compensation disclosures. However, stockholders should note that because the advisory vote on executive compensation occurs well after the beginning of the compensation year, and because the different elements of our executive compensation programs are designed to operate in an integrated manner and to complement one another, in many cases it may not be appropriate or feasible to change the Company's executive compensation programs in consideration of any one year's advisory vote on executive compensation by the time of the following year's annual meeting of stockholders.

The Company understands that our stockholders may have different views as to what is an appropriate frequency for advisory votes on executive compensation, and we will carefully review the voting results on this proposal. Stockholders will be able to specify one of four choices for this proposal on the form of proxy: one year; two years; three years; or abstain. Stockholders are not voting to approve or disapprove the Board's recommendation. This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Board. Notwithstanding the Board's recommendation and the outcome of the stockholder vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE TO CONDUCT THE FUTURE
ADVISORY VOTES ON EXECUTIVE COMPENSATION *EVERY 1 YEAR.***

Required Vote

The non-binding vote on the frequency of the future advisory votes on executive compensation requires the approval of the affirmative vote of a majority in voting interest of the stockholders present in person or by proxy and voting thereon. Under applicable NYSE Rules, broker non-votes will not be treated as votes cast. Abstentions will not be counted as votes for any of the choices under the proposal.

PROPOSAL 3 ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

We are asking stockholders to approve an advisory resolution on the Company's executive compensation as reported in this Proxy Statement. As described below in the **COMPENSATION DISCUSSION AND ANALYSIS** section of this Proxy Statement beginning on page 58, the Company implemented significant changes to its compensation programs for its NEOs for Fiscal 2015. Because of the high level of stockholder support that we obtained at the 2016 Annual Meeting, changes for Fiscal 2016 were limited.

Stockholders are urged to read the **COMPENSATION DISCUSSION AND ANALYSIS** beginning on page 58 of this Proxy Statement, which describes in more detail how the Company's executive compensation policies and procedures achieve the Company's compensation objectives, as well as the **Fiscal 2016 Summary Compensation Table** beginning on page 80 of this Proxy Statement and related compensation tables, notes and narrative, which provide detailed information on the compensation of the NEOs.

In accordance with Exchange Act Rule 14a-21(a), and as a matter of good corporate governance, the Company is asking stockholders to approve the following advisory resolution at the Annual Meeting:

RESOLVED, that the stockholders of Abercrombie & Fitch Co. (the Company) approve, on an advisory basis, the compensation of the Company's named executive officers disclosed in the Compensation Discussion and Analysis, the Fiscal 2016 Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company's 2017 Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a Say on Pay vote, is non-binding on the Board. Although non-binding, the Board and the Compensation and Organization Committee will carefully review and consider the voting results when evaluating our executive compensation programs for Fiscal 2018 and future years. Taking into account the advisory vote of stockholders regarding the frequency of future advisory votes to approve executive compensation at our 2011 Annual Meeting of Stockholders, the Board's current policy is to include an advisory resolution regarding approval of the compensation of our named executive officers annually. The timing of the next advisory vote to approve our executive compensation is dependent upon the outcome of the vote with respect to **Proposal 2 ADVISORY VOTE ON THE FREQUENCY OF THE FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**, which is discussed on page 57 of this Proxy Statement.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE *FOR*

THE APPROVAL OF THE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION.

Required Vote

The approval of the advisory resolution on executive compensation requires the affirmative vote of a majority in voting interest of the stockholders present in person or by proxy and voting thereon. Under applicable NYSE Rules, broker non-votes will not be treated as votes cast. Abstentions will not be counted as votes **FOR** or **AGAINST** the proposal.

The compensation programs are governed by our Compensation and Organization Committee, which is comprised solely of independent directors of the Company.

Executive Summary

Continued, Multi-Year Transition of Abercrombie & Fitch Leadership

We continued to make organizational changes during Fiscal 2016, continuing the evolution that we began at the end of Fiscal 2013 and that included the retirement of Michael S. Jeffries, our former Chief Executive Officer, at the end of Fiscal 2014. Among other factors, these changes were designed to support a transition in leadership and a move to a brand-based organizational model. They also reflect our commitment to best practices in corporate governance.

Table of Contents

Key personnel changes in Fiscal 2016 and early Fiscal 2017 solidified our core Leadership Team, including our hiring of two Brand Presidents, the naming of a new Chief Executive Officer and the elevation of our Chief Financial Officer to the Chief Operating Officer position. A timeline of key leadership changes is as follows:

Fiscal 2016 Financial Results

Our financial results for Fiscal 2016 fell short of our expectations during what was, and continues to be, a challenging operating environment for our industry. That said, our efforts to create a more customer-centric and consistent voice, product and experience for the Hollister brand have been well received by consumers and contributed to the brand's comparable store sales growth in the fourth quarter. While our efforts to revitalize the Abercrombie brand have not yet met the same success, the lessons learned at Hollister are now being applied at the Abercrombie brand as well.

Fiscal 2016 also marked significant progress across a number of our strategic priorities for both brands. We continued to make significant investments in our product, stores, people and processes with the aim to better position the Company for improved future performance. Efforts to improve consumer engagement have allowed us to better understand what inspires our customers and have informed efforts to evolve the identities for each of our brands, as well as allowing us to improve product assortment and merchandising. Store closures and remodels, channel optimization initiatives, and ongoing investments in direct-to-consumer and omnichannel capabilities have kept us nimble in, and responsive to, the evolving retail landscape.

For Fiscal 2017, we continue to manage the business with an eye toward disciplined investment across these strategic priorities – balancing top-line growth initiatives with efforts to improve operating efficiency that will drive incremental bottom-line results.

Table of Contents

Fiscal 2016 Strategic and Operational Driver Results

Strategic and Operational Drivers	Results
Increase Company Net Promoter Score	Net Promoter Score gains were achieved for both Stores and Direct-to-Consumer (DTC) segments, due in part to an increased focus on leveraging customer feedback tools
Increase Consideration	Consideration at both the Abercrombie & Fitch/abercrombie kids and the Hollister brands was generally in line with the Company's expectations
Increase Traffic Likes	Sequential improvement in DTC traffic showed modest improvement while Stores traffic fell below expectations
	Overall Company traffic was below expectations
Increase Conversion Likes	Store conversion trended positively
	DTC showed double-digit increase in conversion due in part to improved promotional cadence and investment in the customer experience
Continuous Profit Improvement	Continuous Profit Improvement initiatives achieved cost savings well in excess of plan
Increase Associate Retention	Significant improvement in retention among Stores Management in response to compensation and role enhancements and among Home Office Associates due to continued stabilization of Company leadership

Pay for Performance Culture

During Fiscal 2016, the Company continued to evolve our business and respond to challenges in the macroeconomic and consumer environment, but despite the progress made, our financial and stockholder return performance fell short of expectations. The Company remains committed to: (i) creating long-term value for stockholders by increasing accountability for the performance of the Company's brands; and (ii) aligning the outcomes of the Company's compensation programs with the Company's performance.

The Company's pay for performance culture is evidenced by the following incentive outcomes for Fiscal 2016:

No annual cash incentive payments were made for Fiscal 2016, reflecting the Compensation and Organization Committee's evaluation that Company financial performance was below the threshold performance level; and

No payout was made with respect to the recently completed Fiscal 2014-Fiscal 2016 PSA cycle, as the Compensation and Organization Committee determined that performance for all tranches of these awards was achieved below threshold.

Table of Contents

In addition, all of the outstanding in-cycle PSA cycles are trending below threshold, and all option awards and all SAR awards held by our NEOs were underwater as of the end of Fiscal 2016.

Fiscal 2016 Annual Cash Incentive Program	Status of Outstanding PSA Cycles	
	Fiscal 2014	3-yr Relative TSR (33%)
	Fiscal 2016	3-yr ROE (33%)
		Annual EBIT Margin Improvement (11% each year)
<p>Company Adjusted EBIT results for Spring (30%) and Fall (70%) seasons fell below the pre-established threshold</p> <p>No adjustments were made for strategic, operational or individual performance</p>	Fiscal 2015	<p>All tranches forfeited 3-yr Relative TSR (50%)</p>
	Fiscal 2017	3-yr Average ROIC (50%)
	Fiscal 2016	<p>Trending below threshold 3-yr Relative TSR (50%)</p>
	Fiscal 2018	<p>3-yr Average ROIC (50%)</p> <p>Trending below threshold</p>

Stockholder Outreach on Say on Pay Vote

As a result of the Company’s extensive stockholder outreach efforts and responsiveness to stockholder concerns, stockholders representing over 96% of the votes cast voted in favor of the Company’s executive compensation program at the 2016 Annual Meeting. The Company continued in Fiscal 2016 to have extensive dialogue with our stockholders in Fiscal 2016. Over the past twelve months, we held discussions with stockholders who, in the aggregate represented approximately 50% of the shares of Common Stock eligible to be voted at the Annual Meeting. The Company expects to continue such discussions and, as a matter of policy and practice, fosters and encourages ongoing engagement with our stockholders on compensation and other matters.

Compensation Structure in Fiscal 2016

After several years of significant change, our compensation programs remained largely unchanged in Fiscal 2016. The modest changes made to our compensation structure in Fiscal 2016 included: (i) the adoption of a formalized structure for the use of forward-looking strategic drivers in the measurement of Company performance for the annual cash incentive program under the Incentive Plan; and (ii) the transition to an equal mix of long-term incentive vehicles of 50% delivered in PSAs and 50% delivered in time-vested RSUs with a Section 162(m) performance hurdle. We believe the program structure in Fiscal 2016 created a significant retention tool and provided greater flexibility to differentiate high performance during a difficult retail environment. An overview of our program for Fiscal 2016 is shown below:

Base Salary

Base salaries are reviewed annually in March and upon a significant change in an executive officer's role.

For Fiscal 2016, Ms. Horowitz received an increase of 11% following her promotion to President & Chief Merchandising Officer, and Ms. Crevoiserat received an increase of 12% following her appointment to the Office of the Chairman.

The other NEOs did not receive a salary increase in Fiscal 2016.

Annual Cash Incentive Program

Company performance is based on a retrospective assessment of EBIT performance (weighted 30% for Spring and 70% for Fall, the same basis as is used for the broad-based population).

The resulting Company score may be adjusted up or down, by up to 20%, based on an assessment of forward-looking, strategic drivers that are directly linked to the Company's strategic priorities, and are considered to be leading indicators of future financial performance.

No annual cash incentive payments were made for Fiscal 2016 as Adjusted EBIT performance was achieved below the threshold performance level.

Long-Term Incentives

Long-term incentive awards to the Leadership Team were granted 50% in the form of PSAs and 50% in the form of time-vested RSUs with a Section 162(m) performance hurdle.

The final measurement period of the Fiscal 2014-Fiscal 2016 PSA cycle was completed in Fiscal 2016, and it was determined that performance for all tranches of these awards was achieved below threshold. As such, all underlying shares of Common Stock were forfeited.

Best Practices

The following compensation decisions and practices demonstrate how the Company's executive compensation program reflects best practices and reinforces the Company's culture and values:

Emphasis on At-Risk Pay For NEOs, the majority of their total compensation opportunity is contingent upon the Company's financial performance and appreciation in the market price of the Company's Common Stock.

Rigorous Performance Metrics Both the annual cash incentive payments and the PSA awards are earned based on corporate financial results. Starting in Fiscal 2015, annual cash incentive payments are

earned for meeting challenging financial and strategic and operational performance measures, as well as recognizing and rewarding individual performance. The earning of PSAs depends on two critical metrics, measured over a three-year period: Relative TSR and ROIC. The performance targets underlying the cash-based incentive plans and the equity-based incentive plans are intended to be challenging and for the periods covering Fiscal 2016, resulted in no payouts under the 2016 annual cash incentive program and forfeiture of all shares of Common Stock underlying the Fiscal 2014-Fiscal 2016 PSA cycle.

No Excise Tax Gross-Up Payments None of the NEOs are entitled to gross-up payments in the event that any payments or benefits provided to her or him by the Company are subject to the golden parachute excise tax under Sections 280G and 4999 of the Internal Revenue Code.

Stock Ownership Guidelines Executive officers and directors are subject to stock ownership guidelines that align their long-term financial interests with those of the Company's stockholders.

Clawback Policy Each of the plans pursuant to which annual and long-term incentive compensation may be paid to the Company's executive officers includes a stringent clawback provision, which allows the Company to seek repayment of any incentive amounts that were erroneously paid, without any requirement of misconduct on the part of the plan participant.

Derivatives and Hedging Policy The Company prohibits associates (including the NEOs) and directors from engaging in hedging transactions with respect to any equity securities of the Company held by them.

Policy Against Pledging The Company prohibits associates (including the NEOs) and directors from pledging any equity securities of the Company held by them.

Policy Against Re-Pricing The Company prohibits re-pricing of stock options or SARs without stockholder approval.

Compensation Process and Objectives

The Compensation and Organization Committee, in consultation with management of the Company and the Compensation and Organization Committee's independent advisors, oversees the executive compensation and benefits program for the Company's NEOs. The compensation program is comprised of a combination of base salary, annual incentive compensation, long-term incentives and associate benefits.

The Company operates in the fast-paced and highly-competitive arena of specialty retail. To be successful, the Company must attract and retain key creative and management talents who thrive in this environment. The Company sets high goals and expects superior performance from these individuals. The Company's executive compensation structure is designed to support this culture, encourage a high degree of teamwork, and reward individuals for achieving challenging financial and operational objectives that we believe lead to the creation of sustained, long-term stockholder value. As such, the Company's executive compensation and benefit programs are designed to:

Drive high performance to achieve financial goals and create long-term stockholder value;

Reflect the strong team-based culture of the Company;

Support the transition to a brand-based organizational model; and

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

Provide compensation opportunities that are competitive with those offered by similar specialty retail organizations and other companies with which the Company competes for high caliber executive talent.

Table of Contents**Fiscal 2016 Compensation Actions****Base Salary**

The base salaries of the NEOs reflect the Company's operating philosophy, culture and business direction, with each base salary determined based upon an annual assessment of a number of factors, including the individual's current base salary, job responsibilities, internal equity considerations, impact on development and achievement of business strategy, labor market compensation data, individual performance relative to job requirements, the Company's ability to attract and retain critical executive officers, and base salaries paid for comparable positions within an identified compensation peer group. No specific goals or weightings are applied to the factors considered in setting the level of base salary and, thus, the process relies on the subjective exercise of the Compensation and Organization Committee's judgment.

⁽¹⁾ Mr. Ramsden voluntarily resigned from his employment with the Company on June 15, 2016. See the section below captioned **Compensation and Benefits Structure Resignation of Jonathan E. Ramsden** for additional details on Mr. Ramsden's departure.

The base salaries of the NEOs are reviewed annually by the Compensation and Organization Committee in March, with additional reviews upon significant changes in an executive's role. Fiscal 2016 base salaries were established with reference to market data published by numerous sources including the peer group described below and surveys published by Hay Group and Equilar.

Annual Cash Incentive Program

The Fiscal 2016 annual cash incentive program for the Company's Leadership Team, including the NEOs, mirrored the design implemented in Fiscal 2015. The approach for Fiscal 2016 was designed to provide the Compensation and Organization Committee with flexibility during the ongoing business transformation to reward (or decline to reward) NEOs and selected other senior executives as appropriate based on performance, in alignment with stockholder interests.

The Compensation and Organization Committee intends that any payments under this approach qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code and under the Company's stockholder-approved Incentive Plan, but retains the flexibility to pay non-deductible incentive compensation at its discretion. Annual cash incentive payments, had they been achieved, would have been subject to a minimum performance hurdle of \$100 million in Adjusted EBIT, below which no payments would have been made.

Table of Contents

Assuming the Section 162(m) minimum performance hurdle is achieved, Adjusted EBIT, measured over the Company's two seasons (Spring, 30% weight and Fall, 70% weight), serves as the primary measure of financial performance. The Compensation and Organization Committee may adjust the resulting financial performance score, up or down by up to 20%, for achievement across a scorecard of strategic and operational performance measures. The final Company score may then be modified by individual performance, at the discretion of the Compensation and Organization Committee.

Actual Company Adjusted EBIT results for the Spring and Fall seasons fell below the pre-established threshold performance range, so no annual cash incentive program payouts were made for Fiscal 2016.

Total Company Financial Performance:

Performance Period	Adjusted EBIT (\$000)			Actual Result ⁽²⁾	Payout
	Threshold ⁽¹⁾	Target	Maximum		Percentage
Spring Season (30% weighting)	\$(60,000)	\$(36,000)	\$0	\$ (78,995)	0%
Fall Season (70% weighting)	\$130,000 to \$144,000	\$200,600	\$240,000	\$ 79,208	0%
Preliminary Payout Percentage for Weighted-Average Company Financial Performance					0%

(1) Payout of 25% of target would be achieved for performance at the threshold Adjusted EBIT goal of \$(60,000,000) for Spring and within the threshold Adjusted EBIT range of \$130,000,000 to \$144,000,000 for Fall, with zero payment for performance below these levels.

(2) Adjustments to reported GAAP EBIT may include items related to foreign exchange rate fluctuations, restructurings, legal settlements or impairment charges.

Table of Contents

In light of the Company's Spring and Fall 2016 financial performance, which was achieved below threshold, the Compensation and Organization Committee determined not to modify plan payouts for Company performance against the pre-established scorecard of strategic and operational performance measures, or to reflect individual performance. Company performance across the pre-established scorecard of strategic and operational performance measures is summarized in the table below:

Strategic and Operational Drivers	Results
Increase Company Net Promoter Score	Net Promoter Score gains were achieved for both Stores and Direct-to-Consumer (DTC) segments, due in part to an increased focus on leveraging customer feedback tools
Increase Consideration	Consideration at both the Abercrombie & Fitch/abercrombie kids and the Hollister brands was generally in line with the Company's expectations
Increase Traffic Likes	Sequential improvement in DTC traffic showed modest improvement while Stores traffic fell below expectations Overall Company traffic was below expectations
Increase Conversion Likes	Store conversion trended positively DTC showed double-digit increase in conversion due in part to improved promotional cadence and investment in the customer experience
Continuous Profit Improvement	Continuous Profit Improvement initiatives achieved cost savings well in excess of plan improvement in retention
Increase Associate Retention	Significant improvement in retention among Stores Management in response to compensation and role enhancements and among Home Office Associates due to continued stabilization of Company leadership

Potential award opportunities, and actual payouts, for Fiscal 2016 are detailed below. Ms. Horowitz and Ms. Crevoiserat, as well as Mr. Ramsden, saw modest increases in their target incentive compensation values in Fiscal 2016. Award opportunities continued to be capped at twice target levels. The annual incentive compensation awards made to the NEOs who participated in the annual incentive compensation program in Fiscal 2016 are listed in the **Fiscal 2016 Summary Compensation Table** on page 80 of this Proxy Statement in the column captioned Non-Equity Incentive Plan Compensation.

Table of Contents**Long-Term Equity Incentives**

Long-term equity incentives are used to balance the annual focus of the Incentive Plan by tying a significant portion of total compensation to performance achieved over multi-year periods. Under the 2016 Associates LTIP, the Compensation and Organization Committee may grant a variety of long-term incentive vehicles, including stock options, SARs, RSUs and PSAs. As noted above, in Fiscal 2016, the Company granted a combination of PSAs and time-vested RSUs with a Section 162(m) performance hurdle.

The aggregate grant date fair value of the long-term incentives granted to the NEOs as part of the annual grant in Fiscal 2016 and the target mix of such awards is shown below. The aggregate grant date fair values represent each NEO's annual equity grant, determined based on her or his performance, market pay data, and consideration of the competitiveness of her or his overall compensation package. Long-term incentives for the Leadership Team were granted 50% in the form of PSAs and 50% in the form of time-vested RSUs with a Section 162(m) performance hurdle. This change established more consistency in grant practices for the Leadership Team compared to Fiscal 2015 when the mix of long-term incentives varied by individual within the Leadership Team. The Compensation and Organization Committee determined that this mix of awards effectively balances critical performance metrics and objectives for retention.

NEO	Aggregate Grant Date Fair Value	PSA %	RSU %
Fran Horowitz	\$ 3,593,793	50%	50%
Joanne C. Crevoiserat	\$ 1,844,999	50%	50%
Kristin Scott	\$ 1,609,031	50%	50%
Stacia Andersen	\$ 1,758,515	50%	50%
Diane Chang	\$ 1,578,660	50%	50%
Jonathan E. Ramsden ¹	\$ 2,567,004	50%	50%

Performance Share Awards. PSAs are based 50% on ROIC achievement and 50% on relative TSR achievement against the S&P Retail Select Industry Index. We believe that ROIC is highly correlated with long-term value creation, while relative TSR appropriately aligns pay programs with the shareholder experience. As such, we have set an aggressive average ROIC target of 13.1% for Fiscal 2016-Fiscal 2018 and require TSR performance at the 60th percentile against the S&P Retail Select Industry Index for a target payout. The number of PSAs earned will vary from 0% to 200% of target, depending on the level of achievement with respect to the rigorous performance criteria associated with the grants, though PSA payouts are capped at target if absolute TSR is negative across the three-year performance period. A summary of the financial targets approved by the Compensation and Organization Committee for PSAs granted in Fiscal 2016 is presented below:

Payout Level Under Performance Metric	Total Stockholder Return vs. the S&P Retail Select Industry Index for Fiscal 2016 through Fiscal 2018*	Average Return on Invested Capital for Fiscal 2016 through Fiscal 2018*
	Maximum	At or Above 90 th Percentile
Target	60 th Percentile	13.1%
Threshold	Above 30 th Percentile	Above 11.9%

* If the performance level falls between Threshold and Target or between Target and Maximum, the level of payout is determined through interpolation. Return On Invested Capital (ROIC) is a non-GAAP measure calculated as adjusted EBITDAR (Earnings Before Interest, Taxes, Depreciation, Amortization, and Rent) divided by Total Average Invested Capital (comprising Gross Property and Equipment, Capitalized Value of Operating Leases, Receivables, Merch Inventory, and Prepaid and Other Current Assets; less Accounts Payable and Accrued Liabilities).

Table of Contents

Performance periods associated with the outstanding Fiscal 2015-Fiscal 2017 and Fiscal 2016-Fiscal 2018 PSA cycles have not been completed, but were trending below threshold at the end of Fiscal 2016. The final measurement period for the Fiscal 2014-Fiscal 2016 PSA cycle was completed in Fiscal 2016 and it was determined that performance for all tranches of these awards was achieved below threshold, and all underlying shares of Common Stock were forfeited.

Relative Total Stockholder Return (TSR) for Fiscal 2014-Fiscal 2016 was below threshold;

Average Return on Equity (ROE) for Fiscal 2014-Fiscal 2016 was below threshold;

Improvement in EBIT margin (EBIT Margin Improvement) for Fiscal 2016 was below threshold; and

As previously disclosed, EBIT Margin Improvement for each of Fiscal 2014 and Fiscal 2015 was below threshold.

Restricted Stock Units. The Company typically includes a performance hurdle with the vesting schedule for RSUs for the NEOs to allow for the deductibility of such compensation under Section 162(m) of the Internal Revenue Code. Subject to continued employment with the Company, time-vested RSUs with a Section 162(m) performance hurdle granted in Fiscal 2016 to the NEOs will vest 25% a year over a four-year period beginning on March 15 of the immediately following calendar year, provided the Company's GAAP net income is at least \$1.00 for the fiscal year ended immediately preceding the date the installment is to vest. If this performance hurdle is not met, the RSUs will not vest in accordance with the vesting schedule for that year. The NEOs would have the opportunity to earn back this unvested portion of the RSU award if a cumulative performance hurdle is met in a subsequent year, and subject to the recipient's continued employment with the Company.

Equity Grant Policy

The Compensation and Organization Committee follows an Equity Grant Policy pursuant to which the Compensation and Organization Committee reviews and approves individual grants for the NEOs, as well as the total number of shares covered by PSAs, RSUs and, if applicable, SARs granted to all associates. The annual equity grants typically are reviewed and approved at the Compensation and Organization Committee's regular March meeting, although sign-on equity awards are generally approved at the time an executive officer commences employment with the Company. The grant date for the annual equity grants is the date of the Compensation and Organization Committee meeting at which they are approved. Administration of PSA, RSU and SAR awards is managed by the Company's human resources department with specific instructions related to the timing of grants given by the Compensation and Organization Committee. The Company has no intention, plan or practice to select annual grant dates for NEOs in coordination with the release of material, non-public information, or to time the release of such information because of award dates.

Benefits

As associates of the Company, the NEOs are eligible to participate in all of the broad-based Company-sponsored benefits programs on the same basis as other full-time associates.

In addition to the qualified Abercrombie & Fitch Co. Savings and Retirement Plan (the 401(k) Plan), the Company has a nonqualified deferred compensation plan, the Abercrombie & Fitch Nonqualified Savings and Supplemental Retirement Plan (the Nonqualified Savings and Supplemental Retirement Plan), that allows members of senior management to defer a portion of their compensation over and above the Internal Revenue Service (IRS) limits imposed on the Company's 401(k) Plan. The Company also makes matching contributions to the Nonqualified Savings and Supplemental Retirement Plan and, prior to January 1, 2016, made retirement contributions for certain participants who began participation prior to January 1, 2014. Company contributions have a five-year vesting schedule from the date of employment by the Company. The Nonqualified Savings and Supplemental Retirement Plan allows participants the opportunity to save and invest their own money on a similar basis (as a percentage of their compensation) as other associates under the 401(k) Plan. Furthermore, the Nonqualified Savings and Supplemental Retirement Plan is competitive with members of the Company's

Table of Contents

identified compensation peer group and other companies with whom the Company competes for talent, and the Company's contribution element provides retention value. The Company's Nonqualified Savings and Supplemental Retirement Plan is further described and Company contributions and the individual account balances for the NEOs are disclosed under the section captioned **EXECUTIVE OFFICER COMPENSATION – Nonqualified Deferred Compensation** beginning on page 84 of this Proxy Statement.

The Company offers a life insurance benefit for all full-time associates equal to two times base salary. For Vice Presidents and above, the death benefit is set at four times base salary, up to a maximum of \$2,000,000.

The Company offers a long-term disability benefit to all full-time associates which covers 60% of base salary for the disability period. In addition, the Company offers an Executive Long-Term Disability Plan for all associates earning over \$200,000 in base salary which covers an additional 15% of base salary and 75% of target annual cash incentive compensation for the disability period.

The Company does not offer perquisites to our executive officers that are not widely available to all full-time associates.

Fiscal 2017 Compensation Actions***Changes to Compensation of Fran Horowitz and Joanne C. Crevoiserat to Reflect Promotions***

On January 30, 2017, the Board approved the following leadership changes, effective February 1, 2017:

appointed Fran Horowitz to serve as the Chief Executive Officer of the Company and to serve on the Board and as a member of the Executive Committee of the Board;

appointed Joanne C. Crevoiserat to serve as the Chief Operating Officer of the Company, in addition to her role as Executive Vice President and Chief Financial Officer of the Company;

dissolved the Office of the Chairman; and

provided that all officers of the Company who had reported to Mr. Martinez while he was leading the Office of the Chairman in his capacity as the representative of the Board, would now report directly to Ms. Horowitz.

In recognition of the expansion of their responsibilities following dissolution of the Office of the Chairman, on February 14, 2017, the Compensation and Organization Committee approved changes to the base salaries of Ms. Horowitz and Ms. Crevoiserat as well as to their target and maximum annual cash incentive compensation under the Incentive Plan. The changes in base salary were effective February 1, 2017 and the new target and maximum annual cash incentive opportunities will be effective for Fiscal 2017. In addition, the aggregate grant date fair value of the long-term incentive (in the form of an equity award) granted to Ms. Horowitz and Ms. Crevoiserat as part of the annual grant in Fiscal 2017 (the 2017 Annual Equity Grants) was approximately \$4,250,000 and \$1,900,000, respectively, and was 50% in the form of PSAs and 50% in the form of RSUs.

The following table summarizes the target compensation for Ms. Horowitz and Ms. Crevoiserat for Fiscal 2017:

NEO	Base Salary	Annual Cash Incentive Target Opportunity ⁽¹⁾	Target Total Cash	Annual Equity Grant ⁽²⁾	Target Total Compensation
Fran Horowitz	\$ 1,200,000	150%	\$ 3,000,000	\$ 4,250,000	\$ 7,250,000
Joanne C. Crevoiserat	\$ 850,000	100%	\$ 1,700,000	\$ 1,900,000	\$ 3,600,000

- (1) The maximum annual cash incentive opportunities are two times the target annual cash incentive opportunities.
- (2) Represents the grant date fair value of the 2017 Annual Equity Grant.

Table of Contents

The Compensation and Organization Committee and the Board believe that it is important to recognize Ms. Horowitz and Ms. Crevoiserat for their individual strong performances, their ongoing contributions to the operations of the Company, their criticality to the Company's turnaround efforts in both the near-term and the long-term, and the need for leadership continuity at this time. Accordingly, at its February 14, 2017 meeting, the Compensation and Organization Committee determined it to be appropriate and in the best interests of the Company to grant each of Ms. Horowitz and Ms. Crevoiserat a promotional award of RSUs (the Promotional RSUs) in addition to the 2017 Annual Equity Grant that each received. The Promotional RSUs were granted at the same time as the 2017 Annual Equity Grants, at the Compensation and Organization Committee's meeting held on March 21, 2017. The aggregate grant date fair value of the Promotional RSUs granted to Ms. Horowitz and Ms. Crevoiserat was \$4,000,000 and \$3,000,000, respectively.

Fifty percent (50%) of the Promotional RSUs (the Service-Vested Promotional RSUs) will be subject to a total three-year vesting schedule, under which 25% of the Service-Vested Promotional RSUs will vest on each of the first and second anniversaries of the grant date, and 50% of the Service-Vested Promotional RSUs will vest on the third anniversary of the grant date. The remaining fifty percent (50%) of the Promotional RSUs (the Performance-Based Promotional RSUs) will be earned depending on the level of achievement with respect to the performance goal based on cumulative comparable sales for the three-fiscal-year performance period comprised of Fiscal 2017 and the two succeeding fiscal years of the Company (the Three-Year Performance Period). The threshold level of performance results in a 50% payout of the Performance-Based Promotional RSUs and requires achievement of at least +5% cumulative comparable sales over the Three-Year Performance Period. The target level of performance results in a 100% payout and requires achievement of at least +6% cumulative comparable sales over the Three-Year Performance Period. Payout for the achievement of the cumulative comparable sales performance goal is also contingent upon the Company achieving a pre-established minimum EBITDA growth for the corresponding incremental revenue over the Three-Year Performance Period. No payout above 100% is available under the Performance-Based Promotional RSUs.

If either Ms. Horowitz or Ms. Crevoiserat resigns or her employment is terminated by the Company for cause, the unvested portions of all of the Promotional RSUs will be forfeited. If the employment of either Ms. Horowitz or Ms. Crevoiserat is terminated by the Company without cause, her Performance-Based Promotional RSUs will be forfeited, and her Service-Based Promotional RSUs will vest pro-rata for time served, but with consideration for the back-loaded vesting schedule. By way of explanation, if the employment of either Ms. Horowitz or Ms. Crevoiserat were to be terminated without cause six months after the grant date of the Promotional RSUs, 12.5% of the Service-Based Promotional RSUs originally granted to the affected individual would vest (half of the first tranche); if eighteen months after, 37.5% would vest (all of the first tranche and half of the second tranche); or if thirty months after, 75% would vest (all of the first two tranches and half of the third tranche).

If the Company undergoes a change in control (as that term is defined in the 2016 Associates LTIP), a double trigger involving an involuntary termination of her employment is required for accelerated vesting of the Promotional RSUs held by each of Ms. Horowitz and Ms. Crevoiserat. In such event, (i) vesting of the Service-Based Promotional RSUs will be accelerated at the level associated with the next tranche due to vest and (ii) the applicable performance conditions will be waived for the Performance-Based Promotional RSUs and vesting will be accelerated such that the portion of Performance-Based Promotional RSUs vested will be equal to the portion of Service-Based Promotional RSUs vested. By way of explanation, if a change in control were to occur between the first anniversary and the second anniversary of the grant date of the Promotional RSUs and the employment of either Ms. Horowitz or Ms. Crevoiserat were to be involuntarily terminated at that time, (i) the next 25% of the Service-Based Promotional RSUs originally granted to affected individual would vest and (ii) a total of 50% of the Performance-Based Promotional RSUs originally granted to the affected individual would vest.

Compensation Program for Fiscal 2017

The Fiscal 2017 annual cash incentive program will remain largely unchanged for the Leadership Team, including the NEOs. The modifications include refinements to the selection of forward-looking strategic drivers

Table of Contents

that contribute to the Compensation and Organization Committee's assessment of Company performance. All other elements of the annual cash incentive program were unchanged.

No changes were made to the long-term incentive program for NEOs, and the 2017 long-term incentive mix for the Leadership Team will continue to consist of 50% PSAs and 50% time-vested RSUs with a Section 162(m) performance hurdle, to balance long-term performance with retention considerations.

Role of the Compensation and Organization Committee

Decisions regarding the compensation of the NEOs are made solely by the Compensation and Organization Committee, although it does receive input from its independent advisors and management of the Company. The Company Chairman also provides input (in his capacity as a director) with respect to the recommended compensation of the NEOs. The Compensation and Organization Committee often requests certain Company executive officers to be present at Compensation and Organization Committee meetings where executive compensation and Company and individual performance are discussed and evaluated so they can provide input into the decision-making process. Executive officers may provide insight, suggestions or recommendations regarding executive compensation during periods of general discussion, but do not have a vote in any decision-making.

In 2016, following an extensive search process, the Compensation and Organization Committee selected and engaged Semler Brossy Consulting Group, LLC (SBCG) as the Compensation and Organization Committee's independent compensation consultant. Prior to SBCG's engagement, Compensation Advisory Partners (CAP) served as the Committee's independent compensation consultant. Additionally, in Fiscal 2016, Gibson, Dunn & Crutcher LLP (Gibson Dunn) served as the Committee's independent outside counsel. The only services that SBCG and Gibson Dunn perform for the Company are at the direction of the Compensation and Organization Committee. Neither SBCG nor Gibson Dunn provided any services to the Company in Fiscal 2016 other than executive and director compensation consulting and advisory services. In this regard, the Compensation and Organization Committee has adopted a policy regarding the use of outside compensation consultants that provides as follows:

If the Committee retains a compensation consultant to provide advice, information and other services to the Committee relating to the compensation of the Company's Chief Executive Officer, its officers identified in Rule 16a-1(f) under the Exchange Act or its non-associate directors or other matters within the responsibility of the Committee, such consultant may only provide services to, or under the direction of, the Committee and is prohibited from providing any other services to the Company.

The Compensation and Organization Committee has the right to terminate the services of the outside counsel and the compensation consultant at any time. While the Compensation and Organization Committee retains Gibson Dunn and SBCG directly, Gibson Dunn and SBCG interact with the Company's Executive Chairman of the Board, the Company's Senior Vice President of Human Resources, the Company's General Counsel and the Company's Chief Operating Officer and their respective staffs in carrying out assignments in order to obtain compensation and performance data for the executive officers and the Company. In addition, the Compensation and Organization Committee's advisors may, at their discretion, seek input and feedback from management of the Company regarding their work product prior to presentation to the Compensation and Organization Committee in order to confirm information is accurate or address other similar issues. A representative from SBCG is generally present at all Compensation and Organization Committee meetings, and generally attends executive sessions of the Compensation and Organization Committee. Both Gibson Dunn and SBCG provide independent perspectives on any management proposals. In Fiscal 2016, the Compensation and Organization Committee reviewed the factors specified in the NYSE corporate governance standards and determined that each of CAP, SBCG and Gibson Dunn was independent and their respective work did not raise any conflict of interest.

In selecting SBCG, the Compensation and Organization Committee considered the independence standards prescribed by the SEC and NYSE, and concluded that SBCG was independent and that its work would not raise

Table of Contents

any conflict of interest. The services SBCG provides are at the discretion of the Compensation and Organization Committee. As the Compensation and Organization Committee's new independent compensation consultant, SBCG reviewed the design and operation of the Company's executive compensation programs and made recommendations regarding the Company's compensation practices for Fiscal 2016.

Compensation and Benefits Structure***Pay Level Determination of the appropriate pay opportunity***

Pay levels for all associates of the Company, including the NEOs listed in the **Fiscal 2016 Summary Compensation Table** on page 80 of this Proxy Statement, are based on a number of factors, including each individual's role and responsibilities within the Company, current compensation, experience and expertise, pay levels in the competitive market for similar positions, internal pay equity relationships including those among the executive officers and the performance of the individual, her/his area of responsibility and the Company as a whole. The Compensation and Organization Committee approves the pay levels for all the executive officers. In determining the pay levels, the Compensation and Organization Committee considers all elements of compensation and benefits.

2016 Compensation Peer Group

The primary data source used in setting competitive market levels for the NEOs is information publicly disclosed by the peer retail companies listed below, based on a comparison prepared annually by the independent compensation consultant for the Compensation and Organization Committee. Published survey data from Hay Group and Equilar is also used as a data source for select positions. The Compensation and Organization Committee does not precisely benchmark each NEO's compensation to a defined market level, but the Compensation and Organization Committee does review market information as a general reference. Actual total compensation in a given year will vary above or below the individual's target compensation levels based primarily on the attainment of overall Company financial goals and the creation of stockholder value.

The peer retail companies used by the Compensation and Organization Committee in determining the competitive market with respect to Fiscal 2016 compensation decisions are included in the table below.

Aéropostale, Inc.	Coach, Inc.	L Brands, Inc.
American Eagle Outfitters, Inc.	DSW Inc.	PVH Corp.
ANN INC.	Express, Inc.	Ralph Lauren Corporation
Ascena Retail Group, Inc.	Foot Locker, Inc.	Signet Jewelers Limited
Carter's, Inc.	Guess?, Inc.	Urban Outfitters, Inc.
Chico's FAS, Inc.	Kate Spade & Company	Williams-Sonoma, Inc.

2017 Compensation Peer Group

During 2016, SBCG and the Company conducted a review of the compensation peer group to be used in setting Fiscal 2017 pay levels. The review focused on companies in the retail and apparel space of a comparable size, with a preference given to revenue over market capitalization given the ongoing business transformation. Additionally, the Company gave preference to companies that are key talent competitors, have a mall-centric store strategy, have a significant e-commerce business, and have material international operations.

Table of Contents

Following the review, the Compensation and Organization Committee added five companies to the peer group and removed six companies from the prior peer group. We believe that the updated peer group better represents a combination of companies in terms of size, business structure and competition. At the time the peer group was determined, the Company's revenues approximated the peer group median.

Executive Severance Agreements and Change-in-Control Benefits

The Compensation and Organization Committee carefully considers the use and conditions of employment agreements. The Compensation and Organization Committee recognizes that, in certain circumstances, formal written employment contracts are necessary in order to successfully recruit and retain senior executive officers. Consistent with this approach, in connection with their commencement of employment with the Company, each of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott and Ms. Andersen entered into an offer letter with the Company that provided for certain benefits upon termination of employment and/or upon a change in control of the Company. The Compensation and Organization Committee believed that it was in the best interest of the Company to enter into these offer letters as a means of securing the employment of each of these executives and to provide the executives with a degree of security given the transition occurring at the Company.

On July 7, 2015, Abercrombie & Fitch Management Co., a subsidiary of the Company (A&F Management), executed and entered into agreements (the July 2015 Agreements) with members of the Company's leadership team, including each of Fran Horowitz, Joanne C. Crevoiserat and Jonathan E. Ramsden. The July 2015 Agreements are intended to support the Company's retention strategy and align the Company's practices with current practices in the Company's industry and peer group. Following Ms. Crevoiserat's assumption of leadership responsibility for store operations and asset protection and sustainability, in addition to her ongoing responsibilities as Executive Vice President and Chief Financial Officer, and in order to align the benefits Ms. Crevoiserat would receive under her agreement with A&F Management with those to be received by other executive officers of the Company, Ms. Crevoiserat entered into a new agreement with A&F Management as of October 15, 2015 (the October 2015 Agreement) and, collectively with the July 2015 Agreements, the 2015 Agreements). The terms of Ms. Crevoiserat's October 2015 Agreement superseded the terms of her July 2015 Agreement in their entirety. In anticipation of their joining the Company, on May 20, 2016, A&F Management executed and entered into agreements (the 2016 Agreements) with Kristin Scott and Stacia Andersen. The 2016 Agreements are intended to further support the Company's retention strategy and align the Company's practices with current practices in the Company's industry and peer group.

Mr. Ramsden's 2015 Agreement (the Ramsden Agreement) also provided for the grant of 92,807 RSUs as of July 7, 2015 (the Special Award RSUs). Twenty-five percent of the Special Award RSUs (23,202 RSUs) granted to Mr. Ramsden vested on September 30, 2015, twenty-five percent of the Special Award RSUs (23,202 RSUs) vested on May 31, 2016, and the remaining fifty percent of the Special Award RSUs would have vested on November 30, 2016, if Mr. Ramsden had been employed by the Company on that date.

The discussion of the terms of the 2015 Agreements and the 2016 Agreements which follows does not include Mr. Ramsden. The consequences of his resignation from the Company are discussed separately under the section captioned ***Resignation of Jonathan E. Ramsden.***

Table of Contents

Under the terms of the 2015 Agreements and the 2016 Agreements, if the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were terminated by the Company without cause (other than as a result of her death or disability) or by the NEO for good reason (each as defined in her 2015 Agreement or her 2016 Agreement, as applicable) during the term (other than during the one-year period following a change of control of the Company) and she executes a release of claims (a Release) acceptable to the Company:

the Company is to continue to pay her base salary in bi-weekly installments for 18 months following the termination date;

the Company is to pay her a pro-rata annual cash incentive based on actual performance during the applicable bonus period (as defined in her 2015 Agreement or her 2016 Agreement, as applicable) and the number of days elapsed in the applicable bonus period prior to the termination date, which payment will be at the full discretion of the Compensation and Organization Committee;

the Company is to reimburse her during the 18 months following the termination date for 100% of the monthly premium costs of COBRA subject to her election of such coverage and satisfaction of the additional eligibility requirements set forth in her 2015 Agreement or her 2016 Agreement, as applicable;

in the case of Ms. Crevoiserat and Ms. Horowitz, the Company is to pay them the additional cash amounts to which they are entitled under their respective offer letters executed when they joined the Company; and

the outstanding equity awards held by her are to vest (if at all) in accordance with the terms of her award agreements and, in the case of Ms. Crevoiserat and Ms. Horowitz, their respective offer letters.

Under the terms of the 2015 Agreements and the 2016 Agreements, if the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were terminated by the Company without cause or by her for good reason during the one-year period following a change of control of the Company and she executes a Release acceptable to the Company:

in the case of Ms. Horowitz and Ms. Crevoiserat, the Company is to continue to pay their respective base salaries in bi-weekly installments for 18 months following the termination date;

in the case of Ms. Scott and Ms. Andersen, the Company is to pay them a lump-sum payment, on the 60th day following the termination date, in an amount equal to 18 months of their respective base salaries in effect on the termination date;

the Company is to pay her a lump-sum payment (less taxes and withholdings), on the 60th day following the termination date, of an amount equal to her target bonus opportunity under the Company's short-term cash bonus plan in which she is then eligible to participate;

the Company is to reimburse her during the 18 months following the termination date for 100% of the monthly premium costs of continuation coverage under COBRA, subject to her election of such coverage and satisfaction of the additional eligibility requirements set forth in her 2015 Agreement or her 2016 Agreement, as applicable; and

the outstanding equity awards held by her are to vest (if at all) in accordance with the terms of her award agreements.

In the case of Ms. Crevoiserat and Ms. Horowitz, these change of control benefits will be provided in lieu of the amounts payable with respect to a Change of Control under their respective offer letters executed when they joined the Company.

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

In the case of an involuntary termination of employment of any of the NEOs without cause, within three months prior to or 18 months after a change of control (excluding voluntary resignation, retirement or termination due to death or disability), the vesting of all outstanding SARs, stock options and RSUs held by the NEO would accelerate. In addition, outstanding PSAs with respect to which more than 50% of the performance period has elapsed as of the date of the change of control would be paid, on a pro-rated basis, based on the

performance achieved through a date occurring within three months of the change of control. Outstanding PSAs with respect to which less than 50% of the performance period has elapsed as of the date of the change of control would be paid, on a pro-rated basis, at the target level of achievement.

In addition, all associates who participate in the Company's stock-based compensation plans, including the NEOs, are entitled to certain benefits in the event of termination of employment due to death or disability or a change in control as set forth in the plan documents for the Company's stock-based compensation plans. The terms and conditions of these arrangements are discussed in further detail in the section captioned

EXECUTIVE OFFICER COMPENSATION Potential Payments Upon Termination or Change of Control beginning on page 88 of this Proxy Statement.

New Executive Severance Agreements Approved by Compensation and Organization Committee

On February 14, 2017, the Compensation and Organization Committee approved forms of new executive severance agreements (the 2017 Agreements) for a number of the Company's executive officers, including Fran Horowitz, Joanne C. Crevoiserat, Kristin Scott and Stacia Andersen. However, as of the date of this Proxy Statement, the 2017 Agreements have not been fully executed or become effective. The 2017 Agreements would reflect an update to certain provisions of the 2015 Agreements and the 2016 Agreements and, when the 2017 Agreements become effective, they would supersede the 2015 Agreements and the 2016 Agreements. The 2017 Agreements are intended to continue to support the Company's retention strategy and align the Company's practices with current practices in the Company's industry and peer group. The 2017 Agreements are discussed in more detail in the section captioned **EXECUTIVE OFFICER COMPENSATION Potential Payments Upon Termination or Change in Control Executive Severance Agreements Approved by Compensation and Organization Committee on February 14, 2017** beginning on page 95 of this Proxy Statement.

Resignation of Jonathan E. Ramsden

On May 2, 2016, Jonathan Ramsden informed the Company that he intended to step down from the Chief Operating Officer role effective June 15, 2016. Under the terms of the Ramsden Agreement, his resignation was treated as a voluntary resignation from the Company without good reason. The Ramsden Agreement specified that:

The Company pay Mr. Ramsden any accrued and unpaid compensation for his time worked through June 15, 2016.

The second tranche of Mr. Ramsden's Special Award RSUs vested in accordance with the terms of the Ramsden Agreement on May 31, 2016, with settlement being deferred until December 16, 2016;

The third tranche of Mr. Ramsden's Special Award RSUs was forfeited; and

All other equity awards were treated in accordance with the applicable award agreement language.

The Ramsden Agreement imposes various restrictive covenants on Mr. Ramsden including non-competition, non-solicitation, non-disparagement and confidentiality covenants, which remained in effect in accordance with their terms following his resignation. The non-competition covenant prohibits Mr. Ramsden from engaging in certain activities with identified competitors of the Company for a period of 12 months after the termination of his employment. The non-solicitation covenant prohibits Mr. Ramsden from engaging in certain solicitation activities for a period of 24 months after the termination of his employment.

Retirement of Diane Chang

On November 3, 2016, the Company announced that Diane Chang, Executive Vice President Sourcing, would retire from the Company effective June 24, 2017. Pursuant to an agreement (the Chang Agreement) between Ms. Chang and Abercrombie & Fitch Trading Co., a subsidiary of the Company (A&F Trading), executed by A&F Trading on November 3, 2016, Ms. Chang was employed in the capacity of Executive Vice

Table of Contents

President Sourcing of the Company through January 28, 2017. From January 29, 2017 through June 23, 2017, Ms. Chang will be employed by the Company in a part-time capacity to assist with the transition duties related to her retirement. During this transition period, she will be paid at a rate equivalent to 50% of her annualized base salary.

The Chang Agreement imposes various restrictive covenants on Ms. Chang including non-competition, non-solicitation, non-disparagement and confidentiality covenants, which remain in effect in accordance with their terms. The non-competition covenant prohibits Ms. Chang from engaging in certain activities with identified competitors of the Company through and including December 31, 2017. The non-solicitation covenant prohibits Ms. Chang from engaging in certain solicitation activities through and including December 31, 2018. Ms. Chang will receive a cash payment of \$450,000 delivered in two equal installments to be paid in December 2017 and December 2018, contingent upon her satisfaction of the restrictive covenants.

Clawback Policy

Each of the plans pursuant to which annual and long-term incentive compensation is or will be paid to the Company’s executive officers (i.e., the Incentive Plan, the proposed Abercrombie & Fitch Co. Long-Term Cash Incentive Compensation Performance Plan (if approved by the Company’s stockholders at the Annual Meeting), the 2005 LTIP, the Amended and Restated Abercrombie & Fitch Co. 2007 Long-Term Incentive Plan (the 2007 LTIP) and the 2016 Associates LTIP) includes a stringent clawback provision, which allows the Company to seek repayment of any incentive amounts that were erroneously paid. Each of the plans provides that if (i) a participant (including one or more NEOs) has received payments under the plan pursuant to the achievement of a performance goal and (ii) the Compensation and Organization Committee determines that the earlier determination as to the achievement of the performance goal was based on incorrect data and in fact the performance goal had not been achieved or had been achieved to a lesser extent than originally determined and a portion of such payment would not have been made given the correct data, then such portion of any such payment made to the participant must be repaid by such participant to the Company, without any requirement of misconduct on the part of the participant.

Stock Ownership Guidelines

As disclosed above under the caption **Executive Summary Best Practices** beginning on page 63 of this Proxy Statement, the Board believes it is important that the executive officers and directors have, and are recognized both internally and externally as having, long-term financial interests that are aligned with those of the Company’s stockholders. Accordingly, the Board adopted stock ownership guidelines for all directors and executive officers effective as of November 12, 2009, which were further amended effective as of December 15, 2015. The Company’s stock ownership guidelines are posted on the Corporate Governance page of the Company’s website at www.bercrombie.com, accessible through the Investors page. Ownership multiples for NEOs and directors are:

Population	Multiple	Includes
Chief Executive Officer	5x annual base salary	Shares owned directly by the executive officer or director or his/her immediate family members in the same household
Other NEOs	2x annual base salary	Shares held in trust for the benefit of the executive officer or director or his/her immediate family members
Non-employee director	5x annual cash retainer	Shares of restricted stock or time-vested RSUs, vested or unvested
		Shares of stock-settled SARs which are vested and in-the-money

Shares credited to bookkeeping accounts pursuant to one of the Company's
deferred compensation plans

Table of Contents

The guidelines are initially calculated using the executive officer's base salary as of the later of the date the guidelines were most recently amended (*i.e.*, December 15, 2015) or the date the person was first designated as an executive officer by the Board. The guidelines may be re-calculated, in the discretion of the Nominating and Board Governance Committee, when an individual changes pay grade (*e.g.*, from senior vice president to executive vice president) and otherwise from time to time.

Until the amount contemplated by the guidelines is achieved, the executive officer is required to retain an amount equal to 50% of the net shares received as a result of the exercise of stock options or stock-settled SARs or the vesting of restricted stock or RSUs. Net shares for purposes of the guidelines are those shares that remain after shares are sold or netted to pay (i) the exercise price of stock options or SARs (if applicable) and any withholding taxes associated with such exercise or (ii) withholding or other taxes payable upon vesting of restricted stock or RSUs.

Failure to meet or, in unique circumstances, to show sustained progress toward meeting the stock ownership guidelines may be a factor considered by the Compensation and Organization Committee in determining future long-term incentive equity grants and/or appropriate levels of incentive compensation.

Executive officers who are subject to the stock ownership guidelines are to be notified each fiscal year as to the status of their compliance with the guidelines based on information available to the Company's benefits department. Each executive officer may provide supplemental information regarding shares held in street name, individual brokerage accounts or owned by a spouse or other immediate family member, if such information would be relevant to the calculation of such executive officer's compliance with the stock ownership guidelines. At the time of the Company's Fiscal 2016 annual review of stock ownership compliance, all executive officers and directors either: (i) had satisfied their applicable guideline; (ii) were on track to satisfy their applicable guideline; or (iii) were otherwise compliant with the Company's policies (*i.e.*, were in compliance with the applicable retention requirement until such time that their ownership guideline was met).

Required ownership for non-employee directors is calculated using the annual retainer as of the later of the date the guidelines were most recently amended (*i.e.*, December 15, 2015) and the date the director is elected to the Board. It is anticipated that directors should be able to achieve the guideline within three years of joining the Board.

Compensation Considerations Related to Tax Deductibility under Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code generally prohibits any publicly-held corporation from taking a federal income tax deduction for compensation paid in excess of \$1,000,000 in any taxable year to the Chief Executive Officer and to each of the other three most highly compensated executive officers (excluding the Chief Financial Officer) whose compensation is required to be disclosed pursuant to Item 402 of SEC Regulation S-K. Section 162(m) exempts qualified performance-based compensation, among other things, from this deductibility limitation. However, the Compensation and Organization Committee's policy is to maximize the deductibility of executive compensation, to the extent compatible with the needs of the business, as the Compensation and Organization Committee believes that compensation and benefits decisions should be primarily driven by the needs of the business, rather than by tax policy. Therefore, the Compensation and Organization Committee may make pay decisions that result in compensation expense that is not fully deductible under Section 162(m). Further, the application of Section 162(m) is complex and may change with time (with potentially retroactive effect).

Compensation Considerations Related to Accounting

When determining amounts of long-term incentive grants to executive officers and other associates, the Compensation and Organization Committee examines the accounting cost associated with the grants. Under GAAP, grants of options, SARs, RSUs, PSAs and other share-based payments result in an accounting charge taken by the Company. The Compensation and Organization Committee considers the accounting implications of

the executive compensation program, including the estimated cost for financial reporting purposes of equity compensation as well as the aggregate grant date fair value of equity compensation computed in accordance with FASB ASC Topic 718.

REPORT OF THE COMPENSATION AND ORGANIZATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation and Organization Committee reviewed the **COMPENSATION DISCUSSION AND ANALYSIS** and discussed it with management of the Company. Based on such review and discussion, the Compensation and Organization Committee recommended to the Board that the **COMPENSATION DISCUSSION AND ANALYSIS** be included in this Proxy Statement.

⁽¹⁾ These columns show the potential cash payouts under the Company's Incentive Plan for Fiscal 2016. These estimated future payments reflect the full annualized amounts. Refer to the discussion beginning at page 65 of this Proxy Statement for the performance metrics related to the incentive compensation program for Fiscal 2016. If threshold performance criteria were not satisfied, then the payouts for all associates, including the NEOs, would be zero. No cash incentive payments were made for Fiscal 2016, reflecting that the Company's financial performance was below the threshold performance level.

⁽²⁾ There were no options or SARs granted in Fiscal 2016 to the Company's NEOs.

⁽³⁾ Represents the grant date fair value of the RSU or PSA award, as appropriate, determined in accordance with GAAP. The grant date fair values for RSU and performance-based PSA awards are calculated using the closing price of Common Stock on the grant date adjusted for anticipated dividend payments during the vesting period. The grant date fair values for market-based PSA awards are calculated using a Monte Carlo simulation.

⁽⁴⁾ Represents RSUs granted in Fiscal 2016 under the Company's 2007 LTIP that will vest in four equal annual installments, beginning in March 2017, contingent upon the Company reporting at least \$1.00 of GAAP net income at the end of the fiscal year immediately preceding the date the tranche vests. The NEO has the opportunity to earn back one or more installments of the award if the cumulative performance hurdles are met in a subsequent year.

The NEO has the opportunity to earn back one or more installments of the award if the cumulative performance hurdles are met in a subsequent year.

(2) For Mr. Ramsden, includes: (i) an aggregate of 15,875 shares of Common Stock subject to four separate RSU awards granted on March 20, 2012, March 26, 2013, May 8, 2013 and March 24, 2015, portions of which vested during Fiscal 2016; and (ii) 46,404 shares of Common Stock subject to Special Award

RSUs which were distributed and 1,999.918 shares of Common Stock representing earned dividend equivalents associated with the Special Award RSUs which were distributed, the settlement of which was deferred until December 16, 2016 (the date that was six months following the date of Mr. Ramsden's last date of employment with the Company).

- (3) The value realized on the settlement of the Special Award RSUs was the total balance of the shares of Common Stock underlying the deferred Special Award RSUs, including earned dividend equivalents, valued on the basis of the closing price of the Company's Common Stock on the December 16, 2016 settlement date (\$13.31 per share).

Nonqualified Deferred Compensation

Nonqualified Savings and Supplemental Retirement Plan

The Company maintains the Nonqualified Savings and Supplemental Retirement Plan for associates, with participants generally at management levels and above, including the NEOs. The Nonqualified Savings and Supplemental Retirement Plan allows a participant to defer up to 75% of base salary each year and up to 75% of cash payouts to be received by the participant under the Company's Incentive Plan. The Company will match the first 3% that the participant defers on a dollar-for-dollar basis. In addition, for eligible associates who most

recently began participation prior to January 1, 2014, if the participant has made the maximum pre-tax deferrals permitted under the Company's 401(k) Plan, which was \$18,000 in calendar 2016, the Company will make an additional matching contribution equal to 3% of the amount by which the participant's base salary and cash payouts to be received under the Company's Incentive Plan (after reduction by the participant's deferral) exceed the annual maximum compensation limits imposed on the Company's 401(k) Plan (the IRS Compensation Limit), which was \$265,000 in calendar 2016. This additional matching contribution is not available for associates who most recently commenced participation on or after January 1, 2014.

In calendar year 2016, the Company also made discretionary retirement contributions for participants who most recently began participation prior to January 1, 2014, in an amount equal to (a) the retirement contribution the participant would have received under the Company's 401(k) Plan based on the participant's gross compensation for purposes of the Company's 401(k) Plan (before reduction for deferrals) reduced by (b) the participant's actual retirement contribution under the Company's 401(k) Plan for any calendar year. The discretionary retirement contribution was eliminated effective January 1, 2014 for associates who most recently commenced participation on or after January 1, 2014, and was eliminated effective January 1, 2016 for associates who most recently commenced participation prior to January 1, 2014.

The Nonqualified Savings and Supplemental Retirement Plan allows for a variable earnings rate on participant account balances as determined by the committee which administers the Nonqualified Savings and Supplemental Retirement Plan. The earnings rate for all account balances was fixed at 4% per annum for Fiscal 2016. Participants are 100% vested in their deferred contributions, and earnings on those contributions, at all times. Participants who most recently began participation prior to January 1, 2014 become vested in Company bi-weekly matching contributions and earnings on those matching contributions ratably over a five-year period from date of hire. Participants who most recently began participation on or after January 1, 2014 become vested in Company bi-weekly matching contributions and earnings on those matching contributions after five years of service (*i.e.*, there is a five-year cliff vesting period).

The following table provides information regarding the participation by the NEOs in the portion of the Nonqualified Savings and Supplemental Retirement Plan providing for participant deferral contributions and Company matching contributions, for Fiscal 2016.

(1) The amounts shown in this column reflect the base salary payments for Fiscal 2016 which were deferred by each NEO. No Incentive Plan cash payouts were made to any of the NEOs for Fiscal 2016 and, thus, none could be subject to deferral. All amounts in this column are included in the Salary column totals for Fiscal 2016 reported in the **Fiscal 2016 Summary Compensation Table** on page 80 of this Proxy Statement.

(2) The amounts shown in this column reflect the aggregate Company contributions which accrued during Fiscal 2016 and were credited to the NEOs' respective accounts in Fiscal 2016 and Fiscal 2017. The total is comprised of the following: (a) matching contributions with respect to each NEO's deferrals of base salary compensation for Fiscal 2016; (b) a make-up match that was equal to the match that would have been made to the Company's 401(k) Plan had the dollars deferred to the Nonqualified Savings and Supplemental Retirement Plan not directly reduced the NEO's eligible 401(k) compensation; and (c) if the NEO maximized the deferral to the Company's 401(k) Plan and deferred at least 3% of base salary to the Nonqualified Savings and Supplemental Retirement Plan, at the end of the year, the Company made an additional Company contribution equal to 3% on any eligible compensation above the IRS Compensation Limit. These amounts are included in the All Other Compensation column totals for Fiscal 2016 reported in the **Fiscal 2016 Summary Compensation Table** on page 80 of this Proxy Statement.

- (3) Nonqualified deferred compensation balances earn fixed rates of interest. The rate for all account balances was fixed at 4% per annum for Fiscal 2016. The portion of the Fiscal 2016 earnings with respect to amounts credited to the NEOs' accounts under the Nonqualified Savings and Supplemental Retirement Plan as a result of their deferral contributions and Company matching contributions (which were made in Fiscal 2016 and prior fiscal years) which are above-market for purposes of the applicable SEC Rules are included in the Change in Pension Value and Nonqualified Deferred Compensation Earnings column totals for Fiscal 2016 reported in the **Fiscal 2016 Summary Compensation Table** on page 80 of this Proxy Statement. These amounts are included as part of the aggregate earnings reported in this Aggregate Earnings in Fiscal 2016 column for: (a) Ms. Horowitz \$705; (b) Ms. Crevoiserat \$5,295; (c) Ms. Scott \$17; (d) Ms. Andersen \$32; (e) Ms. Chang \$21,388; and (f) Mr. Ramsden \$11,446.
- (4) These amounts are as of January 28, 2017 and do not take into account the amounts in the Company Contributions in Fiscal 2016 column in the table above that were accrued during Fiscal 2016 but were credited to the NEOs' respective accounts in Fiscal 2017. The following amounts are included in the balance as of January 28, 2017 and previously were reported as compensation to the listed officers in the Summary Compensation Tables for Fiscal 2006 through Fiscal 2015 (except for Mr. Ramsden, who was not a listed officer until Fiscal 2008; Ms. Crevoiserat and Ms. Horowitz, who were not listed officers until Fiscal 2014, and Ms. Scott and Ms. Andersen who were not listed officers until Fiscal 2016): (a) Ms. Horowitz \$69,954; (b) Ms. Crevoiserat \$86,464; (c) Ms. Chang \$1,006,817; and (d) Mr. Ramsden \$501,084.

Under the Nonqualified Savings and Supplemental Retirement Plan, the Company also made an annual retirement contribution, for participants who most recently began participation prior to January 1, 2014, in respect of Fiscal 2016 equal to 2% of the amount by which the associate's base salary and cash payouts to be received under the Company's Incentive Plan exceed the IRS Compensation Limit, which was \$265,000 for calendar 2016. There is a one-year wait period following commencement of employment before these Company retirement contributions begin, with the first retirement contribution then made by the Company at the end of the second year of employment. Participants become vested in Company retirement contributions and earnings on those retirement contributions ratably over a five-year period.

The following table provides information concerning the participation by Diane Chang and Jonathan E. Ramsden in the portion of the Nonqualified Savings and Supplemental Retirement Plan providing for Company retirement contributions, for Fiscal 2016. None of Fran Horowitz, Joanne C. Crevoiserat, Kristin Scott or Stacia Andersen was eligible to participate because they joined the Company after January 1, 2014.

Table of Contents

Payouts under the Nonqualified Savings and Supplemental Retirement Plan are based on the participant's election at the time of deferral and may be made in a single lump sum or in annual installments over a five-year or ten-year period. If there is no distribution election on file, the payment will be made in ten annual installments. Regardless of the election on file, if the participant terminates employment with the Company before retirement, dies or becomes disabled, the benefit will be paid in a single lump sum. However, if the participant dies while receiving annual installments, the beneficiary will continue to receive the remaining installment payments. The committee which administers the Nonqualified Savings and Supplemental Retirement Plan may permit hardship withdrawals from a participant's account under the Nonqualified Savings and Supplemental Retirement Plan in accordance with defined guidelines including the IRS definition of an unforeseeable emergency.

Participants' rights to receive their account balances from the Company are not secured or guaranteed. However, during the third quarter of Fiscal 2006, the Company established an irrevocable rabbi trust, the purpose of which is to be a source of funds to match respective funding obligations to participants in the Nonqualified Savings and Supplemental Retirement Plan and the Supplemental Executive Retirement Plan for the Company's former Chief Executive Officer Michael S. Jeffries.

In the event of a change in control of the Company, the Company's Board has the authority to terminate the Nonqualified Savings and Supplemental Retirement Plan and accelerate the payment of the aggregate balance of each participant's account.

The Nonqualified Savings and Supplemental Retirement Plan is subject to requirements affecting deferred compensation under Section 409A of the Internal Revenue Code and is being administered in compliance with the applicable regulations under Section 409A.

Deferral of Mr. Ramsden's Special Award RSUs

Under the terms of the Ramsden Agreement, settlement of any vested Special Award RSUs, and issuance of the underlying shares of Common Stock, was deferred until the date that was six months following the date of Mr. Ramsden's termination of employment for any reason other than his death.

Mr. Ramsden had no rights to receive dividends with respect to the shares of Common Stock subject to the Special Award RSUs prior to the vesting of the Special Award RSUs. However, Mr. Ramsden was credited with cash dividends paid on the shares of Common Stock underlying the vested portion of the Special Award RSUs at the time and equal in amount to the cash dividends actually paid with respect to those shares of Common Stock. The amount of cash dividends credited to Mr. Ramsden was then divided by the fair market value of the Company's Common Stock; and the number of shares of Common Stock subject to the then-vested portion of the Special Award RSUs increased by the resulting number of shares of Common Stock (carried to three decimals).

The following table provides information regarding Mr. Ramsden's vested RSUs, settlement of which was deferred until December 16, 2016:

Potential Payments Upon Termination or Change of Control

The following tables describe: (i) the approximate payments that would have been made to the NEOs pursuant to agreements, plans or individual award agreements in effect on January 28, 2017, the last day of Fiscal 2016, in the event of the termination of employment of these NEOs under the circumstances described below, assuming such termination took place on January 28, 2017; and (ii) the approximate payments that have been and will be made to Jonathan E. Ramsden as a result of his voluntary resignation as an associate of the Company effective June 15, 2016. The table captioned **Outstanding Equity Awards at Fiscal 2016 Year-End** beginning on page 83 of this Proxy Statement contains more information regarding the vested options and SARs held by the NEOs as of the end of Fiscal 2016.

The following tables reflect the terms of the 2015 Agreements and the 2016 Agreements since they were the executive severance agreements in effect on January 28, 2017. On February 14, 2017, the Compensation and Organization Committee approved forms of new executive severance agreements for each of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott and Ms. Andersen, but, as of the date of this Proxy Statement, these new executive severance agreements have not been fully executed or become effective. The forms of new executive severance agreements approved by the Compensation and Organization Committee are described in the section captioned **Executive Severance Agreements Approved by Compensation and Organization Committee on February 14, 2017** beginning on page 95 of this Proxy Statement.

Executive Severance Agreements Entered into in 2015 and 2016

On July 7, 2015, A&F Management executed and entered into the July 2015 Agreements with Fran Horowitz, Joanne C. Crevoiserat and Jonathan E. Ramsden. Following Ms. Crevoiserat's assumption of leadership responsibility for store operations and asset protection and sustainability, in addition to her ongoing responsibilities as Executive Vice President and Chief Financial Officer, and in order to align the benefits Ms. Crevoiserat would receive under her agreement with A&F Management with those to be received by other executive officers of the Company, Ms. Crevoiserat entered into the October 2015 Agreement with A&F Management. The terms of Ms. Crevoiserat's October 2015 Agreement superseded the terms of her July 2015 Agreement in their entirety. In anticipation of their joining the Company, on May 20, 2016, A&F Management executed and entered into the 2016 Agreements with Kristin Scott and Stacia Andersen.

The term of the 2015 Agreements is to end on July 7, 2017, with no evergreen renewal. The term of the 2016 Agreements is to end on May 20, 2018, with no evergreen renewal. However, if a change of control (as defined in the 2015 Agreements and the 2016 Agreements) were to occur during the original term, the term of the 2015 Agreements and the term of the 2016 Agreements would extend until the later of the expiration of the original term and the expiration of the one-year period following the date of the change of control.

The 2015 Agreements and the 2016 Agreements impose various restrictive covenants on the NEOs, including non-competition, non-solicitation, non-disparagement and confidentiality covenants. The non-competition covenant prohibits each NEO from engaging in certain activities with identified competitors of the Company during the NEO's employment and for a period of 12 months after the termination of the employment. The non-solicitation covenant prohibits each NEO from engaging in certain solicitation activities during the NEO's employment and for a period of 24 months after the termination of the NEO's employment. The non-disparagement covenant is in effect during the NEOs' employment and at all times thereafter.

The discussion of the terms of the 2015 Agreements and the 2016 Agreements which follows does not include Mr. Ramsden. The consequences of his resignation from the Company are discussed separately under the section captioned **Resignation of Jonathan E. Ramsden**.

If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were terminated during the term of the 2015 Agreement or the 2016 Agreement, as applicable, the Company would, in all cases, pay to her all accrued but unpaid compensation earned by her through the date of her termination.

Table of Contents

Under the terms of the 2015 Agreements and the 2016 Agreements, if the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were terminated by the Company without cause (other than as a result of her death or disability) or by the NEO for good reason (each as defined in her 2015 Agreement or her 2016 Agreement, as applicable) during the term (other than during the one-year period following a change of control of the Company) and she executes Release acceptable to the Company:

the Company is to continue to pay her base salary in bi-weekly installments for 18 months following the termination date;

the Company is to pay her a pro-rata annual cash incentive based on actual performance during the applicable bonus period (as defined in her 2015 Agreement or her 2016 Agreement, as applicable) and the number of days elapsed in the applicable bonus period prior to the termination date, which payment will be at the full discretion of the Compensation and Organization Committee;

the Company is to reimburse her during the 18 months following the termination date for 100% of the monthly premium costs of COBRA subject to her election of such coverage and satisfaction of the additional eligibility requirements set forth in her 2015 Agreement or her 2016 Agreement, as applicable;

in the case of Ms. Crevoiserat and Ms. Horowitz, the Company is to pay them the additional cash amounts to which they are entitled under their respective offer letters executed when they joined the Company; and

the outstanding equity awards held by her are to vest (if at all) in accordance with the terms of her award agreements and, in the case of Ms. Crevoiserat and Ms. Horowitz, their respective offer letters.

Under the terms of the 2015 Agreements and the 2016 Agreements, if the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were terminated by the Company without cause or by her for good reason during the one-year period following a change of control of the Company and she executes a Release acceptable to the Company:

in the case of Ms. Horowitz and Ms. Crevoiserat, the Company is to continue to pay their respective base salaries in bi-weekly installments for 18 months following the termination date;

in the case of Ms. Scott and Ms. Andersen, the Company is to pay them a lump-sum payment, on the 60th day following the termination date, in an amount equal to 18 months of their respective base salaries in effect on the termination date;

the Company is to pay her a lump-sum payment (less taxes and withholdings), on the 60th day following the termination date, of an amount equal to her target bonus opportunity under the Company's short-term cash bonus plan in which she is then eligible to participate;

the Company is to reimburse her during the 18 months following the termination date for 100% of the monthly premium costs of continuation coverage under COBRA, subject to her election of such coverage and satisfaction of the additional eligibility requirements set forth in her 2015 Agreement or her 2016 Agreement, as applicable; and

the outstanding equity awards held by her will vest (if at all) in accordance with the terms of her award agreements.

In the case of Ms. Crevoiserat and Ms. Horowitz, these change of control benefits will be provided in lieu of the amounts payable with respect to a Change of Control under their respective offer letters executed when they joined the Company.

Resignation of Jonathan E. Ramsden

On June 15, 2016, Jonathan E. Ramsden voluntarily resigned from his employment with the Company. Under the terms of the Ramsden Agreement, Mr. Ramsden's resignation was treated as a voluntary resignation from the Company without good reason. As a result, under the terms of the Ramsden Agreement: (i) the

Table of Contents

Company paid Mr. Ramsden all accrued but unpaid compensation through June 15, 2016; (ii) the second tranche of Mr. Ramsden's Special Award RSUs vested on May 31, 2016 with respect to 23,202 RSUs and Mr. Ramsden elected to defer delivery of the underlying shares of Common Stock until December 16, 2016; (iii) the third tranche of Mr. Ramsden's Special Award RSUs was forfeited; (iv) the other outstanding equity awards held by Mr. Ramsden would vest (if at all) in accordance with the applicable award agreements and the Ramsden Agreement; and (v) Mr. Ramsden will receive the value of his accrued benefits under the Company's 401(k) Plan and the Company's Nonqualified Savings and Supplemental Retirement Plan. Mr. Ramsden remains subject to the covenants under the Ramsden Agreement, including the non-competition, non-solicitation, non-disparagement and confidentiality covenants, in accordance with their terms in the Ramsden Agreement.

Retirement of Diane Chang

On November 3, 2016, the Company announced that Diane Chang, Executive Vice President – Sourcing, would retire from the Company effective June 24, 2017. Pursuant to the Chang Agreement, Ms. Chang was employed in the capacity of Executive Vice President – Sourcing through January 28, 2017. From January 29, 2017 through June 23, 2017, Ms. Chang will be employed by the Company in a part-time capacity to assist with the transition duties related to her retirement. During this transition period, she will be paid at a rate equivalent to 50% of her annualized base salary.

The Chang Agreement imposes various restrictive covenants on Ms. Chang including non-competition, non-solicitation, non-disparagement and confidentiality covenants, which remain in effect in accordance with their terms. The non-competition covenant prohibits Ms. Chang from engaging in certain activities with identified competitors of the Company through and including December 31, 2017. The non-solicitation covenant prohibits Ms. Chang from engaging in certain solicitation activities through and including December 31, 2018. Ms. Chang will receive a cash payment of \$450,000 delivered in two equal installments to be paid in December 2017 and December 2018, contingent upon her satisfaction of the restrictive covenants.

Other Arrangements

If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen is terminated by reason of her disability, she will be entitled to receive any benefits available under the Company's long-term disability plan (if any). If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen is terminated by the Company for cause, by her without good reason or by reason of her death or disability, the outstanding equity awards held by her will vest (if at all) in accordance with the terms of her award agreements.

Each of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott and Ms. Andersen will receive the value of her accrued benefits under the Company's 401(k) Plan and the Company's Nonqualified Savings and Supplemental Retirement Plan in the event of any termination of employment (*e.g.*, death, disability, termination by the Company with or without cause or voluntary termination by her).

In the case of an involuntary termination of employment without cause, within three months prior to or 18 months after a change of control (excluding voluntary resignation, retirement and termination due to death or disability), in addition to the benefits under the plans mentioned in the preceding paragraph, the vesting of outstanding SARs, stock options and RSUs held by the NEO would accelerate. In addition, outstanding PSAs with respect to which more than 50% of the performance period has elapsed as of the date of the change of control would be paid, on a pro-rated basis, based on the performance achieved through a date occurring within three months of the change of control, as determined by the Compensation and Organization Committee prior to the change of control. Outstanding PSAs with respect to which less than 50% of the performance period has elapsed as of the date of the change of control would be paid, on a pro-rated basis, at the target level of achievement.

This \$1,239,251 is the sum of: (a) the number of unvested RSUs multiplied by \$11.36 (the market price of the Company's Common Stock as of January 27, 2017 (the last business day of Fiscal 2016)) plus (b) the number of unearned target PSAs multiplied by \$11.36 (the market price of the Company's Common Stock as of January 27, 2017 (the last business day of Fiscal 2016)).
- (6) The value of Ms. Andersen's equity holdings is calculated as \$963,862 and relates to unvested RSUs and unearned PSAs at January 28, 2017. This \$963,862 is the sum of: (a) the number of unvested RSUs multiplied by \$11.36 (the market price of the Company's Common Stock as of January 27, 2017 (the last business day of Fiscal 2016)) plus (b) the number of pro-rated unearned target PSAs multiplied by \$11.36 (the market price of the Company's Common Stock as of January 27, 2017 (the last business day of Fiscal 2016)). The value shown in the above table assumes that all unvested RSUs vest in connection with a change of control.

Executive Severance Agreements Approved by Compensation and Organization Committee on February 14, 2017

On February 14, 2017, the Compensation and Organization Committee approved the forms of new executive severance agreements (the 2017 Agreements) for a number of the Company's executive officers, including Fran Horowitz, Joanne C. Crevoiserat, Kristin Scott and Stacia Andersen. However, as of the date of this Proxy Statement, the 2017 Agreements have not been fully executed or become effective. The 2017 Agreements would reflect an update to certain provisions of the 2015 Agreements and the 2016 Agreements and, when the 2017 Agreements become effective, they would supersede the 2015 Agreements and the 2016 Agreements. The 2017 Agreements are intended to continue to support the Company's retention strategy and align the Company's practices with current practices in the Company's industry and peer group.

The 2017 Agreements would have an initial two-year term, followed by automatic renewal on an annual basis, unless otherwise determined by the Company or the NEO at least 90 days prior to the date on which the additional term would have automatically begun. However, if a change of control (as defined in the 2017 Agreements) were to occur during the original term or an additional term, the term of the 2017 Agreements would extend until the later of the expiration of the original term or the additional term, as applicable, or the 18-month anniversary of such change in control.

If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were to be terminated during the term of her 2017 Agreement, the Company would, in all cases, pay to her all accrued but unpaid compensation earned by her through the date of her termination.

If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were to be terminated by the Company without cause (as defined in the 2017 Agreements), other than as a result of her death or disability, or by her for good reason (as defined in the 2017 Agreements) during the term (other than during the three months prior to, or the 18 months following, a change of control of the Company) and she were to execute a release of claims acceptable to the Company:

the Company would continue to pay her base salary in bi-weekly installments for 18 months following the termination date;

the Company would pay her, at the time specified in her 2017 Agreement, a pro-rated portion of her bonus under the short-term cash bonus plan of the Company in which she would have been eligible to participate in the year of her termination date, based on actual performance during the applicable bonus period and the number of days in such bonus period that would have elapsed prior to the termination date;

the Company would reimburse her during the 18 months following the termination date for 100% of the monthly premium costs of continuation coverage under COBRA, subject to her election of such coverage and satisfaction of the additional eligibility requirements

set forth in her 2017 Agreement;

Table of Contents

in the case of Ms. Crevoiserat and Ms. Horowitz, the Company would pay them the additional cash amounts to which they would be entitled under their respective offer letters; and

the outstanding equity awards held by her would vest (if at all) in accordance with the terms of her award agreements and, in the case of Ms. Crevoiserat and Ms. Horowitz, their respective offer letters.

If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were to be terminated by the Company without cause (other than as a result of her death or disability) or by her for good reason during the three months prior to, or the 18 months following, a change of control of the Company and she were to execute a release of claims acceptable to the Company:

in the case of Ms. Horowitz and Ms. Crevoiserat, the Company would continue to pay their respective base salaries in bi-weekly installments for 18 months following the termination date;

in the case of Ms. Scott and Ms. Andersen, the Company would pay them, at the time specified in their respective 2017 Agreements, a lump-sum amount equal to 18 months of their respective base salaries;

the Company would pay her, at the time specified in her 2017 Agreement, a lump-sum payment in an amount equal to 1.5 times her target bonus opportunity under the Company's short-term cash bonus plan in which she would have been entitled to participate in respect of the Company's fiscal year in which the termination date occurred;

the Company would reimburse her during the 18 months following the termination date for 100% of the monthly premium costs of continuation coverage under COBRA, subject to her election of such coverage and satisfaction of the additional eligibility requirements set forth in her 2017 Agreement; and

the outstanding equity awards held by her would vest (if at all) in accordance with the terms of her award agreements.

In the case of Ms. Crevoiserat and Ms. Horowitz, these change of control benefits would be provided in lieu of the amounts payable under their respective offer letters with respect to a Change of Control.

If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were to be terminated by reason of her disability, she would be entitled to receive any benefits available under the Company's long-term disability plan (if any). If the employment of Ms. Horowitz, Ms. Crevoiserat, Ms. Scott or Ms. Andersen were to be terminated by the Company for cause, by her without good reason or by reason of her death or disability, the outstanding equity awards held by her would vest (if at all) in accordance with the terms of her award agreements.

The 2017 Agreements would impose various restrictive covenants on the NEOs, including non-competition, non-solicitation, non-disparagement and confidentiality covenants. The non-competition covenant would prohibit the NEOs from engaging in certain activities with identified competitors of the Company during their employment and for a period of 12 months after the termination of their employment. The non-solicitation covenant would prohibit the NEOs from engaging in certain solicitation activities during their employment and for a period of 24 months after the termination of their employment.

Subsequent to January 28, 2017, it was determined that the threshold 2016 EBIT Margin Improvement goal, the threshold Relative TSR goal and the threshold ROE goal for PSAs granted in 2014 were not achieved and, as such, all tranches of those PSA awards were forfeited. Of the PSAs that were outstanding as of January 28, 2017, a maximum of 518,006 PSAs and 142,036 PSAs can be earned under the 2007 LTIP and the 2016 Associates LTIP, respectively.

In addition, under the 2016 Associates LTIP and the 2016 Directors LTIP, shares available for future issuance are measured net of shares expected to be retained by the Company to cover tax withholdings upon vesting or exercise, which have been calculated using an estimated tax rate of 35%.

On a net basis, as of January 28, 2017, there were 3,301,780 shares available for future issuance under the 2016 Associates LTIP and 228,886 shares available for future issuance under the 2016 Directors LTIP.

**PROPOSAL 4 APPROVAL OF THE AMENDMENT AND
RESTATEMENT OF THE ABERCROMBIE & FITCH CO. SHORT-TERM
CASH INCENTIVE COMPENSATION PERFORMANCE PLAN**

At the Annual Meeting, the Company's stockholders will be requested to consider and act upon a proposal to amend and restate the Abercrombie & Fitch Co. Incentive Compensation Performance Plan (the Short-Term Cash Incentive Plan).

Edgar Filing: ABERCROMBIE & FITCH CO /DE/ - Form DEF 14A

On March 3, 1997, the Board adopted the Short-Term Cash Incentive Plan, subject to approval by the Company's stockholders who in turn approved the Short-Term Cash Incentive Plan on May 20, 1997. The Short-Term Cash Incentive Plan was then re-approved by stockholders on each of May 23, 2002, June 13, 2007 and June 14, 2012. The Short-Term Cash Incentive Plan has not been amended since the approval by stockholders in 2007 and is being submitted to stockholders for re-approval solely to satisfy certain requirements under Section 162(m) of the Internal Revenue Code (Section 162(m)); however, there can be no guarantee that amounts payable under the Short-Term Cash Incentive Plan will be treated as qualified performance-based compensation under Section 162(m). For purposes of clarity, the Short-Term Cash Incentive Plan has been renamed the Abercrombie & Fitch Co. Short-Term Cash Incentive Compensation Performance Plan.

Table of Contents

Pursuant to the Short-Term Cash Incentive Plan, selected key associates are eligible to participate in the Short-Term Cash Incentive Plan, including the NEOs. The purpose of the Short-Term Cash Incentive Plan is to give the Company a competitive advantage in attracting, retaining and motivating key associates and to provide the Company with the ability to provide incentive compensation that is linked to financial measures. In addition, the Short-Term Cash Incentive Plan is intended to permit the payment of bonuses that may qualify as performance-based compensation within the meaning of Section 162(m).

The Board believes that it is in the best interests of the Company and our stockholders for the Company to have a stockholder-approved plan under which bonuses awarded to our key associates could be designed in a manner intended to qualify as performance-based compensation within the meaning of Section 162(m). Accordingly, the Short-Term Cash Incentive Plan is being submitted for re-approval by stockholders. In general, under Section 162(m), in order for the Company to be able to deduct compensation in excess of \$1,000,000 paid in any one year to our chief executive officer or any of our three other most highly compensated executive officers (other than our chief financial officer), such compensation must qualify as performance-based compensation. One of the requirements of performance-based compensation for purposes of Section 162(m) is that the material terms of the performance goals under which compensation may be paid be disclosed to and approved by the Company's stockholders at least once every five years. Stockholders last approved the material terms of the Short-Term Cash Incentive Plan at the 2012 Annual Meeting of Stockholders. For purposes of Section 162(m), the material terms include: (i) the individuals eligible to receive compensation; (ii) a description of the business criteria on which the performance goal(s) is/are based; and (iii) the maximum amount of compensation that can be paid to an individual under the performance goal(s). Each of these aspects is discussed below, and stockholder approval of this proposal is intended to constitute re-approval of each of these aspects of the Short-Term Cash Incentive Plan for purposes of the stockholder approval requirements of Section 162(m).

Summary of the Short-Term Cash Incentive Plan

The following summary of the material terms of the Short-Term Cash Incentive Plan is qualified in its entirety by reference to the complete text of the Short-Term Cash Incentive Plan, which is set forth in [Appendix A](#) to this Proxy Statement. The only change to the Short-Term Cash Incentive Plan is the change in the name of the Short-Term Cash Incentive Plan to the Abercrombie & Fitch Co. Short-Term Cash Incentive Compensation Performance Plan.

Administration

The Short-Term Cash Incentive Plan is administered by the Compensation and Organization Committee. The Compensation and Organization Committee has the authority to select participants in the Short-Term Cash Incentive Plan from among the Company's key associates and to determine the performance goal(s), target amounts and other terms and conditions of awards under the Short-Term Cash Incentive Plan.

Eligibility

The Company's associates with significant operating and financial responsibility and who are likely to be covered employees (within the meaning of Section 162(m)) for the relevant fiscal year, are eligible to earn seasonal or annual cash incentive compensation payments to be paid under the Short-Term Cash Incentive Plan. As of April 17, 2017, approximately 1,100 associates qualified to participate in the Short-Term Cash Incentive Plan.

Terms of Awards

Awards under the Short-Term Cash Incentive Plan will be payable upon the achievement during each performance period (which may be the Company's Spring and Fall selling seasons or full fiscal year) of specified objectives. Annual incentive compensation targets may be established for eligible associates ranging from 5% to 150% of base salary. Associates may earn their target incentive compensation if the pre-established performance goal(s) is/are achieved. The amount of incentive compensation paid to participating associates may range from zero to double their targets, based upon the extent to which performance goal(s) is/are achieved or exceeded.

Table of Contents

Maximum Amount of Compensation Payable Under the Short-Term Cash Incentive Plan

The maximum dollar amount payable to any participant for any fiscal year of the Company under the Short-Term Cash Incentive Plan is \$5,000,000.

Objective Performance Goals

For each performance period, the Compensation and Organization Committee will select one or more of the following measures as the performance goal(s), either individually, alternatively or in any combination, applied to either the Company as a whole or to a business unit or subsidiary, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Compensation and Organization Committee:

gross sales, net sales, or comparable store sales;

gross margin, cost of goods sold, mark-ups or mark-downs;

selling, general and administrative expenses;

operating income, earnings from operations, earnings before or after taxes, or earnings before or after interest, depreciation, amortization, or extraordinary or special items;

net income or net income per common share (basic or diluted);

inventory turnover or inventory shrinkage;

return on assets, return on investment, return on capital, or return on equity;

cash flow, free cash flow, cash flow return on investment, or net cash provided by operations;

economic profit or economic value created;

stock price or total stockholder return; and

market penetration, geographic expansion or new concept development; customer satisfaction; staffing; diversity; training and development; succession planning; employee satisfaction; acquisitions or divestitures of subsidiaries, affiliates or joint ventures. These factors may be adjusted by the Compensation and Organization Committee to eliminate the effects of charges for restructurings, discontinued operations and all items of gain, loss or expense determined to be unusual in nature and/or infrequent in occurrence or related to the disposal of a segment of a business, in each case as determined in accordance with GAAP or identified in the Company's financial statements or notes to the financial statements. These performance goals may (but need not) be based on an analysis of historical performance and growth expectations for the Company, financial results of other peer retail companies included in the Company's compensation peer group and progress

toward achieving the Company's long-range strategic plan.

Clawback

If at any time after the date on which a Short-Term Cash Incentive Plan participant has received payments under the Short-Term Cash Incentive Plan pursuant to the achievement of a performance goal, the Compensation and Organization Committee determines that the earlier determination as to the achievement of the performance goal was based on incorrect data and that in fact the performance goal had not been achieved or had been achieved to a lesser extent than originally determined and a portion of such payment would not have been paid, given the correct data, then such portion of any such payment made to the Short-Term Cash Incentive Plan participant must be repaid by such participant to the Company upon notice from the Company as provided by the Compensation and Organization Committee. The Compensation and Organization Committee will have the sole discretion to determine whether to enforce its clawback rights.

Table of Contents

Amendments and Termination

The Board may, from time to time, alter, amend, suspend or terminate the Short-Term Cash Incentive Plan as the Board deems advisable, subject to any requirement for stockholder approval imposed by applicable law, including Section 162(m). No amendments to, or termination of, the Short-Term Cash Incentive Plan will in any way impair the rights of a participant under any award previously granted without such participant's consent.

Plan Benefits

Future awards under the Short-Term Cash Incentive Plan will be made at the discretion of the Compensation and Organization Committee (subject to the terms of the Short-Term Cash Incentive Plan) and, accordingly, are not yet determinable. Awards made to the NEOs under the Short-Term Cash Incentive Plan in respect of Fiscal 2016 are shown in the **Fiscal 2016 Summary Compensation Table** on page 80 in the Non-Equity Incentive Plan Compensation column.

PROPOSAL 5 APPROVAL OF THE ABERCROMBIE & FITCH CO.

LONG-TERM CASH INCENTIVE COMPENSATION PERFORMANCE PLAN

At the Annual Meeting, the Company's stockholders will be requested to consider and act upon a proposal to approve the Abercrombie & Fitch Co. Long-Term Cash Incentive Compensation Performance Plan (the Long-Term Cash Incentive Plan).

Pursuant to the Long-Term Cash Incentive Plan, selected key associates are eligible to participate in the Long-Term Cash Incentive Plan, including the NEOs. The purpose of the Long-Term Cash Incentive Plan is to give the Company a competitive advantage in attracting, retaining and motivating key associates and to provide the Company with the ability to provide cash incentive compensation that is linked to performance goals measured over a period of at least two years. In addition, the Long-Term Cash Incentive Plan is intended to permit the payment of long-term cash incentives that may qualify as performance-based compensation within the meaning of Section 162(m).

The Board believes that it is in the best interests of the Company and our stockholders for the Company to have a stockholder-approved plan under which long-term cash incentive opportunities could be designed in a manner intended to qualify as performance-based compensation within the meaning of Section 162(m), while providing the Company with additional flexibility in balancing the annual focus of the Short-Term Cash Incentive Plan by tying a significant portion of total cash compensation to performance achieved over multiple-year periods. The Long-Term Cash Incentive Plan would allow the Compensation and Organization Committee to consider the grant of long-term cash incentives as well as long-term equity-based incentives in determining the mix of awards which most effectively balances critical performance metrics and the Company's objectives for the retention of key associates.

The Long-Term Cash Incentive Plan has been structured such that awards granted under the Long-Term Cash Incentive Plan can satisfy the requirements for performance-based compensation within the meaning of

Table of Contents

Section 162(m). However, there can be no guarantee that amounts payable under the Long-Term Cash Incentive Plan will be treated as qualified performance-based compensation under Section 162(m). In general, under Section 162(m), in order for the Company to be able to deduct compensation in excess of \$1,000,000 paid in any one year to the Company's chief executive officer or any of the Company's three other most highly compensated executive officers (other than the Company's chief financial officer), such compensation must qualify as performance-based compensation. One of the requirements of performance-based compensation for purposes of Section 162(m) is that the material terms of the performance goals under which compensation may be paid be disclosed to and approved by the Company's stockholders at least once every five years. For purposes of Section 162(m), the material terms include: (i) the individuals eligible to receive compensation; (ii) a description of the business criteria on which the performance goal(s) is/are based; and (iii) the maximum amount of compensation that can be paid to an individual under the performance goal(s). Each of these aspects of the Long-Term Cash Incentive Plan is discussed below, and stockholder approval of the Long-Term Cash Incentive Plan will constitute approval of each of these aspects for purposes of the approval requirements of Section 162(m).

Summary of the Long-Term Cash Incentive Plan

The following summary of the material terms of the Long-Term Cash Incentive Plan is qualified in its entirety by reference to the complete text of the Long-Term Cash Incentive Plan, which is set forth in [Appendix B](#) to this Proxy Statement.

Administration

The Long-Term Cash Incentive Plan will be administered by the Compensation and Organization Committee. The Compensation and Organization Committee will have the authority to select participants in the Long-Term Cash Incentive Plan from among the Company's key associates and to determine the performance goals and other terms and conditions of awards under the Long-Term Cash Incentive Plan. The Compensation and Organization Committee will have full power and authority to: (1) prescribe documents evidencing awards, and amendments thereto, as well as rules and regulations for the administration of the Long-Term Cash Incentive Plan; (2) construe and interpret the Long-Term Cash Incentive Plan and all related award agreements; and (3) make all other determinations that the Compensation and Organization Committee deems necessary or advisable for the administration of the Long-Term Cash Incentive Plan. Any action taken by the Compensation and Organization Committee with respect to the administration and interpretation of the Long-Term Cash Incentive Plan will be final, conclusive and binding on all persons interested in the Long-Term Cash Incentive Plan.

The Long-Term Cash Incentive Plan specifies the conditions under which the Compensation and Organization Committee may act through subcommittees or delegate the administration of the Long-Term Cash Incentive Plan to one or more officers or associates of the Company.

Eligibility

The Company's associates as well as those of our subsidiaries or affiliates with significant operating and financial responsibility and who are likely to be covered employees (within the meaning of Section 162(m)) at the time of settlement of an award, are eligible to earn long-term cash incentive compensation payments under the Long-Term Cash Incentive Plan. As of April 17, 2017, there were approximately 1,100 associates qualified to participate in the Long-Term Cash Incentive Plan.

Terms of Awards

The Compensation and Organization Committee will determine whether the grant, issuance, vesting and/or settlement of any award (incentive opportunity) granted under the Long-Term Cash Incentive Plan will be contingent upon the achievement of pre-established performance goals satisfying the requirements of Section 162(m) or subject to performance conditions that are not intended to comply with Section 162(m). The performance period for any award granted under the Long-Term Cash Incentive Plan will be determined by the Compensation and Organization Committee but may not be less than two years.

Table of Contents

Maximum Incentive Opportunity Under the Long-Term Cash Incentive Plan

The maximum incentive opportunity which may be awarded to any participant for any fiscal year of the Company under the Long-Term Cash Incentive Plan is \$10,000,000, without regard to whether the award is intended to comply with Section 162(m).

Objective Performance Goals

For each performance period, the Compensation and Organization Committee will select one or more of the following measures as the performance goal(s) applied to either the Company as a whole or to a business unit or subsidiary, either individually, alternatively or in any combination, and measured either annually or cumulatively over a period of years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Compensation and Organization Committee:

gross sales, net sales, comparable store sales or comparable sales;

gross margin, cost of goods sold, mark-ups or mark-downs;

selling, general and administrative expenses;

operating income, earnings from operations, earnings before or after taxes, or earnings before or after interest, depreciation, amortization, or extraordinary or special items;

net income or net income per common share (basic or diluted);

inventory turnover or inventory shrinkage;

return on assets, return on investment, return on capital, or return on equity;

cash flow, free cash flow, cash flow return on investment, or net cash provided by operations;

economic profit or economic value created;

stock price or total stockholder return; and

market penetration, geographic expansion or new concept development; customer satisfaction; staffing; diversity; training and development; succession planning; associate satisfaction; acquisitions or divestitures of subsidiaries, affiliates or joint ventures. These factors may be adjusted by the Compensation and Organization Committee to eliminate the effects of charges for restructurings, discontinued operations and all items of gain, loss or expense determined to be unusual in nature and/or infrequent in occurrence or related to the disposal of a segment of a business, in each case as determined in accordance with GAAP or identified in the Company's financial statements or notes to the financial statements. These factors must have a minimum performance standard below which no payments will be made, and a maximum performance standard above which no additional payments will be made. These performance goals may (but need not) be based on an analysis of historical performance and growth expectations for the Company, financial results of other peer companies included in the Company's

compensation peer group and progress toward achieving the Company's long-range strategic plan. These performance goals and determination of results will be based entirely on objective measures.

For each performance-based award, the Compensation and Organization Committee will establish in writing the applicable performance goal(s), performance period and formula for computing the performance-based award while the outcome of the applicable performance goal(s) is substantially uncertain, but in no event later than the earlier of: (i) 90 days after the beginning of the applicable performance period; or (ii) the expiration of 25% of the applicable performance period. After the end of each performance period, the Compensation and Organization Committee will certify in writing whether the performance goal(s) and other material terms imposed on the performance-based award have been satisfied. The Compensation and Organization Committee has the authority to exercise negative discretion and reduce (but not increase) the amount of a performance-based award actually paid to a participant.

Table of Contents

Settlement of Awards

Settlement of awards which have been earned will be paid in cash no later than the 15th day of the third month following the end of the applicable performance period. The Compensation and Organization Committee will specify the circumstances in which awards will be paid or forfeited in the event of a participant's death, disability or retirement, in connection with a Change of Control or in connection with any other termination of employment prior to the end of a performance period or settlement of awards.

Clawback

If at any time after the date on which a Long-Term Cash Incentive Plan participant has been granted or becomes vested in an award pursuant to the achievement of a performance goal, the Compensation and Organization Committee determines that the earlier determination as to the achievement of the performance goal was based on incorrect data and that in fact the performance goal had not been achieved or had been achieved to a lesser extent than originally determined and a portion of such award would not have been granted, vested or paid, given the correct data, then (i) such portion of the award that was granted will be forfeited, (ii) such portion of the award that became vested will be deemed to not be vested and the cash paid to the Long-Term Cash Incentive Plan participant must be returned to the Company as provided by the Compensation and Organization Committee, and (iii) such portion of the award paid to the Long-Term Cash Incentive Plan participant must be repaid by the participant to the Company upon notice from the Company as provided by the Compensation and Organization Committee.

Additional Forfeiture Provisions

Unless otherwise determined by the Compensation and Organization Committee, each award granted under the Long-Term Cash Incentive Plan is subject to additional restrictions contained in the plan document. These restrictions are applicable during the time of a Long-Term Cash Incentive Plan participant's employment by the Company or a subsidiary or affiliate of the Company, and during the one-year period following termination of the participant's employment. These additional restrictions include: (i) a covenant that includes non-competition with the Company or any subsidiary or affiliate of the Company, as well as non-solicitation of customers, associates and suppliers of the Company or any subsidiary or affiliate of the Company; (ii) a covenant to protect any confidential or proprietary information of the Company or any subsidiary or affiliate of the Company; (iii) a covenant to cooperate with the Company or any subsidiary or affiliate of the Company with regard to any action, suit or proceeding; and (iv) a covenant not to interfere with or harm the relationship of the Company or any subsidiary or affiliate of the Company with any person who at any time was a customer or supplier of, or otherwise had a business relationship with, the Company or any subsidiary or affiliate of the Company.

To the extent that a Long-Term Cash Incentive Plan participant violates one or more of the additional restrictions described above, unless otherwise determined by the Compensation and Organization Committee, the following will apply to any award granted under the Long-Term Cash Incentive Plan:

Any award not then settled will be immediately forfeited and cancelled; and

The participant will be obligated to repay to the Company, in cash, the total amount realized by the participant upon settlement of an award that occurred within any of the timeframes described in the Long-Term Cash Incentive Plan.

Change of Control

Except as otherwise provided by the Compensation and Organization Committee in the related award agreement or at any time prior to a Change of Control (as such term is defined in the Long-Term Cash Incentive Plan), in the event of a Change of Control, the following will apply:

In the case of an award in which fifty percent (50%) or more of the performance period applicable to the award has elapsed as of the date of the Change of Control, the participant will be entitled to payment,

Table of Contents

vesting or settlement of such award based upon performance through a date occurring within three months prior to the date of the Change of Control, as determined by the Compensation and Organization Committee prior to the Change of Control, and pro-rated based upon the percentage of the performance period that has elapsed between the first day of the applicable performance period and the date of the Change of Control; and

In the case of an award in which less than fifty percent (50%) of the performance period applicable to the award has elapsed as of the date of the Change of Control, the participant will be entitled to payment, vesting or settlement of the target amount of such award, as determined by the Compensation and Organization Committee prior to the Change of Control, pro-rated based upon the percentage of the performance period that has elapsed between the first day of the applicable performance period and the date of the Change of Control.

Transferability

No award or other right or interest of a participant under the Long-Term Cash Incentive Plan may be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability of the participant to any party (other than the Company or a subsidiary or affiliate of the Company), or assigned or transferred by the participant otherwise than by will or the laws of descent and distribution or to a beneficiary upon the death of the participant.

Adjustments

If any large, special and non-recurring dividend or other distribution (whether in the form of cash or property other than the Company's Common Stock), recapitalization, forward or reverse stock split, stock dividend, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Company's Common Stock, then the Compensation and Organization Committee will, in such equitable manner as it determines, adjust the terms and conditions of, and the criteria included in, awards (including performance goals) in recognition of unusual or nonrecurring events (including events described in the preceding sentence as well as acquisitions or dispositions of businesses and assets affecting any performance conditions), or in response to changes in applicable laws, regulations or accounting principles. However, no such adjustment may be made if and to the extent that the existence of the authority to make the same would cause an award intended to qualify as performance-based compensation under Section 162(m) to fail to do so.

Tax Withholding and Tax Offset Payments

The Company and any subsidiary or affiliate of the Company is authorized to withhold from any award granted, any payment relating to an award under the Long-Term Cash Incentive Plan, or any payroll or other payment to a Long-Term Cash Incentive Plan participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction or event involving an award or to require a Long-Term Cash Incentive Plan participant to remit to the Company an amount in cash or other property to satisfy such withholding requirements or by taking certain other actions.

Awards to Participants Outside the United States

The Compensation and Organization Committee may modify the terms of any award under the Long-Term Cash Incentive Plan made to or held by a participant who is then resident or primarily employed outside of the United States in any manner deemed by the Compensation and Organization Committee to be necessary or appropriate in order that such award will conform to the laws, regulations and customs of the country in which the participant is then resident or primarily employed, or so that the value and other benefits of the award to the participant, as affected by foreign tax laws and other restrictions applicable as a result of the participant's residence or employment abroad, will be comparable to the value of such an award to a participant who is

Table of Contents

resident or primarily employed in the United States. An award may be modified in a manner that is inconsistent with the express terms of the Long-Term Cash Incentive Plan, so long as such modification will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the participant whose award is modified.

Effective Date and Term

The Long-Term Cash Incentive Plan will become effective upon its approval by our stockholders. Unless earlier terminated by the Board, the authority of the Compensation and Organization Committee to make grants under the Long-Term Cash Incentive Plan will terminate on the date that is ten years after the latest date upon which stockholders of the Company have approved the Long-Term Cash Incentive Plan.

Amendments and Termination

The Board may, from time to time, alter, amend, suspend or terminate the Long-Term Cash Incentive Plan as the Board deems advisable, subject to any requirement for stockholder approval imposed by applicable law, including Section 162(m). No amendments to, or termination of, the Long-Term Cash Incentive Plan will in any way impair the rights of a participant in the Long-Term Cash Incentive Plan under any award previously granted without such participant's consent.

Plan Benefits

Awards under the Long-Term Cash Incentive Plan will be made at the discretion of the Compensation and Organization Committee. Therefore, the associates who will become participants in the Long-Term Cash Incentive Plan in the future and the amount and nature of awards to be granted to any participant cannot be determined at this time.

**PROPOSAL 6 APPROVAL OF AMENDMENTS TO THE
ABERCROMBIE & FITCH CO. 2016 LONG-TERM INCENTIVE PLAN FOR
DIRECTORS TO AUTHORIZE 400,000 ADDITIONAL SHARES AND EXPLICITLY PROHIBIT THE
CURRENT PAYMENT OF DIVIDENDS IN ANY FORM ON UNVESTED EQUITY AWARDS**

On April 4, 2016, the Board unanimously adopted, subject to approval by our stockholders, the 2016 Directors LTIP. At the 2016 Annual Meeting, our stockholders approved the 2016 Directors LTIP, as proposed, including approval of a reserve of 350,000 shares of Common Stock available for the grant of awards under the 2016 Directors LTIP. The 2016 Directors LTIP is the only stock incentive plan maintained by the Company under which non-associate directors of the Company are eligible to receive future equity awards.

Due to the unexpected decrease in the fair market value of a share of the Company's Common Stock, additional shares are needed under the 2016 Directors LTIP to continue to make grants to the Company's non-associate directors consistent with historic grant practices. On April 3, 2017, the Board unanimously

adopted, subject to approval by our stockholders, an amendment to the 2016 Directors LTIP which would authorize 400,000 additional shares of Common Stock. No changes to the 2016 Directors LTIP are proposed for consideration by our stockholders at the Annual Meeting other than the increase in the authorized number of shares of Common Stock and the explicit prohibition on the current payment of dividends in any form on unvested equity awards.

As of April 1, 2017, shares of Common Stock which may be delivered under all seven of the Company's equity compensation plans, including (i) the 1998 Director Stock Plan; (ii) the 2002 Associates Stock Plan; (iii) the 2003 Director Stock Plan; (iv) the 2005 LTIP; (v) the 2007 LTIP; (vi) the 2016 Directors LTIP; and (vii) the 2016 Associates LTIP, are shown below:

Use of Shares Which May Be Delivered Under All Equity Compensation Plans	Number of Shares as of April 1, 2017
Total outstanding stock options and SARs, with a weighted-average exercise price of \$49.36 per share and a weighted-average remaining term of 3.02 years — stock options and SARs are held solely by associates	3,341,218

Purpose

The purpose of the 2016 Directors LTIP is to promote our long-term financial success and increase stockholder value by allowing the Company to: (i) recruit, retain and motivate our non-associate directors; (ii) provide such non-associate directors with equitable and competitive compensation packages; (iii) provide a mechanism for non-associate directors to increase their ownership position in the Company; and (iv) increase the alignment between the compensation program for non-associate directors and stockholder interests. The 2016 Directors LTIP serves these purposes by making equity-based awards available for grant to non-associate directors in the form of:

nonqualified stock options to purchase shares of Common Stock (NQSOs);

SARs;

restricted shares of Common Stock (Restricted Stock);

RSUs; and

deferred stock awards,

together with related rights and interests therein.

Table of Contents

Corporate Governance Practices

The 2016 Directors LTIP includes a number of provisions that we believe reflect best practices and protect the interests of our stockholders. These provisions include:

No Discounted NQSOs or SARs

NQSOs and SARs may not be granted with an exercise price less than the fair market value of our Common Stock on the date of grant. On April 17, 2017, the closing price per share of our Common Stock on NYSE was \$10.94.

No Repricing Without Stockholder Approval

At any time when the exercise price of a NQSO or an SAR is above the market price of our Common Stock, we cannot, without stockholder approval, reprice such NQSO or SAR by reducing the exercise price or exchanging such NQSO or SAR for cash or other awards (including a new NQSO or SAR) at a reduced exercise price.

Minimum Vesting Requirements

All Restricted Stock and RSUs must meet minimum vesting requirements. Restricted Stock or RSUs that are not performance-based may vest no sooner than the earlier of (i) the first anniversary of the grant date or (ii) the date of the next regularly scheduled annual meeting of stockholders held after the grant date. In each case, however, vesting may occur earlier in the event of a non-associate director's death or total disability or termination of a non-associate director's service in connection with a change of control of the Company.

No Annual Evergreen Provision

The 2016 Directors LTIP provides a specific maximum share limitation and does not provide for an annual, automatic increase in the number of shares of Common Stock available for future awards.

Annual Limit on Awards to Participants

Participants under the 2016 Directors LTIP are subject to an annual limitation on the value of awards that may be granted to them.

Summary of the 2016 Directors LTIP, as Proposed to be Amended

The material features of the 2016 Directors LTIP, as it is proposed to be amended, are summarized below. This summary is qualified in its entirety by reference to the complete text of the 2016 Directors LTIP, as it is proposed to be amended, which is attached to this Proxy Statement as [Appendix C](#).

Administration

The Compensation and Organization Committee administers the 2016 Directors LTIP. The full Board may also participate in the administration of the 2016 Directors LTIP except to the extent limited under Section 303A.05 of the NYSE Listed Company Manual. References in this Proposal 7 to the Compensation and Organization Committee also include the Board, where appropriate.

In its capacity as plan administrator, the Compensation and Organization Committee determines which participants are granted awards, the type of each award granted and the terms and conditions of each award. The Compensation and Organization Committee also has full power and authority to: (i) establish, amend and rescind rules and regulations relating to the 2016 Directors LTIP; (ii) interpret the 2016 Directors LTIP and all related

Table of Contents

award agreements; and (iii) make any other determinations that the Compensation and Organization Committee deems necessary or desirable for the administration of the 2016 Directors LTIP. Any action taken by the Compensation and Organization Committee is final, binding and conclusive on all persons interested in the 2016 Directors LTIP.

The 2016 Directors LTIP specifies the conditions under which the Compensation and Organization Committee may act through subcommittees or delegate the administration of the 2016 Directors LTIP to one or more officers or associates of the Company.

With respect to each award granted under the 2016 Directors LTIP, we have entered and will continue to enter into a written or electronic award agreement with the participant which describes the terms and conditions of the award, including: (i) the type of award and when and how it may be exercised or earned; (ii) any exercise price associated with the award; (iii) how the award will or may be settled; and (iv) any other applicable terms and conditions affecting the award.

Available Shares of Common Stock

Subject to the adjustments discussed below, the aggregate number of shares of Common Stock available for the grant of awards under the 2016 Directors LTIP, if the proposed amendment to authorize an additional 400,000 shares is approved by our stockholders at the Annual Meeting, will be 750,000 shares of Common Stock. Shares of Common Stock issued under the 2016 Directors LTIP may consist of: (i) treasury shares; (ii) authorized but unissued shares of Common Stock not reserved for any other purpose; or (iii) shares of Common Stock purchased by us in the open market for such purpose.

The Compensation and Organization Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting and make adjustments as described below. Except as described below, to the extent that an award granted under the 2016 Directors LTIP expires or is forfeited, cancelled, surrendered or otherwise terminated without issuance of shares to a non-associate director, settled only in cash, or settled by the issuance of fewer shares than the number underlying the award, the shares retained by or tendered to the Company will be available under the 2016 Directors LTIP. Shares that are withheld from an award of Restricted Stock or RSUs granted under the 2016 Directors LTIP to cover withholding tax obligations related to that award or shares that are separately tendered by a non-associate director (either by delivery or attestation) in payment of such taxes will be deemed to constitute shares not delivered to the non-associate director and will be available for future grants under the 2016 Directors LTIP. Shares that are withheld, or that are tendered by a non-associate director (either by delivery or attestation) in connection with, an award of NQSOs or SARs granted under the 2016 Directors LTIP to cover withholding tax obligations related to that award or the exercise price of that award, will be deemed to constitute shares delivered to the non-associate director and will not be available for future grants under the 2016 Directors LTIP. For purposes of clarity, upon the exercise of an NQSO or SAR, the gross number of shares exercised, and not solely the net number of shares delivered upon such exercise, will be treated as issued pursuant to the 2016 Directors LTIP and the shares subject to the exercised NQSO or SAR that are not issued or delivered upon such exercise will not be available for future grants under the 2016 Directors LTIP. Additionally, in the case of any award granted through the assumption of, or in substitution for, an outstanding award granted by a company or business acquired by the Company or a subsidiary or affiliate of the Company or with which the Company or a subsidiary or affiliate of the Company merges, consolidates or enters into a similar corporate transaction, shares issued or issuable in connection with such substitute award will not be counted against the number of shares reserved under the 2016 Directors LTIP.

During any calendar year during any part of which the 2016 Directors LTIP is in effect, awards to non-associate directors, the non-associate director occupying the role of Non-Executive Chairman of the Board (if any) and the non-associate director occupying the role of Executive Chairman of the Board (if any) are subject to the following limits:

For non-associate directors: awards with an aggregate fair market value on the date of grant of no more than \$300,000;

Table of Contents

For the non-associate director occupying the role of Non-Executive Chairman of the Board (if any): additional awards with an aggregate fair market value on the date of grant of no more than \$500,000; and

For the non-associate director occupying the role of Executive Chairman of the Board (if any): additional awards with an aggregate fair market value on the date of grant of no more than \$2,500,000.

In each case, the limits do not include any deferred stock awards granted in lieu of other forms of compensation.

The minimum vesting and minimum exercisability conditions described below with respect to each type of award need not apply with respect to up to an aggregate of 5% of the shares authorized under the 2016 Directors LTIP, which may be granted (or regranted upon forfeiture) in any form permitted under the 2016 Directors LTIP without regard to such minimum vesting or minimum exercisability requirements.

In the event of any Common Stock dividend, Common Stock split, recapitalization, merger, reorganization, consolidation, combination, spin-off, special and non-recurring distribution of assets to stockholders, exchange of shares of Common Stock or any other corporate transaction or event affecting the Common Stock, the Compensation and Organization Committee will make such substitutions and adjustments as the Compensation and Organization Committee deems equitable and appropriate to: (i) the number of shares of Common Stock that may be issued under the 2016 Directors LTIP; (ii) any Common Stock-based limits imposed under the 2016 Directors LTIP; and (iii) the exercise price, number of shares of Common Stock and other terms or limitations applicable to outstanding awards.

In addition, the Compensation and Organization Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, awards in recognition of unusual or non-recurring events or in response to changes in applicable laws, regulations or accounting principles.

Eligibility

The Compensation and Organization Committee may select any of our non-associate directors and those of our subsidiaries or affiliates to receive awards under the 2016 Directors LTIP. As of April 17, 2017, there were ten non-associate directors of the Company.

Types of Awards

NQSOs. The Compensation and Organization Committee may grant NQSOs at any time during the term of the 2016 Directors LTIP in such number, and upon such terms and conditions, as the Compensation and Organization Committee determines. The exercise price of any NQSO will be at least equal to the fair market value of the underlying shares of Common Stock (*i.e.*, the closing price per share of the Common Stock on NYSE) on the date the NQSO is granted, and may be paid: (i) in cash; (ii) by tendering previously-acquired shares of Common Stock; (iii) by a cashless exercise; (iv) by tendering other awards previously granted under the 2016 Directors LTIP or under other plans of the Company or any subsidiary or affiliate of the Company; and/or (v) through any other method approved by the Compensation and Organization Committee. The Compensation and Organization Committee will also determine the term of the NQSO (which may not exceed a period of ten years from the grant date), the vesting terms and conditions (subject to a minimum vesting period ending on the earlier of the first anniversary of the grant date or the date of the next regularly scheduled annual meeting of the stockholders held after the grant date), and any other terms and conditions of the NQSO, all of which will be reflected in the related award agreement. All options granted under the 2016 Directors LTIP will be NQSOs. No incentive stock options may be granted under the 2016 Directors LTIP.

SARs. The Compensation and Organization Committee may grant SARs at any time during the term of the 2016 Directors LTIP in such number, and upon such terms and conditions, as the Compensation and Organization Committee determines. SARs may be granted by the Compensation and Organization Committee to

Table of Contents

a participant either as a freestanding award under the 2016 Directors LTIP or in tandem with or as a component of another award under the 2016 Directors LTIP. The exercise price of any SAR will be at least equal to the fair market value of the underlying shares of Common Stock on the date the SAR is granted. The Compensation and Organization Committee will also determine the term of the SAR (which may not exceed a period of ten years from the grant date), the vesting terms and conditions (subject to a minimum vesting period ending on the earlier of the first anniversary of the grant date or the date of the next regularly scheduled annual meeting of the stockholders held after the grant date), and any other terms and conditions of the SAR, all of which will be reflected in the related award agreement. Upon exercise of an SAR, a participant will be entitled to receive an amount equal to the difference between: (i) the fair market value of a share of Common Stock on the exercise date; and (ii) the exercise price per share of Common Stock, multiplied by the number of shares of Common Stock with respect to which the SAR is exercised. Each SAR will be settled in cash, shares of Common Stock or a combination of cash and shares of Common Stock, as provided in the applicable award agreement.

Restricted Stock and RSUs. The Compensation and Organization Committee may grant shares of Restricted Stock or RSUs at any time during the term of the 2016 Directors LTIP in such number, and upon such terms and conditions, as the Compensation and Organization Committee determines. Restricted Stock consists of shares of Common Stock and RSUs consist of units, each of which represents a share of Common Stock. Both Restricted Stock and RSU awards are issued to a participant subject to forfeiture based upon satisfaction of certain terms, conditions and restrictions which may include, without limitation: (i) a requirement that the participant pay a purchase price for each share of Restricted Stock or RSU; (ii) restrictions based on the achievement of specific performance goals; (iii) time-based restrictions; or (iv) holding requirements or sale restrictions upon vesting and settlement. The Compensation and Organization Committee will determine the terms, conditions and restrictions applicable to each Restricted Stock and/or RSU award (subject to a minimum vesting period ending on the earlier of the first anniversary of the grant date or the date of the next regularly scheduled annual meeting of the stockholders held after the grant date), all of which will be reflected in the related award agreement.

During the period that shares of Restricted Stock remain subject to forfeiture: (i) we may retain the certificates representing such shares; (ii) a participant may not sell or otherwise transfer such shares; and (iii) unless otherwise provided in the related award agreement, a participant will generally be entitled to exercise full voting rights and receive all dividends paid with respect to such shares (except that receipt of any such dividends will be subject to the same terms, conditions and restrictions as apply to such shares). During the period that RSUs remain subject to forfeiture, a participant will have no rights as a stockholder (*e.g.*, no right to vote or receive dividends), unless the Compensation and Organization Committee grants dividend equivalent rights as part of the RSU award.

At the end of the restriction period: (i) the participant will forfeit the shares of Restricted Stock and/or the RSUs if all terms, conditions and restrictions specified in the related award agreement have not been met; or (ii) we will distribute the shares of Restricted Stock to the participant and/or settle the RSUs if all terms, conditions and restrictions specified in the related award agreement have been met.

Deferred Stock Awards. Pursuant to the terms of the Directors' Deferred Compensation Plan, non-associate directors may voluntarily defer all or a part of their retainers, meeting fees (if any) and Common Stock-based awards to a bookkeeping account maintained on their behalf under the Directors' Deferred Compensation Plan. To the extent that a non-associate director elects to make deferrals to the Directors' Deferred Compensation Plan, the dollar value of such deferrals is credited to the non-associate director's bookkeeping account in the form of deferred stock awards. At the time that a non-associate director is eligible for a distribution of his or her bookkeeping account from the Directors' Deferred Compensation Plan, the non-associate director will receive shares of Common Stock issued under the 2016 Directors LTIP equal to the number of deferred stock awards credited to his or her bookkeeping account in respect of deferrals allocated to such bookkeeping account on or after the date of the 2016 Annual Meeting.

No Dividends Payable with Respect to Unvested Awards

The Compensation and Organization Committee and the Board believe that the 2016 Directors LTIP currently prohibits the current payment of dividends or dividend equivalents with respect to any shares of Common Stock underlying an award granted under the 2016 Directors LTIP until such underlying shares of Common Stock have vested. The proposed amendment merely clarifies that prohibition.

Termination of Service as a Director

The Compensation and Organization Committee will determine the extent to which each award granted under the 2016 Directors LTIP will vest and the extent to which a participant will have the right to exercise and/or settle the award in connection with a participant's termination of service as a director. Such provisions, which will be reflected in the related award agreement, need not be uniform among all awards and may reflect distinctions based on the reasons for termination. The minimum vesting and minimum exercisability conditions described above with respect to each type of award need not apply in the case of the death, disability or retirement of a non-associate director or termination of service of a non-associate director in connection with a change of control.

Change of Control

Except as otherwise provided by the Board or by the Compensation and Organization Committee in the related award agreement or at any time prior to a Change of Control (as such term is defined in the 2016 Directors LTIP), in the event of a Change of Control, with respect to a NQSO, an SAR, shares of Restricted Stock or RSUs, the exercisability, vesting and/or settlement of which is based solely upon continued service as a director or passage of time, which (i) is assumed by the acquiring or surviving company upon the Change of Control and there is an involuntary termination of service as a director without cause of a participant within three months prior to or 18 months following the Change of Control or (ii) is not assumed by the acquiring or surviving company upon the Change of Control:

In the case of a NQSO or an SAR, the participant will have the ability to exercise such NQSO or SAR, including any portion of the NQSO or SAR not previously exercisable, until the earlier of (a) the expiration of the NQSO or SAR under its original term, and (b) the date that is two years (or such longer post-termination exercisability term as may be specified in the NQSO or SAR) following any involuntary termination without cause of the participant; and

In the case of Restricted Stock or RSUs, the award will become fully vested and will be settled in full.

Transferability

Except as otherwise provided in a related award agreement: (i) a participant may not sell, transfer, pledge, assign or otherwise alienate or hypothecate an award, except by will or the laws of descent and distribution; and (ii) during a participant's lifetime, only the participant or his or her guardian or legal representative may exercise an award. Any award or other right may be transferred to one or more transferees during the life of a participant, and may be exercised by such transferee(s) in accordance with the terms of the award, but only if and to the extent such transfer is permitted by the Compensation and Organization Committee, subject to any terms and conditions as the Compensation and Organization Committee may impose on such transfer in the applicable award agreement.

Awards to Participants Outside the United States

The Compensation and Organization Committee may modify the terms of any award under the 2016 Directors LTIP made to or held by a participant who is then resident or primarily employed outside of the United States in any manner deemed by the Compensation and Organization Committee to be necessary or appropriate in order that such award will conform to the laws, regulations and customs of the country in which the participant

Table of Contents

is then resident or primarily employed, or so that the value and other benefits of the award to the participant, as affected by foreign tax laws and other restrictions applicable as a result of the participant's residence or employment abroad, will be comparable to the value of such an award to a participant who is resident or primarily employed in the United States. An award may be modified in a manner that is inconsistent with the express terms of the 2016 Directors LTIP, so long as such modification will not contravene any applicable law or regulation or result in actual liability under Section 16(b) of the Exchange Act for the participant whose award is modified.

No Rights as a Stockholder

Except as otherwise provided in the 2016 Directors LTIP or in a related award agreement, a participant will not have any rights as a stockholder with respect to shares of Common Stock covered by an award unless and until the participant becomes the record holder of such shares of Common Stock.

No Repricing

The 2016 Directors LTIP expressly prohibits the Board or the Compensation and Organization Committee, without stockholder approval, from amending or replacing previously granted NQSOs or SARs in a transaction that constitutes a repricing, meaning any reduction in exercise price, cancellation of NQSOs or SARs in exchange for other NQSOs or SARs with a lower exercise price, cancellation of NQSOs or SARs for cash, or cancellation of NQSOs or SARs for another grant if the exercise price of the cancelled NQSOs or SARs is greater than the fair market value of the shares of Common Stock subject to the cancelled NQSOs or SARs at the time of cancellation, other than in conjunction with a change of control or other adjustment expressly permitted under the 2016 Directors LTIP, or any other repricing as that term is used in Section 303A.08 of the NYSE Listed Company Manual.

Effective Date and Term

The 2016 Directors LTIP became effective on June 16, 2016 upon the approval of the 2016 Directors LTIP by our stockholders at the 2016 Annual Meeting. Unless earlier terminated by the Board, the authority of the Compensation and Organization Committee to make grants under the 2016 Directors LTIP will terminate on the date that is ten years after the latest date upon which stockholders of the Company have approved the 2016 Directors LTIP. Approval of the proposed amendments to the 2016 Directors LTIP at the 2017 Annual Meeting will extend the term of the 2016 Directors LTIP for ten years after the date of the 2017 Annual Meeting.

Amendment or Termination

The Board may amend, suspend or terminate the 2016 Directors LTIP at any time, except that no amendment or termination may be made without stockholder approval if: (i) such approval is required by any federal or state law or regulation or NYSE Rules or the rules of any other stock exchange or automated quotation system on which the Common Stock of the Company may then be listed or quoted; (ii) the amendment would materially increase the number of shares reserved for issuance and delivery under the 2016 Directors LTIP; (iii) the amendment would alter the provisions of the 2016 Directors LTIP restricting the Company's ability to grant NQSOs or SARs with an exercise price that is less than the fair market value of the underlying shares of Common Stock; or (iv) in connection with any action to amend or replace previously granted NQSOs or SARs in a transaction that constitutes a re-pricing as such term is used in Section 303A.08 of the NYSE Listed Company Manual (or a successor provision).

New Benefits Under the 2016 Directors LTIP

Although the non-associate directors to be granted awards and the amount and nature of awards to be granted to a particular director under the 2016 Directors LTIP are within the discretion of the Compensation and Organization Committee, the annual RSU grant to each of the non-associate directors made in Fiscal 2016 and to

be made in the future (other than to Mr. Martinez) as well as the Non-Executive Chairman RSU Retainer grant and the Original Executive Chairman RSU Retainer grant made to Mr. Martinez in Fiscal 2016 and the New Executive Chairman RSU Retainer grant made to Mr. Martinez effective April 3, 2017 and to be made to Mr. Martinez in the future as described in the section captioned **PROPOSAL 1 ELECTION OF DIRECTORS Compensation of Directors** beginning on page 48 of this Proxy Statement were and will be made under the 2016 Directors LTIP.

None of the NEOs, the current executive officers of the Company or the other associates of the Company or our subsidiaries have been or will be granted any awards under the 2016 Directors LTIP.

U.S. Federal Income Tax Consequences

The following is a brief summary of the general U.S. federal income tax consequences relating to participation in the 2016 Directors LTIP. This summary is based on U.S. federal tax laws and Treasury Regulations in effect on the date of this Proxy Statement and does not purport to be a complete description of the U.S. federal income tax laws. In addition, this summary does not constitute tax advice or describe federal employment, state, local or foreign tax consequences. Each participant will be advised to consult with his or her tax advisor concerning the U.S. federal income tax and other tax consequences of participating in the 2016 Directors LTIP.

Nonqualified Stock Options

A participant will not recognize any income when a NQSO is granted, and we will not receive a deduction at that time. However, when a NQSO is exercised, a participant will recognize ordinary income equal to the excess, if any, of the fair market value of the shares of Common Stock that the participant purchased on the date of exercise over the exercise price. If a participant uses shares of Common Stock or a combination of shares and cash to pay the exercise price of a NQSO, the participant will recognize ordinary income equal to the value of the excess of the number of shares that the participant purchases over the number of shares that the participant surrenders, less any cash the participant uses to pay the exercise price. When a NQSO is exercised, we will be entitled to a deduction equal to the ordinary income that the participant recognizes.

If the amount a participant receives upon disposition of the shares of Common Stock that the participant acquired by exercising a NQSO is greater than the sum of the aggregate exercise price that the participant paid plus the amount of ordinary income recognized by the participant upon exercise, the excess will be treated as a long-term or short-term capital gain, depending on whether the participant held the shares for more than one year after the participant acquired them by exercising the NQSO. Conversely, if the amount a participant receives upon disposition of the shares of Common Stock that the participant acquired by exercising a NQSO is less than the sum of the aggregate exercise price the participant paid plus the amount of ordinary income recognized by the

Table of Contents

participant upon exercise, the difference will be treated as a long-term or short-term capital loss, depending on whether the participant held the shares for more than one year after the participant acquired them by exercising the NQSO.

Stock Appreciation Rights

A participant will not recognize taxable income when an SAR is granted, and we will not receive a deduction at that time. When an SAR is exercised, a participant will recognize ordinary income equal to the excess of the cash and/or the fair market value of the shares of Common Stock the participant receives over the aggregate exercise price of the SAR, if any, and we will be entitled to a corresponding deduction. If the amount a participant receives upon disposition of the shares of Common Stock that the participant acquired by exercising an SAR is greater than the sum of the aggregate exercise price that the participant paid plus the amount of ordinary income recognized by the participant upon exercise, the excess will be treated as a long-term or short-term capital gain, depending on whether the participant held the shares for more than one year after the participant acquired them by exercising the SAR. Conversely, if the amount a participant receives upon disposition of the shares of Common Stock that the participant acquired by exercising an SAR is less than the sum of the aggregate exercise price that the participant paid plus the amount of ordinary income recognized by the participant upon exercise, the difference will be treated as a long-term or short-term capital loss, depending on whether the participant held the shares for more than one year after the participant acquired them by exercising the SAR.

Restricted Stock

Unless a participant makes an election under Section 83(b) of the Internal Revenue Code (a Section 83(b) Election), the participant generally will not recognize taxable income when Restricted Stock is granted, and we will not receive a deduction at that time. Instead, a participant will recognize ordinary income when the Restricted Stock vests (*i.e.*, when the underlying shares of Common Stock are freely transferable or not subject to a substantial risk of forfeiture) equal to the fair market value of the shares of Common Stock that the participant receives when the terms, conditions and restrictions have been met, less any consideration paid for the Restricted Stock, and we generally will be entitled to a deduction equal to the income that the participant recognizes.

If the amount a participant receives upon disposition of these shares of Common Stock is greater than the fair market value of the shares when the Restricted Stock vested, the excess will be treated as a long-term or short-term capital gain, depending on whether the participant held the shares for more than one year after the Restricted Stock vested. Conversely, if the amount the participant receives upon disposition of these shares of Common Stock is less than the fair market value of the shares when the Restricted Stock vested, the difference will be treated as a long-term or short-term capital loss, depending on whether the participant held the shares for more than one year after the Restricted Stock vested.

If a participant makes a Section 83(b) Election, the participant will recognize ordinary income on the grant date equal to the fair market value of the shares of Common Stock subject to the Restricted Stock award on the grant date, and we will be entitled to a deduction equal to the income that the participant recognizes at that time. However, the participant will not recognize income when (and if) the Restricted Stock vests. If a participant who has made a Section 83(b) Election earns the shares of Common Stock subject to a Restricted Stock award, any appreciation between the grant date and the date the participant disposes of the shares will be treated as a long-term or short-term capital gain, depending on whether the participant held the shares for more than one year after the grant date. Conversely, if the amount the participant receives upon disposition of these shares of Common Stock is less than the fair market value of the shares on the grant date, the difference will be treated as a long-term or short-term capital loss, depending on whether the participant held the shares for more than one year after the grant date. Also, if a participant forfeits his or her Restricted Stock, the participant cannot take a tax deduction in connection with the forfeiture of the Restricted Stock subject to a Section 83(b) Election.

Table of Contents

Restricted Stock Units

A participant will not recognize taxable income when a RSU is granted, and we will not receive a deduction at that time. When a RSU vests and is settled, the participant will recognize ordinary income equal to the cash and/or the fair market value of the shares of Common Stock the participant receives at the time of settlement, and we will be entitled to a corresponding deduction.

If the amount a participant receives upon disposition of the shares of Common Stock received upon settlement of the RSU is greater than the fair market value of the shares of Common Stock at the time the participant recognized ordinary income with respect to the RSU, the excess will be treated as a long-term or short-term capital gain, depending on whether the participant held the shares of Common Stock for more than one year after that time. Conversely, if the amount the participant receives upon disposition of these shares of Common Stock is less than the fair market value of the shares of Common Stock at the time the participant recognized ordinary income with respect to the RSU, the difference will be treated as a long-term or short-term capital loss, depending on whether the participant held the shares of Common Stock for more than one year after that time.

Deferred Stock Awards

A participant will not recognize taxable income when a deferred stock award is credited to his or her bookkeeping account under the Directors Deferred Compensation Plan, and we will not receive a deduction at that time. When a participant receives a distribution of shares of Common Stock from the Directors Deferred Compensation Plan, the participant will recognize ordinary income equal to the fair market value of the shares of Common Stock the participant receives at the time of such distribution, and we will be entitled to a corresponding deduction.

Section 409A

Section 409A of the Internal Revenue Code imposes certain restrictions on amounts deferred under non-qualified deferred compensation plans and a 20% additional tax on amounts that are subject to, but do not comply with, Section 409A. Section 409A includes a broad definition of non-qualified deferred compensation plans, which includes certain types of equity incentive compensation. The Company intends for the awards granted under the 2016 Directors LTIP to comply with or be exempt from the requirements of Section 409A and the Treasury Regulations promulgated thereunder.

UNANIMOUSLY RECOMMEND THAT YOU VOTE *FOR* THE APPROVAL

OF THE PROPOSED AMENDMENTS TO THE 2016 DIRECTORS LTIP.

Required Vote

The approval of the amendments to the 2016 Directors LTIP to authorize 400,000 additional shares of Common Stock and explicitly prohibit the current payment of dividends in any form on unvested equity awards, requires the affirmative vote of a majority in voting interest of the stockholders present in person or by proxy and voting thereon. Under applicable NYSE Rules, broker non-votes will not be treated as votes cast. Abstentions will be treated as votes cast and will have the effect of a vote *AGAINST* the proposal.

PROPOSAL 7 APPROVAL OF AMENDMENTS TO THE

ABERCROMBIE & FITCH CO. 2016 LONG-TERM INCENTIVE PLAN FOR

ASSOCIATES TO AUTHORIZE 1,200,000 ADDITIONAL SHARES AND EXPLICITLY PROHIBIT

THE CURRENT PAYMENT OF DIVIDENDS IN ANY FORM ON UNVESTED EQUITY AWARDS

On April 4, 2016, the Board unanimously adopted, subject to approval by our stockholders, the 2016 Associates LTIP. At the 2016 Annual Meeting, our stockholders approved the 2016 Associates LTIP, as

Table of Contents

proposed, including approval of a reserve of 3,500,000 shares of Common Stock available for the grant of awards under the 2016 Associates LTIP. On August 31, 2016, the Board amended the 2016 Associates LTIP to allow the Compensation and Organization Committee to delegate authority to grant awards under the 2016 Associates LTIP within limits established by the Compensation and Organization Committee and subject to the other requirements of the 2016 Associates LTIP. The 2016 Associates LTIP is the only stock incentive plan maintained by the Company under which associates of the Company and our subsidiaries are eligible to receive future equity awards.

Due to an unexpected decrease in the fair market value of a share of the Company's Common Stock, additional shares are needed under the 2016 Associates LTIP to continue to make grants to associates of the Company and our subsidiaries consistent with historic grant practices. On April 3, 2017, the Board unanimously adopted, subject to approval by our stockholders, an amendment to the 2016 Associates LTIP which would authorize 1,200,000 additional shares of Common Stock. No changes to the 2016 Associates LTIP are proposed for consideration by our stockholders at the Annual Meeting other than the increase in the authorized number of shares of Common Stock and the explicit prohibition on the current payment of dividends in any form on unvested equity awards.

As of April 1, 2017, shares of Common Stock which may be delivered under all seven of the Company's equity compensation plans, including (i) the 1998 Director Stock Plan; (ii) the 2002 Associates Stock Plan; (iii) the 2003 Director Stock Plan; (iv) the 2005 LTIP; (v) the 2007 LTIP; (vi) the 2016 Directors LTIP; and (vii) the 2016 Associates LTIP, are shown below:

Use of Shares Which May Be Delivered Under All Equity Compensation Plans	Number of Shares as of April 1, 2017
Total outstanding stock options and SARs, with a weighted-average exercise price of \$49.36 per share and a weighted-average remaining term of 3.02 years — stock options and SARs are held solely by associates	3,341,218
Total outstanding full value awards, including restricted shares, time-vested RSUs and PSAs (reflecting the maximum number of PSAs which may be earned under each outstanding award) — PSAs are held solely by associates	3,066,916
Total shares available for grant under the 2016 Directors LTIP	228,886
Total shares available for grant under the 2016 Associates LTIP	1,885,620

As of the end of Fiscal 2016, the Company's three-year average burn rate was as follows:

Fiscal Year	Time-Vested RSUs Granted	Options / SARs Granted	PSAs Earned	Weighted Avg. # Shares Outstanding	Burn Rate	Burn Rate (ISS methodology) ⁽¹⁾
2016	1,182,198		32,625	67,878,485	1.79%	3.58%
2015	1,117,321	715,858	106,500	68,880,463	2.82%	4.59%
2014	1,019,363	512,216		71,785,288	2.13%	3.55%
				3-Year		
				Average:	2.25%	3.91%

⁽¹⁾ Multiplies the number of time-vested RSUs and PSAs by a factor of 2.0 when calculating burn rate.

Section 162(m) of the Internal Revenue Code

The Board believes that it is in the best interests of the Company and our stockholders to provide for an equity-based incentive plan under which compensation awards can be made to the Company's executive officers that are intended to qualify for deductibility by the Company for federal income tax purposes. Accordingly, the 2016 Associates LTIP has been structured in a manner such that awards granted under the 2016 Associates LTIP can satisfy the requirements for performance-based compensation within the meaning of Section 162(m). However, there can be no guarantee that amounts payable under the 2016 Associates LTIP will be treated as qualified performance-based compensation under Section 162(m). In general, under Section 162(m), in order for the Company to be able to deduct compensation in excess of \$1,000,000 paid in any one year to the Company's chief executive officer or any of the Company's three other most highly compensated executive officers (other than the Company's chief financial officer), such compensation must qualify as performance-based compensation. One of the requirements of performance-based compensation for purposes of Section 162(m) is that the material terms of the performance goals under which compensation may be paid be disclosed to and approved by the Company's stockholders at least once every five years. For purposes of Section 162(m), the material terms include: (i) the individuals eligible to receive compensation; (ii) a description of the business criteria on which the performance goal(s) is/are based; and (iii) the maximum amount of compensation that can be paid to an individual under the performance goal(s). The approval of the 2016 Associates LTIP by our stockholders at the 2016 Annual Meeting constituted approval of each of these aspects of the 2016 Associates LTIP for purposes of the approval requirements of Section 162(m).

Purpose

The purpose of the 2016 Associates LTIP is to promote our long-term financial success and increase stockholder value by continuing to motivate performance by our employees, or, as we call them, associates through incentive compensation. We believe that equity-based awards are a competitive necessity in our industry and are essential to our continued ability to recruit and retain the individuals needed to successfully execute our business plan. The 2016 Associates LTIP serves these purposes by making equity-based awards available for grant to eligible participants in the form of:

NQSOs;

Incentive stock options to purchase shares of Common Stock (ISOs and, together with NQSOs, Options);

SARs;

Restricted Stock; and

RSUs,
together with related rights and interest therein.

Corporate Governance Practices

The 2016 Associates LTIP includes a number of provisions that we believe reflect best practices and protect the interests of our stockholders. These provisions include:

No Discounted Options or SARs

Options and SARs may not be granted with an exercise price less than the fair market value of our Common Stock on the date of grant. On April 17, 2017, the closing price per share of our Common Stock on NYSE was \$10.94.

No Repricing Without Stockholder Approval

At any time when the exercise price of an Option or an SAR is above the market price of our Common Stock, we cannot, without stockholder approval, reprice such Option or SAR by reducing the exercise price or exchanging such Option or SAR for cash or other awards (including a new Option or SAR) at a reduced exercise price.

Table of Contents

Independent Committee Administration

The 2016 Associates LTIP is administered by our Compensation and Organization Committee, whose members satisfy the NYSE Rules for independence, the disinterested administration requirements of Rule 16b-3 under the Exchange Act and the outside director requirements of Section 162(m).

Minimum Vesting Requirements

All Restricted Stock and RSUs must meet minimum vesting requirements, subject to certain limited exceptions. For Restricted Stock or RSUs that are performance-based, performance must be measured over a period of at least one year and Restricted Stock or RSUs that are not performance-based must vest over a period of at least three years, in each case with certain limited exceptions. For example, vesting may occur earlier in the event of an associate's death or total disability or termination of an associate's employment in connection with a change of control of the Company.

Section 162(m) Eligibility

The Compensation and Organization Committee has the flexibility to approve awards eligible for treatment as performance-based compensation under Section 162(m).

No Annual Evergreen Provision

The 2016 Associates LTIP provides a specific maximum share limitation and does not provide for an annual, automatic increase in the number of shares of Common Stock available for future awards.

Annual Limit on Awards to Participants

Participants under the 2016 Associates LTIP are subject to an annual limitation on the value of awards that may be granted to them.

Summary of the 2016 Associates LTIP, as Proposed to be Amended

The material features of the 2016 Associates LTIP, as it is proposed to be amended, are summarized below. This summary is qualified in its entirety by reference to the complete text of the 2016 Associates LTIP, as it is proposed to be amended, which is attached to this Proxy Statement as [Appendix D](#).

Available Shares of Common Stock

Subject to the adjustments discussed below, the aggregate number of shares of Common Stock available for the grant of awards under the 2016 Associates LTIP, if the proposed amendment to authorize an additional 1,200,000 shares is approved by our stockholders at the Annual Meeting, will be 4,700,000 shares of Common Stock. Shares of Common Stock issued under the 2016 Associates LTIP may consist of: (i) treasury shares; (ii) authorized but unissued shares of Common Stock not reserved for any other purpose; or (iii) shares of Common Stock purchased by us in the open market for such purpose.

The Compensation and Organization Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting and make adjustments as described below. Except as described below, to the extent that an award granted under the 2016 Associates LTIP expires or is forfeited, cancelled, surrendered or otherwise terminated without issuance of shares to an associate, settled only in cash, or settled by the issuance of fewer shares than the number underlying the award, the shares retained by or tendered to the Company will be available under the 2016 Associates LTIP. Shares that are withheld from an award of Restricted Stock or RSUs granted under the 2016 Associates LTIP to cover withholding tax obligations related to that award or shares that are separately tendered by an associate (either by delivery or attestation) in payment of such taxes

Table of Contents

will be deemed to constitute shares not delivered to the associate and will be available for future grants under the 2016 Associates LTIP. Shares that are withheld, or that are tendered by an associate (either by delivery or attestation) in connection with, an award of Options or SARs granted under the 2016 Associates LTIP to cover withholding tax obligations related to that award or the exercise price of that award, will be deemed to constitute shares delivered to the associate and will not be available for future grants under the 2016 Associates LTIP. For purposes of clarity, upon the exercise of an Option or SAR, the gross number of shares exercised, and not solely the net number of shares delivered upon such exercise, will be treated as issued pursuant to the 2016 Associates LTIP and the shares subject to the exercised Option or SAR that are not issued or delivered upon such exercise will not be available for future grants under the 2016 Associates LTIP. Additionally, in the case of any award granted through the assumption of, or in substitution for, an outstanding award granted by a company or business acquired by the Company or a subsidiary or affiliate of the Company or with which the Company or a subsidiary or affiliate of the Company merges, consolidates or enters into a similar corporate transaction, shares issued or issuable in connection with such substitute award will not be counted against the number of shares reserved under the 2016 Associates LTIP.

The minimum vesting and minimum exercisability conditions described below with respect to each type of award need not apply with respect to up to an aggregate of 5% of the shares authorized under the 2016 Associates LTIP, which may be granted (or regranted upon forfeiture) in any form permitted under the 2016 Associates LTIP without regard to such minimum vesting or minimum exercisability requirements.

During any calendar year during any part of which the 2016 Associates LTIP is in effect, the Compensation and Organization Committee may not grant any participant one or more awards of any type covering more than 1,000,000 shares of Common Stock.

In the event of any Common Stock dividend, Common Stock split, recapitalization, merger, reorganization, consolidation, combination, spin-off, special and non-recurring distribution of assets to stockholders, exchange of shares of Common Stock or any other corporate transaction or event affecting the Common Stock, the Compensation and Organization Committee will make such substitutions and adjustments as the Compensation and Organization Committee deems equitable and appropriate to: (i) the number of shares of Common Stock that may be issued under the 2016 Associates LTIP; (ii) any Common Stock-based limits imposed under the 2016 Associates LTIP; and (iii) the exercise price, number of shares of Common Stock and other terms or limitations applicable to outstanding awards.

In addition, the Compensation and Organization Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, awards in recognition of unusual or non-recurring events or in response to changes in applicable laws, regulations or accounting principles. However, no such adjustment may be made if and to the extent the existence of the authority to make the same would cause an award intended to qualify as performance-based compensation under Section 162(m) to fail to do so.

Administration

The Compensation and Organization Committee administers the 2016 Associates LTIP. The Compensation and Organization Committee is comprised of at least two directors, each of whom must be independent under the applicable NYSE Rules, an outside director (within the meaning of Section 162(m)) and a non-employee director (within the meaning of Rule 16b-3 under the Exchange Act).

In its capacity as plan administrator, the Compensation and Organization Committee determines which participants are granted awards, the type of each award granted and the terms and conditions of each award. The Compensation and Organization Committee also has full power and authority to: (i) establish, amend and rescind rules and regulations relating to the 2016 Associates LTIP; (ii) interpret the 2016 Associates LTIP and all related award agreements; and (iii) make any other determinations that the Compensation and Organization Committee deems necessary or desirable for the administration of the 2016 Associates LTIP. Any action taken by the Compensation and Organization Committee is final, binding and conclusive on all persons interested in the 2016 Associates LTIP.

The 2016 Associates LTIP specifies the conditions under which the Compensation and Organization Committee may act through subcommittees or delegate the administration of the 2016 Associates LTIP to one or more officers or associates of the Company.

With respect to each award granted under the 2016 Associates LTIP, the Company has entered and will continue to enter into a written or electronic award agreement with the participant which describes the terms and conditions of the award, including: (i) the type of award and when and how it may be exercised or earned; (ii) any exercise price associated with the award; (iii) how the award will or may be settled; and (iv) any other applicable terms and conditions affecting the award.

Eligibility

The Compensation and Organization Committee may select any of our associates and those of our subsidiaries or affiliates to receive awards under the 2016 Associates LTIP. As of April 17, 2017, there were approximately 1,100 associates of the Company and our subsidiaries or affiliates eligible to participate in the 2016 Associates LTIP.

Types of Awards

Options. The Compensation and Organization Committee may grant Options at any time during the term of the 2016 Associates LTIP in such number, and upon such terms and conditions, as the Compensation and Organization Committee determines. The exercise price of any Option will be at least equal to the fair market value of the underlying shares of Common Stock (*i.e.*, the closing price per share of the Common Stock on NYSE) on the date the Option is granted, and may be paid: (i) in cash; (ii) by tendering previously-acquired shares of Common Stock; (iii) by a cashless exercise; (iv) by tendering other awards previously granted under the 2016 Associates LTIP or under other plans of the Company or any subsidiary or affiliate of the Company; and/or (v) through any other method approved by the Compensation and Organization Committee. The Compensation and Organization Committee will also determine the term of the Option (which may not exceed a period of ten years from the grant date), the vesting terms and conditions (subject to a minimum vesting period of one year), and any other terms and conditions of the Option, all of which will be reflected in the related award agreement. The award agreement will specify whether the Option is intended to be an ISO or a NQSO. The Compensation and Organization Committee may grant up to 500,000 of the shares of Common Stock available for issuance under the 2016 Associates LTIP with respect to ISOs. However, ISOs will be subject to certain additional restrictions, including, without limitation, compliance with the requirements of Section 422 of the Internal Revenue Code.

SARs. The Compensation and Organization Committee may grant SARs at any time during the term of the 2016 Associates LTIP in such number, and upon such terms and conditions, as the Compensation and Organization Committee determines. SARs may be granted by the Compensation and Organization Committee to a participant either as a freestanding award under the 2016 Associates LTIP or in tandem with or as a component of another award under the 2016 Associates LTIP. The exercise price of any SAR will be at least equal to the fair market value of the underlying shares of Common Stock on the date the SAR is granted. The Compensation and Organization Committee will also determine the term of the SAR (which may not exceed a period of ten years from the grant date), the vesting terms and conditions (subject to a minimum vesting period of one year), and any other terms and conditions of the SAR, all of which will be reflected in the related award agreement. Upon exercise of an SAR, a participant will be entitled to receive an amount equal to the difference between: (i) the fair market value of a share of Common Stock on the exercise date; and (ii) the exercise price per share of Common Stock, multiplied by the number of shares of Common Stock with respect to which the SAR is exercised. Each SAR will be settled in shares of Common Stock.

Restricted Stock and RSUs. The Compensation and Organization Committee may grant shares of Restricted Stock or RSUs at any time during the term of the 2016 Associates LTIP in such number, and upon such terms and conditions, as the Compensation and Organization Committee determines. Restricted Stock consists of

shares of Common Stock and RSUs consist of units, each of which represents a share of Common Stock. Both Restricted Stock and RSU awards are issued to a participant subject to forfeiture based upon satisfaction of certain terms, conditions and restrictions which may include, without limitation: (i) a requirement that the participant pay a purchase price for each share of Restricted Stock or RSU; (ii) restrictions based on the achievement of specific performance goals; (iii) time-based restrictions; or (iv) holding requirements or sale restrictions upon vesting and settlement. The Compensation and Organization Committee will determine the terms, conditions and restrictions applicable to each Restricted Stock and/or RSU award, all of which will be reflected in the related award agreement. Except as otherwise set forth in the 2016 Associates LTIP or described in the related award agreement, in connection with a participant's termination due to death, disability or Retirement (as such term is defined in the 2016 Associates LTIP): (i) no condition on vesting of Restricted Stock or RSUs that is based upon the achievement of specified performance goals may be based on performance over a period of less than one year; and (ii) no condition on vesting of Restricted Stock or RSUs that is based upon continued employment or the passage of time may provide for vesting in full of the award more quickly than in pro rata installments over a period of three years from the date of grant, with the first installment vesting no sooner than the first anniversary of the date of grant of the Restricted Stock or RSUs.

During the period that shares of Restricted Stock remain subject to forfeiture: (i) we may retain the certificates representing such shares; (ii) a participant may not sell or otherwise transfer such shares; and (iii) unless otherwise provided in the related award agreement, a participant will generally be entitled to exercise full voting rights and receive all dividends paid with respect to such shares (except that receipt of any such dividends will be subject to the same terms, conditions and restrictions as apply to such shares). During the period that RSUs remain subject to forfeiture, a participant will have no rights as a stockholder (*e.g.*, no right to vote or receive dividends), unless the Compensation and Organization Committee grants dividend equivalent rights as part of the RSU award.

At the end of the restriction period: (i) the participant will forfeit the shares of Restricted Stock and/or the RSUs if all terms, conditions and restrictions specified in the related award agreement have not been met; or (ii) we will distribute the shares of Restricted Stock to the participant and/or settle the RSUs if all terms, conditions and restrictions specified in the related award agreement have been met.

Performance-Based Awards. Under the terms of the 2016 Associates LTIP, the Compensation and Organization Committee may grant Restricted Stock and RSUs in a manner that constitutes qualified performance-based compensation and is deductible by us under Internal Revenue Code Section 162(m). Specifically, the Compensation and Organization Committee will condition the grant, vesting, exercisability and/or settlement of such performance-based awards on the attainment of performance goals during a specified performance period. The Compensation and Organization Committee will base the performance goals on one or more of the following performance criteria enumerated in the 2016 Associates LTIP:

gross sales, net sales, comparable store sales or comparable sales;

gross margin, cost of goods sold, mark-ups or mark-downs;

selling, general and administrative expenses;
