Item 1.01. Entry into a Material Definitive Agreement.

On April 30, 2018, NOW Inc. (the Company), and together with certain direct and indirect subsidiaries of the Company, the Borrowers) replaced the Company's existing senior secured credit facility and entered into a new senior secured credit facility (the Credit Facility) with a syndicate of lenders, with Wells Fargo Bank, National Association, serving as the administrative agent. The Credit Facility provides for a five-year \$750 million global revolving credit facility, with potential to further increase the credit facility to \$1.0 billion, with a letter of credit subfacility of \$60 million and a swing line subfacility of 10% of the facility amount.

Availability under the Credit Facility is determined by a borrowing base comprised of eligible account receivables and eligible inventory of the Borrowers and guarantors, with subfacilities for Canadian and U.K. borrowings. The obligations of the respective Borrowers and subsidiary guarantors under the Credit Facility are secured by substantially all the assets of such Borrowers and guarantors.

Borrowings under the Credit Facility bear interest, at the Borrowers' option, at (i) the base rate plus an applicable margin based on the Company's fixed charge coverage ratio (and if applicable, the Company's leverage ratio); or (ii) the greater of LIBOR for the applicable interest period and zero, plus an applicable margin based on the Company's fixed charge coverage ratio (and if applicable, the Company's leverage ratio).

The Credit Facility contains customary covenants, representations and warranties and events of default. The fixed charge coverage ratio covenant in the Credit Facility applies only if availability under the Credit Facility is less than a certain threshold.

The foregoing description of the Credit Facility does not purport to be a complete description of the parties' rights and obligations under the Credit Facility and the other documents and transactions contemplated by the Credit Facility. As such, the foregoing description of the Credit Facility is qualified in its entirety by reference to the complete text of the credit agreement entered into in connection with the Credit Facility, a copy of which is filed as an exhibit to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated by reference herein.
