Item 1.01 Entry into a Material Definitive Agreement.

On June 17, 2015, Nortech Systems Incorporated (the Company) entered into an Asset Purchase Agreement with Devicix, LLC and Mr. Peter DeLange (the Asset Purchase Agreement). The Asset Purchase Agreement contemplates the Company's acquisition of substantially all the assets of Devicix. In exchange, the Asset Purchase Agreement contemplates the Company's payment to Devicix of \$5.3 million, of which \$3.0 million (subject to adjustment as specified in the Asset Purchase Agreement) will be paid in cash at closing, and the remaining \$2.3 million will be paid through the Company's delivery of four-year promissory notes. The Asset Purchase Agreement also provides that Devicix may receive additional contingent consideration of up to \$2.5 million based on certain revenue-based criteria for the acquired business over the four-year period immediately following the completion of the acquisition.

The completion of the acquisition is contingent upon customary closing conditions. The Asset Purchase Agreement contains customary representations, warranties and covenants, including indemnity covenants and covenants in which Devicix has agreed to continue to conduct its business in the ordinary course, and to provide the Company with reasonable access to information, pending the completion of the acquisition. Presently, the parties expect that the acquisition will be completed on July 1, 2015.
