## Item 2.02 Results of Operation and Financial Condition.

On October 24, 2018, Vector Group Ltd. (NYSE:VGR) (the Company) announced certain preliminary estimated financial results for the three and nine months ended September 30, 2018. Such preliminary estimated financial results are attached hereto as Exhibit 99.1.

The information furnished under Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference into any of the Company's filings under the Securities Act or the Exchange Act, whether made before or after the date hereof and regardless of any general incorporation language in such filings, except to the extent expressly set forth by specific reference in such a filing.

### Non-GAAP Financial Measures

Tobacco Adjusted Operating Income, Tobacco Segment Adjusted EBITDA, Real Estate Segment (New Valley LLC) Adjusted EBITDA and Douglas Elliman Adjusted EBITDA (hereafter referred to as the Non-GAAP Financial Measures) are financial measures not prepared in accordance with generally accepted accounting principles (GAAP). All Non-GAAP Financial Measures and their reconciliations to GAAP measures have been presented as part of Exhibit 99.1. Exhibit 99.1 contains information relating to the Company's Non-GAAP Financial Measures for the three and nine months ended September 30, 2018 and 2017.

Non-GAAP Financial Measures include adjustments for the one-time non-cash benefit from the Tax Cuts and Jobs Act of 2017 arising out of the remeasurement of certain tax assets and liabilities, purchase accounting associated with the Company's acquisition of its additional 20.59% interest in Douglas Elliman Realty, LLC, as well as the related purchase accounting adjustments. Non-GAAP Financial Measures also include adjustments for litigation settlement and judgment expenses in the Tobacco segment, settlements of long-standing disputes related to the Master Settlement Agreement (MSA) in the Tobacco segment, restructuring and pension settlement expense in the Tobacco segment, non-cash stock compensation expense (for purposes of Adjusted EBITDA only) and non-cash interest items associated with the Company's convertible debt.

The Company believes that the Non-GAAP Financial Measures are important measures that supplement discussions and analysis of its results of operations and enhances an understanding of its operating performance. The Company believes the Non-GAAP Financial Measures provide investors and analysts with a useful measure of operating results unaffected by differences in capital structures and ages of related assets among otherwise comparable companies.

Management uses the Non-GAAP Financial Measures as measures to review and assess operating performance of the Company's business, and management and investors should review both the overall performance (GAAP net income) and the operating performance (the Non-GAAP Financial Measures) of the Company's business. While management considers the Non-GAAP Financial Measures to be important, they should be considered in addition to, but not as substitutes for or superior to, other measures of financial performance prepared in accordance with GAAP, such as operating income, net income and cash flows from operations. In addition, the Non-GAAP Financial Measures are susceptible to varying calculations and the Company's measurement of the Non-GAAP Financial Measures may not be comparable to those of other companies.
