Explanation of responses:

(1) These options vest four years from the grant date but are subject to accelerated vesting. One-third of the options will vest one year from the grant date if the stock price has reached \$24 or above and has been at that price level for 20 consecutive trading days. If the stock price is below that level, then one-third of the options will vest at any time after the first anniversary that the stock price is at least \$24 and has been so for at least 20 consecutive trading days. An additional one-third of the options will vest two years from the grant date if the stock price has reached \$27 or above and has been at that price level for 20 consecutive trading days. If the stock price on the second anniversary is below that level, then the additional one-third of the options will vest at any time after the second anniversary that the stock price is at least \$27 and has been so for at least 20 consecutive trading days. The remaining one-third of the options will vest three years from the grant date if the stock price has reached \$30 or above and has been at that price level for 20 consecutive trading days. If the stock price on the third anniversary is below that level, then the remaining one-third will vest at any time after the third anniversary that the stock price is at least \$30 and has been so for at least 20 consecutive trading days.
