BALDWIN TECHNOLOGY COMPANY, INC.

PROXY STATEMENT

Boca Raton, Florida
October 21, 2011

The accompanying Proxy is solicited by and on behalf of the Board of Directors of Baldwin Technology Company, Inc., a Delaware corporation (the "Company" or "Baldwin"), for use only at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at Hotel Sierra, 830 Bridgeport Avenue, Shelton, Connecticut, 06484 on the 10th day of November, 2011 at 10:00 a.m., Eastern Standard Time, and at any adjournment thereof. The approximate date on which this Proxy Statement and accompanying Proxy will first be given or sent to stockholders is October 21, 2011.

Each Proxy executed and returned by a stockholder may be revoked at any time thereafter, by written notice to that effect to the Company, attention of the Secretary, prior to the Annual Meeting, or to the Chairman or the Inspectors of Election, at the Annual Meeting, or by execution and return of a later-dated Proxy, except as to any matter voted upon prior to such revocation.

Proxies in the accompanying form will be voted in accordance with the specifications made and, where no specifications are given, will be voted (1) FOR the election as Directors of the nominees named herein and if any one or more of such nominees should become unavailable for election for any reason then FOR the election of any substitute nominee that the Board of Directors of the Company may propose, and (2) FOR the approval of the amendment of the Company's 2005 Equity Compensation Plan. At the discretion of the proxy holders, the Proxies will also be voted FOR or AGAINST such other matters as may properly come before the meeting. The management of the Company is not aware of any other matter to be presented for action at the meeting.

With regard to Proposal 1, the election of Directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be counted as present for purposes of determining the existence of a quorum and will not have any effect on the vote. Except for the election of Directors, abstentions may be specified on all proposals and will be counted as present for the purpose of determining the existence of a quorum regarding the item on which the abstention is specified. Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for any purpose in determining whether a matter has been approved. A broker non-vote occurs when a record or nominee holder holding shares for a beneficial owner does not vote on a particular proposal because the record or nominee holder does not have discretionary voting instructions with respect to that proposal and has not received voting instructions on the proposal from the beneficial owner.

Important: A NYSE recent rule change prohibits brokers from voting in the election of Directors if the broker has not received instructions from its customer, the beneficial owner. Therefore, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares on the election of Directors and any other non-discretionary matters. Regardless of how you choose to vote, your interest in the affairs of the Company is important and we encourage you to vote promptly.

The required votes for the election of Directors is described below under the caption "Voting Securities."

With respect to Proposals 2 and 3, and any other matter requiring action at the meeting, the affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding shares of Class A Common Stock, par value \$0.01 per shares (the "Class A Common Stock"), and Class B Common Stock, par value \$0.01 per shares (the Class B Common Stock"), present, in person or by proxy, and entitled to vote at the meeting, voting as a single class, with each share of Class A Common Stock having one (1) vote per share and each share of Class B Common Stock having ten (10) votes per share, is required for the approval of any such matter.

Important Notice Regarding the Internet Availability of Proxy Materials for the 2011 Annual Meeting

The U.S. Securities and Exchange Commission, or SEC, adopted e-proxy rules that require companies to post their proxy materials on the internet and permit them to provide only a Notice of Internet Availability of Proxy Materials to stockholders. The Company has chosen to follow the SEC's "full set" delivery option, and therefore, although we are posting a full set of our proxy materials (this proxy statement, the proxy card and our Annual Report for the fiscal year ended June 30, 2011) online, we are also mailing a full set of our proxy materials to our stockholders by mail. Therefore, even if you previously consented to receiving your proxy materials electronically, you will receive a copy of these proxy materials by mail. We believe that mailing a full set of proxy materials will help ensure that a majority of our outstanding Class A Common Stock and Class B Common Stock is present in person or represented by proxy at our meeting. We also hope to help maximize stockholder participation. However, we will continue to evaluate the option of providing only a Notice of Internet Availability of Proxy Materials to some or all of our stockholders in the future.

The Company's Proxy Statement for the 2011 Annual Meeting of Stockholders and the Company's Annual Report to Stockholders for the fiscal year ended June 30, 2011 are available at <http://www.annualmeeting.baldwintech.com>.

We are mailing a full set of our printed proxy materials to stockholders of record on or about October 21, 2011. On this date, all stockholders of record and beneficial owners will have the ability to access all of the proxy materials on the web site referred to above. These proxy materials will be available free of charge.

VOTING SECURITIES

The Board of Directors has fixed the close of business on September 30, 2011 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting. The issued and outstanding stock of the Company on September 30, 2011 consisted of 14,697,896 shares of Class A Common Stock and 1,092,555 shares of Class B Common Stock.

With respect to the election of Directors, the holders of Class A Common Stock, voting as a separate class, are entitled to elect 25% of the total number of Directors (or the nearest higher whole number) constituting the entire Board of Directors. Accordingly, the holders of Class A Common Stock are entitled to elect two of the seven Directors that will constitute the entire Board of Directors. Holders of Class B Common Stock, voting as a separate class, are entitled to elect the remaining Directors, so long as the number of outstanding shares of Class B Common Stock is equal to at least 12.5% of the number of outstanding shares of both classes of Common Stock as of the record date. If the number of outstanding shares of Class B Common Stock is less than 12.5% of the total number of outstanding shares of both classes of Common Stock as of the record date, the remaining directors are elected by the holders of both classes of Common Stock voting together as a single class, with the holders of Class A Common Stock having one vote per share and the holders of Class B Common Stock having ten votes per share. As of September 30, 2011, the number of outstanding shares of Class B Common Stock constituted approximately seven (7%) percent of the total number of outstanding shares of both classes of Common Stock. Accordingly, the holders of Class A Common Stock and Class B Common Stock, voting together as a single class, are entitled to elect five of the seven Directors that will constitute the entire Board of Directors.

Except with respect to the election or removal of Directors and certain other matters with respect to which Delaware law requires each class to vote as a separate class, the holders of Class A Common Stock and Class B Common Stock vote as a single class on all matters, with each share of Class A Common Stock having one (1) vote per share and each share of Class B Common Stock having ten (10) votes per share. A quorum of stockholders is constituted by the presence, in person or by proxy, of holders of a majority in number of the total outstanding shares of stock of the Company entitled to vote at such meeting.

With respect to the election or removal of Directors and certain other matters with respect to which Delaware law requires each class to vote as a separate class, a quorum of the stockholders of each such class is constituted by the presence, in person or by proxy, of holders of a majority in number of the total outstanding shares of such class. As stated above, proxies withheld and broker non-votes will be excluded entirely with respect to the election of Directors and have no effect on the votes thereon.

CORPORATE GOVERNANCE

Board Independence

The Board has determined that Mr. Rolf Bergstrom, Mr. Paul J. Griswold, Mr. Ronald B. Salvagio and Mr. Claes Warnander are independent directors ("Independent Directors") under the listing standards of the New York Stock Exchange Amex ("NYSE Amex") and the rules of the Securities and Exchange Commission ("SEC"). Mr. Gerald A. Nathe, who retired as an employee on June 30, 2010, Mr. Mark T. Becker, an employee of the Company, and Mr. Samuel B. Fortenbaugh III, counsel to the Company, are not considered independent directors.

The Independent Directors have elected Mr. Paul J. Griswold as the Lead Director. Prior to his becoming President and CEO of the Company on October 1, 2010, Mr. Becker served as interim Lead Director and chair of an Ad Hoc Special Committee.

Code of Conduct and Business Ethics

The Company adopted a revised Code of Conduct and Business Ethics (the "Code") in August 2011, replacing the previous Code of Business Ethics adopted in August 2010. The Code has been distributed to all directors and employees of the Company. Written acknowledgment of understanding and compliance is required of all directors and employees annually. The current version of the Code is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section.

Board Statement of Principles

The Board has adopted a Statement of Principles, which, as most recently updated in August 2010, is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section.

Committee Charters

The Board of Directors first adopted written charters for the Audit, Compensation and Executive Committees of the Board in 2001. In February 2009, the Board of Directors established a Nominating Committee and adopted a written charter for that committee. Each of these charters are reviewed annually, and amended if appropriate. The Executive Committee Charter was most recently updated in June 2010. The Audit Committee Charter was most recently updated in November 2010. The Compensation Committee Charter and the Nominating Committee Charter were most recently updated in June 2011. All the charters, as amended, are posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section.

Board and Committee Attendance

During fiscal year 2011, each Director attended at least 75% of the aggregate number of meetings of the Board and Committees on which he or she served. All of the Directors except one who were serving as Directors at the time attended the Company's 2010 Annual Meeting of Stockholders held on November 16, 2010. Directors are expected, but not required, to attend the 2011 Annual Meeting of Stockholders. The Board of Directors and the Audit and Compensation and Nominating Committees each hold meetings on at least a quarterly basis, and the Independent Directors meet as often as necessary to fulfill their responsibilities, including meeting at least annually in executive session without the presence of non-independent Directors and management.

Executive Committee

The Executive Committee meets on call and has authority to act on most matters during the intervals between Board meetings. During the fiscal year ended June 30, 2011, the Executive Committee held two (2) meetings and acted by unanimous written consent twice. The Executive Committee presently consists of Gerald A. Nathe (Chairman), Mark T. Becker (President and CEO), Samuel B. Fortenbaugh III and Paul J. Griswold. The charter of the Executive Committee, as most recently amended in June 2010, is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section.

Audit Committee

The Audit Committee assists the Board in ensuring the quality and integrity of the Company's financial statements, and that a proper system of accounting, internal controls and reporting practices are maintained by the Company. During the fiscal year ended June 30, 2011, the Audit Committee held six (6) regular meetings and ten (10) special meetings. The Audit Committee presently consists of Ronald B. Salvagio (Chairman), Paul J. Griswold and Claes Warnander. Prior to October 1, 2010, Mark T. Becker was also a member of the Audit Committee. The charter of the Audit Committee, as most recently amended in November 2010, is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section. The Board of Directors has determined that all of the members of the Audit Committee are "independent," as defined by the rules of the SEC and the NYSE Amex and that both Mr. Salvagio and Mr. Griswold qualify as "Audit Committee Financial Experts".

Compensation Committee

The Compensation Committee has the responsibility for, among other things, reviewing and making recommendations to the full Board concerning compensation and benefit arrangements for the executive officers of the Company, other than the Chief Executive Officer. The Compensation Committee also administers the Company's 2005 Equity Compensation Plan ("2005 Plan"). During the fiscal year ended June 30, 2011, the Compensation Committee met four (4) times and acted by unanimous written consent three (3) times. The Compensation Committee presently consists of Claes Warnander (Chairman), Ronald B. Salvagio and Paul J. Griswold. Prior to October 1, 2010, Mark T. Becker was also a member of the Compensation Committee. The charter of the Compensation Committee, as most recently amended in August 2010, is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section. The Board of Directors has determined that all of the current members of the Committee are "independent" as defined by the rules of the NYSE Amex. See also "Role of Compensation Committee" in the Compensation Discussion and Analysis section below.

Nominating Committee

The Nominating Committee assists the Board in achieving the highest possible level of performance in fulfilling its oversight responsibilities. The Nominating Committee is responsible for implementing processes to assess the Board and its committees, and reviews the Board's required status, experience, mix of skills and other qualities to assure appropriate Board composition. During the fiscal year ended June 30, 2011, the Nominating Committee held four (4) regular meetings. The Nominating Committee presently consists of Paul J. Griswold (Chairman), Rolf Bergstrom, Ronald B. Salvagio and Claes Warnander. The charter of the Nominating Committee, as most recently amended in June 2011, is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section.

Ad Hoc Advisory Committee

The Board of Directors established an Ad Hoc Advisory Committee in May 2010 to study various strategic alternatives for the Company. The Committee was comprised of the non-employee Directors, including Rolf Bergstrom (who was initially named Chair of the Committee), Mark T. Becker (who was named Chair of the Committee in June and served until his election on October 1, 2010 as President and Chief Executive Officer of the Company), Samuel B. Fortenbaugh III, Ronald B. Salvagio and Claes Warnander. The Committee retained

OBX Partners LLC, a strategic and financial advisory firm, to act as financial advisor and strategic consultant on behalf of the Committee, advising the Committee with regard to any transactions being contemplated during the term of the engagement, advising the Committee with regard to the Company's budget and business plans, and with respect to financing needs and liquidity of the Company. The Ad Hoc Advisory Committee held seven (7) meetings during the fiscal year ended June 30, 2011 and concluded its work at the Board of Directors meeting held on November 16, 2010.

Independent Directors

The Independent Directors set compensation for the Chief Executive Officer. During the fiscal year ended June 30, 2011, the Independent Directors held four (4) regular meetings and acted by unanimous written consent once. The Independent Directors are Paul J. Griswold (who currently serves as Lead Director), Rolf Bergstrom, Ronald B. Salvagio and Claes Warnander. The Statement of Principles (Charter) of the Board of Directors, as most recently amended in August 2010 and which sets forth in more detail the duties and responsibilities of the Board and the Independent Directors, is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance Section.

Board Leadership Structure and Role in Risk Oversight

The By-laws of the Company provide that the Board may elect from among its members a Chairman of the Board and, if the Board so determines, one or more Vice Chairmen to act in place of the Chairman. Pursuant to this authority, the Board has elected Mr. Gerald A. Nathe as the Chairman of the Board. Neither the By-laws nor the Company's Corporate Governance Guidelines specify that the position of Chairman may not be held by a corporate officer, such as the President and Chief Executive Officer of the Company, but the Company has had a non-management Chairman since 2007. The Board believes this leadership structure is appropriate for the Company at the present time. The Board further believes that separation of the roles of the Chairman of the Board and the Chief Executive Officer at this time serves to support the Board's leadership role in fulfilling its oversight responsibilities.

The Board has an active role as a whole, and also at the Committee level, in overseeing management of the Company's risks. The Board regularly receives reports from members of senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, environmental, and strategic and reputational risks. The full Board or an appropriate Committee receives these reports from the appropriate executive so that it may understand and oversee the Company's strategies to identify, manage and mitigate risks. When it is a Committee that receives the report, the Chairman of that Committee makes a report on the discussion to the full Board of Directors at its next meeting. The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of financial, legal and regulatory risks. The Executive Committee oversees management of the risks associated with the independence of the Board of Directors and potential conflicts of interest, as well as risks associated with corporate and financial strategies and merger and acquisition transactions.

Stockholder Communications with Directors

Any stockholder wishing to communicate with the Board or a specified individual director may do so by contacting the Company's Corporate Secretary, in writing, at the corporate address listed on the notice to which this proxy statement is attached, or by telephone at (203) 402-1000. The Corporate Secretary will forward to the Board or the specified director a written, e-mail or phone communication. The Corporate Secretary has been authorized by the Board to screen frivolous or unlawful communications or commercial advertisements.

The Board Nomination Process

The Company established a Nominating Committee in February 2009 comprised of all the Independent Directors. The Lead Director serves as the Chairman of the Nominating Committee.

The Lead Director, together with the Chairman of the Board and the Chief Executive Officer, are responsible for reviewing on an annual basis, with the entire Board, the appropriate skills and characteristics required of Board members in the context of the then current make-up of the Board. This review includes an evaluation of judgment and integrity, skills, diversity of background and experience, technical knowledge, etc., all in the context of an assessment of the perceived needs of the Board at that point in time and with a view to realizing the Board's objectives.

The Lead Director, together with the Chairman of the Board and the Chief Executive Officer and any Independent Director available, will review the qualifications, and if appropriate, interview those individuals willing to serve, with the intent of agreeing upon one or more candidates whose qualifications include expertise needed to enhance the overall Board. Each candidate who is agreed upon will have his credentials forwarded to all Directors for review prior to being introduced to as many Board members as possible. The Independent Directors will then vote on whether to recommend the individual or individuals to the full Board for selection by the full Board. If selected, then depending upon the Class in which the candidate or candidates are placed, the candidate or candidates will be subject to eventual election by the Company's stockholders.

The Nominating Committee will consider director candidates recommended by stockholders as long as such recommendations are received at least 120 calendar days before the anniversary of the date that the Company mailed its proxy materials in connection with the previous year's Annual Meeting of Stockholders. Accordingly, stockholders who wish to recommend for consideration by the Nominating Committee a prospective candidate for election to the Board at the 2012 Annual Meeting of Stockholders may do so by notifying in the manner provided in Rule 14a-8 of Regulation 14A under the Securities Exchange Act of 1934, as amended, the Corporate Secretary of the Company at the corporate address listed on the notice to which this proxy statement is attached no later than June 24, 2012. The Corporate Secretary will pass all such stockholder recommendations on to Mr. Griswold, the Lead Director (and Chair of the Nominating Committee) for consideration by the Nominating Committee. Any such recommendation should provide whatever supporting material the stockholder considers appropriate, but should at a minimum include such background and biographical material as will enable the Nominating Committee to make an initial determination as to whether the candidate satisfies the Board membership criteria set out in the Board of Directors' Statement of Principles. All candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company assists the Board in its oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. The Committee operates under a written charter adopted by the Board. A copy of the Audit Committee Charter, as amended in November 2010, is posted on the Company's web site under the Corporate Governance Section. Through the Company's fiscal year ended June 30, 2011 (Fiscal 2011), the committee was comprised of three non-employee Directors, each of whom was "independent" as defined by the rules of the SEC and the NYSE Amex. In addition, the Board determined that two members of the committee have accounting or related financial management expertise. The Chairman, Ronald B. Salvagio, and another member of the committee, Paul J. Griswold, were both designated as "Audit Committee Financial Experts." Effective October 1, 2010, Mark T. Becker was named President and Chief Executive Officer of the Company and since that time no longer serves on the Audit Committee. This report is prepared and presented for Fiscal 2011.

In performing its oversight responsibilities, the committee reviewed and discussed the audited consolidated financial statements of the Company for Fiscal 2011 with management and Grant Thornton LLP ("GT"), the Company's independent registered public accounting firm. Management has the primary responsibility for the financial statements and the reporting process. GT is responsible for expressing an opinion as to whether these financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States.

The committee has reviewed and discussed the consolidated financial statements of the Company and its subsidiaries, which are included as Item 8 in the Company's Annual Report on Form 10-K for Fiscal 2011, with management of the Company and GT.

The committee also discussed with GT GT's judgment as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with GT by the standards of Public Company Accounting Oversight Board (United States), including those described in Statement on Auditing Standards No. 61, "Communications with Audit Committees" and SEC Rule 2-07 of Regulation S-X.

The committee has received the written disclosures and the letter from GT required by applicable requirements of the Public Company Accounting Oversight Board and has discussed GT's independence from the Company with GT. There were no non-audit services provided by GT to the Company during Fiscal 2011.

Based on the review and discussions with management of the Company and GT referred to above, the Audit Committee recommended to the Board of Directors that the Company publish the consolidated financial statements of the Company and subsidiaries for Fiscal 2011 in the Company's Annual Report on Form 10-K for Fiscal 2011 and include such financial statements in its Annual Report to Stockholders.

In this section, we provide an overview and analysis of our executive officer compensation program and policies. Compensation Philosophy and Objectives

The Company recognizes that a critical balance must be maintained between compensation and the successful pursuit of the Company’s long-term performance and business strategies. The Company compensates its senior executives and certain other senior management employees, whose contributions are key to the Company’s success, in a manner that the Company believes will attract and retain high caliber leaders and motivate its executives and senior management to pursue the Company’s strategic objectives and maximize its long-term performance. To that end, the Company is committed to affording its NEOs and senior management employees with compensation that is competitive with regards to their knowledge, skill, experience, and responsibilities as well as competitive in the market(s) in which the Company is required to compete for executive and/or senior management talent.

The Company and the Compensation Committee of the Board of Directors (the “Committee”) has adopted a compensation philosophy that provides for a base compensation and broad-based benefit plans, which are available to all employees, annual incentive bonuses and long-term equity compensation in order to motivate executives and senior management to achieve the Company’s strategic objectives, to align the interests of executives and senior managers with the interests of the Company’s stockholders, to provide competitive total compensation, to attract, retain and motivate key management employees and to reward corporate consolidated performance.

Role of the Compensation Committee

From July 2010 to September 2010, the Committee was comprised of three non-employee Directors of the Company, two of whom were considered “independent” under the rules of the NYSE Amex, and one Director who was not independent but was appointed to the Committee under a special exception to the independence rules. From October 2010 to November 2010, the Committee was comprised of one non-employee Director who was independent and one Director who was not independent. Beginning in November 2010 and for the remainder of FY2011, the Committee was comprised of three non-employee Directors of the Company, all of whom were considered “independent” under the rules of the NYSE Amex. The Committee operates pursuant to a written charter adopted by the Board, as most recently amended in August 2010, a copy of which is posted on the Company’s web site under the Corporate Governance Section. The purpose of the Committee is to assist the Board of Directors of the Company in ensuring that proper systems of short-term and long-term compensation are in place to provide performance-oriented incentives and that compensation plans are appropriate and competitive and properly reflect the objectives and performance of management and the Company. The principal responsibilities of the Committee include: 1) reviewing and making recommendations to the Board at least annually as to the general compensation policies and practices of the Company for management employees of the Company, and making

recommendations to the Board as to the adoption or modification of compensation and benefit plans for executive officers; 2) reviewing at least annually the performance of the Chief Executive Officer; 3) reviewing and making recommendations to the Lead Director and other Independent Directors of the Board at least annually with respect to the total compensation of the Chief Executive Officer; 4) reviewing and making a recommendations to the entire Board at least annually with respect to the total compensation of each of the four most highly compensated executive officers of the Company (other than the Chief Executive Officer) and, in addition, such other employees of the Company and its subsidiaries as the Committee deems appropriate; 5) interpreting, administering and approving awards to management level employees (other than executive officers) under the Company's equity award plans and any other employee benefit plans and to perform the duties assigned to the Committee by such plans, and to review and approve managements recommendations as to equity awards and other compensation awards for non-management employees; 6) reviewing and making recommendations to the Board for awards under the Company's equity award plans to executive officers of the Company, and to review and to make recommendations to the Lead Director and to the other Independent Directors of the Board for awards under the Company's equity award plans to the Chief Executive Officer; 7) reviewing and making recommendations to the Board as to any contractual or other special employment arrangements for executive officers (and other management employees) of the Company or any of its subsidiaries; 8) reporting annually, and at such additional times as may be required, to the stockholders of the Company as to the Committee's compensation policies for the executive officers of the Company, and the basis, including the factors and criteria, for the compensation paid to the Chief Executive Officer of the Company and as to such other matters affecting the compensation payable to executive officers or other employees of the Company as may be necessary or appropriate; 9) reviewing and making recommendations to the Board with respect to the compensation and benefits for directors who are not employees of the Company; 10) reviewing and making recommendations to the Board with respect to management succession plans; and 11) performing such other duties as the Board may assign to the Committee from time to time.

Specific Elements of NEO Compensation

General

For each of the NEOs of the Company named in the Summary Compensation Table below, compensation consists of a base salary, a potential for an incentive cash bonus, equity compensation awards, and other perquisites. Mr. Puehringer and Mr. Jordan, former NEOs also had supplemental retirement benefits. The Committee annually reviews the total compensation package paid to each of the NEOs and certain other senior management employees. In fiscal 2011, the Committee and the Company's human resources group used the consulting firm, Executive Resource Group, to provide information from their database of surveys and comparable compensation packages paid to executives at a broad range of publicly and privately held manufacturing companies with market values, revenue sizes and global operating footprints similar to those of the Company. The Committee compares the compensation packages the Company provides to its NEOs with those benchmarks in determining the appropriateness of the compensation packages paid to the NEOs and considers adjustments where appropriate.

Base Salary

The base salary of each of the executives as well as non-executive employees is intended to attract and retain top level talent as well as to compensate the employees for their knowledge, skill, experience, and overall job responsibilities.

The base salary of Mark Becker was fixed by an employment agreement that was negotiated between Mr. Becker and the Committee and approved by the Independent Directors of the Board of Directors. Mr. Becker's base salary, currently \$300,000 per year, is subject to adjustment (upward but not downward unless expressly agreed to by Mr. Becker) based on performance and attainment of objectives mutually agreed-upon by Mr. Becker and the Board, which are reviewed annually by the Committee of the Board and communicated to the Board. Recommended annual increases to Mr. Becker's base salary are subject to approval by the Committee and the Independent Directors.

The base salaries of the other NEOs are also fixed by employment agreements entered into between each of the NEOs and the Company and approved by the Committee and the Board of Directors. Under the employment agreements in place, each NEO's base salary is subject to adjustment (upward but not downward unless expressly agreed to by the NEO) based on performance and attainment by the NEO of objectives mutually agreed-upon by the NEO and the Chief Executive Officer, which are reviewed annually by the Chief Executive Officer and communicated to the Committee of the Board and the Board of Directors. Recommended annual increases to the base salaries of the NEOs are also subject to the approval of the Committee and the Board of Directors.

See a more detailed description of the terms of each employment agreement between the Company and an NEO in the Employment Agreements Section below.

Bonus

Executive Officers and non-executive employees are eligible to receive cash bonuses provided through the Company's annual Management Incentive Compensation Plan (MICP). Each year, the MICP is designed to reward, recognize and motivate the NEOs and certain other key management employees for their contributions on a consolidated total company and/or location basis. Each NEO, key manager and key non-manager participant (other than Mr. Becker) could have earned cash incentive compensation based on a target bonus percentage of his/ her base salary upon the achievement of certain MICP performance targets whose purpose for Fiscal 2011 was to focus the participants' attention on earnings (through Profit Before Tax) and on cash (through Operating Cash Flow). For Fiscal 2011, the individual target award opportunities for MICP participants ranged from 7.5% to 50% of base salary with Mr. Habibe, Dr. Weisser, Mr. Hultberg and Mr. Hansson each participating at the 50% bonus level. Mr. Becker's bonus level for fiscal year 2011 was 100% of his base salary and his bonus was based on the completion of the objectives and the satisfaction of the criteria set forth in Mr. Becker's employment agreement, which were mutually agreed upon by Mr. Becker and the Committee and approved by the Independent Directors and by the Board. Approximately sixty (60) employees, or about eleven percent (11%) of the Company's worldwide employee base of 529 as of June 30, 2011, participated in the fiscal year 2011 MICP.

Equity Compensation Awards

The Company's NEOs as well as certain other management employees, who in the judgment of the Chief Executive Officer, are in a position to contribute significantly to the Company in order to create stockholder value, receive stock options, restricted stock grants, restricted stock units, and/or performance shares generally once each year. Recommendations for issuing options, restricted stock, restricted stock units and performance shares are reviewed and approved by the Committee and the Board of Directors, and, in the instance of the Chief Executive Officer, by the Independent Directors. Approximately thirty-two (32) officers, senior managers and other key employees or about six percent (6%) of the Company's worldwide employee base of 529 as of June 30, 2011 were identified as participants in the Company's equity compensation program.

Supplemental Retirement Benefits

Mr. Puehringer, former President and CEO, was entitled to deferred compensation, and Mr. Jordan, former Vice President, CFO and Treasurer, was entitled to a supplemental retirement benefit (SERP) in accordance with their respective employment agreements. The deferred compensation and SERP are non-qualified defined retirement plans that provide supplemental retirement income to the named NEO and provide retirement benefits in excess of the Company's 401(k) profit sharing and savings plan because of the limitations imposed by the IRS upon contributions made with respect to the Company's 401(k) plan. The IRS limit on earnings (\$245,000 for 2011) for purposes of computing the maximum contribution that can be made to the Company's 401(k) plan does not apply to payments under a SERP.

Mr. Puehringer's employment agreement provided for deferred compensation to be paid to him, his designated beneficiary or beneficiaries, or his estate for a period of fifteen (15) years upon termination of his employment, subject to a vesting schedule set forth in his employment agreement. Upon Mr. Puehringer's employment agreement being terminated on September 30, 2011, the amount of the annual deferred compensation benefit paid by the Company to Mr. Puehringer in connection with this benefit during fiscal year 2011 was \$94,500.

Mr. Jordan's employment agreement provided for a supplemental retirement benefit to be paid to him for ten (10) years upon termination of his employment, subject to a vesting schedule set forth in his employment agreement. The amount of the annual benefit to be paid to Mr. Jordan is based on a years of service and final average base salary. As a result of Mr. Jordan's employment agreement being terminated on February 16, 2011, the annual benefit payable to Mr. Jordan commencing on September 1, 2011 is \$30,600 payable for ten (10) years.

Mr. Hultberg's employment agreement provides for the Company to make a supplemental retirement contribution each year of 15% of his base salary to a private pension scheme of his choice. The amount contributed by the Company to this scheme for fiscal year 2011 was \$32,000 (converted from SEKs using the June 30, 2011 exchange rate).

Mr. Hansson's employment agreement provides for the Company to make a supplemental retirement contribution each year of 15% of his base salary to a private pension scheme of his choice. The amount contributed by the Company to this scheme for fiscal year 2011 was \$39,001 (converted from SEKs using the June 30, 2011 exchange rate).

Dr. Weisser's employment agreement provides for the Company to reimburse Dr. Weisser for the cost of private pension insurance that will provide Dr. Weisser with pension benefits in addition to pension benefits provided by the German social plan. The amount contributed by the Company during fiscal year 2011 was \$8,701 (converted from Euros using the June 30, 2011 exchange rate).

Perquisites

Generally, corporate officers are provided the same fringe benefits as all other Company employees in their respective locations, such as health, dental, vision and prescription drug insurance; group life insurance; and group short and long-term disability insurance. In addition, NEOs are also provided certain perquisites such as a monthly car allowance, supplemental life insurance and supplemental long-term disability insurance, club/ membership fees, legal fees, and accounting/financial advice fees. The compensation received by each NEO on account of these personal benefits is shown in the column captioned "All Other Compensation" of the Summary Compensation Table below.

Severance and Change-in-Control Agreements

Mr. Becker, Mr. Habibe, Dr. Weisser, Mr. Hansson and Mr. Hultberg are afforded certain severance and change-in control benefits as provided for in each of their respective employment agreements. The specific details of such severance and change-in-control benefits are discussed below under Potential Payments upon Termination or Change of Control. Mr. Puehringer and Mr. Jordan were afforded certain severance and change-in-control benefits as provided for in each of their respective employment agreements with the Company. Mr. Puehringer's and Mr. Jordan's employment agreements were terminated effective September 30, 2010 and February 16, 2011, respectively.

Process for Setting and Reviewing Compensation

The Committee reviews and determines the compensation for its executive officers and certain senior managers by identifying the market value of each position and determining the appropriate mix of compensation elements in order to maintain alignment with the Company's goals and objectives. The Committee considers and compiles compensation data from proprietary and public surveys that track companies in the manufacturing sector that are comparable in size and similar in annual revenues. Where and when appropriate, the Company and/or the Committee have the authority to retain the services of outside compensation consultants to better understand the competitive marketplace and to assess the appropriateness of the Company's compensation programs. In addition to the survey data used to identify specific market levels for direct compensation, in May 2008 the Company and the Committee also conducted a baseline study among peer companies concerning short and long-term compensation practices and trends. This effort informed the Company about practices of similarly-situated companies when the Company was reviewing and establishing compensation programs to meet its compensation and strategic objectives. For this purpose, the Company and Committee considered a broad range of publicly traded manufacturing companies with market values, revenue size and global operating footprints similar to those of the Company.

Resources for Advice on Executive and Director Compensation

The Company's management and human resources department supports the Committee in its work of reviewing and determining executive officer and Director compensation. In its support role, management and the human resources department recommend, but do not determine, the amount or form of executive and Director compensation. Where and when appropriate, the Company and/or the Committee retain the services of outside compensation consultants to better understand the competitive marketplace and to assess the appropriateness of the Company's compensation programs. During Fiscal 2011, the Company and the Committee used the services of Executive Resource Group, a human resource consulting firm, for the assessment of pay competitiveness as well as evaluation of normative market practices for delivering executive and senior management compensation, benefits and perquisites.

Accounting and Tax Considerations

Deductibility of Compensation under Federal Income Taxes

Based on currently prevailing authority, including Treasury Regulations issued in December 1995, and in consultation with outside tax and legal experts, the Committee has determined that it is unlikely that the Company paid any amounts with respect to Fiscal 2011 that would result in the loss of a federal income tax deduction under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), and accordingly has not recommended that any special actions be taken, or plans or programs be revised at this time in light of such tax law provision (except that the Company intends that stock options granted under the 1996 Plan, and stock options or other awards made under the 2005 Plan, have an exercise price which is the fair market value of the stock on the date of grant and that such options qualify as "performance-based compensation" under Section 162(m) of the Code).

COMPENSATION COMMITTEE REPORT

The Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on this review and discussion, the Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's proxy statement.

This report shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and shall not otherwise be deemed filed under such statutes.

PROPOSAL TWO
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Grant Thornton LLP (“GT”) has audited the accounts of the Company beginning with the fiscal year ended June 30, 2007. The Audit Committee has appointed GT to audit the Company’s consolidated financial statements for fiscal 2012.

Appointment of the Company’s independent auditors is not required to be submitted to a vote of the stockholders of the Company for ratification. However, the Audit Committee has recommended that the Board submit this matter to the stockholders for ratification. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether to retain GT and may retain that firm, or another, without resubmitting the matter to the Company’s stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and the stockholders.

A representative of GT will be present at the Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

Fees to Independent Auditors

The following table presents fees billed for professional services rendered to the Company by GT for the audit of Baldwin’s annual financial statements, the reviews of the financial statements in Baldwin’s Forms 10-Q and other services in connection with statutory and regulatory filings and engagements for Fiscal 2010 and 2011 and fees billed in those fiscal years for audit-related services, tax services and all other services rendered by GT.

	2011	2010
Audit Fees	\$ 844,350	\$ 1,182,448
Audit-Related Fees	\$ 348,000	\$ 3,600
Tax Fees	\$ —	\$ —
All Other Fees	\$ —	\$ —
TOTAL	\$ 1,192,350	\$ 1,186,048

In accordance with its charter, the Audit Committee pre-approves all non-audit fees. There were no non-audit services provided by GT to the Company during Fiscal 2011 or Fiscal 2010.

The Board of Directors recommends a vote “FOR” ratification of the appointment by the Audit Committee of Grant Thornton LLP (Item 2 on the proxy card).

PROPOSAL THREE
APPROVAL OF AMENDMENT TO THE 2005 EQUITY COMPENSATION PLAN

The Board of Directors and its Compensation Committee believe that attracting and retaining employees, non-employee Board members, and other persons who provide services to the Company, of high quality has been and will continue to be essential to the Company's growth and success. Consistent with this view, the Board adopted, and the stockholders approved, the 2005 Equity Compensation Plan (the "2005 Plan") in November 2005 and amended it in 2008. The 2005 Plan, as amended, provides a vehicle pursuant to which equity awards may be made in the form of stock options, restricted stock, performance grants, etc. Currently, there are 358,213 shares of Class A Common Stock remaining that could be awarded under the 2005 Plan, as amended. The 2005 Plan's original limit was 1,200,000 shares, but the Plan was amended in 2008 to add another 1,000,000 shares. In order to continue to make equity awards under the 2005 Plan, the Board determined it was necessary to again increase the plan limit. Therefore, the Board has adopted, subject to stockholder approval, an amendment to the 2005 Plan, as amended, increasing by 1,000,000 shares the number of shares of Class A Common Stock that may be subject to awards outstanding under the 2005 Plan, as amended, from 2,200,000 to 3,200,000.

Below is a summary of the principal provisions of the 2005 Plan, as amended, and its operation. A copy of the 2005 Plan, as amended, is set forth in full in Appendix A to this Proxy Statement, and the following description of the 2005 Plan, as amended, is qualified in its entirety by reference to Appendix A.

Potential Dilution

The aggregate number of shares that may be issued to employees, non-employee directors and other persons who provide services to the Company under the 2005 Plan will not exceed 3,200,000. Shares subject to awards granted under the 2005 Plan which are subsequently forfeited, expire unexercised or are otherwise not issued will not be treated as having been issued for purposes of the share limitation.

Restrictions on Repricing

The 2005 Plan includes a restriction that, unless authorized by stockholders, the Company will not amend or replace options previously granted under the 2005 Plan in a transaction that constitutes a "repricing" under U.S. generally accepted accounting principles.

Administration

The Compensation Committee or a sub-committee of its members will have the authority to select award recipients, determine the type, size and other terms and conditions of the award, and make all other decisions and determinations as may be required under the terms of the 2005 Plan or as the Compensation Committee may deem necessary or advisable for the administration of the 2005 Plan. The Compensation Committee will be permitted to delegate to one or more senior executives of the Company (i) the authority to make grants of awards to officers (other than executive officers) and employees of the Company and (ii) such other administrative responsibilities.

Eligibility

Employees (including officers) and non-employee directors of the Company and its subsidiaries and other persons who provide substantial services to the Company and its subsidiaries are eligible to be selected as award recipients.

Type of Awards

The 2005 Plan gives the Committee the flexibility to grant a variety of other equity instruments in addition to stock options, including restricted stock, bonus shares, stock appreciation rights, share units, performance units and dividend equivalents. Awards may be granted alone or in combination with any other award granted under the 2005 Plan or any other plan. The Committee will determine the size of each award to be granted (including, where applicable, the number of shares to which an award will relate), and all other terms and conditions of each award. Unless otherwise set forth in an award agreement, stock options vest in three equal annual installments commencing on the second anniversary of the date of the grant and all awards other than stock options vest in three equal annual installments commencing on the first anniversary of the date of the grant. Upon a Change in Control (as defined in the Plan), any time periods, conditions or contingencies relating to the exercise or realization of, or lapse of restrictions under, any award will be automatically accelerated or waived so that if no exercise of the award is required, the award may be realized in full at the time of the occurrence of the Change in Control or if exercise of the award is required, the award may be exercised at the occurrence of the Change in Control.

Certain Performance-Based Awards

The Committee may grant performance awards, which may be cash or stock-based. Generally, performance awards require satisfaction of pre-established performance goals, consisting of one or more business criteria and a targeted performance level with respect to such criteria as a condition of awards being granted, becoming exercisable or settleable, or as a condition to accelerating the timing of such events. The Committee will set the performance goals used to determine the amount payable pursuant to a performance award. In order to avoid the limitations on tax deductibility under Section 162(m) of the Internal Revenue Code, the business criteria used by the Committee in establishing performance goals applicable to performance awards to the covered employees must be selected from among the following: earnings per share; revenues; cash flow; cash flow return on investment; return on net assets, return on assets, return on investment, return on invested capital, return on equity; profitability; economic value added; operating margins or profit margins; income or earnings before or after taxes; pretax earnings; pretax earnings before interest, depreciation and amortization; operating earnings; pretax operating earnings, before or after interest expense and before or after incentives, and extraordinary or special items; net income; total stockholder return or stock price; book value per share; expense management; improvements in capital structure; working capital; days sales outstanding; days payables outstanding; inventory turns; and costs. Performance goals may be set based on consolidated Company performance and/or for specified subsidiaries, divisions, or other business units, and may be with fixed, quantitative targets; targets relative to past performance; or targets compared to the performance of other companies, such as a published or special index or a group of companies selected by the Compensation Committee for comparison.

Limitations on Stock-Based Awards

The aggregate number of shares that may be issued to employees, non-employee directors and persons who provide services to the Company under the 2005 Plan, as amended, will not exceed 3,200,000. Shares issued under the 2005 Plan that are reacquired by the Company in connection with a cancellation, forfeiture, termination or other failure to satisfy performance conditions will not be treated as having been issued for purposes of the share limitation. Shares delivered under the Plan may be newly issued shares, treasury shares, or shares acquired in the open market. In any calendar year, no participant in the Plan may be granted stock-based awards that related to more than 200,000 shares, or cash-based awards that can be settled for more than \$1 million.

Adjustments

In the event of a large, special or non-recurring dividend or distribution, recapitalization, stock split, stock dividend, reorganization, business combination, or other similar corporate transaction or event affecting the Company's common stock, the Compensation Committee may adjust the number and kind of shares subject to the aggregate and individual share limitations described above. The Compensation Committee may also adjust outstanding awards upon occurrence of these events in order to preserve the award without enhancing the value of the award. These adjustments may include changes to the number of shares subject to an award, the exercise price or share price referenced in the award terms, and other terms of the award. The Compensation Committee is also authorized to adjust performance conditions and other terms of awards in response to these kinds of events or to changes in applicable laws, regulations, or accounting principles.

Amendment, Termination

The Board may amend, suspend, discontinue, or terminate the 2005 Plan or the Compensation Committee's authority to grant awards under the 2005 Plan without stockholder approval, provided that stockholder approval will be required for any amendment that will require stockholder approval as a matter of law or regulation or under the NYSE Amex rules. Unless earlier terminated, the 2005 Plan will terminate on November 8, 2015, which is ten years after the Plan's original approval by stockholders.

Tax Consequences

The federal income tax consequences arising with respect to awards granted under the 2005 Plan will depend on the type of award. From the recipients' standpoint, as a general rule, ordinary income will be recognized at the time of payment of cash or delivery of actual shares. Future appreciation on shares held beyond the ordinary income recognition event will be taxable at capital gains rates when the shares are sold. The Company, as a general rule, will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the recipient, and the Company will not be entitled to any tax deduction in respect of capital gain income recognized by the recipient. Exceptions to these general rules may arise under the following circumstances: (i) if shares, when delivered, are subject to a substantial risk of forfeiture by reason of failure to satisfy any employment or performance-related condition, ordinary income taxation and the Company's tax deduction will be delayed until the risk of forfeiture lapses (unless the recipient makes a special election to ignore the risk of forfeiture); (ii) if an employee is granted an option that qualifies as an "incentive stock option," no ordinary income will be recognized, and the Company will not be entitled to any tax deduction, if shares acquired upon exercise of

such option are held more than the longer of one year from the date of exercise and two years from the date of grant; (iii) the Company will not be entitled to a tax deduction for compensation attributable to awards granted to one of its covered employees, if and to the extent such compensation does not qualify as “performance-based” compensation Section 162(m) of their Internal Revenue Code, and such compensation, along with any other non-performance-based compensation paid in the same calendar year, exceeds \$1 million; and (iv) an award may be taxable at 20 percentage points above ordinary income tax rates at the time it becomes vested, even if that is prior to the delivery of the cash or stock in settlement of the award, if the award constitutes “deferred compensation” under Code Section 409A, and the requirements of Code Section 409A are not satisfied.

The foregoing provides only a general description of the application of federal income tax laws to certain awards under the 2005 Plan. This discussion is intended for the information of stockholders considering how to vote at the Annual Meeting and not as tax guidance to participants in the 2005 Plan, as the tax consequences may vary with the types of awards made, the identity of the recipients and the method of payment or settlement. This summary does not address the effects of other federal taxes (including possible “golden parachute” excise taxes) or taxes imposed under state, local, or foreign tax laws.

New Plan Benefits

Future benefits under the 2005 Plan, as amended, generally will be granted at the discretion of the Compensation Committee and are therefore not currently determinable. During Fiscal 2011, awards were made under the 2005 Plan, as amended, to the named executive officers as set forth herein in the tables captioned Summary Compensation Table and Option /SAR Grants in Last Fiscal Year. The amount and/or value of awards made during Fiscal 2011 under the 2005 Plan to the Company’s non-employee directors is set forth herein under Compensation of Directors. In addition, during Fiscal 2011, a total of 292,000 stock options were granted to all of the Company’s employees (other than named executive officers) under the 2005 Plan, as amended.

Vote Required for Approval

Approval of the Amendment to the 2005 Plan, as amended, requires the affirmative vote of a majority of the outstanding shares of Class A Common Stock and Class B Common Stock present, in person or represented by proxy, and entitled to vote at the Annual Meeting, voting as a single class, with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share.

The Board of Directors unanimously recommends a vote “FOR” approval of the Amendment to the Baldwin Technology Company, Inc. 2005 Equity Compensation Plan, as amended (Item #3 on the proxy card).

2005 EQUITY COMPENSATION PLAN, AS AMENDED

(1) Purpose of the Plan

The purpose of this 2005 Equity Compensation Plan (the "Plan") is to advance the interests of the Company and its stockholders by providing a means (a) to attract, retain, and reward directors, officers, other employees, and persons who provide services to the Company and its Subsidiaries, (b) to link compensation to measures of the Company's performance in order to provide additional incentives, including stock-based incentives and cash-based incentives, to such persons for the creation of stockholder value, and (c) to enable such persons to acquire or increase a proprietary interest in the Company in order to promote a closer identity of interests between such persons and the Company's stockholders. (3) Administration

- a. Committee. The Compensation Committee of the Board shall administer the Plan, unless the Board shall appoint a different committee. At any time that a member of the Committee is not an Independent Director, (i) any action of the Committee relating to an Award intended by the Committee to qualify as “performance-based compensation” within the meaning of Code Section 162(m) and regulations thereunder may be taken by a subcommittee, designated by the Committee or the Board, composed solely of two or more Independent Directors, and (ii) any action relating to an Award granted or to be granted to a Participant who is then subject to Section 16 of the Securities Exchange Act of 1934 in respect of the Company may be taken either by the Board, a subcommittee of the Committee consisting of two or more Independent Directors or by the Committee but with each such member who is not an Independent Director abstaining or recusing himself or herself from such action, provided that, upon such abstention or recusal, the Committee remains composed of two or more Independent Directors. Such action, authorized by such a subcommittee or by the Committee upon the abstention or recusal of such non-Independent Director(s), shall be the action of the Committee for purposes of the Plan. Other provisions of the Plan notwithstanding, the Board may perform any function of the Committee under the Plan, and any authority specifically reserved to the Board under the terms of the Plan, the Company’s Articles of Incorporation, By-Laws, or applicable law shall be exercised by the Board and not by the Committee. The Board shall serve as the Committee in respect of any Awards made to any Non-Employee Director.
- b. Powers and Duties of Committee. In addition to the powers and duties specified elsewhere in the Plan, the Committee shall have full authority and discretion to:
 - i. adopt, amend, suspend, and rescind such rules and regulations and appoint such agents as the Committee may deem necessary or advisable to administer the Plan;
 - ii. correct any defect or supply any omission or reconcile any inconsistency in the Plan and to construe and interpret the Plan and any Award, rules and regulations, Award Agreement, or other instrument hereunder;
 - iii. make determinations relating to eligibility for and entitlements in respect of Awards, and to make all factual findings related thereto; and
 - iv. make all other decisions and determinations as may be required under the terms of the Plan or as the Committee may deem necessary or advisable for the administration of the Plan.

All determinations and decisions of the Committee shall be final and binding upon a Participant or any person claiming any rights under the Plan from or through any Participant, and the Participant or such other person may not further pursue his or her claim in any court of law or equity or any arbitral proceeding.

- c. Delegation by Committee. Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, or as provided in Section 5.2, the Committee may delegate in writing, on such terms and conditions as it determines in its sole and absolute discretion, to one or more senior executives of the Company (i) the authority to make grants of Awards to officers (other than executive officers) and employees of the Company and any Subsidiary and (ii) other administrative responsibilities. Any such delegation may be revoked by the Committee at any time.

- d. Limitation of Liability. Each member of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants, or any executive compensation consultant, legal counsel, or other professional retained by the Company to assist in the administration of the Plan. No member of the Committee, nor any officer or employee of the Company acting on behalf of the Committee, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Committee and any officer or employee of the Company acting on behalf of the Committee or members thereof shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action, determination, or interpretation.

(4) Awards

- a. Eligibility. The Committee shall have the discretion to select Award recipients from among the following categories of eligible recipients: (i) individuals who are employees (including officers) of the Company or any Subsidiary, (ii) Non-Employee Directors, (iii) any other individual or entity who provides substantial services to the Company or any Subsidiary, and (iv) any individual who has agreed to become an employee of the Company or a Subsidiary, provided that no such person may receive any payment or exercise any right relating to an Award until such person has commenced employment.

 - b. Type of Awards. The Committee shall have the discretion to determine the type of Awards to be granted under the Plan. Such Awards may be in a form payable in either Shares or cash, including, but not limited to, options to purchase Shares, restricted Shares, bonus Shares, stock appreciation rights, Share units, performance units and dividend equivalents. The Committee is authorized to grant Awards as a bonus, or to grant Awards in lieu of obligations of the Company or any Subsidiary to pay cash or grant other awards under other plans or compensatory arrangements, to the extent permitted by such other plans or arrangements. Shares issued pursuant to an Award in the nature of a purchase right (e.g., options) shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including cash, Shares, other Awards, or other consideration, as the Committee shall determine.

 - c. Terms and Conditions of Awards. The Committee shall determine the size of each Award to be granted (including, where applicable, the number of Shares to which an Award will relate), and all other terms and conditions of each such Award (including, but not limited to, any exercise price, grant price, or purchase price, any restrictions or conditions relating to transferability,
-

forfeiture, exercisability, or settlement of an Award, and any schedule or performance conditions for the lapse of such restrictions or conditions, and accelerations or modifications thereof, based in each case on such considerations as the Committee shall determine). The Committee may determine whether, to what extent, and under what circumstances an Award may be settled, or the exercise price of an Award may be paid, in cash, Shares, other Awards, or other consideration, or an Award may be canceled, forfeited, or surrendered. The right of a Participant to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and measures of performance as it may deem appropriate in establishing performance conditions, and may exercise its discretion to reduce or increase the amounts payable under any Award subject to performance conditions, except as limited under Section 5.1 in the case of a Performance Award intended to qualify under Code Section 162(m).

- d. Option Repricing. As to any Award granted as an option to purchase Shares or an appreciation right payable in Shares, the Committee is not authorized to subsequently reduce the applicable exercise price relating to such Award, or take such other action as may be considered a repricing of such Award under generally accepted accounting principles.
- e. Stand-Alone, Additional, Tandem, and Substitute Awards. Subject to Section 4.4, Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Subsidiary, or any business entity to be acquired by the Company or a Subsidiary, or any other right of a Participant to receive payment from the Company or any Subsidiary, and in granting a new Award, the Committee may determine that the value of any surrendered Award or award may be applied to reduce the exercise price of any option or appreciation right or purchase price of any other Award.
- f. Vesting. Unless otherwise set forth in an Award Agreement, (i) Awards granted as an option to purchase Shares shall vest in three equal annual installments commencing on the second anniversary of the date of such grant, and (ii) all Awards other than those granted as an option to purchase Shares shall vest in three equal annual installments commencing on the first anniversary of the date of such grant. In addition, upon a Change in Control, any time periods, conditions or contingencies relating to the exercise or realization of, or lapse of restrictions under, any Award shall be automatically accelerated or waived so that if no exercise of the Award is required, the Award may be realized in full at the time of the occurrence of the Change in Control or if exercise of the Award is required, the Award may be exercised at the occurrence of the Change in Control.

(5) Performance Awards

- a. Performance Awards Granted to Designated Covered Employees. If the Committee determines that an Award to be granted to an eligible person who is designated by the Committee as likely to be a Covered Employee (as defined below) should qualify as “performance-based compensation” for purposes of Code Section 162(m), the grant, exercise, and/or settlement of such Award (a “Performance Award”) shall be contingent upon achievement of preestablished

performance goals and other terms set forth in this Section 5.1. This Section 5.1 shall not apply to Awards that otherwise qualify as “performance-based compensation” by reason of Regulation §1.162-27(e)(2)(vi) (relating to certain stock options and stock appreciation rights).

(a) Performance Goals Generally. The performance goals for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each such criteria, as specified by the Committee consistent with this Section 5.1. Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder (including Regulation §1.162-27 and successor regulations thereto), including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being “substantially uncertain.” The Committee may determine that such Performance Awards shall be granted, exercised, and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise, and/or settlement of such Performance Awards. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

(b) Business Criteria. One or more of the following business criteria for the Company, on a consolidated basis, and/or for specified Subsidiaries, divisions, or other business units of the Company (where the criteria are applicable), shall be used by the Committee in establishing performance goals for such Performance Awards: (1) earnings per share; (2) revenues; (3) cash flow; (4) cash flow return on investment; (5) return on net assets, return on assets, return on investment, return on invested capital, return on equity; profitability; (6) economic value added (“EVA”); (7) operating margins or profit margins; (8) income or earnings before or after taxes; pretax earnings; pretax earnings before interest, depreciation and amortization; operating earnings; pretax operating earnings, before or after interest expense and before or after incentives, and extraordinary or special items; net income; (9) total stockholder return or stock price; (10) book value per share; (11) expense management; (12) improvements in capital structure; (13) working capital (including days sales outstanding, days payables outstanding and inventory turns); (14) costs; and (15) any of the above goals as compared to the performance of a published or special index deemed applicable by the Committee including, but not limited to, the Standard & Poor’s 500 Stock Index or a group of comparator companies. EVA means the amount by which a business unit’s earnings exceed the cost of the equity and debt capital used by the business unit during the performance period, as determined by the Committee. Income of a business unit may be before payment of bonuses, capital charges, non-recurring or extraordinary income or expense, and general and administrative expenses for the performance period, if so specified by the Committee.

(c) Performance Period; Timing for Establishing Performance Award Terms. Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period of up to ten years, as specified by the Committee. Performance goals, amounts payable upon achievement of such goals, and other material terms of Performance Awards shall be established by the Committee (i) while the performance outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period.

(d) Performance Award Pool. The Committee may establish a Performance Award pool, which shall be an unfunded pool, for purposes of measuring performance of the Company in connection with Performance Awards. The amount of such Performance Award pool shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 5.1(b) hereof during

the given performance period, as specified by the Committee in accordance with Section 5.1(c) hereof. The Committee may specify the amount of the Performance Award pool as a percentage of any of such business criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such business criteria. In such case, Performance Awards may be granted as rights to payment of a specified portion of the Award pool, and such grants shall be subject to the requirements of Section 5.1(c).

(e) Settlement of Performance Awards; Other Terms. Settlement of such Performance Awards shall be in cash, Shares or other Awards, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of a Performance Award subject to this Section 5.1. The Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of termination of employment by the Participant prior to the end of a performance period or settlement of Performance Awards.

(f) Impact Of Extraordinary Items Or Changes In Accounting. To the extent applicable, the determination of achievement of performance goals for Performance Awards shall be made in accordance with U.S generally accepted accounting principles (“GAAP”) and a manner consistent with the methods used in the Company’s audited financial statements, and, unless the Committee decides otherwise within the period described in Section 5.1(c), without regard to (i) extraordinary items as determined by the Company’s independent public accountants in accordance with GAAP, (ii) changes in accounting methods, or (iii) non-recurring acquisition expenses and restructuring charges. Notwithstanding the foregoing, in calculating operating earnings or operating income (including on a per share basis), the Committee may, within the period described in Section 5.1(c), provide that such calculation shall be made on the same basis as reflected in a release of the Company’s earnings for a previously completed period as specified by the Committee.

- b. Written Determinations. Determinations by the Committee as to the establishment of performance goals, the amount potentially payable in respect of Performance Awards, the achievement of performance goals relating to Performance Awards, and the amount of any final Performance Award shall be recorded in writing. Specifically, the Committee shall certify in writing, in a manner conforming to applicable regulations under Code Section 162(m), prior to settlement of each Performance Award, that the performance goals and other material terms of the Performance Award upon which settlement of the Performance Award was conditioned have been satisfied. The Committee may not delegate any responsibility relating to such Performance Awards, and the Board shall not perform such functions at any time that the Committee is composed solely of Independent Directors.
- c. Status of Section 5.1 Awards under Code Section 162(m). It is the intent of the Company that Performance Awards under Section 5.1 constitute “performance-based compensation” within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of Sections 5.1, 5.2 and 5.3, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term “Covered Employee” as used herein shall mean only
-

a person designated by the Committee, at the time of grant of a Performance Award, as likely to be a Covered Employee with respect to a specified fiscal year. If any provision of the Plan as in effect on the date of adoption of any agreements relating to Performance Awards does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

(6) Limitations on Awards

- a. Aggregate Number of Shares Available for Awards. The maximum aggregate number of Shares that may be delivered to Participants or their Beneficiaries pursuant to all Awards granted under the Plan shall be 3,200,000. Awards made under this Plan which are forfeited (including a repurchase or cancellation of Shares subject thereto by the Company in exchange for the price, if any, paid to the Company for such Shares, or for their par or other nominal value), cancelled or have expired, shall be disregarded for purposes of the preceding sentence.
- b. Per Participant Limitation on Share-Based Awards. In any calendar year, no Participant may be granted Awards that relate to more than 200,000 Shares. This Section 6.2 shall apply only with respect to Awards that are denominated by a specified number of Shares, even if the Award may be settled in cash or a form other than Shares. If the number of Shares ultimately payable in respect of an Award is a function of future achievement of performance targets, then for purposes of this limitation, the number of Shares to which such Award relates shall equal the number of Shares that would be payable assuming maximum performance was achieved.
- c. Per Participant Limitation on Other Awards. In any calendar year, no Participant may be granted Awards not otherwise described in Section 6.2 that can be settled for cash, Shares or other consideration having a value in excess of \$1,000,000.

(7) Adjustments

In the event of any change in the outstanding Shares by reason of any Share dividend or split, reorganization, recapitalization, merger, amalgamation, consolidation, spin-off, combination or exchange of Shares, repurchase, liquidation, dissolution or other corporate exchange, any large, special and non-recurring dividend or distribution to stockholders, or other similar corporate transaction, the Committee may make such substitution or adjustment, if any, as it deems to be equitable and in order to preserve, without enlarging, the rights of Participants, as to (i) the number and kind of Shares which may be delivered pursuant to Sections 6.1 and 6.2, (ii) the number and kind of Shares subject to or deliverable in respect of outstanding Awards, and (iii) the exercise price, grant price or purchase price relating to any Award. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including cancellation of Awards in exchange for the intrinsic (i.e., in-the-money) value, if any, of the vested portion thereof, substitution of Awards using securities or other obligations of a successor or other entity, acceleration of the expiration date for Awards, or adjustment to performance goals in respect of Awards) in recognition of unusual or nonrecurring events (including events set forth in the preceding sentence, events constituting a Change in Control, as well as acquisitions and dispositions of businesses and assets) affecting the Company, any Subsidiary or any business unit, or the financial statements of the Company or any Subsidiary, or in response to changes in applicable laws, regulations, or accounting principles. Notwithstanding the foregoing, if any such event will result in the acquisition

of all or substantially all of the Company's outstanding Shares, then if the document governing such acquisition (e.g., merger agreement) specifies the treatment of outstanding Awards, such treatment shall govern without the need for any action by the Committee.

(8) General Provisions

- a. Compliance with Laws and Obligations. The Company shall not be obligated to issue or deliver Shares in connection with any Award or take any other action under the Plan in a transaction subject to the registration requirements of any applicable securities law, any requirement under any listing agreement between the Company and any securities exchange or automated quotation system, or any other law, regulation, or contractual obligation of the Company, until the Company is satisfied that such laws, regulations, and other obligations of the Company have been complied with in full. Certificates representing Shares issued under the Plan will be subject to such stop-transfer orders and other restrictions as may be applicable under such laws, regulations, and other obligations of the Company, including any requirement that a legend or legends be placed thereon.
- b. Limitations on Transferability. Awards and other rights under the Plan will not be transferable by a Participant except to a Beneficiary in the event of the Participant's death (to the extent any such Award, by its terms, survives the Participant's death), and, if exercisable, shall be exercisable during the lifetime of a Participant only by such Participant or his guardian or legal representative; provided, however, that such Awards and other rights may be transferred during the lifetime of the Participant, for purposes of the Participant's estate planning or other purposes consistent with the purposes of the Plan (as determined by the Committee), and may be exercised by such transferees in accordance with the terms of such Award, but only if and to the extent permitted by the Committee. Awards and other rights under the Plan may not be pledged, mortgaged, hypothecated, or otherwise encumbered, and shall not be subject to the claims of creditors. A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award Agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.
- c. No Right to Continued Employment; Leaves of Absence. Neither the Plan, the grant of any Award, nor any other action taken hereunder shall be construed as giving any employee, consultant, director, or other person the right to be retained in the employ or service of the Company or any of its Subsidiaries (for the vesting period or any other period of time), nor shall it interfere in any way with the right of the Company or any of its Subsidiaries to terminate any person's employment or service at any time. Unless otherwise specified in the applicable Award Agreement, (i) an approved leave of absence shall not be considered a termination of employment or service for purposes of an Award under the Plan, and (ii) any Participant who is employed by or performs services for a Subsidiary shall be considered to have terminated employment or service for purposes of an Award under the Plan if such Subsidiary is sold or no longer qualifies as a Subsidiary of the Company, unless such Participant remains employed by the Company or another Subsidiary.

- d. Taxes. The Company and any Subsidiary are authorized to withhold from any delivery of Shares in connection with an Award, any other payment relating to an Award, or any payroll or other payment to a Participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company, its Subsidiaries and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Shares or other consideration and to make cash payments in respect thereof in satisfaction of withholding tax obligations.
- e. Changes to the Plan and Awards. The Board may amend, suspend, discontinue, or terminate the Plan or the Committee's authority to grant Awards under the Plan without the consent of stockholders or Participants, except that any amendment shall be subject to the approval of the Company's stockholders at or before the next annual meeting of stockholders for which the record date is after the date of such Board action if such stockholder approval is required by any applicable law, regulation or stock exchange rule. The Board may otherwise, in its discretion, determine to submit other such amendments to stockholders for approval; provided, however, that, without the consent of an affected Participant, no such action may materially impair the rights of such Participant under any Award theretofore granted. The Committee may amend, suspend, discontinue, or terminate any Award theretofore granted and any Award Agreement relating thereto; provided, however, that, without the consent of an affected Participant, no such action may materially impair the rights of such Participant under such Award. Any action taken by the Committee pursuant to Section 7 shall not be treated as an action described in this Section 8.5.
- f. No Right to Awards; No Shareholder Rights. No Participant or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Participants, employees, consultants, or directors. No Award shall confer on any Participant any of the rights of a stockholder of the Company unless and until Shares are duly issued or transferred and delivered to the Participant in accordance with the terms of the Award.
- g. Unfunded Status of Awards; Creation of Trusts. The Plan is intended to constitute an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided, however, that the Committee may authorize the creation of trusts or make other arrangements to meet the Company's obligations under the Plan to deliver cash, Shares, other Awards, or other consideration pursuant to any Award, which trusts or other arrangements shall be consistent with the "unfunded" status of the Plan unless the Committee otherwise determines.
- h. Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan or of any amendment to stockholders for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements as it may deem desirable, including the granting of awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

- i. Successors and Assigns. The Plan and Award Agreements may be assigned by the Company to any successor to the Company's business. The Plan and any applicable Award Agreement shall be binding on all successors and assigns of the Company and a Participant, including any permitted transferee of a Participant, the Beneficiary or estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.
- j. Governing Law. The Plan and all Award Agreements shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.
- k. Severability of Provisions. If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.
- l. Plan Termination. Unless earlier terminated by the Board, the Plan shall terminate on the day before the tenth anniversary of the later of the date the Company's stockholders originally approved the Plan or the date of any subsequent stockholder approval of the Plan. Upon any such termination of the Plan, no new authorizations of grants of Awards may be made, but then-outstanding Awards shall remain outstanding in accordance with their terms, and the Committee otherwise shall retain its full powers under the Plan with respect to such Awards.
