On May 24, 2013, the Compensation and Management Development Committee of the Board of Directors of Meritor (the Committee) approved the following compensation for Mr. Evans, retroactive to the date of his start, for the term in which he serves in this role:

- a base salary of \$90,000 per month, pro-rated for May and any other month in which he serves less than a month; and
- a cash bonus of \$250,000 per month, also pro-rated for any month in which he serves less than a month, and awarded by the Committee based on the performance goals set forth below.

The Committee established the following three discretionary performance goals to be evaluated on a periodic basis for bonus determination purposes:
