Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

- (1) In addition to the time-based restricted stock units reported here, on February 25, 2015, the reporting person also received a grant of performance restricted stock units, the target amount of which is 98,619 units. The vesting of the units is contingent upon the Company's achievement of a specified one-year performance goal for the year ending December 31, 2015. Provided the goal is achieved, the units will vest in one-third increments on each of the first, second and third anniversaries of the date of grant. If the performance goal is not achieved, the units will be forfeited. The actual number of units that could vest ranges from 0% to 200% of the target unit amount, depending on the Company's level of achievement with respect to the performance goal.
- (2) These time-based restricted stock units vest in one-third increments on each of the first, second and third anniversaries of the date of grant. Restricted stock units are settled in shares of the Company's common stock upon vesting.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
