Shares are represented by performance stock units, each of which represents a contingent right to receive one share of NANO common stock. Of these performance stock units, performance stock units covering 22,500 shares converted into restricted stock units to acquire (1) 15,000 shares, which will vest as set forth in note (1) above, and are reflected on Table I. The remaining performance stock units covering 22,500 shares will vest on February 22, 2018, provided that certain price performance targets are met. 2/3rds will vest if target price performance is met, and 100% will vest if maximum price performance is met.

Shares are represented by performance stock units. Each performance stock unit represents a contingent right to receive one share of NANO common stock. The performance stock units vest on an annual basis, in equal 1/3rd target increments, over a three-year period, (2) provided that certain price performance targets are met. 2/3rds will vest for each increment if target price performance is met for that increment and 100% will vest if maximum price performance is met for that increment.

(3) Shares are represented by restricted stock units. Each restricted stock unit represents a contingent right to receive one share of NANO common stock. The restricted stock units vest on an annual basis, in equal 1/3rd increments, over a three-year period from the award date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
